VOLUME 77 NUMBER 16

REVIEW DISASTER PLAN—Mayor A. R. Martin, City Secretary Jerry Patton and Sheriff Dick Roehr were pictured last week as they

reviewed the disaster plan which has been formulated for Silverton and the surrounding area.

Disaster Plan Drawn Up For People Of Silverton and Area

A disaster plan has been drawn up for Silverton and the surrounding area, which is to be used in the event of a natural disaster. The plan isn't very much different than the one which has been used in recent years, but is being brought up to date and reviewed as part of the city's preparedness during this tornado season.

In the event of a disaster, Principal Leonard Morgan says the school can get all of the students into the basement in about three minutes. The school will take care of and protect the

students; however, if you do wish to come to school for your children, be sure to drive safely in the school zone and park in regular parking spaces rather than congesting the street with vehicles.

STORM WATCH PROCEDURE

Upon warning from the National Weather Service, other authorized agencies or local observation, this procedure will be activated.

The sheriff and city marshal will proceed south and west for southwest storm approach. The sheriff will assume watch over

the area south of Highway 86 and west of Highway 284. If the system is east of this area, he will move eastward and northward, observing and tracking the storm until the danger shall have passed the area. The city marshal will watch the area south of Highway 86, along and about four miles either side of Highway 207 south extending westward to Highway 284, following until the storm has passed.

A deputy will watch along Highway 284, as his radio and job conditions permit.

Silverton Volunteer Fire Department units eight (paddy wagon) will be assigned to assume watch along Highway 86, westward for five miles and south along Highway 284 no more than one mile; unit eleven (white pumper) will watch along Highway 207 for not more than five miles.

These units will observe and track the storm until the danger to the town has passed and will remain on alert until the area beyond town to the caprock area is clear.

Walkie talkies will be assigned west of town along Highway 86, no further than one mile from the

Important Town Meeting Called Here April 30

The Mayor and City Council of Silverton have called a town meeting for 7:30 p.m. Tuesday, April 30, in the Pioneer Room at First State Bank.

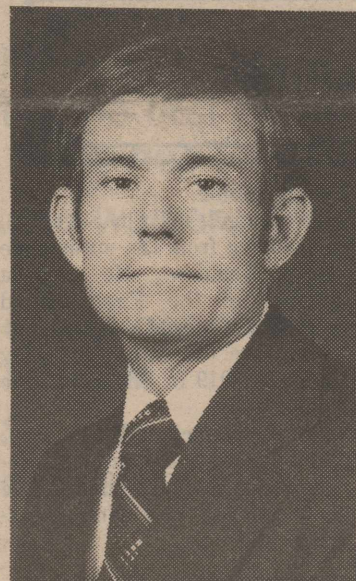

Representatives of the Texas Department of Community Affairs and Panhandle Regional Planning Commission will be present, along with Mrs. Rohnnie Thacker of Roaring Springs, who was instrumental in bringing Quail Plastic Pipe Company to Roaring Springs.

Community block grants are

available to cities to be loaned to individuals at low interest rates for long terms for the establishment of local industries. Establishment of the new businesses is to be done with the employing of local people in mind.

Anyone who has ideas regarding new industry for Silverton is invited to attend and have input into the meeting. This meeting will concern new industry for Silverton only.

Everyone is urged to be present.

JOHN D. BURKE

Church Revival To Begin Here Sunday

The First Baptist Church in Silverton will be holding revival services April 21-25.

Jacky Newton, pastor of First Baptist Church in Kaufman, Texas will be the evangelist and John Burke, minister of music at Bacon Heights Baptist Church in Lubbock, will be the revival music director.

Dr. Newton graduated from Plainview High School in 1955. He received his BA degree from Hardin-Simmons University. He served First Baptist Church in Tulia as educational director and associate pastor from November 1968 to April 1972. He also served as pastor of First Baptist Church in Abernathy from 1976 until 1979. He has been the pastor of the Kaufman church since 1979.

Burke is a Wayland Baptist University graduate. He received his BA of music cum laude from Wayland in 1979. While attending Wayland, he served as

music and youth director at the First Baptist Church in Quitaque. He was music director of College Heights Baptist Church in Plainview from 1976 until 1979.

First Baptist Church of Silverton feels that God has led this evangelist and this music director to take part in the revival April 21-25. Everyone is invited to share in these services.

The schedule of services includes:

Sunday

7:00 a.m. Baptist Men's Chuck Wagon Breakfast
9:30 a.m. Sunday School
10:30 a.m. Revival Services
6:00 p.m. Revival Service

Monday

through Thursday
7:00 a.m. Breakfast in fellowship hall
7:30 a.m. Morning Service
6:30 p.m. Choir Practice
7:30 p.m. Revival Service

Young Farmers Planning Luncheon, Rabbit Hunt

The Silverton Young Farmers are in the process of planning a Hunters' Luncheon. After the luncheon the Young Farmers would like to invite the hunters to go rabbit hunting with them. They will accompany the hunters to different areas to hunt.

Anyone who has approximately 160 acres and would like to dispose of some of their excess jackrabbits is asked to contact a member of the Young Farmers

or stop by Hester's Gulf Station for further details. Please let them know by April 25.

Also anyone interested in joining the Silverton Young Farmers organization and/or helping with the Hunters' Luncheon is invited to attend the meeting at 8:00 p.m. Thursday, April 25, in the school ag shop. The luncheon/rabbit hunt is a fund-raising project for Young Farmer activities and local civic projects.

145, east of and along Highway 207, and track the storm across the area. The city marshal will watch southward along Highway 86, east of Silverton, and track the storm across the area using Highways 256 and 3365 as necessary. He will be backed up by the sheriff's unit.

Silverton eight will watch along Highway 86 eastward to Highway 2464 and south for no more than two miles. Silverton eleven will watch south on Highway 207 to Four Corners. The walkie talkies will east along Highway 86 not further than 1 1/2 miles (Burson's barn), and west along Highway 86 to intersection with Highway 3030 not more than 1 1/2 miles.

The Quitaque deputy will patrol along the caprock on Highway 86.

Should there be a northwest storm approach, the sheriff will watch along Highway 207 north; if a storm approaches from the northeast he will work along Highways 256 and 3365. The city marshal will watch along Highways 86 and 3030 if the approach is from the northwest and along Highways 86 and 3365 should there be a northeast approach. Silverton eight will cover northeast storms proceeding east as far as 3365 and north as much as three miles if necessary. Silverton eleven will watch westward along Highway 86 and north on 207 no more than two miles.

WARNING SIRENS, HORN

The dispatcher will be responsible for sounding the alarms. Sirens will be sounded when a tornado is reported in or approaching the immediate area of Silverton. The air horn will be sounded when there is evidence of a tornado within four miles of the town.

There will be a dispatcher in the radio room. He will be in charge and will be assisted by two other persons, one to keep a log and the other to handle phone calls and pass along information. No other persons will be allowed in the radio room.

Field units are asked to respect the necessity of communication with the base, and to use the radio for necessary communications only.

The repeater will be out when electricity goes off, and in this instance it will be necessary to communicate on intercity frequency. Walkie talkies are likely not to function on this channel nor mobile to mobile for much more than a mile. Walkie talkies do not scan; they must be manually changed from channel to channel to operate in any manner if it becomes necessary to use another frequency.

Silverton eight has limited radio capacity; it may be necessary under these circumstances to return it to the City Hall for standby.

In case the repeater fails to function, the sheriff's department will make use of its portable generator. Generators will be used to keep the City Hall radio functional.

Extra personnel may be pressed into service to see that shut-ins and the disabled are taken to safety.

OPERATIONS AFTER A TORNADO

It is hoped that no tornado will hit the area, but should this happen, the sheriff and city marshal will establish a perimeter, isolating the town immediately, closing out incoming traffic at Highway 86 and 207 north, Highway 207 south at 145, and Highway 86 at its junction with 256. Only authorized traffic will be permitted past these points until a perimeter has been established around the actual disaster area. This perimeter may be maintained for as long as a week.

A command post will be put into operation immediately at the (1) City Hall, or (2) Highway

THURSDAY, APRIL 18, 1985

Barn, or (3) Silverton Oil Company.

Search and rescue efforts begin at this point, under direction of the fire chief or his assistant chief or a responsible fireman designated by the fire chief, sheriff or city marshal. The fire department will be divided into four-man teams, each with a designated team captain and an orderly search of the disaster area will be begun. These teams will use every safety precaution, and report each action taken by them to the chief, including the exact location of that team.

The ambulance service will provide emergency treatment and transportation for all injured. Transportation will be arranged and records kept as to where each patient has been taken.

One paramedic will be in charge of triage. He will call on EMTs as they are needed and will oversee the medical operations.

There will be three medical teams, each working under one paramedic and composed of EMTs to perform whatever medical assistance is needed.

If necessary the director of the fire department will designate an enclosed area for use as a temporary morgue.

SENIOR CITIZENS TO HAVE MONTHLY LUNCHEON

The Silverton Senior Citizens will have their monthly luncheon and business meeting Friday, April 19, 1985. The ladies of the Silverton Church of Christ will be hostesses for the luncheon.

A nurse will be there to check blood pressure.

OBITUARIES

JOHN M. [Maggie] DANIEL

Funeral services for John Malcolm (Maggie) Daniel, 86, were conducted last week at the First United Methodist Church with the Rev. Earl Blair, pastor, officiating. Burial was in Floydada Cemetery by Moore-Rose

Funeral Home.

Mr. Daniel, born in Silverton, was retired from the automobile supply business. He was a member of the First United Methodist Church and Odd Fellow Lodge. He married Amy Hanks in 1919 in Silverton. She died in 1957.

Survivors include a son, Don, of Floydada; a daughter, Kathryn Jackson of Floydada; five grandchildren and nine great-grandchildren.

"God's Prison Gang" Film Gives 'Answer' To Crime

"God's Prison Gang," a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at First Assembly of God in Silverton on April 18 at 7:00 p.m.

The film, shot behind the walls of New York's Attica prison, is hosted by Art Linkletter. It tells the story of how the work of International Prison Ministry is accomplishing what more guards, higher prison walls and greater financial expenditures have failed to do—keep released inmates from returning to lives of crime.

Telling their stories in the 44-minute film are George Meyer, Al Capone's favorite driver; Floyd Hamilton (Public Enemy

No. 1) the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California, and Ted Jefferson, convicted of crimes from drugs and robbery to murder.

Also featured is "Chaplain Ray," whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Rev. John Bailey, pastor of First Assembly of God Church, said he hoped all citizens concerned about the problem of rising crime will attend the free screening of the film.

AstroWorld Coloring Contest To Begin Soon

Boys and girls, ages five to eleven, will have an opportunity soon to win free tickets to AstroWorld in a coloring contest to be sponsored by the Briscoe County News.

The contest will continue for two weeks, and the first- and second-place winners will receive free tickets to AstroWorld. Winners the first week also will be eligible for prizes the second week.

One division of the contest will be for children five to seven years old, and another will be for those eight to eleven years old. The first-place winners will receive six free tickets each to AstroWorld with the second-place winners each receiving four free tickets.

First- and second-place winners will be chosen each of the two weeks. In addition, some children will receive honorable mention and the award of two free tickets to AstroWorld.

A total of 50 free tickets will be given away.

Pictures to be colored will be printed in the Briscoe County News soon, along with further information about the contest. The contest will be open to all boys and girls, ages five through eleven, who have a copy of the pictures to be colored. The pictures will be submitted to the Briscoe County News in person or by mail to P. O. Box 130, Silverton, Texas 79257, and will be judged and displayed in Silverton.

F.H.A. To Conduct Cancer Crusade Here Today

Silverton Chapter of Future Homemakers of America will be collecting funds today (Thursday) beginning at 5:00 p.m. for the American Cancer Society.

The members will be telling everyone they contact during the Cancer Crusade about Colorectal Cancer and the seven warning signals of cancer.

Members who are planning to take part in the house-to-house crusade are Melannie Daniels, Lee Ann Durham, Ross Estes, DeLynn Fitzgerald, Kristy Fogerson, Alison Grimland, Shavonne Lowrey, Alesha Patton, Stephanie Ramirez, David Schott, Melissa Stone, Donna Tomlin, Venita Asebedo, Kori Baird, Carey Blackerby, Kathy Brown, Kim Burson, Rena Castillo, Stacie Chappell, Julia Couch, Tonnnette Miller, Stacy Minyard, Suzann Settle, Russell Simpson, Jeannita Stephens and Juannah Woods.

After completing the drive, members will return to the school for a hamburger cook-out.

Church To Serve Mexican Food Here Saturday

Our Lady of Loreto Catholic Church will be serving Mexican food in the church hall Saturday, April 20, from noon until 8:00 p.m.

The charge will be \$4.00 per plate. Each serving will include enchiladas, beans, rice and salad, with tea.

Bean burritos will be \$1.00 each, and combination burritos with beans, meat and cheese will be \$1.50.

Everyone is invited to attend the supper or to take out plates of Mexican food.

CPR Classes Taught At School Recently

Volunteers from the Silverton Ambulance Service have recently taught a series of cardiopulmonary resuscitation classes in the Silverton School grades kindergarten through twelve.

The classes were taught by Anthony Kingery, James Edwards and Lynn Frizzell, paramedics; Janice Hill, Sandy Harris, Jarus Flowers, Roland Asebedo, Larry Comer and Tom Burson, emergency medical technicians.

On Monday of this week, classes kindergarten through ten saw films, "Animals Can Bite" and "Clinical Rabies" presented by James Norred of Canyon, who is with the veterinary department of the Texas Department of Health.

Mrs. Margie Pinkerton, R.N., school nurse, expressed appreciation on behalf of school officials to those who conducted these special health classes.

Recent visitors in the J. D. Nance home were Michael F. Lahoud of Anchit, Lebanon, Mr. and Mrs. Rex Redies of Plainview, Ralph Lahoud, Mr. and Mrs. Fares Lahoud, Michael and Christopher of Fort Worth.

Miss Francis Is Shower Honoree

Miss Katy Francis, bride-elect of Wayne Henderson, was guest of honor at a coffee and miscellaneous shower Saturday morning, April 13, in the Pioneer Room at First State Bank in Silverton.

Guests were greeted and registered by Mrs. Lanita Cantwell, who presented them to the honoree and her mother, Mrs. Glenda Francis, and to Mrs. Glona Henderson of Lubbock, mother of the prospective bridegroom.

The refreshment table was covered with a lace-edged white cloth and the centerpiece was a fresh spring garden bouquet of pastel colors arranged in a basket. Dainty sausage pinwheels, miniature cinnamon

rolls, coffee and spiced tea were served by former classmates of the honoree, Miss Dani Whitfill and Mrs. Vicki Perry.

The hostess gift was a kitchen center.

Guests from out of town included Mrs. Fannie Francis of Plainview; Mrs. Lori House of Tulia; Mrs. Floye McCracken of Quitaque, grandmother of the honoree, and Mrs. Becky Drew of Coppell, sister of the honoree.

Hostesses were Mmes. Bobby Bean, Vicki Perry, Pat McJimsey, Reba Tipton, LaQuetta Schott, Shirley Reynolds, Vivone Arnold, Mildred McDaniel, Tina Nance, Anne Davidson, Lois Nance, Vaughnell Brannon, LaJuana McJimsey, Gayle Robertson and Lanita Cantwell.

and "Constructing A Circle Skirt to Advantage" by Mrs. Elmo Ellis of Plainview.

Door prizes were given throughout the day.

The State TEHA meeting will be held in Longview September 24-26. The National meeting will be held in Estes Park, Colorado September 8-12. National Homemakers Week is May 5-11.

During the business meeting, delegates voted to go on record as opposing the consolidation of schools with enrollment of less than 500 students. Delegates also voted to take \$300 of the TEHA contributions for renting facilities in Lubbock for the District 4-H Dress Revue and Food Show.

Louis Braille, who developed the Braille system of printing and writing for the blind, was blind himself from the age of 3.

Spring TEHA Meeting Held In Muleshoe

Bailey County Coliseum in Muleshoe was the meeting place for the Texas Extension Homemakers Association spring meeting. On Thursday, April 11, at 10:00 a.m. there were 225 ladies who registered for the program. Of this number, 50 were delegates from the 18 counties represented in District 2.

Lynda Fogerson, Briscoe County Extension Agent, and delegates Bena Hester, representing the Progressive Extension Homemakers, and Frances Kellum, representing Southwestern Extension Homemakers, as

well as alternate Lois Ziegler, were in attendance.

Nell Finney of Tulia introduced the state president, Jane Leathers, who was the principal speaker.

Dr. Catherine Crawford of Lubbock, District 2 Extension Agent, was also on the program. Joyce Cabe, District 2 Director, was in charge during the day.

A delicious lunch was served at the coliseum by the Bailey County clubs.

Workshops were held in the afternoon, including "Seminole Patchwork" by Scurry County

Great Plains Cattle Feeders' Confab Slated

"Management for Profitability" is the theme of a Great Plains Cattle Feeders Conference May 8-9 at Guymon, Oklahoma.

The two-day conference will be in the Texas County Activity Center.

Beginning at 9:00 a.m. with registration, the opening session will feature discussions on the history of cattle feeding and future trends in the cattle feeding industry.

The afternoon session will deal with feedlot fly control, removal and use of feedlot runoff and sediment, and limit feeding of growing and finishing cattle.

A special evening session will feature a panel discussion on "Futures Options."

The conference's final session will offer discussions on parasite control in feedlot cattle, interferon use in feedlot cattle, boxed beef cutout and merchandising slaughter cattle.

Speakers will be industry and university officials from throughout the Great Plains states.

A special ladies program will be featured the first day of the conference, with the main speaker being Dr. Ron Daley, national program leader for human development and family relations, Extension Service, U. S. Department of Agriculture. Daley will talk on "Effective Strategies for Coping with Stress."

The conference is being planned by Great Plains Cooperative Extension Beef Production Committee representatives from Colorado State University, Kansas

"I LOVE YOUR NOSE!"

A fellow preacher writes of pew-persons' remarks about his sermons and appearance. He has heard, "That was a great message." Also, "You did right well today." "I like your tie" is common. A startler was, "I love your nose." Actually, there's a lot of it to love!

Spouses may be too sparing with compliments. "Digs" may take their place: "Mary, how did you meet your husband?" "I was looking for a vacation, and he was the last resort." A little humor is okay, but real mutual praise is ever a deep need and helps provide beautiful cement in husband-wife togetherness.

How often do children tearfully chafe under parental scolding: "I never do anything right?" In parent-child relationships there can and must be liberal doses of encouragement and compliments.

Mark Twain said a person could live a month on one compliment.

Paul complimented Epaenetus (Rom. 16:5), and it is interesting that Epaenetus means "praiseworthy!" Hand out some Epaenetus awards.

A teacher inadvertently complimented the mother of a "goof-off" child. The next day at school the child said, "Mom told me what you said. I don't think any teacher ever wanted me before." The child's work and behavior improved vastly. Think!

"Consumers Should Know..." is the theme of this year's National Consumer's Week April 22-28.

Every week is consumers week at the County Extension Office because we have up-to-date factual information available to each of you 365 days a year on family record keeping, financial planning, food buying, home care and maintenance, food preservation, buying a home computer, using credit, buying clothing, avoiding consumer frauds, and numerous other topics.

Many agencies provide information to consumers to help us make wise, informed choices for all the goods and services we

purchase. However, if we fail to take advantage of this free information, we are no better off than we were before the consumer movement began.

The Food and Drug Act and the Meat Inspection Act in 1906, were early attempts to protect the consumer from unwholesome products. During the 1930's the consumer movement gained support because of the Great Depression.

After World War II interest in consumer issues was again required. But it was John F. Kennedy's Consumer Message to Congress in 1962 which resulted in the Consumer Bill of Rights: (1) The right to safety; (2) The right to be informed; (3) The right to choose; (4) The right to be heard.

Take advantage of your rights. Visit my office display next week and pick up free publications to help you be a more INFORMED CONSUMER.

Mr. and Mrs. Charles Sarchet visited Mr. and Mrs. Ken Sarchet, Brandon, Jordan and Molly in Lubbock over the weekend. They were at the South Plains Mall Saturday morning when Brandon's class presented a 30-minute program of vocal selections with guitar accompaniment in observance of Texas Children's Week. Brandon and Jordan were accompanied by their mother and grandmother that afternoon to see Sesame Street Live: Big Bird Is Missing, which the boys enjoyed very much, at the coliseum.

Sales Tax Rebates Higher In Most Area Cities

State Comptroller Bob Bullock recently sent checks totaling \$48.9 million in local tax payments to the 1,003 cities that levy the one-percent local sales tax.

Bullock cautioned against attempts to draw conclusions about the Texas economy based on one month's rebate figure but added the April payments "are in line with our projections for the state."

Houston received the largest check—\$8.5 million—for a total \$48 million in 1985. Dallas' check for \$6.1 million brought this year's payments to \$35.4 million. San Antonio's April payment was \$3 million for a 1985 total of

\$17.3 million. Austin's check for \$2.5 million pushed the year's total to \$13.6 million. Fort Worth received \$1.9 million bringing 1985 payments to \$10.3 million, while El Paso's payment was \$1.1 million for a total \$6.5 million.

April checks represent taxes collected on sales made in February and reported to the Comptroller by March 20.

Silverton's rebate for this period amounted to \$597.50, as compared with \$722.70 for the same period a year ago. This brought the 1985 payments to date to \$6,124.59, up 3.72% from the \$5,905.19 that had been received at this same time last year.

Quitague received no payment for this period in 1984 or 1985. The 1985 payments to date total \$3,364.64, up 7.00% from the \$3,144.48 received for the same period last year.

In the area, Claude's rebates are 22.67% higher than a year ago; Dimmitt, up 1.40%; Hart, up 30.36%; Nazareth, up 5.31%; Childress, up 0.61%; Paducah, 13.59%; Crosbyton, up 33.83%; Lorenzo, up 30.18%; Ralls, up 8.31%; Dickens, up 14.22%; Spur, up 4.05%; Clarendon, down 6.92%; Hedley, down 23.20%; Howardwick, down 20.44%; Floydada, up 23.26%; Lockney, up 11.03%; Lefors, up 14.68%; McLean, down 18.76%; Pampa, up 4.92%; Plainview, up 6.40%; Estelline, up 39.77%; Lakeview, down 1.51%; Memphis, up 13.15%; Turkey, down 3.86%; Lubbock, up 7.66%; Matador, up 19.67%; Roaring Springs, down 19.80%; Amarillo, up 2.52%; Canyon, down 3.23%; Happy, up 20.91%; Kress, down 34.74%; Tulia, up 3.38%.

Mr. and Mrs. Carl Nease and Marvin Adcox of Snyder, Oklahoma spent the weekend in Silverton. The Neases visited their son, Ron Nease and family. Mr. Adcox visited his uncle and aunt, Mr. and Mrs. George Seaney.

Mr. and Mrs. George Seaney and Mrs. Marie Boling attended the funeral of Mrs. Loraine (Shearer) Moon at Plainview Saturday morning. Mrs. Moon was the granddaughter of the late Mr. and Mrs. S. F. Cowsar Reunion Held Recently

Jettie Hardcastle recently was hostess to a reunion of the descendants of the Cowsar family. The occasion was in honor of a visit from Billy Don Stevenson, whose mother was a Cowsar.

Those attending were Mr. and Mrs. Lee Helvey McMurtry, Muleshoe; Tony M. McMurtry and son, Wichita Falls; Monte Merchant, Rex Manning, Iris Graham, Mr. and Mrs. David Podzemny and son, Bear, Amarillo; Ruth Ann Spencer, Chris Allard, Jo Ann Molloy, Arvin Spencer, Memphis; Mr. and Mrs. Starkey Whitehorn, Stinnett; Lynn and Jaquin Hylton and Billy Don Stevenson, East Bridgewater, Massachusetts; Agnes Allard, Bertha Mae Allard, Ruby Northcutt and Frances Crass.

Mr. and Mrs. James Patton, Roberta Griffin, Mikel Griffin and Taylor and Carver Monroe visited the group.

Billy Don Stevenson and daughter, Lynn Hylton and Jaquin from East Bridgewater, Massachusetts, Jettie Hardcastle and Iris Graham of Amarillo attended the Stevenson reunion in Lubbock Saturday.

Carson & Barnes Circus Coming To Tulia April 23

Recognized for four years as the "Biggest Big Top on Earth," the great Carson and Barnes 5-Ring Circus reaches a new pinnacle with its enlarged 1985 performance, coming to Tulia, near the Little League Park, for one day only, shows at 4:30 and 8:00 p.m. on Tuesday, April 23, sponsored by the Chamber of Commerce.

Hailed as "a return to the good old days," Carson and Barnes Circus features 25 elephants, a \$1,000,000 zoo of wild, exotic and domestic animals and top-flight human performers from 17 nations. It is the type of show that parents and grandparents will remember seeing when they were youngsters.

Highlighted are no fewer than 111 acts, each of which is described by the circus management as "center ring calibre." Included are Patricia White's mixed group of Nubian lions and Siberian tigers; four troupes of flying trapeze artists, including for the first time in circus history three triple-somersaulting athletes; ring-upon-ring of prancing liberty horses, for the first time in America, the thrilling high wire exploits of the daring Israel Rosales; and from Chile, Miss Orianna performing feats of grace and daring on the single trapeze high in the dome of the big top.

Among the 25 species in the menagerie are a giraffe, hippopotamus and rhinoceros.

History books come to life as Carson and Barnes uses some of its huge elephant herd for the morning chore of erecting the shining new polyvinyl tent, which stretches more than a city block long. Area residents are invited to come to the showgrounds on circus morning to witness this age-old spectacle and to see unloading, feeding and watering of the many animals.

Midway attractions open at least one hour before each performance.

Tickets will be on sale at the circus grounds on showday.

Visitors during Easter week in the home of Elton and Lanita Cantwell were Mary Chris Cantwell of Carrollton; Debbie, Cally and Cameron Burk of Raton, New Mexico; Brenda and Jackie Gaskins of Lubbock; Roger, Shannon and Devin Cantwell of Canyon, and Jewel Fleming of Amarillo.

Saturday afternoon there was an Easter egg hunt for all the great-grandchildren of Earl

Cantwell. Attending were James Zorger of Lockney; Cally and Cameron Burk of Raton, New Mexico; Devin Cantwell of Canyon, and Brian, Kami, Wayne, Ky and Bobby Martin of Silverton. In addition to the children, Earl Cantwell, Nina Martin, Dana and Dorothy Martin, Roma and Stan Martin were present.

Ag Values Discussed At Board Meeting

The 1985 ag-values were discussed at the regular meeting of the board of directors of the Briscoe County Tax Appraisal District last Thursday.

The discussion was tabled until such time as more of the members could be present. In the meantime, Chief Appraiser Carlye Hill was instructed to contact Pritchard & Abbott to ask that a representative meet with the board. The county judge, chairman of the school board and other interested members of the jurisdictions also will be invited to attend.

Chairman L. B. Garvin, jr. called the meeting to order. Also present were Joe Mercer, Robert McPherson and Mrs. Hill. Absent directors were Ray Teeple and Paul A. Ramsey.

Mrs. Hill reported that 1984 collections through the month of March included Briscoe County, 93.5%; Silverton ISD, 93.9%; Mackenzie Water Authority, 88.0%, and City of Silverton, 88.2%.

John Francis and Everett Williams were elected to serve on the 1985-86 appraisal review board. Alternates were named in case one of these was unable or unwilling to serve.

Motion carried to send appraisal notices to taxpayers whose values are increased over \$1,000. It was voted to renew the collections contract with Briscoe County for 1985, and to pay all bills presented at the meeting.

Ambulance Service Reviews Disaster Plan

At the regular monthly meeting of the Silverton Volunteer Ambulance Service on Tuesday, April 9, Silverton's disaster plan was reviewed by President Lynn Frizzell.

As soon as possible after a disaster, all ambulance service, fire department and sheriff/police department personnel are to report to the disaster headquarters, which will be the City Hall, if it is still intact, the Highway Barn, should the City Hall be destroyed, and Silverton Oil Company, should the two previously-mentioned places not be standing.

Assignments will be made for all volunteer workers, including members of the community who wish to volunteer their services at that time.

The plan provides for all the injured and dead to be taken to the disaster headquarters, and for record keeping so that the location of anyone can be determined immediately. Someone will be in charge of keeping a record of what hospital a specific victim has been taken to, as well as what area of the town and what job specific persons are working.

The ambulance service will be in charge of the medical aspect, and its members will stay on duty until all search and rescue work has been finished.

Peace officers will be responsible for securing the perimeter of the town so that no one leaves or enters without authorization.

Specific roles in communication, triage, assistance to victims, etc. was discussed, and it was decided to place a box of supplies in the basement at the Bill Boling home.

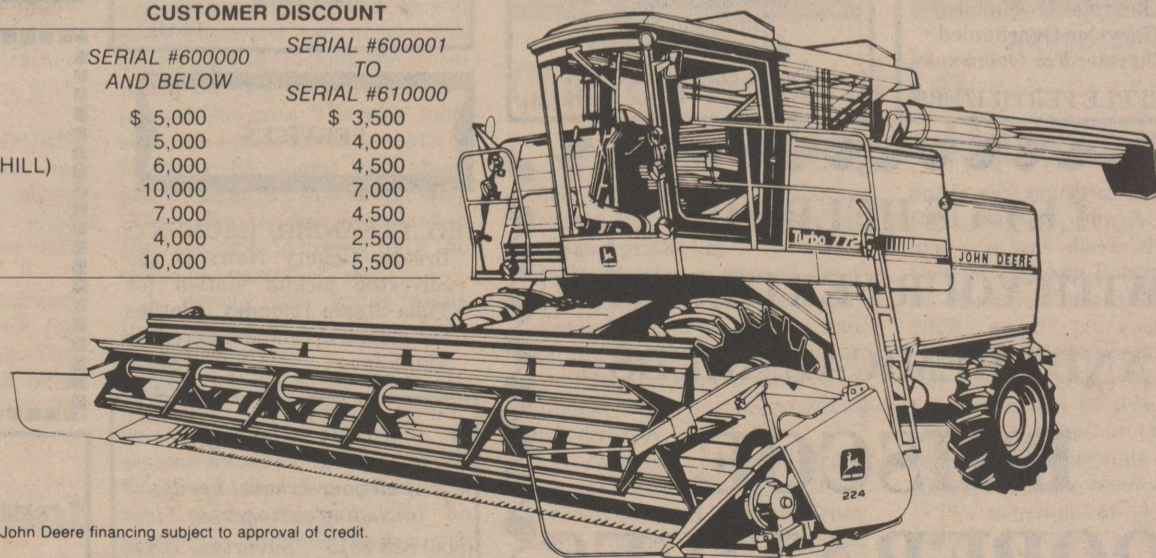

During the business meeting, the ambulance runs made during the last month were reviewed. It was announced that there will be a 24-hour school for EMT instructors beginning soon. A cardiovascular update will begin May 4 at Central Plains Hospital in Plainview. The third annual Miracle Network Children's Telethon to be broadcast on KAMR-TV June 1-2, also was discussed.

Attending were LaRue Garvin, Janice Hill, Lynn Frizzell, James Edwards, Van Breedlove, Emmett Tomlin, Anthony King-

CARDS OF THANKS

We would like to thank everyone for the food, flowers, cards, calls, prayers and every act of kindness shown in the loss of my sister. Everything was greatly appreciated.

Della and Bill Boling
and family

The family of Troy Burson wishes to thank each of you for all the acts of kindness shown to us during the time of Troy's illness and death.

A special thanks goes to the EMTs and Paramedics for their quick response and efficient service.
