

All Around the Town

by Mary Ann Sarchet

A FARMER'S PRAYER

"A Farmers Prayer" was presented at the closing of the NAR-GUS/FMI Good Government Conference in Washington, D. C. on March 25 by Charles W. Stenholm, House of Representatives, Congressman Stenholm, Representative of Texas' 17th District, is a member of the Agriculture and Small Business Committees.)

"As farmers and ranchers, Dear God, give us the patience and wisdom to understand why a pound of hamburger at \$1.90 is 'high' but a three ounce cocktail at \$2.00 is acceptable.

"And Lord, help me to understand why a \$4.00 ticket to a movie is not bad but \$6.00 for a bushel of wheat that makes 50 loaves of bread is considered unreasonable.

"And a 50c coke at the ball game is okay, but a 30c glass of milk is inflationary.

"Cotton is too high at 85c a pound, but a \$20 shirt is viewed as a bargain.

"And corn is too steep at 3c worth in a box of flakes, but flakes are sold for 50c a serving.

"And also Lord, help me understand why I have to give an easement to the gas company so they can cross my property with their gas lines, and before they can get it installed the price of gas has doubled.

"And while you are at it, Dear God, please help me understand the consumer who drives by my field and raises his eyebrows when he sees me driving a \$30,000 tractor that he helped put together so he could make money and drive down that right-of-way they took from me to build a road so he could go hunting and skiing.

"Thank you, God, for your past guidance. I hope you can make some sense out of this, and please God, send me some rain."

Bomar Infant Buried Here Tuesday

Graveside services for the infant son of Mr. and Mrs. Wylie Bomar III of Liberal, Kansas were conducted at 3:00 p.m. Tuesday in the Silverton Cemetery. Officiating was Bro. Gerald Beasley, minister of the Silverton Church of Christ.

Burial arrangements were under the direction of the Silverton Funeral Home.

The infant was stillborn Thursday at the Southeast Medical Center in Liberal.

Survivors include the parents; and grandparents, Mr. and Mrs. Wylie Bomar, jr. of Silverton, Mr. and Mrs. Vernon Keepers of Boyce City, Oklahoma and Mr. and Mrs. Roy Young of Lubbock.

Water Rates To Increase August 1

As of August 1, new water rates will go into effect for the City of Silverton. This will be to help offset the costs being incurred by the search and providing of new water wells for the city.

Under the present rates, the first 3,000 gallons of water are sold for \$7.00 and all over that is 60c per thousand. Sewer charges are \$2.50 and trash collection charges are \$2.00, for a total minimum city bill of \$11.50.

Under the new rates, the first 3,000 gallons of water will be sold for \$8.00, and all over that will be 80c per thousand. Sewer charges will continue to be \$2.50, and trash collection charges will increase to \$3.00, for a total minimum city bill of \$13.50 for those who live within the city limits.

All city water, sewer and trash

customers who reside outside the city limits will pay double the rates paid by customers inside the city, this being because those who reside within the city support the city with their taxes. The rates for those who live outside the city limits will be \$16.00 for water, \$5.00 for sewer, and \$6.00 for trash collection, for a total minimum city bill of \$27.00 per month.

Action on the water and trash collection rates was taken by the City Council in their regular meeting Monday night. Also adopted by the City Council Monday night was an ordinance concerning the digging or drilling of water wells inside the city limits, a complete copy of which may be found elsewhere in this issue.

Junior Club Sponsoring Beautification Project

L. O. A. Junior Study Club will be sponsoring a tree sale in an effort to beautify and shade Silverton. Though the trees will not be available until January of 1982, L. O. A. would like to know your favorite trees so they will be on the order this July.

The trees will be delivered from East Texas packed in a bark and mulch soil mixture,

Receives Scholarship At West Texas State

Elsa Ramirez of Silverton has been awarded a \$200 West Texas State University Student Foundation Scholarship for the 1981-82 academic year.

Miss Ramirez, who will enter WTSU in the fall semester, received the scholarship through the School of Business Department of Administrative Services for study in business education. The department had received \$28,000 from the WTSU Student Foundation, a student leadership organization, for scholarships.

Scholarships became available in 17 academic areas following the October "Campaign for WTSU" phone-athon which attracted \$38,000 in pledges for scholarship funds from alumni and friends of the university.

Patsy, Katina, Mandy and Christopher Hall of Plainview visited Dawn Jasper last Friday as they were enroute to Quitaque to attend the funeral of Mrs. Orpha Morrison.

IT HAS BEEN HOT! Even though the temperature registered at First State Bank this week has ranged up to 115°, the official temperature as recorded for Silverton by Fred Strange was

109° both Monday and Tuesday. Only a light shower last Friday dampened the area, and the weather report in a nutshell is "hot and very dry."

Briscoe County News Photo

Sarpalius To Gain Hale, Briscoe, Hall

A Senate redistricting bill which passed recently removes Hale, Briscoe and Hall counties from the representative fold of State Senator Ray Farabee's 30th District, moving them into the 31st District of State Senator Bill Sarpalius.

Population figures from the 1980 census indicate that Sarpalius' district, which includes most of the upper Panhandle, was nearly 40,000 short of the ideal district size of 458,980.

Other counties in the Hereford solon's district include Lamb, Castro, Parmer and Bailey counties and the 20 counties in the Panhandle north of that area.

State senators hold four-year terms, with half of them seeking re-election every two years. All senators must face re-election in 1982, with the new district lines becoming effective in January 1983.

WTSU Students To Speak, Teach Here

Speakers and teachers at all services of the Silverton Church of Christ Sunday, June 14, will be students from the Church of Christ Bible Chair at West Texas State University. In all the services the young men will slant their lessons toward youth.

The seven student participants will be Mark Tidwell, senior wildlife science major from Vernon; Kevin Dennis, senior computer science major from Abilene; John Walker, junior business major, Vernon; Dave McMindes, sophomore pre-med, Canyon; Lance Howard, non-major, San Antonio; Gary Thomas, senior plant science major, Cotton Center, and Layne Heitz, freshman math major, Canyon.

There will be a special youth class at 9:00 a.m. Regular assembly time is 10:00 a.m. A noon picnic is planned. This will be followed by games and a special devotional at the picnic site. The Sunday evening service will be

Lessons Offered At Silverton Pool

Swimming and diving lessons will be offered starting Tuesday, June 16, at the Silverton Pool. Anyone interested in taking lessons should call Paul Brannon, 823-2338, or contact him at the pool between 2:00 and 7:00 p.m. Tuesday through Saturday before June 16.

Lessons will be given on Tuesday and Thursday mornings at \$3.00 per lesson.

News Office To Be Closed Friday

The office of the Briscoe County News will be closed Friday, June 12, due to a reunion of the Sarchet family being held this weekend at Lake Mackenzie.

Friends and relatives of the family are invited to come out to the lake for a visit during the weekend. Follow the signs to the reunion area.

4-H DOINGS

4-H horse lovers! Friday, June 12, at 7:30 p.m. at Wood Memorial Arena the first meeting of the Briscoe

First Load Of Wheat Delivered

The first load of new crop wheat was delivered to Briscoe Cooperatives on Wednesday of last week by Turner and Kate Turner.

The 175 bushel load had a test weight of 60 pounds per bushel and moisture content of 14.5%.

Wheat harvest has been continuing at a rapid pace this week, with the hot weather drying the wheat to lower moisture content.

CALL EXTENSION OFFICE IF YOU NEED YOUR COOKER GAUGE TESTED

A pressure canner testing clinic will be scheduled if at least ten people call the County Extension Office requesting this service.

Resource people from Lubbock would test the dial gauge of the pressure canner for accuracy at a cost of \$3.50.

If less than ten want their cooker gauge tested, Briscoe County Extension Agent Lynda Fogerson will take the cookers to the Hale County Clinic in late June.

Call 823-2343 to put your name on the list.

Class Of 1976 To Have Reunion

Silverton High School's Class of 1976 will have its five-year reunion Saturday in the Pioneer Room at First State Bank.

The get-together will begin at 4:30 p.m., with the parents, spouses and children of the class joining them for a visit. Later the group will be narrowed to the class members and their spouses.

County Horse Club will be held. Bring your horse and be prepared to practice. Pee Wee 4-H'ers under nine years of age are welcome.

Sizzling Beef Barbecue Suggested For Father's Day

This year, summer officially begins on Father's Day, June 21. An appropriate way to celebrate these two events is by having a sizzling beef barbecue for the family.

Beef barbecues have become traditional for many families across the country, and having one for Father's Day is a natural, according to Mary Darnell of the Terra Cotta CowBelles.

"The great taste of beef has made it one of Dad's favorite foods," Mrs. Darnell said. "And there's something about cooking it outdoors that seems to bring out more flavor, juiciness and tenderness."

Mrs. Darnell said that while beef is great tasting when cooked on the grill, it is also one of nature's most complete foods. "Beef supplies many of the body's essential nutrients, such as iron, protein, zinc, B-vitamins

and others," she said. "Because it supplies so many of these vitamins and minerals in comparison to the calories it contains, nutritionists call it a high nutrient density food."

The CowBelles first started promoting beef for Father's Day in 1953. This year, the Terra Cotta CowBelles, along with the Beef Industry Council of the National Live Stock and Meat Board, are cooperating in the annual Beef for Father's Day campaign. The CowBelles sponsor Beef Gift Certificates which may be purchased from the First State Bank in Silverton. The certificates make a wonderful present for Dad.

"This Father's Day, why not honor Dad with a sizzling beef barbecue," says Mrs. Darnell. "For so many good reasons, it's the food he's right to like."

The 21st Annual Texas Energy Science Symposium held at the University of Texas in Austin recently was attended by Eber Gill and Ronnie Dunaway representing Silverton High School. Over

500 top science students and teachers from the state attended the symposium, jointly sponsored by the Texas Atomic Energy Research Foundation and the University, Southwestern Public

Service Company, a charter member of TAERF, sponsored a delegation of 42 students and teachers from this area.

RANDALL LEE WOODS CANDACE CAGLE

☆ ☆ ☆ ☆ ☆ ☆
COUPLE TO MARRY IN ABILENE JUNE 28

Mr. and Mrs. Jay Cagle of Abilene announce the engagement and approaching marriage of their daughter, Candace, to Randall Lee Woods, son of Mr. and Mrs. James C. Woods of Quitaque. The bride-elect is a 1977 graduate of Tulia High School. She attended Texas Tech University in Lubbock where she received a degree in home economics education in 1980. Miss Cagle is teacher of home economics at Valley High School. Mr. Woods is a 1978 graduate of Valley High School and is engaged in farming and ranching at Turkey. The wedding is planned for Sunday, June 28, 1981, at 2:00 o'clock in the afternoon at the Pioneer Baptist Church in Abilene. Friends of the couple are invited to attend.

Mr. and Mrs. Steele To Celebrate Golden Wedding Anniversary

In honor of the fiftieth wedding anniversary of Mr. and Mrs. Alton Steele, their children and grandchildren request the pleasure of your company at a reception on Sunday, the fourteenth of June, 1981, from two until five in the afternoon in the Pioneer Room at First State Bank in Silverton. They ask that no gifts be sent, please. No invitations are being mailed locally.

Mrs. Steele retired from teaching in 1972, after having taught in public schools for 23 years. They are parents of a daughter, Mrs. Dean (Kay) McWilliams of Germantown, Tennessee, and a son, Jim Ed Steele of Thomas, Oklahoma. They have four grandchildren, Russell McWilliams of Germantown, and Curt, Sheila and Hoyt Steele of Thomas.

Mr. Steele and the former Ruby Redin were married June 9, 1931, in Lubbock. He was the son of the late Mr. and Mrs. J. R. Steele, sr. and she was the daughter of the late Mr. and Mrs. W. E. Redin, all of whom lived in Silverton. The newly-married couple lived on a farm southwest of Silverton until they moved to their home in Silverton in 1952. He farmed until his retirement about eight years ago.

Mrs. Naomi Robinson and her daughter, Mrs. Joyce McDaniels of Fort Worth, and Mrs. Ollie McMinn were supper guests of Mr. and Mrs. George Seaney Sunday evening. The ladies spent the night with Mrs. McMinn and left early Monday enroute to Colorado Springs to spend this week with their son and brother, Mr. and Mrs. Roy Dean Seaney.

STATE FIRE MARSHAL OPENS NEW OFFICES

The State Fire Marshal's Office, State Board of Insurance, will open two new regional offices in Lubbock and Corpus Christi in May. The first two regional offices were opened last year in Huntsville and Duncanville.

William P. Daves, jr., chairman of the State Board of Insurance (the agency under which the State Fire Marshal's Office operates), said the opening of the two new offices is part of a continuing effort to regionalize the operations of the State Fire Marshal.

"We want our people spending more of their time helping local fire and law enforcement officials and less of their time on the road," Daves said.

The move toward regionalization is in line with recommendations for reorganization of the State Fire Marshal's Office presented to the 1979 Texas Legislature, he said.

State Fire Marshal Ernest A. Emerson said staffing and training procedures for the two new offices will be similar to those developed for the Huntsville and Duncanville offices.

"New personnel will be cross-trained to serve as both arson investigators and as fire inspectors," he said.

"The two new offices will in-

crease our capability to respond quickly when asked by local officials to assist in arson investigations," Emerson said. "Not only will local operations increase our efficiency, but we hope these new offices will improve our communication with local officials and citizens."

Under authority of both the Texas Insurance Code and Vernon's Annotated Texas Statutes, the State Fire Marshal's Office is charged with the job of investigating and determining the cause and origin of a fire whenever local officials ask assistance.

In addition to fire investigations, the State Fire Marshal's Office conducts building inspections to assure that places of public assembly meet basic fire and life safety standards.

The Licensing Section is responsible for the licensing and regulation of companies that install, service or maintain portable or fixed fire extinguisher systems. This section also licenses and regulates companies that sell, install or maintain fire alarm. Under Vernon's Annotated Texas Statutes, the Licensing Section licenses the possession and sale of fireworks.

Other statutes of the State Fire Marshal's Office include the regulation of storage, handling and use of flammable liquids at retail service stations as well as the safe movement and operation of mobile service units and the Texas Fire Escape Law.

Paymaster 792 Cotton

Early maturing, high yielding, widely adapted

Here's your cotton for late planting or replanting. Paymaster 792 is a favorite with many growers because it combines high yield potential with extreme earliness. Paymaster 792 tolerates growing stress and adapts well to all row widths. Exhibits good Verticillium wilt tolerance. Give us a call, find out how Paymaster 792 can help with your cotton program.

Texans Have Right To Appeal Property Values

Kenneth Graeber, executive director of the State Property Tax Board, today reminded Texans of their right to appear before local Boards of Equalization (BOE) to appeal values assigned to their property for ad valorem tax purposes.

"The right to appear before the BOE is the single most important remedy that is available to taxpayers regarding the value which is placed on property," Graeber said.

"The board is the taxpayer's opportunity to be heard in an informal setting and without incurring expensive court costs," he added.

Each local government which collects property taxes must have a board of equalization to hear taxpayer appeals on values. Most BOEs meet during May until about mid-July, Graeber said.

Taxpayers who rendered their property to the local assessor must be notified of the time and place of the BOE meeting if the assessor increased the value rendered.

Graeber said those who did not render still have the right to appear before the BOE, but persons in this category will have to learn on their own when the board will convene.

BOE sessions are open to the general public. Time and location of the meeting must be posted in the administrative office of the jurisdiction and with the appropriate county clerk. A city BOE, however, is not required to file notice with the county clerk.

Additionally, at least 10 days prior to the BOE meetings, notices must be published in a general-circulation newspaper that serves the local area. The information is also available from each tax office by telephone.

Graeber said there are two basic situations in which taxpayers are entitled to receive an adjustment in their tax value:

—If it exceeds local market values. If the property owner finds and submits to the BOE the kind of evidence which indicates the value assigned to that parcel of property is too high, then the taxpayer would be entitled to a reduction in the valuation.

—If it is valued higher than similar property. Regardless of what other property like yours is selling for, the value of property on the tax roll should be about the same as the value for all similar properties in the jurisdiction.

Graeber added that tips on presenting an appeal are outlined in the agency's pamphlet, "Taxpayers' Rights, Remedies, Responsibilities!" which is available to local taxing units.

He reminded taxpayers that BOE's sole authority is over the value of property. "The board must limit the taxpayers' discussion only to matters concerning property values. Discussions regarding the amount of taxes or the injustice of taxation merely waste the taxpayer's time."

"These complaints should be referred to the appropriate governing bodies," he said.

Graeber noted that in a num-

GAVEL PRESENTATION—Austin—House Speaker Bill Clayton (right) presents Representative Foster Whaley of Pampa with a commemorative gavel, acknowledging his work as Vice Chairman of the Constitutions Amendments Committee of the House during the 67th session of the Texas Legislature. Clayton said it was the committee system which provided leadership for the five-month session from January 13 through June 1.

ber of counties, the new county-wide appraisal districts are providing 1981 appraisal rolls to one or more local taxing jurisdictions. In these counties, the appraisal district will appoint the board of equalization for the taxing jurisdiction being served.

"Information will be made av-

ailable locally on when and where the BOE will meet, regardless of whether it is named by a taxing jurisdiction or by the appraisal district," Graeber noted.

He added that appeals procedures will be the same before all BOEs in the state.

House Seats Lost In Redistricting

Two House Legislative Districts were lost in redistricting the Panhandle, South and Rolling Plains Area in recent Redistricting Legislation in Austin.

State Representative Foster Whaley's District was expanded to include Hardeman, Carson and Crosby Counties. Representative Bob Simpson lost Carson County and picked up Deaf Smith County. Dean of the House, Representative Bill Heatly lost Hardeman and Crosby Counties to Representative Whaley and took in additional areas that included Howard County (Big Spring).

Speaker of the House Billy Clayton is retiring from the House, leaving his old district to be split up among Representatives Laney, Rudd, Simpson and Buchanan.

The expansion of the Districts by some 22,000 residents was necessary to bring them up to the approximate 94,586 required residents.

Representative Whaley said, "I am very pleased to have the three rural counties of Carson, Crosby and Hardeman added to my district. I regret very much that Mr. Heatly had to lose any of his present district. There was no other way for my district to expand. We will endeavor to serve the new counties that have been added to the very best of our ability."

The combined agricultural income from the proposed new district exceeded \$539,560,000 in 1979. The three new counties had agricultural income in 1979

as follows: Carson, \$60.6 million; Hardeman, \$26.8 million, and Crosby, \$63,910,000.

Representative Whaley and his wife, Lois, live on an irrigated farm west of Pampa. They have farming and ranching interests in Carson and Armstrong counties. Their operation is leased out and they serve on a full-time basis in his State Representative work.

Whaley is a founding and charter member of the Texas Cattle Feeders Association. He is credited with hedging the first pen of cattle, at a Pampa feedlot, ever hedged south of the Canadian River. Whaley served as a county agricultural agent for 27 years in Armstrong and Gray counties.

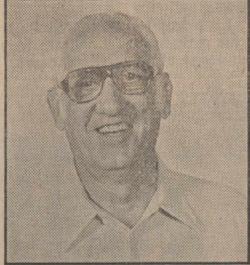

They have three children: Christie of Dallas, a 1977 graduate of Texas A&M; Wayne of Houston, a 1979 graduate of Texas A&M, and Karlette, a junior at Texas A&M.

Travis McMinn of Lubbock visited his mother, Mrs. Ollie McMinn, and Mr. and Mrs. Dwain Henderson, Wayne and Zane recently.

Mr. and Mrs. Ewing Vaughan attended the graduation exercises of Arlington High School on May 27. Their grandson, Douglas Vaughan, was one of 525 graduates. He is the son of Mr. and Mrs. Ronald Vaughan of Arlington.

The Averaged Billing Plan From Southwestern Public Service.

"A PLAN FOR ALL SEASONS"

"My fixed income got a big break now that I'm on the Averaged Billing Plan."

"Averaged Billing makes it easier to make ends meet because it smooths out the highs and lows of your monthly electric bill. Like your friends, you can have it too. Depend on it to help ... just give me a call at SPS."

"I know just about how much my electric bill will be each month ... there are no more surprises."

We changed to Averaged Billing with one phone call to SPS. And now, our family budget is easier to plan."

Statement Of

Nondiscrimination

Swisher Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities.

Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of Complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

Reception To Celebrate Couple's Fifty Years Of Marriage

The children of Paul and Earlene Ledbetter cordially invite you to a reception in honor of their parents' fiftieth wedding anniversary on Saturday, the twenty-seventh of June, 1981, from two until five in the afternoon in the Fellowship Hall of the First Baptist Church in Silvertown.

The family also states, "Your friendship is a precious gift and we respectfully request no other."

There are no invitations being sent locally.

Paul Ledbetter and Miss Earlene Hodges first met in March 1925 at Coppell, Texas, in Dallas County. He was living in the

nearby Minters Chapel community in Tarrant County. The older boys of the two communities were having a ballgame after school, and the young Miss Hodges was allowed to stay for the game because she had two older brothers taking part. After the game Paul asked her for a date, and she told him she didn't want to go on a date with him because she didn't want to admit that she wasn't allowed to date because she was only 13 years old.

At the end of 1925, the Ledbetters moved to Silvertown and the young couple didn't see each other again until December of 1929 when Paul returned to visit his married brother. A party was held for him, and she was invited to be a guest. When she entered the room the boys were choosing partners, and Paul chose Earlene. When he returned to Silvertown, they continued to visit through correspondence. He wrote her approximately 300 letters during that ensuing eleven months, and she returned at least that many to him. Their seventh date, December 11, 1930, was their wedding day. Their friends said it wouldn't last.

They have made Silvertown their home most of the fifty years of their marriage, and still

MR. AND MRS. PAUL LEDBETTER

live on their farm southwest of Silvertown. They are parents of two sons, Dr. Don H. Ledbetter of Elko, Nevada, and Rev. Ronald Ledbetter of Hollis, Oklahoma.

Dr. Don Ledbetter is pastor of Calvary Baptist Church in Elko and is also involved in pioneer mission work in the state of Nevada and Southern California. He and his wife, Lois, are parents of

three children: Donna, who will be a senior in college this fall; Debbie, a junior in college, and Daniel, who will be a freshman in Elko High School.

Rev. Ronald Ledbetter is pastor of First Baptist Church in Hollis. He and his wife, Frankie, have three children: Gary, who lives in Sayre and is employed in Elk City; Teri, now Mrs. Joe Johnson of Hollis, who is employed by an insurance agency, and Chris, who will be in first grade this fall.

ORDINANCE NO. 276

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SILVERTON, TEXAS, PROVIDING FOR REGULATING THE DRILLING OF WATER WELLS WITHIN THE CITY OF SILVERTON, TEXAS; PROVIDING PENALTIES FOR VIOLATION OF ANY OF THE PROVISIONS THEREOF; PROVIDING FOR THE EFFECTIVE DATE AND PUBLICATION OF THIS ORDINANCE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SILVERTON, TEXAS:

Section 1: It shall be unlawful for any person or corporation who owns, leases land situated in the City of Silvertown, Texas, after the effective date of this ordinance either personally or through any agent or contractor to dig and drill a water well of any kind without having first filed an application to do so prior to the commencement of such digging or drilling operation with the Mayor of the City of Silvertown, Texas, showing within such application that the applicant is unable to secure sufficient water for applicant's needs from any other source whatsoever including the water works of the City of Silvertown, Texas.

Section 2: Any person who shall violate the provisions of this ordinance shall be subject to a misdemeanor prosecution and upon conviction a fine of not less than Five Dollars nor more than Two Hundred Dollars shall be imposed and each day that such violation shall be permitted to exist or continue shall constitute a separate offense.

Section 3: The City of Silvertown shall have the right to secure in any court of competent jurisdiction an injunction prohibiting the digging and drilling of water wells within said City.

Section 4: The City Secretary is hereby authorized and directed to cause the publication of the description caption of this ordinance together with the penalties as set out herein as an alternative method of publication provided by law and this ordinance shall take effect from and after its passage and publication and it is so ordered.

Section 5: Whereas on account of the need for the conservation of water within said City of Silvertown, Texas, an emergency is created in behalf of the general health and welfare necessitates this ordinance become effective on the first reading and it is accordingly ordained that this ordinance shall be so effective.

PASSED AND APPROVED this 8th day of June, 1981, by unanimous vote of the councilmen present at its regular meeting.

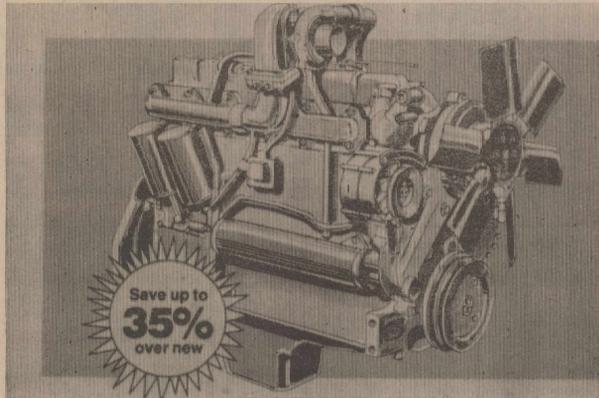

THE CITY OF SILVERTON, TEXAS

City Secretary

PARTS VALUE OF THE MONTH

IH ReNEWed Parts are remanufactured under conditions comparable to new parts manufacture. The entire restoration to original specifications is controlled by IH engineers. IH ReNEWed Parts also are subject to the same rigid testing procedures as new and original equipment. You can be sure of like-

new performance, but at a price that's about a third less than for a new part. And you save considerably in installation time. We'll put you back on the job quickly!

All prices for ReNEWed Parts are at the exchange level and are based on the receipt of an acceptable core.

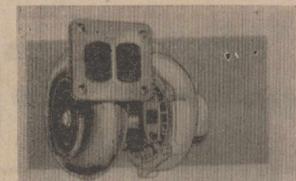

ReNEWed engines

IH ReNEWed engines and components are available in a wide range of models. On the average, you can save approximately one-third of the cost of a new engine. They're not only as good as new, but in some ways they may be even better! That's because the castings are thoroughly seasoned. The crankcase, for example, has already endured stress so, when the engine is restored to new conditions, there's actually less distortion and wear. ReNEWed nozzles, diesel injection pumps, turbochargers, water pumps, and cylinder heads also are available. Here are just a few examples:

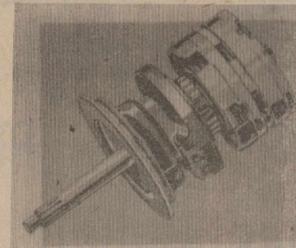

Skeleton engines

766, 886; 453 Hillside Combines	749 235 C92	\$2156.00
1086; 915 Combines Serial 8001-Above	735 007 C92	2319.00
856; 815 Combines Serial 8000-Below	749 614 C91	3213.00
1466, 1486, 1566, 1536, 4166, 4186, 1460, 1480 Combines	735 008 C92	2391.00

Turbochargers

1026, 1256, 1456; 915 Combine	749 305 C91	\$378.00
1086, 1066, 1466, 1486, 1566, 1586, 4166, 4186, 1460 Combines	749 267 C91	290.00
4366	749 269 C91	290.00

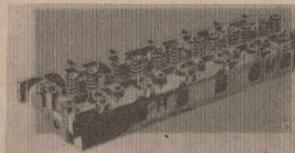

Heavy-Duty torque amplifiers.

An IH ReNEWed Torque Amplifier assembly can go a long way toward restoring original performance to your tractor. In an older tractor, it may even increase load carrying capacity. That's because IH Torque Amplifier design has been improved over the years and those improvements have been incorporated in the ReNEWed units. The result is positive lockup and greater strength for full-time, heavy-duty operation. To prevent contamination, TA components are assembled in a positive-pressure "White Room," thoroughly tested and specially packaged. This is another IH plus! Each assembly is covered by a one year warranty.

86 Series	R74 493 C92	\$650.00
1566, 1568, 1586	R74 494 C92	650.00

Look at this warranty! IH ReNEWed engines are backed by a FULL SIX MONTHS warranty on basic engines and 90 days on skeleton engines and engine components.

Cylinder heads with valves

Hydro 100 & 186, 986, 1440 Combine	749 605 C91	\$756.00
1026, 1256, 1456, 915 Combine Serial 8000-Below	749 634 C91	766.00

Water Pumps

580, 658, 660, 706; 151, 181, 403, 615 Combines	749 170 C91	\$ 62.00

Most popular sizes and types of clutches are available in the IH line of ReNEWed Parts. These original equipment clutches are IH engineering approved and are assembled with balanced pressure plates and dampener springs for quiet gears. Hardened splines in hubs provide longer life. Heavy-duty levers resist wear for longer life. These clutches provide like-new service, and save you an average of 32 percent compared to new—even more if the old clutch is acceptable for exchange. All ReNEWed clutches are covered by IH's liberal 90-day warranty. Some examples:

A, Super A, B, C, Super C, 100, 130, 200, 230, 240	R56 631 DB	\$35.75

Proficiency Awards Winners Named At Banquet In May

Eleven members of the Silverton FFA Chapter were presented Agricultural Proficiency Award medals and certificates at the chapter banquet held in the school cafeteria in May. Proficiency Award medals and certificates are provided by the National FFA Foundation, Inc., to recognize achievement of chapter members in classroom study and work experiences related to a

career in the industry of agriculture. A total of 22 awards are now available to FFA members in a wide range of career related activities. On hand for the banquet and award ceremonies were 175 FFA and FFA members, parents, school administrators and community businessmen who support the FFA locally. The awards were presented to the following FFA members:

The Agricultural Mechanics Award, presented to David Gee, son of Mr. and Mrs. Gene Gee, is sponsored by International Harvester, Chicago, Illinois;

The Agricultural Sales and/or Service Award, presented to Jim Estes, son of Mr. and Mrs. Dewey Estes, is sponsored by the Allis-Chalmers Corporation, Milwaukee, Wisconsin;

The Beef Production Award, presented to Rank Cogdell, son of Mr. and Mrs. Billy Cogdell, is co-sponsored by Sperry New Holland, New Holland, Pennsylvania, and NASCO, Fort Atkinson, Wisconsin;

The Crop Production Award, presented to Brent Grabbe, son of Mr. and Mrs. Louis Grabbe, is sponsored by Massey-Ferguson, Inc., Des Moines, Iowa;

The Diversified Livestock Production Award, presented to Bryan Schott, son of Mr. and Mrs. John Schott, is co-sponsored

by A. O. Smith Harvestore Products, Inc., Arlington Heights, Illinois and Wayne Feeds, Division of Allied Mills, Chicago, Illinois;

The Home and/or Farmstead Improvement Award, presented to Jimmy D. Stone, son of Mr. and Mrs. Jimmy Stone, is sponsored by Upjohn, Asgrow, TUCO and Cobb Organizations, Agricultural Division of The Upjohn Company, Kalamazoo, Michigan;

The Horse Proficiency Award, presented to Jim Forbes, son of Mr. and Mrs. Doug Forbes, is sponsored by The American Morgan Horse Foundation, Salisbury, Connecticut;

The Poultry Production Award, presented to Craig Patton, son of Mr. and Mrs. Jerry Patton, is sponsored by the General Fund of the National FFA Foundation;

The Sheep Production Award, presented to Monroe Hill, son of

Bryan Schott Named Outstanding Ag Student

Bryan Schott, son of Mr. and Mrs. John Schott, was recently named winner of the 1981 DeKalb Agricultural Accomplishment Award. The award, sponsored nationwide by DeKalb Ag-

Mr. and Mrs. Robert Haley Hill, is co-sponsored by the Carnation Company - Milling Division, Los Angeles, California, and the American Sheep Producers Council, Inc., Denver, Colorado;

The Soil and Water Management Award, presented to Eric Patton, son of Mr. and Mrs. J. E. Patton, is sponsored by the Ford Motor Company Fund, Troy, Michigan;

The Swine Production Award, presented to Danny Thomas, son of Mr. and Mrs. Charles Thomas of Lockney, is sponsored by Pfizer, Inc., Agricultural Division, New York, New York.

All local chapter proficiency award winners were eligible for competition in the Area evaluation where the winners were sent to the state elimination. The ultimate goal of applicants in the proficiency award program is to earn recognition at the national level where the winners receive expense paid trips to the National FFA Convention plus cash awards and specially engraved plaques and the opportunity to participate in an expense paid International Study Seminar.

BRYAN SCHOTT

☆☆☆

Research, Inc., is presented to the agriculture student attaining the highest degree of proficiency in scholarship, leadership and a supervised agricultural program.

Schott attends Silverton High School, where he has been Star Greenhand and Star Chapter Farmer and now is serving as second vice-president of the FFA chapter. His agricultural program consists of cattle, swine and sheep. Following graduation, he plans to major in agriculture in college.

As this year's DeKalb Agricultural Accomplishment Award winner, Schott receives a pin and certificate, and his name will be inscribed on a special plaque displayed at the school. This award, often considered the highest honor or a vo-ag student can receive on the local level, is presented in more than 4,000 schools annually.

DeKalb is a leading supplier of hybrid seed, poultry and swine breeding stock, irrigation equipment and grain and livestock marketing services. The company maintains the largest commercial genetic research program in the world.

Miss White Is Shower Honoree

A miscellaneous shower was held Saturday from 9:30 until 11:00 a.m. in the Pioneer Room at First State Bank in Silverton for Miss Karen White, bride-elect of Gary Turner.

Guests were greeted and registered by Mrs. Bobbie Bean and Mrs. Shirley Reynolds, and presented to the honoree and her mother, Mrs. Joan White of Brownfield, and to the mother of the future bridegroom, Mrs. Juanel Turner.

Out-of-town guests included the honoree's sister, Mrs. Karla White of Brownfield; Mrs. Ellen Russell of Vernon; Mrs. Linda Schaefer of Wichita Falls and Mrs. Harla Russell of Abilene, grandmother, aunt and cousin of the prospective bridegroom.

The refreshment table was covered with an ivory cloth edged with wide lace. The centerpiece was a bouquet of apricot and brown silk flowers arranged in a brass vase. A brass coffee and tea service and brass tray were used to serve coffee and spiced tea, sausage pinwheels and miniature cinnamon rolls in ivory gold-trimmed China.

The hostess gifts were a coffee maker, an electric skillet and the centerpiece from the serving table.

Hostesses were Mrs. Lois Ziegler, Mrs. Helen Strange, Mrs. Sharon Simpson, Miss Donna Rowell, Mrs. Gayle Robertson, Mrs. Shirley Reynolds, Mrs. Janelle Reeves, Mrs. Lee Ann Nuckols, Mrs. Anne McMurtry, Mrs. Opal McClure, Mrs. Marge Jones, Mrs. Polly Jarrett, Mrs. Theta Holt, Mrs. Roberta Griffin, Mrs. LaRue Garvin, Mrs. Pat Edwards, Mrs. Vaughnell Brannon and Mrs. Bobbie Bean.

COUPLE TO MARRY HERE JULY 18

Mr. and Mrs. Leonard B. Morgan announce the engagement and approaching marriage of their daughter, Judy Lynn, to Jerrell Dee Sanderson, son of Mr. and Mrs. L. D. Sanderson of Knox City, Texas.

Both are recent graduates of West Texas State University.

The couple will be married in Silverton on July 18. The ceremony will be performed in the home of the bride's parents.

They will live in Amarillo where Mr. Sanderson is employed by radio station KIXZ.

nia 4-H'ers on an exchange trip to Plainview.

A disc jockey will play disco and country-western music for dancing, and a caller will be available for square dancing.

There is no charge, but they would appreciate donations from those attending to help pay for the disc jockey. Punch will be furnished, but other refreshments may be taken by those attending.

Families are encouraged to attend. Some 250 attended a similar event held in December.

4-H activities are open to all regardless of socio-economic level, race, color, sex, religion or national origin.

Happy 64th,
Sy!

We Told You You'd Make It!

Nothing beats the smoked flavored taste of something from the grill... and no grill can beat the fun, convenience and economy of a versatile gas grill.

Gas Grilling is versatile

You can sizzle a steak, grill a burger, smoke a ham, barbecue a bird, roast an ear, even bake a potato. You can cook many different foods a variety of ways, many at the same time on a versatile gas grill.

Gas Grilling is delicious

You get that great outdoor smoked flavor without the charcoal mess. No lighter fluid is needed and a gas grill requires very little clean-up. There's no wait either, because gas grills reach cooking temperature... fast.

Gas Grilling is economical

You can cook a full family meal for just pennies. Gas grilling costs less than a third of what it would cost on an electric grill and less than a tenth of the cost for charcoaling. A national survey proved it.

Gas Grilling is cooler

It keeps the heat out of the kitchen so your air conditioning won't have to work so hard. That's important during the summer... plus a gas grill is the perfect meal-maker for any season of the year.

And, Gas Grilling is now 20% off

Buy now and you'll save 20%. The purchase price has been reduced 20% but only until August 1, 1981... and you have eight styles and sizes to choose from, with all the features to make grilling fun, convenient and economical.

PATIO KITCHEN

PK cast aluminum grills feature stainless steel burners — "H" shaped for maximum heat distribution... stainless steel for long trouble-free life, and heavy steel rod coal grates.

**LOCKNEY CARE CENTER
CAPERS**

by Vickie Hutton

Boy, did we "goof up" Thursday! I got the bright idea of making popcorn balls. Well, to say the least we had the biggest mess ever; the syrup didn't stick to the corn. We all had a big laugh and ate the corn anyway.

During our bus trip Monday to Floydada we had a new passenger, Sam Lide. It is so nice to get out in the fresh air. Those enjoying the trip were Myrtle Burke, Myrtle Payne, Bertie Bradley, Richard Lanham, Donnie Hester, Mary Jo Fielding, Alma McDonald and Sam Lide.

Our lucky bingo winners this week were Vera Rogers and Bill Holt. As the weeks go by the competition grows and grows. Our thanks to all our volunteers for their time and talent spent with us.

Ruby Vaughan and Sally Carpenter were able to return to the home after their stay in the

As A Man Thinketh

Gerald Beasley
**IS YOUR MOUTH
FULL OF ASHES?**

In Isaiah's day many forsook Jehovah, copied heathen idolatries and busied themselves making senseless images to "fall down thereto" (Isa. 44). Utter tragedy!

God addressed this situation:

hospital. We missed them very much and welcome them back.

We welcome our new resident, Julia Garrett, sister of Armine Tarpley, to our home. Mrs. Garrett has been a resident of the Friona Nursing Home for the past three years.

We will surely miss Rev. and Mrs. Jones and girls of the First Baptist Church of Flomot when he leaves for Tokyo, Texas. He has been a great friend to all of us and very faithful in coming to give devotionals on Friday mornings.

"He feeds on ashes, a deluded heart misleads him; he cannot save himself, or say, 'Is not this thing in my right hand a lie?'" (Isa. 44:20)

America has leering gods of pleasure and materialism that squat in ugliness on every hand. Their deluded worshippers (!) sense not that their own mouth is full of ashes and that a lie is in their right hand.

Careful thinking (Philip. 4:8) on eternal Truth will see us "rinsing" the ashes from our mouths with "living water" (John 4:10) and thrusting from us the lie in our "right hand."

Do it!

HIGHTOWER WASHINGTON HIGHLIGHTS

from Congressman Jack Hightower

Congressman Jack Hightower today announced the beginning of a new television report to be aired every two weeks in the 13th Congressional District of Texas. The "Hightower Washington Report," a fifteen-minute public service interview program produced in Washington, will feature the Panhandle Congressman and special guests in conversation about a variety of political, economic and social topics in the news which affect the people of the district and Texas.

in particular and the nation in general.

Congressman Hightower's special guest for the week beginning May 23 was to be 10th District Congressman J. J. (Jake) Pickle (D-Austin). The two Texas congressional veterans planned to discuss the near-bankrupt Social Security System and what may be done in Congress in the next few months to ensure the System's survival. Congressman Pickle is chairman of the Social Security Subcommittee in the House charged with responsibility for reviewing proposed legislation in this area.

The new program will be aired as a public service presentation by television stations at both ends of the district, in Amarillo and Wichita Falls. KVII-TV Channel 7 and KAMR-TV Channel 4 in Amarillo will be airing the show every two weeks as will be KAUZ-TV Channel 6 in Wichita Falls. KFDX-TV Channel 3 in Wichita Falls will air one of the two programs each month on the second Saturday afternoon of the month at 5:30 p.m. Viewers will need to

check their local listings for correct program times in their area.

(Delayed News)

We have had hundreds of calls, letters, and wires in strong opposition to two bills—HB 1957 and HB 915.

HB 915 would permit pari-mutuel gambling on horse racing. The proposition failed in 1978 on a straw poll vote on the Republican ballot in the 66th Legislative District by a vote of 421 against to 276 for. Democrats turned it down at the same time by a vote of 9,123 against to 6,347 for. At this writing, I have had only two people contact me in favor of HB 915 that live within the 66th District. I will vote against HB 915.

HB 1957, when it passed, was a two-line bill that read, Article 4, Chapter IX, The Texas Banking Code of 1943 is repealed. Later, when this bill was heard in the Senate Committee, Senator Bill Meier added the amendment that would drastically affect the money market funds. In my opinion, the Senate Amendment will not prevail. The bill will be killed when it returns to the House if it has the amendment on it.

The Congressional Re-Districting bill passed the House on May 18, 1981. Congressman Jack Hightower's District was slightly enlarged but it remains substantially the same. Most all of the Congressional Districts in the Western part of the state were left pretty well in tact.

A lot of bad legislation is slipping through the legislature. One piece of this legislation was SB 1237. Several years ago the legislature passed a three percent motel-hotel occupancy tax. Later, the legislature allowed cities to place a four percent tax on some things. About 200 cities, including Houston, adopted the four percent tax. SB 1237 would add an additional three percent for the upkeep of the Astrodome for Harris County and Houston. This would mean you will pay a 10 percent tax when you stay in any Houston motel or hotel. The seven percent collected in Houston off of tourists will raise about \$15 million from tourists over the state. The proceeds will go for such things as the arts and repair of the Astrodome. It is a good case of taxation with either representation or benefits.

HB 602 by Nabers to repeal the Peveto bill was tabled. Then Wayne Peveto came out with his 112-page bill to amend his big mistake of 1972—SB 621. Numerous amendments were added that would improve the original bill. I had amendments drawn by the Legislative Council that would provide for elected boards of appraisal. Peveto amended our amendment, after he realized this was going on the bill, so it would provide for the appointment of elected officials from the various taxing entities. The deadline was extended for one full year for full implementation. Recently a Constitutional Amendment passed the floor of the House allowing for large raises in homestead exemptions.

Re-Districting of State Representative districts will get underway shortly. By the early part of next week, a vote will probably be taken. There is such a logjam of legislation created by the earlier failure to suspend the rules that both the bad and good legislation will go down the drain. The compromise version of the Appropriation Committee will have to be approved. A host of other essential bills will also be before us in the last 10 days of the session. There are Saturday and Sunday sessions now scheduled for the rest of the session.

Cards of Thanks

CARD OF THANKS
The joy of receiving your cards and phone calls while Carroll was in the hospital and since coming home has meant so much to us.
May God keep you in His care. Thank you.
Carroll and Marie Garrison

CARD OF THANKS
We want to thank the March of Time Study Club and Century of Progress Study Club for staying in the cemetery Memorial Day taking donations and the ones helping get the cards out. The cemetery is kept up by donations and memorials, and all help is appreciated very much. Silverton Cemetery Association G. W. Seaney, President

STATEMENT OF INTENT TO CHANGE RATES
General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective October 1, 1981.

On April 28, 1981, the Public Utility Commission of Texas issued its order in Docket 3690, creating a separate Docket 3861 to consider the impact and effect of the accounting changes ordered by the Federal Communications Commission (CC Docket 79-105).

The Federal Communications Commission has changed the method of accounting for inside wiring costs associated with the one-time station connection, move, or change activity. The new rate schedule will increase the Company's gross annual revenue derived from local service by no more than three percent. The schedule of rates and charges is available for inspection at
