## STORM REPORT

As Reported by...  
**Stormie Meriwether**,  
Eighth Grade Student

Dear Friends, We had Father's Day at our Hinton church. Then we had dinner with Mark's family. We saw the little kids, Adalyn and Clark. They are so cute every time I see them. For Father's Day I gave my dad a new fishing tackle box and some Road Runners. He loved it! I love to go fishing with my dad!

Basketball-Basketball-BASKETBALL!!! I can't believe how much I love BASKETBALL! We went to a basketball camp in Elk City, Oklahoma. We played games all day. Every time I learn a little bit more. Our coach is Yuri Soto. She is very smart about basketball and she tells me what to do. We went three days to the camp. That was fun and hard. Then “the camp” asked us (Wheeler Jr. H) to come back to play again for two more days. I am learning to be aggressive and the difference in where to play for offense and for defense. Sometimes it is a little confusing, but I really like to play. I do not want to quit basketball. It is great! That's it!

## Nominations Are Needed For Awards

Nominations are now open for the Wheeler Chamber of Commerce's “-- of the Year” awards. Your help is needed to insure the most deserving people receive these awards.

Recognized each year are the man, woman, teenager, employee, business and pioneer spirit. There are local individuals, whose deeds often go unnoticed. There is that employee that “puts forth that extra effort”; an employer might have that special employee or a customer might appreciate the extra help they received.

If you know of someone, who has gone unrecognized, inform the Wheeler Chamber of Commerce office, 806-826-3408 or email, [chamber@wheelertexas.org](mailto:chamber@wheelertexas.org)

Just for the fun of it I searched out in one of my many books and found a quotation on Heat! Who would have thought it! I guess if you dig far enough, deep enough and long enough you will find what you're looking for...and I did. So prepare yourself for this bit of wisdom!

"Heat, ma'am! It was so dreadful here that I found there was nothing left for it but to take off my flesh and sit in my bones!"

I imagine that is all of my wisdom you will be able to handle this week so on the bigger, cooler things!

**Food for Thought**

Keep a healthy life, without great physical effort. Do moderate exercise (like walking every day), eat well and get your sleep. It's easy to become sick, and it gets harder to remain healthy. That is why you need to keep yourself in good shape and be aware of your medical and physical needs. Keep in touch with your doctor, do tests even when you're feeling well. Stay informed.

Always buy the best, most beautiful items for your significant other. The key goal is to enjoy your money with your partner. One day one of you will miss the other, and the money will not provide any comfort then, enjoy it together.

## A Much Needed Service for Land and Mineral Owners

**SALEM ABRAHAM** and his team at Salem Oil & Gas, LP are now buying land and minerals in the Northeast Texas Panhandle. Salem began buying and selling ranchland and minerals along with his grandfather and brothers in 1986. His team today consists of Lee Haygood and Colby Waters who have extensive ties to the area and years of experience working on land and mineral deals with Salem. Additionally, our petroleum engineer, John Walker, and our geologist, Stephen Yokubaitis, have many years of experience valuing minerals in our area.

**HERE IS THE DEAL:** If you have land or minerals to sell at a realistic price, give us a call. We will be in touch with you within two business days and make a cash bid within 72 hours, and be ready to pay off as soon as the title is clear. This will save you thousands of dollars in advertising and commissions and days of showing your place to people who aren't serious buyers.

**THIS IS A UNIQUE** local business. You know who you're dealing with and no deal is too big or too small.
