USDA Seeks Local Input From Locals On Natural Resource Concerns July 20

The USDA Natural Resources Conservation Service (NRCS) and the Wheeler County Soil and Water Conpublic and any agencies with an interest in conservation issues to participate in a Local Work Group meeting to be held at the Wheeler USDA Service Center. This meeting will be on July 20, 2017 at 8:30 a.m.

The purpose of this meeting is to receive input from a broad range of local agencies, organizations, businesses, and individuals that have an interest in natural resource concerns

and needs in Wheeler County. Input received will allow the Local Work Group to make recommendations on resource concerns to be addressed, eligible practices, and ranking for county based funding. These recommendations will be used in implementing the Environmental Quality Incentives Program (EQIP) and other conservation programs offered by NRCS.

The 2008 Farm Bill stipulates that conservation programs must continue to be locally led. Through stake holder meetings, the public is (Continued Page 2)

A Much Needed Service for Land and Mineral Owners

SALEM ABRAHAM and his team at Salem Oil & Gas, LP are now buying land and minerals in the Northeast Texas Panhandle. Salem began buying and selling ranchland and minerals along with his grandfather and brothers in 1986. His team today consists of Lee Haygood and Colby Waters who have extensive ties to the area and years of experience working on land and mineral deals with Salem. Additionally, our petroleum engineer, John Walker, and our geologist, Stephen Yokubaitis, have many years of experience valuing minerals in our area.

HERE IS THE DEAL: If you have land or minerals to sell at a realistic price, give us a call. We will be in touch with you within two business days and make a cash bid within 72 hours, and be ready to pay off as soon as the title is clear. This will save you thousands of dollars in advertising and commissions and days of showing your place to people who aren't serious buyers.

THIS IS A UNIQUE local business. You know who you're dealing with and no deal is too big or too small.

Some food for thought.

Don't stress over the little things. You've already overcome so much in your life. You have good memories and bad ones, but the important thing is the present. Don't let the past drag you down and don't let the future frighten you. Feel good in the now. Small issues will soon be forgotten.

Storm

(from Page 1) The Fourth of July is here! Jaeden's (Musae) brother, Ryan and their cousins, Trenton and Sawyer, came. We are having a fun time. We had to play in the big sprinkler at home. The pool was closed on Monday. Ethan and Clark (Meriwether) came. Clark rode in the tractor to get sand. He

loved his sand pile! We had fun at the shrimp boil until the storm came. The rain is good. Now we can have a super fireworks show! I am excited about the Fun Run! The shirts are really cool and we remember Ben Britt. My mom always tells the story of Ben before we get our shirts. That's it!

70 Year Tradition: The Sheltons held their 70th consecutive Family Reunion at Foss Lake June 22-25. This year reunion was bitter sweet as the family lost their Monarch on May 2, 2017, ninety-four year old Mae Shelton Bailey. In memory of Mae and celebrating 70 years it was one of the best, with over 115 people attending. Coming from Oklahoma, Texas, New Mexico,

Colorado, Kansas, Arkansas, Florida, California and Spain. Members from 6 of the 8 original children of Henry and Beulah Shelton were there. The weather was perfect the whole weekend and the lake was full. Everyone had lots of fun on the lake in Teddy's boat with lots of sore muscles and a few bruises. We had all kind of games, sack races, horse shoes, jenga contests, a water slide for the kids and the adults took over and had a great time. All the food was outstanding and the ribs on Saturday was the best every. Plans are already in progress for next year on June 21-24. Something to not miss.

Chat (from Page 1) There was good attendance and participation in each of the

Kelton FFA Attends Xcel Energy Electric Camp: Four members of the Kelton FFA Chapter recently had the opportunity to attend the FFA Electric Camp sponsored by Excel Energy. The camp was hosted by Frank Phillips College in Borger, TX. While attending, campers were given the opportunity to receive instruction over electrical wiring, motors, and controls. Attending were (I. to r.) Mike Grant of Excel Energy, Kaleb Kimbro, Brock Buckingham, Mark Herndon, and Kade Hathaway.
