Dear Friends, This is Thanksgiving Week and I have many things to be thankful for. I am thankful that my dog, Mason, is still alive. We had to take him to the vet clinic because we thought he was going to die. Dr. LeeAnn kept him for two days. She said he has diabetes. I’m sorry he is sick, but I am so happy that I get to keep him for a little while longer. I got him when I was four years old. Now we have to give him insulin and special food. He is much bet-

have to admit it will take care of some the bugs, allergies and sickness we've been sharing with each other lately.

Thanksgiving is getting close and we will be closed November 21st all through the rest of that week and open on the 26th. So mark your calendars so you don't make a trip to the library and myself are the only ones that feel that way so please all a very happy Thanksgiving with food, family and fun!

New books came in and some leave just as fast as they are prepared to put out. Let us know if one is gone because we do keep a running list of folks and their reading needs.

Folks are really good to return new books so others can read them.

a. Principals' Reports—Mrs. Miller presented the board with activities related to the counselor's office for the first eight weeks of school. The following items were discussed: senior interviews, FAFSA applications, school applications, ACT/SAT enrollment, scholarship opportunities, ASVAB testing, and TSI testing. Mrs. Miller also discussed the Canadian Career Fair that was attended by juniors and seniors as well as the new college & career readiness room that is being developed.

Mr. Dale provided the elementary principal's report. Enrollment numbers were steady this month, down one from the first six weeks. Elementary classes have started WOWW field trips with 3rd grade attending Palo Duro Canyon and 1st grade attending the Amarillo Zoo. Also, authors Josie Hudson and Gary Hogg will be making presentations to older elementary students in the coming days. The MakerSpace program has been a hit for students attaining goals during the first six week period.

Juniors and seniors attended the Canadian Career Fair, district football is in full swing with a win to begin district play, the band performed very well, placing 14th at the Amarillo Invitational Marching Contest, and the boys' cross country team finished second in district and qualified to run at the regional meet.

struggling with a mental health or substance use problem and to connect them with appropriate support and resources when necessary.

One in five Americans has a mental illness, but many are reluctant to seek help or might not know where to turn for care. Unlike physical conditions, symptoms of mental health and substance use problems can be difficult to detect. For friends and family members, it can be hard to know when and how to step in. As a result, those in need of mental health services often do not get them until it is too late.

Just as CPR helps even those without clinical training assist an individual having a heart attack, Mental Health First Aid prepares participants to interact with a person experiencing a mental health crisis. Mental Health First Aiders learn a 5-step action plan that guides them through the process of reaching out and offering appropriate support.

"Through this program, we hope to take the fear and hesitation out of starting conversations about mental health and substance use problems," says Linda Rosenberg President and CEO of the National Council for Behavioral Health.

Thanksgiving Saturday at OKC. Good food, visiting and cards were enjoyed.

We did not make it to the city until Friday this past week, we had "grandparents duty. Stormie stayed with us while her parents were gone.

Wishing each of you a "Happy Thanksgiving".

ter, but he has to stay in the house and we have to give him all the attention and love and care that we can. I am going to learn how to give him his shots, but for now my mom is going to do it.

I am thankful that my dad did ok on his surgery on his nose. He had a cancer removed. The doctor said she got all of it, but she had to put twelve stitches on the side of his nose. He had to leave it alone for two days. My mom changed the bandage and showed me how to do it. Now I take care of my dad and my mom watches to make sure I do it right. I am thankful for my family. We take care of each other. I am thankful for my Baba and Pop. They let me stay with them when my parents have to go to the doctor on a school day.

I am thankful for Mr. Bratton and the Wheeler Mustang Band. I am thankful that the Mustangs won another football game and we get to play again on Friday! I am thankful for my school, teachers, and my church. I am thankful for my friends and my piano teacher. I am thankful that Mrs. Keys fed my pig for me while I was in OKC.

I am thankful that my big family came to my city house for the Meriwether Family Thanksgiving dinner. We ate delicious food, watched football and played cards. Tate (Musae) caught a big bass. I enjoyed being with my cousins and entertaining the little ones, Addy and Clark. It was a great day! That's it!
