Wheeler County Commissioners' Court

Congratulation to the Kelton Students qualifying for Regional in Academic U.I.L.

— cwe —

The wind and the fire threats continue. The firemen were able to get the fire, which started at Britt Ranch, out after it reached the Oklahoma state line.

— cwe —

Stormie Meriwether, Twelfth Grade Student

Dearest Friends, Senior Year is going fast! I know I'm going to miss my teachers, but I am ready to get out. A you need or want to do? Or a to provoke action, and before captures the concept of fun thing that we are doing in English is writing "My Birth Story." It will tell all about me and my family when I was born and adopted. That will would be asking, "Do you always, true that whatever the next best time to plant a be something to keep and have a pulse?" The point I there is to do, right now is tree? TODAY." Let us all get remember.

We are practicing in band to go to Austin. That will be fun! that now would be just about to grasp this concept than it the trees to be planted. And if I know that I am going to miss the best time to be doing is to implement it. But taking it is given to us that at some band the most.

last Saturday. We went to a seems particularly true at leverage against the inertia of we need to do, we can then Mexican food place in OKC. It this point on the calendar, doing nothing, and generate rest in the shade of today's was delicious. The waiter was when the optimism that the some momentum of progress, trees.

To the Editor The Wheeler Times Wheeler, Texas

To everyone who assisted in the fire control efforts last week:

We like would acknowledge with deep gratitude everyone wildfire last week. To each fire department, firefighter, county hand, and equipment operator; to those who provided water, parts, fuel, or food; to each person who said a prayer, called or sent a note of concern, or offered assistance: we humbly say, THANK YOU. Your heroic efforts preserved lives, homes, and buildings, minimized losses sustained as a result of the fire, and kept a bad situation from being much worse. Your concern for your fellow citizens and neighbors is touching and humbling. We also recognize that behind every person who is seen in action, there are many others providing support in background roles, and we wish to acknowledge all of you, seen and unseen, with our gratitude in the form of a broadscale round of thanks. You are what make this area a great place to live; your care and assistance are what make it home. Thank you.

Sincerely,

The Britt Ranch families

Blood Supply Below 50%

Donors urged to give immediately

April 11, 2022 - Coffee Memorial Blood Center has less than half of the blood supply needed, threatening a critical blood shortage for local patients, and creating an immediate need for blood donors.

The national blood supply has stayed near emergency levels for months, having never recovered from COVID-related challenges. The High Plains region's supply has faced similar challenges, as well as blood drive cancellations after multiple winter weather events in February and March. Hospital demand has surged past pre-pandemic levels, exacerbating the issues caused by lower this crisis, and we are still donation levels.

"All indicators are pointing us in a dangerous direction," said Dr. John Armitage, president and CEO of Coffee Memorial Blood Center. "Over the last several weeks donation numbers have dipped, which have left us struggling to keep stock levels necessary to

and neighbors using blood."

In response to the current situation, Coffee Memorial Blood Center has extended its donor room hours to expand giving opportunities: Monday - Friday:

7:30 a.m. – 6:00 p.m.

Saturday: 7:30 a.m. -4:00 p.m.

Blood has no substitute. Patients across the state rely on blood products to fight cancer, survive trauma, and heal after childbirth. Blood donation takes about an hour and can save up to three lives. Donors can find locations to donate at thegiftoflife.org or by calling 877-340-8777.

"Nationally, we've not faced an ongoing blood shortage like this before," Armitage said. "The pandemic created caught with its damaging hangover effects. While the challenge is immense, so is the support of our donors, blood drive sponsors, and partners. Together, we must and will find a way."

*16-year-olds must weigh at least 125 pounds and provide signed parental permission; 17-year-olds must weigh at protect our community. We least 125 pounds; 18+ year need donors to respond olds must weigh at least 110 immediately to help friends pounds. Photo ID required.

Offers Drought Relief

Due to the persistent (ELAP) to help ranchers cover additional relief through the Emergency Assistance for Livestock, Honeybees and Farm-raised Fish Program

Sunday Nite Live **KPDR-FM, 90.3** ... Live from Wheeler

previously announced ELAP compensation for hauling feed to livestock. ELAP livestock and feed hauling assistance is retroactive for 2021 and will be available for losses in 2022 and subsequent years.

"Stakeholder input matters. After we rolled out updated ELAP policy last year to help cover the cost of hauling feed to livestock, thankful producers across the country expressed their appreciation for the expanded assistance and made suggestions to further improve the program," said Zach Ducheneaux, FSA Administrator. "The additional update we are announcing today to help ranchers cover above normal costs of hauling (Continued Page 5)

Drought (from Page 4)

livestock to forage reflects our commitment to meet our producers' needs, whenever we have the flexibility and authority to do so."

"Unfortunately, drought conditions across the U.S. continue and, in many states, have worsened. In response, we continue to find ways to help livestock producers alleviate some of the financial strain," said Eddie Trevino Acting State Executive Director for FSA in Texas. "This most recent ELAP program update recognizes that, for some ranchers, hauling livestock to forage rather than feed to livestock is easier and makes more sense financially."

ELAP Assistance Overview ELAP provides financial to eligible assistance producers of livestock, honeybees and farm-raised fish for losses due to disease, certain adverse weather events or loss conditions as determined by the Secretary of Agriculture. In addition to ELAP covering feed transportation costs where grazing and hay resources have been depleted, ELAP now also covers transportation costs associated with hauling livestock to feed sources This includes places where:

Drought intensity is D2 for eight consecutive weeks as indicated by the U.S. Drought Monitor; or

Drought intensity is D3 or greater.

Additionally, FSA has updated ELAP policy to also cover water hauling in areas experiencing D2 for eight consecutive weeks, lowering the drought intensity threshold (previously D3) triggering the availability of

THE WHEELER TIMES Page 5 — Thursday, April 14, 2022 "Wheeler: town of friendship and pride"

this financial assistance.

Eligibility transportation costs on or and other resources are after Jan. 1. 2021. Although available at fsa.usda.gov/ producers are encouraged

Payment Calculations livestock (socially disadvantaged, limited resource, beginning or military veteran) will be incurred in a normal year.

reimbursement costs that will Assistance not include the first 25 miles Tool. The calculation will also and Natural exclude the normal cost to Conservation transport hay or feed if the programs, some feed. For 2021, the USDA Service the percentage is applied).

Online Decision Tool Producers can use the agent. updated ELAP Feed Livestock

Transportation Producer Tool to help producers document To be eligible for ELAP and estimate payments to assistance, livestock must cover both feed and livestock be intended for grazing transportation costs caused and producers must have by drought. The tool (a incurred feed or livestock Microsoft Excel workbook) producers will self-certify elap. Final payments may losses and expenses to FSA, vary depending on eligibility.

Eligible ranchers should to maintain good records contact their FSA county and retain receipts and office to apply for ELAP related documentation in the assistance. To simplify the event these documents are application process, ranchers requested for review by the can print or email payment local FSA County Committee. estimates generated by the online tool for submission USDA will reimburse to FSA. The deadline to eligible ranchers 60% of request ELAP assistance for transportation hauling livestock to forage in costs above what would 2021 is June 30, 2022. The have been incurred in a deadline to request all ELAP normal year. Producers assistance for 2022 calendar qualifying as underserved year losses will be Jan. 31.

More Information

Additional USDA disaster reimbursed for 90% of the assistance information can feed transportation cost be found on farmers.gov, above what would have been including USDA resources specifically for producer USDA uses a national impacted by drought and cost formula to determine wildfire and the Disaster Discovery Disaster-at-a-Glance and distances exceeding fact sheet and Farm Loan 1.000 transportation miles. For FSA Resources Service producers producer normally purchases should contact their local Center. initial cost formula of \$6.60 For assistance with a crop per mile will be used (before insurance claim, producers and landowners contact their crop insurance

BRITT FIRE: A fire was reported 5 miles north of the 9 Mile Station on Hwy. 92 at 3:30 P.M Thursday, April 10, 2020. High winds carried the fire across 8,100 acres of Britt, Stiles and other properties to the State Line. Area fire departments helping fight the fire were Wheeler, Gray Roger Mills, Collingsworth, Beckham and Hemphill plus Texas Forrest Service and Oklahoma Forrestry Service. Wheeler's and Hemphill county maintainers were on the scene. Wheeler, Beckham and Roger Mills Emergency Management teams were at the scene. The fire was brought under control around midnight.

Hear the "Abundant Living Broadcast" WHEELER, TEXAS Saturdays: 9:00 a.m. to Noon

(from Page 1)

hilarious. He ate the Devil's Pepper Salsa and he sang Happy Birthday to Jennifer. He was very entertaining. It was a fun night.

On Sunday we went to church in Hinton. The little ones had an Easter Egg Hunt. got to help Daxton. He is three. That is the cutest age! Addy and Clark hunted eggs too. They are all adorable. After church we spent time with family and gave the

"kids" their Easter presents. Next week is Little Colt Relays on Thursday and Friday. I can't wait to help the little ones! If you have a child in Pre-K through sixth grade, remember the sunscreen! That's it!

More than 81 Wheeler County children received free books this year, thanks to local retired to student initiative. In 2019 the program delivered 167,868 through the state. public school employees. The Texas Retired Teachers (TRTA) recently announced this year's About TRTA: the Texas Retired Teachers Association (TRTA) is the nation's largest organization Children's Book Project, a statewide effort to place books into the hands of children, who might of retired public school employees. TRTA advocates improved benefits for current and retired not otherwise have their own.

said Connie Porter, president of the local TRTA unit. "Reading fosters knowledge and opens accepting new members; for more information on TRTA, its membership opportunities and up the imagination. Every child should have books to call their own."

The TRTA has sponsored the book drive every year since 1998, soliciting book donations from its own members, community partners and even children themselves through a special student

and retired public education employees and seeks to advance the well-being of its members "This is a fun undertaking, and as lifelong educators, we love encouraging children to read," through community involvement and legislative advocacy efforts. The association is always projects in the community, visit www.trta.org or call 800-880-1650 or locally contact Connie Porter, Judy Woollard or Georgine Wells.

Mrs. Weatherly's Class has been studying about Tornadoes this week. The students studied what classifies a funnel cloud from a tornado, we also learned the difference between a tornado watch and a tornado warning, the students examined the different wind speeds for the EF scale, and learned how to stay safe during a tornado.
