CHURCH TO HAVE APPRECIATION DAY

The First United Methodist Church will have Appreciation Day Sunday, October 8, for all the people who have served the church so faithfully for so many years.

Sunday School begins at 9:45 a.m. and the worship service begins at 10:30 a.m. Luncheon will be served at the church at noon.

Silverton's varsity Owls will host the Hart Longhorns Friday night at 8:00 p.m.

The junior varsity and junior high Owls will travel to Hart this afternoon for a pair of games at 5:00 and 7:00 p.m.

The varsity Owls traveled to Lazbuddie last Friday night for a very disappointing 34-0 loss to the Longhorns, who have been very stingy this season when it comes to giving up touchdowns. The Owls made yardage against the 'Horns, but couldn't put the ball into the end zone even though they penetrated inside the Lazbuddie 10 once during the game.

On a couple of occasions the Owls gave the 'Horns possession of the ball in excellent field position, once giving up the ball on their own three yard line, from where it took Lazbuddie three plays to get into the end zone.

Earl Jarrett ran for Silverton's first first down, and a pitchout from Quarterback Paul Brannon to Kirk Durham netted another first down on the Lazbuddie 47. The Owls were unable to move on the next series of plays, Greg Hill dropped back to punt, got a bad snap from center and didn't get off the kick, giving up the ball on the Silverton 45.

Lazbuddie passed for an apparent touchdown on their first play of the game, but this was called back due to their being an ineligible receiver downfield, and when the 'Horns quick-kicked on third down, Kyle Bean took the ball to midfield. Durham ran for a first down on the Lazbuddie 30, but then the Owls saw the ball go over on downs on the 23.

Lazbuddie was held to no gain on the next series of plays, and Brannon almost intercepted a 'Horn pass before they punted to the Silverton 34. After Durham ran for six or seven yards, the Owls fumbled and Lazbuddie recovered near midfield.

The 'Horns picked up their first first down of the game on their next series of plays and mounted a drive which culminated in a touchdown on the first play of the second quarter. They kicked the extra point, and held a 7-0 lead with 11:54 remaining to be played in the first half.

Lazbuddie scored again with 8:10 remaining on the clock. Their kick was no good, and the 'Horns held a 13-0 lead. The 'Horns scored another touchdown and kicked the extra point to bring the score

to 20-0 with 1:41 remaining on the clock.

The Owls held the first time Lazbuddie had the ball in the third quarter, but when the Owls had possession, they were unable to do anything with it. When Hill dropped back to punt, the ball sailed over his head and he chased it to the three-yard line before recovering it. Lazbuddie scored on their third try, kicked the extra point, and with 5:45 remaining in the third frame, the 'Horns were ahead 27-0.

Lazbuddie scored again with 2:35 remaining in the third quarter on a 55-yard screen pass and run play. They kicked the extra point and led 34-0.

In the fourth quarter, Lazbuddie intercepted a Silverton pass, which was stopped by Wayne Reed on the 45-yard line.

The Owls drove to about the Lazbuddie five on passes from Brannon to Reed and Bean and runs by Mark Brown and Earl Jarrett. The ball went over on downs to Lazbuddie about a foot short of a first down.

Lazbuddie's next drive ended when the 'Horns fumbled and Silverton recovered with 19 seconds showing on the clock. The Owls made a first down on the last play of the game.

In all, Silverton made eight first downs in the game. Lazbuddie accumulated 14 first downs. The Owls gained about 180 yards total offense, while Lazbuddie had about 260.

There is a home game Friday night, and the Owls need you in the stands making some noise for them.

COMPLETE HUNTER SAFETY COURSE

The Hunter Safety Course conducted at the City Hall in Silverton by Virgil and Gladys Kidwell was completed Monday night, October 2 by eight students. They are Wayne Reed, Carlton R. Wilson, Tim Wilson, Debra Montague, Trent Brown, Maria Brown, Quinn Montague and Jim Cline.

Public Service Company To Accept Reduced Rate Increase

Bob Brummal, Division Manager for Southwestern Public Service Company in Lubbock, has announced that after considering all alternatives Southwestern Public Service Company has decided to accept the \$15.9 million rate increase granted by the Public Utilities Commission of Texas.

"We feel that to pursue the matter further would be an unnecessary added expense to the cities, our customers and the company," Brummal said. "However, the \$15.9 million is not enough to cover our expenses as they were presented to the regulatory bod-

ies. "In order to continue to build coal-fired plants and to meet our customers' needs and comply with Texas Docket 600, I am sure it will be necessary to request another adjustment in our rates in the near future."

Docket 600 mandates that SPS curtail their use of gas as a boiler fuel by 10% by 1981 and 25% by 1985.

"Of course we are making every effort, as we have in the past, to hold the line on expenses and continue to provide the highest quality to our customers," Brummal concluded.

Rally To Be Held In Lubbock Sat.

There will be a big American Agriculture Movement Rally beginning at 6:00 p.m. Saturday, October 7, at the Lubbock Coliseum.

Speakers will be Alvin Jenkins, Tommy Kersey, Gerald McCathern, Father Andy and Wayne Peterson.

Scouts To Meet Here Monday Night

Scouts are to meet Monday at 7:00 p.m. at the Scout Hut. The 1979 program will be discussed.

The chili supper will start at 6:00 and continue until 8:00 p.m. The rally will start at 8:00 p.m. Admission will be \$5.00 at the door.

Furr Foods is donating all the chili and beans. Everyone is urged to attend.

BOOSTER CLUB SELLING PLAYER PHOTO BUTTONS

Silverton Boster Club is selling photo buttons of the football players. They are \$2.00 each.

Call or see Shirley Durham if you would like one.

Dance To Be Held Friday Night

There will be a dance at Fleming Well Service Friday night after the football game. Admission is \$1.00.

Everyone is invited.

4-H Awards Banquet Held Here

More than 80 4-H'ers, adult leaders, parents and friends of 4-H attended the 1978 Briscoe County Awards Banquet Monday night as the initial observance of National 4-H Week. The barn at Harris Gin provided the setting for the "Western Style" banquet as 4-H'ers and leaders received honors for their 4-H achievements.

Harold Edwards, president of the Adult Leaders Association, made the presentation of the Gold Star Awards, the highest award that a 4-H'er can achieve on the county level. Chosen as Gold Star Boy and Girl were James Jarrett, son of Mr. and Mrs. Claude Jarrett, and Melinda Sutton, daughter of Mr. and Mrs. Jack Sutton. They will be honored at the District 2 Gold Star Banquet in Lubbock in November.

Miss Sutton has been very active in 4-H for a number of years, having participated in leadership, recreation, foods, clothing, dress revue, home improvement and child care projects. She comes from a very active 4-H family

and is the third Gold Star Girl in her family.

Jarrett also comes from a 4-H family, being the fourth Gold Star winner in his family. He has been involved in judging teams, method demonstrations, electric camp, projects in sheep, rabbits, foods and nutrition, recreation, wildlife and horse. He is presently serving as District 2 4-H Council delegate.

The "I Dare You" award was presented to Cynthia Edwards and Zane Reagan with the intent that this recognition would continue to challenge these recipients to high aspirations and achievement in their 4-H work as well as in their lives.

The 4-H members honored two "Friends of 4-H" by presenting plaques to Bennie Reagan and Jack Dulin for donating their time, talent and support to the 4-H fund raising project—the Pig Sale. This presentation was made by Rose Lee Perkins.

Carlye Hill and Doug Forbes

were awarded the coveted Silver Spur Award by Swisher Electric Cooperative representatives Miss Adelle Elkins and Mike Ferguson. This award, the highest presented to an adult leader at the county level, recognized these two leaders' outstanding contribution to the 4-H program in Briscoe County.

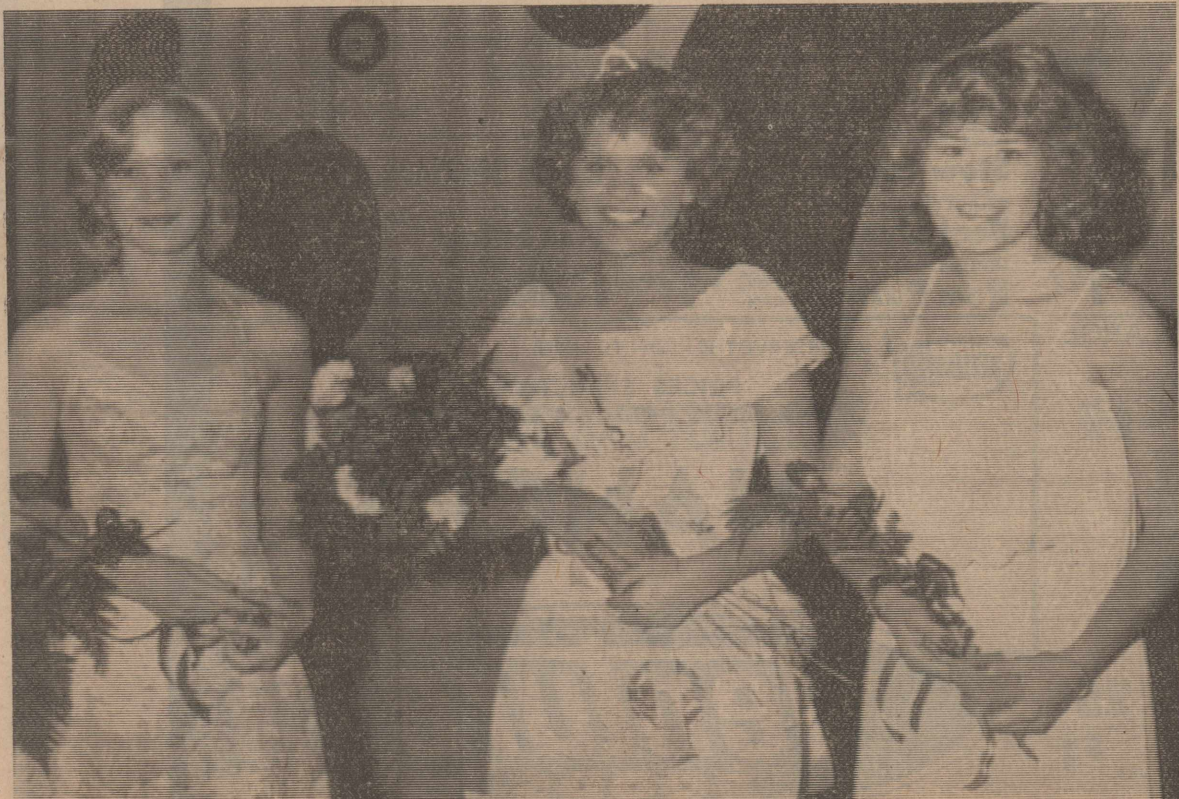

Vicki Bean, 4-H adult leader, made the presentation of medals to county 4-H'ers who completed record books in their project area. Those receiving medals were Cynthia Edwards, clothing; Earl Jarrett, leadership; James Jarrett, rabbits; Jo Jarrett, citizenship; Walter Perkins, horse; Thomas Perkins, poultry; Melinda Sutton, foods; Kristy Fogerson, clothing; Donna Tomlin, dress revue; and Joe Ted Edwards, horse. The record books of James Jarrett and Thomas Perkins were entered in state competition.

Entertainment for the banquet was provided by Jimmy Burson, Bennie Brown, Clifton and Joy Stodghill.

General chairman of the banquet was Thomas Perkins. Committee members were Rose Lee Perkins, Cynthia Edwards, Earl Jarrett, James Jarrett, Jacqueline Reed and Wayne Reed. The banquet was co-sponsored by Lone Star Chemical (Deanie Henderson) and Swisher Electric Cooperative.

Thomas Perkins served as master of ceremonies, and other 4-H'ers on the program were Cam Forbes, invocation; Kori Baird, Pledge of Allegiance; Joe Ted Edwards, 4-H Pledge and Motto; Cynthia Edwards, welcome; Earl Jarrett, introduction of guests; James Jarrett, introduction of leaders, and Jacqueline Reed, benediction.

The 4-H members and extension agents would like to thank each person who attended the banquet and those who supported it in any way. The 4-H program depends on parents, leaders and members of the communities it serves for support of its activities.

What Think Ye?

THIS ONE'S ABOUT FATHERS

A real father's prayer: "Build me a son, O Lord, who will be strong enough to know when he is weak—brave enough to face himself when he is afraid. One who will be proud and unbending in honest defeat, but humble and gentle in victory.

"Build me a son whose wishes will not replace his actions, a son who will know Thee, and that to know himself is the foundation stone of knowledge.

"Send him, I pray, not in the path of ease and comfort but in the stress of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fail. Build me a son whose goal will be high—a son who will master himself before he seeks to master others.

"Build me a son who will learn to laugh, yet never forget how to weep; one who will reach into the future, yet never forget the experiences of the past.

"And after all these things are his—this I pray—enough sense of humor, that he may always be serious, yet never take himself too seriously.

"Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength.

"Then I, his father, will dare to whisper, 'I have not lived in vain.'"

him our simple daily prayer, "Our Father who art in Heaven . . ."

I have seed to raise and I plow the field, And I plant my crops with care.

I thank the Lord for the rains He sends, As I watch them growing there.

But I don't sit down with a book by day, And let my crops grow wild,

Crops won't grow by themselves, I know; Is it different with a child?

I've a boy to raise and I want a man, When his growing days are done;

A man must work for the crops he seeks—Is it different with a son?

Will strangers care for my wheat out there? As weeds grow rank and wild

My crops would shrink as I idle here, Dare I idle with my child?

Yes, I'll work for him, I'll pray for him, And I'll do the best I can,

For the Lord gave me a son to raise, And I want to raise a man.

Yes, my eyes are set on the harvest years, When the long hard task is done,

So I'll pull the weeds from the life myself, I dare not shirk my son.

Science takes the world apart, Philosophy puts it together; Religion gives it meaning; the Bible gives it salvation. What am I giving it???

Miss Dobbs Is Crowned As Miss Mackenzie 1979

Miss Melba Dobbs, daughter of Cletus Dobbs of Tulia, was presented as Miss Mackenzie 1979 at the conclusion of the fifth annual pageant sponsored by L. O. A. Junior Study Club in the Silverton School Auditorium.

The pageant by Sigma Eta chapter of Beta Sigma Phi. Her special interests include band, singing, sewing, water skiing and editing her school annual.

As Miss Mackenzie she was presented a bouquet, her crown, a 14 karat gold bracelet with a charm engraved "Miss Mackenzie

1979" and a \$50 savings bond from the City of Silverton.

All the girls in the contest received record charms.

First runner-up in the contest was Miss Selenda Kay Reynolds, daughter of Mr. and Mrs. James Reynolds of Tulia. Sponsored by Jo's Beauty Barn, she is a senior

in Tulia High School. Her special interests include cheerleading, singing, playing piano, band and tennis. She was presented a gold and diamond stick pin.

Second runner-up was Miss Mary Anita Rousseau, daughter of Mr. and Mrs. W. H. Rousseau of Tulia. A junior in Tulia High School, she was sponsored by Xi Kappa Gamma chapter of Beta Sigma Phi. She enjoys singing, sewing and water skiing. She was also presented a gold and diamond stick pin.

The other two girls chosen as finalists were Miss Jaine Guest, daughter of Mr. and Mrs. Dick Guest of Floydada, who was selected by the other contestants as "Miss Congeniality," and Miss Jo Rayne Tomlinson, daughter of Mr. and Mrs. Ray Tomlinson of Tulia.

Miss Adeana Morris of Floydada, Miss Mackenzie 1978, was present to crown the new Miss Mackenzie.

Also present was a former Miss Mackenzie, Kerri Arnold Cannon, formerly of Silverton who now resides at Kress. Other former Misses Mackenzie are Millicent Murff and Kathy Wilks, both of Tulia.

Ted Kingery was master of ceremonies. Ushers were Shelli Hester, Dena Green, Judy Northcutt and Missy Brown. Door prizes were presented by Mrs. Max Weaver, with the assistance of the ushers who were dressed in clothes representing the 1950's era.

The contestants were assisted on and off the stage during the modeling of sportswear and formal wear by Tim Dea and Cam Forbes. The spot-light was operated by Gene Whitfill. Judges for this year's pageant were Laroma Maxwell, Randy Faith and Julie

Junior High Owls On Road To Hart Today

The Junior High Owls are traveling to Hart today for a game at 5:00 p.m.

Last Thursday, the Owls had a very disappointing 22-0 loss to

Lazbuddie on their home field.

The Owls ran three plays and kicked to their 41, but after Lazbuddie made a first down on the Silverton 25 and moved ahead on a 15-yard penalty against the Owls, the Silverton defense held and the ball went over on downs on the 8-yard line. The Owls lost five yards on first down, had no gain on second down and threw an incomplete pass on third down. They punted to Lazbuddie at the Silverton 30, and the 'Horns made a first down on the 14 before Jim Forbes intercepted a pass on the 15. Lazbuddie intercepted a Silverton pass on the 24, but later the ball went over on downs to Silverton on the 24.

To open the second half of play, Silverton took the kickoff and ran out to the Silverton 40, before Lazbuddie stripped the ball away and recovered on the 36. Lazbuddie made first downs on the 24 and 12 yard lines, and scored from five yards out, ran the conversion and led 8-0.

The Owls were unable to move the ball on their next possession, but they played tough defense and kept Lazbuddie backed up to the 18 in their own end of the field. The 'Horns punted out to the 49, but Lazbuddie intercepted a Silverton pass and ran to the 35. The 'Horns made a first down on the 20, and then ran that distance for a touchdown next play. They carried the conversion and led 16-0.

In the fourth quarter, Lazbuddie made first downs on the 36 and seven yard lines before making a touchdown from one yard out. There was no conversion, and the 'Horns led 22-0. The ball changed hands several times during the fourth quarter on pass interceptions and fumbles.

HEAT PUMP

"THE ELECTRIC SAVINGS MACHINE"

SAVING FOR THE FUTURE

Coin banks help teach children how to save for the future. You can save for the future, too, with the electric heat pump. That's why we call it the electric savings machine. This efficient heating/cooling system can deliver as much as two units of heat for every one heat unit of electricity it uses. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will save energy today and in the future.

It's never too soon to start saving... with the electric heat pump. Start today before your future gets here. You'll be glad you did.

The courses are scheduled for November 15-16 at the Rudder Center on the Texas A&M University campus, and November 29-30 at the Texas A&M Agricultural Research and Extension Center at Amarillo.

Purpose of the shortcourses is to illustrate and describe effective

methods to control explosions in grain elevators. The shortcourses are being presented by the Extension Service in cooperation with the Texas Grain and Feed Association.

Grain elevator fires and explosions rank first in number of occurrences, people injured and property damage in the history of industrial dust explosions in the U. S. There have been at least 43 grain elevator explosions in the U. S. since 1976, resulting in 85 fatalities and millions of dollars in losses.

Discussion topics during the shortcourse will focus on the basic ingredients causing fires and explosions — dust, air, ignition sources and a closed container — and prevention techniques. Discussions on dust control, ignition control, structural equipment designs, preventative maintenance, electronic monitoring systems, and the cost-effectiveness of prevention also will be featured.

The program will also feature several demonstrations of grain explosions and plenty of time for informal questions and one-on-one discussions.

Speakers will be individuals who know and work in the field and are well equipped to discuss special areas with each participant. These will include grain company executives, industry and

LINE FROM

by Lynda Fogerson
Assistant Briscoe County Extension Agent

When the cool days and even cooler nights of Autumn arrive, the rush is normally to turn on the furnace and make the house comfy, cozy once more. But rushing to turn on a furnace that hasn't been properly serviced or inspected could make things hot for you sooner than you expect.

Defective heating equipment not only deprives a family of needed warmth while raising fuel bills, but also could create very real hazards. A faulty heating plant can result in fire or asphyxiation.

The following practices performed on a regular basis should help to keep the heating equipment in good running order:

Replace disposable air filters when dirty with replacements that bear the UL Listing Mark. Wash permanent filters in mild soap and water to help increase furnace efficiency and promote safe operation.

Keep the furnace area clean of combustible materials.

Be sure that warm air outlet registers and air returns are not covered by materials such as rugs, drapes, curtains or the like.

Examine the room thermostat for the correct setting and to be sure it is free of dust.

Clean and inspect the humidifier for optimum operation.

Even though you have kept your unit in top operating condition, a qualified serviceman should perform the following inspections and service at the beginning of each heating season:

Inspect air blower belts, adjust the tension or replace them if worn.

When applicable, depending on the type of equipment, eliminate accumulated scale from the fire-box and combustion chamber. Inspect for perforations, cracks or openings in the heat exchanger which may permit products of combustion to leak into the heated air supply.

Inspect flue pipe and connections between appliances and chimney.

consulting engineers, and Extension Service specialists.

Further information on the shortcourses is available at my office in the basement of the Briscoe County Courthouse.

Business Discussed At Young Farmer Meeting

The Silvertown Young Farmers held their regular meeting Thursday, September 28, at the Ag Shop with Van Breedlove presiding.

The upcoming turkey shoots were discussed. A salad supper and "42" party for all members will be held October 14.

The 25th annual State Young Farmer Convention will be held January 19-20 in Abilene.

The next Young Farmer meeting will be held October 12, with George James of the FHA office in Tulia as guest speaker.

Members attending the meeting were Clinton Dickerson, G. W. Chappell, Fred Minyard, Fred Hill, Bailey Loyd, Rick Hester, Tommy Bullock, Jeff Tiffin, Fred Brannon, Jeep Jarrett, Van Breedlove, Donnie Perkins, Wayne Stephens, Orville Turner, Calvin Shelton, Donald Thomas and Jerry Bean.

Clean the circulating air blower wheel and also the combustion air blower wheel if one is provided on your heating unit.

Check boilers for proper water level. If a low water cut-off is provided, determine that the cut-off is functioning properly.

Determine that all safety controls (limit and primary safety controls and fuel shut-off valves) are in working order.

If the unit contains an adjustable fan switch, the controls should be set to manufacturer's recommendations.

Lubricate all motors according to the manufacturer's instruction. Act early to perform the required inspections and service before the unit is needed.

McGAVOCK GRADUATES FROM OCS SCHOOL

Victor McGavock, son of Mr. and Mrs. E. H. McGavock, graduated September 25 in a class of 125 from Officer Candidate School at Fort Benning, Georgia. He is now attending a specialized school for four months at Fort Benning.

His wife and children, Pam and Brian, have been staying here with his parents, but accompanied by Mrs. E. H. McGavock, drove to Fort Benning to attend the graduation. Mrs. E. H. McGavock returned home by plane.

Mrs. Victor McGavock and the children are remaining in Georgia

until McGavock's schooling is finished in January. They are residing at 1311 Riverland Drive, Apartment E-1, Columbus, Georgia.

Mrs. Edwards Is Officer In Charge At South Plains Post Office

Mrs. Fred (Pat) Edwards became the officer in charge of the South Plains Post Office Monday morning. Her husband will operate the grocery store there for a while also.

Mrs. Edwards has been a clerk in the Floydada Post Office since October of 1976. She entered postal work in Silverton in 1969.

Mrs. Edwards has been a partner with his father-in-law, H. A. Cagle, at Silverton Auto Parts for a number of years. Mr. and Mrs. Edwards have two children, Tammi, 12, and Neal, 7.

Floydada postal employees honored Mrs. Edwards Wednesday morning of last week by presenting her a candy dish as a "going away gift." Postmaster Ed Wester made the presentation.

Last Saturday was the last day for Mrs. Raymond (Nina) Upton to serve as postmaster at South Plains. She is retiring with 24

years service at the South Plains Post Office.

She and her husband are almost "early day settlers" in the South Plains community. Mr. Upton has lived all of his life there and Mrs. Upton moved there when she was nine years old.

The Post Office is located in the Upton Grocery building, and Mr. Upton has operated the grocery store for some 33 years.

YOUR SOCIAL SECURITY

by Janice Burns Ulmer

Social Security Representative

Question: When I started getting SSI payments, social security sent me a booklet which listed all the changes I have to report. I've lost the booklet. Can you tell me if I have to notify social security that I'm going into a hospital next month?

Answer: Yes. You should notify social security promptly if you either enter or are released from a hospital, public institution, skilled nursing facility, or other institution. The notice should give the name of the institution and the date you entered or were released. You can get another copy of the booklet, "What You Have to Know About SSI," at any social security office.

For further information regarding Social Security benefits please contact the Social Security office, 1401-B West 5th Street, Plainview, telephone 293-4371.

STATE TAX REPRESENTATIVE TO ASSIST LOCAL TAXPAYERS

State Comptroller Bob Bullock announced he is sending a representative from his Plainview office to Silverton on Thursday, October 12, 1978 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Gene Cannon will meet with local taxpayers at the Briscoe County Courthouse from 2:00 until 4:00 p.m.

"If Silverton-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Cannon will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Texas A&M University.

The event is a part of the Rural Youth Day Activities, scheduled for the over 70,000 young people who will be visiting the State Fair and Rodeo October 14 as guests of the Dallas Chamber of Commerce and the State Fair.

A. Cook and wife, Mrs. R. A. Cook, if living, and if not living then their heirs, unknown heirs and legal representatives of such named Defendants; GREETINGS:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Briscoe County, Texas, at the Courthouse thereof in Silverton, Texas, by filing a written answer at or before 10:00 o'clock A. M. of the Monday next after the expiration of forty-two (42) days from the date of issuance of this citation, same being the 23rd day of October, 1978, to Plaintiffs' Petition filed in said Court on the 30th day of August, 1978, in this cause, Numbered 2179 on the Docket of said Court and styled SEYMOUR BRANNON and wife, RUBY BRANNON, Plaintiffs, vs. G. T. MORRISON, ET AL, Defendants, in which Seymour Brannon and wife, Ruby Brannon are the Plaintiffs and the Defendants are those persons, first named in this writ and to whom it is directed.

A brief statement of the nature of this suit is as follows:

A suit in statutory trespass to try title to the following described property situated in the County of Briscoe, Texas, to-wit: All of Lot Nos. Ten (10), Eleven (11) and Twelve (12), in Block No. Eighty-seven (87), in the Original Town of Silverton, Briscoe County, Texas, as shown by the recorded plat of said town of record in Vol. 2-B, Pg. 297, Deed Records of Briscoe County, Texas.

Plaintiffs claim title in fee simple to the above described property and claim title by virtue of the three (3), five (5) and ten (10) year statutes of limitations as provided by the Revised Civil Statutes of Texas, as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to the requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said Court at Silverton, Texas, this 8th day of September, A. D. 1978.

/s/ Bess McWilliams
Clerk, District Court,
Briscoe County, Texas.

in order to receive testimony concerning Volume II, Plan Summary Report, of the Water Quality Management Plan for the Red Basin. This document is the second of two volumes which comprise the Water Quality Management Plan for the Red Basin. Volume II, Plan Summary Report, presents the recommended plans for water quality management and the legal, financial, and institutional requirements of each plan. Also included in Volume II are descriptions of feasible alternatives, an environmental assessment, and a summary of the public participation activities conducted during the development of the plan. The Water Quality Management Plan for the Red Basin has been developed to satisfy the requirements of Section 26.036, Texas Water Code, as amended, and Section 208 of the Federal Water Pollution Control Act, and pursuant to Title 40 Code of Federal Regulations Parts 130 and 131 and the State of Texas Continuing Planning Process. The public hearing shall be conducted in compliance with Section 26.037, Texas Water Code, as amended.

The study area for this plan includes most of the Red Basin. This plan does not address the planning required in the Texarkana Designated Areawide Planning Area; detailed planning within that area is being provided through the development of the Texarkana Areawide Waste Treatment Management Plan and will not be considered at this hearing. Copies of the Volume II, Plan Summary Report, are available for public inspection. Review of Volume II, Plan Summary Report, at one of the following locations is encouraged due to the limited number of copies available for distribution: Texas Department of Water Resources Office, 1700 North Congress Avenue, Austin, Texas; Texas Department of Water Resources District 1 Office, 301 S. Polk, Room 306, Amarillo, Texas 79106; Texas Department of Water Resources District 2 Office, 4819 Avenue Q, Lubbock, Texas 79412; Texas Department of Water Resources District 4 Office, 203 James Collins Blvd., Duncanville, Texas 75116; Texas Department of Water Resources District 5 Office, 3801 Highway 42 North, Kilgore, Texas 75662; and the Red River Authority of Texas, 302 Hamilton Building, Wichita Falls, Texas 76301.

The public is encouraged to attend the hearing and to present evidence or opinions concerning Volume II, Plan Summary Report. The Department would appreciate receiving a copy of all written testimony at least five (5) days before the hearing. Requests for individual copies of the Volume II, Plan Summary Report, questions about the report or the public hearing, and copies of written testimony should be addressed to Mr. Ralph Boeker, Texas Department of Water Resources, P. O. Box 13087, Capitol Station, Austin, Texas 78711, or call (512) 475-3454. When requesting a copy or sending a query by mail, please include your complete return address and telephone number.

The date selected for this hearing is intended to comply with deadlines set by statute and regulation. Any publication or receipt of this notice less than thirty calendar days prior to the hearing date is due to the necessity of scheduling the hearing on the date selected.

This public hearing may be continued in order to fully develop the evidence.

Issued this the 12th day of September, 1978.

*Every took her diploma,

slightly tearful eye.*

Graduating is an education in itself.

"Kenneth Fredrick Hargrave."
They were already on the H's. Any moment now we'd have a brand new college graduate in the family.

"Mary J. Herbert."
With every name the dean read our hearts jumped a little bit more.

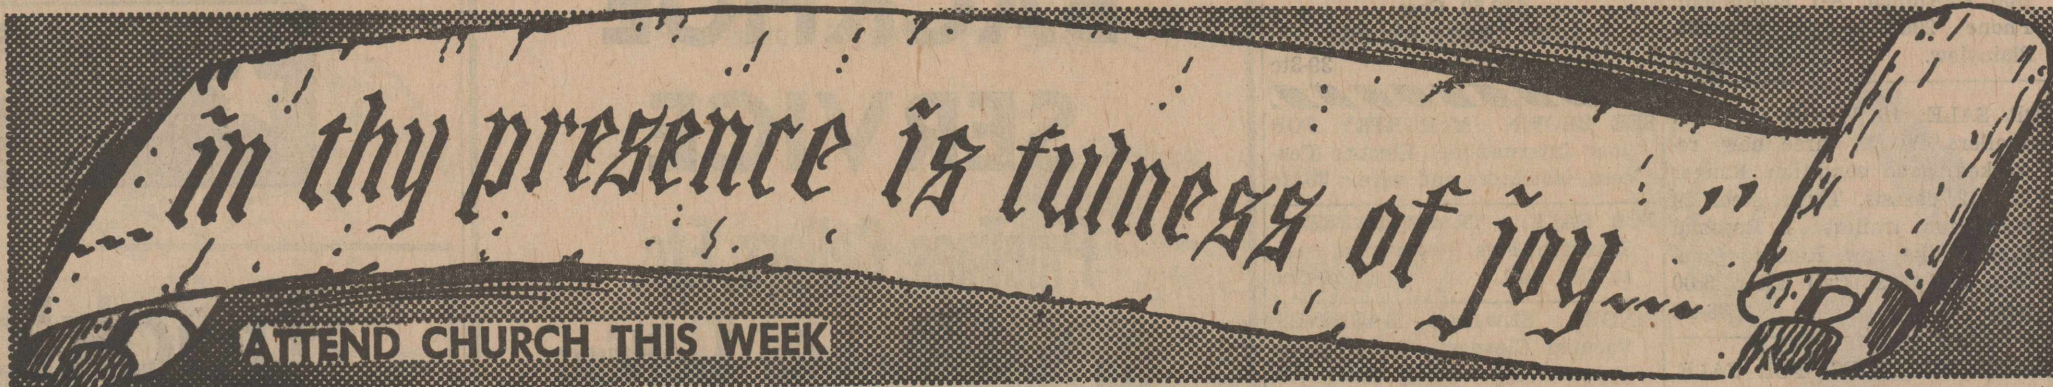

"Joseph C. Holmes."
Boy, it wasn't easy getting here. But we had a deal. She'd do the studying if I'd join the Payroll Savings Plan and buy U. S. Savings Bonds. Before long, we had enough for school and a baby-sitter.

"Evelyn Lenore Hunter."
That was it. The kids leaped to their feet shouting, "Yeah MOM!!"
Every took her diploma, looked our way, and winked a slightly tearful eye.
And I was proud. My wife the graduate.

Education is for everyone. Young and old. And one of the best ways to save for it is with U. S. Savings Bonds bought through the Payroll Savings Plan, or where you bank. When it comes to college, they're one smart move.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea — He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort. "Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CARD OF THANKS
 Thank you for the cards, phone
 calls, flowers, visits and gifts
 while I was in the hospital and
 since I have been home.
 Thanks for the food that has
 been brought in—sure helps Jim's
 cooking problem. Your expres-
 sions of friendship mean more
 than you will ever know.

CARD OF THANKS
 I can't find the words to say
 how deeply thankful and grateful
 we are from the bottom of our
 hearts, to the Silvertown Ambu-
 lance Service for the things they
 did the Monday night I got sick.
 After all, how do you say thank
 you for my life. I won't name any
 one by name because I can't re-
 member who all was there and I
 might leave someone out.
 Thanks also for the prayers,
 cards, phone calls, visits and
 flowers. May God bless and keep
 each of you in His care.
 Charles and Mary Grantham
 Ken and Lyn Sanders

CARD OF THANKS
 Thank you, friends, for the
 cards, visits, gifts, telephone calls
 and food while I was sick. It was
 appreciated much more than you
 know.
 Also thanks to the Rock Creek
 Church of Christ for the beautiful
 flower arrangement.
 Sincerely,
 Maebelle

 Though it may sound unrealistic Free Enterprise farm or-
 ganizations and free enterprise brokers are the back-bone of
 farm product marketing world wide. The government as a
 means to market even surplus produce has been unsuccessful
 even in the world market. If you research closely you will
 find most of the product marketing by government is either
 given to underprivileged countries at the expense of the tax-
 payer of this country or sold internationally on long term loan.
 In the past 10 years according to a leading publication, 80%
 of all farm produce sold both domestically and foreign has been
 sold by private companies, many of which are farmer owned.
 Farm organization is progressing, though sometimes slow
 to the point where they probably will do most of the market-
 ing of farm products through their own marketing concerns.
