Indians win big over Petrolia, to play Munday

The Haskell Indians came up with a big 64 to 8 win over Petrolia, as they faced a must win situation if they hoped to keep their playoff dreams alive.

Coach Grady Benton said, "The focus was very clear from the time we left Hamlin

a week earlier, MUST WIN. My guys are fighters and that is exactly what they did from the get go Friday night against Petrolia. We called it a trap game all week. Petrolia has some talented individual players, but as a team just have not clicked. In

the situation my team was in, it was very important that we did not encourage that click."

The Indians came out strong offensively with twenty-two rushes for 254 yards, as well as eleven of eighteen completed passes for 171 yards.

The Indians scored four times in the first quarter with three touchdown runs of 50, 50 and 13 yards from Dylan Hanson and a 23 yard completed pass to Henry Smith from Hanson for the fourth TD. Lane Burson scored the first PAT with a

run, and Finn Goette had a very successful night as he kicked seven PATs.

In the second quarter Hanson scored first with a three yard run, followed by a 26 yard interception return by Hayden Hudson. Devon Barrios ended the scoring for the quarter with a 13 yard touchdown run.

Justice Dever added two touchdowns, a 13 yard run in the third quarter and then another 13 yard run in the fourth.

Individually, Hanson rushed ten times for 205 yards and completed 11 of 18 passes, while Smith caught two passes for 58 yards.

The win improves the Indians' record to 5-4 overall and 2-2 in district.

Coach Benton continued, "I am very proud of these guys and look forward to the opportunity we have earned to compete for a playoff spot this week."

It's "do or die" this week as the Indians face the Munday Moguls in Munday, Nov. 7 at 7 p.m. Everyone is encouraged to travel north and support the Indians, cheerleaders and band in this last district game.

INDIAN TACKLE—Haskell Indians #9 Hayden Hudson and #52 Reed Lee on the tackle for a Petrolia loss in yardage. The Indians came up with

a big win, 64-8, over Petrolia last Friday. They will meet Munday in a 'do or die' situation Fri., Nov. 7 in Munday at 7 p.m.

Area celebrations to honor local Veterans

by Caron Yates
**The Noble and the Brave:
A Veteran's Day Tribute**
by Joanna Fuchs

When America had an urgent need,
These brave ones raised a hand;
No hesitation held them back;
They were proud to take a stand.
They left their friends and family;
They gave up normal life;
They serve their country
and their God,
They plowed into the strife.
They fought for freedom and for peace
On strange and foreign shores;
Some lost new friends;
Some lost their lives
In long and brutal wars.

Other veterans answered a call
To support the ones who fought;
Their country had requirements for
The essential skills they brought.
We salute every one of them,
The noble and the brave,
The ones still with us here today,
And those who rest in a grave.
So here's to our country's heroes;
They're a cut above the rest;
Let's give the honor that is due
To our country's very best.

This poem seems to sum up our thoughts and feelings as we pause to recognize and thank all veterans' for their service to our country. Veterans' Day,

now in its ninety-fifth year of observation, allows all Americans an opportunity to show their appreciation. At a time when it seems so many in this world are trying to destroy the freedom and ideals America stands for, it is even more important to show our gratitude, our patriotism and most importantly our prayers for our country and those serving it.

According to the U.S. Department of Veterans Affairs, in 2013 there were approximately twenty-three million veterans living in the

United States. Of those, about 6% were from WWII, about 9% were Korean Conflict vets; close to 33% were from the Vietnam Era; and approximately 30% were from the Gulf War Era.

Several local events are being planned for Haskell County veterans on Tuesday, Nov. 11.

The Haskell Elementary is honoring all veterans, firefighters, EMS and law enforcement officers in Haskell County in a special ceremony and breakfast, beginning at 8:30 a.m. It is an opportunity for elementary age students to recognize and learn about those who serve our country, as well as our county.

Paint Creek ISD will also host a Veterans' Day program and lunch on Tuesday, Nov. 11, beginning at 11:30 a.m.

in the school cafeteria. All veterans who graduated from Paint Creek ISD or who reside in the Paint Creek community are invited to attend.

A free lunch to honor all veterans will be served on Tuesday from 12 noon until 1:30 p.m. at the Haskell Church of Christ Activity Building. The church will host the lunch for all veterans and their spouse of guest in honor of their service to our country. Former Haskell High School principal Greg Melton will be the guest speaker.

All veterans living in our county are encouraged to participate in some or all of these events. After all, it is a celebration to honor each of you for giving whatever was asked of you in times of war, and keeping in readiness during times of peace.

FSA elections underway

The U.S. Department of Agriculture (USDA) is encouraging farmers and ranchers to make their voices heard by voting in the upcoming Farm Service Agency (FSA) County Committee elections. FSA Administrator Val Dolcini announced that beginning Mon., Nov. 3, USDA will mail ballots for the 2014 elections to eligible producers across the country. Producers must return ballots to their local FSA offices by the Dec. 1, 2014, deadline to ensure that their vote is counted.

"The role and input of our county committee members is vital as we implement the 2014 Farm Bill," said Dolcini. "New members provide input and make important decisions on the local administration of FSA programs. We have seen promising increases in the number of women and minority candidates willing to serve on county committees, helping to better represent the diversity of American agriculture."

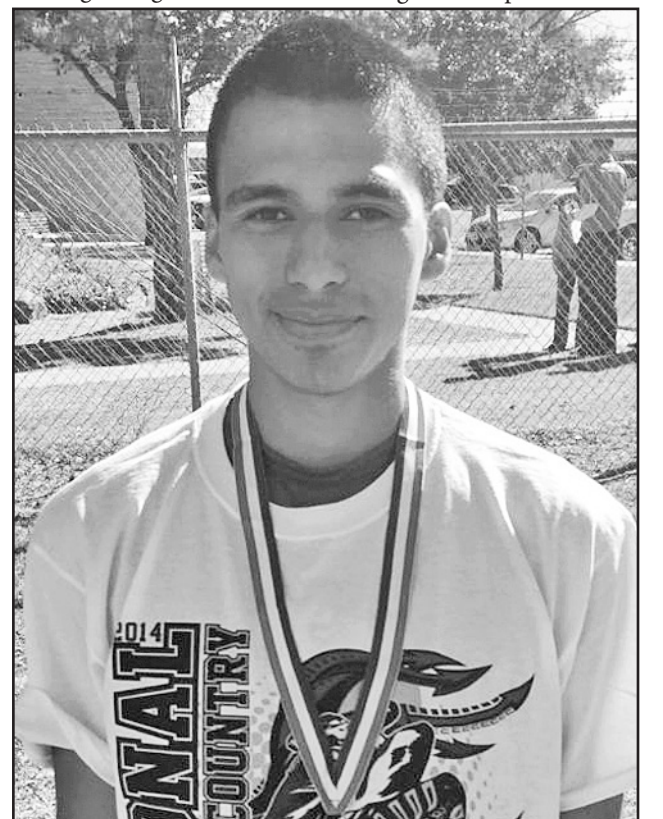

FSA County Committee members provide an important link between the local agricultural community and USDA. Farmers and ranchers elected to county committees help deliver FSA programs at the local level, applying their knowledge and judgment to make decisions on commodity support programs; conservation programs; indemnity and disaster programs; emergency programs and eligibility. County committees operate within official regulations designed to carry out federal laws.

To be an eligible voter, farmers and ranchers must participate or cooperate in an FSA program. A person who is not of legal voting age, but supervises and conducts the farming operations of an entire farm may also be eligible to vote. Agricultural producers in each county submitted candidate nominations during the nomination period, which ended on Aug. 1, 2014.

Eligible voters who do not receive ballots in the coming week may pick one up at their local USDA Service Center or FSA office. The deadline to submit ballots is Dec. 1, 2014. Ballots returned by mail must be postmarked no later than Dec. 1, 2014. Newly elected committee members and their alternates will take office Jan. 1, 2015.

Nearly 7,700 FSA County Committee members serve in the 2,124 FSA offices nationwide. Each committee consists of three to 11 members elected by eligible producers. Members serve 3-year terms of office. Approximately one-third of county committee seats are up for election each year.

More information on county committees, such as the new 2014 fact sheet and brochures, can be found on the FSA website at www.fsa.usda.gov/elections. You may also contact your local USDA Service Center or FSA office. Visit <http://go.usa.gov/pYV3> to find an FSA office near you.

City Council report

The Haskell City Council held a regular meeting Mon., Oct. 27 with Mayor John Gannaway, Mayor Pro Tem Shane Whitt, Councilman Allen Morrow, Councilman Earnest Frye, Councilman Dan Hoover and Councilwoman Jill Druessedow present.

The Haskell FFA Ag Issues Team gave a presentation on the pros and cons of the new school lunch nutritional guidelines.

A motion was approved to put the roof repair project at the old city hall out for bids through the newspaper.

A motion was approved to pay for the new trash truck out of reserve funds, instead of financing the cost, and budgeting the payment to be made back to the reserve fund for the next eight years.

A motion approved the third quarter report submitted by the Haskell Chamber of Commerce required by the Hotel/Motel tax agreement.

The council approved moving the meeting time for future city council meetings to 6:00 p.m. instead of 7:00 a.m. on the second and fourth Mondays. The new time will be tried through the end of the year and the topic revisited in January to decide if a permanent change will be made by ordinance.

The Citizens Participation Agreement for future CDBG Grant funds was approved.

Police Chief, Scott Kennedy and City Administrator, Brandon Anderson gave their respective reports to the Council.

INFORMATION DAY—Attending Information Day Oct. 9 were, l-r, Claudia Bryant—assistant to Perry Kuehler, Sue McGee, Jeri Burke, Geraldine Baker, Pat Jenkins, Lena Tidwell, Mary Jennings, Kathryn Schonerstedt, Shirley Reed, Dolores Medford, Phoi McGuire and Perry Kuehler from Buds for You in Munday.

Club holds Information Day

The annual Information Day for Haskell County TEEA ladies, held on October 9, was for remembering what the association ladies participated in for the preceding year.

Haskell County agent Dalinda Black, was hostess for the day and cooked a great lunch for the club

ladies.

Perry Kuehler, owner of Buds for You, in Munday and his assistant, Claudia Bryant, presented a very enjoyable program on decorations for the holidays, as well as decorations for all year long. Kuehler showed how various things can easily be made into beautiful arrangements

for the home.

The Health Fair held in October and the upcoming Commissioners' Brunch in November were discussed.

Kathryn Schonerstedt introduced the Club Woman of the Year, Dolores Medford. Medford was presented an engraved wooden plaque with her name and the symbol of the Texas Extension Education Association on it.

Officers for the coming year will be Kathryn Schonerstedt, chairman; Sue McGee, vice chairman; Dolores Medford, secretary/reporter; Pat Jenkins, treasurer/ECC organizer; and Coleta Whitfield, telephone organizer.

The next meeting of the TEEA will be Thursday, Nov. 13, beginning at 2 p.m. at the Haskell County Extension office. Everyone is welcome to attend.

Medford named Club Woman of the Year

The Texas Extension Education Association's 2014

Brazos West Art Assn.

On the evening of Mon., Oct. 13, the Brazos West Art Association members and guests met for an acrylic landscape painting party, held by guest artist, Ruth Jackson, who represents the Center for Contemporary Arts in Abilene.

In attendance were Mary Rike, Sabrina Ortega, Holly Reed, Elaine Reed, Deen Lowery, Betty Hook, Joyce Ivy, Betty Berry, Barbara Fouts, Nelwyn Beakley and Pansy Harris. Everyone had a wonderful time working on their landscape. Delicious refreshments were enjoyed.

The Mon., Nov. 10 meeting will begin at 6:30 p.m. at the First Baptist Church in Haskell. Participants will complete their own drawing of a landscape based on the landscape exercise presented by Art Association members, Nelwyn Beakley and Betty Berry. A night of fun, fellowship, sharing of tips and techniques, and great food will be enjoyed by all.

The Brazos West Art Association is open to everyone.

Club Woman of the Year, for Haskell County, was Dolores Medford.

Medford has been a club member for a number of years. She has held all offices and worked at the many money raising projects of the club. She has also attended many of the training, district and state meetings held during her years as a member of TEEA.

Her many activities include being a mother of four and a grandmother of eight. She has farmed and

raised cattle, worked at odd jobs and is now a substitute school teacher, which she loves very much.

Medford, a graduate of Paint Creek School, has lived in the Paint Creek community all her life. She is a member of the Haskell Church of Christ, where she teaches a Sunday School class. Her hobbies include cooking, sewing, gardening, traveling and watching her children, when they were younger and now her grandchildren, in all kinds of sporting events.

CLUB WOMAN OF THE YEAR—Kathryn Schonerstedt, left, presented an engraved wooden plaque to Dolores Medford, right.

Christmas for Kids project seeks donations

The Haskell County Child Welfare Board is holding a fund-raiser for the annual "Christmas for Kids" project. Each year this project provides clothing and toys at Christmas for needy children in Haskell County.

Last year, in 2013, 49 families or 120 children received Christmas presents through "Christmas for Kids."

Funds available for loans

Big Country Electric Cooperative, Inc. has a limited amount of funds available for low-interest loans to qualified applicants to stimulate rural development. Applicant does not have to be a member of Big Country Electric Cooperative. Please contact Linda Key at keyllk@bigcountry.coop for details.

This year members of Haskell County churches will again have an opportunity to donate the amount they wish on the designated Sundays of Nov. 2 and Nov. 9. Your monetary donations are greatly appreciated.

However, if you prefer to buy specific gifts instead of a monetary donation, please contact Cindy Foster at 940-256-2862 or on Facebook. She can give you a detailed list of specific items that are needed.

If your church has not been contacted and is interested in taking part, please contact Keith Medford at 940-863-4549 or Michelle Thane at 940-256-2620. Anyone not affiliated with a local church is welcome to send donations to Department of Family and Protective Services (CPS office) at P.O. Box 817, Haskell, TX 79521.

Your donation could make a big difference in a child's Christmas. The Board greatly appreciates the continued support of the people of Haskell County.

HERE'S TO YOUR HEALTH... AT HOME!

Brought to You By:

Haskell Home Health Agency

November is **National Home Care Month**. I would like to honor all the individuals who help our elderly stay at home. Home is more than a place to stay. It is a favorite chair, a beloved pet, a treasured memory, someone you love. But sometimes age or illness can make it more difficult to stay at home.

When you are sick, where would you rather be treated? Bets are you would prefer the security and comfort of your own bed in your own home. More than just providing excellent care where and when patients need and want it, home care saves the United States and commercial health insurers billions of health care dollars each year. There is no more cost-effective provider of health care in our country. Home care providers work diligently to keep Americans in their homes, where they belong.

I would like to share a few quotes from some of our patients and patient's families.

"Words can never express how grateful I am for having you come and help take care of me during this time. I am so grateful to you for everything you did for me. For the baths, laughs, sharing, putting on those awful hose, and everything else you did. When you come in you light up a room. Most of all I am thankful for your reminding me each time you came that "God is Good" and also to praise him for everything."

"Thank each one of you for the special care you took with Mom. You comforted her, cleaned her wounds, washed her, and loved on her. You are truly the hands and feet of Christ at work daily."

As we prepare for Thanksgiving and recall our many gifts, please remember the home care and hospice professionals who make a difference every day for our nation's seniors, disabled, and infirmed. They make it possible for home care to be where the healing begins.

Haskell Home Health is located in Haskell and locally operated by members of your own community that you and your loved ones know and trust. In addition to regular visits, we are always just a phone call away, and can be at your home in minutes. Put your faith in us to take care of you or a loved one when you need it most. Haskell Home Health feels like family, and from our family to yours, we will be there.

God Bless Each and Every One of You,
Michelle Johnson, RN

State Capital

HIGHLIGHTS

By Ed Sterling

Secretary of State posts early voting turnout numbers

AUSTIN- The Secretary of State's Elections Division on Oct. 31 posted early voting turnouts for each of the state's 15 highest-population counties: Harris, Dallas, Tarrant, Bexar, Travis, Collin, Denton, El Paso, Fort Bend, Hidalgo, Montgomery, Williamson, Galveston, Nueces and Cameron.

Of the 8,978,313 registered voters in those counties, 1,715,731 voted early in person or by mail. That's a 19.11 percent cumulative early voting percentage. To compare with the last midterm election, in 2010, the cumulative early voting total for those 15 counties was 1,731,589 ballots cast out of 8,339,034 registered voters, or 20.76 percent of the total.

After polls close at 7 p.m. on Election Day, Nov. 4, anyone with an Internet connection will be able to access vote tabulations posted by the Office of the Secretary of State at the website www.sos.state.tx.us. Election results in races for statewide offices will be recapped in next week's State Capital Highlights column.

Governor greets Toyota

Gov. Rick Perry on Oct. 27 welcomed New York, N.Y.-based Toyota Motor North America Inc. to Plano, where its new headquarters will be built. The manufacturer's relocation to Plano is supported by a \$40 million investment from the business-luring Texas Enterprise Fund administered by the governor's office.

The facility, to be completed in late 2016 or early 2017, will bring nearly 4,000 jobs and more than \$300 million in capital investment to North Texas, according to Perry's Oct. 27 statement. Toyota Motor North America, combined with 21 on-site suppliers, already supports some 6,000 jobs in San Antonio, including 2,900 from its \$2.3 billion manufacturing plant.

TxDOT ends gravel policy

Texas Department of Transportation in the summer of 2013 announced a plan to convert 83 miles of "significantly damaged paved roads" in the Eagle Ford Shale energy-producing region to gravel surface as a temporary budget-cutting measure.

In an Oct. 24 letter to the Legislative Budget Board, TxDOT announced the formal termination of its "high-end unpaved road conversion policy" and requested access to \$402 million in additional funding for Fiscal Year 2015 with half going to safety projects across the state and the remainder toward roadways affected by the state's growing energy sector.

Lt. Gov. David Dewhurst praised TxDOT's announcement, saying, "Texas families and businesses in both rural and urban areas deserve a comprehensive first-rate transportation system and they'll get it."

Nurse recovers from Ebola

Texas Department of State Health Services Commissioner Dr. David Lakey on Oct. 28 expressed relief when Amber Vinson, a nurse with Texas Health Presbyterian Hospital Dallas, was declared free of the Ebola virus last week. She was in isolation and receiving treatment at Emory University Hospital in Atlanta.

"We are so pleased that Amber Vinson has been declared free of Ebola. She is one of the health care workers who bravely provided care to the first Ebola patient diagnosed in the United States. Through excellent health care and her own courage, she beat the disease. Based on the clinical and lab findings, people are not at risk of getting the disease from her, and she has been completely cleared. We wish her the best as she transitions back to a normal life, and we welcome her back home to Texas," Lakey said in an official statement.

Summit focuses on bullying

"Bullying remains one of the most prevalent and widely discussed topics pertaining to school safety and security," Texas Education Agency announced during Texas Safe Schools Week, Oct. 19-25.

During the week, Texas School Safety Center at Texas State University in San Marcos and the Texas Education Agency spotlighted resources available to help school districts and charters address and combat bullying and cyber-bullying on campuses. Also, Texas School Safety Center presented the 2nd Annual Texas Bully Prevention Summit on Oct. 30 in San Marcos.

Drought conditions persist

Gov. Perry on Oct. 28 announced the renewal of the emergency disaster proclamation the governor originally signed in July 2011, certifying that exceptional drought conditions posed a threat of imminent disaster in specified counties in Texas.

This month, the proclamation applies to 98 of the state's 254 counties. In contrast, the proclamation applied to 113 specified counties last month. The drought proclamation directs that "all necessary measures, both public and private" as authorized by state law "be implemented to meet that threat" and "all rules and regulations that may inhibit or prevent prompt response to this threat are suspended for the duration of the state of disaster."

Made in America report released

As part of the US Department of Agriculture's (USDA) commitment to strengthening rural economies, Secretary Tom Vilsack announced a new state-by-state "Made in Rural America" report illustrating the impact of USDA investments in rural communities. Each state factsheet highlights specific USDA investments in rural businesses, manufacturing, energy, water and other infrastructure development. They also outline how USDA is helping rural communities attract businesses and families by investing in housing and broadband.

"This report shows what investment in rural America means in real terms for families and businesses across the country," said Vilsack. "Throughout the Obama Administration, USDA has created employment opportunities in rural America through investments in manufacturing, energy and small businesses. At the same time, we are bringing reliable services like water, housing and broadband to make these same communities attract and retain a talented workforce. This report proves that the entrepreneurial spirit is strong in rural America."

These fact sheets reflect Secretary Vilsack's efforts to strengthen the "four pillars" of a new economy in rural America: developing a robust bio-based economy; promoting exports and production agriculture fueled by increased productivity and research; encouraging conservation including land management, stewardship and outdoor recreational opportunities; and building a strong local and regional food system to harness entrepreneurial innovation and help small and medium-sized family farms succeed in rural America.

The report's state by state fact sheets are available at www.usda.gov/ opportunities.

USDA offers farm loans for SDA groups

USDA Texas Farm Service Agency (FSA) Executive Director, Judith A. Canales, reminds producers that FSA offers specially-targeted farm ownership and farm operating loans to Socially Disadvantaged (SDA) applicants.

"Each year, a portion of FSA's loan funds are set aside to lend to socially disadvantaged farmers and ranchers," said Canales. "Farming and ranching is a capital intensive business

and FSA is committed to helping producers start and maintain their agricultural operations."

During fiscal year 2014 (Oct. 1, 2013 through Sept. 30, 2014), Texas FSA obligated \$52.2 million in SDA loans.

USDA defines socially disadvantaged applicants as a group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of the group

without regard to their individual qualities. For farm loan program purposes, SDA groups are women, African Americans, American Indians and Alaskan Natives, Hispanics and Asians and Pacific Islanders.

SDA producers who cannot obtain commercial credit from a bank can apply for either FSA direct loans or guaranteed loans. Direct loans are made to applicants by FSA. Guaranteed loans are made by lending institutions who arrange for FSA to guarantee the loan. FSA can guarantee up to 95 percent of the loss of principal and interest on a loan. The FSA guarantee allows lenders to make agricultural credit available to producers who do not meet the lender's normal underwriting criteria.

The direct and guaranteed loan program offers two types of loans: farm ownership loans and farm operating loans.

Farm ownership loan funds may be used to purchase or enlarge a farm or ranch, purchase easements or rights of way needed in the farm's operation, build or improve buildings such as

a dwelling or barn, promote soil and water conservation and development and pay closing costs.

Farm operating loan funds may be used to purchase livestock, poultry, farm equipment, fertilizer and other materials necessary to operate a successful farm. Operating Loan funds can also be used for family living expenses, refinancing debts under certain conditions, paying salaries for hired farm laborers, installing or improving water systems for home, livestock, or irrigation use and other similar improvements.

Repayment terms for direct operating loans depend on the collateral securing the loan and usually run from one to seven years. Financing for direct farm ownership loans cannot exceed 40 years. Interest rates for direct loans are set periodically according to the Government's cost of borrowing. Guaranteed loan terms and interest rates are set by the lender.

For more information on FSA's farm loan programs, please contact your local FSA Office.

Haskell CISD seeks gifted students

Haskell CISD conducts a program for students with above average potential in academic and creative-productive thinking skills areas in grades K-12. This gifted education program is designed to challenge students to accelerate above and beyond the regular school curriculum.

Any adult wishing to nominate a student believed to be an intellectually or creatively gifted learner is encouraged to come by any of the three offices: Haskell High School Office, Haskell Jr. High Office or Haskell Elementary Office to pick up the necessary forms. Offices are open from 7:45 a.m. to 3:45 p.m. Those students nominated will go through a screening procedure that requires special testing. At the time of nomination, parents will be requested to grant permission for this test.

Nomination period for Haskell CISD is Nov. 7-21. During this time parents may pick up an application at any of the three campuses to nominate a student. You will need to fill out the paperwork and return it to the campus office by Fri., Nov. 21.

For any further assistance, contact Michelle Thane at 940-864-2602 ext. 105.

RECEIVE MEMBERSHIP PINS—Haskell Lodge members receiving 70-year membership pins were, front row, Elton Klose and Marie Kretschmer, who accepted for Walter Kretschmer; back row, Wilbert Klose, Sandra Jones—Grand Lodge representative, and Janice Payne, accepting for Evelyn Moeller.

Lodge awards membership pins

ODHS Lodge #241 met in regular session, with additional presentation of membership pins.

President Jerry Don Klose opened the meeting, conducted roll call and led the group in the Pledge of Allegiance to the American flag. Introductions of guests Sam and Sandra Jones of Burleson, representing the Grand Lodge, whose mission was to present a membership pin to seven members, in honor of their long membership.

A memorial was read by Phyllis Klose in respect

for Walter Kretschmer who passed away in October. He had been a member since June 4, 1944.

In correspondence, a message from the Grand Lodge included information concerning installation of officers for the coming year, and a letter reminding the Lodge to support the home with contributions for their Christmas Fund.

The lodge members voted to retain current officers with a vote by acclamation and it was carried.

Sandra Jones presented a brief message concerning activities of Grand Lodge and arrangements for future group meetings. She gave a synopsis of activities that have taken place and the year's functions.

Following her presentation, she gave seventy-year membership pins to Elton Klose, Wilbert Klose, Mrs. Walter (Marie) Kretschmer, representing Walter Kretschmer and Janice Payne, daughter of recipient, Evelyn Moeller, who had been a member since June 4, 1944,

but had passed away after attaining 70-year member status.

Other recipients who were unable to attend were Leona Seelig, member since June 4, 1944; Glendora Parker, member since December 3, 1944 and one 60 year membership pin to Rhonda Jean Slovak, a member since November 19, 1954.

The recipient of the door prize was Phyllis Klose.

Following the adjournment of the meeting, members and guests enjoyed visiting and fellowship.

The next meeting of the local lodge will be Dec. 7 at 5 p.m. at Camacho and Charlie's.

Players of the week

Haskell Indian Dylan Hanson, quarterback, was named the Abilene Reporter-News Big Country Player of the Week Tues., Nov. 4.

Hanson had an impressive performance statistically helping the Indians to one of its most important wins in recent memory.

A huge effort by Hanson in a 64-8 win over Petrolia Friday helped the Indians stay alive in the postseason hunt.

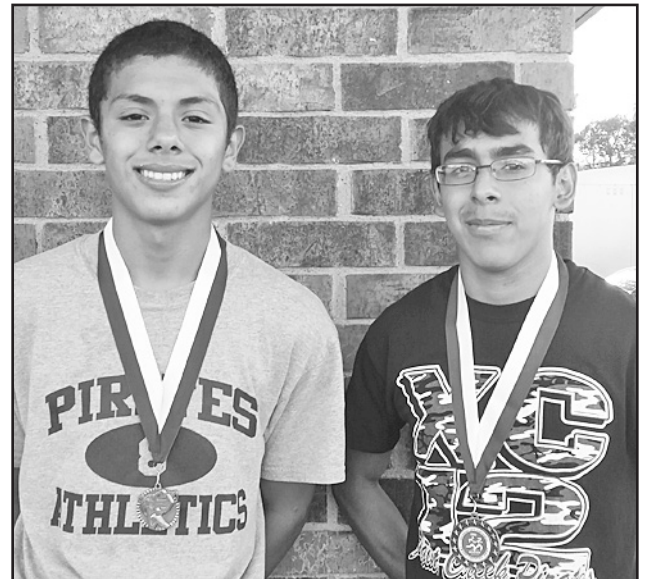

The junior accounted for six touchdowns, four of those on the ground.

Hanson rushed 10 times against Petrolia piling up 205 yards, hit 11 of 19 passes for 178 yards and two touchdowns.

Hanson is quick to give credit to the players around him.

Haskell Indian Angelo Pena was named to the Big Country Top 10 for the week. The distance runner qualified for the state cross country meet winning a third place finish at regionals in Lubbock over the weekend. The senior finished with a career-best time of 16.08.

Listed with the Other Top Performers were Indians Alec Roewe, a sophomore defensive back, and Garret Tatum, a junior linebacker. Roewe intercepted three passes and Tatum had eleven tackles, two sacks and one forced fumble in the Petrolia game.

DISTRICT WINNERS—Paint Creek ISD cross country runners excelled at district competition. Manuel Acosta, left, placed first in the Junior High Boys division and Brandon Luevano, right, placed first in the High School Boys division. Luevano advanced to regional competition held Nov. 1 in San Angelo.

VETERANS DAY

A Special Thanks To All Our Veterans

We salute all of the Veterans of Haskell County and pay tribute to all of the American heroes, whose names we may not know, but whose efforts have made it possible for all of us to enjoy the many freedoms that we have today. To all those brave servicemen, who paid with their bodies and souls, we pay our respects and offer our gratitude. Their contributions have not been forgotten.

Vo Tech students attend career day

The Vo Tech Center students at Rochester attended the "Build Your Future-Career Construction Day" at Irving Oct. 29. The event was held at the Career Education Foundation Campus and was sponsored by more than fifty Construction Companies. Industry is combining efforts to recruit young people to the construction occupational areas. Construction, welding, plumbing, crane and heavy equipment operations, heating and air conditioning, sheet metal, computer aided drafting, flooring, and safety resources were provided. Students were motivated by company representatives to choose occupations in these areas. Students were able to see and operate new equipment and listen to motivational speakers. The construction companies need nearly a half million workers right now in Texas and it is estimated that 20% of the existing workforce will retire in the next two years. Monty Moeller VTC instructor says: "The future has never been brighter for those young people that want to work in construction areas."

IT'S THE LAW

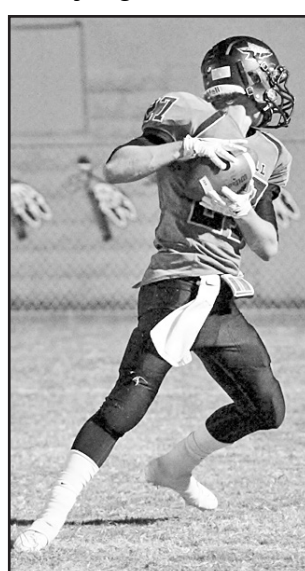

ATTENTION Patients on HYDROCODONE

As of **October 6, 2014**, the Drug Enforcement Agency (DEA) has declared that **Hydrocodone** should be reclassified as a Class II Controlled Substance. This means that it is now in a more rigidly controlled group of drugs that has a higher chance of addiction, abuse, misuse and subsequent deaths. The DEA hopes that these restrictions will decrease the number of deaths from prescription overdoses. In fact, 100 people die every day in the USA from drug overdoses. And, 3 out of 4 of those are attributed to prescription drug overdoses. Because of this, the **LAW** now mandates more rigid control over these prescriptions and subsequently more rigid documentation of their use and the need for them on the part of the physician.

WHAT THIS MEANS TO YOU:
 Unfortunately, we will no longer be able to fill Hydrocodone without a minimal office visit for documentation purposes. We are also unable to give refills on this medication, and they cannot be called in to the pharmacy.
 We apologize for the inconvenience, but it is **"THE LAW."**

This Week's Devotional Message:

Let us help the lives they were prepared to give

They fought for us; the battle's done,
And freedom is the prize they've won.
Their heroism was revealed
On every foreign battlefield,
And even when there was no war,
Their mission on some far-off shore
Was dangerous, and our concern
Was always for their safe return,

For which we'd go each Sabbath day,
According to our faith, and pray;
But now they're home, and we must show
Our gratitude for what we owe
The lives they were prepared to give,
So that the rest of us could live
The way our founding fathers planned:
In liberty throughout our land!

MANDATORY PUBLIC NOTIFICATION LANGUAGE FOR A MAXIMUM CONTAMINANT LEVEL VIOLATION MCL, LRAA / TTHM NOTICE OF DRINKING WATER MONITORING & REPORTING VIOLATION(S)

The Texas Commission on Environmental Quality (TCEQ) has notified the City of Haskell water system that the drinking water being supplied to customers had exceeded the Maximum Contaminant Level (MCL) for total trihalomethanes. The U.S. Environmental Protection Agency (U.S. EPA) has established the MCL for total trihalomethanes at 0.080 milligrams per liter (mg/L) based on locational running annual average (LRAA), and has determined that it is a health concern at levels

above the MCL. Analysis of drinking water in your community for total trihalomethanes indicates a compliance value in quarter three 2014 of 0.117 mg/L for DBP2-01.

Trihalomethanes are a group of volatile organic compounds that are formed when chlorine, added to the water during the treatment process for disinfection, reacts with naturally-occurring organic matter in the water. Some people who drink water containing trihalomethanes in excess of the MCL over many years may experience problems with their liver, kidney, or central nervous systems, and may have an increased risk of getting cancer.

You do not need to use an alternative water supply. However, if you have health concerns, you may want to talk to your doctor to get more information about how this may affect you.

The following actions are being taken to address this issue:

The City has contacted the City's laboratory contractor to ensure that the City's analysis sample results are sent to TCEQ monitoring in timely manner.

The City has increased the flushing frequency of our water distribution system to ensure there is not a buildup of TTHM MCL, LRAA within our system.

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact Matthew Duran, Director at (940)864-2333.

Sincerely,
Matthew Duran,
Public Works Director

The family of Jimmy Browning Sr. wants to express their sincere thank you to all who have reached out to us over the last couple of years, whether through prayers, words, food or cards.
We definitely knew we were being lifted up in prayers because we felt the love of God that comes from such caring attention. We are so truly blessed to make our home among so many kind and thoughtful people.
Special thanks goes out to Hendrick Hospice Services for enabling us to keep Jimmy at home for his peaceful passing. For that we are so grateful.
May God bless each of you in your lives as you have blessed us.
Sincerely,
Janice, Jim, Renee, Robert, Gloria, Joseph, Kelly, Stephanie, John, Robert and Sara

Bobcats take down Pirates

The Rule Bobcats and the Paint Creek Pirates met for a Haskell County six-man showdown, with the Bobcats coming out on top, 51-6.

Colton Rogers was the Bobcats' leading rusher, with 264 yards for the night.

The Bobcats scored three times in the first quarter as Rogers made all three touchdowns on runs of 40, 60,

and 63 yards. Adolfo Gonzalez kicked all three PATs.

In the second quarter, Chase Potter had a 25 yard touchdown run to add to the scoreboard. Gonzalez added the extra points with a kick. Rogers scored again on a 40 yard run, but the PAT was blocked.

The third quarter brought two more touchdowns for the

Bobcats, and the end of the game. Jonah Caddell had a 22 yard run for a score, while Josh Starr caught a 50 yard pass from Brandon Mitchell for the final touchdown. Paul Nieto scored the extra point on a pass from Mitchell.

The Rule Bobcats are now 3-5 overall and 1-1 in district. The Pirates are 2-5 overall and 0-2 in district play.

Book Fair set Nov. 10-14

A Scholastic Book Fair will be held at Haskell Elementary School beginning Mon., Nov. 10 through Fri., Nov. 14. The book fair, for students from prekindergarten through eighth grade, will be in the Haskell Elementary library each day from 8:00 a.m. until 4:30 p.m. and until noon on Friday. This year's theme is

"Sir Readalot's Castle: Enter the Kingdom of Books!" and there will be a large variety of great books for all ages.

Everyone is invited to Family Night Thursday evening, Nov. 13 from 4:30 until 6:00 p.m. Families will have an opportunity to shop together and enjoy refreshments. We ask that

all children be accompanied by an adult.

The Scholastic Book Fair helps promote literacy by giving kids access to good books and motivating them to read more. We hope you'll join us at this year's Scholastic Book Fair. For more information call 940-864-2654, extension 309.
