Jamboree to Highlight Labor Day Weekend

Bradley Brunson (left) is pictured going out to block for ballcarrier Wayne Henderson in the scrimmage with Cotton Center last Friday night. Brunson scored twice in the workout, and the Owls outscored Cotton Center. *Briscoe County News Photo*

Owls Do Well in First Scrimmage

Silverton's varsity Owls did fairly well in their scrimmage with Cotton Center here last Friday night, and the Junior Varsity team did pretty good in their scrimmage the night before. Lots of boys are out for the team, but Coach Jack Shely will be the first to tell you that this is a rebuilding year at Silverton.

There are seven starters returning from last year's 9-3 squad.

"We've got the nucleus of our ballclub back, plus we've got some youngsters that played quite a bit last year," Shely said. "The offensive unit will probably be the stronger of the two just because we've got a bit more experience there."

It's not likely the Owls will be

hurting on the defensive side of the ball, but some important positions will have to be filled.

The offensive returnees include end Denny Hill, quarterback Kendal Minyard, end-back Bradley Brunson and end-back Wayne Henderson. The defensive holdovers are end Frank Lowrey, linebacker Brunson and end Henderson.

"We're probably going to make some position changes because we're more experienced on offense than on defense," Shely said. "We're looking at probably moving Denny Hill to an offensive end from center, where he played last year."

"We alternated running backs—Bradley Brunson and Wayne Henderson—a year ago—and if

we started today, they'd probably both be in our starting backfield."

With Hill moving to an end, Silverton's starting center could be Rob Weaks or Bryan Breedlove.

Defensively, the Owls likely will have Hill at safety, Minyard and Brunson at linebacking positions, Henderson at a defensive end, and Breedlove in the line.

"We graduated both of our outside linebackers, so that's a big point of concern for us," Shely said. "We're also real hard-pressed to find somebody at safety."

Hill, along with Minyard and Kirk Couch, are the likely starting safety candidates.

"Our kicking game is a little

Make plans now to celebrate Labor Day Weekend by bringing your guests to the Caprock Jamboree, which will kick off at 7:00 p.m. Saturday, September 2, under the community shelter on the courthouse lawn.

Silverton Volunteer Fire Department will begin selling mesquite grilled hamburgers and homemade ice cream at 6:00 p.m., so plan to come early and eat with the firemen.

Anyone interested in being on the program can do so by contacting John or Maebelle Francis, 847-2619, before noon Friday, September 1.

There is no admission to the Jamboree, but your donation to the fund for buying a public address system will be appreciated.

Fire Department To Meet Saturday

Members of Silverton Volunteer Fire Department are to meet at 3:00 p.m. Saturday to prepare for the hamburger cook-out that evening beginning at 6:00 p.m. on the courthouse lawn.

All members are to bring a freezer of ice cream.

shaky," Shely said. "We have Henderson back to do our kicking, but we lost a four-year letterman at holder. That doesn't sound like much in our league, but you use those guys pretty often."

If Coach Shely can't find an immediate combination that works either offensively or defensively, he has the luxury of a 25-man roster in which to delve.

"We'll have six or seven sophomores and six or seven freshmen, so we'll have a pretty good mixture of kids to choose from," Shely said. "Offensively, I think we'll be all right."

"Our defense was solid last year, and that's what we teach first at Silverton. We figure if you can keep people from scoring, then you've got a pretty good chance of winning."

If Coach Shely solves some of the problems, then Silverton could find itself back atop the 2-A six-man ladder. In the pre-season poll, however, the Owls were picked to finish in fourth place behind McLean, Higgins and Lefors.

"I think you have to give McLean the edge right now. They've got most of their defen-

Swimming Pool to Close September 10

Silverton's swimming pool will be open from 4:00 until 7:00 p.m. each weekday and from 2:00 until 7:00 p.m. on Saturday and 2:00 to 5:00 p.m. on Sunday until Sunday, September 10.

Senior Citizens To Have Birthday Party

Silverton Senior Citizens will have their monthly birthday party at the center beginning at 7:00 p.m. Tuesday, September 5.

Those who had birthdays celebrated in August will host the party for the September honorees.

Community Birthday Calendars Available

There are still PTA Community Birthday Calendars available. The calendars are \$5.00, and include club meetings, sports activities, and school events, as well as birthdays and anniversaries.

If you have not purchased a calendar, they are available now at the Briscoe County News and Briscoe County Farm Bureau offices or you may contact Kathy Kingery at 823-2189 days or 823-2337 evenings, or Beverly Minyard at 823-2108. The proceeds of this project will be used for outdoor enhancement at the school. Your support is appreciated.

Blood Drive Set For September 12

Coffee Memorial Blood Center in Amarillo will bring its bloodmobile here September 12 to take blood donations from the residents of this area.

They will be here between 10:00 a.m. and 2:00 p.m. at the City Hall.

sive unit back. If Higgins can replace their offensive linemen, then they'll be tough. Lefors has more quickness than anybody in the district, and Miami's got everybody back.

"We could be 0-5 to start the season playing Lazbuddie and Bovina, but playing that tough non-district schedule helped us last year."

The Owls are scheduled to scrimmage at Whitharral Friday night, and open their regular schedule with Amherst at home on September 8 at 7:30 p.m.

PTA Plans Made For Current Year

"Caring and Sharing Through PTA" will continue to reap benefits for the children in the Silverton Schools. PTA already has many projects and programs planned for the 1989-90 school year, and your help is needed.

The PTA membership drive is now in progress and will continue

through October 15, 1989. Dues are \$2.00 for the year. Again this year, the class at the elementary and secondary level with the highest percentage of parents and grandparents joining PTA will be awarded a free pass to the football or basketball game of their choice. If you have not joined PTA, please do so today. You may mail your check payable to Silverton PTA to Betty Stephens at HCR 2, Silverton, TX 79257, or see Kathy Kingery or Beverly Minyard as soon as possible.

Your help is needed to make this year's PTA the best one ever. Help show the children how much we care. JOIN TODAY!

Pharmacy Needs

Family records are accurately kept for each member of your family. When a refill is needed, your prescription will be correctly compounded from this data.

We Can Mail Your Prescriptions to You!

"Anti-Couch Potato Week" to be Observed

"Anti-Couch Potato Week" will be observed in the Silverton Schools from September 5-8 in grades K-8. Students will be asked to pledge not to watch television for this period of time. Parents will be asked to sign the pledge form if their sons/daughters abstained from viewing television during the stated time.

Research has indicated repeatedly that limiting television viewing has many rewards for students. A school involved in this program, after only three days of no television, saw marked improvement in student behavior. The students concentra-

ted better, they were able to follow directions better, and they could get along with their classmates easily. When the students returned to television viewing, the teachers noticed a difference immediately.

During this time of no television, the Silverton School would like to encourage family times of reading, sharing and playing family games.

The class with the greatest percentage of participation will be treated to a "Build Your Own Sundae Party."

The success of this program largely depends upon the parents' participation and encouragement. Take advantage of this "prime time" to do things together as a family.

The last day of the contest is International Literacy Day, as designated by Mrs. Barbara Bush. All students will have the opportunity to check out interesting books during the contest.

HAPPY BIRTHDAY TO ...

August 31—Doris Yates, Monroe Hill, Sheila Reid, LaShawn Couch

September 1—Sue Breedlove, O. C. Rampley, Walter Arnold

September 2—Jim Davidson, Pauline Benefield, Shonda Wills, Lisa Lavy, Nancy Wood

September 3—Fred Scott, Janice Hill, Gene Davis

September 4—Gabby Aguilar, Lula Bellinger, Rick Minyard

September 5—Kayla Coleman, Zane Mayfield, Julie Browning

September 6—Danny Francis, Brenda Yancey

HAPPY ANNIVERSARY TO ...

August 31—Mr. and Mrs. Carol Davis

September 1—Mr. and Mrs. Wayne Nance, Mr. and Mrs. Flute Hutsell, Mr. and Mrs. John Schott

September 3—Mr. and Mrs. Manuel Aguilar, Mr. and Mrs. L. D. Griffin

Thursday—Fried Chicken and Gravy, Mashed Potatoes, Green Beans, Hot Rolls, Honey and Butter, Milk

Friday — Hamburgers with Cheese, French Fries, Salad, Cookie, Milk

Baytan 30 Receives EPS Registration

Baytan 30*, a systemic fungicide, has recently received registration from the EPA for use on wheat, oats, barley and rye.

Baytan 30* will control early-season powdery mildew, suppress leaf and stripe rust and other seed-borne diseases.

Seed treatment with Baytan 30* could effectively reduce foliar fungicides and maximize disease control. For more information, contact Curtis Preston at the Extension Office, 823-2131.

Teamwork is Focus Of Family Community Leadership Training

Briscoe FCL team members Lynda Fogerson and Virginia Hardin conducted leadership training sessions August 21 in Silverton and August 22 in Quitaque. The learning sessions dealt with "Teamwork" in families, committees and communities.

Personalities and the roles an individual plays in a group were discussed. Participants were made aware that groups work well together when each member volunteers or is assigned tasks that he is capable of completing.

Other sessions on different aspects of leadership will be made available to the people of Briscoe County in the future.

If your organization would like to have more information on leadership training, please contact Lynda Fogerson at 823-2131. Leadership training is open to anyone who lives in Briscoe County.

Go Owls!

EDUCATIONAL SURVEY

Clarendon College is conducting a survey to determine interest in specific adult education courses to be held in Silverton. Please indicate your interest by checking (✓) the appropriate blank and returning this survey to the Superintendent of Schools, David Cavitt. (High School students in Grades 9-12 may also take college courses. Only seniors are eligible to receive college credit.)

Betty Stephens, Fay Perkins To Serve as Chairpersons

Betty Stephens and Fay Perkins have been named Silverton chairpersons of the 1989 Jerry Lewis Telethon to benefit the Muscular Dystrophy Association (MDA), announced Chip Rodgers, district director of the National Voluntary Health Agency's Panhandle Chapter.

"We're proud to have caring individuals like Mrs. Stephens and Mrs. Perkins working closely with MDA and its supporters," said Mr. Rodgers. "Our Telethon team is dedicated to making this year's show another record-breaker." Telethon '88 was the most successful in the show's history, raising over \$41 million in pledges.

The 24th annual Labor Day Telethon will be broadcast by KFDD-TV, starting at 8:00 p.m.

Sunday, September 3, and continuing to 6:00 p.m. Monday, September 4. The 2 1/2-hour extravaganza will originate live from the Cashman Field Center in Las Vegas, and will be carried through the country by some 200 "Love Network" stations.

Wesley Garcia, 1989 Poster Child for the Panhandle Chapter of MDA, will be just one of the many special guests who will be attending the Jerry Lewis Labor Day Telethon. At this year's Telethon, Wesley will be assisting hosts Kari King, John Hagerty and Emcee Jon Hart. This year's show is being broadcast live from the Fifth Season Inn West in Amarillo.

Children wishing to collect door to door for "Jerry's Kids" are asked to come by the Pledge

Center location no later than noon on Labor Day to pick up an official badge and canister.

A special phone number, 823-2125, has been assigned for the use of the people of Silverton to phone in their pledges. Anyone wishing to volunteer to answer phones or help at the Pledge Center in any other way should call Betty Stephens as soon as possible at 847-2616.

Money raised through the efforts of Telethon "Love Network" affiliates helps fund the important work being done by MDA-sponsored researchers to find treatments and cures for muscle disease. One of the most promising experimental techniques now under investigation is "Myoblast Transfer Therapy." This technique involves the injection of healthy immature muscle cells, called myoblasts, into diseased muscle in an effort to produce hybrid muscle cells that display healthy characteristics. The procedure has shown positive results in laboratory mice. "The people of Silverton can take great pride in their contribution to this major research undertaking," said Mrs. Stephens.

"Scientists are closer than ever to developing a treatment or cure—if increased public support of MDA's work can be achieved," Mrs. Stephens added.

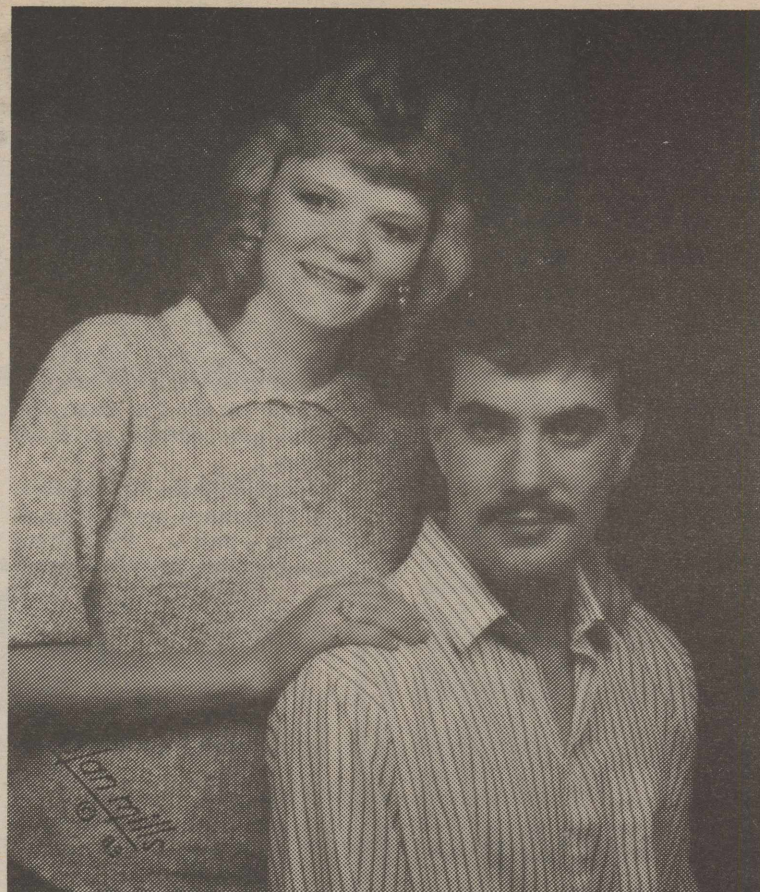

The association currently sponsors some 500 individual research projects worldwide. It also supports some 230 outpatient clinics nationwide, where people with any of the 40 muscle disorders covered by MDA programs receive medical care, orthopedic aids and related services.

Newlyweds Honored With Kitchen, Pantry Shower Friday

William and Sandy Hancock were honored with a Kitchen and Pantry Shower in the Fellowship Room of the Rock Creek Church of Christ Friday night.

Special guests were Mr. and Mrs. Hub Bramblett of Plainview and Mrs. Inez Smith of Post, grandparents of the couple. Other out-of-town guests were Mrs. Thelma Roper of Plainview and Nathan Seibenmann of Moody.

Others attending were Mr. and Mrs. Ted Hancock, Mr. and Mrs.

Mr. and Mrs. Steve Edward Miller announce the marriage of their daughter, Tonnette Lynn Miller, to Scott Wayne Perkins, son of Mr. and Mrs. Walter Floyd Perkins of Fort Worth, Texas, on August 11, 1989. The couple will be making their home in Fort Worth.

4-H Officer Training, Program Planning Held

Briscoe County 4-H club managers and officers met Monday, August 28, for officer training and program planning for the new club year which begins September 1. County Extension

Fred Arnold, Mr. and Mrs. Dock Wallace, Mr. and Mrs. John Francis, Mr. and Mrs. Ashel McDaniel, Mr. and Mrs. J. D. Nance, Mr. and Mrs. Billie McDaniel, Mr. and Mrs. Wade Steele, Mr. and Mrs. Alvie Francis, Whitney Bain, Donna Francis, Nina Martin, Earl Cantwell, Lana Burson, Zack and Dusty.

Ladies of the Rock Creek Church were hostesses for the shower.

Agents Curtis Preston and Lynda Fogerson conducted the training. Following the meeting, the group traveled to Tulia for pizza.

Club managers attending were Charlotte Rhoderick, John and Gail Wyatt and Janine Brooks.

Clover Club officers participating were Molly Brooks, president; Trey Wyatt, first vice president; Kimmie Blazier, second vice president; Carrie Baird, third vice president; Marshall McCammon, secretary-treasurer; Shauna Kingery, reporter, and Heidi Tiffin, Council delegate.

Silver Star Club officers attending were Shannon Weaver, president; Kayla Ramsey, first vice president; Christa Tucker, second vice president; Christi McWaters, third vice president; Kristi Smith, secretary-treasurer; Kami Martin, reporter, and Ashleigh Wyatt, Council delegate.

Julie Towe, first vice president, and Penni Fogerson, second vice president, represented the Caprock Club.

Krisse Pigg, president, and Brandi Price, secretary-treasurer, attended from the Valley Club.

Club organizational meetings will be held in the next few weeks. All boys and girls from third grade to 19 years of age are invited to join a 4-H club.

The Clover Club includes students in the third through fifth grade in Silverton. Club manager is Charlotte Rhoderick.

Gail Wyatt is club manager and Betty Stephens is assistant club manager of the Silver Star Club, made up of sixth through eighth grade students.

Asbestos Act Requires School To Conduct Inspections

A federal law called the Asbestos Hazard Emergency Response Act (AHERA) now requires each school to conduct inspections to determine if asbestos is present in any buildings. If asbestos is found, it is evaluated by a specially trained, certified individual to determine if it poses a hazard. If a hazard does exist, the school must plan specific actions to eliminate the hazard. Procedures must also be adopted to ensure that the condition of nonhazardous asbestos does not change in any way which would create a hazard.

The Silverton Independent School District has concluded an asbestos inspection, and the administration is able to tell you that asbestos was found in the following buildings: Silverton Elementary, Silverton Cafeteria and Home Ec. and Silverton Junior High. The form and condition of this asbestos indicate that it is not hazardous, but special operations and maintenance procedures will be used to ensure this remains true. Periodic surveillance and reinspection by certified personnel will be used to verify that the material remains nonhazardous. Asbestos with some hazard potential was found in the following buildings: Silverton Field House, Silverton

High School and Silverton Gymnasium. The district has adopted a specific plan and timetable for implementation to eliminate any possible hazard.

The inspection information and the plan for dealing with any potential hazard that may exist are all detailed in our asbestos management plan, prepared by the Texas Association of School Boards. This document is available for your inspection at Silverton ISD, Office of Superintendent of Schools, Silverton, Texas. If you have questions about the plan, you may contact David Cavitt, Superintendent, Silverton ISD.

The introduction to the management plan provides a good overview of asbestos and the circumstances under which it can be a hazard. The administration hopes you will take time to read it so you will better understand some of the procedures you may see in use in district buildings. The regulations governing asbestos are very stringent. The school is required to use some of these procedures to reduce to an absolute minimum even the remotest possibility of asbestos contamination. Such procedures, however, together with the management plan, are evidence that the district intends to fully

comply with all federal and state asbestos requirements and that your school board and administrators have no greater priority than the health and welfare of the students and staff members entrusted to their care.

Letters to The Editor

Dear Editor:

The Childress Volunteer Fire Department of Childress, Texas is hosting the First Annual Greenbelt Championship "42" Tournament September 30, 1989.

The members of the fire department would greatly appreciate your mentioning the tournament in your newspaper as a public service announcement.

Persons interested in participating may receive information by contacting Childress Volunteer Fire Department, P. O. Box 81, Childress, Texas 79201.

Thank you,
The Childress Volunteer Fire Department

Dear Editor,

May I please have a space in the paper to call attention to the lovely appearance of the lawn, trees and shrubbery at the Briscoe County Courthouse. The lady responsible for this is our own Connie Smith. Connie works diligently to take care of both the inside and the outside of our property. Inside, the building looks better than it has in many, many years. The offices, the courtrooms, the corridors, the restrooms all reflect the caring touch and hard work for which Connie is responsible. Even the stale odor which has permeated the building for years is gone.

I hope everyone who has not visited the courthouse recently will do so soon. After all, it is the property of the voters, taxpayers and citizens of Briscoe County. The people who work there realize that they are there to serve you and they will welcome a chance to visit with you and show you around.

My congratulations to the Commissioners' Court and the judge for having the good sense to hire Connie Smith as Custodian of the house and grounds. She truly earns her salary and then some.

Respectfully yours,
Doris Peugh

Enclosed is my check for another year. I certainly enjoy the paper, especially "Looking Back." Just wish I had in July as Bertha Mae Allard paid me a most enjoyable visit. I don't think there were too many "oldtimers" we didn't recall during our "talking sessions" if we did have the paper. I certainly enjoyed her visit. I enjoyed Carrie Dell, too, as she brought Bertha Mae down.

I finished high school there in 1924. That's the reason this August 17th paper has been read and re-read.

Sincerely,
Bonnie Burson Brooks

Mrs. Hardin Attends National Extension Homemakers Council

The National Extension Homemakers Council, Inc. is changing to fit the needs of women, according to Virginia Hardin, who attended the Council's annual conference in Manhattan, Kansas August 6-10. Mrs. Hardin was the first Briscoe County Extension Homemaker member ever to attend a National Extension Homemakers Council meeting.

Mrs. Hardin said the entire

conference dealt with change and included members from 44 states, Puerto Rico and the Virgin Islands. Total participants registered were 2,300.

"We are not a cooking and sewing organization," said Betty Hilbert, president of the National Extension Homemakers Council from Sturgeon Bay, Wisconsin. "We are changing our organization to fit the needs of women. There definitely is a transition taking place," she said.

The Council is one of the largest voluntary education organizations in the world. Its membership is nearly 400,000. Council activities are carried out in cooperation with the Cooperative Extension System of the U. S. Department of Agriculture State-Land grant and local Extension Services throughout the nation.

Conference participants heard from experts on "Leadership Training," "Organ Transplants," "Self Esteem," "U. S. Trade Policies and the American Consumer," "What is New in Textiles?" "Food Label I.Q.," "Safety Net" (financial), "Do You Dare Drink It?" (water) and "Where's the Justice in Criminal Justice System?," etc.

Michael and Christopher Lathoud of Fort Worth are visiting their great-grandparents, J. D. and Lois Nance.

SHS Classes Elect Officers

Officers were elected by Silverton High School classes early this week.

Chosen to serve the Senior Class were Penni Fogerson, president; Julie Towe, vice president; Tracy Tomlin, secretary-treasurer and Student Council representative; Bryan Ramsey, Student Council representative; Mike Long, sponsor.

John Cavitt was elected president of the Junior Class, and those elected to serve with him were Kirk Couch, vice president; Carrie Ann Grabbe, secretary-treasurer; Julie Graham and Wayne Henderson, Student Council representatives; Annette Shely, sponsor.

Serving the Sophomore Class are Brian Martin, president; Amy Ramsey, vice president; Jennifer Grimland, secretary; Bryan Breedlove, treasurer; Langdon Reagan and Genie Lavy, Student Council representatives; Patsy Towe, sponsor.

Chosen by the Freshman Class were Wil Bomar, president; Casey Frizzell, vice president; Aimee Francis, secretary; Stephen Cavitt, treasurer; Frank Ramirez and Christy Nease, Student Council representatives; Dorcas Garrison, sponsor.

Little Wrangler Rodeo Winners are Announced

The PTA Little Wrangler Rodeo got off to a good start Saturday night with the singing of the national anthem by Dianne Johnston. The rodeo announcer was Jimmy Burson, and Raye Smith was the timekeeper and bookkeeper. A number of PTA members worked in the rodeo arena and concession stand during the event.

All-Around buckles went to Donny Burson and Jamie Fuston, Junior Division, and Jeremiah Brooks and Molly Brooks, Senior Division. They earned the most points for the entire evening by entering and winning often.

Winners in the individual events were:

1. Junior Barrel Race—1. Jamie Fuston; 2. Luke Boedeker; 3. Trey Wyatt

Junior Flag Race—1. Donny Burson; 2. Trey Wyatt; 3. Luke Boedeker

Junior Stickhorse Race — 1. Hannah Boedeker; 2. Molly Sarchet; 3. Colinda Shely

Senior Stickhorse Race — 1. Jordan Sarchet; 2. Lacey Shely; 3. Misti Mattheus

Wagon Race—1. Hannah Boedeker, Lindsey Weaks, Misty

students are invited to join the Caprock Club with Janinne Brooks as club manager and John Wyatt as assistant manager.

Joanie Pigg is manager of the Valley Club which includes all Valley School students.

Lake Mackenzie Fishing Report

Water temperature at Lake Mackenzie is 79° at a four-foot depth and water depth at the dam is 110.5 feet. Big fish weighed in at Cactus Cove Marina during the past week have included:

Red Jennings of Amarillo caught two two-pound channel

cat on minnows in Tule Creek on August 21.

August 22, William Thomas-hide III of Fairfield caught a two-pound catfish on chicken liver in Tule Creek.

A nine-pound flathead was caught on minnows that same day in Cope Creek by Timothy Kovses of Dimmitt.

A 1 $\frac{3}{4}$ -lb. bass was caught on a deep-diving Hellbender lure near the dam by Trampas Ball of Nazareth on August 25.

BRISCOE COUNTY NEWS

That same day, a two-pound channel cat was caught on waterdogs on a trotline in Tule Creek by Chris and Crystal Rios of Tulia.

It is reported that crappie are still biting at the lake.

Mr. and Mrs. Berton Hughes returned home last Tuesday, August 22, from a 10-day visit in Waco in the home of their son

and his family, Dr. and Mrs. Randy Hughes, Amy and Matthew. While there, they enjoyed going to "Mother Neff" State Park with a group of the senior citizens from Emanuel Baptist Church, where Randy is pastor, for homemade ice cream, cake and fellowship. They also were there to be with Amy and Matt while Randy and Judy went on the "Vanishing Texas River Cruise" to celebrate their twentieth wedding anniversary.

THURSDAY, AUGUST 31, 1989

Mr. and Mrs. Elton Cantwell and Mr. and Mrs. J. D. Nance attended the Training Work Homecoming in Amarillo last weekend. This event was hosted by the West Amarillo Church of Christ.

Legal Notices

NOTICE OF INTENT TO CHANGE LINE EXTENSION POLICY AND STATEMENT OF INTENT

Notice is hereby given that SWISHER ELECTRIC COOPERATIVE, INC. (the "Utility"), intends to change its service rules and regulations relating to line extensions including line extension charges as soon as may be permitted by law. The proposed changes would increase charges for new extensions of electric service facilities to all consumers.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

WARNER SEED CO.

CROP REPORT

Cultural Practices For

TRITICALE

FOR WEST TEXAS, OKLAHOMA, KANSAS
AND SURROUNDING AREAS

Being a cross of wheat and rye, Triticale can be handled almost the same as these crops with good results. However, there are some differences that top managers should be aware of to maximize forage production.

1. Fertilizer: Triticale uses nutrients in approximately the same ratio as wheat. It appears to be at least as efficient as wheat, but it is more sensitive to fertilizer imbalance. Test the soil to be sure the correct amount of each nutrient is available. Since Triticale produces more forage than wheat, higher fertilizer rates are recommended. Generally, it is economical to use 25% more fertilizer than for wheat. Split applications of nitrogen are recommended.

2. Grazing: In the fall, do not let the Triticale get too lush before starting the grazing. Measure the leaves, and start grazing before they are eighteen inches long. Do not over-graze. Using a rotational grazing system will increase the amount of beef per acre by using 20%, and reduce the danger of "wheat-pasture poisoning". In the spring, let the Triticale get lush, but not jointed, before adding extra cattle. This also increases the total beef gain, and decreases the danger of grass tetany. Generally, use a 20% higher stocking rate than with wheat.

3. Forage Triticales usually do not produce high grain yields. Triticale hay will return more cash dollars in most years than selling seed to your neighbor. Most Triticale varieties are protected under the Plant Variety Protection Act. Trit I & Trit II brands are blends of several varieties of Triticale.

4. Adding legumes to the Triticale is an excellent idea.

5. Handle your cattle mineral program just as you would with wheat.

6. Planting dates and rates: Handle like wheat on land preparation and depth of seeding. Plant the same pounds of seed per acre as wheat, but remember, Triticale has a larger seed than wheat, and you must open the drill 25% wider to plant the same amount of seed per acre as wheat. It is best to plant 2 weeks earlier than wheat, and you can plant as early as August 10th. On intermediate varieties like A208W (spring x winter crosses), delay planting until September 20th to reduce the chances of winter kill. Planting in moist soil is better than dry planting. When fall grazing is not important, Triticale can be planted until mid-December. True winter varieties planted after September 20th may not out-grow wheat until the following spring.

7. For hay, be sure to cut the crop in the boot stage. This makes an excellent hay to feed stressed stocker cattle.

Book Early Due To Limited Stock!!

Put on the Full

Armour

"Wherefore take unto you the whole armour of God" ...

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshipping with others.

Complete your suit of armour ... attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

T. V. and I would like to express our heartfelt gratitude to all you wonderful people of Silverton for all your kindness in our recent sorrow. We want to say thank you for the lovely food, flowers, prayers, cards and all the expressions of sympathy and comfort. We love you. We cannot live without you wonderful friends.

We are truly grateful to all.
T. V. and Opal McClure

Thank you to all those who helped in any way with the PTA Little Wrangler Rodeo. Thanks to Deb Burson for all the hours of work putting the rodeo together, to Janinne Brooks for handling the concession stand, Raye Smith for keeping books and times, Rex Johnson for flagging, and Jimmy Burson for announcing and the use of his equipment.

All those who brought food, worked in the arena and concession stand and took money were appreciated very much.

A special thanks to Alvie Francis, Burson Cattle Company, Terry Bomar and T. V. McClure for the use of their stock and Dewey Estes for the bales of hay.

Four belt buckles were donated by Francis Spraying Service for All-Around Cowboy and Cowgirl and a generous donation to help with other expenses was given by D & K Manufacturing. Without your generosity, the rodeo would not be possible. Thank you very much.
Silverton PTA

Thanks so much for the cards, flowers and words of encouragement we received while Spud was in the hospital in Houston. We appreciate the thoughtfulness and concern you have shown us.

Spud and Betty Nan Tiffin

**PUBLIC NOTICE
NOTICE OF
PUBLIC MEETING**

The cities of Silverton and Quitaque, Texas will hold a public meeting at 8:30 p.m. on September 5, 1989, in the Silverton City Hall in regard to the submission of a joint application by both cities to the Texas Department of Commerce for a Texas Community Development Program (TCDP) grant.

This meeting will provide citizens from both communities an opportunity to comment on Silverton's and Quitaque's proposed joint application to develop a solid waste transfer station which would serve both communities. Copies of the application will be located at Silverton City Hall and at Quitaque City Hall during regular business hours for public review. Silverton citizens needing handicapped accommodations to attend this hearing should contact Jerry Patton, at Silverton City Hall, prior to the meeting. Quitaque citizens needing handicapped accommodations to attend this hearing should contact David Brunson, at Quitaque City Hall, prior to the meeting.

The final application will be submitted to the Texas Department of Commerce by September 14, 1989. 35-1tc
