

Award - Winning Film To Be Shown

"No Longer Alone," winner of three prestigious film-industry awards, will be shown on Sunday, October 25, at the First United Methodist Church in Silverton. The showing, open to the public free of charge, is scheduled to begin at 6:00 p.m.

The film, a true story, takes a close look at a woman who was searching desperately for love and acceptance, but whose cries went unheard by those who surrounded her.

Originally released by World Wide Pictures in commercial theatres, the film is now one hour in length in preparation for its eventual presentation as a television special.

"No Longer Alone" traces the life of an English actress, Joan Winmill Brown. Though she skyrocketed to fame on the British stage, her life was marked by a frantic grasp for personal fulfillment and love. Tormented by a past she was unable to forget, she succumbed to a series of nervous breakdowns; and, at one point, attempted to take her own life.

In her ultimate moment of despair, Joan was invited by a "chance" phone call to attend a Billy Graham crusade. It was here that she first discovered her worth as an individual and began her long struggle to piece her shattered life back together.

Those who have followed Billy Graham's ministry will be interested to know that Dr. Graham appears in the film in some of the footage of his 1954 London Crusade, and also in the introduction and conclusion to the film, photographed recently for this special version.

According to William F. Brown, President of World Wide Pictures, "No Longer Alone" was presented with the Award of Excellence from the Film Advisory Board of Hollywood, as well as the Angel Award from Religion in Media in America, as the outstanding religion film of the year. It also received the Silver Halo Award from the Southern California Motion Picture Council.

"No Longer Alone" was filmed in color on location in London, and stars Belinda Carroll, Wilfrid Hyde White, James Fox, Samantha Gates, and Gordon DeVol. Simon Williams, who has one of the leading roles in the BBC production, "Upstairs, Downstairs," also stars in the film. The title song was performed by the popular recording artist, B. J. Thomas.

Though the film is being shown free, a place will be provided in the church vestibule for donations to defray the cost of showing the film. Envelopes will be provided for those who give \$5.00 or more, and each one who donates \$5.00 or more will receive a free copy of the book, "No Longer Alone."

INFORMATION DAY SET FOR PROGRAM BUILDING COMMITTEE MEMBERS

Briscoe County Program Building Committee Meeting will be Tuesday, October 27, at 7:30 p.m. in the Pioneer Room at First State Bank in Silverton.

There will be an Executive Committee Meeting at 7:30 p.m. and an Overall Annual Meeting at 8:00 p.m.

All 4-H, Agriculture, Community Resource Development, and Family Living Committee members are urged to attend this meeting.

The agenda will include election of new officers, reports from committees, review of standing rules, review of long-range county program, discussion of the Extension programs for 1982, discussion and planning of Information Day, and providing training for new members of the Program Building process.

NEW ARRIVAL

Mr. and Mrs. Victor Weaks are parents of a daughter, Misti Mae, born Monday, October 19 at 1:45 a.m. at Lockney General Hospital. She weighed seven pounds and seven ounces and was 21 inches long.

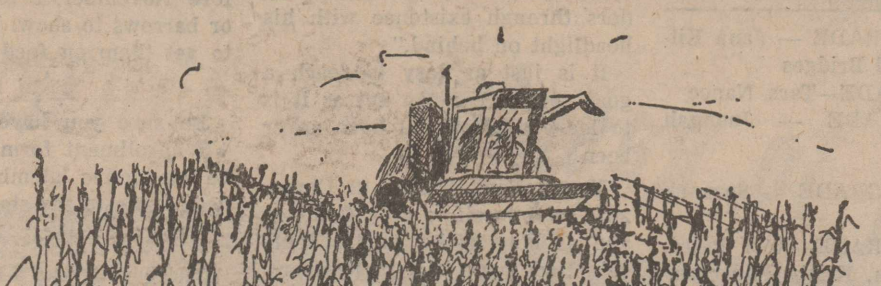

She has one brother, Jeffrey, who is two years old.

Grandparents are Mr. and Mrs. Bill Boling and Mr. and Mrs. Oscar Weaks, all of Silverton.

Great-grandparents are Mrs. Marie Boling and J. H. Wesley, both of Silverton, and Mrs. Olga Weaks of Friona.

VOLUME 73 NUMBER 43

THURSDAY, OCTOBER 22, 1981

Dani Whitfill (standing right) was presented as the 1981 Football Queen in pregame activities Friday night. The other candidates were (counterclockwise) Amy Perkins, Lisa Lavy and Alesha Patton.

Briscoe County News Photo

Dani Whitfill Is Football Queen

Dani Whitfill, daughter of Mr. and Mrs. Rusty Whitfill, was presented as the 1981 Football Queen during pregame activities here last Friday night. She received the traditional football helmet crown, a bouquet of flowers, and a congratulatory kiss from Jim Estes.

The other candidates nominated by the football team were Alesha Patton, Freshman, daughter of Mr. and Mrs. J. E. Patton; Lisa Lavy, Sophomore, daughter of Mr. and Mrs. Leon Lavy, and Amy Perkins, Junior, daughter of Mr. and Mrs. Donnie Perkins.

Following the crowning of the Football Queen, the Owls lost their game to Happy, 32-14.

The Johnson brothers, who had transferred to Happy High from Cotton Center just 31 days prior to the game, led the Cowboys to victory over the Owls, one playing in the line and the other as a running back. "A player isn't eligible for his first 30 days at a new school, and we just happened to be the first team on their schedule after the expiration of that time," said Coach Joe Stubblefield.

Halfback Jamey Johnson ran 148 yards on seven carries and scored three touchdowns to headline the Happy victory.

The Happy offensive attack resulted in a total of 254 yards rushing, while the Owl defense held Happy to a mere 17 yards in the air. (The previous week the Cowboys had passed for 325 yards against Valley.) Silverton came up with 124 yards rushing as Gary Juarez exploded for 99 yards on 17 carries. Juarez was also the leading tackler with 10 to his credit.

Warren Jarrett intercepted a pass and ran for 21 yards to the endzone for the Owls' first score. Teammates Casey Bean and Shane Reagan each grabbed an interception as well, one of which set up Silverton's only other score in the third quarter as Juarez ran 10 yards for the touchdown. Michael Hill booted the PAT following both of the Owl touchdowns.

Reagan hit four of 14 passes for 44 yards to bring the total Owl offense to 168 yards. Happy's total offense amounted to 271 yards.

Silverton made 12 first downs in the game as compared with 11 for the Cowboys. The Owls

were intercepted twice, and the Cowboys had three aeriels stolen.

The halftime score was 12-7, and at the end of three periods the score stood at 18-14, but the Cowboys added two more touchdowns in the fourth period to ice the victory.

The Owls travel to Valley Friday night to try the always-powderful Patriots. "They are good again this year, but in the Silverton - Valley rivalry our boys usually respond with a good game," Coach Stubblefield said. "Our kids usually get up pretty high for these Valley games."

The Valley Seniors will be serving a fish fry in the Valley Cafeteria from 5:00 until 7:00 p.m., and are inviting Silverton fans to attend. Cost will be \$4.00 per plate. Game time is 7:30 p.m.

The Motley County Matadors slipped a couple of notches in the Harris poll last week after their game against the Owls, and could find very tough opponents in Happy and Valley before the zone championship campaign ends.

The Junior High Owls lost their game 12-6 at Happy last Thursday afternoon when, as Coach Stubblefield put it, "catastrophe struck."

Sloan Grabbe, the team's center, broke his hand (not a football related accident) last week, and the team didn't have time to work out with a new center before the game at Happy.

Russell Simpson scored on a 65-yard run to put six points on the board for the Owls. Then on the Owls' next possession, Daniel Rodriguez scored on a 70-yard run, but this was called back, "and that was the last snap we took," said the coach. It started raining after Daniel's run, and the players weren't able to hold on to the ball for another score.

TODAY
The Junior High Owls will be hosting Valley at 5:00 p.m. today. This will be the third time this season the two teams have played, but by earlier agreement the game today is their district game.

YOUNG FARMERS MEET TONIGHT

The Silverton Young Farmers will meet Thursday, October 22, (tonight) at 8:00 p.m. in the ag shop.

Food Processor To Be Discussed During Program

"Festive Foods with a Food Processor" is the program scheduled for 11:00 a.m. Wednesday, October 28, in the kitchen of the school homemaking department in Silverton.

The program, to be presented by Joy Parnell, home economist with Southwestern Public Service in Lubbock, is sponsored by the Texas Agricultural Extension Service.

The program will include information on the features and general use of a food processor and will feature holiday foods that can be prepared using this appliance.

Employed homemakers are invited to bring a sack lunch and come by during their lunch hour to sample the food, pick up recipes, and ask questions about the appliance.

There is no charge. Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

SOPHOMORES TO SERVE HAMBURGER SUPPER

The Sophomore Class will serve a hamburger supper Friday, October 30, before the Silverton vs. Lazbuddie football game. Serving will be from 4:30 until 7:30 p.m. in the school cafeteria.

The hamburgers will be cooked outside on the grill, and will be served with fries, homemade pie and tea.

Tickets in advance from any member of the Sophomore Class will be \$3.00 for adults and \$2.00 for children. At the door tickets will be \$3.50 for adults and \$2.50 for children.

Silverton Volunteer Ambulance Service answered a call to the Marathon Oil Company's G. Mayfield wildcat No. 1 Saturday where two of the workers had been injured when struck by some equipment. They were taken to Amarillo for x-rays, and are recovering with no broken bones. Both received painful deep bruises.

One of the workers asked that his appreciation be expressed to the ambulance service for its quick response to the scene. "It seemed like we had just hung up the phone from calling for an ambulance when it was there," he said.

Homer Stephens was reported to be doing better at Methodist Hospital in Lubbock Tuesday.

1982 Cotton Quota Acreage Allotment Announced

The U. S. Department of Agriculture has set the 1982 upland cotton national marketing quota at 14,666,667 bales and the national acreage allotment at 16,000,000 acres.

To become effective, marketing quotas must be approved by two-thirds of the producers voting in a referendum held not later than December 15. If approved, quotas would limit the quantity of cotton which a producer could market without penalty. The date for this referendum will be announced later.

According to Everett Rank, administrator of USDA's Agricultural Stabilization and Conservation Service, USDA is required to set a marketing quota for the next crop of upland cotton whenever the current year's total supply is projected to exceed the normal supply. Rank said recent projections indicate that a marketing quota is required under the statutory formulas.

Rank said the amount of the

national marketing quota corresponds to the national acreage allotment of 16,000,000 acres, which is the minimum allowed by law. If, in the absence of new legislation, individual allotments were made effective, producers would have to plant within their allotments to be eligible for price support benefits, he said.

Rank said legislation currently under consideration in Congress could suspend permanent legislation, eliminate marketing quotas for the 1982 crop and make the referendum unnecessary. He said he was not making any other upland cotton program decisions at this time because the expected new legislation would also make them unnecessary.

If it becomes necessary to make further program announcements concerning quotas and allotments for the 1982 crop, they will be made before the referendum is held, he said.

Halloween Royalty To Be Crowned October 31

The Silverton Chapter of Future Homemakers of America will sponsor the annual Halloween Coronation at 7:00 p.m. on Saturday, October 31. Please plan to attend to vote for the candidates of your choice and help out the Future Homemakers.

A Halloween Prince and Princess will be elected from the first eight grades, and a Halloween King and Queen will be elected from the high school by ballots cast by those attending the coronation ceremony.

Candidates for Princess and Prince are Billie Ann Abbott, daughter of Mr. and Mrs. Tommy Abbott, and Dusty Martin, son of Mr. and Mrs. Gary Martin, First Grade; Heather Kitchens, daughter of Mr. and Mrs. Joe Kitchens, and Langdon Reagan, son of Mr. and Mrs. Bennie Reagan, Second Grade; Mona Stafford, daughter of Mrs. Gary MacMullin and Freddy Stafford, and Blake Eddleman, son of Mr. and Mrs. Randall Eddleman, Third Grade; Angie Aguilar, daughter of Mr. and Mrs. Manuel Aguilar, and Tony Aday, son of Mr. and Mrs. Charlie Cabello, Fourth Grade; Monica Abbott, daughter of Mr. and Mrs. Tommy Abbott, and Mitchell Clardy, son of Mr. and Mrs. Charlie Clardy, Fifth Grade; Shannon Bingham, daughter of Mr. and Mrs. Roy D. Wood, and Cipriano Garcia, son of Mr. and Mrs. Ramone Garcia, Sixth Grade; Lydia Aday, daughter of Mr. and Mrs. Charlie Cabello, and Fred Moreno, son of Mr. and Mrs. Fred Moreno, Seventh Grade; Shavonne Lowrey, daughter of Mr. and Mrs. Gordon Lowrey, and Ronnie Denton, son of Rev. and Mrs. Royce Denton, Eighth Grade.

Scepter and crown bearers for the coronation of the Prince and Princess will be Leslee Weaks, daughter of Mr. and Mrs. Gary Weaks, and Colby Self, son of Mr. and Mrs. Marvin Self. The crown and scepter will be presented by Scotty Harris, son of Mr. and Mrs. Riley Harris, and Kori Baird, daughter of Mr. and Mrs. Jerry Baird.

The candidates for Halloween Queen and King are Soledad Garcia, daughter of Mr. and Mrs. Ramone Garcia, and Carman Juarez, son of Mr. and Mrs. Henry Juarez, Freshmen; Lisa Lavy, daughter of Mr. and Mrs. Leon

Lavy, and Jim Forbes, son of Mr. and Mrs. Doug Forbes, Sophomores; Jeni Denton, daughter of Rev. and Mrs. Royce Denton, and Bob Arnold, son of Mr. and Mrs. Walter Arnold, Juniors; Dani Whitfill, daughter of Mr. and Mrs. Rusty Whitfill, and Jim Estes, son of Mr. and Mrs. Dewey Estes, Seniors.

Scepter and crown bearers for the King and Queen will be Ashleigh Wyatt, daughter of Mr. and Mrs. John Wyatt, and Matt Francis, son of Mr. and Mrs. Danny Francis. Presenting the crown and scepter will be the

Brandon Sarchet, 2½-year-old son of Mr. and Mrs. Ken Sarchet of Lubbock, shows you his personal alarm clock to remind you that daylight saving time ends at 2:00 a.m. on Sunday, October

Halloween Carnival Is Saturday, October 31

The Progressive Homemakers will sponsor the Halloween Carnival Saturday, October 31, following the Halloween Coronation.

Admission will be 25c for students and adults.

Anyone interested in having a booth needs to call Denise Kelum, 847-2574. Everyone is welcome to participate in the carnival.

Silverton Football Fans Invited To Fish Fry

Silverton football fans are invited to attend a fish fry from 5:00 until 7:00 p.m. Friday in the Valley School Cafeteria. Price will be \$4.00.

The event will be sponsored by the Senior Class of Valley High School, and will precede the Silverton vs. Valley football game.

Annual Bazaar to be Held At Quitaque

The Quitaque Annual Bazaar will be held November 21. Booths will be available for any individual in arts, crafts and handwork.

If interested, contact Donna Stark at 455-1260.

Blood Pressure, Diabetes Clinic To Be Held Here

Texas Department of Health Region I will conduct a blood pressure and diabetes clinic beginning at 2:30 p.m. Thursday, November 5, at the Silverton Senior Citizens Center.

The clinic will be open to the public. There will be no charge. 43-2mc

Mr. and Mrs. Tommy Sherman of Lockney are the parents of a son born at Lockney General Hospital a few days ago. Mrs. Sherman is the former June Moosburg, who taught in the Silverton Schools before moving to Lockney.

FFA Vice President, Rank Cogdell, son of Mr. and Mrs. Billy Cogdell, and the FHA President, Cynthia Edwards, daughter of Mr. and Mrs. Harold Edwards.

25. If you don't remember to turn back the hands of your clock one hour before going to bed Saturday night, you could be really early for Sunday School. Briscoe County News Photo

Some live without purpose or meaningful goals. There is little thought of proper direction in their lives. "The doodlebug always walks backwards." Too, "the lightning bug is brilliant, but he hasn't any mind; he blunders through existence with his headlight on behind."

It is just as easy to reach a goal you have never set as it is to leave a place you have never been.

Young King Uzziah (2 Chron. 26) "set himself to seek God . . . and as long as he sought Jehovah, God made him to prosper." Sad to say, his goals became vainly materialistic, thus "his heart was lifted up, so that he did corruptly . . ."

One time a farmer sent his son out to lay by the corn. Checking up, the farmer saw the boy thrashing wildly about the field, leaving many tender stalks destroyed. He was chasing a lizard.

What senseless, goal-less acts are consuming our time? . . . press on toward the goal

4-H DOINGS

Fall is here—stock shows are just around the corner. Steer, lamb and barrow projects are underway. There's still time before November 1 to buy lambs or barrows to show. But it's time to get them on feed.

Be sure you have signed the 4-H enrollment form so you will be an active member and can participate in the stock shows.

There will be a 4-H and Youth Committee, 4-H Booster Parents, and 4-H regular meeting on Monday, October 26, in the Pioneer Room at First State Bank in Silvertown beginning at 7:00 p.m.

The meeting agenda will include: 4-H Ski Trip Committee Report, Christmas Party Planning, 4-H Banquet Planning, Re-into the prize of the high calling of God in Christ Jesus."

Keep Your Child From Choking

Halloween brings ghosts, goblins and, sometimes, real danger. The American Lung Association of Texas warns about one danger for children—the risk of choking on holiday treats such as candy corn, hard candy, and peanuts.

At Halloween, children go door-to-door "begging." Parents should insist youngsters bring the goodies home for inspection. For the youngest—two, three or even four years old—some of the candy can be divided or mashed before eating.

The chewing and swallowing muscles of young children may not be sufficiently developed to cope with certain treats. Choking can result. Halloween goodies also may "go down the wrong way," and lodge in the lung instead of the stomach. This is called aspiration. A "foreign object" of any kind in the lung can cause life-long problems. At times, surgery for removal is required.

The best warning is: be sure children are old enough to chew and swallow correctly before trusting them with small, hard bits of food. Parents should always be on guard against "small objects" getting into the hands of children, particularly those young enough to want to put everything into their mouths. Choking, blocked air passages, even aspiration of the lung can result.

Moreover, such items as eyes and buttons that might come loose from dolls, or wheels from toy cars are dangerous. Set a good example. Don't put anything but food into your own mouth. Keep the coffee table clear of small objects a child might reach for . . . and ask your Lung Association for the leaflet: "Keep Your Child From Choking."

Write the American Lung Association of Texas, 7701 North Lamar Boulevard, Suite 104, Austin, Texas 78752-1088 or call 512 458-2206.

Electricity.

Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

Lubbock To Host

Texas 4-H Rabbit Show

Hundreds of dollars in prize money, more than 20 trophies and scores of ribbons will be awarded when young rabbit breeders from across the state converge on Lubbock October 24 for the 1981 Texas 4-H Rabbit Show.

The event is open to any 4-H, Future Farmers of America or American Rabbit Breeders Association Youth member, said Dr. John T. Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service.

There will be 18 classes for bucks and does maturing at eight pounds or more, breeds maturing at less than eight pounds, and fur classes.

The event, an official ARBA Youth-sanctioned affair, will be held in the Rabbit Building of the Panhandle-South Plains Fairgrounds in Lubbock. All rabbits must be in the showroom and entered by 8:00 a.m. Saturday,

October 24. Judging will begin at 8:30 a.m.

Show catalogs and entry blanks are available at County Extension Offices throughout the state. Deadline for regular entries is midnight October 10. Late entries will be accepted no later than noon Thursday, October 22, at the contest office in Lubbock and must include a late fee for each entry.

Judges for the show will be Barry Ward of Fort Worth and Steve Jones of Odessa.

An awards banquet at 6:30 p.m. October 24 will conclude the annual event.

HOSPITAL GETS \$100,000 GIFT

A \$100,000 gift has been received by Scott and White Memorial Hospital from the Martha Ann Cogdell Hospital Trust. The gift was made in response to the Temple hospital's \$25 Mil-

lion Expansion Fund and will be used for capital building projects.

Dr. Richard D. Haines, president of Scott and White Memorial Hospital and Scott, Sherwood and Brindley Foundation, in announcing the gift said, "Once again Scott and White is the recipient of a fine gift from the Cogdell family. This West Texas family has been extremely generous to us, beginning with the original gift in 1960 of Mr. and Mrs. D. M. Cogdell, sr. We are most grateful for their help."

The Advisory Board of Directors of the Martha Ann Cogdell Hospital Trust, who authorized the gift, are Mr. and Mrs. D. M. Cogdell, jr., of Lockney, Mr. and Mrs. Billy Cogdell and Mrs. E. A. Birdwell of Silvertown.

The Martha Ann Cogdell Hospital Trust Fund was created by the late D. M. and Johnnye Kate Cogdell, ranchers from Snyder. The trust is named for their daughter, Martha Ann, who died at the age of 13. West Texas hospitals, clinics and educational institutions have been the recipients of grants from the trust.

This contribution brings the total gifts from the Cogdell family to Scott and White to \$675,000. In 1960, Mr. and Mrs. D. M. Cogdell, sr. gave the first gift to help establish the Radiation Therapy Department at Scott and White. In 1975, the trust made a \$250,000 grant to Scott and White to fund the installation of a new EMI Brain Scanner, and in 1979 a \$100,000 gift for a linear accelerator to be used in cancer therapy treatment.

Briscoe 4-H Pig Sale

Brings Quality Barrows

Approximately 250 people were on hand for the Briscoe County 4-H Pig Sale Tuesday night of last week. Approximately \$8,000 was spent on 74 head of barrows, averaging \$106 per head.

Grand Champion barrow was a Hampshire which was sold by Mike Graham for \$200.

The Reserve Grand Champion, a Duroc, was sold by Weldon Walsher and family for \$190.

The breed champions, their owners and selling prices were: Chester—T. J. Pettitt, \$160; Spot—Danny Thomas, \$60; York—Cooper and Sons, \$160; Crosses—Mike Graham, \$120.

The Reserve Breed Champions, their owners and selling prices were: Chester—Joe Rexrode, \$110; Duroc—James Reeves, \$110; Hampshire—Rim-

Rock Show Pigs, \$180; Spots—Danny Thomas, \$70; Yorkshire—Michael Reeves, \$90; Crosses—Thomas Pettitt, \$185.

APPRECIATION

The 4-H'ers, their leaders, parents and the Extension Agents have asked that their appreciation be expressed to everyone for supporting the Pig Sale. Special thanks to George Martin, the FFA boys and girls, 4-H Adult Leaders, Silvertown Young Farmers, Auctioneers Bennie Reagan, Jack Dulin and Mervin Evans, Seth Ralston, Farmer County Extension Agent, Secretaries Iwona Bogs and Marjorie Dulin, Ray Thompson Implement Company, Silvertown Schools, City Hall, First Baptist Church, and the County Commissioners Court for their support of the Extension program.

Plans Being Made For

Cattlemen's Round-Up

As cattle are gathered in far West Texas, plans are being made for the final Cattlemen's Round-up for Crippled Children livestock sale of 1981.

The sale will be at 1:00 p.m. November 4, at Brownwood Cattle Auction in Brownwood. Cattle and horses from the Brownwood area will be auctioned at the sale as well as cattle from Marfa, Alpine, Fort David, Toyah, Austin, Throckmorton, and Snyder.

The sale, which benefits the treatment programs of the West Texas Rehabilitation Center in Abilene, San Angelo and Snyder, is also an opportunity for donors

to have their brands put in tile on the walls of the new San Angelo WTRC, now under construction. Donation of livestock valued at \$250 or \$250 in cash is needed.

Totals from the previous sales are: Cattle Sale, Abilene, \$132,437.56; Horse Sale, Abilene, \$22,275.50; Sheep and Goat Sale, Junction, \$7,900; Special Sale, Coleman, \$15,345; and total cash donations, \$47,000.

The West Texas Rehabilitation Center will treat more than 10,000 handicapped children and adults without charge in 1981. Patients receive a full range of outpatient services.

JACK SUTTON

**Sutton Re-Elected
To Board**

Jack Sutton was re-elected to the Caprock Soil & Water Conservation District board of directors Thursday, October 15. Sutton represents Zone 3 of the district.

The purpose of the Caprock SWCD, with headquarters in Silverton, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Sutton will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Sutton is active as a director for the Grain Sorghum Producers Association, the 100-man committee for the State Association of Soil & Water Conservation Dis-

tricts, and as a trustee for the Central Plains Mental Health and Mental Retardation Center in Plainview.

He has been recognized for outstanding service by the Extension Service for his work as chairman of the Crops Committee.

Sutton is married to the former Teresa Crass. They have three daughters, Cynthia, Rhonda and Melinda.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator. The Caprock SWCD was organized in December 1945.

Mrs. H. B. Simpson and her mother, Mrs. Ruby Gilkeyson, were in Plainview Monday to take Russell Simpson for his appointment with the dentist.

Mrs. Marcella Brown was transported to Amarillo Tuesday by the Silverton Volunteer Ambulance Service to keep an appointment with her doctor. The ambulance returned her back home that same day.

be transferred back to Lockney soon.

Mr. and Mrs. Ken Sarchet and Brandon of Lubbock spent the weekend in Silverton with Mr. and Mrs. Charles Sarchet. They visited Mrs. J. M. Hill in Tulla Saturday.

Mrs. Daphne Lytle has been receiving treatment at Central Plains Hospital in Plainview. She was admitted Sunday.

ENERGAS

Gas heating saves \$226 per year!

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating . . . not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

District SWCD Directors To Meet In Amarillo

C. L. (Jack) Sutton, Don Burson, Jimmy Myers, Jarus Flowers and Murry Wayne Morrison, directors from the Caprock Soil and Water Conservation District, will be in Amarillo October 26-28, 1981 to attend the Forty-First Annual State Meeting of Texas Soil and Water Conservation District Directors.

The purpose of the meeting is to review developments affecting Texas conservation programs and to plan future conservation district programs and activities.

Speakers scheduled for the meeting include State Senator Bill Sarpalius of Hereford; State Representative Gibson Lewis of Wort Worth; Milton E. (Bud) Melburg of Yuma, Colorado, vice president, National Association of Conservation Districts; Norm Berg, chief, USDA's Soil Conservation Service, Washington, D. C., and Don Strickland of Liberty, a businessman and civic leader.

Joe Montgomery of Abilene, president, Association of Texas Soil and Water Conservation Districts will also address the group. John Frantz of Hartley, president, Panhandle Association of Soil and Water Conservation Districts will welcome the group to Amarillo.

Senator Sarpalius, who will speak at the Tuesday morning general session, served as a member of the Senate Natural Resources Committee and Subcommittee on Agriculture during the last legislative session. He was also a member of the Human Resources and Economics Development Committees.

Representative Lewis, who will also address conservation district directors at the Tuesday general session, is a past chairman of the House Natural Resources Committee. With a major interest in environmental and

Underground Irrigation Pipe Plastic Gas Pipe RHODE PIPE CO. 823-2458 - 823-2459 Silverton, Texas

conservation issues, Representative Lewis played a key role in the passage of the Texas Surface Mining and Reclamation Act.

Four concurrent workshops will be conducted on subjects of interest to SWCD directors on Tuesday afternoon.

The workshops will feature discussions on oil and gas leases, conservation legislation, district operations and a session on recent technological developments in conservation tillage in Texas.

KIKER'S KORNER

Earnest Kiker
Briscoe County Extension Agent
BE READY FOR FIRE

Fire can be friend or foe, depending on the situation. Unfortunately, unfriendly situations arise all too often, costing lives and devastating property.

Prevention is your best defense against fire losses, but you must be prepared if fire starts. These precautions are suggested:

*Test smoke detectors regularly. Change batteries within the recommended interval or when you see or hear a "low battery" signal from the detector. If you have yet to equip your home with these proven lifesavers, do so soon.

*Post phone numbers of the fire department, emergency medical service and others who could help during an emergency. Teach youngsters how to call for help in case of fire or other emergency.

*Prepare, then practice a home fire escape plan.

*If you have no nearby water source such as a river, lake or farm pond, install water holding tanks for fire fighting.

*Equip your house, outbuildings and motorized equipment with fire extinguishers of the proper type and rating.

Type A fires (paper, wood, straw) are best fought with a pressurized water extinguisher.

Type B fires (petroleum products, solvents, kitchen grease) require the smothering effect of a dry chemical or carbon dioxide extinguisher.

Type C fires (electrical) also require use of dry chemical or carbon dioxide extinguishers.

A dry chemical extinguisher charged with tri-class chemicals can be used on Type A fires but not as effectively as water.

Never use a water extinguisher on a Type B or C fire—with

a B fire you could spread the flames and with a C you could suffer an electric shock.

A tri-class 2A-10B:C extinguisher is ideal for a shop, tractor, combine or truck where a fire might involve both deep burning and flammable materials.

*Locate extinguishers near building entrances and in areas with a higher fire risk such as a kitchen, shop or furnace room. Those on vehicles and equipment should be accessible from both the operator's station and the ground.

*Teach family members and employees how to use extinguishers, and check extinguishers regularly.

Halloween Carnival Is Saturday, October 31

The Progressive Homemakers will sponsor the Halloween Carnival Saturday, October 31, following the Halloween Coronation.

Admission will be 25c for students and adults.

Anyone interested in having a booth needs to call Denise Kellum, 847-2574. Everyone is welcome to participate in the carnival.

Bingo Not Legal In Texas Until 1982

State Comptroller Bob Bullock's office has warned that it will be early 1982 before Texans can conduct and play legal bingo and cautioned against fraudulent claims that legal bingo has already arrived in Texas.

George Garland, director of the Bingo Regulation Division, said the new bingo law also requires a local option election before games can be held.

He said because of the language in the law at the earliest date a local option election can be scheduled would be January 16, 1982.

"Any game before that time and before the sponsor holds a license from the Comptroller's office is an illegal bingo game—just like it's always been," Garland said.

The Legislature this year legalized bingo games sponsored by charitable, educational, religious and civic organizations.

The law also provides that sponsoring organizations must be licensed by the Comptroller's office.

Garland said local option elections to play bingo can be called on a city-wide, county or justice of the peace precinct basis.

If approved locally, Garland said, the governing jurisdiction

can also impose a two percent gross receipts tax on the games.

Garland said each applicant for a bingo license will be investigated to assure that the organization qualifies under the law.

"We are not going to permit any fly-by-night operations, and unauthorized games will be subject to the penal code concerning gambling," he said.

"Nothing's legal without a license from the state," he said.

He also said the new law will also limit bingo games to three a week and the amount of prizes in a single game to \$500 and \$2,500 for a series of games.

Garland said the Comptroller's office would be ready to issue bingo licenses to authorized organizations as soon as local option elections are certified.

He said the agency would also be adopting rules and regulations in time for Texans to conduct legal bingo games.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
