What a Whopping Good time we are having this summer! Our Little's and Big's are showing up in numbers and they are full of energy which is how I like it! Our Space program is flying high and I am amazed at the info they already have about planets and such. The 6-11 year old's made a planetary system on a 14ft. paper with limited supplies. I gave them tissue paper, tape, glue and aluminium foil and told them to make a Big Solar System and they pulled it off in flying colors! It will be on display in the Work Room for all to see next week. They even gave me a bonus of meteors, astronauts, comets and stars!

Remember: 0-5 year old's @ 10 a.m. on Mondays; 6-11 year old's @ 10 a.m. on Tuesdays; Jr. Hi/High School Thursdays @ 10 a.m.. The Paint With Diamond class is going great so it isn't late to order your kit and join us. Doodle Class has been canceled for the time being but everything else is going strong!
