THURSDAY, JULY 14, 1988

VOLUME 80 NUMBER 28

Three Briscoe County youth recently participated in an electricity camp sponsored by Southwestern Public Service Company (SPS) for 4-H members. About 115 4-H'ers from throughout the South Plains attended the camp June 27 to July 1 in the Sacramento Mountains south of Cloudcroft, New Mexico. They are (left to right) Julie Graham, Jamie Frizzell and Penni Fogerson.

All Around The Town

BY MARY ANN SARCHET

Members of the Silverton Volunteer Ambulance Service find themselves trying to make a very difficult decision. They want to, and feel they should, upgrade their equipment by buying a new ambulance to replace the older, high-mileage unit they are presently using for their backup unit. It isn't uncommon for both local ambulances to be on the road at the same time.

The hitch is that no used ambulance has much resale val-

ue, and due to this unit's age it isn't worth very much.

Members do not disagree that the old unit needs to be replaced, but the purchase price of the new unit is in the neighborhood of \$50,000, and this is what is forming the road block.

There are several reasons why this is a difficult decision.

(1) Due to the depressed economy, the ambulance service is presently collecting only about half of the amount being charged, causing the service to be operating about \$12,000 a year in the red.

(2) Tighter regulations by Medicare cause the ambulance

ALL AROUND THE TOWN—

SPS Reaches Agreement For Texas Rate Decrease

Customers in Texas cities served by Southwestern Public Service Company (SPS) soon should receive their second electric-rate decrease of the year. Also, SPS's rural customers should have their rates lowered to match rates within city limits, SPS announced today.

The decreases in effect and proposed total \$20.6 million, or 4.3% and reflect lower SPS expenses resulting primarily from federal tax reform, said

Sam Hunter, SPS vice president of rates and economic research.

The proposed decreases were agreed to Friday, July 8, by SPS, the staff of the Public Utility Commission of Texas (PUCT), the state's Office of Public Utility Counsel (OPUC), the Texas Industrial Energy Consumers (TIEC) and the U. S. Department of Energy (DOE). The DOE represented federal facilities that purchase electricity from SPS.

Once approved, the reduction would be considered effective as of July 8, Hunter said. Approval from city and state regulators is expected within 35 to 60 days. A customer's first bill on which the lower rate is calculated will include a credit recognizing savings accrued from July 8.

"This timing allows our customers to, in effect, receive lower rates even before the regulatory process is complete," Hunter said. "We worked out this agreement in order to extend lower rates to all of our customers as soon as possible."

Because of an earlier agreement between SPS and the Texas cities it serves, customers within city limits received a 3.1% decrease effective March 28. Upon approval from the cities, these customers will receive an additional 1.2% decrease, Hunter said, to match the rural reduction of 4.3%.

In Texas, cities have original jurisdiction over rates within their city limits. The PUCT regulates rates in rural areas. SPS will file with the PUCT for approval of the rural rate decrease and with 74 Texas cities it serves for approval of the rate decrease within city limits.

The percentage of rate decrease varies slightly among types of electric customers. Residential customers will receive a net 5.2% decrease compared to rates in effect at the first of the year.

A monthly electric bill for a rural residential customer using 1,000 kilowatt hours would drop \$4.09, from \$73.51 to \$69.42. The bill for a customer within the city limits using 1,000 kilowatt hours dropped \$3 on March 28 and should decline another \$1.09, resulting in a bill of \$69.42.

"These rate reductions represent a cooperative effort among all parties," Hunter said. "We believe these rate decreases can help stimulate economic development and enhance opportunities for growth in our service territory."

July Rainfall Totals 2.23 In.

July rainfall totaled 2.23 inches, as of Tuesday morning of this week. This brought the rainfall for 1988 to a total of 10.71 inches, as recorded by Fred A. Strange.

"Sew for the Gold" Is Theme Of 4-H Fashion Show

"Sew for the Gold" is the theme of the 1988 Briscoe County 4-H Fashion Show set for Monday, July 18, at Silverton High School with judging at 3:00 p.m. in the library and the public fashion show at 7:00 p.m. in the auditorium.

Eight adult leaders have conducted clothing project meetings with 35 4-H members to teach wardrobe planning, clothing care, fabrics and textiles, buying, grooming, and clothing construc-

tion.

Leaders working with this project are Janinne Brooks, Dorcas Garrison, Cathey Weaks, Martha Cavitt, Sheryl Weaver, Bena Hester, Margie Pinkerton and Debra Turner.

Junior entry divisions are casual, dressy, sports, specialty and buying. Senior 4-H members may enter tailored daywear, non-tailored daywear, evening, or active sports and specialty wear in either the construction or buying division.

4-H'ers entering the fashion show must turn in a narration form to the County Extension Office no later than noon today (Thursday).

The public is invited to the fashion show at 7:00 p.m. in the school auditorium. There is no charge.

The 4-H program is open to boys and girls from third grade to 19 years of age regardless of race, socioeconomic level, color, religion, handicap, or national origin.

Little League To Have Fun Night At Show Barn

Silverton Little League will be having an Ice Cream Supper and Fun Night tonight (Thursday, July 14) at the County Show Barn beginning at 7:00 p.m.

At this time, the team players will be receiving their T-shirts.

Those wanting to may bring roller skates and skate boards.

"The beginning is the most important part of the work."

Plato

Second Session Of Swimming Lessons To Begin Soon

A second session of swimming lessons is to be taught by Daren Hamaker and Brenda Boling Monday-Friday, August 1-12.

Classes will be offered for children 3-5 years old, from 10:00 until 11:00 a.m.

Classes for children 6-8 years old will be held from 11:00 until 12:00.

The classes will consist of ten lessons.

Cost of the lessons will be \$35 for each child. Should more than one person from a family attend, the cost will be as follows: two children, \$50; three children, \$60; four children, \$70.

If anyone older than nine years is interested in taking lessons, he or she may contact Daren Hamaker. Adult lessons will also be offered if enough interest is shown.

All names and ages of those interested in swimming lessons should be turned in at the pool. You may also contact Daren Hamaker at 823-2021.

OBITUARIES

VERTIE JOINER DUDLEY

Graveside services for Vertie Joiner Dudley, 84, of Stephenville, were conducted at 2:00 p.m. Friday, July 8, in the Silvertown Cemetery by Lacy Funeral Home of Stephenville. The Rev. Jim Browning, pastor of First Baptist Church in Silvertown, officiated.

The body lay in state at Lacy Funeral Home in Stephenville

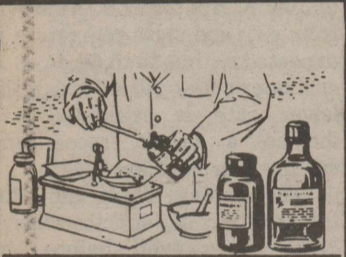

until 10:00 p.m. Thursday.

Mrs. Dudley died at 4:25 a.m. Wednesday at Hico Nursing Home in Hico.

Born Vertie Allard on January 3, 1904 in Erath County, she married D. G. Joiner, an uncle of Mrs. Alvie (Winnie) Redin, in Silvertown in 1928. She taught school at Rock Creek several years. Mr. Joiner died in 1955.

She was married to Alvin Dudley, a brother of the late Milton Dudley, in 1962 in Fort Worth. He died in 1979. She moved from Fort Worth to Stephenville twenty years ago, and was a member of Harvey Baptist Church in Stephenville.

Surviving are one daughter, Verlyn Walker of Three Way; seven step-children; four grandchildren and three great-grandchildren. She was a cousin of the

late Clifford and Dean Allard. The family requested that memorials be made to a favorite charity.

Continued on Page Two

service to receive only about half the amount of these charges, and Medicare refuses to pay anything at all on some transfers.

(3) Memorials which once came in to the ambulance service at a nice amount have all but dried up, further reducing the economic condition of the group.

(4) With the coming of the 911 emergency system, which is probably about 18 months away for Silvertown, the local ambulance service will be forced to operate with a central dispatcher and will have to buy pagers for its volunteer workers. This is estimated to be an expenditure of about \$4,000. There is no way the 911 service can operate with the present telephone system being used, and this will also affect the volunteer fire department.

Many people seem to believe that the Silvertown ambulance service, because it is operated by volunteers who receive no pay for their service, should not charge anything for its transports and service; however, even though the workers do not receive any compensation, the expenses for gasoline, oil, tires, medical supplies, and repair never cease. In fact, these expenses are many times higher now than they were a few years ago, due to inflation. For example, a new cot for the ambulance now costs (in its least expensive model) approximately \$1,000.

Members of the ambulance service have discussed this issue at their last three meetings, and will have to make a final decision on this at the next regular meeting, which will be Tuesday, August 2. Members have looked at two ambulance units, and have no disagreement about getting rid of the older unit which has absolutely no room in which to work and little room for the storage of supplies and equipment. The unit is using lots of oil, and could require an engine replacement before too long. Members would like to see both units equipped with heart monitors so that either could be used as an advanced life support unit. BUT, most of the ambulance volunteers are full-time employed men and women who don't mind giving their time to service but hate to have themselves tied to money-making projects to keep the service operating.

The point was made at the last meeting that, with escalating costs, if the group waits too many years to replace the old unit the cost might become absolutely prohibitive. The purchase price of the unit the group wants to retire was about \$13,000.

Plutarch described a dog in Roman times who had been taught to simulate the symptoms of poisoning, the appearance of death and the return to life.

Lake Mackenzie Fishing Report

Two large fish were weighed in at Cactus Cove Marina on Lake Mackenzie during the past week. Water temperature at a four-foot depth is 79° and the water depth at the dam is 108.04 feet, the lake having caught nearly nothing out of all the rains that have fallen.

On July 6, a 6½-pound yellow catfish was caught on a live perch in Tule Creek by Red Jennings of Amarillo.

Danny Harland, jr. of Tulia caught a 3¾-pound striper west of the small island on July 7 while casting a Rapala lure.

Community Singing Is July 31

The Fifth Sunday Community Gospel Singing will be held at the Rock Creek Church this fifth Sunday, from 2:30 until 4:00 p.m.

The First Baptist Church hosted the last singing and there was a good crowd with all the area churches represented.

It is hoped that each congregation will make plans to present special music arrangements. Every man present will be given the change to lead the song of his choice. Singing will be a capella.

Senior Citizens To Have Luncheon Friday

Silvertown Senior Citizens will have their regular monthly luncheon and business meeting Friday, July 15, at the center.

Women of the First Baptist Church will be hostesses for the luncheon.

Boy Scout News

This week's meeting will be Friday at 5:00 p.m. at the Scout Hut. The Scouts are mowing lawns. If you have some mowing to be done, please give me or a Scout a call. You pay by donation. We appreciate your support.

We need some 2x4s for some building at the Scout Hut. If anyone has any old 2x4s, please give me a call.

We also need some oil base red paint, one gallon. If anyone might have a lawn mower that works good, we could use it. We may be able to work out a deal for it.

We also hope Mr. Nance heals after his adventure at Camp Haynes.

We will be camping this weekend. Read about it next week.

Mark Eddleman, Scoutmaster

Cogdell-Carpenter Vows Exchanged In Formal Church Ceremony Saturday

Penny Lee Cogdell and Joel Kent Carpenter exchanged wedding vows at 7:30 p.m. Saturday, July 9, at the First Baptist Church in Silverton. The Rev. Jerry Miller of Iowa Park, former pastor of the Silverton church, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Billy Cogdell of Silverton and is the granddaughter of Mrs. Jim Barnes of Tulia. The bridegroom is the son of Mr. and Mrs. Lee Carpenter of Vernon and is the grandson of Mrs. Marguerite Holland of Kerrville and Mrs. Adele Carpenter of Sonora.

The bride, escorted by her father, wore a formal gown of white satin fashioned with a Queen Anne neckline, cap sleeves and a fitted bodice of Chantilly lace accented with seed pearls. Her skirt and train were highlighted with beaded lace and iridescent sequins. She wore elbow-length gloves of Chantilly lace and a headband decorated with ribbon roses, lace, pearl sprays and iridescent sequins with a pouf of illusion in back. Her veil of Alencon lace fell to fingertip length.

She carried a bouquet of ruburium lilies, dendrobrum orchids, white roses, Queen Anne's lace and English ivy accented with tulle poufs. Her bouquet was carried atop a white Bible which was a gift from the bridegroom. She wore a pearl necklace with a diamond pendant which was made with the dia-

Mrs. Joel Kent Carpenter

mond from her paternal grandmother's engagement ring.

For "something old", the bride wore a cameo ring that had belonged to the bridegroom's maternal great-grandmother.

Her wedding ensemble was "something new". She "borrowed" a monogrammed handkerchief from her friend, Paula Teegarden, and completed bridal tradition by adding a blue garter

inscribed with the names of the bride and groom and the wedding date.

Matron of honor was Tammy Hutto of Levelland. Bridesmaids were Kelsey Lockett of Tulsa, Oklahoma and Paula Teegarden of Lubbock. They wore tea-length dresses of periwinkle blue and rose floral chintz. Their dresses were fashioned with ruffled necklines, fitted bodices with dropped waists and full skirts. They carried bouquets of rose gerber daisies and shaded pink tulips tied with rose satin ribbon.

Serving as flower girls were Memoree Jones of Kress and Neishay Barnes of Plainview, cousins of the bride. They wore tea-length dresses of rose taffeta and had halos of flowers in their hair. They carried baskets decorated with poufs of white tulle and white ribbon roses that were full of fresh flower petals. Blaine Barnes of Tulia, cousin of the bride, served as ring bearer. He carried a white satin heart pillow and was dressed in a stroller identical to that worn by the bridegroom.

Scott Bagley of Dimmitt served as best man. Groomsmen were Steven Bagley of Dimmitt and Ralph Smith of Orlando, Florida. Guests were seated by Billy Rank Cogdell, Dick Cogdell and Jim Cogdell, brothers of the bride, who also lighted the candles.

Kim Oldham of Shamrock registered the guests. LaRue Garvin was organist and accompanied Jeff and K'Lin Noble of Plainview who sang "Household of Faith," "This is the Day," "The Lord's Prayer" and "Savior, Like a Shepherd Lead Us." Jaris Roth of Albuquerque, New Mexico, trumpet player, provided "Trumpet Voluntary" and "Festival" for the ceremony.

The couple exchanged wedding vows before an arch of baby's breath, greenery, spider mums, gerber daisies, snapdragons and rose-colored ribbon. Arches also flanked each entry to the church. Brass candelabra entwined with flowers and greenery decorated the choir loft, and greenery trailed onto the floor. Heart-shaped candelabra and Boston ferns decorated the floor, and pews were marked with nosegays of mixed flowers and greenery.

RECEPTION

A reception was held in the church Fellowship Hall following the ceremony. The bride's table was covered with a white lace cloth banded with a dusty rose moire taffeta cloth tied in a big bow with a vase of fresh flowers and silver appointments. The

Italian creme cake was a tiered confection of pastel flowers. The top of the cake held clusters of handmade sugar-rolled flowers encircling a Precious Moments bride and groom. The cake and punch were served by Judy Pelt of Duncanville, Cathy Carson of Hale Center, Briss Benson of Midland and Kippi Cogdell of Silverton, sister-in-law of the bride.

The groom's table was covered with an ecru cloth and his cake was a German chocolate confection that was decorated with the seal of Texas A&M University. Assisting at the groom's table were Sandra Carpenter of Vernon, sister of the groom, Kelly McNeil of Crosbyton and DeAnna Fields of Abilene.

Tables holding trays of finger sandwiches, vegetables, fruits, smoked turkey, dips, cheese, crackers and chicken salad were scattered throughout the Fellowship Hall.

Members of the houseparty were Billie Ann Sprague, Rayna Damron, Mike Settle, Carolyn Reagan, LaTrella Flowers and Ernestine Barnes.

Following a wedding trip to San Antonio, the couple will reside near Silverton.

The bride is a graduate of Texas Tech University and is employed by Tule Ranch as bookkeeper. The bridegroom is a graduate of Texas A&M University and is employed by Microbial Genetics Division of Pioneer Hi-Bred International, Inc.

REHEARSAL PARTY

The bridegroom's parents hosted a rehearsal dinner on Friday night at The Steakhouse in Tulia. A luncheon was given by Norma Birdwell, Amy Birdwell and Paula Bomar at the Bridal House in Plainview.

Other courtesies included a miscellaneous shower at the First State Bank in Silverton given by friends of the bride's family, a dinner party at the Country Barn in Amarillo given by Mr. and Mrs. Pat McDowell of Dumas and Mr. and Mrs. E. C. Britain III of Stinnett. A shower in Tulsa, Oklahoma was given by Kelsey Lockett, a shower in Silverton was hosted by Kim Oldham, a kitchen shower in Tulia was given by Ernestine Barnes and a lingerie shower in Lubbock was given by Paula Teegarden, Tammy Hutto and Kelly McNeill. Mr. and Mrs. Lawson Stiff, Mr. and Mrs. D. M. Cogdell and Mr. and Mrs. John Oudt hosted a dance at the Lubbock Country Club.

Jacksonville, Florida covers a larger area than any other U. S. city except Juneau, Alaska.

BE A WINNER!
 Now you can register at both locations for your chance to win a new 1988 Chevy Sprint! No purchase is necessary to win. Each Thursday the store manager boxes up and seals all the entries and sends them to our headquarters in Lubbock where the winner's name is drawn by a notary public. You could be the next winner, so come by and sign up today!

Prices effective Wednesday, July 13 through Tuesday, July 19, 1988.

Western & Plains
 Hillside & Bell

Alisha Breedlove, 12, was all smiles after bagging this 6.37-pound bass to win a kids tournament sponsored by the Lake Fork Lady Anglers. Alisha is the daughter of Guy and Sheryl Breedlove of Quitman and is the granddaughter of Edwin and Claudine May and Annie Breedlove, and the great-granddaughter of Mr. and Mrs. O. E. May.

McCracken Reunion Held Here July 1

All of the children, grandchildren and great-grandchildren of Floye McCracken met for a reunion on July 1, at the home of her daughter and son-in-law, Glenda and Alvie Francis. This was the first meeting for many of the grandchildren-in-law and great-grandchildren.

Volleyball, basketball and "42" were enjoyed by many and in the late afternoon Benny Young delighted everyone by playing selections on his fiddle.

Those attending were Joe and Paulita Young, Stanley Young, Benny, Brenda, Heather, Zachary and Jeremy Young, Marc, Connie, Jessica and Tyler Gold, Steve and Jill Brown, all from Arizona; Stewart and Lavada McCracken, Tulia; Richard, Jo Beth, Chris, Kevin and Kimberly Edwards, Olton; Ronnie, Sharon and Travis McCracken, Clyde and Alma Monk, Lubbock; Barry, Michelle, Jared, Nathan, Andrew, Caleb and Jacob Francis, Silverton; Kevin, Becky and Patrick Drew, Coppell; Wayne and Katy Henderson, Arlington; Floye McCracken, Leon and Lockwood McCracken, Ralph and Hattie Lois Carter, Quitaque.

The Youngs also attended a Young family reunion while in Texas. They did lots of sight-seeing while enroute including Carlsbad Caverns and White Sands in New Mexico. Several of the Youngs visited the old McCracken home place at Gasoline.

Tick-tock. The oldest gong clock in the world is located in the cathedral of Notre Dame de Dijon in France. It was given to the town of Dijon in 1383 by Philip the Hardy.

Kids Cooking School Is Mon., July 18

Boys and girls in Briscoe County are invited to a Kids' Cooking School in the Silverton School Home Economics kitchen on Monday, July 18, at 11:00 a.m.

This activity, sponsored by the Briscoe County Extension Service, will be conducted by Joy Parnell, Southwestern Public Service home economist from Lubbock.

Kids will receive a recipe booklet of foods demonstrated and be able to taste the dishes prepared. There is no charge for this program which will conclude by 12:30 p.m.

Families who have children visiting from out of town are encouraged to take the children to the cooking school.

Extension Agents Participating In State Conference

Briscoe County Extension Agents Lynda Fogerson and Curtis Preston will be participating in the State Conference of the Texas Agricultural Extension Service this week at Texas A&M University in College Station.

"Extension Education—Addressing Issues for a Changing Texas" is the theme for the professional development conference aimed at updating the more than 900 faculty members throughout the state on issues facing Texans.

Some 40 technical courses, special sessions, and professional development trainings will be conducted for staff members during the week.

Featured speakers will include Dr. Perry Adkisson, Chancellor

of the Texas A&M University System; Dr. Charles Arntzen, deputy Chancellor and dean of agriculture at Texas A&M; Dr. Charles Black, director of the North Carolina Extension Service; Dr. Zerle Carpenter, director of the Texas Agricultural Extension Service; Doc Blakely of Wharton, an internationally known lecturer and humorist; and State Senator Kent Caperton of Bryan.

The conference will conclude July 15, with the presentation of the Knapp-Porter award to three long-time supporters of Extension programs.

LETTER TO THE EDITOR

Dear Editor,

We look forward to receiving the Briscoe County News each week. Usually see some item of interest about our friends there. The best way to keep up, although we've been gone from Silverton over 32 years.

Plan to come to S.H.S. Homecoming if our eighth grandchild arrives about August 1st (as planned).

Sincerely,
Harold and Freda Seefeldt

HAPPY BIRTHDAY TO...

July 14—Dorothy Baker, Rosemary Maciel, Jackie W. Davis
July 15—Lydia Segura, Verlin Towe, Colter Gilmore
July 16—Shelly Rinehart, Jo Ann Baker
July 17—Ima Nell Francis, Vanessa Martin, Dena Roehr, Josh Breedlove, Doleta Boyce
July 18—Jim Burnett
July 19—Terry Bomar, Trey Wyatt
July 20—Sherry Mattheus

HAPPY ANNIVERSARY TO...

July 15—Mr. and Mrs. Alex Segura
July 20—Mr. and Mrs. Mike Grady

Buck Wesley Family Has Holiday Reunion

The Buck Wesley family enjoyed visiting at his home Saturday and gathered at the home of Elvira Weaks Sunday to celebrate the Fourth of July.

Those attending were Jomarie Weaks, Lequita and Sonja Daman, and Heather Langrell of Joes, Colorado; Kay, Jamie, Katie and J. C. Brady, Martha and Matthew Braly, Dallas; Eddie and Bobbie Wesley of Brownfield; Mildred and Bud Mouser, Plainview; Roy Brooks, Victor, Debbie, Jeff, Misti and Dusti Weaks, Vernon and Carmaleta Wesley, Randy, Linda, Adam, Aric and Becky Wesley, all of Lubbock; Luanne Taylor, Steve and Shalane Wesley and Nell Clem, Matador; Dale, Robin and Jordan Wesley, Amarillo; Willie and Betty Wesley, Virginia Mason, David and Justin Wesley, Pat Wesley, Eldon, Traci, Mitch and Matt Wesley, Chris and Amy Wesley, all of Tulia.

Those attending from Silverton were Mr. Wesley, Gary, Cathey, Robby, Leslee and Lindsey Weaks.

After enjoying a meal of grilled hot dogs with all the trimmings, most of the "below forties" played baseball. All enjoyed the fireworks.

New Arrival

Mr. and Mrs. Darrell Reynolds are parents of a son, Jesse Duell, born on June 20, 1988. He weighed nine pounds and eight ounces, and measured 21½ inches long.

Grandparents are Mr. and Mrs. Allen Seago of Plainview and Mr. and Mrs. Duane Reynolds of Silverton.

Great-grandparents are Mr. and Mrs. M. G. Reynolds of Samnorwood, Mrs. Allie Mullins of Iraan, and Mrs. Roy Jackson of Plainview.

Jesse has a sister, Daryl-Ann, who is 2½ years old and very glad her brother is finally here.

Brownie Scout News

Brownie Troop #342 wishes to say that we had a fun year and completed steps to receive eight proficiency badges and patches. We wish to thank Sheriff Dick Roehr for helping with our safety patch, the Briscoe County News for carrying our charges till we collected our dues and cookie money and for paying the sales tax from their own pocket, Carol Davis for donating a large sack of potting soil for us to plant our egg carton gardens in connection with our outdoor badge, and Wayne Nance for fixing it so we could afford brisket instead of hot dogs for our end-of-the-year banquet. We would also like to thank the families who showed up for our banquet. This really means a lot to your child or grandchild. Last, but not least, we would like to thank all those who bought our Girl Scout cookies.

We are looking forward to a really fun year next year, but are sorry to lose our three senior Brownies: Minerva Patino, Kimmie Blazier and Heidi Tiffin. We are sure to have some delightful girls join next spring to take their places, though. We will have to have an assistant leader or two to three women who could be part-time leaders. There are times when our regular leader can't be there and many times when she just needs an extra pair of hands. If interested, call and talk to her at 823-2332.

Thank you.

The Brownies of Troop #342
Pete Tiffin, leader

And the winner in the fifth race... an ostrich. Though the 400-pound bird can't fly, it can outrun many racehorses.

GARLIC OIL

With Parsley and Chlorophyll

Garlic contains potassium, phosphorous, a significant amount of B and C vitamins, as well as calcium and protein. It's generally accepted that garlic acts as a diuretic, stimulant, expectorant, and sweat promoter. For centuries, it has been a common European remedy for colds, coughs and sore throats. European physicians have reported that garlic has two outstanding medical properties. One is that it tends to open up blood vessels and reduce blood pressure in hypertensive patients. The other property is antibiotic, and several researchers have found that garlic in large amounts can be effective against bacteria that may be resistant to other antibiotics. The addition of parsley and chlorophyll helps remove the aroma of this natural herb wonder, leaving no after-taste or bad breath. Contains no preservatives, no artificial color or flavor, no sugar and no starch.

Comings And Goings

Elaine LaBaume and son, Coy, of Floydada spent the Fourth of July weekend with Ashel and Mildred McDaniel. Jon LaBaume joined them on the Fourth and they all attended the Fourth of July Celebration in Silverton.

Matt Hughes and his mother, Judy Hughes, drove from Waco to Silverton on Monday, June 20, for a visit in the home of Mr. and Mrs. Berton Hughes. Matt stayed with his grandparents while Judy went to Amarillo on business. A week later, Judy drove back to Silverton and spent the night, and on Tuesday morning, Mr. and Mrs. Berton Hughes drove with Judy and Matt back to Waco. On Friday, July 1, they met Robert Hughes at Dallas-Fort Worth air terminal when he flew in from Chicago. They all spent the Fourth of July holiday in the home of Rev. and Mrs. Randy Hughes, Amy and Matt. On Saturday evening, they enjoyed watching the fireworks display from Lake Brazos. On Sunday, they attended church at the Emmanuel Baptist Church where Randy is pastor.

Mr. and Mrs. Berton Hughes enjoyed having their two sons and family together for a reunion.

Robert flew back to Chicago and Mr. and Mrs. Berton Hughes flew to Lubbock on Tuesday, July 5, after having spent an enjoyable week in Waco.

Letha Lanham and Grace Vaughan met the Hughes in Lubbock and drove them home to Silverton.

Visiting in the Buck Wesley home from July 1 until July 4 were Jomarie Weaks and Laquita, Sonya Damon, Heather and Langrell, all of Joes, Colorado. All came Friday morning. Gary and Robby Weaks came by for a visit that afternoon, Eddie and Bobbie Wesley of Brownfield came that evening. Buck Wesley and the Colorado visitors stopped by the home of Elvira Weaks and all went to Plainview for a visit and supper with Mildred and Bud Mouser. Kay, Jamie, Katie and J. C. Brady of Mabank, Texas, Martha and Matthew Brady of Dallas came Saturday

morning. Those present for dinner were Elvira Weaks, Gary and Robby Weaks, and they were joined in the evening by Mr. and Mrs. Carl Minyard and daughters. Pat Wesley of Tulia joined the group Sunday, and all went to the home of Elvira Weaks where they met most all of the children and their families of Buck Wesley and the late Mable Wesley for a weiner roast and ice cream supper.

Mr. and Mrs. J. D. Nance recently visited with Mr. and Mrs. Homer Youngblood in Mill-sap.

Thurman, Glenda, Anthony, Preston and Kymberli May of Houston were recent guests in the home of his parents, Edwin and Claudine May.

Mrs. Mitch (Angie) Martin of Tulia and Mrs. A. R. (Sybil)

Martin made a business trip to Ozona early this week.

Mrs. A. R. Martin spent Tuesday and Wednesday of last week in Lubbock visiting with Juanita (Edwards) Howard.

Alexander the Great had a dog who became his companion in arms and in memory of which he founded a city.

Eleven experienced two-person teams July 5 began the six-week job of mapping an estimated half million acres of cotton fields in all or parts of 12 High and Low Plains counties along and just below the Caprock.

As every year, the meticulous job is a key step in preparation for the High Plains Boll Weevil Control Program that's been going on since 1964. All fields planted to cotton in the defined area are pinpointed on county maps for quick location by spray planes in the Fall if manual surveys determine weevil infestations justify treatment.

Every county through which the Caprock passes, from Briscoe on the north through Floyd, Crosby, Lubbock, Garza, Borden, Dawson and Howard on the south will be mapped, plus Motley, Dickens, Kent and Scurry counties to the east.

All fields in the area aren't likely to require spraying, of course, program officials say. "But if and when weevil populations begin to build in an area, treatment can't wait for mapping."

Weevil emergence from hibernation has been monitored by means of pheromone traps throughout the control zone and

in adjacent fields since early Spring. The primary purpose of trapping is to give preliminary indications of where manual surveys should begin prior to the initiation of spray operations in the latter half of September.

Additionally, by comparing in-zone trap catches to catches outside the control zone, officials can gauge the effectiveness of the previous year's spray program and get a general idea of the size program to expect in the Fall.

In this latter respect, according to Ed Dean, Field Service Director for Plains Cotton Growers, Inc., comparisons this year have been encouraging on two counts. "They verify the excellence of results from 1987 spraying and point to the possibility that fewer acres may need treatment this year," Dean says. PCG, the organization responsible for the overall program, maintains it has kept weevils out of an average 2.5 million acres of cotton in PCG's 25-county territory above the Caprock for the past 24 years.

In the untreated area outside the control zone through June this year, Dean points out, 30 traps caught 27,208 weevils, as opposed to only 2,699 weevils counted from 45 traps inside the zone where treatment occurred in 1987. "To us, that's pretty convincing evidence that last year's program did its job—it killed over 93 percent of the weevils in the control zone before they could go into winter hibernation."

Trap catches from all areas through June in 1987 tallied 114,541, against only 29,907 in 1988. So officials are speculating that the 1988 program may be significantly smaller and less expensive than last year when an aggregate of 615,000 acres were treated at a cost of over \$1.8 million.

The program is jointly funded by High Plains cotton producers,

EATING ON THE ROAD

Are you planning a vacation and worrying about all the "junk" food your family may eat while traveling? Fast foods are not all bad. Many so-called fast foods provide a balanced meal which includes all of the four food groups. It's up to you to make wise choices among these foods to help reduce total calories, fats, sodium and sugar while getting a balanced diet.

Some of the foods which provide servings of all four food groups—meat/protein, milk, bread, and fruit/vegetable—are tacos, pizza, cheeseburgers, and seafood salads with crackers. Get in the habit of looking at a meal from the standpoint of the four food groups, and make sure you have a balance of these foods during the day.

Reduce fats and calories by reducing or omitting salad dressings or mayonnaise from salads, sandwiches or hamburgers. If you receive a pre-packaged salad dressing with a salad, don't use all of it. There may be several hundred calories in that little package.

When you stop for something to drink, buy lemonade, fruit juice, or just plain water instead of carbonated soft drinks.

When the urge for a candy bar strikes, try ice cream, fruit, nuts, or peanut butter crackers for a more nutritious snack.

If you have the choice of a baked or fried potato, select a baked one and omit or reduce the butter and sour cream.

If you are traveling through an area which has fresh fruits or vegetables, stop at a roadside stand and take advantage of these low-calorie, nutritious foods. On our recent trip, we bought vine-ripened tomatoes and fresh peaches—DELICIOUS!

Eating out on a vacation can be expensive, so make your food dollars buy the most nutritious food possible.

I see all ages—from babies to senior citizens—at the fast-food chain restaurants. Most of us are getting in the habit of having "food in a hurry." Many of these restaurants also realize that Americans are demanding more nutritious food choices, and they are making more options available to meet the consumer's needs.

Have a healthy, happy vacation by eating wisely as you travel down the road.

Do you know your ABCs? Of the 250 known alphabets in the history of language, 50 are still alive today. Half of these are in India.

Here's news that erupts with interest: when active, the Paricutin volcano in central Mexico could spew four million pounds of rocks and lava into the air in one minute.

the Texas and U. S. Departments of Agriculture. Producers, with a small contribution from TDA, furnish 70 percent of the total.

The Spanish once believed bread on the window sill would avert a storm.

Use Pesticides Safely In Home, Garden

For most, pesticides are commonplace in the home or apartment. At the first sign of insects or other types of critters, we reach for whatever is handy to get rid of the pests.

"This kind of familiarity with pesticides can lead to carelessness and potential problems," said Dr. Phil Hamman, entomologist with the Texas Agricultural Extension Service.

"There are so many different products on the market today, all aimed at taking care of specific problems, such as home pests, lawn and garden pests, and plant diseases. Use of pesticides has become quite complicated over the years, and that's where the danger lies," Hamman said.

"With specific products for specific pest problems, safety with pesticides is all the more important today," said the entomologist. "There are hosts of potential risks associated with the use of all of these products as well as specific risks with certain ones."

"That's why it's so important to read the label of a particular product before buying it to make sure it's what you need to handle your specific situation. Then, before using that product, read the label again to make sure you are applying the pesticide properly and using the necessary precautions."

A label on a pesticide container is a legal document, so make sure it's in place at all times, Hamman said. That means storing the pesticide in an area protected from the weather so that neither the product nor the label will deteriorate. Never store leftover pesticides in an unmarked container. Of course, always store such products out of the reach of children; it's best to keep pesticides in a locked area.

Two major problems in using pesticides are breathing fumes and absorption through unprotected skin, said Hamman. Exposure to pesticides in these two ways can cause definite problems.

Always mix pesticides in an open area where there is plenty of fresh air. Wear gloves and other protective clothing. If you accidentally spill pesticide on your skin, wash immediately. If chemicals get into your eyes, flush them with water for 15 minutes and get medical attention immediately. If clothes get contaminated, take them off as soon as possible and wash your skin with soap and water. Wash contaminated clothing twice, separately, in a strong detergent.

When spraying or dusting large areas, wear safety glasses and a face mask, or wear sunglasses and cover your nose and mouth with a handkerchief. If you can smell a pesticide, it's entering your lungs, Hamman said.

If you suspect pesticide poisoning or contamination, immediately call your doctor or the nearest Poison Control Center.

It's raining cats and dogs took on a whole new meaning in 1928. That's when a one and a half pound hailstone fell in Potter, Nebraska. It's the largest on record.

SOCIAL SECURITY IN BRISCOE COUNTY BY

TERRY J. CLEMENTS

Most people who have business dealings with Social Security handle their own affairs with some help from Social Security personnel. So our aim is to make certain that those entitled to benefits get them, and we even help applicants establish their right to them.

However, a person who wishes to be represented in his or her dealings with Social Security may arrange for this. The

representative may be a lawyer or any other qualified person. Social Security personnel are prepared to assist by providing a list of legal service organizations, such as the Legal Aid Society or the State or local bar association, from which the names of attorneys may be obtained.

There are some limits on who may represent a person in his or her dealings with Social Security. First, the representative must be an individual, not a corporation or organization.

Second, a person cannot act as a representative if he or she has been prohibited from engaging in such activities because of having violated provisions of the Social

Security law.

Third, under certain conditions a current or former employee of the Government may not be able to act as a representative. Further details about this restriction may be obtained from any Social Security office.

Once a representative is decided upon, the appointment must be made in writing. A form for this purpose is available at any Social Security office. The representative's authority ends when final action is taken in the case or when the person being represented asks that it end.

For more information or to file a claim you may call us at 293-9623.

Down on the FARM WATCH UP FOR POWER LINES

Power lines can be dangerous.

Touching irrigation pipe to a power line can divert the electricity through the pipe . . . and to anyone in contact with it. In this part of the country, this is the leading cause of farm injuries and deaths in electricity-related accidents. Any equipment of unusual height represents a potential danger. Lift arms on field equipment, combine auger spouts and even radio antennas can cause serious injury or death if they, and you, make contact with a power line.

Keep an eye up for power lines. Watch up, for safety's sake.

Cards of Thanks

We would like to thank everyone for all their help, food, cards, calls, money—all the many things done for us while we were in the hospital and since we've been home. We just love all of you for all the things you've done for us.

John D. Baird and family
Mike and Jana Baird and family
Linda, Tonya and Hanna

Angie Magallanes and husband, Armando, would like to thank all of you who took the time to make our bridal shower the best. We thank you for all your gifts and we are honored to have friends like you.
Thank you!

Thank you very much for the concern shown us while we were in the hospital and since we have been home.

Claudine and Edwin May

Just a note to the people of Silverton for the prayers, calls, food and money. The love offering has helped to pay the doctor and for other medical treatments that were needed each week. Thank you for your concern and friendship these last few months. I couldn't have made it without your help.

Thank you,
Lois Cline

FREE TO GOOD HOME: Cute Kittens. Call 847-2234. 28-2tc
