Floydada Girl Is New Miss Mackenzie

Miss Shele Morris, 16-year-old daughter of Mr. and Mrs. Wayne Morris of Floydada, was named Miss Mackenzie 1982 at the conclusion of the Eighth Annual Miss Mackenzie Pageant held in the Silverton School Auditorium Saturday night, September 26. The pageant is sponsored by the L. O. A. Junior Study Club of Silverton for the purpose of promoting unity among the cities of Lockney, Floydada, Tulia and Silverton, which make up the Mackenzie Municipal Water Authority which built Lake Mackenzie to provide water for the four towns.

Miss Morris, who was sponsored by Floydada Seed & Delinting and Sea Victory Racing Farms, in the final moments before being announced as winner of the pageant was asked "Who has influenced your life most and why," nailed down her victory by answering that she has a friend who says she is her best friend because she is honest with her. She continued that the friend "is not able to be in a pageant like this, and I am here tonight for her."

The brown haired, brown eyed beauty stands 6'1" tall. She is the sister of Adeana Morris, who was Miss Mackenzie 1978. Her special interests include fashions, original and custom designing, study of equine genetic procedures in breeding for color, speed and conformation, breeding and racing horses throughout the United States, snow and water skiing and traveling.

She is an officer in FFA, FHA, 4-H, Whirlwind Band and Flag Corps. She attends First Baptist Church where she sings with "The Living Sound." She is an active member of the Texas Quarter Horse and Pacific Coast Racing Associations. She plans to attend college to continue her study of equine genetics, breeding thoroughbreds and quarter horses, and perhaps to become a professor of genetics.

She received a gold chain with diamond necklace and a bouquet of flowers from the sponsoring organization, a \$50 bond from the City of Silverton, and all of the contestants received shirts from the Mackenzie Water Authority Board.

First runner-up in the pageant was Gigi Young, the 18-year-old daughter of Mr. and Mrs. Don Young of Tulia, who was the second runner-up in the pageant last year. Her question was: "Choose a period of time to live in—past or future—and tell why." She replied that she would enjoy the Southern Belle days

because she loves lacy, frilly and fancy clothes.

The brown haired, brown eyed miss stands 5'2" tall. Sponsored by Xi Kappa Gamma chapter of Beta Sigma Phi, she enjoys sewing, snow and water skiing, and being a twirler in the band. She is a member of the National Honor Society, FTA, OEA, Annual Staff, Who's Who Among American High School Students and Society of Distinguished High School Students. She plans to attend college to major in business.

Second runner-up was Lupe Garcia, 17-year-old daughter of Mr. and Mrs. Santos Garcia of Silverton. She was sponsored by Century of Progress Study Club of Silverton. She has brown hair, brown eyes and stands 5'7" tall.

She enjoys being with friends, meeting people and drawing. She is a member of EBLA, FHA and the Pop Squad. She plans to attend West Texas State University following her graduation from high school.

The question she was asked concerned her favorite color, and she replied that she enjoys wearing purple because she feels it looks good on her.

Both the first and second runners-up received gold chain necklaces and flowers from the sponsoring organization.

Chosen by the pageant contestants as Miss Congeniality was Angie Stark, 16-year-old daughter of Mr. and Mrs. Rickie Stark of Tulia. She received a gold chain necklace and a bouquet of flowers.

She has blue eyes, brown hair and stands 5'3" tall. She was sponsored by the Women's Division of the Tulia Chamber of Commerce. She is 4-H president, FTA treasurer, class secretary, 1981 Miss Tulia, and on an FFA judging team. She enjoys playing on the school golf team, showing animals at stock shows, sewing, cooking and is an avid sports fan. She plans to major in ag economics with intentions of becoming a consumer consultant at Texas A&M University following her graduation from high school.

Others chosen as finalists were Melissa Johnson, 17-year-old daughter of Mr. and Mrs. Tom Johnson of Lockney, and Melanie Sturgess, 17-year-old daughter of Mr. and Mrs. Larry Sturgess of Tulia.

Miss Johnson has brown eyes, light brown hair and stands 5'8" tall. She enjoys being a flag carrier for the Longhorn Band, dancing, modeling and photography. She plays flute in the band and

enjoys retail selling. Following her graduation from high school, she plans to attend North Texas State or Texas Tech to major in home economics with a minor in secretarial studies. She was sponsored by Brown's Department Store.

Miss Sturgess was sponsored by the Tulia Lions Club. She has hazel eyes, brown hair, and stands 5'5" tall. Her favorite pastimes include twirling, riding horses, water and snow skiing. She is a member of the Society of Distinguished American High School Students, FHA, OEA, band, All Regional Band, Band Council. She was elected to Who's Who Among American High School Students, was a member of the district championship golf team, and is Tulia Lions Club Queen. She plans to attend Lubbock Christian College.

All 17 of the contestants appeared in blue jeans and white shirts with red bandana ties and sang a medley of Texas songs to open the pageant, theme of which was "Miss Mackenzie—Deep in the Heart of Texas."

Judges for the contest were Joe Provence, Mrs. Freda Provence and Miss Donna Jo Barnes, all of Plainview. Master of ceremonies was Nick Long of Plainview. Mrs. Anne McMurtry was pianist for the pageant, and "Cabaret" numbers, a medley of Texas songs, and Barbra Streisand numbers were sung by Kathleen Duke of Tulia.

Stage ushers were Kerry Baird and Shane Reagan of Silverton. Junior usherettes were Suzann Settle, Katrice Minyard, Tonnelle Miller and Jeannita Stephens, all of Silverton.

The other contestants from Silverton and their sponsoring organizations were Jeni Denton, Progressive Homemakers; Annette Kingery, Jones Dept. Store; Amy Perkins, Lone Star Chemical Company; Jan Reynolds, Nance's Food Store; Stacy Robertson, Silverton Lions Club; Melinda Sutton, Southwestern Extension Homemakers. The other contestants from Tulia were Terri Dulin, Dulin & Reagan Auctioneers; Jennifer Hicks, Howard Wright Chevrolet & Oldsmobile; Melaynee Latham, Sigma Eta Chapter of Beta Sigma Phi; Katie Montandon, Wells Cotton Company; M'Lynda Sturgess, Hap Rogers Insurance Agency.

Door prizes were donated by Brown Implement, Pizza Gold, Arwine Drug, and Sue's Gifts, all of Floydada; Mize Pharmacy & T.V., Rowell's This 'n That, Brown's Department Store, Schacht Flowers, Jewelry & See MISS MACKENZIE—CONTINUED ON PAGE FOUR

Owls Break Into Win Column

Silverton's Owls blocked a field goal attempt, drove 48 yards for a touchdown and made a two-point conversion in the final two minutes of the game Friday night to steal a homecoming win away from the Tigers at Groom.

Silverton got on the board first when Gary Juarez went in from eight yards out with 2:51 remaining in the first quarter. The score came following a Groom fumble that was recovered by Clifford Clardy on the Silverton 39 yard line. The point after was kicked by Michael Hill and the Owls led 7-0.

Early in the second quarter Groom crossed into the end zone to tie the score 7-7. The play went around left end on a pitch-out and scored from the two yard line with 9:32 left in the first half.

The teams traded turnovers for the remainder of the half and the score stayed tied until, with 8:53 left to go in the fourth quarter, Groom scored again. The pitch was taken around right end and scored from four yards out. The point after was good and Groom took what seemed to be a commanding lead.

With 2:05 remaining, Groom tried to add to their lead with a 41-yard field goal attempt. But Michael Hill broke through the line and blocked the try. Then it became the Casey Bean show. Bean was quarterbacking in the place of Shane Reagan, who broke a finger in practice last week, and did an outstanding job on the final drive. He threw passes of 21 and 30 yards, the last of which was to Clifford Clardy for the touchdown. Bean then ran the option to his right, kept the ball and scored the two-point conversion to give Silverton the lead with 1:17 remaining in the game.

Groom got the ball back with 1:10 left and one last chance. But Bean wasn't finished yet. When Groom's quarterback went back to pass, Bean stepped in front of the would-be receiver and intercepted the ball and put the game on ice.

"This is just what our team needed," said Coach Joe Stubblefield. "All they needed in order to win was to have confidence in themselves and this game should give it to them." He was very pleased with the way Bean took charge on the final drive. "Bean did just what the team needed him to do—he went out and took control."

Highest grading lineman was Eric Patton. He and Jim Estes

both graded over 80%. Highest grading back was Bean. Leading tackler was Estes with 14. Shane Reagan played a good game on defense, possibly his best. Gary Juarez rushed 19 times for 52 yards to lead the offense. Craig Patton gained 42 yards and Bean rushed for 36 yards.

Silverton made 12 first downs as compared with 17 for the Tigers. The Owls rushed for 126 yards and passed for 69 yards for a total offense of 195 yards. Groom rushed for 167 yards and passed for 77 yards for a total offense of 244 yards. Each team lost one fumble and the Owls were intercepted three times while grabbing off one interception for themselves.

The Owls will host Kress Friday night at 8:00 o'clock. "Kress won their first game last week," Coach Stubblefield said. "They have been playing AA schools. They are a big bunch again this year with a heavy line. They have their fast end back who caught about six passes against us last year and also the quarterback that we helped make all district last year after their starting quarterback got hurt in our game."

Jerry Lewis Telethon Raises \$31.49 Million For Muscular Dystrophy

Silverton citizens pledged approximately \$532 during the Sixteenth Annual Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association. Nationally, over \$31,498,772 was pledged.

Hosted again by Jerry Lewis, MDA National Chairman, the 21½-hour entertainment marathon featured some of the most popular personalities in show business including stars of TV, film, stage and the concert world—all of whom contributed their talents to help in the fight against muscular dystrophy and related diseases. Ed McMahon served as Lewis' anchorman for the ninth straight year, backed up by David Hartman, host of "Good Morning America" and Hollywood's Chad Everett.

KFDA Channel 10 carried the local portion of the show. The supershow began at 8:00 p.m. Sunday and went off the air at 6:30 p.m. Monday. The Silverton pledge center was located at the First State Bank under the direction of coordinators Lois Hill and Betty Stephens. Special

MDA events taking place in Silverton during the Labor Day weekend included the Fishbowl, door-to-door drive and canisters.

Proceeds from the Telethon help fund over 750 individual neuromuscular research projects throughout the U. S. and abroad; 10 major university-based research centers; 230 free diagnostic and treatment clinics, summer camping programs, and professional and public education.

AS A MAN THINKETH

Gerald Beasley

SIN IS DECEITFUL

Says Alexander Pope:

"Vice is a monster of such hideous mien,
 That to be hated needs but to be seen;
 But seen too often, familiar with her face,
 We first pity, then endure, then embrace."

Vice has ceased to shroud or veil itself. Homosexuals openly and boldly parade. Profanity has stalked out of the locker room to invade every area of a blushing society (see Jeremiah 6:15). Young people blatantly live in adultery. Women confess their abortions and urge the practice. Everywhere children's eyes feast on flagrant pornographic materials.

"... they display their sin like Sodom; they do not even conceal it. Woe to them! for they have brought evil on themselves" (Isa. 3:9).

Of practitioners of "vile passions" and illicit relationships it is said that "God gave them up unto a reprobate mind" (Rom. 1:22-32). What a terrible state! Sin is deceitful. Think!

"... sin is a reproach to any people," but "Righteousness exalteth a nation" (Prov. 14:34).

TIME TO THINK SMALL

"Small, compact, efficient, economical" are new words on housing to replace the "big thinking" we Texans have always done.

With rising costs for building, home maintenance, and heating and cooling, more people are realizing that "big is not always better."

In 1979, homes averaged 1700 square feet. Today's figure has dropped to around 1400 square feet or less. On a home tour in Lubbock last fall I saw many new homes that were only slightly over 1200 square feet. Yet they were well planned and appeared spacious.

A typical family house now costs upward of \$40 per square foot. Land costs in many areas may account for up to 25 per-

cent of a new home's price. We are fortunate that land can be obtained in our county for home construction at a more reasonable price.

Smaller homes are usually more efficient to operate and maintain. When efficiently designed, less heat is lost in the winter and less energy is needed for cooling in the summer. Maintenance and repairs should also be less.

With family size decreasing less space is required for living. "Open planning" designs and multi-purpose rooms will make the smaller home more efficient. After all, how many of you really use a living room, dining room and den? Wouldn't a well planned "family room" serve the same functions as the other three rooms?

To make small areas appear larger, designers chose light colors, mirrors and reflective surfaces, murals, and other designs that give the illusion of space. At the Lubbock home tour I saw more light colored walls and kitchen cabinets and less dark paneling.

HARRIS GIN

Jack McFall, ginner, is shown at the control panel of the Lummus

Cotton Module Feeder which has been installed at Harris Gin.

The Lummus Cotton Module Feeder at Harris Gin will be in

operation for the first time this season.

With cotton harvest nearly upon us, prospects for a good crop are favorable. We at Harris Gin have been preparing for a fine year for the Producer.

Through our effort to provide you, the Producer, with the most complete ginning system available, we have made another addition to our plant. The installation of a Lummus Module Feeder will allow us to handle your cotton more efficiently, saving you time and money.

As last year, we will have two module trucks running, to insure a quick pick-up from your field. You will also have access to the Telcot Marketing Service to enable us to get the best possible price for your cotton.

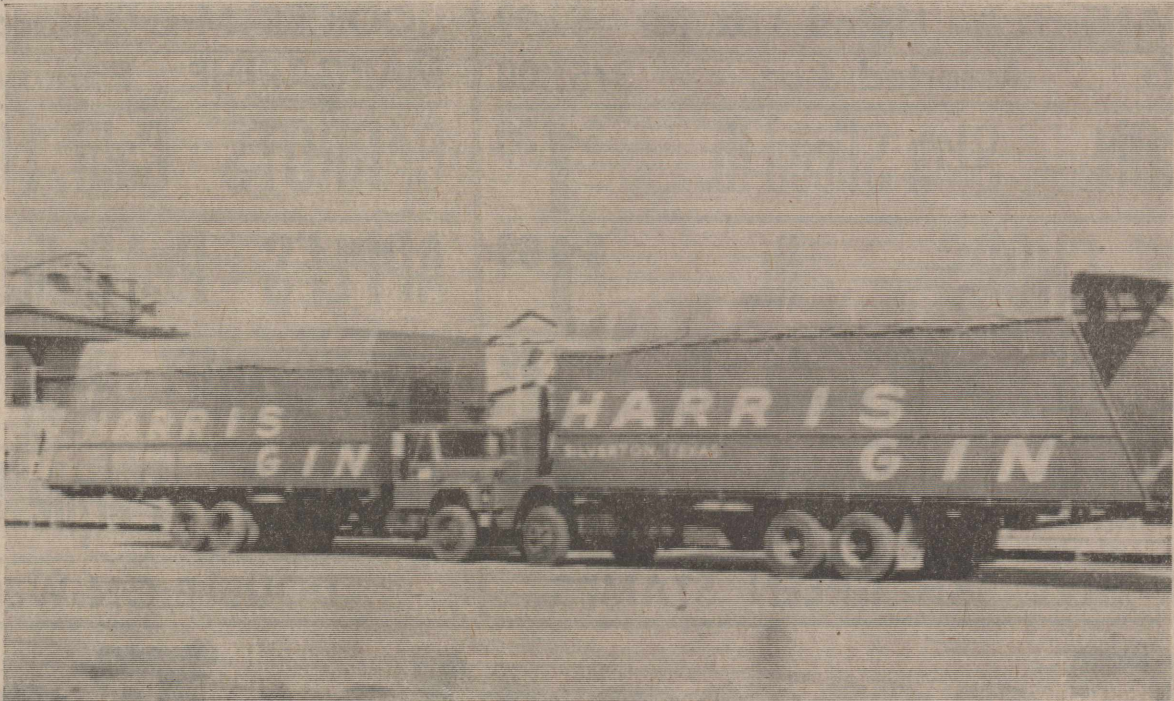

Your business and friendship is important to us. So come by the office for coffee and doughnuts and let us show you around.

Thanks,
Riley and Sandy Harris

Sandy and Riley Harris, owners, are pictured in front of Harris

Gin. They invite you to join them Friday for Open House.

Harris Gin's module hauling trucks are ready to roll to the

field to pick up cotton during the harvest.

DIRECTOR TO BE ELECTED FOR SCS ZONE 3

An election for a director to serve in Zone 3 on the Caprock Soil and Water Conservation District Board is scheduled for October 15 at the Briscoe Co-op Gin, announced C. L. Sutton, chairman of the board. The election will be held at 9:00 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the sub-

division where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 3 of the district includes the area in Briscoe County that is south of Highway 86 and west of Highway 207.

Current members of the board of directors of the Caprock SWCD are Jarus Flowers, Murry Wayne Morrison, Don Burson, Jimmy Myers and C. L. Sutton, chairman.

The purpose of the Caprock SWCD, with headquarters in Silverton, is to promote sound soil and water conservation programs on farm and ranch lands

within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

4-H Club DOINGS

Youth who plan to join 4-H need to sign an enrollment form. The forms may be picked up in the Extension Office in the Courthouse or from Kathy Friz-zell, organizational leader.

Mr. and Mrs. Dana Martin, Mrs. Leona Vardell and other relatives were at the bedside of Mrs. Steve (Marsha) Green of Plainview at Methodist Hospital in Lubbock Tuesday as she continued to undergo tests. She has been in the hospital for a week. She is in Room 434 and will appreciate cards from her friends.

Mr. and Mrs. Mike Grady and baby of Dumas visited their parents, Mr. and Mrs. Cletus Grady and Mr. and Mrs. Leo Fleming, other relatives and friends over the weekend.

Christi Lusk, daughter of Mrs. Jane Bertram of Amarillo and granddaughter of Mrs. Leona Brooks and Mr. and Mrs. Jim Brooks of Silverton, is majoring in art at Amarillo College. She received third place in the adult division at the Tri-State Fair in Amarillo last week.

Mr. and Mrs. Morris Moreland and Brenda of Amarillo visited his parents, Mr. and Mrs. M. G. Moreland, Sunday. Mr. and Mrs. M. G. Moreland had returned home from Lubbock last Thursday after he had spent five days at St Mary's Hospital and another five days recuperating in the home of their son-in-law and daughter, Mr. and Mrs. Bill Cox.

Adults who will help with a 4-H project need to contact Extension Agents Earnest Kiker or Lynda Fogerson.

A leader for the food and nutrition project is needed immediately since this project is conducted in the fall with a county food show in November. Only six meetings are required for a project. If you can help with this or other projects, call 823-2343.

SPECIAL CAMPAIGN

PLANNED BY

JEHOVAH'S WITNESSES

Information and special magazines covering the latest divisions that have developed among evolutionists and recent developments of some to push the teaching of "scientific creationism" in the schools are being introduced by local Jehovah's Witnesses during September and October.

According to Rex Tiffin, Presiding Overseer of the local congregation of Jehovah's Witnesses, "This information is very timely, not only for the public in general, but also to all school students and others who are involved in the school system."

Campaigns to get "scientific creationism" taught along with evolution in science classes in the public schools have been introduced by as many as 40 state legislatures. The issue has been argued in court, and textbook changes have been made. Arkansas has passed such a law, and the issue is also being debated in Canada.

Mr. Tiffin said, "The controversy has made headlines in newspapers across the United States. Many basic questions are considered in the special articles being distributed by the Witnesses. The public is urged to take advantage of opportunities to avail themselves of these articles."

Silverton Group Returns From Brazil

Six members of the First Baptist Church recently joined almost 200 other Texas Baptists from the Panhandle-South Plains region in a week-long crusade in the churches in Recife, Brazil. The crusade was an important part of the ongoing Mission to Brazil effort, a mission combining the efforts of Texas and Brazilian Baptists. The unique partnership ministry was begun last year and concludes in October of 1982, the centennial of Baptist work in Brazil, with a goal of Brazilian Baptists to double their membership to one million persons and double their churches to about 8,000. Teams from the 35 individual Texas Baptist Churches from this region worked with individual churches in Recife, a city of about 2.5 million in the metropolitan area in revival meetings, home visitation, preaching services at mission points, tele-

vision and radio appearances, and other pre-arranged activities.

The Silverton group included Rex and Theta Holt, Lottie Garrison, Jimmy Burson, Gary Juarez, and Pastor Royce Denton. They will make a presentation of their trip using slides and testimonies Sunday evening, October 4, from 5:00 until 7:00 p.m. at the First Baptist Church.

The crusade began with a rally in a large indoor arena and concluded with a tearful "farewell" meeting at one of the larger churches, followed by a sendoff at the airport.

The Texas delegation stayed in two hotels but most ate lunch and dinner in homes of host church members. Mornings and afternoons were spent in visitation and witnessing in all sectors of the community including homes, schools, businesses, parks, and any other place where people gathered. Personal testimonies printed in Portuguese with a list of questions leading persons to make a commitment to accept Jesus Christ as Saviour were widely used in witnessing.

To a person, the Texans marveled at the openness of the Brazilians to the gospel, their eagerness to hear the message of Christ, and the personal warmth and affection they showed their Texas visitors. "The results (some 5,500 persons indicated they were accepting Christ with many making their profession of faith public in the churches) were greater than I ever dared hope," said James Lunsford, a former missionary to Brazil.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.
