STORM REPORT

As Reported by...
Stormie Meriwether,
Ninth Grade Student

Dear Friends, I love my church and Pastors Erron and Sonya Mercer. Going to church makes me feel closer to God and I know that he is always with me.

My “big brother,” Gary Thomas, had a birthday on Sunday. Gary, I missed you coming to see us. I hope your

Wheeler E.D.C. Conducts Business

Monday, July 8, 2019
7:00 p.m. in City Hall

Members Present: Ben Ed Hillhouse, Jack Helton, Randy McCurley, Dale Kidd, Yvette Venzor and Councilwoman Amy Zybach

Members Absent: John Hankins

Also, Present: Kristen Moudy, EDC Director and Brian Fuller with Edward Jones

Ben Ed called the meeting to order at 7:02 pm and Jack opened in prayer.

Randy made a motioned to approve the May 6, 2019 minutes, Jack seconded the motion, passing it with all 6 members voting for, 0 against, 0 abstaining and 1 absent.

Public Comment – Brian Fuller with Edward Jones introduced himself and gave a little background on what he is doing.

No financial update.

Ben Ed called the EDC Board into Executive Session at 7:37 pm and adjourned it at 7:46 pm. No action was taken from Executive Session.

Discussion was held on the request to pay Leading EDG mileage. No action was taken, but Kristen was asked to research the contract to see what it said about paying mileage.

Discussion on helping Parkview Hospital with their postcard marketing campaign to help bring awareness for the hospital. It was requested of Kristen to do some more research and help them to market and best use of funds. In a motion by Jack, seconded by Yvette, the motion to use funds up to \$3k to help in promoting Parkview Hospital was approved, with all 5 members voting for, 0 against, 1 abstaining and 1 absent.

Discussion was held on Kristen going to the High Ground Forward Planning Retreat in Ruidoso, NM. She stated she would be willing to go if the board wanted her to, but was willing to pass this year and save on travel expenses. The board agree that it would be best to pass this year if she did not feel it was necessary.

Kristen gave the board an update on several requests for land and buildings that she has had.

Upcoming events: July 18th – WT SBDC Google Workshop in Wheeler; July 19th – Parkview Open House and Leading EDG with Spencer McElhannon; July 23rd – 25th – Rural America Summit in Tulsa, OK; August 1st – 4th – Highway 83; August 6th – Borger Round Table

Future agenda items to be discussed will be Leading EDG updates.

Wellington State Bank Names New President

My name is Shane Sawyer and it is my pleasure to be joining the team at Wellington State Bank. I look forward to meeting you and becoming an active part of the Wheeler Community. I was raised in Stratford, TX, and grew up farming and ranching. I attended Abilene Christian University, graduating with an Ag Business degree in 1995. While attending ACU, I was blessed to meet and marry Heather Hufstедler from Amherst, TX. After graduation, we moved to Ulysses, Kansas, where I worked at

Grant County Feeders and Reeve Cattle Company. In 2001 Tess and Kylee were born. Looking to spend more time with my family, we decided to move to Canadian, TX, where I have worked for Abraham Trading for the past 18 years. Now God has given us an incredible opportunity to join this community and to do our best to assist in the future endeavor or its people. I want to invite you to come by the bank and give me the opportunity to visit with you and for our team to serve you in our banking needs.

Bill Beaty To Speak At Mobeetie's Sept. 1

Bill Beaty will be the speaker at Mobeetie's Church on the Grounds Sunday, September 1, 2019.

Bill Beaty hails from Cheyenne, Oklahoma and started writing and recording Christian country music in the mid 80's. Raised on a cattle ranch, Bill started rodeoing at an early age and rode saddle broncs and bulls in college and professionally. And because of a strong Christian upbringing, it was a natural fit for Bill to start ministering to the cowboy community across the country.

Bill's traveled many miles doing concerts and cowboy churches across Oklahoma, Texas, and New Mexico as well as many trips across Wyoming and neighboring states.

Bill's written and recorded several albums. His first ones were completed in Oklahoma, and the latter ones were recorded in various Nashville studios. Bill's been blessed to have several well known

musicians and background singers contribute to his soundtracks. Aside from his own success as an artist, Susie McEntire, as well as several other artists have recorded his songs. Bill recently returned to Nashville to record his sixth album of songs that address the times that we

As we begin a new school year, it is great to reflect on the past. The 2018-2019 school year yielded many blessings and successes for Fort Elliott. The teachers, staff, students and community made the year an exceptional one for almost everyone. The teachers showed remarkable creativity, which the teachers responded. Students representing Fort Elliott showed exceptional integrity and resolve in all the activities they participated. The

live in today.

Bill and his wife, Renee, were married in 1973 and they have three children, Casey, Casey and Taylor. In the early days he was a school teacher and coach in Oklahoma and Texas for 14 years. After that, he started Rockin' B Bucking Machines, Inc., where he, also for 14 years, oversaw the development and production of a new style of mechanical bull. Rockin' B bulls were marketed all across the U.S. and to many countries around the world. The bulls were used for rodeo training by top cowboys such

as Ty Murray but also used for entertainment purposes by artists such as Brooks and Dunn and Brad Paisley, etc.

Today, Bill feels it's time to spread the good news of Jesus Christ through music or however God leads. He believes that the only hope for America and the world is repentance before God and revival. And in these end times as Christian religious freedoms decrease and the evil of the new world order increases, it's time for Christians to take a stand for their faith and fully prepare for the challenges that lie ahead.

success of the students was reflected in our recent state accountability. Fort Elliott improved from a state rating of 89 for the 2017-2018 school year to a 96 for the 2018-2019 school year. Fort Elliott wasn't only the highest performing school district in Wheeler County, but was the second highest rated school district in the Texas Panhandle. We received multiple performance distinctions for reading, math, academic growth, closing learning gaps and post-secondary readiness. The Fort Elliott school district would like to thank our local communities for their continued support that makes us exceptional. We hope this school year is as successful as the last.

The 2nd Annual Mo Memorial Golf Tournament was a big success again this year. This tournament was held at the Pampa Country Club in Pampa, TX on Saturday August 10th, 2019. Many friends, family members & golfers took their spot in making this a success. This tournament is staged with the funds & donations to promote scholarships to the senior students of Canadian, Pampa, Borger, Highland Park, Wheeler Shamrock, & White Deer schools. These are the schools that Mona Jennings Freeman taught, coached, graduated & played golf in her career. Mona loved teaching & playing the game of golf. We couldn't imagine a better way to carry on her legacy than by helping students in the surrounding communities with their educations.

We had other fundraisers going as well: 50-50 raffle, T-Shirt sales, & 16 Silent Auction items up for bids. We still have some shirts to sell if anyone is interested. for students and to notify TDLR when a student is eligible to take the examination. Massage school reporting requirements go into effect on July 1, 2020.
HB 2747 prohibits any individual, including a student, license holder, or employee, from residing on the premises of a massage establishment after September 1, 2019. The bill requires licensed massage therapists to attach their photograph to the front of their posted license no later than January 1, 2020. The bill also requires massage establishments and schools to display a sign concerning the services and assistance available to victims of human trafficking no later than April 1, 2020.
Midwives
HB 2847, Article 9, removes the requirement that the presiding officer of the Midwives Advisory Board be a public member. This bill takes effect on September 1, 2019.

New TDLR Laws Effective September 1

This is not a complete list.
More than 70 new laws and changes affecting programs administered by the Texas Department of Licensing and Regulation (TDLR) go into effect on September 1, 2019. These changes are the result of bills passed by the 86th Texas Legislature earlier this year, some of which took effect immediately.

In order to administer these changes, in some cases the agency must first develop rules for implementation. Some bills include specific direction to TDLR on the rules the agency must adopt and the deadline for adoption.

The rulemaking process gives the public an opportunity to provide comment and feedback at TDLR advisory board meetings. The public can also participate in the process when proposed rules are published in the Texas Register and at meetings of the Texas Commission of Licensing and Regulation when the rules are discussed and brought up for a vote. The rulemaking process can take several months to complete.

To keep abreast of proposed rule changes, sign up for email updates: <https://public.govdelivery.com/accounts/TXD/LR/subscriber/new>. Select "important notices" for the programs of interest.

Editor's Note: Below, we've organized a listing of bills by TDLR program. The bills impacting multiple TDLR programs are listed first. Bills impacting specific programs are listed after that section.

Bills Impacting Multiple TDLR Programs

Senate Bill (SB) 37 removes authority for a licensing agency to take disciplinary action against an applicant or licensee, including refusal to issue or renew an occupational license, based on the person's default on a student loan or breach of a student loan repayment contract or scholarship contract. The bill went into effect on June 7, 2019.

SB 1217 clarifies that a regulatory agency may not consider an arrest that did not result in the person's conviction or placement on deferred adjudication community supervision when determining a person's eligibility for licensure. The bill took effect on June 14, 2019.

House Bill (HB) 696 directs the Texas Workforce Commission to establish Operation Welcome Home, a program to help expedite the entry of service members and veterans into the state's workforce. The bill also establishes the Texas Veterans Leadership Program which will serve as a resource and referral network for veterans. The bill went into effect on June 10, 2019.

HB 2059 requires certain health care practitioners to complete a Health and Human Services Commission (HHSC) approved human trafficking prevention training course to renew their license. The bill also requires HHSC to post a list of approved courses on their website. Licensees are required to comply with the training requirements after September 1, 2020.

HB 2452 allows TDLR to contract with third-party experts when investigating complaints and provides immunity to those experts unless they engage in fraudulent behavior. The bill also allows TDLR to accept anonymous complaints. The bill went into effect on May 29, 2019.

HB 2847 allows the commission to determine the length of a license (up to two years), establish licensing fees, and set continuing education requirements. The bill also adds and amends complaint confidentiality provisions for certain programs and allows TDLR to contract with third-party experts on complaint investigation and review. The bill takes effect on September 1, 2019.

Code Enforcement Officers
HB 2584 allows a code enforcement officer who is performing official duties to possess or carry an instrument used for deterring an animal bite and requires specific training. The bill takes effect on September 1, 2019.

Dietitians
HB 2847, Article 12, standardizes commission and department powers and duties for the Dietitians program. It also removes the requirement for TDLR to adopt an official seal for the program. This bill takes effect on September 1, 2019.

Dyslexia
HB 125 prohibits TDLR from publishing the home address of a licensed dyslexia therapist and licensed dyslexia practitioner in an online registry, roster, or database unless the license holder requests such inclusion. The bill does not exclude the addresses from being released under the Public Information Act. The bill takes effect on September 1, 2019.

Elimination of Architectural Barriers

HB 3163 clarifies the signage required for accessible parking spaces for persons with disabilities. The bill takes effect on September 1, 2019. The Texas Commission on Licensing and Regulation will develop rules to update applicable standards.

Hearing Instruments Fitters and Dispensers

HB 2699 clarifies the meaning of tests and examinations, removes the unused oral examination authority, and allows for reexamination. The bill removes outdated requirements specifying exam frequency, and eliminates the requirement for the exam to be validated by an independent testing professional. The bill takes effect on September 1, 2019 and only impacts a person who applies to take an examination on or after that date.

Laser Hair Removal

HB 2847, Article 3, requires the Texas Commission of Licensing and Regulation to establish continuing education requirements for renewal of a laser hair removal certificate. This bill takes effect on September 1, 2019.

Massage Therapy

HB 1865 removes the five-year license ineligibility provision for persons who have been convicted of, entered a plea of nolo contendere or guilty to, or received deferred adjudication for an offense under Chapter 20A or Subchapter A, Chapter 43 of the Penal Code. This part of the bill takes effect on September 1, 2019 and allows TDLR to assess each applicant's fitness for licensure on a case-by-case basis. The bill requires persons who apply for an initial license on or after September 1, 2019 to submit fingerprints for the purposes of obtaining criminal history information. All licensees must comply with the fingerprint requirement no later than September 1, 2021. The bill requires students who are enrolled in a massage school on or after June 1, 2020 to hold a student permit. The bill also requires massage schools to maintain a monthly progress report regarding attendance.
