FEMININE FANCIES By Kathleen Eiland

Why is it that blonde, blue-eyed men always look so cool in a slaty blue of blue-gray suit? And dark-haired men ditto in white?

One of the miseries of the world which is seldom ranked as such is shyness. Few people suffer more acutely and entirely than does the man or woman, boy or girl, who is intensely shy. All the loving devo-tion in the world may be locked up in the heart back of that shy, un friendly exterior. And the possesson of the heart is helpless, he thinks to break the bonds of his shyness and let his friendliness shine out in the world and attract people.

A student who wanted to take journalism courses once explained to a professor that she dreaded to meet people and so had rather not take a reporting course. The wise professor immediately said she probably ought to have the course (for that reason). "The person who

TOM: Gosh, Ann, I'm glad I could get back in time for our wedding anniversary. Being on the road as much as I am, it seems like I'm never home. Here's something for you.

ANN: You darling! Flowers!

TOM: It could have been a new hat if that blamed car of mine hadn't had to have a new set of piston rings.

ANN: I know wives shouldn't interfere in their husband's business, Tom, but Mrs. Reardon was telling me how much money Jack saved on the maintenance of his car. He drives even more than you do.

TOM: What all did she tell you, Ann?

ANN: Well, Jack Reardon uses Conoco Nth motor oil. That's the oil that OIL-PLATES the engine and saves a lot of wear and tear. And it contains a new synthetic that helps keep the oil from fouling up, too. Mrs. Reardon says Jack has to make his car last two or three years longer now and Conoco Nth motor oil will help him do it!

TOM: That settles it, Ann! I'm going to change right now to Conoco Nth!

ANN: Good boy! And maybe I can still get that new hat?

United States WAR SAVINGS BONDS

BOIL it all down, put it in a nutshell, say it in a couple of words— MEN and MONEY will win the war!

Men to fight—Money to arm, equip, train, house, feed, and move them. Men by the millions to shoot and win-and Money by the billions-the hundreds of thousands of millions-to make their guns, buy their uniforms, build their ships, pack their food, construct their camps, pay their salaries, fit out their planes, turn out their bullets and bombs and bayonets! Money-billions of dollars. NOW to transform five, eight, twelve million clear-eyed Americans-

... into the mightiest, the most devastating and irresistible fighting machine the world has ever known.

Men-and Money-will crush our treacherous foes and win the war.

You-with every other loyal American-must do your part to keep our Army and Navy on the march, to keep every possible factory, farm and shipyard

working at top speed. You-with every other loyal American-must, to win the war, buy War Savings Stamps and Bonds NOW. You should buy them every pay-day.

Uncle Sam needs your money to win this war. And here is what your money will do! 25 cents will buy a dozen bandages-how they needed them on Battan! \$5.00 will buy a Navy raincoat to keep a sailor boy snug and dry on his lonely watch. Only ten cents will buy five .45 caliber cartridges- five of America's enemies put out of action for the price of a good cigar! \$3.50 busy a shell for a 37 mm anti-tank gun— and that may mean one less tank for Hitler. \$5,00 will buy a steel helmet that might save a soldier's life. \$18.75, which is what you pay for a Bond worth \$25.00 at maturity, will buy a complete field telephone or a high-altitude flying jacket; two of 'em-\$37.50-will buy a marine barometer to help safeguard our fleet!

To make America safe, invest in United States War Savings Stamps and Bonds with every pay check. To keep America free, save at least ten per cent of your income in War Stamps and Bonds.

Fans at the Roosevelt night game ing contest, which the Sports won, 4 to 2.

Thirty-five hundred attended the 094 spectators in Cleveland's mamtilt, which ended at 1 A.m. today.

Zeke Trent opened the 18th with night, the triumphant American Zeke Trent opened the 18th with a triple and scored on a squeeze play in which Baron participated. On the throw to the plate Baron went to second, and he scored on Parker's single.

Parker's single. The Tulsa Oilers won from Okla-homa City, 4 to 3, scoring the win-ning run in the ninth. With two down, Cy Block hit to Harrigan, who tossed the ball into the Oklahoma City dugout. Block went to second. Guy Miller then hit to Harrigan, who again threw wild as Block came in with the deciding tally. Control of the target of the start, and then went on to trounce Lieut. Gordon (Mickey) Cochrane's soldiers and sailors, 5 to 0. For six innings the American Leaguers clung to a 3 to 0 lead col-lected at Feller's expense in the

Bombers Defeat Mechanics Twice More To Clinch Softball Series The softball play-off series came

to an earlier conclusion than had been expected when the Bombers achieved their second and third victories by scores of 12 to 9 and 4 to 2 in a double-header played last night before a fair-sized crowd. The Bombers' first victory of the night came as a result of ten runs

scored in the first three innings. TEXAS LEAGUE At the end of the latter time, they led 10 to 0 and the game had taken Shreveport 4, San Antonio 2 the appearance of being a mere breeze for them. But the Mechan-ics rallied in their half of the fourth; and combined 4 hits and 5 walks for 9 runs, one short of a tie. As a result of that spurt and other threats in each of the last two innings, the Bombers were kept

awake In the concluding game, Pete Hal-ford, who had pitched and batted the Bombers to a 5-4 triumph in the first tilt of the series, duplicated his feat by limiting the losers to seven scattered hits while clouting

The latter came in the seventh inning to break a 1-1 tie. For the losers, Zemanek also hit a round-tripper.
