Pony Express Running On Time

Members of the First United Methodist Church are carrying the saddlebags in record time, Jerry Millhollon, general manager, is proud to announce. Several routes are almost finished with some trail bosses probably completing their runs this Sunday. Millhollon congratulates each church member for his or her efforts in moving the mail on time. Besides carrying the mail quickly, members are getting re-acquainted with one another as they exchange the saddlebags. "A good visit with old friends and making new ones is also a part of the stewardship program," Millhollon said. "Thanks for avoiding the ambushes along the trail and keep up the good work."
