

All Around the Town

by Mary Ann Sarchet

One of the new wells was connected to the Silverton water system on Wednesday of last week. That afternoon, residents were using water at the rate of 700 gallons per minute, and the system was pumping enough water to supply that demand and gain on it. Things were getting pretty bad water-wise at this time last year, and we have had even less rain this year. It is hoped that the new water wells will help the city avoid the Fourth of July water crisis that was felt last summer.

There won't be a public fireworks display at Lake Mackenzie this Fourth of July, and the shooting of fireworks will not be permitted.

Holiday closings for the Fourth of July are a little confused, but the following is a list of those who have indicated their plans to the News Office:

- To be closed Friday:** Briscoe County Farm Bureau, Briscoe County News, First State Bank
- To be closed Saturday:** Jones Dept. Store, Nance's Food Store, Malt Shop, Jack's Pharmacy, Potpourri, Tiffin's Dry Goods, Brown Hardware, Fogerson Lumber & Supply
- To be closed Monday:** Thompson Implement, City Hall
- To be closed Sunday only:** Caprock Food
- To be open every day:** Allsup's

Number Of Farm People Declining

Agriculture Department statistics show that people living on farms declined by 190,000 in the year 1980. This is an astounding figure when you consider the small percentage of Americans still living on farms. 1980 showed a farm population figure of 6.05 million people, or 2.7% of the total United States population. Being such a small percent of the total populace makes it very difficult for farmers to have any political power.

Projections show that farms will continue losing people in the foreseeable future. The danger is the loss of business to rural areas, and a possibility of the corporate farm, doing away with the family farm concept.

Win Event In Medical Services Olympics

Paramedics Lynn Frizzell and Anthony Kingery and EMT Bruce Tiffin of the Silverton Volunteer Ambulance Service entered the 1981 Emergency Medical Services Olympics June 20, 1981, in Amarillo.

The team competed in all events which were Code 99 (Cardiac Arrest) Traction Splint, MAST Trousers, Communication, CPR, IV Therapy and Extrication.

The Silverton Team won the Basic Life Support in the Code 99 event. Canyon won both overall trophies at the Olympics in both Advanced Life Support and Basic Life Support.

Silverton was the only team in Region I, other than Amarillo Medical Services and Emergency Medical Service from Canyon, that won an event.

They are hoping that next year, after some hard practice, Silverton will bring one of the traveling trophies home.

AMBULANCE SERVICE MEETS TUESDAY NIGHT
Silverton Volunteer Ambulance Service will have its regular meeting July 7, 1981, at 7:00 p.m. at the City Hall.

J. Lynn Futch Named FmHA Director

Secretary of Agriculture John R. Block announced last week the appointment of J. Lynn Futch, Washington, D. C., as State Director of the Farmers Home Administration for Texas, effective July 6, 1981.

Futch, 55, had previously served as FmHA State Director in Temple, Texas, from 1969 to 1977. Since then he has served as Program Assistant to the FmHA Administrator at the agency's national office in Washington, D. C.

Before joining FmHA, Futch served as Assistant Manager (1954-1960) and Vice President (1960-1969) of the Canadian Production Credit Association, Canadian, Texas.

A native of King County, Texas, Futch was reared on a cotton and livestock farm. He maintained an interest in a cattle feeding operation in the Texas Panhandle area until 1976.

Futch received a bachelor of science degree in agricultural education from Texas Tech in Lubbock in 1949. He served as a pilot in the U. S. Air Force from 1943-1945.

The Farmers Home Administration is a credit agency of the U. S. Department of Agriculture. As State Director, Futch will be responsible for the loan and grant activities of 486 employees

in 147 county and 20 district offices in Texas. The FmHA State office is located in Temple.

There were 30.4 million people living on farms in 1936. In 1956 the people on farms numbered 18.7 million. Simple mathematics show that since 1956 we have lost over 12 1/2 million people.

To make matters worse, we are losing land each year at a fantastic pace. As every 12 months goes by, 800,000 acres planted to crops leaves production and become highways, shopping centers, airports, factories, homesites, etc. Another 200,000 acres is lost to floods, lakes, reservoirs and erosion.

Each year a million acres gone!

We rural people wonder what to do about these serious problems. Sometimes we can find solutions, but more often not. To walk a hundred miles, the first step has to be taken. It's just a step, but it is a beginning.

The first step I refer to is a bill that is in the U. S. Congress called "Beginning Farmers Assistance Act." It's HR 2977 and is sponsored by Congressman Berkley Bedell of Iowa and Congressman Byron Dorgan of North Dakota. This bill envisions a federal loan guarantee program for young persons who are qualified to enter farming or ranching, but do not have the financial assets to do so. The Bedell-Dorgan bill would establish a 20-state pilot program, under which the federal government would guarantee loans made by states to qualified individuals to buy their first farm. In the 1960's, there was a similar bill called "The Young Farmers Investment Act." It died from lack of support in the Senate. HR 2977 will die, too, if we don't support it. If you would like to see this bill become a reality, write or call your Congressman and Senators.

One Qualifies For State 4-H Fashion Revue

Three Briscoe County 4-H youth participated in the District 4-H Fashion Revue in Lubbock Tuesday, June 30, at the Texas Ranching Heritage Center after winning top honors in the County 4-H Fashion Revue last Thursday. One, Cynthia Edwards, qualified for competition on the state level in September.

Only the senior division contestants may advance to state competition.

Suzann Settle, young junior division; Kristy Fogerson, older junior division, and Miss Edwards, senior division, won first place in Briscoe County in their respective divisions following judging of their garment construction, poise, posture, modeling, appropriateness of outfit and 4-H record. Other contestants were Katrice Minyard, DeLynn Fitzgerald and Jeannita Stephens.

Cynthia Edwards served as master of ceremonies and narrator for the junior contestants at the County Fashion Revue and Awards Program. The Pledge of Allegiance to the Flag was led by Suzann Settle, and DeLynn Fitzgerald led the Pledge to the 4-H Flag.

Kristy Fogerson narrated the program for the senior contestants, and Katrice Minyard recognized the leader, Mrs. Pat Fitzgerald, and presented her with a gift. Jeannita Stephens was in charge of registration of guests.

Ribbons, certificates and gifts were presented to winners and participants by County Extension Agent Lynda Fogerson and Clothing Leader Pat Fitzgerald.

The Southwestern Extension Homemakers Club provided refreshments for participants, parents, leaders and guests.

Senior Citizens To Have Hobo Party

The Senior Citizens Center in Silverton will be the scene of a Hobo Party beginning at 6:30 p.m. Tuesday, July 7.

Supper will be served at 7:00 p.m.

You are not supposed to bring food, but if you want to be admitted, you must appear in hobo costume.

Following supper, there will be games directed by Georgia Aillard.

New Doctor Joins Caprock Hospital

A new doctor will begin her practice in Floydada's Cogdell Clinic on July 1.

Dr. Iona Havasi, who will be practicing internal medicine and family medicine, has been named to the Caprock Hospital staff.

Dr. Havasi, along with her husband, Dr. George Havasi, will be moving to Floydada from Lubbock. The couple has been teaching and doing research at the Texas Tech School of Medicine. George is an anesthesiologist. He will obtain staff privileges said Nell McClung, Caprock Hospital administrator.

Originally from Budapest, Hungary, the couple came to the United States to pursue careers in medical research and teaching. They joined the Lubbock General Hospital staff in 1977. They lived in Toronto before moving to Lubbock.

Dr. Iona Havasi will be active in all phases of medicine at Caprock Hospital. Dr. George Havasi, who is the Lubbock General Intensive Care Unit Anesthesiologist, will continue his work there.

Dr. Havasi said she doesn't think she and her husband will ever return to Hungary to practice because Russian control would not allow their re-entry.

"We loved Toronto," said George, "but we wanted to get away from the hustle and bustle."

Iona said she thinks the people are friendlier in the southern U. S. She said she and her husband had felt welcomed while living in Lubbock.

"I just don't like the dust storms," she said.

Mrs. McClung said the Caprock Hospital is still seeking other doctors.

"We have four suites in the Cogdell Clinic," she said, "that can house more doctors if necessary."

"Caprock Hospital has the potential to serve a trade area of 17,000 people," Mrs. McClung said.

Dr. Havasi's office hours will be 9:30-5:00 Monday through Friday and Saturday mornings.

Gary Storie has returned home after having undergone knee surgery in a Lubbock hospital. He injured his knee playing baseball earlier this summer.

R. C. Hutsell fell at his home Thursday of last week and broke his left leg below the knee. Since Plainview's bone specialist was out of town, he was taken by the Silverton Volunteer Ambulance Service to Highland Hospital in Lubbock for treatment.

Little Kaylee Self fell at her family's home Saturday morning and broke her collarbone. She was taken to the hospital for treatment and returned home by her parents, Mr. and Mrs. Marvin Self.

Mrs. John Burson, Cody and Amy of Roswell, New Mexico visited with Mrs. Burson's uncle and aunt, Mr. and Mrs. J. D. Nance, the first of the week.

MRS. LAWRENCE ASHER GREENE

Fulton - Greene Vows Exchanged

In Canyon On June 7

Miss Luran Fulton, daughter of Mr. and Mrs. H. R. Fulton of Canyon and granddaughter of Mr. and Mrs. Joe B. Mercer of Silverton, was united in marriage to Mr. Lawrence Asher Greene of New York City in a double-ring ceremony performed at the home of the bride's parents in Canyon on Sunday, June 7.

The ceremony was performed by Rev. Bobby McMillan, minister of First United Methodist Church in Canyon and Rabbi Emeritus Maurice Feuer of Temple B'Nai Israel in Amarillo. Maid of honor was Miss Jeanina Fulton of Canyon. Bridesmaids were Miss Sue Smerek of Detroit, Michigan and Miss Laura Holland of New York City.

Silverton area residents, relatives of the bride, who attended included Mr. and Mrs. Fred Mercer, Miss Annette Minyard, Mr. and Mrs. John Gill and Mr. and Mrs. Joe B. Mercer, all of Silverton; Mrs. John Lee Francis of Plainview, a former Silverton resident; Dr. and Mrs. Jim Mercer of New Braunfels and Mr. and Mrs. Kent Mercer of Abilene. Dr. Mercer served as a groomsmen and Kent Mercer assisted in seating the guests.

The nuptial vows were exchanged before the grasscloth background of the living area of the home overlooking the garden area that is covered with vines and ivy foliage with caladium plants and rebud trees. Centering the improvised altar area

was a large brass candelabra holding crystal tulip votive candles. California smilax entwined the candelabra which was accented with a cluster of exotic flowers coordinating with decor of the home and garden.

Tall tiered stands holding Boston ferns flanked the candelabra and were topped with floral arrangements in the European style of lavender and creme freezia, light peach daisies, giant lavender and white alium, with white, peach and pink lilies and pink and white campula with peach miniature carnations. Tall ficus trees completed the floral setting and California smilax garlands draped railings that framed the setting and the stairway, where the bride entered. Clusters of matching exotic flowers caught the smilax for swags along the stairway railing.

Presented in marriage by her father, the bride wore a gown of white silk organza and silk Venice lace designed with a scoop neckline. The closely fitted bodice was overlaid with standup appliques of lace and the long sheer three-quarter length sleeves were accented with lace appliques. The bodice featured a dropped waistline also applied with lace. Lace appliques accented the skirt which terminated at the lacedged hemline which swept to back fullness extending into a chapel-length train, which was attached to the skirt as a bustle for the garden reception

afterwards. She wore a halo headdress of white silk flowers with silk illusion that cascaded to elbow length. Her bridal bouquet was a cascade of white phalaenopsis orchids and English ivy with accents of pale cream freezie and cream dendrobium orchids.

The garden area was the reception setting after the marriage service with white wicker tables featuring table runners of bright spring green centered with round crystal bowls featuring European style floral arrangements in mixed pastel colors of peach and lavender. A white wicker gazebo, decorated with greenery, formed the setting for the groom's table where the cake was iced with apricot and decorated with multicolored marzipan fruit. Ferns and flowers flanked the gazebo with ficus trees, potted geraniums, pansies and caladiums decorating the patio area which featured hanging baskets of rose begonias.

The bride's cake, topped with fresh Sonja roses featured peach sweet peas with smilax at the base. A silver punch bowl and coffee service were used with a candlelight lace cloth covering the table.

An arrangement of apricot miniature gladioli, lavender and peach freezie, Sonja roses and lavender statice centered the buffet which held assorted foods and punch.

Following the reception, the bride changed to a three-piece

summer suit of blue linen and wore a corsage of white orchids as the couple departed for a wedding trip to Dallas.

When the newlyweds returned to New York City, the bridegroom's parents, Mr. and Mrs. Benjamin Greene of Fair Lawn, New Jersey, hosted a reception for the couple on June 14. They will be establishing their home at 120 West 86th Street, Apt. 2-D, in New York City.

A graduate of Canyon High School, the bride attended West Texas State University where she received the bachelor of music degree. She received the master of music degree at the University of Michigan and continued her education at Julliard School of Music in New York City in professional studies and is currently singing professionally. She has performed major roles with the American Opera Center and Eastern Opera Theater of New York and will sing as a featured artist at the Lake George Opera Festival at Lake George, New York later this summer.

The bride will also represent the Lake George Opera Festival at Toronto, Canada in August for the national convention of Opera America. She will sing the role of Olympia in "Tales of Hoffman" with Pittsburg Opera in December and will appear with the Tulsa Opera in 1982.

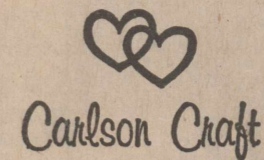

The bridegroom, who sings professionally as Lawrence Asher, attended Bard College and received a bachelor of arts de-

gree from Ithica College. He recently appeared on Broadway and television in "The Most Happy Fella." In the fall he toured the country in "Naughty Marietta" and will appear in several

roles for Chattaqua Opera this summer along with other engagements in New York City.

Astroworld To Host First Annual Kayak Grand Prix Competition

Monday, July 6, 1981, Astroworld will bring whitewater kayak races to the middle of Houston!

That's right. The Houston theme park is hosting the first annual whitewater kayak grand prix race on Thunder River, the world's first made-made river rapids ride.

Expert men and women kayakers from Texas, Oklahoma, Arkansas and Colorado will compete in the race, each attempting to post the fastest time within a particular class.

The competition on Thunder River will be a whitewater "grand prix" racing, similar in nature to alpine ski slalom: contestants in kayaks navigate the Thunder River course defined by "gates," wooden poles suspended from wires over the water, in the shortest possible time.

Eric Evans, ten-time United States kayaking champion and Olympic competitor, will coordinate the competition for Astroworld. After kayaking on Thunder River himself, Evans endorsed the manmade course as being "ideal" for whitewater racing.

"It's better than the one they set up at the 1972 Olympics in Munich," said Evans. "Not as fast, but more stable. In Munich, you had waves and eddies that would just suddenly come up and then disappear—or move. This is more like a real river."

And real it is. Thunder River is Astroworld's newest family adventure. It simulates the actual thrill of rafting down an

unruly river and encountering the swelling rapids and the magnetism of whitewater. Raft-like boats shoot into the river channel, fly through bottleneck canyons, confront rippling lagoons, bulging boulders and stairstep rapids that whisk the boats towards a majestic waterfall, then finally into a calm, clear lake.

But for the competition on July 6, Thunder River will be much more than a family ride. It will be 400 meters of constant whitewater from start to finish—requiring the same skills and finesse that are used when kayaking on a natural whitewater river.

The grand prix race on Thunder River is the first kayak competition ever to be held on a manmade river rapids ride. The race will begin at 12:00 noon on Monday, July 6, 1981. Astroworld will be closed for operation; however, those who wish to view the competition are welcome.

STATE 4-H HORSE SHOW
SET FOR WACO

The Texas 4-H Horse Show, one of the world's largest and most competitive youth horse shows, is coming to the Heart of Texas Coliseum in Waco July 13-18.

The annual show is the premier event for almost 12,000 4-H members across the state who raise and show horses as their 4-H projects.

More than 300 of these young men and women will qualify for this grandest of 4-H horse shows and the opportunity to vie for a coveted state championship. In addition some 400 youth will participate in open show competition.

4-H'ers from across Texas will compete in 28 different classes and divisions during the six-day event.

Actual competition will begin on Tuesday, July 14, with all roping events, hunter under saddle, cutting and the first go-round of all futurities. Roping events include calf roping, a judged event; breakaway roping, a timed event; and team roping, a new event in the 1981 show. Fast-paced action continues throughout the day and into the night as 4-H'ers compete to make the finals in the futurity classes.

Friday night is the payoff time for many 4-H members; that's when the annual 4-H futurity sale is held. Some of the best yearling and two-year-old western pleasure horses available in Texas will be auctioned to the highest bidders.

These horses, selected, purchased and trained by 4-H members, are excellent buys for ranchers, horse producers and pleasure riders.

The sale is open to any qualified buyer, and the entire show, from Tuesday's opening to Saturday's finals, is open to the public.

4-H DOINGS

The 4-H Bike Club and Drill Team met Tuesday for practice. Those attending were Brandon Eddleman, Teddy Hubbard, Rhett Montague, Will Rowell, Terry Juarez, Clay Schott, Neal Edwards, Scotty Harris and Jamie Frizzell.

The next meeting will be Tuesday, July 7, at 9:00 a.m. 4-H is open to all regardless of race, color, sex, socioeconomic level or national origin.

Those having lunch with Mrs. Ollie McMinn Saturday were Mr. and Mrs. Melvin Watkins and Melanie Canyon; Miss Anita Kay Watkins, Amarillo; Travis McMinn, Mr. and Mrs. Dudley McMinn, Lubbock. All attended the Golden Wedding Anniversary Celebration of Mr. and Mrs. Paul Ledbetter Saturday afternoon.

Travis McMinn, Mr. and Mrs. Dudley McMinn spent Saturday night and Sunday with their mother and grandmother, Mrs. Ollie McMinn.

Mrs. Ollie McMinn spent Wednesday of last week in Tulla visiting friends and relatives, including Mrs. Thelma Vaughan and Mrs. Hattie Bradley.

They had lunch at the Senior Citizens Center.

Miss Anita Watkins of Amarillo visited her grandmother, Mrs. Ollie McMinn, Wednesday afternoon.

Motorists Urged To Drive Safely During Holiday

The Department of Public Safety today estimated that as many as 44 persons may die in Texas traffic accidents during the upcoming July 4th weekend unless drivers exercise extreme caution.

Colonel Jim Adams, DPS Director, urged motorists to maintain safe driving habits during the holiday to help minimize the loss of life.

"Texas is well on its way to yet another record year for traffic fatalities," Adams said. "We can put a stop to this dangerous trend if more motorists will slow down, refrain from drinking and use the most readily-available

safety precaution—seat belts."

"In Texas, the chances of being killed in an accident during 1980 were four times greater for persons not wearing seat belts than for those wearing the belts," Adams pointed out. "The odds are clearly in the motorist's favor when everyone in the vehicle remembers to buckle up."

Adams said DPS Regional Commanders will deploy additional troopers where heavy volumes of traffic are expected.

The DPS will be conducting "Operation Motorcade" during the holiday period to call attention to the dangers of holiday driving. The Department will tabulate traffic fatalities and release totals three times daily at 10:00 a.m., 3:00 p.m. and 8:00 p.m. The first report will be made at 10:00 a.m. Friday, July 3.

The 78-hour counting period will begin Thursday, July 2, at 6:00 p.m. and continue until midnight, July 5.

1981 Shaping Up As Very Dry Year

The total rainfall for June amounted to only .88 of an inch, as compared with the 2.40 inches that fell on Silverton during the first 19 days of June in 1980.

Rainfall for the first six months of 1981 has amounted to 5.19 inches, while the rainfall for the same period last year was 10.31 inches. Even though last year was considered a fairly dry year, we were just a little short of the annual rainfall figure.

So, 1981 is shaping up as an

Fifty-two persons died from traffic injuries received during the July 4th holiday period last year. Texas traffic deaths in 1980 totaled 4,424, a record high for the fourth consecutive year.

SOCIAL SECURITY IN BRISCOE COUNTY BY JANICE ULMER

"Money's worth" continues to be a subject of debate regarding social security benefits. Understandably so, when taxes this year can reach almost \$3,000 for a self-employed person earning \$30,000.

Social Security is a social insurance system under which workers and their dependents are insured against the risk of losing earnings as a result of death, disability or retirement. The monthly checks that are paid partially replace lost earnings.

Now I won't dispute the fact

even drier year than 1980 was.

The possibility of afternoon and evening showers is in the forecast through Friday of this week.

that some people are more likely to get a better bargain than others; that is if you can call it a bargain to become disabled at a young age so you can collect Social Security checks for a long time based on a very small tax contribution.

The social insurance feature of Social Security means that the amount of a Social Security check is weighed in favor of the low earner. On the average, a low-earner's Social Security check will amount to about 60 percent of his pre-retirement earnings. The highest earners can expect checks to equal about one-third of their earnings which were subject to Social Security taxes.

Thus, you can see that under our current system the low earner who is married, with a spouse who is not working, and who has several young children, can expect the greatest return on Social Security taxes. Conversely, the unmarried worker with no dependents, paying maximum Social Security taxes throughout a long career stands less of a chance of getting a favorable return on tax dollars paid.

In real life, of course, most people fall somewhere between the two extremes. That's why for the majority, we can expect our money's worth and more from Social Security.

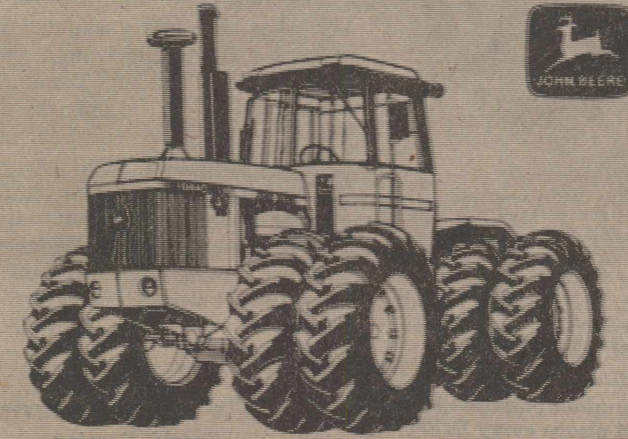

Life expectancy tables show a male at age 65 is expected to live 14 years, a female 18 years. By now it should be clear why people who are currently getting retirement checks receive a total amount equal to 10 times what went to the three separate trust

they paid in taxes.

If you are still skeptical, send me your name and address and I will mail you a booklet called "Your Social Security" along with a list showing the maximum amount of taxes since 1937 as well as the amount of tax that

funds, Old Age and Survivors, Disability, and Hospital Insurance. My address is Social Security Office, 1401-B West Fifth, Plainview, Texas 79072. If you have any questions concerning Social Security, call our toll-free number 1-800-392-1603.

Nothing beats the smoked flavored taste of something from the grill... and no grill can beat the fun, convenience and economy of a versatile gas grill.

Gas Grilling is versatile

You can sizzle a steak, grill a burger, smoke a ham, barbecue a bird, roast an ear, even bake a potato. You can cook many different foods a variety of ways, many at the same time on a versatile gas grill.

Gas Grilling is delicious

You get that great outdoor smoked flavor without the charcoal mess. No lighter fluid is needed and a gas grill requires very little clean-up. There's no wait either, because gas grills reach cooking temperature... fast.

Gas Grilling is economical

You can cook a full family meal for just pennies. Gas grilling costs less than a third of what it would cost on an electric grill and less than a tenth of the cost for charcoaling. A national survey proved it.

Gas Grilling is cooler

It keeps the heat out of the kitchen so your air conditioning won't have to work so hard. That's important during the summer... plus a gas grill is the perfect meal-maker for any season of the year.

And, Gas Grilling is now 20% off

Buy now and you'll save 20%. The purchase price has been reduced 20% but only until August 1, 1981... and you have eight styles and sizes to choose from, with all the features to make grilling fun, convenient and economical.

Ham Announces Sale Of Midway Drive In

The Midway Drive In Theatre, a familiar landmark located halfway between Quitaque and Turkey, has changed ownership after being operated by the Ham family for over 28 years. Built in 1953, the Midway Drive In has run concurrently with the Queen Theatre in Quitaque, the Gem Theatre in Turkey, and the Matador and Roaring Springs Thea-

tres and Drive In.

Clayton, Cleo and Bob Ham purchased the Queen Theatre in Quitaque 36 years ago, and operated the theatres until Clayton passed away in 1959. Cleo and Bob continued to operate the Midway until Max and Anne-Marie Ham purchased it in January 1976.

The Midway has been purchased by Mr. and Mrs. Roy Gene Stephens of Matador. Roy Gene and his wife, the former Joanie Barton, are well known in this area. He was born at Matador, and has lived in Silverton and Turkey. He was graduated from Turkey High School. Both he and his wife attended Texas Tech University in Lubbock. The couple has two children, Amy, age eight, and Tye, age five. The family will continue to make their home in Matador.

The community is saddened to lose a landmark in the Ham family, but it wishes the best to the Stephens family in its new venture.

MARRIAGE SUCCESS

Soap operas and kindred malign influences promote the concept of "falling in love." Many are "vibrated" with mere fickle, foolish, fleshly infatuation (fleeting, too), and this is equated with love. Too often at the marriage 'altar' the motives are immature and unworthy.

Long ago (Gen. 24) Abraham sent his very conscientious servant to find a bride for Isaac. The servant was filled with tre-

Double - Ring Ceremony Unites Couple In Cisco

First Evangelical Methodist Church in Cisco was the scene of the marriage of Miss Deana Diane Duncan and Mitchell Lane Roehr at 2:00 p.m. on May 31, 1981. The Rev. John Clinton performed the double-ring ceremony before two candle stands entwined with garlands of greenery and holding large white candles.

The bride is the daughter of Mr. and Mrs. Lon Duncan of Cisco. Mr. and Mrs. Richard Roehr of Silverton are parents of the bridegroom.

Given in marriage by her father, the bride wore a floor-length white backless gown of satin with dotted swiss overlay. A picture hat framed her face, and she carried a bouquet of daisies.

To carry out bridal tradition, she added an old bracelet, new shoes, a borrowed bracelet and a blue garter.

Attending her friend as maid of honor was Terri Dunahoe of

pidation. How would he find her? Would she come with him? Would Abraham be pleased? Would Isaac like her?

The servant arrived at Nahor and immediately prayed for bride-seeking success: "O Lord . . . grant me success . . . and show steadfast love to my master Abraham."

What about marital love? "Husbands, love your wives, even as Christ loved the church, and gave himself for it." God intends a deep, abiding relationship.

Parents, pray years ahead of time (!) about your child's future companion. Young people, ask God for real "success" in your companion choosing. Let yourself think deeply on the beautiful kind of love Jesus must have had for His church. Pray! Think!

Cisco. She wore a light blue formal gown.

Best man was Mike Martin of Tulia.

Pianist and organist were Gary Fink and Mrs. Chip Lang. They accompanied soloist, Shon Wagner, who sang "Always and Forever" and "Heatwave."

The bride's mother chose a yellow knit street-length dress and added a corsage of white carnations for her daughter's wedding. The groom's mother wore a beige lace street-length dress and a corsage of white carnations.

A reception was held immediately following the ceremony in the Fellowship Hall of the church.

Guests were registered by Kathy Phillips.

The three-tier white heart-shaped wedding cake was served by Olivia Elizalde.

The couple is at home in Tulia where the bridegroom is employed by Don Adams. He is a graduate of Silverton High School, and attended Ranger Junior College and Lubbock Christian College where he played football.

The bride is a graduate of Cisco High School, and is employed by Max Gaffor, ARA Food Service.

REHEARSAL PARTY

A rehearsal party was held the night before the wedding at the White Elephant Restaurant in Cisco.

TWIN SISTERS ATTEND

FAMILY REUNION

Mrs. Fairy McWilliams of Silverton took her mother, Mrs. Molly Morrison, and her aunt, Mrs. Polly Honea, to Abilene last weekend to the home of Mr. and Mrs. Tommy Self. Mrs. Self took the ladies on to Fort Worth where they attended the Weathered Family Reunion.

The twin sisters saw many relatives they had not seen in years. One sister, Mrs. Vina Mae

Coleman from San Francisco, California was present and the sisters had not seen each other in twenty-five years. Another sister, Mrs. Lynetta Montanera of South Carolina Mrs. Honea had not seen in twelve years. They saw many cousins that Mrs.

Honea had not seen in years.

Mrs. Honea and Mrs. Morrison stayed with Mrs. Morrison's son, Horace, and also visited another son, Richard. Richard honored several of the group with a fish fry and homemade ice cream. The Holiday Inn where the

group stayed was unable to accommodate them for meals because there were approximately 200 present, and they had to have reservations at a restaurant to eat.

Mrs. Honea reports they "had a ball" all the weekend.

Public Notice

Aviso Público

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Cards of Thanks

CARD OF THANKS
Thank you for the cards, letters, flowers and visits while I was in the hospital and since I've been home. All are appreciated very much.
Gary Storie

CARD OF THANKS
Thank you very much for the prayers, visits, phone calls and cards while I was in the hospital. You are all the best and truly, truly my friends, I know God will bless you all for the kind and thoughtful hearts that you have.
Your friend,
Van Martin

CARD OF THANKS
Thank you for the prayers, letters and cards while I was in the hospital and for all the food that has been brought in while I was in the hospital and since I have been home.
Thanks to Jerry Patton, Anthony Kingery and Mary Ann Sar-

chet for taking me in the ambulance.

Mr. and Mrs. H. M. Cowell

CARD OF THANKS

We would like to take this way of saying thank-you to all the wonderful people who sent cards, telephoned, visited and said prayers while Ott was in the hospital and since he has been home. Thanks to the church ladies for the beautiful cards and thank you, Blanch.
God bless each and every one of you.
Ott and Dora Belle Perkins

STATEMENT OF INTENT TO CHANGE RATES

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective October 1, 1981. On April 28, 1981, the Public Utility Commission of Texas issued its order in Docket 3690, creating a separate Docket 3861 to consider the impact and effect of the accounting changes ordered by the Federal Communications Commission (CC Docket 79-105). The Federal Communications Commission has changed the method of accounting for inside

SAVE UP TO \$6,000

RED POWER DOLLAR SHOWDOWN

NOW THROUGH JULY 31, SAVE UP TO \$6,000 IN RED POWER DOLLARS WHEN YOU BUY ANY NEW INTERNATIONAL SERIES 86 TRACTORS OVER 100 PTO HP.

If you're in the market for a hard working tractor with hard-to-believe savings, get the Red Edge. Right now, we'll pay you up to \$6,000 in Red Power Dollars when you buy a new International Series 86 Tractor over 100 PTO hp.

Then use your Red Power Dollars toward the purchase of any other new International equipment or parts at our dealership before December 31, 1981. Red Power Dollars may not be applied toward the tractor purchase price.

Or save with a Cash Rebate directly from International Harvester instead of Red Power Dollars when you purchase a qualifying Series 86 Tractor. See the chart for complete Red Power Dollar and Rebate listings. Remember, you must buy and take delivery between May 11 and July 31, 1981.

Big savings on proven performers... see us today for the Series 86 Tractor you need.
