THINK SILVERTON!

THURSDAY, OCTOBER 24, 1985

VOLUME 77 NUMBER 43

All Around  
The Town

BY MARY ANN SARCHET

I can't believe that this year is fading so fast. It seems the summer flew by and fall was almost non-existent. I hope we will have more Indian Summer days this fall, but with the weather we've had it seems almost spring-like now. I notice that the plants are responding like it was spring. The pasture grass seems to be trying to green up again and dandelions are blooming their prettiest. Saw some snapdragons in bud the other day.

I have some little tomato plants coming up in my yard.

But now there are only about 60 shopping days remaining until Christmas is here, and we have only nine more issues of the Briscoe County News to be printed before 1985 is history.

It doesn't seem possible ...

## Sheriff Stresses Trick or Treat Safety This Year

Briscoe County Sheriff Dick Roehr is asking parents to observe all safety precautions for trick or treat safety this year.

"With so many youngsters on the street, the risks are multiplied," Roehr said. "See that your children are visible, let them carry a flashlight, put reflective clothing on them. Caution them to look before crossing or entering the street.

"If you take them around, please park off the edge of the pavement, so as not to partially block the roadway. Dim your lights or better still, use your flashers. Bright lights blind other drivers.

"finish at a reasonable hour, before regular night traffic peaks, 10:30 p.m. until midnight. This will make for a nicer Halloween for all concerned."

## Methodist Youth To Serve Spaghetti Lunch

The Silverton United Methodist Youth will serve spaghetti for lunch following the Sunday morning worship service on November 3. There will be no charge set for the meal but donations will be accepted.

Donations will be divided between two mission projects that the youth group has agreed to support this year. One is Cherri Sloat, a teenager in the Methodist Children's Home in Waco. The youth group sponsors her and sends her birthday and Christmas gifts and special gifts during the year. One of her wishes for Christmas is a 10-speed bike, so the youth will be working toward this goal.

Another mission project that the youth will be supporting is the Conference Youth Service Fund. Youth groups around the conference donate money to this fund every year. They meet for a weekend retreat in Lubbock in January and vote on the project they want to support. In the past few years, the groups have raised as much as \$20,000 a year and have given the money to the youth camps at Canyon and Abilene, McCurdy School for American Indians in Espanola and for the Wyatt Memorial parsonage in Amarillo.

The public is invited to enjoy the spaghetti lunch in the fellowship hall of the Methodist Church at noon on Sunday, November 3.

## Error Made On Silverton City Tax Statements

Carlye Hill, chief appraiser for Briscoe County Appraisal District, notes that an error was made on the City of Silverton tax bills. The tax office apologizes for any inconvenience this may have caused.

Troy and Marge Jones returned home early this week, and are continuing to recuperate at home. # Owls Earn Big 48-22 Victory At Dawson

The Owls traveled to Dawson last Friday night and earned a 48-22 victory which put them back on the winning trail that it is hoped will lead to a playoff berth.

"We had a good defensive effort, especially in the second half," Coach Shely said. "I felt like we played really well."

Dawson opened the scoring on their first possession of the game, making three first downs enroute to the touchdown. They made the PAT, and held an early 8-0 lead.

When the Owls got the ball, they also drove down to score. Russell Simpson went over from three yards out, Sloan Grabbe added the PAT, and Silverton had knotted the score at 8-8.

Dawson scored again in the first quarter, missed the PAT, and led 14-8.

In the second quarter, the

teams traded possessions several times. Neal Edwards recovered a fumble for the Owls but then the Owls were intercepted. Silverton scored with about 3½ minutes remaining in the first half on a pass from Cal Brannon to Grabbe which covered nine yards. Grabbe added the PAT, and the Owls led for the first time in the contest, 16-14.

Dawson scored again with 46 seconds remaining, kicked the PAT, and regained the lead 22-16.

Neal Edwards began the third quarter by taking the opening kickoff 81 yards for a score. Grabbe added the PAT, and the Owls were ahead to stay, 24-22.

There was no more scoring in the third period, and the Owls owned it all in the last quarter.

Todd Reagan carried a 14-yard touchdown and Grabbe kicked the PAT.

## BRISCOE COUNTY NEWS

Silverton kicked off, and on Dawson's first play from scrimmage, Neal Edwards intercepted a pass.

On Silverton's first play, Simpson went 30 yards for another touchdown, and Grabbe aced the PAT.

Later in the game, Simpson scored on a 64-yard run and Grabbe once again kicked the ball through the uprights to ice the final 48-22 score.

Corey Robertson also got an interception during the game.

Coach Shely is concerned that the Owls not be lulled into thinking that the game with Wellman will be an easy one Friday night. In the first place, this thinking sometimes gets teams into trouble, and in the second place, every team likes to knock off someone who is in one of the top positions in the district, and often play over their heads to do it.

Other scores of interest last week were Three Way 58, Cotton Center 12; Whitharral 52, Smyer 6; Texline 36, Loop 29. This week's games see Dawson at Cotton Center, Loop at Southland, Whitharral at Texline and Three Way open.

Current standing in the district is Three Way, atop the heap at 5-0; Whitharral, 4-1; Silverton, 3-1; Texline, 3-2; Dawson, 2-3; Southland, 2-3; Loop, 1-3; Wellman, 1-3; Cotton Center, 0-5.

Friday night will be the school's Homecoming game, and it is hoped that a large crowd of fans will don their red and white and pack the stands to cheer for the Owls. Wellman beat Southland last week, 21-18, and this was probably partly due to Southland not taking them seriously. If the Owls are to go into the playoffs, they will have to win all the rest of their games one by one. The Owls have what it takes, and with lots of encouragement from their fans they'll be there for more action in the post-season!

Kickoff time is 7:30 p.m., but pre-game activities will begin at 7:15. A chalupa supper is scheduled in the school cafeteria from 5:00 to 7:00 p.m. under the sponsorship of the Senior Class.

Indians used to believe that eating milkweed roots would help them hunt deer.

## Junior High Has Game Today

Last week's Junior High football game was cancelled due to bad weather, but this week the Owls will be hosting Amherst at 5:00 p.m. today (Thursday). These Owls also have a good team, and will appreciate your coming to the game to help cheer them on to another victory.

## JUNIOR HIGH PEP RALLY TODAY

There will be a Junior High pep rally at 12:35 p.m. today (Thursday) in the school gym.

## Miss Mackenzie 1986 Crowned Here Saturday Night

Angela Stewart, daughter of Larry and Carolyn Stewart of Tulia, was selected as Miss Mackenzie 1986 at the conclusion of the annual pageant held here Saturday night. A senior in Tulia High School, she was sponsored by Bates Shoe Store. She was crowned by Miss Mackenzie 1985 Dina Joy, also of Tulia, and was presented with a jeweled tiara, a bouquet of red roses and a 14 karat gold rope necklace by the sponsoring organization, L. O. A. Junior Study Club of Silverton, a \$50.00 savings bond by the City of Silverton and a T-shirt by the Mackenzie Municipal Water Authority.

Miss Stewart has blue eyes and strawberry blond hair. She stands 5'8" tall and is drum major of the Tulia High School band. She enjoys rifle marksmanship, sewing, meeting people, working, directing the band, playing, singing and listening to music. She is vice president of the band, a Student Council representative, parliamentarian of the Future Teachers of America, a member of the Office Education Association, 4-H and the Church of Christ. She has been elected to Who's Who in Tulia High School, Who's Who Among American High School Students, and the Society of Distinguished Students. Following her high school graduation, she plans to attend either Lubbock Christian College or Angelo State University to major in music education.

Each of the five finalists answered a question prior to the naming of the new Miss Mackenzie. Miss Stewart's question concerned what she enjoys during her free time, and she replied that she enjoys listening to music, directing the band and shooting a .22 rifle.

The first runner-up was Shanna DeLynn Howell, daughter of John and Susan Howell of Tulia. She has blue eyes, brown hair and stands 5'6" tall. She is a student in Tulia High School and enjoys jazz, ballet and singing. She is treasurer of the Student Council, band secretary, plays basketball and tennis, is a member of First Folk, band rifle corps, was Junior Band Favorite, was in the All-Region band two years, has been a Student Council representative three years, was in the UIL One-Act Play, and has been named to both the Society of Distinguished Students and Who's Who Among American High School Students. She plans to enter college to work toward a degree in mathematics. She was sponsored by Progressive Study Club of Tulia.

Miss Howell was asked who had influenced her most in her life, and she replied, "My mom. People tell us we are just alike and I look up to my mom."

Second runner-up was Stephanie Mote, daughter of Weldon and Carolyn Mote of Tulia. She is a student in Tulia High School and has blue eyes, auburn hair and stands 5'7" tall. She enjoys snow and water skiing, basketball, running track and swimming. She is a member of Future Teachers of America, Journalism Club, and her church choir. Following high school graduation, she plans to major in business in college. She was sponsored by Stockman's Feed &

Supply in Tulia.

When asked about her favorite subject in school, Miss Mote replied that it is English, and went on to say that English is used in communication and that she likes to talk to people and wants to work in public relations in the future.

Chosen by the contestants as Miss Congeniality was Mary Catherine Hatcher, daughter of Charles and Carol Hatcher of Tulia. A student in Tulia High School, she was sponsored by K & D Barber Styling. She has blue eyes, blond hair and stands 5'2" tall. She enjoys golf, snow skiing and dancing. She is a member of the Student Council, band, National Honor Society, the golf team and choir. She has been chosen for Who's Who and the Society of Distinguished American High School Students. She plans to attend Wayland Baptist University to major in social work.

Miss Congeniality and the first and second runners-up received 14 karat gold bracelets and single long-stemmed red roses.

Also a finalist was Heather Holt, daughter of Kenneth and Jackie Holt of Lockney, who was questioned about what world problems concern her most. She replied that nuclear war and trouble between the countries of the world concern her very much.

Heather has green eyes, brown hair and stands 5'3" tall. She is a student in Lockney High School, and her hobbies are sewing, skiing, sports, swimming, meeting people and traveling. She was sponsored by City Connection of Lockney. She is a cheerleader, a member of National Honor Society, Fellowship of Christian Athletes, Future Homemakers of America, 4-H, Student Council and the youth group at her church. She plans to major in pharmacy at college.

The fifth finalist was Sherre Kinard, daughter of Roy and Sharon Kinard of Lockney, who also was sponsored by City Connection. She was asked about the advantages and disadvantages of living in a small town, and she replied that one of the advantages is being able to know everyone and have lots of friends. She indicated that there weren't very many disadvantages she could think of, but that it wasn't possible to know people from all over the world.

Sherre plans to attend Texas Tech University for four years and to apply for admission to the Law School. She has green eyes, light brown hair and stands 5'6" tall. She is a member of Future Homemakers of America and 4-H, and enjoys twirling, cooking and needlepoint.

Theme of the pageant was "Nights on Broadway," and the opening number was sung by the 26 contestants who were wearing top hats, white shirts with black bow ties and black pants. They were judged in sportswear and formal gowns.

During a get-acquainted party sponsored by the Century of Progress Study Club that afternoon in the Pioneer Room at First State Bank in Silverton, each of the girls had an interview with the judges, Mrs. J. C. (Loretha) Rhoderick, jr. of Plain-

## News From The AG SHOP

The FFA Fruit Sale is in full swing, so if a high school student asks you to buy a box of citrus fruit or apples, help him out. He will be earning a small profit for his local FFA Chapter and for himself. Delivery this year will be in the first two weeks of December.

All Vo-Ag students are now in the shop learning the basic skills for hot metal work (cutting torch and arc welder). All seem to be catching on very well and I am proud of most of their accomplishments. However, there's always room for improvement in skills and safety. Speaking of safety, that is our number one objective in our Ag Shop. A nagging task I have is impressing on the minds of young people that equipment can sometimes malfunction, causing serious bodily injury and that improper use of equipment can also be very dangerous.

The construction on the livestock trailer is progressing very nicely. I have had several people inspect and make comments and suggestions on improvements. I

view, Jeff Walker and Tex Selvidge, both of Clarendon.

Stage ushers for the pageant were Scotty Harris and Jeff Wheeler.

Junior usherettes were the Junior High cheerleaders, Penni Fogerson, Carrie Ann Grabbe and Tonya Baird.

Master of ceremonies for the event was Steve Coulter of Plainview. Entertainment was presented by Lisa Moseley, who sang several selections. Mrs. Anne Davidson was pianist.

Throughout the evening a number of door prizes were given away which had been donated by Heard & Jones, Bates Shoe Store and Sunshine Place, Tulia; The City Connection, Lockney; Mary John's Flowers, Briscoe Implement, Jones Department Store, Shirley Durham's Plants & Gifts, Silverton; and Venita McGavock of Creative Accents in Plainview.

The other contestants were Doree Brodeen, Jeannita Stephens, DeLynn Fitzgerald and Suzann Settle, Silverton; Kippi Crooks, Carol Grantham, Renee Morris, Loni Dulin, Kristi Davenport, Linda Osburn, Samantha Bryant, Marli George, Tobi Raymond, Tammy Hicks, Shelly House, Joda Cope, Tasha George, Keitha Dalluge, Sherri Brooks and Michelle Stark, all of Tulia. All of the girls received T-shirts from the Mackenzie Municipal Water Authority.

Girls ages 16 to 18 from the cities of Floydada, Lockney, Silverton and Tulia annually are invited to compete for the honor of being named Miss Mackenzie. The four towns make up the Mackenzie Municipal Water Authority which built Lake Mackenzie to provide a reservoir for municipal water needs.

Miss Mackenzie is expected to advertise and promote Lake Mackenzie during her one-year reign. Dina Joy, Miss Mackenzie 1986, was presented prior to the crowning of the new Miss Mackenzie Saturday night, and she expressed appreciation to all who had supported her during her reign. She said she had enjoyed representing Lake Mackenzie in area parades, etc.

appreciate this a great deal. Hope to see you at the game this week. Remember, your support is needed!
