

## JILD... HASKELL

**"Why Not"**

OT, make Haskell the Beautiful section of West Texas, counties around?

OT, beautify the vacant business section with flowers neatly cut and cared for?

OT, start on our yards, front, back, and plant vines and flowers that bloom and beautify Haskell the garden spot of the county or more?

OT, every man, woman and child today to gather every tin of rubbish, trash of all kinds, in some container, a bag, etc., and place them in cans call and get them?

OT, start this today, yes, let it start Saturday, cleaning up there and everywhere?

OT, be ready when the trash comes?

OT, co-operate with the Campaign Committee and be your neighbor, when the time is ready for the wagons?

OT, keep your yards and sidewalks clean, ALWAYS, so that clean-up time won't be much trouble?

OT, line up with every Texan during the month of March in the Holland's Magazine Beautest and whether Haskell is so far as the prizes are concerned will win a distinct cleaning up and being clean, tidy, and that's that.

OT, keep an eye open for a good ground for a City Park and for the Kiddies?

OT, follow the example set by the Elks Club, and provide material for the kiddies at a town. (The Elks are fix-English Park.)

OT, any club, take the step we know Haskell will be proud of the organization arranging it, with all?

OT, start a movement to purchase enough cement for the purpose of constructing walks along the school property? (The work to be done by school boys in the Manual Department of the High School.)

OT, begin to look around and find a place for some real work you and yours and an put over, boys?

OT, have an eye out for sanitation, folks, and as you need, offer them to without them or plant them that would be improved according to the plan?

OT, live for Haskell while you live?

OT, step out and think of what we think of our selves.

OT, put your thoughts to general good, and lend a hand Haskell as whole?

OT, start a movement all and NOT wait for the Board of Development or Chamber of Retail Merchants Assn.

OT, be among those lending a hand, striving, trying, working, looking, to goal that will mean a Haskell?

OT, set the pace that others will follow, if they can, that will bring to your hometown, and in lending a hand, whether or take your place in the work, be one of those who will build Haskell?

**INDUSTRIAL WEEK MARCH 22-27**

rd of City Development have had Texas Industrial Week, 27 the merchants having in mind, anything manufactured in Haskell, to display it in show and mention it in their advertising the week of March 22-27 rally feature such ware during the week.

OT, show windows will be displayed so that the public reminded of Texas Industrial Week each merchant is urged to accordingly.

OT, "What Texas Makes" will build Haskell as well as

### Thieves Steal New Ford Coupe from Local Physician

A new Ford coupe belonging to Dr. W. A. Kimbrough of this city was stolen Friday night from his garage near his residence. The doctor has no door to his garage, but both doors of the car was locked and the thief must have had a key to open the door as there was no broken glass in the garage to show that the door had been forced or broken. No clues have been given out concerning the theft by officers as we go to press.

### DOLLAR CHECK HAS MADE THE ROUNDS

The "Haskell Dollar Check" made the rounds and received the 18th endorsement last week. Just where it went and an estimate as to about what it earned and where it would have gone and how much it would have earned for Haskell merchants, will be outlined next week during Texas Industrial week, March 22-27.

The "Haskell Dollar" was put into circulation to suggest, in actual experience, or practice, the value of dollars kept at home in Haskell.

Also in connection with Texas Industrial week, the same applies with Texas dollars.

When kept at home, in Texas, they will mean much to Texas but when sent out of the state they don't return to help Texas nor your own hometown.

Like the Dollar check, demonstration we have to be shown in most instances, so the Board of City Development has shown Haskell folks that a dollar spent at home goes into many channels and when sent out of town for goods that can be purchased in Haskell, they are reducing the revenue of every "Haskell Dollar" accordingly.

Watch for the "Haskell Dollar" story. Watch the show windows of the Haskell stores and see what is made in Texas and is sold in Haskell. Ask for Texas-made goods in all lines you know are manufactured in Texas. "What Texas Makes—Makes Texas." Let's help by co-operating, by buying Texas goods.

When kept at home, in Texas, they will mean much to Texas but when sent out of the state they don't return to help Texas nor your own hometown.

### A. H. KING ANNOUNCES FOR RE-ELECTION

Judge A. H. King of Throckmorton was here this week and announced that he would be a candidate in the coming primary for re-election to the office of representative to the legislature from this district. His formal announcement together with a statement of his platform, will appear soon.

### THREE CHILDREN DIE WHEN HOME BURNS

Sad beyond expression was the awful tragedy in which the three small children of Mr. and Mrs. Edgar Bennett were burned to death when their home was destroyed by fire last Saturday, March 13, about noon. The mother of the children had gone to the home of A. D. Bennett, about a hundred yards away, on an errand. Expecting to be away only a few moments, she latched the door on the outside to keep the children in out of the cold as she had just given them a bath and Saturday was a very cold, blustery day. On reaching the home of Mr. Bennett she looked back and saw the top of the building in flames that held her children entrapped. A. D. Bennett was first to reach the burning building, breaking the door in he rushed into the house, but because of the smoke and the intense heat he could not get into the room where the little ones had taken refuge. The whole building was enveloped in flames and it was impossible for him to save them. The ages of the children were Willie, a little girl, six years of age; Walter, a little boy of three, and James, the baby boy, was four months old.

### BOONE RESIDENCE DAMAGED BY FIRE

Fire originating in the roof caused considerable damage to the residence of Mrs. J. S. Boone in this city Saturday morning. The alarm was turned in immediately by Mrs. Boone, but through a mistake the fire department made a run to the west and north parts of town before learning the exact location of the fire. Owing to this fact the fire did much more damage than would have been sustained otherwise. However, neighbors and others on the scene did much to check the fire and it was quickly extinguished when the apparatus arrived. The damage was confined to the roof of the house, and water damage to the papering of the rooms on one side of the building, a two-story structure. The loss was partially covered by insurance.

### GLEM CALHOUN ANNOUNCES FOR DISTRICT ATTORNEY

### NEW RURAL ROUTE TO BE ESTABLISHED

A new rural route for Haskell has been designated to begin service May 1st which will traverse the eastern section of the county. The new route will be 26 miles in length and will be known as R. F. D. No. 1. The Vontress postoffice, which has served the people of that section for almost 20 years will be discontinued and the people who have been receiving their mail through this office will be served by the new rural route. It is not known at this time who will carry the new route and this will not be known until after the examination for carrier which is now pending. The date of the examination has not been announced. This will be one of the longest routes out of the city and will serve a large list of patrons.

### Center Point Pupils Visit Several Local Business Houses

R. G. Brannen principal of Center Point and his entire school paid a visit to the city Wednesday afternoon, and went through the Farmers State Bank, The Haskell Laundry, The Power Plant of the West Texas Utilities, the Crawford Hatchery and the Free Press taking careful notice of all the places visited as to how they were operated etc. Mr. Brannen believes this to be worth while to his school giving them a business conception of the things of life in the preparation to go forward and take their places in the industrial world. Some of the pupils have promised a write up of the trip which will appear later.

### BAPTIST REVIVAL WILL BEGIN SUNDAY MAR. 21

### B. E. LEE ANNOUNCES FOR COUNTY JUDGE

Judge R. E. Lee makes his formal announcement this week as a candidate for the office of County Judge subject to the action of the Democratic primary in July. Judge Lee is well known throughout the County, having served as County Judge for two years. The following statement is issued by Judge Lee regarding his candidacy.

"In making my announcement for the office of County Judge I do so, upon strong solicitation of Citizens throughout the county. Having served a term of two years as your County Judge I feel that my experience should in a measure be evidence to you, of my fitness to render meritorious service in the capacity to which I aspire. I am aware of the importance of the position that I seek and I commend every citizen for exercising the utmost caution in the selection of persons for positions of public trust. If my standing as a citizen and my qualifications are such as would warrant you in being willing to entrust me with the responsible position of County Judge, I will strive in a frank, firm, and manly policy to merit your approbation.

"At a later date I shall endeavor to see every voter in person, with the sincere hope that I may be able to convince you of the worthiness of my candidacy.

"Trusting that I may be able to prove myself adequate to your requirements of one who seeks to serve a public trust, with a devotion commensurate to official duties."

I am respectfully yours,  
R. E. Lee

### ALBERT (Shorty) GLENN FOR CITY MARSHAL

Albert Glenn this week authorizes us to make his announcement as a candidate for the office of City Marshal, subject to the City Election to be held on April 6.

Mr. Glenn needs no introduction to the voters of this city having been a resident of Haskell for 6 years, being with the Singer Sewing Machine Co. for some time.

If elected he promises to discharge the duties of the office to the best of his ability, with fairness to all concerned, and pledges his best efforts in an endeavor to fill the office in a manner satisfactory to every citizen of our town, consistent with the strict enforcement of the laws.

Mr. Glenn states that he will see every voter in the City between now and the election and asks that the voters give his candidacy their vote and influence April 6th.

Jake, the five year old son of Mr. and Mrs. Louis Helm is ill with the "flu" but he is improving we are glad to report.

### HORSE RACES DRAW ENTHUSIASTIC CROWD

Saturday's races, despite the extreme cold, were very well attended. A good crowd of men and quite a number of women braved the north wind and enjoyed the days program. Five races made up the days card and every race was a contest. A new local horse showed very fine form and beat the favorite, Roxey Savoy. The new favorite in Little Francis owned by R. P. Glenn nosed out Roxey Savoy in the quarter mile.

1st. Race 1-4 mile, Roxey Savoy, owned by Hill was the winner, Trigger, owned by P. Fulcher, Hamlin Texas, was second, Bird owned by Mart Clifton, third.

2nd race 1-8 mile dash for saddle horses, Lula won, Black Bess 2nd, and Preacher third. Preacher was coming fast and promised to finish first but spilled his rider near the wire and came in last.

3rd race 3-8 mile, Little Francis won, Annadarko, second, Rocky Chief, third. Annadarko is a new horse on the Haskell track and promises to make a very fast animal for long distances.

4th race. This was the race that attracted the most attention for Little Francis was to meet Roxey Savoy. At the start they all got off in a hurry and it was a race from the start until the wire the race belonged to either horse, however, Little Francis nosed out. The winners in this race were Little Francis, Roxey Savoy 2nd, Fiddler finished a poor third, but shows some promise.

5th race, 1-2 mile, was easily won by Trigger. Annadarko second and Talley running third. Trigger was the winner from the start, outclassing both other horses all the way. The track was very fast.

The next meet will be Saturday May 1st. This promises to be the best race meet ever held in Haskell. We are assured a good number of horses from Sweetwater, Vernon and a number of other racing towns. It is expected that there will be as many as 30 or 40 horses enter for the purses at this meeting. All the horse men went away feeling that the meeting Saturday was a success and promise to work to the end that our next meet will be the biggest meeting ever seen in Haskell.

### HAS INFORMATION ON COTTON PRIZE CONTEST

County Agent Trice announces the receipt from the contest editor of the Dallas News, full particulars relative to prizes to be awarded farmers who grow the largest yield upon five acres of land this season. There are special premiums offered farmers of West Texas to the extent of \$1,750.

The county agent states that he would be glad to go into details with those contemplating entering the contest, and will explain the rules and regulations that have been formulated by the contest editor of the News.

### PAINT DEMONSTRATION AT FOUTS & MITCHEL SATURDAY

At the popular variety store of Fouts & Mitchell in this city W. D. Cogdell with the Acme Paint Company of Detroit, Mich., gave demonstrations of this high class paint throughout the day and the store was thronged with visitors. A large number of ladies of the city brought glassware and crockery and had them decorated by this artist and numerous samples were placed in the show window of the store showing the various kinds of work. Mr. Fouts, manager of the store, pronounced the demonstration a grand success. This is the second demonstration that has been held at this store and the interest is growing in this artistic work and the popularity of the paint is being spread abroad.

### HASKELL PRODUCTS WIN AT FT. WORTH

The agricultural products of Haskell County continue to win according to County Agent Trice who has recently returned from the Fat Stock Show, Ft. Worth, with 15 ribbons won with entries there. These winnings were made mostly on the grain sorghum entries. Haskell County has become famous in the production of prize winning maize and according to the county agent inquires come to his office every day from various portions of the State for seed maize of this type.

The winning exhibits were furnished by the following but were kept by County Agent Trice since the Dallas Fair: A. J. Josselett, J. D. Hughes, Ralph Marchant, Bob Mosker and J. O. Jackson.

Federated Missionary Society  
 Meets Monday March 29th.  
 The following program will be given at the Christian Church on Monday afternoon, March the 29th, which will be the fifth Monday, by the City's Federated Missionary Societies. Song: Devotional, Mrs. Carlton Couch; song, Planning and Planting Corn; Topic, Community Beautification; Leader, Mrs. Courtney Hunt; Some Town, Mrs. H. M. Smith; Trees as Friends of Man, Mrs. M. L. Baker. Duet, Only Remembered, Mesdames Cummins and Pinkerton; Reading Mrs. Ward Boyce, Benediction.

Missionary Society.  
 The women of the Missionary Society of the Methodist church met in regular meeting last Monday afternoon at three o'clock in the study of the third chapter of their study course, "Across the Border," with Mrs. Vaughn as director. She retained her seat and talked quietly to the ladies about intimate relationships with peoples from our sister land, Old Mexico, and brought clearly to light the fact that they have hopes, ambitions, and aspirations much as our own and that after all as the poet has sung, We are Brothers Under the Skin. The meeting opened with a song, "Draw Me Nearer," followed by prayer by Mrs. C. D. Long. At the close Mrs. O. E. Patterson rendered one Mexican piece on the piano and the Spanish Serenade. Delegates were then elected for the Lubbock Conference in April; they were, Mrs. S. R. Rike, the president and Mrs. Guy Mays alternate.

District Lay Meeting.  
 Mr. F. L. Daugherty, local lay leader of the Methodist Church announced last Sunday that there would be an all

day meeting of the laymen of this district at the church Thursday March the 25th. The women of the Missionary Society will prepare and serve lunch at the noon hour.

Miss Lynda Robertson Heroine of Latin Play at Simmons University

The following excerpts were taken from the first column of the society page of last Sunday's Abilene Reporter. "Practically every seat in the Fine Arts Auditorium of Simmons University was utilized Friday evening at 8 o'clock when the Latin play, "Proserpina" was presented by the Classical Club of the University. The audience was made up principally of Latin students and those interested in Classical work in the University with a number of Abilene Citizens who also enjoyed the uniqueness of a play given entirely in the Latin language and with scenery that depicted the time and occasion of the play, "Proserpina" is the old Latin play of the seasons with six months summer and six months winter. "Proserpina" played by Miss Lynda Robertson, represented Summer and her absence from the earth when she was snatched into the underworld by Pluto, played by Adolphus Jennings, represented winter. The leading parts by Miss Lynda Robertson, Miss Agnes Caldwell and Adolphus Jennings were exceptionally well played and their enunciations of the Latin language were exceedingly good and easy to follow by students of Latin."

Miss Lynda Robertson is a product of the Haskell schools, graduating from the Haskell High School in 1923 at the age of fifteen with high honors, being valedictorian, class president, and voted the most popular girl in school.

Mrs. Ama Pinkerton Baker Will Sing Over Radio

Word has been received from Dallas that on the evening of March the 23rd, Tuesday at 11 o'clock Mrs. Ama Pinkerton Baker will sing over the radio Dallas News Headquarters. Mrs. Baker is the daughter of Mr. and Mrs. J. F. Pinkerton of Haskell, and has many admirers of her voice who are always glad to hear her sing.

Child Culture Club Meets

The Child Culture Club met last Tuesday afternoon at the regular hour three o'clock in the Methodist church with Mrs. Elmer Irwin as leader; splendid talk on what Fine Arts Can be made to mean for the home through

Home Culture, Mrs. G. R. Forrester; this followed by a clear interpretation of Ruskin on The Nature of Art, Mrs. Gilley Mulkey. Officers for another year were then elected: President, Mrs. Labry Ballard; 1st. Vice President Mrs. Alfred Pierson, 2nd. Vice President Mrs. Gilley Mulkey; 3rd Vice President, Mrs. Elmer Irwin; Recording Secretary, Mrs. A. H. Wair; Corresponding Secretary Mrs. Sam Roberts.

The Magazine Club

The Magazine Club had the rare privilege at their regular meeting Friday afternoon of having as their presiding officer during the business session, Mrs. J. U. Fields, State President of Federation of Women's Clubs, who presided in her usual gracious manner, and opened the meeting with responsive reading of the Club Litany, followed with prayer by Mrs. H. S. Post.

Deep regret was expressed by all the members that the president Mrs. F. T. Sanders, who has been ill for some time had returned to the Sanitarium for further treatment.

Mrs. Roy Shook was hostess for the afternoon and the club room never looked more attractive with its decorations of Spring flowers. Through the efforts of the Fine Arts Committee the club has purchased for its club rooms, an original Blue Bonnet Painting by Mr. Raymond Everett a noted Texas Artist. The members of the club feel that in the purchasing of this beautiful oil painting which is 18x24 inches, having a hand carved frame their efforts in bringing to Haskell so many worthy art exhibits in the past years have been made worth while. The members of the Fine Arts committee are: Mesdames H. M. Smith, W. H. Murchison, O. E. Patterson and Miss Ruby Fitzgerald.

When the club was asked by the District Editor to appoint a publicity chairman for the Federation News, it was stressed that a woman having experience in news paper work be appointed. The club was unanimous in electing Mrs. C. M. Kaigler, whom all Haskell appreciates on account of the giving of her time so unselfishly that the community may have the best in publicity.

Mesdames J. B. Post and R. E. Sherrill were directors for the afternoon Mrs. Post having arranged for the response to roll call in a very interesting way. Several splendid articles being given on Texas Memorials, Texas Battleships and Texas Flags. Mrs. R. E. Sherrill having for response on her program, "Memorized Bit of Texas

Verse" which was enjoyed by all. Picture Talk—The Capitals and Capitals of Texas, by Mrs. Ed Sprowls.

Mrs. M. L. Baker rendered a piano solo, Prelude by Rachmaninoff.

Name of third Six Governors—Outstanding Events of each administration by Mrs. Guy Mays.

The Texas Penitentiary—Present Status of this problem, Mrs. C. L. Lewis

The club feels honored that little Miss Ruby Gerald Sutherlin, daughter of one of the club's life members is accredited with the naming of the new hotel.

Miss Agnes Cox's Class Wins First Prize

At the Jones County inter-scholastic meet last week, Miss Agnes Cox's class in Kindergarten won first prize in project work. Haskell is accustomed to having her boys and girls win first prizes in their various fields of activity. But may it never become so matter of fact that we do not take cognizance of and give full credit to each achievement.

More Good News for Haskell Theatre Fans.

Parked cars in every available space in the vicinity of the Haskell Theatre is the external sign of "big business" on the inside, the gate receipt is the material endorsement, but the large, happy crowd on the inside, smiling their approval and later telling each other that "it was a good show" is the best assurance of all for future business. That is exactly what happened when "Over the Hill" was featured with Mary Carr on Monday and Tues-

day of this week. This picture is listed in the movie books as the "big story" of the year. Then on Thursday night comes "Never the Twain Shall Meet" adapted from Peter B. Kyne's popular story. Only one of the many special features in this film is a Sacred Shark Dance participated in by three hundred South Sea Island natives.

J. O. Chitwood of the North Plains, a former citizen of Haskell county was in the city several days last week renewing his acquaintance with his friends and attending to business.

**Ford**

**Costs More to Build Is Worth More—Yet Sells for Less**

If any other manufacturer endeavored to produce a car similar to the Ford according to the high standards of quality in material and workmanship used by the Ford Motor Company and with the same tried and proved design it would be impossible to offer it at anything like the present low Ford prices.

Just think! 13,000,000 model T Ford cars have been produced since 1908—almost as many automobiles as were built by all other manufacturers combined. In 1925, almost 2,000,000 Ford cars and trucks were built and sold—and plans for 1926 call for the production of even more than 2,000,000.

Today, more than ever, the Ford car is the most popular automobile in the world.

It was the superiority of Ford design in 1908 that established Ford leadership. It is this same Ford design, improved but basically unchanged, that is continuing to make the Ford car the outstanding leader among all automobiles.

**HASKELL COUNTY CITIZEN MOVES TO CHILDRESS**

J. W. Marchbanks of the Weaver community moved his family to Childress, starting on the trip with trucks Friday morning. He owns a good farm in the Weaver community where he has lived for the past several years and has also purchased a good farm in Childress county near the town of Childress. Some of his boys will remain here and cultivate the home place and some of them will go with him to his new location. His many friends wish this family success in their new home.

**NEW HOME ALMOST COMPLETE WEST OF THE SQUARE**

The new modern bungalow now being erected by Wayne Koonce of the Real Estate firm of Pinkerton and Koonce a few blocks west of the square is nearing completion. Mr. Koonce expects to move to his new home as soon as it is finished. This beautiful residence is another addition to this splendid residential section of the city.

**Party Given**

The party given at the home of Mr. and Mrs. J. W. Tidwell's Saturday night in the Midway Community, honoring their daughter, Miss Edna Mae was enjoyed by a large crowd of young people.

It was a farewell party for Miss Tidwell as she left for Olney, Texas Sunday night, to visit her sister Mrs. Gladys Wardlow and girl friend Miss Johnnie Russell. She will return home in about two weeks.

**Ball Games**

Center Point played two very interesting basket ball games last week. Wednesday they defeated Lone Star in a game of 16 to 10, on the Haskell courts. Friday they lost to Sayles, the score being 9 to 10. Sayles beat us but we don't feel badly about it at all as all the players that won the championship were not in the game.

**Former Center Point Man Dies**

The people of Center Point received news recently that uncle Bob Gentry former resident of this community had passed away at his home in Dixie Okla. He had a host of friends here who will mourn his death.

**SAN ANGELO FARMERS TURNING TO IRRIGATION**

An indication of the extent to which farmers in the vicinity of San Angelo are turning to irrigation as a commercial proposition is to be seen in the shipment last week of an entire car load of electric motors and pumps, all designed and built for irrigation pumps along the Concho. This car load of motors and pumps will be received in San Angelo next week. Included in the shipment are 26 electric motors ordered to replace an equal number of gasoline and oil pumping units now in service. An electric line of the West Texas Utilities Company has just been completed, a distance of five miles northwest from San Angelo to take care of these new projects.

**WEST TEXAS UTILITIES CO. BUILDING AT ABILENE**

Contract is soon to be let for the substantial enlargement of the general office building of the West Texas Utilities Company at Abilene. A wing is to be built on the present structure, to be two stories in height and to cost about \$21,000. This addition is being made to provide much needed room for display and store rooms for the Abilene office, and to provide additional office space for the engineering, auditing and traffic departments.

**REAL ESTATE MAN SELLS HENS FOR FANCY PRICE**

Virgil A. Brown of the real estate firm of Leflar & Brown of this city reports selling 13 large Plymouth Hens from his flock in this city last Monday which brought him the neat sum of \$18.40 for the lot which is around \$1.40 each. This is a fancy price for market poultry and is a paying proposition for the breeders of poultry.

**20 HENS SELL FOR \$25.00 ON LOCAL MARKET**

Mrs. T. J. Baker of Midway sold to the local produce house of this city last Monday 20 Plymouth Rock Hens which brought the total sum of \$25.00 for the lot which was a fancy price. Mrs. Baker has been breeding the Barred Plymouth Rocks for years and is sold to them as a paying breed.

**P. T. A. Program at High School Last Thursday**

Under the auspices of the Parent-Teachers-Association the South Ward school gave a program at the auditorium of the High School last Thursday afternoon. A playlet and a drill were given which showed much thought and preparation. A business meeting opened with prayer followed. Minutes of previous meetings were read and approved. Treasurers report, Mrs. J. E. Bernard; Hen drive \$100.95; Cash in Bank, \$246.00; paid on school clock, and maps, \$100.00. The program committee then made a splendid report as all concerned know the P. T. A. Programs this year have been of a very high order. Mrs. J. L. Odell was reported to be sick and it was voted to send her a pot plant with love message from P. T. A. Mrs. Date Anderson was elected as delegate to the District convention at Eastland and Mrs. J. E. Bernard alternate. Mrs. Courtney Hunt reported Christmas Seals sold to the amount of \$180.00. The school ground as a play ground was discussed and some of the strong points brought out were: First the children are there nine months of the year, and the parents of the children can more easily be in a community center like a school, after school and out of season than in some spot off to itself. Superintendent H. D. Neff thinks that teaching the children to play in the right way on the school ground will teach them respect for the school property.

**Law Enforcement Program**

On the 25th of March at 8:30 o'clock there will be given a program at the High School auditorium by the Parent-Teachers-Association on Law Enforcement. There will be two able speeches given, one by Judge John Lee Smith of Throckmorton and one by County Attorney, Clyde Grissom. Music by the High School Orchestra. Each patron and High School pupil is invited to attend and bring your friends with you.

**Cemetery Association to Present Comedy**

The Cemetery Association will present "Whose Little Bride Are You" a three act farce comedy at the high school auditorium April 2. This promises to be one of the best entertainments of the year. Miss Wear is directing and the cast is one of unusual ability. Every character is being selected with the utmost care. Another interesting feature will be the specialties between acts. Some of the most talented young people of the city are preparing novelty numbers that are worth the price of admission within themselves. Next week a more thorough discussion of program and cast will be given.

Be sure to see Mrs. F. A. Reddell for lessons in Polycrome Art Work. A display in Fouts & Mitchell show window.

**Haskell Physician Visiting in Wichita Falls**

Dr. J. M. Gose, who has been ill with pneumonia for several weeks is much improved and he and Mrs. Gose are now in Wichita Falls where they will spend quite a while visiting relatives and friends before he returns home to resume his practice.

**BARACKMAN TO MEET TEDDY WATERS HERE**

Local fans will be interested to learn that Promoter Burgess has arranged a match here this week between M. Barackman, local favorite, and Teddy Waters, better known locally as Bobby Astor, for next Friday night, March 19. Waters will be remembered as the challenger at a recent match in which he promised the fans their money's worth in a real tough match with Lee Meyers. This match was postponed, however, and local fans have never seen Waters in action. He recently wrestled Matty Matsuda, the Japanese champion, for the title in Wichita Falls, being defeated after he had gained a fall on the champ. Wichita Falls fans have a lot of confidence in Waters, and believe that he will eventually beat the Jap. However, local fans are not easily discouraged when it comes to their opinion of Barackman, and his supporters say that he will defeat any man of his weight he goes up against—and he has done it so far, too. A main feature in the preliminary Friday night will be a negro battle royal between Stamford and Haskell negroes, which Promoter Burgess says has been arranged.

**W. F. BURT RESIGNS AS CARRIER ON START ROUTE 2**

W. F. Burt who has carried the Star Route from Haskell to Rochester for the past 8 years will retire from the service July 1st of this year. Ed Thornton, service car driver, will begin the route for the next four years when Mr. Burt retires. Mr. Burt has given excellent service to Uncle Sam and the patrons of the route and his many friends will regret to know that he will retire. He has not given out his intentions for the future, but we presume that he will remain in Haskell and continue to run a service car in the city. Mr. Thornton is well known and is able to give excellent service on the mail line and we believe that he will continue the accommodations that the people on the route have received from Mr. Burt.

**Over a Cliff in this STEEL BODY without injuring the DRIVER!**  
  
A careless driver . . . A triple somersault over a cliff . . . and this is the car—a Dodge Brothers all steel safety car.  
A triple somersault over a cliff with the car you see in this picture! Such was the experience of its owner, who came through the fall uninjured.  
After an hour of repair work, he drove the car from Montana to Minneapolis—a more sensible driver and much wiser.  
All steel construction saved his life, as it has saved many other lives in the past, and will save thousands more in the future . . . . .  
Dodge Brothers print this advertisement because they believe motorists are entitled to all steel safety and should insist upon it.  
That's why Dodge Brothers introduced all steel construction more than eleven years ago—and recently announced additional all steel safety features.  
The streets are swarming with 20,000,000 motor cars—millions more are on the way.  
Safety is the issue. Armor yourself and your family with steel.  
Dodge Brothers Motor Cars—both open and closed—are all steel in the strictest sense of the term. Steel reinforced by steel—framed, braced and buttressed by steel—with all seams solidly and permanently welded together by electricity.  
Slim steel pillars replace the old bulky wooden corner posts—permitting unparalleled driving vision—a safety feature of the first importance.  
Compare such bodies with the usual wood, or wood-and-metal body, and you will be astonished that every automobile builder has not adopted this advanced safety construction.  
Remember, also, that safety is the watchword of Dodge Brothers construction throughout, as witnessed by Dodge Brothers exceptionally large, quick-action brakes, and the exceptional ruggedness and dependability of Dodge Brothers axles, frames, steering parts, and other vital units.

## Diversification the Key to Success

Our farmers are progressive in a doubt or delusion, and they are getting rapidly the key to success, in a nut shell, diversification. They have realized the worth of the successful method, but many of them have gotten away from the one and the number is increasing each year. In order to get the names of the farmers in the county who are really making a name for themselves, we have called on our grocerymen and learned of some of the names here in men who pay their grocery bills with and the names here in men who are paid from 50 per cent to the grocery bill in produce from the farm. It would be impossible to list all the names of those who are engaged in the poultry, dairy and other businesses which bring the year round, but on the other hand, our merchants gave us a list from memory of those who filled baskets of eggs, butter and other products to exchange for their supplies.

Donald living in the Ballew community has lived in Haskell county for many years. He came here as a farmer, but was interested in the business and along with that has produced an abundance of better and eggs which sell on the highest market in the county. He takes the produce to market in the best condition. Through his hard work he has purchased a large amount of land and will have his own belongings next year. Donald is his help mate and share his honor and success. Through the assistance of his wife has become a great producer of butter and eggs. Wright lives in the Midway where they have resided a number of years. They sell numerous butter each week for the market price winter and summer. There is always a demand for their produce. Mr. Wright has a Wyandotte chickens and a quantity of setting eggs besides the eggs sold on the market.

One of the Howard community has a large quantity of eggs with the local merchants. The farmer and has learned that the one crop farmer who makes a success. The farmer of Irby makes his money with at least a case of eggs to the local merchant. The merchant furnishes most of his eggs to buy and is a great help to know that the hens are instead of him keeping a progressive farmer and production does not interfere with his crop production. The son of a favorite son of Haskell who lives in the Irby community who has a fine flock of chickens brings a large supply to the city each week which is 75 per cent of his grocery bill and it does not require a lot of his time from his house and laying sheds and is kept up to full capacity production.

Arthur of Foster is another farmer who produces a large quantity of produce which he markets in the city at all times to see that the produce is in the best market. He is a successful farmer in addition to his eggs and sells on the market. One of Howard is another farmer. He is also a man who is diversification and sells a quantity of eggs on the Haskell market each week. At least 50 per cent of his grocery bill is paid with eggs from his flock of hens. One of the Lancaster one of Haskell is another farmer who has lived a number of years in the Powell community where he owns a good farm and produces a large quantity of eggs to town each week.

Harrell Jr. of the Foster community is a young farmer who was born in Haskell county is a believer in diversification. He sells a large quantity of eggs on the market each week and is producing a living at home. Mr. W. M. Harrell always has a flock of Brown hens and produces a large quantity of eggs. One of the young farmer of the community is another success and he brings sufficient eggs

Albert Pieser of Irby sold \$54.25 worth of produce during the month of January from his hens and cows. Albert is a good farmer and knows how to make a success farming.

William VonGoten is also counted among our produce sellers of Haskell. He lives in the Irby community where he is engaged in successful farming.

R. B. Guess of Vontress is a successful farmer who does not depend on cotton alone for his success and living. We are informed that he has sold on the market already about 15 fat hogs this year to our local merchants and has a large flock of turkeys and chickens.

Walter Nanny of Post while he is not busy with his terraces and other farm work takes the time to bring a nice lot of produce to the city for the market. Walter has had his farm under terraces for two years and says it pays. He believes in sticking close to his farm affairs.

Ralph Keetron of Post is also keeping his affairs in good condition with a large quantity of fresh country produce sold on the Haskell Market each week.

W. L. Wheeler of Ballew is a close worker on the farm but takes time to market enough butter and eggs to help pay his living expenses.

A Nussbaum who moved from his farm in the Roberts community to his new farm east of town is still marketing produce as usual. He has been selling a heavy list of produce for years and knows the game.

J. H. Goodwin of the Pinkerton community has for the past ten years or longer sold produce in Haskell. He is always careful to keep the butter and eggs he sells in fine condition and his produce is in high demand winter and summer because it is always fresh when sold.

Scott W. Green Sr. is known as a heavy marketer of produce in the city. He lives on his farm near Curry Chapel and is a good farmer and is very successful.

S. W. Adams living west of town pays more than 50 per cent of his grocery bill with butter and eggs fresh from the farm each week.

M. J. Lain received more than \$300 this year from a bunch of White Holland Gobblers shipped to all points in the south and could have sold many more if he had had them for sale. He has other produce to sell besides operating a good farm on which he lives in the Midway community.

August Kretschmer of the Irby community one of our best farmers has his name on the honor roll among our local merchants as selling enough eggs to pay most of his grocery bill.

J. A. Lee and W. M. Luper of Post are numbered with our successful farmers who bring to the city large quantities of produce for the market.

J. C. McKinney of the Gilliam community keeps a few good cows and a flock of hens that pay their way and keep him in pocket change and takes care of the family expenses very nicely.

O. A. Adkins sells more than enough butter and eggs to pay his grocery bill and living expenses and is a contented farmer of the Pinkerton community.

W. M. Cass south of town is on the honor roll for paying at least 50 per cent of his grocery bill with butter and eggs from the farm.

J. D. Wheatley of Roberts another 50 per cent and probably more of his bills are paid with produce from the farm.

T. A. Rhoades of the Roberts community is also classed with these successful farmers paying 50 per cent of his grocery bill with produce.

The above names have just received brief mention because of our space being limited, they are not all the people in Haskell county who are making diversification a part of their practice, but they are only a few of the great number who are succeeding in this line.

We would consider it a favor if any one would send in their names and the poultry eggs and other produce they are selling. It will make good reading matter for our subscribers and help others to succeed. Haskell county has just started. With the work of county agent trice with the farmers and club boys and girls of the different schools in a few years we hope to head the list in the production of various crops and get away from the one crop plan that has proven to be a poor policy with the farmers.

# \$12.50 For Your Old Vacuum Cleaner

## PREMIER Duplex ELECTRIC VACUUM CLEANER

Hundreds of women have useless, outdated, even antiquated vacuum cleaners. Some of these "cleaners" are too old to be of real use. Most refuse to pick up threads and lint. Some never were of much value. But they're there—and make you think twice about investing in a new cleaner that will really do your work, and do it thoroughly. \$12.50 for that old cleaner—deducted right from the regular standard price of the new. And if you wish, terms of payment that make it as easy to buy as a cleaner that's half the price and a quarter the worth.

You need not bring your old cleaner with you—just its name and type and serial number. When the new cleaner is delivered we will collect the old one.

2 CLEANERS IN ONE—Motor-Driven Brush and Suction

A powerful suction that gets all the embedded dirt. A motor-driven brush that picks up lint, thread and hairs that cling to the carpet.

Attachments—simpler than ever—and more efficient. New improvements for easier handling. The very last word in vacuum cleaner efficiency!

**DEATHS**

**FORMER HASKELL COUNTY LADY DIES ON PLAINS**

Word reached here as we go to press that Mrs. J. L. Dilbeck of Happy Tex. died Tuesday of this week. We have not received any details about her death only that she took her last breath on the plains last year. They moved to Happy on the plains last fall. The many friends of the family extend their deepest sympathy to the bereaved.

**MUNDAY CITIZEN DIES SUDDENLY**

The city of Munday was enthralled in gloom last Saturday afternoon when the news spread over the city that R. B. Wilson one of the most prominent citizens of the whole community had suddenly died. Mr. Wilson was about 50 years of age and was one of the pioneer stockmen of that section. He was well known and had many friends throughout this section of the state.

**Funeral of Wm Adams Held at Weinert Sunday**

Funeral services for William Adams who died at his home in the Thorp community on last Saturday at noon were held on Sunday afternoon at the home of the family by Rev. R. R. Gibbreath, pastor of the Methodist church at that place, and it is reported that one of the largest funeral processions that has ever been known in that community attended to the high esteem in which he was held by his neighbors.

Mr. Adams had been ill about one week with pneumonia when the final summons came, and his passing caused universal sorrow in the community. He is survived by his wife and two sons, has father and mother and other relatives.

Following the services at the home the remains were conveyed to the Weinert cemetery, where interment was made under the auspices of the Weinert lodge I. O. O. F., of which deceased was a faithful member—Munday Times.

**Haskell Farmer Dies Sunday Afternoon**

J. H. Thompson, living five miles west of town died at the family home last Sunday afternoon at 5 o'clock after a lingering illness. Funeral services were conducted at the residence Monday afternoon at 2:30 o'clock by Rev. J. Robert Forrester, pastor of the First Christian Church of Haskell, assisted by Rev. G. H. Morrison also of Haskell after which his body was given burial in the Rule cemetery. Mr. Thompson was a good citizen and has lived in Haskell county for more than 19 years. He was loyal to his friends, a kind husband and father and had been a member of the Christian church for a number of years and lived a quiet, peaceful Christian life.

He was about 50 years of age when the end came, and had been in poor health for a number of years, but he bore his sufferings with much patience and fortitude and was always cheerful, despite his illness. He will be remembered long by many friends who deeply sympathize with the loved ones in this dark hour of sorrow.

**Baby Dies at Weinert**

The little one-year-old baby girl of Mr. and Mrs. Henry Monke of Weinert died Saturday night after a brief illness. Funeral services were held at the residence at 4 p. m. Sunday by Rev. V. L. Tatum, pastor of the First Baptist Church of Weinert after which its little form was laid to rest in the Weinert cemetery, followed to the grave by a large concourse of sorrowing loved ones and friends. This little one

only came and lived for a brief hour to bless the home of its parents, but in its going the ties of Heaven are strengthened and the hopes of loved ones anchored more sure and steadfast in the home where parting comes no more. May He who alone can pour balm into wounded hearts comfort the bereaved in their dark night of sorrow.

**Little Son of Mr. and Mrs. Curtis McDonald Dies**

Late the 5 year old son of Mr. and Mrs. Curtis McDonald living 5 miles north of the city died Monday morning March 5, at 12 o'clock after a very brief illness. Funeral services were held by Rev. C. Jones at the grave Tuesday after which his little form was laid to rest in Willow Cemetery in this city. Death is always sad but it is made the harder to bear when the young and hopeful are called to go. But the Great Giver of Life knows best. He is too wise to make a mistake and too loving to be unkind and we must submit to the will of Him who doeth all things well. The friends of the bereaved extend their deepest sympathy.

**Mrs. Paul Josselit Buried Monday**

The funeral of Mrs. Paul Josselit, age 64, was held at the grave by Rev. Davy Crockett of Stamford Monday afternoon at 2 o'clock, after which her remains were laid to rest in the family lot in Willow Cemetery in this city. She passed away at the home of her daughter, Mrs. W. P. Ulmer in the New Hope community in Jones county Sunday afternoon March 14 after a lingering illness of many months. She was preceded in death by her husband, Paul Josselit, two or three years ago. She formerly lived in the Howard community for a number of years before the death of her husband is well known in that section. A large number of relatives and friends attended the funeral, including her brother, F. J. Trummer and wife of Vera.

**Lady Dies Suddenly Near Rule**

Mrs. Odex Simpson living near the city of Rule, died very suddenly Monday evening about 6 o'clock at the family home. She was thought to be in the very best of health and had not complained of ill health in any way until she became suddenly ill and soon passed away.

Deceased was about 28 years of age and is survived by her husband and five small children. She was buried at the Rule Cemetery Tuesday afternoon.

**Rule Lady Dies Monday Night**

Mrs. R. R. Frazier died at the family home near Rule Monday night after a long illness. She was buried in the Rule cemetery Tuesday afternoon followed to the grave by a concourse of many sorrowing relatives and friends. She is survived by her husband and several children.

Mrs. Jesse Jones spent the week end with her parents Mr. and Mrs. Curry of Abilene.

**PRACTICAL NURSING**—If in need of Practical Nurse see Mrs. Viney at W. N. Viney's at yellow house east of oil mill.

**American Legion Will Meet Here Monday March 29**

In a meeting of the American Legion Post at Stamford last Thursday night it was voted to hold the next regular meeting in Haskell Monday night March 29. There are according to Superintendent Heathington about 19 or 22 members of the legion who live in Haskell and a number of them attended the meeting at Stamford and were instrumental in bringing the meeting here. Every Legion member and ex-service man is requested to come to the Haskell Meeting. A splendid program will be arranged and will be given in the Free Press next week.

**"ARE PARENTS PEOPLE?" AT LOCAL THEATRE WED.**

The Paramount Picture, "Are Parents People?", featuring Adolphe Menjou, Betty Bronson ("Peter Pan") and Florence Vidar, opens next Wednesday at the Haskell Theatre. The story is an adaptation of Alice Duer Miller's Saturday Evening Post serial and has to do with a young girl who comes home from boarding school to find her parents, who are forever quarreling over trifles, with trunks packed, the father on his way to Paris, the mother alone. They have decided to separate and have called home their daughter so she can choose which one she is going with.

How does Betty decide? She doesn't that's just it, and that's why "Are Parents People?" which will be at the Haskell Theatre for one day, promises to be one of the most pleasing pictures you've seen in months. Written by the author of "Manslaughter," etc., directed by Malcolm St. Clair, who made "Find Your Man," "The Lighthouse by the Sea," and others, and with a "perfect cast," this production is real, human and funny. If you've ever laughed in your life, you'll laugh at this one. And it will hit home. Wednesday March 24th.

**CLEM CALHOUN ANNOUNCES FOR DISTRICT ATTORNEY**  
(Continued from first page.)

and make a better record in the future, being more familiar with the cases, jurors and local conditions in each County. Having only been in the office a short time and the greater part of my time having been taken up in the trial of old cases with which I was not familiar, I have not had the opportunity to see the cases that I feel certain I can make if elected district and given an opportunity in the trial of cases of my own investigation and making.

"As to my qualifications, I refer you to any member of the Bar in this District of members who has tried criminal cases while I was prosecuting. I have served as County Attorney of Reeves County, and was for some time Assistant District Attorney at El Paso Texas, where I prosecuted felonies in the District Court continuously day after day, and was opposed by some of the best criminal lawyers of the Texas Bar. I have practiced law for eight years and the greater part of that time has been spent as Prosecuting Attorney for the State. The last two and a half years I have practiced law at Hamlin, Texas, and refer you to any citizen of that place for information regarding my ability and integrity.

"This is a very large District and the dockets are crowded. Court will be in session continuously somewhere within the District until a few days prior to the election. My time will be taken up in the performance of the duties of the District Attorney's office, and I will be unable to make an active campaign or to see many of the voters in person.

"In deciding for whom you will vote for District Attorney, I want you to be fair to all candidates for the office, to yourselves as voters, and to the best interest of the Government and State and you can not go far wrong.

"Your support, vote and influence are earnestly solicited and will be sincerely appreciated.

Respectfully,  
CLEM CALHOUN.

**BAPTIST PASTOR SUFFERS AN ATTACK OF THE FLU**

Rev. W. H. Albertson, his wife and two children have suffered an attack of the Flu this week and are still confined to their room and bed as we go to press. It is hoped by their many friends that they will soon be able to be up again and Rev. Albertson resume his work.

**BUILDS NEW ADDITION TO HOME IN HASKELL**

Manley Branch has now under construction a roomy addition to his residence just south of the city limits in which he is building an additional room sleeping porch on the south and a screened-in porch on the back. He has also put in a new water system with connections in his kitchen and bath and has made other improvements to make home happy and comfortable.
