Dear Santa,

You have Provided us with Presents for generations but, now that I am older, I finally decided that Christmas is not all about the Presents and gifts. It is all about Joy. Santa you are the best. Some people may not believe in you, but I do. We would not be celebrating Christmas if Jesus would not have died on the cross for us or we would not celebrate his birthday.

Dear Santa,

What I would like the most is an Xbox Live. If you do not know what that is, it is a program where you and your friends could play together on your Xbox.

I wonder if you have an Xbox. Maybe if I get an Xbox Live we could play together, and maybe you can slip some fishing tackle in my stocking. I would also like a new game called Minecraft Story Mode.

If you have a little time left maybe you can slip into the chicken barn and give my pet frito something and her little chicks to. I think they need a new feeder.

Thank you from the bottom of my heart. Also can you throw some batteries. Thank you Santa!

P.S. I wonder how much you much you weight.

Your friend,
Jaytin Dickey

Dear Santa,

You have brought joy to all of the world, including me. There are only two things I want for Christmas.

This would be the main one that will bring joy to my heart. If you could please stop by the orphanage if it's not a problem with you. Could you please give at least a gift to each child.

If you could do you think you could squeeze in one more gift for me. It would be a new air conditioner for my Suzuki. I would be thankful for it.

Those are the two things that will bring joy to my life and children, too.

Sincerely,
Your truly
Cutter Barr

Dear Santa,

There are only four things I want for Christmas and those

four things are a drone, mega mestodon, nerf robot and a remote controlled helicopter.

I want the nerf robot because it can spy on people and shoot people when you want them to.

Another thing I want for Christmas is the Mega mestodon. the Mega mestodon is a motorized nerf gun that can hold any where near twenty-seven bullets to thirty bullets.

Another thing I want for Christmas is a drone.

I want a drone because they can fly high and have cameras built into them.

I also want a remote controlled helicopter so I can spy and shoot missiles at the same time.

I also was just checking up on your raindeer and you and I was seeing how they were doing.

Sincerely
Steven Shackelford

Dear Santa,

How long does it take you to get from the North Pole to Texas?

This year I would like an Xbox one. That way I can play all the new Xbox games that are coming out. I would also like some aircraft guns so I can practice my shooting. It would be real nice. Also a 20.0 trail bike.

Thank you for all of these years giving me presents.

Sincerely,
Slone Rose

Dear Santa,

Hi my name is Skylar. I am very thankful for you. Thank you for being there when we needed you. Thank you for giving us presents.

I hope you can bring me a pair of jeans and camo shirts. Thank you for the past 11 years for giving me presents. When I didn't need them. I am wondering about what you want me to make as a dessert for you?

I really hope you can get me those things even though I don't want that much Stuff. I hope you have a safe trip flying.

If you don't mind, will you please get me some kitchen utensils, and a cookbook and an Easy bake oven. Would you also get me some clothes and some more warm superhero socks. Santa thank you so so much for all the toys and presents you have been giving me throughout the years.

Your friend,
Miah Baca

P.S. Give all the homeless children lots of food and toys and warm clothes. By the way how is Mrs. Clause?

Dear Santa,

Hello, I really like you and your elf's. You are really nice. You have two different list like naughty and nice. So we have to be nice to people and family be nice not naughty.

This is what I want for christmas from you please. Can I have a mylife doll Horse, an a bed for mylife doll even a shirt that has FE on it, and a necklace with my name on it, and snuggles the puppy from mylife pets, and farm animals.

How much does your raindeer eat a day. How many raindeer do you have. I really do thank you for what you do for my brothers and me. Thank You!

Dear Santa,

Hi Santa! Hows your day going? Thank you for my Scooter and all the gifts you brought me last year.

This year I would really like an American girl doll with a horse. I would also like a new pair of Nike shoes that are pink and black and some Batman and Superman clothes or socks would be awesome. My sister and I would both love some Texas Tech curtains if you can get some.

How's mrs clause doing? I hope she is making you some good cookies. We will leave some milk and cookies on Christmas Eve. Have a Jolly trip around the world.

Looks like it was about like what we witnessed at OKC. Strong winds and dry snow that could not stick to anything.

The Meriwether Christmas was at the Musae's on Saturday evening. The blowing snow did not keep over thirty hearty souls from attending.

Services Are Dec. 17 For Jeffrey Britt

Jeffrey Lewis Britt, 31, died Tuesday, Dec. 13, 2016.

Jeffrey Britt

Services were held at 10 a.m. Friday in The Church of Jesus Christ of Latter-day Saints, 5401 S. Bell St. Burial followed at 3 p.m. in Wheeler Cemetery in Wheeler. Arrangements were by Griggs-Schooler-Gordon Funeral Directors, 5400 S. Bell St.

Jeffrey was born April 19, 1985, in Pampa to Lewis and Jennie Britt and lived on the Britt Ranch near Wheeler.

It became apparent right away that he had major medical issues. Jeffrey moved back and forth between Texas and the Washington, D.C. area to deal with these and live near extended family until

he was 13. He then moved to Amarillo in 1998, where he lived until his death.

While challenged with severe disabilities, the one thing that Jeffrey did on-time and without any degree of limitation was smile. It was this smile that encapsulated the joy that Jeffrey would find throughout his mortal life.

It would be difficult to describe Jeffrey's accomplishments and contributions when judged by worldly standards. He never spoke or walked, and could not take care of himself in any way. Yet, he was funny and kind, pure and loving. He taught those that chose to really see him that you can learn the true value of a person, and of life, without ever uttering a word. He endured much physical pain and many medical procedures with unwavering strength. He fought hard to survive and to love life in the process. Doctors estimated early that he might not live longer than five years, yet he lived more than three decades. He will be dearly missed by his family and those who knew him.

He was a member of First Ward of The Church of Jesus Christ of Latter-day Saints.

Survivors include his mother, Jennie Britt; his father, Lewis Britt; and a brother, Thomas Britt.

The family suggests memorials be to Advo Companies Inc., 5241 S. Washington St., Amarillo, TX 79110, (806) 342.0600. Advo is an amazing non-profit program which provides homes and employment and a day-program for adults with intellectual disabilities. They took Jeffrey in and loved him like family from the day they

met him.

MOTHER NATURE, OLD MAN WINTER, AND SANTA CLAUS

Isn't it interesting, how as a kid, you form opinions based on how your mind pictures things? Thinking about it, that doesn't change much, even as you get older. All my life, I've chosen to picture Mother Nature as a middle-aged, sweet natured lady, with gray hair. Also, I tend to think of her, as giving us sunny weather, flowers, with birds flying all around. (Too many Disney movies?) To be realistic about it, I'll have to admit, she does rough us up pretty badly in the summertime some years, but I don't dwell on that much. On the other hand, there's "Old Man Winter." He's a grumpy old guy, whose job, is to make the weather cold and snowy. I've even seen pictures of him "puckering up" and blowing in a blizzard. Just as Mother Nature, isn't nice all summer, old man Winter, isn't bad all winter. Here's my thinking about that. In the summer, while Mother Nature is in control of the warm weather, Old Man Winter and Santa Claus hang out at the North Pole. It never occurred to me before, but I'm sure Old Man Winter and Santa Claus are good buddies. Late in the year, while Santa and the elves are finishing Christmas work, Old Man Winter starts moving south, getting the

"Wheeler: town of friendship and pride"

Debbie Kinnaman Is Buried Dec. 15

Debbie was born September 12, 1954 to K.D. and Lou Dean Douthit. She was the youngest of 4 daughters. Her older sisters being Peggy, Billie and Sherry Dean. She attended school at Briscoe ISD, where she developed a love for basketball and a killer hook shot. Her love for sports continued her entire life, as she later played Outsider Volleyball in local tournaments. She spent her later years supporting her kids and grandkids in whatever sports they were involved in at the time.

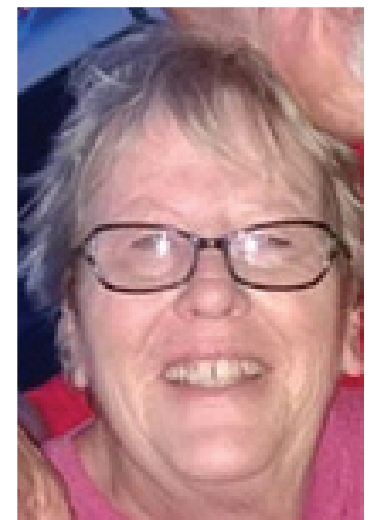

After high school, she attended Vernon Junior College, eventually getting a cosmetology degree in hair design from a beauty school in Pampa. She ran a beauty shop from a small house on her parents' home place just outside of Briscoe.

She had an 8 year old daughter, Tressa, when she met her future husband of 34 years, Bob Kinnaman. Bob was an oilfield man who came to Briscoe with the oil boom, bringing with him 2 wild boys, Joe Bob and Corey. Bob and Debbie fell in love and married on March 12, 1982.

Bob and Debbie's youngest daughter, Kirbie, was born in 1983. In that same year, she began work at Parkview Hospital, where she worked with many close friends until her death on December 12, 2016, in that same hospital surrounded by family and friends.

Debbie would best be described as strong. She was firm but fair; loved her family and friends without condition, and had a wonderful sense of humor. She was a fighter, but not with her fists. She fought with her heart, her mind and her faith. She loved her grandkids to the point that she had license plates made that read "GRANI1." She was a member of Briscoe Community church.

Christmas was one of her favorite holidays and 2 years ago there was actually snow on the day of the family get together. The grandkids wanted to sled, so Grani got each of them cookie sheets to use from the kitchen

Debbie Kinnaman cabinet. Cookies would never be made on them again but memories were made to last a lifetime.

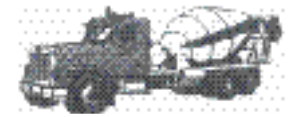

Debbie will be missed dearly by all of us. She is not gone, simply gone home. This is not a "Good bye" but a "See You Soon." Say hi to Tressa and the rest of the family who has gone before and rest peacefully until we meet again.

She was proceeded in death by her daughter, Tressa Perry; her parents, K.D. And Lou Dean Douthit; and two sisters, Sherry Dean Bradshaw and Billy Stuckey.

Survivors include her husband, Bob Kinnaman of Briscoe; three sons, Todd Kinnaman and wife, Mandy of Archer City, Joe Bob Kinnaman of Elk City, Oklahoma, Corey Kinnaman and wife Caaron of Mobeetie; two daughters, Stacci Reis and husband Brad of Mobeetie, Kirbie Barr and husband, Donnie of Mobeetie; one sister, Peggy North of Mobeetie; 16 grandchildren and 10 great grandchildren.

Supt. Brian Markham Looks Back On Wheeler I.S.D. First Semester

December 21, 2016
As we conclude the fall semester at Wheeler I.S.D., it is important to look back on the many accomplishments of our students and look forward to what the spring holds. WISD is truly blessed to have outstanding students, teachers and staff that work diligently each and every day in order to make our district the best that it can possibly be. Very often, we can get lost in the day-to-day operations of "school" and not put into perspective the positive things that are happening around us. It is important to look back and recognize these accomplishments and use them to propel us through a hectic spring and ultimately to the end of the year.

Beginning in September, the district had the opportunity to honor Wheeler-born Captain Alan L. Bean, who was the fourth man to walk on the moon, with a program and dedication of a statue at the Wheeler Historical Museum. The event was truly amazing as Captain Bean shared his experiences and provided encouragement for students to dream and to work to achieve.

Other activities involving Thomas Helton Elementary students included participation in Fire Prevention Week. Our K-2 students always enjoy and share a learning opportunity with our volunteer firemen here in Wheeler. We are grateful for their service and the information they share with our students.

Another highlight of the fall semester is the annual Veteran's Day Program. Our students and student council representatives do an amazing job each year recognizing the veterans of our community and the surrounding area. It is vital that we pass on the importance of those who serve our country, and this opportunity instills a sense of pride in our students for those who have so selflessly served our nation. We, as adults, are always amazed at the program that the students put together. It is impressive to see what our kids can do when given the opportunity.

Along with what we may refer to as major semester events, the district has experienced many other accomplishments throughout the fall. Our elementary and junior high students have continued their work in developing a robotics program under the guidance of Ms. Schwerzenbach, grades six through eight have been working in conjunction with the Wheeler County Sheriff's Department on the DARE program under the direction of Deputy Schlabs, and just recently, our third through eighth graders participated and performed very well in District UIL contests.

Both junior high and high school student councils have worked on community projects. The junior high raised money for smoke/carbon monoxide detectors for all junior high students and the high school collected canned food for the food bank here in town. Also, the national honor society students raised money for music and memory, which assists the residents at the Wheeler Nursing and Rehabilitation Center.

WISD students have not only participated in a number of community outreach programs but also excelled on the football field, in the band and with the FFA. Our football team completed the season as district runner-up and advanced to the area

round. Our marching band performed well at the area marching contest and has advanced numerous students to both the Five State Honor Band and the All Region Band. A member of the local FFA Chapter just recently was elected to the Area officer team as well. Woodshop students again have amazed with their creative and impressive projects for the fall. You can walk up and down the halls and see the many projects that have been completed by students ranging from elementary on up.

Wheeler Schools have definitely had an outstanding fall semester. Many of the creative and exciting things that occur in our district each and every day have not even been mentioned. I cannot be more proud of the outstanding students, teachers and faculty here at WISD. I personally welcome anyone in the community that would like to see what we are doing for the students of this community to stop by and take a look some time.

On behalf of Wheeler Schools, I would like to wish each and every one of you a Merry Christmas and a Happy New Year!

Sincerely,
Bryan Markham
Superintendent

STORM REPORT

As Reported by . . .
Stormie Meriwether,
Seventh Grade Student

Dear Friends, We had our Christmas band concert at school. It was beautiful! My class played three songs. "Hark the Herald Angels Sing" was my favorite. We will miss Mr. Eakins. He is a great teacher. I am glad that Mr. Bratton will still be our band teacher.

In Mrs. Moores class we read A Christmas Carol by Charles Dickens. That was a good story for people who don't like Christmas and don't

like to be nice to people. After we read the book we watched the movie. They were not the same, but I enjoyed both.

We had our big family Christmas at Gina's (Musae) house. We did a gift exchange. I got a beautiful necklace and a wallet from my cousin, Hattie. We have a fun time at our family Christmas.

One night Dad and I were waiting for Mom at Baba and Pop's house. Ms Ada (Lester) and my mom were working on the county historical things. On the way to the house they saw a strange thing by the road on Main Street. It was a beautiful golden cat. They stopped to see if it was ok. It was not ok. They picked the cat up in a box and took it to the Wheeler Veterinary Clinic. Dr. Ben Ed put the cat in a safe-warm place. The next day the cat was still alive, but he had to have surgery. Poor cat! Mom and Ada named him "Poppy". He is so sweet. He loves for me to rub his head, but it is hard for him to eat. Ms. Ada is going to try to get him well. I hope he gets well and can live and be a happy cat! That would make me happy for Christmas! That's it!

Adult Truths

Obituaries would be a lot more interesting if they told you how the person died.

I can't remember the last time I wasn't at least kind of tired.

Bad decisions make good stories.
