

First Bale Of Cotton Delivered

James Davis delivered the first bale of new-crop cotton to T & F Gin Monday of this week. The bale weighed 480 pounds and was ginned from 2,220 pounds of seed cotton. It yielded 840 pounds of seed. Davis brought in 24 bales, which were ginning out 23%, but this dropped off and he discontinued stripping operations due to its being too green.

Owls On Road To Wellington Friday

The Varsity Owls will travel to Wellington this week to take on the Skyrockets, who were picked in the pre-season poll to win the District 2-A championship. Wellington has defeated Memphis, dropping them out of the State top ten ratings, but have yet to reckon with Clarendon, and after Wellington's 14-9 defeat of Claude, there are those who believe Clarendon could win all the marbles this season.

The Owl lineup continues to be riddled by injuries and illness, and even though the Owls are still trying hard, there is only so much that boys with cracked bones, dislocations and other problems can do. They need the support and attendance of their fans as they continue to look for their first win of the season.

Clarendon ran a touchdown on the first play of the game here last Friday night, and didn't give up much ground to the Owls all night long. The Bronchos are fast and tough, and undoubtedly were the best team the Owls have played this season.

Bronchos scored 26 points in the first quarter, seven in the second, 21 in the third and seven in the fourth, to win 62-0. The Owls were allowed only five first downs in the game, while the Bronchos made 14.

Reds Defeat Whites In Powder Puff Football Game

Touchdowns by Becky Francis and Debbie Storie gave the Red Team their margin of victory over the White Team in Monday night's Powder Puff Football Game.

The Red Team had lost one of its players in practice when Jeanette Arnold cracked an elbow, and the White Team received injuries to Ruegena Davidson and Margaret Crosslin in the game.

The Red Team was coached by Randy Clay, Brett Gill and Ken Sarchet, and its players were Suzanne Fitzgerald, Kerri Arnold, Becky Francis, Danna Garvin, Debra Roehr, Tammy Stephens, Debra Strange, Susan Northcutt, Linda Vaughn, Debbie Storie, Kim Hutsell, Colleen Hutsell and Mignone Rauch.

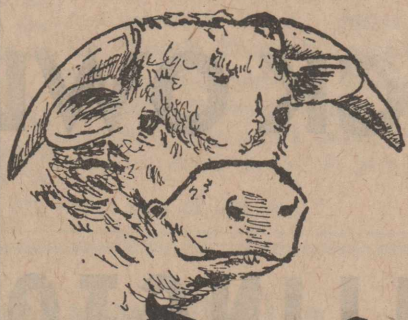

The Reds were quarterbacked by Debra Strange, and their cheers were led by David Lewis, Mike Martin, Mark Reeves, Brent Brannon and Gary Younger.

The Red Team players and coaches celebrated their victory at a dinner party at the El Matador in Tulia Tuesday night, and also visited Margaret Crosslin at Swisher Memorial Hospital where she is being treated for a cracked vertebrae.

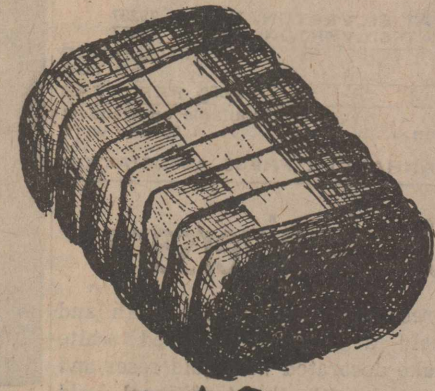

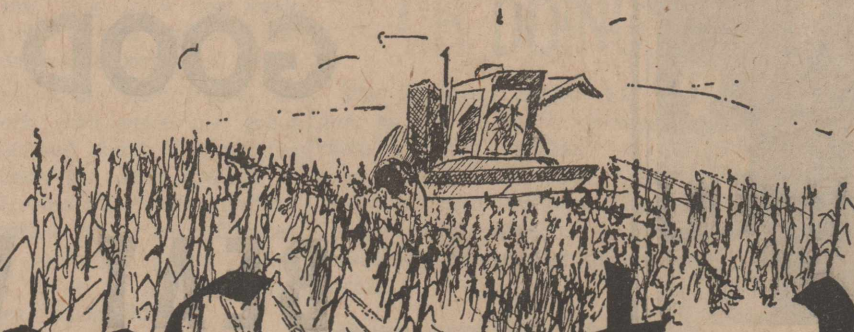

The White Team was quarterbacked by Dara Garvin, and even though it didn't score, it moved in close to the goal line several times.

Coaching the White Team were David Strange, Brent Bean, Tommy Lacy and Jack Robertson. Its cheerleaders were Doug McJimsey, David Williams, Greg Blair, Mitchell Simpson, Brad Ziegler, Gary Turner and Jeff Jones.

Playing for the White Team were Lesa Francis, Margaret Crosslin, Gayla McCord, Dara Garvin, Donna Rowell, Robbie Martin, Liz Brown, Teresa Crosslin, Ramona Clay, Twila Wood, Ruegena Davidson, Jo Jarrett, Rebecca Reid, Donna Hale, Elaine King, Lee Ann McMurry, Lisa Younger, Annette Fleming, Linda Hardin, Tracy Gill, Kim Cornett and Karen Ziegler. The event was sponsored by the Student Council.

Silverton School To Compete In Class B Next Season

Ambulance Service To Hold Annual Meeting November 4

The annual meeting of Silverton Volunteer Ambulance Service will be held Tuesday, November 4, at 7:00 p.m. at the City Hall in Silverton. Two new directors are to be elected.

Teams Drop Two At Clarendon

Both the Junior High and Junior Varsity Owls suffered defeats at Clarendon on Thursday after noon of last week, and will be hosting the teams from Wellington at 5:30 p.m. today. The concession stand will be open and the Booster Club invites you to have supper at the game. The Owls will appreciate your attendance and support.

The Junior High Owls brought first blood in their game with Clarendon after having lost the ball via the fumble route early in the game. When the Owls punted to the Colts, Clarendon fumbled, John Segura picked up the live ball and carried it into the end zone for a score. The Owls received a holding penalty on the extra-point try and failed to add a PAT. The game was marred with penalties, but the Colts waited no time in putting some points on the board. No PAT was added, and the score stood at a 6-6 deadlock.

On Silverton's next series of downs the Owls fumbled, Clarendon recovered, and lost little time getting back into the end zone. Nicky McJimsey prevented the PAT, and the Colts led 12-6.

Later Paul Brannon intercepted a pass on the Owl-13, but Silverton lost the ball on a fumble at the five, and the Colts quickly put up another score. Again the extra-point try failed, and at halftime the score stood at 18-6.

The Broncho Colts came back to score again in the third period, and successfully added extra points on a quarterback keeper to move to a 26-6 advantage. The Owls were unable to approach the end zone again, but Kelly Comer did recover a Colt fumble for the Owls in the fourth quarter.

Kirk Durham, Rodney Bullock and Larry Stephens served as tri-captains for the Junior Varsity Owls in the second game of the double header. The Owls received the ball to begin the action, and Chief Davidson broke the return to the 31 yard line before the Bronchos held and the Owls were forced to punt it away. Clarendon scored on their first possession, and added a running PAT.

The Owls fumbled on their next series of downs, Clarendon recovered, and quickly put up another score. The next time the Owls punted, Clarendon ran it all the way back for a touchdown.

When the Bronchos kicked off to the Owls, Dave Francis carried it all the way back for a score. There was no conversion, and the Owls trailed 20-6.

The Bronchos scored again and on their next possession, Glenn Kingery intercepted a Clarendon pass. At halftime Clarendon held a 26-6 lead.

In the third quarter, the Owls earned a safety and Clarendon

Mrs. Johnson Buried Here Last Thursday

Funeral services for Mrs. Hallie L. Johnson, 90, of Quitaque were conducted at 2:00 p.m. Thursday at the Church of Christ in Quitaque.

Burial was in the Silverton Cemetery, with arrangements under the direction of the Quitaque Funeral Home.

Mrs. Johnson died Tuesday of last week at the home of her daughter, Mrs. Vivian Merrell, in Quitaque. Justice of the Peace Lewis Bedwell ruled death due to natural causes.

Mrs. Johnson was born in Motley County and married T. J. Johnson March 24, 1902, in Burnet. Her husband died in 1942. She was a member of the Church of Christ in Quitaque.

She is survived by two daughters, Mrs. Merrell of Quitaque and Mrs. Ura May Bush of Taylor, Arizona; a son, H. B. (Jack) Johnson of Floydada; four sisters, Mrs. Little May and Mrs. Lorene Lilphart, both of California; Mrs. Shirley Williams of Kingsland and Mrs. John Goble of Burnet; 10 grandchildren and 13 great-grandchildren.

Mrs. Lindsey Joins Quarter Century Club

One Silverton resident, Mrs. Glen (Lillian) Lindsey, was among 93 Southwestern Public Service Company's Southern Division employees honored Tuesday night, October 21, in Lubbock at an awards dinner. Members of the group were honored for periods of service ranging from five to forty years.

Mrs. Lindsey joined the quarter-century group, having been presented a 25-year award by Roy Tolk, chairman and president of the electric company.

This was the first of four service award dinners to be held throughout the Company's territory. A total of 312 employees, with a combined service of 4,855 years, will be honored.

Meeting Time Changed By Club

It has been announced that Silverton Booster Club meetings will begin at 7:00 p.m. Tuesdays in the school cafeteria.

Visitors in the home of Mr. and Mrs. Cecil Seaney at Wheeler last Sunday were Mr. and Mrs. George Seaney, Mr. and Mrs. David Seaney, Kristi and Michael, Mr. and Mrs. Pascal Garrison and Gabe Garrison, all of Silverton; Mr. and Mrs. Jim Seaney and Chase, Stinnett; Mr. and Mrs. Daryl Wynn and Kimberly, Booker; Mr. and Mrs. Darwin Johnson, Erick, Oklahoma. The occasion was to celebrate the birthday of Cecil Seaney's daughter, Susie Wynn.

Dorothy Miller and Rosemary Jasper of Lubbock visited their cousin, Dawn Jasper, last Thursday.

Mrs. Roy Mack Walker entered St. Anthony's Hospital in Amarillo Sunday and underwent surgery Tuesday afternoon.

The University Interscholastic League has made the following determination as to what class each school in Texas will compete in next year. Schools with student population up to 124 will compete in Conference B, and this includes Silverton.

Those with 125 to 239 student will compete in Conference A 240 to 549, Conference AA: 550 to 1219, Conference AAA: 1220 and up, Conference AAAA.

District 1-B will include Booker Darroutzett, Follett, Groom, Higgins, Lefors, McLean, Miami, Texline and Wheeler.

District 2-B will include Amherst, Happy, Lazbuddie, Motley County (Matador), Meadow, Nazareth, Ropes (Ropesville), Silverton, Smyer, Sudan, Sundown, Valley (Turkey-Quitaque), Whiteface. District 2-B is presently zoned into a North Zone and a South Zone, and this will continue to be the case.

Teams making up the 2-B North Zone in football next year will be Silverton, Happy, Lazbuddie, Nazareth, Matador, Sudan and Valley. There will be some additional teams added to the North Zone for basketball, these being schools that don't play football. Non-conference games for the Owls will be with Kress, Hart and Claude, and school officials are presently trying to schedule a fourth non-conference football game to complete the 10-game schedule.

Free Immunization Clinic Is October 31

A free immunization clinic to provide vaccination against five childhood diseases will be held from 1:00 until 3:00 p.m. October 31 in the office of the Silverton School Nurse, Mrs. Margie Pinkerton.

The clinic is sponsored by the Texas State Health Department.

Charles Don Wallace of Quitaque seriously injured his hand Saturday when he was cleaning up a spray gun while it was still plugged in and it accidentally went off in his hand. He had been doing some painting at the new Quitaque Community Center. His wife took him to Central Plains Hospital in Plainview, where he underwent surgery on his hand Sunday morning. His parents, Mr. and Mrs. Dock Wallace, were at the hospital during the surgery and recovery period. The doctors had been afraid they might have to do some amputation, but they did not find it necessary at this time.

Mr. and Mrs. Shafe Weaver visited their son and daughter-in-law, Mr. and Mrs. Johnnie Roy Weaver in Greenville from Tuesday of last week until Sunday. They also visited a brother, Ewing Weaver of Sundown, who was a patient in a Dallas hospital, and two sisters, Mrs. Irene Perry, who has also been in the hospital, and Mrs. Erma Joy Luffman in Dallas.

C. Rampley, Box 597, Silverton High School, Silverton, Texas 79257. Your receipt will be returned to you.

Change Is Inevitable For Nation's Farmers

Change is inevitable in the farmer's search for ways to conserve fuel and maintain yields in the wake of petroleum shortages and higher prices, the national leader of the Soil Conservation Service, says.

"Some farming systems will increase rapidly and others will be virtually abandoned," R. M. Davis, Soil Conservation Service administrator, said in the October issue of "Soil Conservation" magazine.

Minimum tillage, including no-till, is emerging as the most promising fuel saver for farmers. "This practice," said Davis, "has especially high potential for feed grains, cereals, soybeans and cotton—the crops most in demand on the world market."

In Texas, a switch from conventional tillage to minimum tillage saves an average of about five gallons of tractor fuel per acre per year. Since some 456,000 acres were farmed with minimum tillage last year, this amounted to a saving of some 2.3 million gallons of tractor fuel.

USDA predicts that by the year 2000, minimum tillage could account for annual fuel savings of 830 million gallons in machinery operations.

Another energy saver is better management of irrigation water. According to Davis, SCS estimates that by increasing the efficiency of both delivery systems and on-farm irrigation, farmers could save more than 230 million gallons of fuel each year.

"Although we can save a substantial amount of petroleum using the knowledge we have now," Davis said, "USDA and private groups are researching ways to save even more. And USDA is researching other energy sources, such as solar energy for drying crops and livestock wastes."

Davis appealed to soil and water conservation district officials to stay abreast of continuing research on new energy-saving practices and of all the possible benefits and drawbacks involved.

"By keeping informed of current developments in agriculture, SCS and district people can help farmers use fuel more efficiently without cutting agricultural production," Davis concluded.

Dealer Elected Officer Of Chevrolet Council

Mr. Joe E. Grabbe, Grabbe-Simpson Chevrolet, Inc., Silverton, has been elected to a key office for his area in a nationwide organization of Chevrolet dealers.

Chosen as representative from his district to the Chevrolet Dealer Council, he will serve as spokesman for 14 Chevrolet dealers in the district at an October meeting of the organization to be held at the zone headquarters in Oklahoma City.

The Chevrolet Dealer Council program was pioneered by Chevrolet in 1937. Operating at local and national levels, the organization helps Chevrolet's 6,000 dealers plan toward mutual progress in discussions among themselves and with Chevrolet executives. Among matters discussed are market conditions, business concepts and customer services.

The Chevrolet Dealer Council is organized at district, zone, regional and national levels to correspond with Chevrolet's field sales areas. Dealers in the 435 Chevrolet sales districts elect representatives annually to attend the zone meetings. In meetings at the 45 zone cities these representatives elect from their number regional council representatives. At the conclusion of meetings held in the nine regional headquarters cities, the regional representatives elect members to represent them on the Chevrolet National Dealer Council that meets in Detroit with company executives.

District, regional and national Dealer Council members are elected to a two-year term. Elections are held annually to provide for continuity in office with overlapping terms.

Win Ribbons In Bantam Show

Kirk Durham, Danny Perkins and Tommy Perkins were exhibitors in the Amarillo Junior Bantam Show October 18-19.

This was the first chicken show for all three boys to enter, and they enjoyed it, learned a great deal more about showing and judging chickens and earned some first place ribbons.

A raffle was held after the judging, and Danny Perkins won a chicken feeder.

Kirk Durham's entry of Golden Seabrights earned him three first place ribbons.

Danny Perkins entered White Cochins and won two first place and one second place ribbon.

Tommy Perkins' entry of White Old English won him two first place ribbons and one second. He also entered Black Cochins and earned two first place and one second place ribbon.

Young Farmers To Meet Tonight

Silverton Young Farmers will meet tonight, Thursday, October 23, at 8:00 in the Vocational Agriculture Department.

Guest speaker will be Chick Childress, a representative of Taylor-Evans in Tulia. The public is invited to attend.

Ted Lanham returned home early this week after having been a patient in a Lubbock hospital for two weeks.

Couple Honored On Anniversary

The Pioneer Room of the First State Bank in Silvertown was the scene of the Golden Wedding Anniversary celebration of Mr. and Mrs. A. M. (Ollie) Kindrick Sunday afternoon. Hosting the event were the ten surviving children of the twelve children born to the couple, all of whom were present. They are seven sons, J. C. Kindrick, Cedar Rapids, Iowa; Norman Kindrick and Coy Kindrick, Amarillo; Harrell Kindrick, with the United States Army stationed in Korea; Richard Kindrick, Hereford; Vern Kindrick, Fort Knox, Kentucky; David Kindrick, Harlingen; three daughters, Mrs. Alta Mae Meadows, Wellington; Mrs. Mary Nell Teague, Amarillo, and Mrs. Sherry Wagoner, Hereford. The couple also has 26 grandchildren and four great-grandchildren.

ered with a white lace cloth and held a large three-tiered white cake decorated with gold roses and topped with the traditional gold numeral 50. The centerpiece was an arrangement of large pom-pom mums in a crystal and gold epergne. Cake and banana punch were served by two granddaughters, Donna Barrett and Kathy Teague. Vickie Harper, another granddaughter, secured the names of 200 guests for the anniversary register.

The gift table was centered with a money tree covered with gifts from family and friends.

Miss Bessie Vardell and Mr. Kindrick were united in marriage at Turkey, Texas on October 17, 1925. They lived in Silvertown until 1945 and at that time moved to the Turkey area and on to the Wellington area, where they lived until 1967.

Mr. and Mrs. Ollie Kindrick

After retiring from farming, they moved back to Silvertown. All of the Vardell brothers and sisters and three of Mr. Kindrick's sisters were present for the anniversary reception. One hundred guests were served lunch at noon Sunday at the Silvertown School Cafeteria.

Dear Charlotte,

Once again I am being ignored for at least eight hours out of each week, and for a wife who loves attention (what one doesn't), that is a heck of a lot of ignoring!

I've tried screaming, standing on my head, false eyelashes, slinky long dresses, a new hairdo, putting a seductive perfume, hot pants, stomping my feet, and slamming doors — results? —ZERO!! I've been replaced by Lions, Chiefs, Bears, Glants, Cowboys, Browns, Vikings, Eagles, and Calvin Hill, and Morton, and Staubach, and many, many others!

I really don't mind my living room becoming a stadium, and my carpet an astroturf, and my kitchen a concession stand, and it is probably my duty to tote cold drinks, popcorn, peanuts, and lunch, and dinner to a mesmerized husband, but I object to talking to myself for eight hours!

And I'm not going to. Being a very determined female, I will win. I am studying the strange jargon that emits from the screen in my comfortable stadium, and one of these Sunday afternoons I am going to say: "That was an illegal procedure; did you see that Billy Goat action; that fumble disrupted the rhythm of the kicking team; such continuing ineptitude; that was a fake draw," and I am going to throw in words like tight safety, free safety, split receiver, wide receiver, a gutsy call, a middle linebacker, a blocking tight end, a lone flanker, a screen to Collins, and veteran guard. That'll wake him up!

Merlin the Magician on how to solve your heating problem

"Those drafty old castles are notorious even today for being dreadfully hot in summer and frigidly cold in winter. We didn't have the heat pump in those days, of course. I think what I like best about the heat pump is its simplicity. One unit provides heating and cooling... complete comfort in any kind of weather with one setting of the thermostat. And the heat pump is environmentally sound... when heating, it actually provides more energy than it uses. Yes, if I had a heat pump, I wouldn't have been so cranky about passing on my magic secrets..."

COFFEE PRICES EXPECTED TO JUMP SHARPLY

COLLEGE STATION—It's going to cost more to wake up in the morning, at least if you depend on coffee as an eye-opener.

Coffee prices are expected to jump sharply in the coming months due to a July freeze in the top coffee producing states of Bra-

zil, which annually produces about a third of the world coffee crop. "The freeze is expected to cut in half next year's harvest of coffee beans in Brazil," points out Dr. Russell McDonald, economist in marketing with the Texas Agricultural Extension Service. "Furthermore, this year's world coffee crop is down about 8 per cent from that of last year."

Buyers in the United States generally have small inventories and were anticipating a large coffee crop for the 1975-76 crop year, which would have meant lower prices. But, they must now build their stocks in the wake of the disastrous freeze losses in Brazil.

"Following the July freeze, the New York cash price for green coffee jumped about 20 cents per pound from the June average of 55 to 65 cents for Arabica coffees. Retail coffee prices may increase 25 to 75 cents per pound during the next three to nine months," speculates McDonald.

Despite the lowered production forecast for the coming crop year, there will be enough coffee to go around, notes the Texas A&M University System economist. However, reserve stocks will be down sharply. U. S. Department of Agriculture officials estimate that Brazil now holds about 21 million bags of coffee in reserve. The country annually exports about 18 million bags and itself consumes another 8 million. So, carryover stocks going into the 1976-77 crop year are highly uncertain at this point and will depend heavily on
