

Public Invited To County 4-H Contests

The public is invited to the 4-H County Speaking Contests Thursday, May 6, at 7:30 p.m. in the Pioneer Room at First State Bank in Silverton.

4-H youth will present their method demonstrations and illustrated talks and share-the-fun skit that will be entered in district competition Saturday, May 8.

These contests develop poise, confidence and speaking ability in youth, as well as a knowledge of the subject matter they discuss. Method demonstration categories include family life, pork, horse, clothing, consumer education, safety, health, natural resources, promote 4-H, public speaking and share-the-fun.

The public is invited to attend and support these youth. There is no cost to attend.

Badly Needed Rains Drench This Area

Badly needed rains moved into this area of Texas Friday, dropping .85 of an inch on Silverton and another 1.42 inches fell here Tuesday night. These official rainfall figures were furnished by Fred A. Strange.

Rainfall continued to be in the weather forecast.

There was some damage done at Quitaque Tuesday night, possibly by a small twister. A garage was picked up at the Oliver Clark residence and slammed into the home of his mother-in-law next door, knocking down power lines and plunging the city into darkness. Power was not restored in Quitaque until Wednesday morning.

Bluebonnets Are Blooming Here Now

The bluebonnets are blooming at the home of Mrs. Stella Davis. They have been very pretty this spring in spite of the dry winter weather.

Former Resident Buried Here Tues.

Funeral services for Jennie Ann Stone, 91, were conducted at 1:00 p.m. Tuesday at the Clarendon Church of Christ with Tom Harguess, minister, officiating.

Burial was in the Silverton Cemetery, with arrangements directed by Robertson Funeral Directors of Clarendon.

Mrs. Stone died Sunday at Memphis.

Born in Mountain Home, Arkansas, she married Tas Kirk Stone in 1909 in Cottle County. He died in 1929. She moved to Donley County from Silverton in 1930. She was a member of the Church of Christ.

Survivors include two daughters, Mrs. Louise Riley of Clarendon and Mrs. Sue Hardage of Altus, Oklahoma; three sons, Lewis Stone and J. T. Stone, both of Clarendon, and Kenneth Stone of Amarillo; a sister, Mrs. Florence White of Dallas; five grandchildren and three great-grandchildren.

NEW ARRIVAL

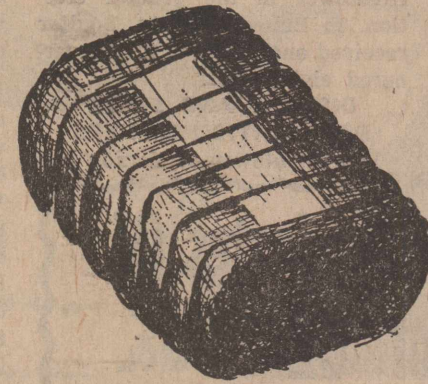

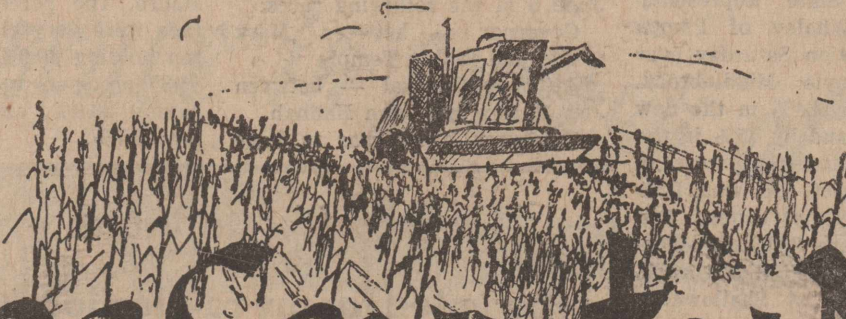

Kerry and Karen Reeves of Idabel, Oklahoma announce the birth of a daughter, Kacie Janelle, at 12:26 a.m. Monday, May 3. She weighed eight pounds, ten and one-half ounces, and is 22 inches long.

Kacie has an older brother, Kellas, who is five, and a sister, Kristy, who is two years old.

Grandparents Bob and Janelle Reeves and uncle Mark Reeves were lucky enough to be in Idabel when Kacie was born. Bob and Mark left Janelle there to help out for awhile, and she reports that all are doing fine.

Mrs. Susan Edwards and Nolan of Amarillo and Ronda Grabbe of Pasadena, California have been recent visitors with their parents, Mr. and Mrs. Warner Grabbe.

Briscoe County News

VOLUME 74 NUMBER 18

THURSDAY, MAY 6, 1982

Precinct Two To Have New County Commissioner

All of the Briscoe County incumbents were nominated for re-election to their offices in Saturday's Democratic Primary except Precinct Two's Commissioner, Jack Chandler, who was defeated in his bid for renomination by Al Ramsey.

Ramsey polled 184 votes as compared with Chandler's 118. The third man in that race, Benny Brown, received 49 votes. Thus Ramsey wins the Democratic nomination without a runoff.

Since none of the county's Democratic nominees have Republican opponents, the nomination is tantamount to election. However, all will have to be elected in the fall general election. Briscoe County Commissioner of Precinct Four Bryant Eddleman polled 105 votes to retain his office, while challenger Charles Grantham received 48 votes.

Incumbent Justice of the Peace of Precinct Two Dick Taylor polled 183 votes over challenger Dale Ramsey's 164 votes to retain his county office.

All of the other county officeholders were renominated with-

out opposition: Fred W. Mercer, County Judge, 623 votes; Bess McWilliams, County and District Clerk, 629 votes; Mildred J. Reid, County Treasurer, 621 votes; Josephine Anderson, County Surveyor, 618 votes; Barbara Pigg, Justice of the Peace Precinct One, 264 votes.

J. C. Fowler was re-elected to serve as Briscoe County Democratic Chairman with 582 votes. B. K. Blankenship was re-elected Precinct Two Chairman with 243 votes.

There were 34 absentee ballots cast; 51 in Precinct 1; 337 in Precinct 2; 186 in Precinct 3; 117 in Precinct 4, and 26 in Precinct 5. This represents about half of the county's voting strength.

In the Briscoe County Republican Primary, nine votes were cast. John Gill was re-elected as the County Republican Chairman with four votes.

The voting for nominee for Land Commissioner was very close in the Republican Primary, but late election results indicate

REGIONAL QUALIFIERS — Silverton High School's regional track qualifiers this year include (pictured clockwise beginning with lower left) Eric Patton, 1600 and 3200 meter runs; Jimmy Stone, 200 meter dash; Jim Estes, discus; Clifford Clardy, 400 meter run; Warren Jarrett, pole vault, and Michael Hill, shot. —Briscoe County News Photo

Awards Presented At School Athletic Banquet

Numerous awards were presented to Silverton High School's most outstanding girl and boy athletes during the annual spring banquet held in the school cafeteria Monday night. The awards were presented by Coaches Marvin Self and Tamra Buxton.

Basketball Awards went to Kelly McMurtry and Missy Brown.

Track Awards were presented to Eric Patton and Jeni Denton.

Casey Bean was the recipient of the Football Award.

Dani Whitfill and Judy Northcutt were winners of the Tennis

Award.

Clifford Clardy and Lisa Lavy were recipients of the awards for Most Improved Athletes.

Shane Reagan and Jeni Denton received Most Valuable Athlete Awards.

Guest speaker for the banquet was Mark Julian, a graduate of Texas Tech University who played football for Tech and is now director of the Fellowship of Christian Athletes.

Families of the athletes provided vegetable, salad and dessert dishes, and the Silverton Booster Club, sponsor of the banquet, provided the meat and drinks.

Silverton Volunteer Ambulance Service Observing EMS Week

This week has been set aside for the observance of Emergency Medical Services (EMS) Week. Highlight of the special week will be Saturday, May 8, when two teams from the Silverton Volunteer Ambulance Service will take part in the EMS Olympics to be held at the Civic Center Exhibit Hall in Amarillo beginning at 8:00 a.m. and continuing until 5:00 p.m.

There will be two categories of competition, with the Paramedics entering the advanced life support and the Emergency Medical Technicians (EMTs) entering the basic life support.

Prizes will be awarded to the winners of each event, and the overall winner with the most points will take home the traveling trophy for their category. Last year Silverton's advanced life support team did very well in the EMS Olympics, and was the only group from an unpaid ambulance service winning any of the events.

Next week the Silverton Volunteer Ambulance Service, in conjunction with the American Heart Association, will begin a series of CPR classes for the public.

HISTORY OF THE AMBULANCE SERVICE
The Silverton Volunteer Ambulance Service was organized

on October 19, 1971, shortly after the announcement by the Silverton Funeral Home that the ambulance service it had operated here until that time would be discontinued. Elected as officers of the new volunteer ambulance service were Troy Jones, president; Bud Couch, vice-president; David Tipton, secretary-treasurer. The directors were Don Cornett, Becky Woods, Wayne Nance, Jack Robertson, Jerry Patton, Walter Bean, Larry Wilson and Charles Sarchet.

These local residents saw a need and took on the responsibility of providing an ambulance service for the community. They started with no money, and very little training or equipment. On October 25, 1971, donations totaling \$65.00. A roster of drivers and helpers was drawn up. At that time the first training class was set up. It was to be a first aid class taught by Ross Beavers of Plainview.

The ambulance in use when the service first began was a 1960 Pontiac hearse. This unit was little more than transportation with oxygen. On January 22, 1972 Troy Jones and Bill Griffin met in Dallas to look at ambulances. In August of 1972 a 1973 Chevrolet Hightop Suburban was purchased from a company in

Screening Of Children To Be Thursday, May 13

District-wide screening for three- four and five year olds will be from 9:00 a.m. until 12:00 noon on Thursday, May 13, 1982 in the Silverton School Cafeteria.

Children must be three or three by September 1, 1982, to be eligible for screening. Children moving to Silverton Independent School District since last year who are already three are also eligible for this year's screening. Teachers and staff will be available to answer questions, administer a brief assess-

ment and interpret data to parents.

This screening is sponsored by the Silverton Independent School District and the Comprehensive Special Services of the Swisher-Briscoe Education Cooperative.

The free services, which will require approximately 45 minutes, assesses the following areas: gross motor, fine motor, concepts and communication skills, hearing and vision.

Kindergarten students will not attend school that day.

USDA Rejects Cotton Reserve

The U. S. Department of Agriculture has rejected a plan for a farmer-owned reserve program for cotton, because, according to Secretary of Agriculture John R. Block, such a program would be against the long-term interests of cotton farmers and the cotton industry.

Block said USDA recently analyzed the costs and effects of a cotton reserve program in response to a request by a group of Texas High Plains cotton producers to start a reserve for the 1981 and 1982 upland cotton

Kansas. This unit is still in operation today. It gave more room in the back for the patient and equipment than the previous ambulance.

Training for ambulance personnel was unavailable in this region and most of the country at that time. In September, 1974 the local ambulance service joined the Panhandle Regional Planning Medical Association. Working with this group, which was able to get government grants, the ambulance service was able to get a UHF radio and training for its personnel.

The first EMT class was held **See EMS WEEK— CONTINUED ON PAGE THREE**

C.P.R. Classes To Be Taught Here Soon

Silverton Volunteer Ambulance Service and the American Heart Association will sponsor a series of cardiopulmonary resuscitation (CPR) classes at the City Hall in Silverton beginning May 10. Each class will begin on Monday night and conclude on

Thursday night. The class will also include the Heimlich Maneuver which is used on someone who is choking.

Paramedics Anthony Kingery and Lynn Frizzell are state-certified instructors in these skills.

You must sign up with Jerry Patton at the City Hall prior to class time. A limited number of people will be accepted for each class, but the classes will continue until all who wish to take it have had an opportunity to do so.

Students Installed In Honor Society At Texas Tech

More than 240 Texas Tech University juniors, seniors, law and graduate students ranking academically in the top 10 percent of their classes have been installed into the university's chapter of Phi Kappa Phi honor society.

One of the initiates was Donna L. Majors, senior accounting major, who is the daughter of Mr. and Mrs. Clifton L. Stodghill of Silverton.

The new initiates were installed during the Texas Tech chapter banquet April 13. Phi Kappa Phi recognizes outstanding scholars in all academic disciplines and limits membership to those ranked in the top 10 percent academically.

Fire Department Will Not Meet This Week

Silverton Volunteer Fire Department will not meet this week.

TENNIS TEAM PLAYS IN REGIONAL TOURNEY

Judy Northcutt and Dani Whitfill played to the quarterfinals in the Regional Tennis Tournament in Levelland.

The girls are the District Doubles Champions.

SHELLY HARRIS Miss Rodeo Texas Tech

Shelly Harris Chosen Miss Rodeo Texas Tech

Shelly Harris, a freshman student from Silverton, was crowned the 1982-83 Miss Rodeo Texas Tech at the final performance of the Texas Tech Intramural Rodeo. She will represent Texas Tech at the Miss College Rodeo competition at the National Intercollegiate Rodeo Association Finals in Bozeman, Montana, June 13-19, and will also compete in the Miss Rodeo Texas Pageant in San Antonio next March.

As Miss Rodeo Texas Tech, Shelly will have to travel 5,000-8,000 miles this coming year while carrying a full student load and maintaining a 2.0 grade point average.

The girls that competed for Miss Rodeo Texas Tech were judged on horsemanship, rodeo

knowledge, appearance in full western attire, personality, and poise. The girls that will be competing at the national level will also be judged in these same categories plus N.I.R.A. knowledge.

Shelly is a member of the Texas Tech Rodeo Association and Rodeo Team, the National Intercollegiate Rodeo Association, West Texas Barrel Racers Association, and was a member of the Western Oklahoma State College Rodeo Team this past fall. She has been very active in rodeos and horse shows since she was nine years old. Miss Harris was the Silverton Rodeo Queen in 1978 and 1980, the A. B. C. Rodeo Queen in 1980 and 1981, and was selected Miss Congeniality at the Miss Rodeo Texas Teen Pageant in 1981.

As Miss Rodeo Texas Tech, Shelly will have to travel 5,000-8,000 miles this coming year while carrying a full student load and maintaining a 2.0 grade point average.

Election -

CONTINUED FROM PAGE ONE
that W. Glasscock received 50% of the state's votes. In Briscoe County, he received five votes, while Gutierrez received none and Jackson polled three votes.

Ron Slover defeated Beau Boulter for the right to oppose United States Congressman Jack Hightower in the general election. In Briscoe County, Boulter received one vote and Slover garnered eight votes.

DISTRICT AND STATE DEMOCRATIC NOMINEES
Jack Hightower of Vernon pol-

led 479 Briscoe County votes and won renomination as United States Congressman. He will face Ron Slover of Amarillo, who was his opponent in the last general election.

Incumbent State Representative Foster Whaley of Pampa won renomination Saturday over challenger Doyle Middlebrook. Whaley won by 64% in the new 84th District, and by 75% in the old nine counties that were in his 66th District. He won 82% of his home (Gray) county. District totals were 8,493 for Whaley and 4,859 for Middlebrook, whose home is at Shallowater. In Briscoe County, Whaley outpolled Middlebrook 432 to 216.

Other results of Briscoe County voting in the Democratic Primary include:

U. S. Senator—Lloyd Bentsen, 536; Joe Sullivan, 131

Governor—David O. Young, 10; Bob Armstrong, 168; Mark White, 381; Don Beagle, 5; Ray Allen Mayo, 4; Buddy Temple, 109

Lieutenant Governor — Bill Hobby, 537; Troy Skates, 85

Attorney General—John Hannah, 34; Max Sherman, 558; Jack Ogg, 15; Jim Mattox, 42

Comptroller of Public Accounts—Robert Calvert, 271; Bob Bullock, 373

State Treasurer—Warren G. Harding, 358; Ann Richards, 169; Lane Denton, 77; John R. Cutright, 32

Commissioner, General Land Office—Pete Snelson, 229; Garry Mauro, 119; George Fore, 93; Dan Kubiak, 109

Commissioner of Agriculture—Reagan V. Brown, 326; Jim Hightower, 349

Railroad Commissioner—James E. (Jim) Nugent, 518; Ralph Pacheco, 74

Justice, Supreme Court Place 1—Ted Robertson, 338; John M. Barron, 189

Justice, Supreme Court Place 2—James G. Denton, 322; Bill Kilgarlin, 220

Justice, Supreme Court Place 3—Charles W. Barrow, 326; Woodrow Wilson Bean, 229

Judge, Court of Criminal Appeals, Place 1—Carl Dally, 115;

Charles F. (Chuck) Campbell, jr., 113; John E. Humphreys, 134; William B. Phillips, 112

Judge, Court of Criminal Appeals Place 2—Chuck Miller, 183; Ray Rawls, 54; Mel Bruder, 29; Bill Black, 111; Andrew Jackson Shuval, 84

Runoffs will be necessary on June 5 in the following races:
Governor — between Mark White and Buddy Temple

Attorney General — between Jim Mattox and John Hannah

Treasurer—there was to have

been a runoff between incumbent Warren Harding and Ann Richards, who polled the most votes Saturday, but Tuesday Harding announced that he was withdrawing from the race.

Commissioner of the General Land Office—Pete Snelson and either Dan Kubiak or Garry Mauro. The percentages in this race were very close, with Snelson holding 30.8% with 5,755 of 5,985 precincts reporting; Mauro having 28.9%, and Kubiak having 28.7%.

did you know?

The add-on heat pump can provide both central cooling and heating. The pump can be used with your existing heating system and can provide all your heating requirements on moderately cold days. The add-on heat pump also saves on your overall heating costs by providing up to two units of heating energy for each unit of electricity it uses. And the pump automatically switches over to your existing heating system whenever it cannot meet your home's complete heating needs.

John Kallas, Consumer Services Representative, Lubbock.

Of the known recoverable energy reserves in the United States, nearly 80% are in the form of coal deposits. This is one reason for Southwestern Public Service Company's decision to switch to coal-fired power plants. Today, more than 40% of the electricity produced by SPS is generated by coal-fueled boilers. At SPS, we expect to produce almost 60% of our customers' electricity with coal by 1985.

Earl Zwickey, Plant Engineer, Talk Station, Muleshoe.

Microwave ovens use less electricity because they cook faster than conventional ovens. Microwaves cost less to operate than conventional electric ranges and can save on summer air conditioning costs as well, since they use a cool cooking method. Faster cooking helps foods retain their natural flavors, vitamins and minerals.

Connie Moyers, Home Service Advisor, Clovis.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

EMS WEEK—
CONTINUED FROM PAGE ONE
in 1976 and with the completion of it the service had its first people trained in the treatment of medical and trauma emergencies. It was no longer just a load-and-go type system. The EMT class consisted of a total of 128 hours, forty of which were spent in the hospital where what had been learned in class was put to use in a controlled setting. The second EMT class was held in 1977.

After these classes were completed, the EMTs saw the need for more training. Several went to other schools in the Panhan-

die. In 1978 they went to Tulia to train in crash extrication and to Amarillo to a burn seminar.

In December 1977 with the help of a government grant, the ambulance service was able to purchase a 1978 Ford Hightop Van. This was one of the last grants issued for equipment of this kind in the region.

Shortly after this, two of the service's EMTs enrolled in the first paramedic training program in this region. The class entailed about 500 hours of classroom and in-hospital training. Upon their completion of the paramedic training the service was able to offer advanced life support to

Charter Officers of the Silverton Volunteer Ambulance Service—
Troy Jones, president; Bud Couch, vice-president; David Tip-

the people of the community. There has been one more paramedic to graduate from the program held in Amarillo. There have also been two more EMT classes conducted here, adding personnel to replace those who had moved or dropped out of the ambulance service.
The service has continued to

add training and equipment in order to serve the community better, but none of this would have been possible without the generous support of the people of Silverton. The ambulance service thanks you! There is also offered a special thanks to the founders of the ambulance service for the hard work which has

enabled the community to have the quality of emergency service it has today.

Everyone is invited to attend the EMS Olympics in Amarillo Saturday. There is no admission fee, and you will be proud to watch our local ambulance personnel match skills with services from throughout the region.

Tree To Be Planted In Observance Of Special Week

The first full week in May is National Extension Homemakers Week, and the Southwestern Ex-

tension Homemakers will meet Thursday, May 6 at 9:30 at the park site at Lake Mackenzie to plant a tree in memory of Marie Garrison, who was a faithful and devoted member of the Extension Homemakers Club.

Extension Homemakers from 30,000 other clubs will be observing National Extension Homemakers Week.

The THDA was organized in August of 1926 by 399 women attending a farmers short course at Texas A&M University. They became affiliated with National Extension Homemakers Council in 1948 and Associated Country Women of the World in 1936.

Extension Homemakers Clubs are an educational organization of volunteers, and are open to anyone regardless of race, socioeconomic level, religion or national origin.

ROBBIE MARTIN

☆ ☆ ☆ COUPLE TO EXCHANGE NUPTIAL VOWS IN JUNE

Mr. and Mrs. A. R. Martin announce the engagement and approaching marriage of their daughter, Robbie, to Mr. Chuck Cox of Miami, Texas.

The couple is planning a June wedding in the home of the bride's parents.

The couple will be making their home at Manefield, where he is employed at the Sierre Elite Quarter Horse Ranch.

Mr. and Mrs. George Seaney and Mrs. Pascal Garrison visited Bee Haughn at Levelland Saturday morning. Bee took care of Marcella Brown for several months.

Mr. and Mrs. Dalphine Hunt and daughter of El Cajon, California have been visiting relatives and friends in Silverton.

Smithee Reunion Held In Turkey May 2

The grandchildren and their families of the W. C. Smithee family met in the Senior Citizens Room at Turkey Sunday.

Mr. and Mrs. R. C. Green and their son and daughter-in-law, Mr. and Mrs. Keith Green, hosted the occasion. Keith Green was master of ceremonies.

After a bountiful noon meal, an entertaining program was given. Each member present related interesting facts about their family, and remembrances of past Smithee get-togethers.

Mrs. Homer Lane graciously showed the group the Bob Willis Museum.

The eleven cousins attending were Agnes Brooks of Silverton; Judd Donnell of Corrales, New Mexico; Maxine Bray, Lubbock; Carl Gerdes, Easton, Arkansas; Hoyse McMurtry, Lubbock; Merle McMurtry, Plainview; Betty Devlin, Tulia; Kathleen Green, Turkey; Gladys Strickland, Lubbock; Einell Montague, Plainview; Betty Nell Hancock, Lubbock.

Forty relatives were present.

Each one said a prayer of thanksgiving for the grandparents who had made the day possible. Their love for the family had reached across time and brought the group together again.

Next year's hosts will be Betty and Delbert Devin the first weekend in May in Tulia.

Homemaking Program Begins Here June 1

Summer homemaking program will begin Tuesday, June 1, and ends June 25. High school students are eligible to take the course and will receive one-half credit during this month, if all requirements are met.

An adult basic sewing course is being planned. If you are interested contact Ima Nell Francis or call 847-2556 or 823-2476.

Thursday, June 3, Joy Parnell, who is with Southwestern Public Service Company, will be in the homemaking department at 11:00 a.m. for a demonstration on American - Oriental Cookery and will be demonstrating several electrical appliances at that time. At 1:00 p.m. she will give a lecture on Energy Economy.

Tuesday, June 8, Mary Murray and Karen Rogers will be in the department from 4:00 until 9:00 p.m. giving instructions on any kind of handwork, including counted cross-stitch, needle point and the newly-revived handwork, candlewicking.

Tuesday, June 15, Lynda Fogerson, Briscoe County Extension Agent, will conduct an all-day workshop on machine embroidery. You may use your own sewing machine or use one in the department.

Tuesday, June 22, at 11:00 a.m. Nita Loyd, who is with Emergas, will be presenting a demonstration on Outdoor Cookery and at 1:00 p.m. will give a lecture on Inflation Fighters.

These workshops are for adults as well as students, and everyone is urged to attend. Please mark your calendars and plan to attend. Bring a sack lunch or leave for lunch and return for the afternoon programs.

18-3tnc

May Is "America's Love Run" Month

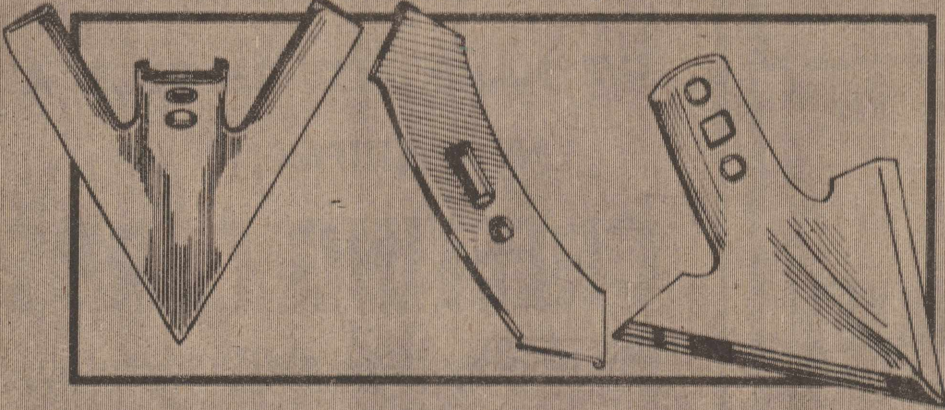

Once again, the month of May has been designated for America's Love Run, a highly successful, month-long running event. Panhandle chairman for the 1982 Love Run will be Gene Birch, sportscaster for KAMR-TV, who is well known for his unique and humorous sports challenges. He is sure to add a lot to the Love Run program.

If you love the idea of getting in shape, you will love America's Love Run. You can participate by running, jogging or even walking throughout the month of May. Simply keep a record of the miles you cover and obtain pledges of 5c or more for each mile.

For a tax-deductible entry fee of \$2.50, you will receive an official Love Run packet and T-shirt. Just send your name and address and size of T-shirt to Muscular Dystrophy Association, 1713 South Avondale, Amarillo, Texas 79106.

HOUSE OF REPRESENTATIVES
WASHINGTON, D. C. 20515

JACK HIGHTOWER
13TH DISTRICT, TEXAS

Dear Friends,

It has been my honor to serve as your Congressman for almost eight years now. Before that, I served for twelve years in the Texas House and Senate. I am grateful for your continued support and for the faith you've shown in re-electing me as your advocate in Washington.

This year, I again need your help to continue our effort to provide you competent, personalized representation. With your help, I want to continue the fight to cut runaway government spending, balance the budget, rebuild our national defense and restore the economy to health. As a member of the House Appropriations Committee, I am in a unique position to translate your concerns into action.

I've traveled continually throughout our huge district and know many of you and your families on a first-name basis. I've answered thousands of your letters, visited you at home and at work, and spoken to your organizations. I've fought hard to find solutions for your problems. And I've spoken for you in the halls of Congress and throughout the large, impersonal federal bureaucracy.

We've accomplished a great deal together. There is still much to be done. We must reduce the federal deficit and balance the budget to lower interest rates and provide a stable, productive economy. We must strengthen the pillars that support the basic economy of the 13th Congressional District: agriculture, energy and small business. That means we must restore the profitability to farming and ranching and we must eliminate the excessive federal tax bite for the petroleum industry. We must lower the record interest rates that are strangling our small businesses. We must strengthen our defense so that no hostile nation can threaten the precious freedom we've won at so great a cost. And we must continue the fight to make government the servant, not the Master, of our people.

The key issues in the November election are these:
1. Who has the personal experience, the knowledge of the district, and the legislative ability to fight and win your battles in Congress?
2. Who has the kind of respect and influence with the leaders of both parties in Washington and Austin that ensures your voice is heard?
3. Who has a proven record of legislative and personal accomplishment that will benefit the people of the 13th District of Texas?

We face difficult times, both as individuals and as a Nation. We do not expect to find any easy answers to the problems of our economy, or to the troubling domestic and foreign issues we face.

But I believe our greatest days are yet to come. The dream of liberty that America represents must continue—will continue—and I am dedicated to representing the people of the 13th District in every forum and at every opportunity in order to perpetuate that dream.

My pledge to you is simple: Honest, tireless service. Competence. An Open Door. Solid, responsible, respected representation.

As we open our campaign, I know that I will be talking to many of you in the coming days. I will also be listening.

I ask for your continued faith, support and vote in the November election.

Sincerely,

Jack Hightower

Carey Blackerby Enters National Piano Auditions

In 700 Guild centers this

spring from coast to coast more than 108,500 pupils participated in piano auditions sponsored by the National Fraternity of Student Musicians before an imported judge.

Carey Blackerby was among the 29 students of Mrs. Ross Herrington of Quitaque to perform in the Memphis section. Carey played eight memorized pieces and received a 96% superior grade, a silver pin and an engraved certificate.

She is the daughter of Mrs. Tommie Blackerby of Silverton. One hundred ninety-eight piano pieces were performed by Mrs. Herrington's students in the two-day audition.

Inaugurated in 1929 by Dr. Irl Allison for the purpose of stimulating interest in artistic piano playing, Guild auditions have grown steadily each year and attracted such winners as Van Cl-

CARD OF THANKS

We extend this word of thanks for the many kind acts of sympathy by our friends and neighbors in the death of our loved one.

Mr. and Mrs. Charlas Denning and family
Mr. and Mrs. Clenton Denning
Mrs. Doris Hillin
Mr. and Mrs. Sam Lewis and family

We would like to thank the Assembly of God people for the beautiful quilt you gave to us.

Your labor of love will always be cherished.

Phillip and Rachel Bridges

THE SUPER-7
Seven times the "kill surface" of ordinary rope-type wick applicators.

For contact type, translocating herbicides, an ordinary rope-type unit works as well as the Century Super-7 Weed Wiper.

Why? Because the Super-7 employs a unique, patented applicator boom that gives you seven times the kill surface and unequalled control and economy with these expensive chemicals.

Here's how it works:

1. Herbicide in the elevated reservoir flows by gravity to wick bar, controlled by cam-operated solenoid valve.
2. Lightweight, polystyrene inserts maintain amount of herbicide required to thoroughly fill applicator bar, even on uneven ground.
3. Holes on underside of dispenser tube allow herbicide to flow into field, double wrapped around thin plastic inner liner. Herbicide is drawn over top of liner, thoroughly soaking outer carpet, edge to edge.

See your Century Dealer soon and let him show you the Super-7, the applicator designed to get the most from your translocating herbicide.

Century has the sprayer for every spraying job.

burn, James, Cristina Ortiz and other artists.

SPS Announces Feedlot Survey

Sam Thomas, manager of agricultural development for Southwestern Public Service Company, Amarillo, announced that fed cattle numbers were down significantly for 1981 in the Company service area.

Southwestern's 45,000 square-mile service area produced 4,045,004 fed cattle during 1981, which was 9% below 1980. This 1981 figure is the lowest number since 1975 when only 3.3 million were fed. Comparable to the 1981 count is the 4 million-plus produced in 1974.

Last year's 4,045,004 head represents a farm sale value exceeding 2.7 billion dollars. Area business benefitted by 9.7 billion dollars even though the equity loss to area feeders exceeded 121 million dollars, Thomas reported. Feed lots surveyed continue

to decline in number, as do the combined feedlot capacity, but the decline is not significant. The one-time feedlot capacity was 2,543,200 at the end of 1981, compared to 2,638,100 in 1980. The combined number of cattle slaughtered by packing plants in the SPS service area in 1981 was 4,004,094, representing an increase of 20,000 head above 1980. Packing plant sales produced gross sales valued at 2.7 billion dollars. A further 10 billion dollars is contributed to the area economy once the economic multiplier is applied. Area business realized a total of 19 billion dollars when combining the input of the packing and feedlot industries, Thomas said.

At the time the survey was completed in January 1982, the number of cattle on feed was 59% of capacity. According to Thomas, this figure should be

much higher at this time. The SPS annual Fed Cattle Survey has been compiled since 1966. It is the oldest continuous record of cattle feeding in the multi-state area served by the Company. Copies of the survey are available at your Southwestern Public Service Company office.

Small Grains Acreage To Be Certified Before May 15

Acreage reports of all crops are still required by producers who intend to qualify for program benefits.

May 15 has been set as the final date to certify acreage of all small grains. This includes barley, oats, rye and wheat.

This deadline is only two weeks away and crops need to be measured before an attempt

is made to report the correct acreage. So it is time to get into high gear and get this job done.

Producers who have decided to do something with wheat other than harvest for grain should come in and certify acreage and request history preservation. This is important to those who decide to graze out drought-stricken wheat.

4-H'ers Entering Poster Contest

All 4-H memers are encouraged to make a poster for the poster contest which will be held at the County 4-H Eliminations on Thursday, May 6.

There are three categories:
 (1) Helping Today's Youth Become Tomorrow's Leaders
 (2) The Key to the Future
 (3) A Poster and Theme Created by the 4-H'er

Winners will be exhibited at the State 4-H Project Show at A&M in June.

If you have any questions about the poster contest, call the Extension Service office, 823-2343.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

4-H Contests To Be Held On May 6

Excitement will fill the First State Bank Pioneer Room in Silverton at 7:30 p.m. Thursday, May 6, as 4-H'ers compete with their method demonstrations, public speaking and share-the-fun contests.

Everyone is invited to attend the 4-H contests to watch the 4-H'ers display their talents before they can compete at the District 2 4-H Round-up in Lubbock on Saturday, May 8.

All youth may join and participate.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

Chase, Will and Dan Seaney of Channing spent the weekend with Mr. and Mrs. Gordon Lowrey, Angie, Shavonne and Frank.

1981 Sorghum, Corn Loans May Be Extended

Additional marketing flexibility is being offered to corn and grain sorghum producers. This is a six-month optional extension of the maturity date for all outstanding and unsettled 1981 crop corn and grain sorghum loans.

Because market prices for these two commodities are depressed, it is in the best interest of CCC to give producers additional marketing time before redemption or forfeiture of loans is required.

Any request for extension of time must be in writing and can be filed no earlier than 60 days prior to the maturity date of the existing loan. Interest on the extended loan shall continue at the rate of the loan being extended.

APPLICATIONS BEING TAKEN FOR CETA SUMMER YOUTH WORK

Panhandle Regional Planning Commission has announced that applications will be taken for a CETA Summer Youth Employment Program for residents of Briscoe County the latter part of May.

According to Suzanne M. Senesac, CETA coordinator, those applying must be ages 14 through 21 and have lower family income. All youths under 18 years of age must have signature of parents or guardian.

The following offices may be contacted to make an appointment:

Fred Mercer, Briscoe County Judge
 Phone 823-2383
 O. C. Rampley, Silverton ISD
 Phone 823-2476
 Wilburn Leeper, Valley ISD
 Phone 455-1411

Mr. and Mrs. Kenneth Davis of Redlands, California spent 10 days recently visiting relatives and friends in Silverton.

COMPTROLLER'S REP IN SILVERTON MAY 13

State Comptroller Bob Bullock has announced that Raymond Bogus from his Lubbock Field Office will be at the Briscoe County Courthouse on Thursday, May 13, from 2:00 until 4:00 p.m. A Comptroller's representative is

available to assist local residents at the courthouse the second Thursday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Mr. Bogus at the courthouse in person or call the Lubbock Field Office at 806-795-0691. A toll free number, 1-800-252-5555, is also available to Texas taxpayers.

At General Telephone We're Not Simply Talking About Service Improvements We're Making Them In Silverton

At General Telephone, better service isn't just a goal, it's a solid commitment. General Telephone spent over 354 million dollars in 1981 on capital expenditure projects (i.e. new electronic switches, expanded cable projects and modernization), and GTE will spend over 400 million dollars in 1982 to provide you the best telecommunications available.

For you, as a valued customer, this investment in service improvement is working as shown below. General Telephone is working hard to continually provide you with the best of service.

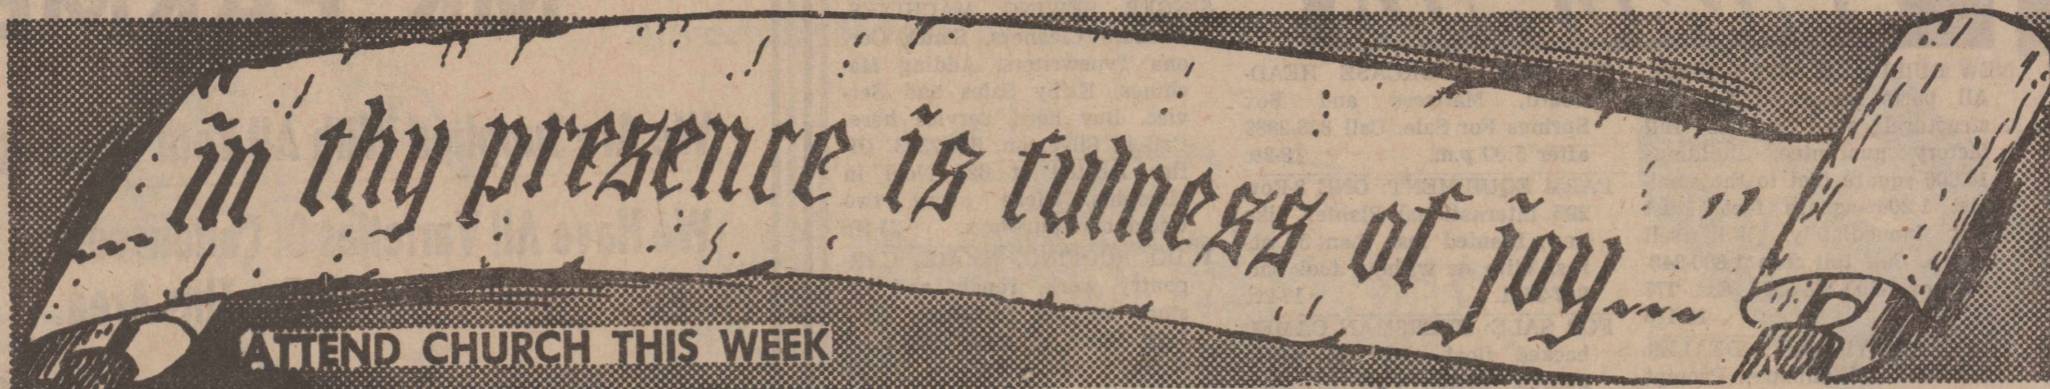

The Texas Public Utility Commission (PUC) has established certain standards in public hearings, and our service results are listed against those standards.

	Texas PUC Standards	Most Current Figure
% customer calls answered promptly business office/repair service	90 90	99.9 99.4
% service order commitments met as promised	90	100
% local calls completed on 1st try	98	100
% direct dialed long distance calls completed on 1st try	95	98.5
% out of service trouble cleared within 8 working hours	90	100

* These results based on electronic testing
