

All Around the Town

by Mary Ann Sarchet

The Silverton Fire Department and Silverton Volunteer Ambulance Service have a very serious problem. They do not feel that the emergency vehicles should be kept under lock and key, and someone has been stealing the gasoline out of the fire trucks and ambulances. This could be disastrous, because these vehicles are always kept full of fuel and ready to go, and the volunteers do not expect them to be out of gas.

Devices have been placed in the tanks to prevent this theft, but still the gasoline is continuing to disappear.

The result of this theft is going to be that someone is going to lose their home or a loved one because of the gasoline having been removed from the emergency vehicles.

Your help is requested. If you see someone loitering around or entering the fire and ambulance station at the City Hall at any time of the day or night, please immediately call the emergency telephone number, 823-2001, and report this. Some of the volunteers will check out the report.

It was decided that since no one was sure what camping facilities were available there since the flood, some of the men would drive to the state park Wednesday and look around. The motion was made and seconded that if Palo Duro Canyon were not a feasible location for the camp, it would be set up at the Haynes Boy Scout Camp.

The treasurer's report was given by Carlye Hill. Various money-making projects were discussed. A Play Day was set for September 9.

Earnest Kiker, County Extension Agent, asked everyone to remind the Senior 4-H'ers to sign up for Electric Camp. He then gave a report on all 4-H activities held during June.

Brent Grabbe and Mitchell Roehr represented the Silvertown FFA Chapter at the 50th Anniversary Convention of Texas Future Farmers of America in San Antonio July 11-14. They were accompanied by Chapter Advisor John Thacker (not pictured).

Local FFA Members Attend Meeting

Two local FFA Chapter members attended the 50th Anniversary Convention of the Texas Association of Future Farmers of America July 11-14, at the San Antonio Convention Center.

Among those attending the convention were Brent Grabbe, Mitchell Roehr and Chapter Advisor John Thacker.

More than 6,000 persons attended the four-day convention, the highlight of the year's activities in FFA. Some 1,600 voting delegates representing 828 chapters in the state were on hand to elect officers for the coming year and to honor outstanding members of the organization.

Texas is the state with the largest membership in FFA. There are more than 60,000 members and the national organization has drawn many of its national officers from the ranks of the Texas membership. The current national FFA president is J. Ken Johnson from Nacogdoches.

The convention, which celebrated the 50th anniversary of FFA, had as its theme "FFA at 50: A Golden Past and A Brighter Future." Created in 1928, the Future Farmers of America has had almost a million members since its inception. In its first half century, the organization has been noted for its distinguished contributions to youth, leadership, agriculture and vocational education. Current FFA programs encompass every phase of agriculture from livestock production to development of leadership to agricultural economics.

At the convention, outstanding FFA members were recognized for significant achievement in FFA programs including supervised farming, agribusiness and leadership. Also, more than \$300,000 in college scholarships was presented to 70 FFA members by nine organizations that are long-time supporters of FFA.

As far as thousands of people are concerned, he's still single.

That's because he's still listed as just "Michael W. Leon" in the telephone directory. There's no mention of his wife Joan. Nor their three teenagers. After all, don't they deserve their own listings?

Well now you can let everybody know about the great things happening in your life with the new edition of your telephone directory. It's going to press soon. So if you're about to make any changes or add a dual name listing, now's the time to do it.

Just call our business office and find out what the charges are, if any.

**"YOU TOOK MY PICTURE...
 AND I WASN'T READY!"**

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

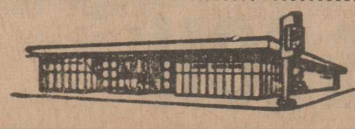

"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

4-H Congress To Attract Area Young People

More than 40 businesses in the Fort Worth area are opening their doors to tours and visits of some 500 4-H members and 50 adult sponsors during the sixth annual Texas 4-H Congress July 18-21 in Fort Worth.

Representing Briscoe County at the statewide youth educational event will be 4-H Member Earl Jarrett. Accompanying him to the 4-H Congress will be Martha Couch, Area 4-H Leader, Lubbock.

Theme for the 1978 4-H Congress is "Our Western Heritage and Horizons." The conference will be headquartered in the Fort Worth-Sheraton Hotel.

"Tours of the Fort Worth area businesses should enable 4-H members to better understand the heritage of our western culture, and also afford them new opportunities and horizons for future careers and employment," said Earnest Kiker, Briscoe County Extension Agent.

This year's 4-H Congress will feature a variety of cultural events, including a Fort Hood cavalry unit giving a display of 19th Century drills and movements; the stage play, "Paint Your Wagon," and visits to art, science and history museums.

Final major events will include a banquet and the Congress Ball, both to be held in the Fort Worth Convention Center. Installation of newly-elected Texas 4-H Council members will be a feature of the banquet.

Named to the Council from Briscoe County for the coming year are James Jarrett and Jacqueline Reed.

"Among special benefits of 4-H Congress include the opportunity to visit important centers of business and culture and to study new opportunities in career fields," Kiker added.
