VOLUME 80 NUMBER 39

Cooperation of Citizens Needed

Dumpground Cited For Eleven Violations

Silverton Mayor A. R. Martin and County Judge Jimmy Ross have received letters of notification of eleven violations at the dumpground from the Texas Department of Health.

Linda B. Wyatt, regional engineer for the Department of Health, stated in the letter that during the inspection of the dumpground on August 25, eleven violations of the Municipal Solid Waste Management Regulations (MSWMR) were noted. The violations were listed as:

1. Placing waste in unconfined waters (ravine area)
2. Unloading of waste and internal control

3. Unauthorized waste on site (ravine area)
4. Windblown waste scattered on site
5. Uncovered pesticide cans
6. Boundary not marked for permitted area
7. Material scattered on access road
8. Burning without authorization from TACB
9. Heavy fly problem on that date
10. Intermediate cover on any waste (trench and ravine areas)
11. No cover log

"This site must be in compliance with the conditions of the issued permit or registration and the MSWMR prior to November 1, 1988," Ms. Wyatt stated.

"Failure to comply with the terms of this notice will constitute a further violation of the MSWMR and may result in our seeking legal relief in accordance with appropriate State Statutes. The 'Solid Waste Disposal Act' provides for administrative civil penalties up to \$10,000 per day or court-ordered civil penalties in the amount of no less than \$100.00 or no more than \$25,000 per violation per day of violation should legal relief be required. State law further provides that the Attorney General's office may recover reasonable attorney's fees in a suite of this type," Ms. Wyatt continued.

The city and county have been doing cleanup work at the dumpground and have sprayed for insect control, but need the cooperation of citizens to avoid having fines assessed for illegal dumping. Citizens must not unload refuse anywhere in the area of the dumpground except where it will go over the side and into the ravine.

"If you need to take waste material to the dumpground," Mayor Martin said, "and you have questions about this, please call the City Hall to have your questions answered before you make the dump."

Club To Sponsor Halloween Carnival

Mark your calendars. The Progressive Extension Homemakers will be sponsoring this year's Halloween Carnival. It is

Bradley Brunson (30) is shown running with the ball during the game with Guthrie last Friday night, while the Jaguar player shows how he likes to make the stop and go for the ball at the same time.

All Around
The Town

BY MARY ANN SARCHET

The night of the first home football game the weather was clear and warm, and the hamburger cookout was a pleasant experience, as usual. When the Booster Club has their cookouts, a community picnic atmosphere prevails and it almost seems like a fun occasion with a football game for entertainment. It's good for our people to enjoy occasions of fellowship like this.

That particular night, the field and all the area surrounding the field was just beautiful, green and freshly mowed. The red and white flags were waving in a gentle breeze, adding color to the occasion. (The only difference between that night and last Friday night was that there were puddles of rainwater and it was a little chilly.)

Then looking around the campus, I notice how nice everything looks. The fence and playground equipment are freshly painted, weeds have been cut, shrubs have been pruned. It shows a lot of pride. Even though I didn't go to school here, I am proud of our school.

These things don't happen without a lot of hard work, and I'd just like to say . . . and I hope lots of others have been commenting on this, also . . . hats off to those who are responsible! You've done a good job; keep up the good work! You are making a difference.

Plans Being Made For Miss Mackenzie Contest

Plans are underway for the fifteenth annual Miss Mackenzie Contest. In order for the pageant to be a success, the L. O. A. Junior Study Club, sponsoring organization, would appreciate your participation in sponsoring a contestant.

Deadline for entries will be October 14, 1988. The entrant must be single and between 16 and 18 years of age.

The entry fee is \$15 and must be accompanied by a photograph of the contestant. Entry forms and all rules of the pageant will be available at local newspaper offices and schools. You may contact Liz Griffin, 847-2225, for further information.

The club is hoping to have contestant participation from each of the four towns involved in the Mackenzie Municipal Water Authority.

set for October 29.

Your input is needed for this to be a successful and fun event. Please call Marsha Brunson at 823-2463 to reserve a booth. Gate fee will be 25c and booth fees will be \$5.00.

Smoke smells will dissipate when a cold, wet towel (wrung out) is swished around the room.

Registration Deadline Coming October 9

Friday, October 7, will be the last day you can go to the tax collector's office to register to vote in the general election Tuesday, November 8.

By-mail registrations must be post-marked by November 9.

If you have just moved or are not registered to vote for some other reason, please do not overlook this deadline.

1989 Wheat Program Provisions Announced by USDA

The 1989 wheat program provisions, as announced recently by USDA, include:

- °A required 10 percent acreage reduction.
- °A price support loan and purchase rate of \$2.06 per bushel.
- °The target price is \$4.10 per bushel.
- °There will be no paid land diversion and no marketing loan or related program provisions.
- °Producers will be required to maintain in Acreage Conservation Reserve (ACR) an area equal to 11.11 percent of the program payment acreage.

First Bale Ginned Sat.

The first bale of new-crop cotton was ginned Saturday at Paymaster Gin in Quitaque for Merrell Brothers, P. J., Clay and Warren Wayne.

The bale weighed 517 pounds and produced 1060 pounds of seed. This was a 22% turnout.

The cotton was hand-pulled by Tom Ross and company.

Rainfall Continues Above Average

Rainfall for September has totalled four inches, according to the official record kept by Fred Strange.

This brings the 1988 rainfall to date to a total of 18.98 inches, almost an inch above the 45-year average of 18.08 inches.

	1988	Normal
January	.30	.65
February	.18	.60
March	.18	.93
April	3.15	1.49
May	1.50	3.11
June	2.52	3.78
July	3.08	2.39
August	3.15	2.64
September	4.00	2.49
Totals	18.98	18.08

REVIVAL STARTS SUNDAY
AT ASSEMBLY OF GOD

An Old-Time Pentecostal Revival begins Sunday morning at the First Assembly of God in Silverton.

Ministering will be the Rev. Royce A. Combs, pastor.

The meeting will continue through Friday, October 7, with Sunday services at 11:00 a.m. and 5:00 p.m. and nightly services during the week at 7:00 o'clock.

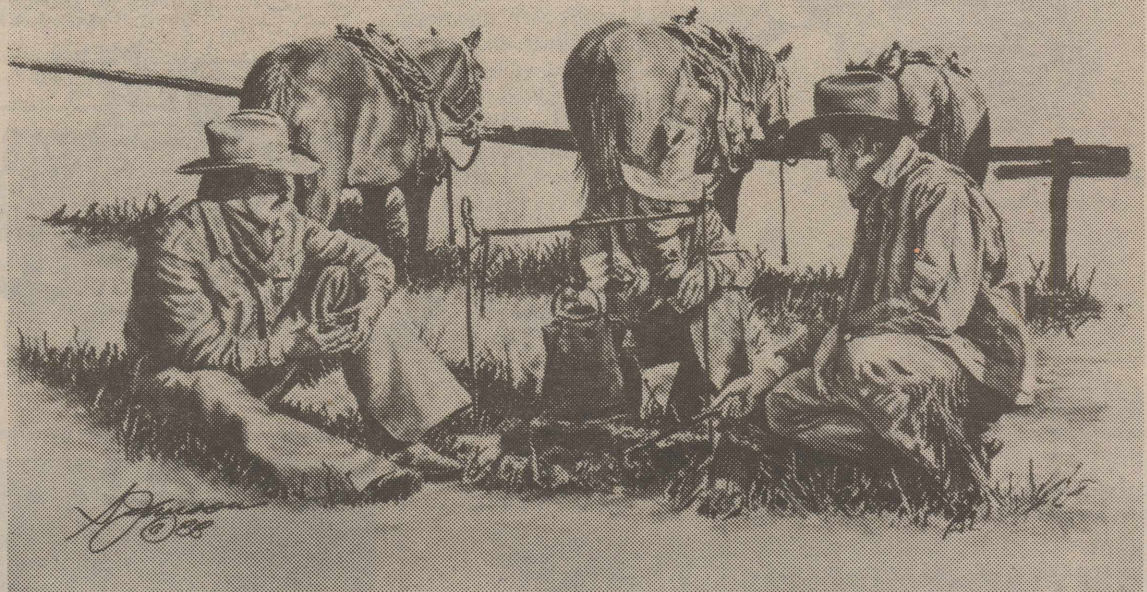

A cordial invitation is extended to everyone to attend any or all of these special services.

Western Art Show,
Sale Is Oct. 14-16

The seventh annual National Western Artists Association's Show and Sale will be October 14-15-16, 1988 at the Ranching Heritage Center, Texas Tech University Museum at 4th Street and Indiana Avenue, Lubbock, Texas.

Tickets for the Friday night Preview Party, October 14, are \$20.00 per person and will give the Friday night attendees an opportunity to purchase art before the public showing on Saturday and Sunday. The preview ticket price also provides an authentic chuckwagon supper cooked outdoors over a campfire and includes a grilled ribeye, dutch oven sourdough biscuits, mashed potatoes, beans, cobbler and homemade ice cream to be enjoyed while listening to live western music.

The original pencil drawing by Colorado artist Steve Johnson will be awarded as a door prize at

This original pencil drawing by Colorado artist Steve Johnson will be awarded as a door prize at the Preview Party to be held at the Ranching Heritage Center in Lubbock October 14.

the Preview Party and you do not have to be present to win.

Thirty-one artists from eleven states from New York to California will be showing their paintings, drawings and sculpture. Several artists who live in this region are Joe Belt, Duward Campbell, Herman C. Walker, Terry Gilbreth, Terrell O'Brien, Steve Napper, all of Texas, and Lincoln Fox, Juan Dell, David McGary and Gary Morton of New Mexico, and Harold Holden and Barbara Vaupel of Oklahoma.

Ticket information is available at the Ranching Heritage Association's office at the Ranching Heritage Center, (806) 742-2498.

Lockney Care
Center Capers

by Dianne Galvan
Director of Activities

Hello all! We are Lockney Care Center, the home of Silverton natives Chafe Tipton, Daisy Burson and Tressa Lewis. These folks send out greetings to all.

On Saturday, September 24, we will be having a Bake and Bazaar Sale. We have been extra busy preparing our ceramics and crafts for the big day.

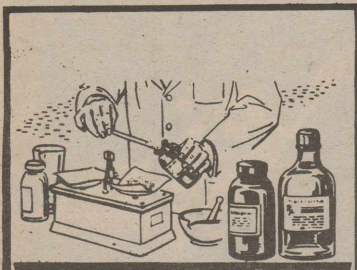

Other activities that keep us humming are daily exercise, ball playing, devotionals, bingo, ice cream socials, watermelon feasts, resident council meetings, bus rides and much more.

Our administrator is Steve Westbrook of Floydada and our administrator-in-training is Cheryl Stephens Ward, daughter of Mr. and Mrs. Shine Stephens, who was reared in Turkey and now makes her home in Plainview.

We have lots of fun activities scheduled for the near future so watch for us and thank you for allowing us to be a part of your newspaper.

Jai alai is often called the fastest game in the world. When in play, the ball can travel at 150 miles per hour.

They are (left to right) David Cavitt, who brought home the gold for the USA in the weight lifting event; Gerald Smith, gold medal winner in the water balloon shot put; teary-eyed Jimmy Burson, winner of the gold in the bicycle competition, who thanked the

little people who made it all possible; Comrad Boris of Lower Slabovia, gold medal winner in the basketball competition, winner of the only medal to go to a foreign country; Dorcas Garrison, gold medal winner in the 10 meter dash; Gary Weaks, gold medal winner in the ice cream lids discus event.

Letter to the Editor

Dear Editor,
Would you help me find a few good men by publishing this letter in your paper?

The few good men mentioned are WWII Veterans and were assigned to the 351st Heavy Bombardment Group at Pole-

brook, England between 1943 and 1945. There are about 5,000 lost souls and some of them may be in your area.

We have formed a 351st Association of flying and ground crews and have annual reunions. If you fit the above description, please contact: Ken Vaughn, 1 Shady Lane, Belleville, Illinois

62221.

Thank you,
B. F. Cook

Ombudsman Task Force Training Held In Amarillo

Maebelle Francis and Lois Nance attended a training meeting for Ombudsman Task Force members Friday in Amarillo.

The meeting included "Proper Reporting Procedure" and the importance of attending special functions in nursing homes.

Nursing Home Administrator Billy Ray Johnson spoke on the "Value of an Ombudsman from Administrator's View."

Lou Hughes, Social Service Director associated with Bivins Memorial Nursing Home gave a program on "Death and Dying."

Volunteer Ombudsman Task Force members are trained by the Texas Department on Aging, and then are certified. They are given additional training on a regular basis to enhance their skills.

Mrs. Francis and Mrs. Nance are certified volunteer ombudsmen. They work on behalf of the nursing home residents, on behalf of the facility, and as a linkage between the residents and families. Their goal is to help improve the quality of life of the residents in nursing homes.

Progressive Homemakers Meet

The Progressive Extension Homemakers met Monday, September 26, in the Pioneer Room at First State Bank. Hostesses for this meeting were Donna Estes, Becky Francis and Norma Garcia.

Members took care of routine business and also discussed the Halloween Carnival, Miss Mackenzie candidate and drew names for Christmas.

County Extension Agent Lynda Fogerson presented a "Communication Block Game." She presented some excellent pointers and distributed a handout on how to improve interpersonal communicating skills.

Members attending were Jan Browning, Pat McWaters, Norma Garcia, Bena Hester, Marsha Brunson, Colleen Reed, Brenda Gaskins, Beverly Minyard, Roy Reed, Anita Ramsey, Vicky Wederski, Derinda Patton, Becky Francis, Dorothy Martin, Gail Wyatt, Marsha Green, Dianne Reynolds and County Extension Agent Lynda Fogerson.

The Progressive Extension Homemakers would like to welcome three new members, who were also present, Melissa Estes, Valrie Graham and Gina Reed.

Next meeting will be October 10.

Elsie Brown and her sister, Lucille Knighton of LaJunta, Colorado, visited with Mrs. Knighton's sister-in-law, Helen Knighton, and her brother, Bill Deavers of Slaton.

PTA UPDATE

Lifesized, stuffed sixth graders, an antique bathtub with pillows for leisure reading, and some of our teachers as students were just a few of the many interesting things seen and learned about at open house last week. President Michelle Francis opened the meeting with a gavel awarded to us last year for the greatest membership increase in the District.

Principal Stanley Fogerson acquainted us with the new high school schedule and some new classes being offered in the Silverton School this year, these being Computer Keyboards, Personal Business Management, Advanced Typing, and Word Processing, taught by Sheryl Weaver; Trigonometry and Pre-Calculus from Richard Moore; Spanish II and Elementary Computer Classes taught by Laura Long; Career and Collegiate Counseling from Patsy Towe. We are grateful for this expanded curriculum and the greater opportunity it means for our students.

Superintendent David Cavitt informed us of the availability of drug awareness workshops in Amarillo. We will be learning more about the workshops later and PTA will help sponsor participation in a drug awareness Red Ribbon Day October 26.

After the meeting, members and visitors dispersed to the various classrooms where class schedules were available. Visiting with the teacher was relaxed and informative. If you didn't find one of your children's teachers in their room, some, despite already-demanding schedules, could be seen attending the extended education computer course offered at the high school at night.

The elementary teachers are also presenting a new subject, a Fine Arts curriculum they have devised and coordinated themselves. The students in each grade receive an in-depth study of two great master artists. By the time they finish elementary school, they will know about the lives and recognize and appreciate the works of Picasso, Michelangelo, Van Gough, Degas and Norman Rockwell, among others. Our innovative faculty is enough to entice us all back to school!

Hats off to our friendly hard-working faculty and administrators, some of whom never left school all day and evening.

The Outdoor Education plan-

ning committee is soon to be formed. The project is in the planning stages only this year. We intend to discuss ideas and establish broad objectives for development of the school site and playground. These plans will be congruent with administrative goals and desires. Anyone with experience or knowledge in the areas of landscape architecture, construction, playgrounds, or lawn care would be an asset to this project. However, we seek anyone with any interest to meet with us. The more work we do ourselves, the more we can hold down expenses and appreciate the results. Please call Sheila Reagan, 823-2537, or Cindy Comer, 847-2633, to volunteer or express your interests and concerns about this project.

Cynthia Younger is budding with ideas for PTA involvement in the Halloween Carnival on October 29. If you would like to help with the Costume Contest or if you have an idea of your own, please call Cynthia at 823-2040. We need suggestions or offers for costume contest participant favors and judges. Please pick up the phone if you'd enjoy helping.

We welcomed more members at Open House but we're looking for you, no matter who you are, if you haven't yet joined. You still can! Call or see Donna Francis, 847-2581, or Michelle Francis, 847-2580, and give either of them your \$2.00 in annual dues.

New Arrival

Dean and Gayla Ziegler of Colorado City are parents of a daughter, Karter Lynn, born at 7:48 a.m. Tuesday, September 20. She weighed seven pounds and four ounces.

The Zieglers are also parents of a daughter, Krista, who is eight, and a son, Josh, who is two and one-half years old.

Grandparents are Mr. and Mrs. Weldon McCord of Gainesville and Mr. and Mrs. Riley Ziegler. Great-grandparents are Mr. and Mrs. James McCord of Hutchins and Mrs. Lydia Eather-ton of Gilmer.

Cindy and Jon-Mac Edwards have recently moved to Hereford. She is the administrator of the Golden Plains Nursing Home and Jon-Mac is a first grader.

Girl Scout Troops Have Teddy Bear Party

The Girl Scout Troops met at the Scout Hut for a "Won't You Be My Teddy Bear" party on Saturday, September 24. The girls enjoyed playing games, watching a movie made in 1912 on Girl Scouting. The girls brought their favorite bears and prizes were given.

The smallest teddy bear award went to Christina Stephens and second place went to Carrie Baird.

The largest teddy bear award went to Misti Wilkinson and second place went to Heidi Tiffin.

The cutest dressed teddy bear award went to Shauna Kingery and second place went to Dara Ramsey.

The judges were Sheryl Jones, field director, and Cindy Massey, a Girl Scout Leader, both from Plainview.

Those who attended were LaToya Baker and Staci Hill, of the Cadette Troop; Christina Stephens, Carrie Baird and Heidi Tiffin, of the Junior Troop; Windy Wood, Holly Tiffin, Misti Wilkinson, Misti Edwards, Jamie Casillas, Katy Hester and Dara Ramsey, of the Brownie Troop; also Sheryl Jones, Cindy Massey, Vici Baird and Lois Hill.

The first image transmitted on experimental television in the 1920's was a cartoon cat.

Trampolines were first used in show business as early as 1910.

Owls Regain Winning Ways Against Guthrie

The varsity Owls got back on the victory trail here last Friday night by taking a 45-28 victory over the Guthrie Jaguars in a non-conference game. Silverton is idle this week and is working in earnest to be ready for the opening of district play October 7 at Miami.

Guthrie took the opening kickoff and marched right down the field to score with 5:38 remaining on the first-quarter clock. Their PAT kick failed, and the Jaguars held an early 6-0 lead. When the Owls weren't able to move the ball on their first possession, fans became nervous but this didn't last long as Bradley Brunson and Jamie Frizzell clamped down with their defensive efforts and Will Rowell ended their possession by recovering a fumble on the Guthrie 37 with 2:44 still to be played in the first period.

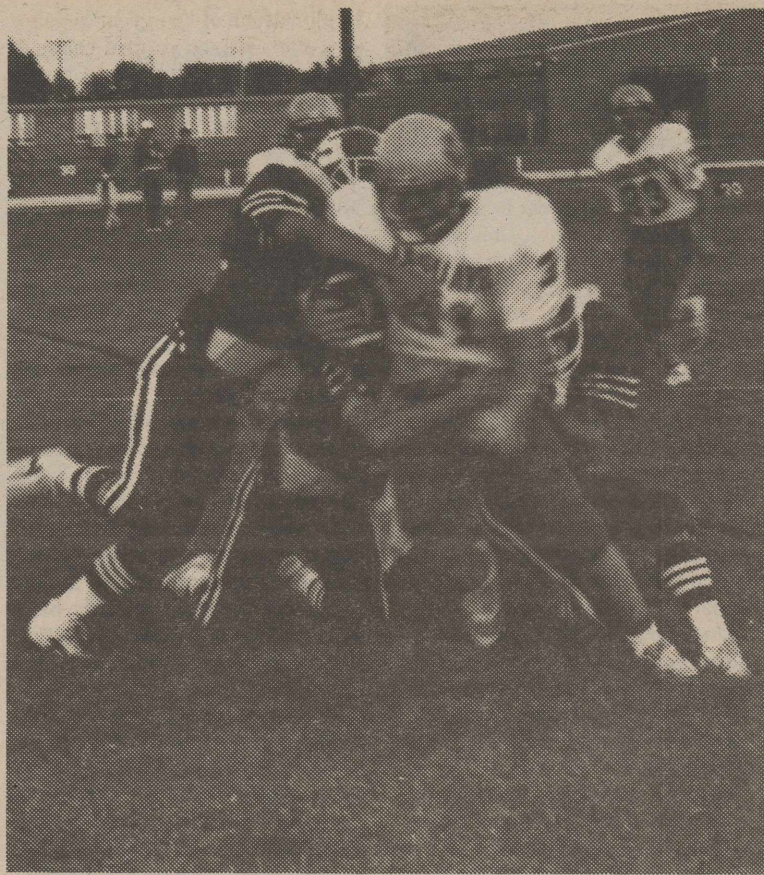

Brunson carried the ball to the Guthrie 22 on first down and the Jaguars were penalized to their 18 for being offside on the next play. Brunson ran for five yards on first down, and Kendal Minyard passed to Brunson for the tying score with 36 seconds still to be played in the first stanza. Wayne Henderson kicked

the PAT, and the Owls went ahead to stay at 8-6.

Guthrie completed a pass to Silverton 36 as the second quarter opened, but Frizzell recovered their fumble for the Owls on the next down. Minyard passed to Brunson to move the ball to the Guthrie 34, and passed to Denny Hill for the touchdown with 8:46 remaining to be played before halftime. The PAT failed, and the Owls led 14-6.

The defense held on the next series for the Jaguars, and the Owls went on offense with Brunson and Henderson alternating in carrying the ball. Minyard passed to Frizzell to move the ball to the Guthrie 16 and passed to Henderson for a first down on the 10. Henderson carried the touchdown with 3:50 remaining to be played in the second quarter, and saw the PAT kick blocked. The Owls moved ahead 20-6.

Guthrie's next possession was cut short when Minyard intercepted their pass on the Silverton 15. This time the Owls weren't able to move the ball and punted away, but the Jaguars came back with a pass that was intercepted by Rowell on the Silverton 17 after defense by

Owls demonstrate their defensive efforts against a Guthrie ballcarrier in a game that was won by the Owls 45-28.

Briscoe County News Photo

Henderson had set them for a three-yard loss.

A pass from Minyard to Brunson moved the ball to the Guthrie 38, and the first half ended on a pass completion from Minyard to Frizzell.

Silverton received the kickoff to open the second half, and punted to Guthrie on fourth down. The defense forced the Jaguars to punt on their fourth down play, but the Owls fumbled the punt and Guthrie recovered. There was an exact repeat at the end of the next series, with the Owls again fumbling the punt and Guthrie recovering it on the Silverton 9. The Jaguars passed complete for a touchdown with 5:19 remaining in the third period, the PAT kick was good, and the score had been narrowed to 20-14, and the home crowd was becoming visibly nervous again. Without cause. Minyard took the Guthrie kickoff and hesitantly made his way down the field and all the way to the goal. The score came with 5:01 still on the third-quarter clock, the PAT kick was good, and the Owls had moved ahead 28-14.

Defense by Frizzell, Brunson, Henderson and Hill held the Jaguars in check on the next series, and the ball went over to Silverton on the Owl 24. A pass to Hill looked to be complete but a jarring hit by one of the Jaguars knocked it loose, Guthrie recovered, and the Owls were back on defense again. They completed a pass, then Minyard broke up a pass, and on the first play of the fourth quarter, Guthrie passed for a touchdown. The PAT kick failed, and the score had been narrowed to eight points again, 28-20, with 9:51—an eternity—still left in the game.

On first down, Minyard completed a pass to Bryan Ramsey for a first down at midfield, and after runs by Henderson and Brunson, Brunson carried the score. The PAT kick was good, and with 8:16 remaining on the clock, the Owls had moved into a 36-20 lead.

On second down, Henderson recovered a Guthrie fumble on

the Silverton 31. Henderson carried to the 18, and a pass from Minyard to Ramsey moved the ball for a first down on the 7. Henderson carried the touchdown, passed to Brunson for an extra point, and the Owls led 43-20 with 5:50 still to be played.

Defense by Henderson, Brunson, Frank Lowrey and Ramsey kept the Jaguars from making a first down, and the ball went back to the Owls with 4:09 still to be played.

Henderson had been shaken up on a previous play, and on fourth down a freshman, Bryan Breedlove, went in to punt and hit an absolutely perfect strike that went out of bounds inside the Jaguar one. The Owls held and on fourth down, with the Jaguar punter standing in his own end zone, the ball sailed over his head and out of the end zone for a safety for the Owls, making the score 45-20 with 1:04 still to be played.

Guthrie scored another touchdown, this time against the Owl junior varsity, with Brian West, Langdon Reagan and Breedlove providing most of the defense. There were 22 seconds remaining in the game when Guthrie scored, kicked their PAT, and made the final 45-28 score.

The game ended with Josh Brooks at quarterback, with West, Reagan, Breedlove, Kirk Couch and Brian Martin representing the Owls.

Neal Edwards didn't suit up for the game, but is expecting to be ready for action when District play begins.

Minyard completed 10 of 17 passes for 145 yards in the game. The Owls also rushed for 122 yards, for a total offense of 267 yards. The Jaguars rushed for 105 yards and passed for 138 more for an offense of 243 yards. The Owls improved their record to 3-1, while dropping Guthrie to 1-2 for the season.

The varsity team is enjoying an open date this week and is making preparations to open the district campaign at Miami the following Friday.

Scores of interest around the

district last Friday were Harrold 22, McLean 0; Goodwell, Oklahoma 64, Miami 32; Lazbuddie 56, Groom 6; Lefors 1, Texline 0 (forfeit); Higgins 26, Bovina 8.

This week's schedule sees Lefors at Bovina, Groom at Miami and McLean and Higgins also with open dates.

SILVERTON SCHOOL LUNCHROOM MENU

"Made & Grown in the USA — It Matters"

Will Rowell (60), picking up yardage for the Owls against Guthrie. The Owls regained their winning ways with a 45-28 victory over the Jaguars before a large home crowd last Friday night. *Briscoe County News Photo*

Junior High Owls At Alamo Today

Silverton's Junior High Owls are playing at Alamo Catholic in Amarillo at 5:30 p.m. today (Thursday).

Braden Towe has taken over the quarterbacking responsibilities for the team since Frank Ramirez, jr. received a broken arm in their first game of the season with Lazbuddie.

Fans thought the Owls looked better in their game at Cotton Center last Thursday than they had in their previous outing, even though Cotton Center won the game 14-0.

Cotton Center received the opening kickoff, and Casey Frizzell brought the ballcarrier down at the 10-yard line. Defense by Frizzell, Steven Cavitt, Dusty Martin, Wil T Bomar and Lance Bradford kept the Elks from making a touchdown after they had made a couple of first downs, and the ball went over to Silverton. The Owls were unable to pick up a first down, and Bradford punted away.

Cotton Center went for a touchdown shortly after the opening of the second quarter of action, carried the extra point in and held a 7-0 lead.

The Owls fumbled the kickoff return, recovered the ball, but were unable to make a first down. They punted to Cotton Center, but defense by Lance Smith prevented the Elks from making a first down and Frizzell returned their punt to the 30-yard line.

Again the Owls were unable to move the ball, and it went over on downs to the Elks. After allowing them one first down, the Owl defenders held and got the ball back.

The ball changed hands several times more during the game, with neither team able to score until late in the fourth quarter when the Elks managed to push another score into the end zone. They ran for the PAT and held a 14-0 lead.

Minyard Is Player of Week

Kendal Minyard was named Six-Man Football Player of the Week by the Amarillo Daily News this week for his performance in the game with Guthrie last Friday night.

When senior two-way starter Neal Edwards fell to injury two weeks ago, the burden of leading the offense fell upon the shoulders of Minyard.

In the 45-28 win over Guthrie, the Owl quarterback lightened the load by completing 10 of 17 passes for 145 yards and two touchdowns (14 and 34 yards). He also returned a kickoff 72 yards for a touchdown, made six tackles and intercepted a pass.

"He really assumed a big role on our team since we lost Neal," Coach Jack Shely said. "He's stepped in and picked up the slack."

New Travel Guide Available

Charging, splashing, larger-than-life mustangs have greeted visitors to Las Colinas, near Dallas, for years. Now, the majestic sculpture also brands the cover of TEXAS, an all-new travel guide just released by the State Department of Highways and Public Transportation.

Don Clark of the department's Travel and Information Division called the new book "a comprehensive travel guide to the Lone Star State." He said it will be a primary tool for increasing tourism to and within Texas.

"We know what Texas deserves," said Clark, "and we've been aiming at this for five years—the finest state travel guide ever produced in the United States."

Clark concluded, "The Lone Star is on the rise again!"

The 248-page book was released to 500 travel industry professionals this week at the Texas Travel Summit in San Antonio. Rita Clements, chairperson of the Texas Tourism Advisory Committee, received a special first-edition copy.

With more than 600 color pictures and descriptive text, the book is designed to inspire

explorations of the great reaches of Texas. Keyed to grid codes of Texas' official highway travel map, the book's lavish details describe museums and historical sites, recreational opportunities at state and national parks, lakes and coastal beaches, and public tours of caverns and Texas wineries.

The book pictures bustling cities, eerie ghost towns, desert dunes, soaring mountains, and moss-draped wildlife sanctuaries in every corner of the state. Special bonus sections deal with Texas flowers, birds, climate, and fresh- and saltwater fishing. Travelers will also find tidbits about Texas history and folklore, little-known Texas facts, and travel into Mexico.

The new Texas State Travel Guide joins a family of travel-planning literature produced by the highway department. Free individual copies can be picked up at any of the state's 12 Texas Tourist Bureaus, or by writing Texas State Travel Guide, Box 5064, Austin 78763.

Prostate Cancer Detection Clinic Provides Checkups

A specialized Prostate Cancer Detection Clinic at The University of Texas M. D. Anderson Cancer Center now provides men with the type of benefits currently available to women through low-cost mammograms.

The examination and ultrasound procedure used in the clinic can detect prostate cancer early, before any symptoms occur, much like a breast X-ray or mammogram detects early breast cancer, explained Dr. Richard Babaian, clinic director.

"This new program speaks to M. D. Anderson's commitment to finding ways to detect cancer early, when it is most treatable," he said. "This is an early detection method and cannot be expected to find every case of prostate cancer, but by using modern technology, we hope to improve on the disappointing

results of rectal examinations."

After lung cancer, prostate cancer is the second most common cancer among American men and is highly curable if found at an early stage. Unfortunately, like breast cancer, once it is large enough to cause symptoms it is likely to have spread, greatly reducing the possibility of cure.

An estimated 99,000 new cases of prostate cancer will be diagnosed in the United States during 1988 and about one in every 11 men will develop prostate cancer at some time during his life, according to the American Cancer Society. An estimated 27,000 deaths occurred from prostate cancer in 1987, making it the second leading cause of cancer deaths among men.

Persons interested in additional information may call (713) 792-7744.

The word *cigar* comes from the Spanish "*cicada*," a cigar-shaped beetle.
