

# U. S. Aircraft Carrier Lost

## MacArthur's Men Block Jap's Plans

By C. Yates McDaniel  
MELBOURNE, Australia. (AP)—The crucial phase when the Japanese made their most formidable effort to regain Guadalcanal in the Solomons and then withdrew was one of the greatest activities on the part of Gen. Douglas MacArthur's small but hard-hitting air force of Americans and Australians.

Playing a strong supporting, long-range role to the Marines and troops in the Solomons, the MacArthur air arm carried the war to the enemy's ships and bases no fewer than 23 of the 31 days or nights of the period ended Oct. 30 and an analysis of the communications showed they had accomplished the following results:

- Japanese warships—
- Sunk or believed sunk—5;
- Damaged or believed damaged—9;
- Believed hit—3;
- Possibly hit—2;
- Total—19.

Japanese Transports and supply ships:

- Believed destroyed—4;
- Set afire or damaged—12;
- Believed hit or damaged—10;
- Total—26.

Grand total—45.

**Official Results**  
The breakdown of the officially reported results achieved against the Japanese fleet by the Southwest Pacific Command over the Solomons area during the month showed the following score:

- Aircraft carriers—One probably damaged.
- Airplane tenders—One large tender believed destroyed, one small tender heavily damaged.
- Battleships—One battleship or heavy cruiser hit.
- Cruisers—One probably sunk, one seriously damaged, four hit, three believed hit, one bombed with unobserved results.
- Destroyers—Two probably sunk; two possibly hit.
- Gunboats—One sunk.
- Unclassified warships—One sunk.
- Transport and supply vessels—Three set afire and believed destroyed, one believed sunk, seven hit and damaged, five set afire and ultimate fate unknown, ten believed hit and damaged.

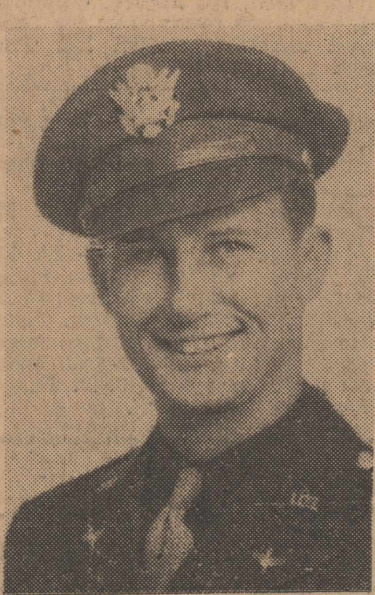

In addition a launch was sunk.

**Thirty-Five Attacks Made**  
Thirty-five attacks were made on eight Japanese bases and naval concentrations in the Solomons area to support the neighboring command while tireless aerial reconnaissance was carried out within the limits of the Southwest Pacific area and assistance was given ground operations in New Guinea. Several Flying Fortress crews participated in more than half the attacks.

In addition to the damage inflicted on enemy warships and shipping, MacArthur's bomber crews reported 15 attacks in which airdrome and dispersal areas, fuel dumps, wharves and warehouses were set afire or damaged by high explosives.

Throughout all these heavy blows at the enemy's offensive operations and preparations, the Southwest Pacific command reported only two Allied bombers lost over the Solomons.

## With Ferry Command

Lt. W. T. Averitt Jr., of the U. S. Ferry Command is ferrying Flying Fortresses from the factory to various U. S. bases. The officer and his wife, the former Miss Walter Fay Cowden, who were married January 24, 1942, are stationed in the Northwest. Mrs. Averitt is the daughter of Mr. and Mrs. E. W. Cowden of Midland. Lieutenant Averitt was with the bookkeeping department of the First National Bank here for about three years.

## Second Shell Well In Monahans Pool Gets Steady Flow

By FRANK GARDNER  
Oil Editor  
Development of steady flow by Shell Oil Company, Inc., No. 2 Sealy-Smith Foundation, Tubby pay discovery in the Monahans Ordovician pool of Northeastern Ward County climaxed an active week in Texas oil development.

**Andrews County**  
Potential gauge was started Saturday morning at Phillips Petroleum Company No. 11 University-Andrews, five-eighths mile west by northwest of Ellenburger, lower Ordovician, production in the Embury pool of Southern Andrews. On last unofficial test it flowed 400 barrels of oil in 24 hours through a 3/4-inch choke on 2-inch tubing. It is bottomed at 7,865 feet in dolomite, and has been washed with 250 gallons of acid and treated under pressure with 500 gallons.

Phillips Nos. 10 and 12 University-Andrews, Tubby pay, Clear Fork, lower Permian, wells in the Embury pool, both are swabbing, with no gauges reported.

In the same pool, Phillips No. 22 University-Andrews is drilling at 6,105 feet in lime and the No. 31 University-Andrews is drilling at 5,915 feet, also in lime.

**Crane County**  
Gulf Oil Corporation No. 1 W. A. Estes, Ordovician wildcat test several miles west of the north end of the Sand Hills Ordovician field, is standing after cementing surface pipe on bottom at 210 feet in red rock.

Meanwhile, Gulf No. 1-A M. Dawson, scheduled Ordovician test in the southeast part of the county, still is reported shut down for repairs at 2,540 feet in lime.

**Gaines County**  
Shell No. 1 D. N. Leaverton, 7,900-foot deep Permian prospect four miles southwest of the Wasson field in Northwestern Gaines, is drilling at 6,132 feet in lime. It was cored (Continued on page 6)

## Fifty German Bombers Blast British Coast

By Gladwin Hill  
LONDON. (AP)—Fifty German bombers smashed with bombs and machine-guns at Southeastern England Saturday in the biggest Nazi attack since the 1940 Battle of Britain, concentrating their assault on shopper-crowded streets at Canterbury where Mrs. Franklin D. Roosevelt was a visitor only Friday.

Roaring in at dusk, the raiders dropped bombs in haphazard fashion and machine-gunned a working class area and then a shopping street.

"They chose a time when the streets would be full of shoppers," said the Air Ministry, which also announced that nine of the planes participating in this attack and other raids in East Anglia Saturday were shot down.

During the activity an air raid alarm was sounded in the London area Saturday night.

**Fighters Are On Job**  
Operating with their old-time efficiency despite the long lull in large-scale battles over Britain, RAF fighters shot down six of the attackers with a loss of two of their own planes, while ground artillery accounted for the other three.

Ten persons were known to have been killed at Canterbury, and some were injured. The Air Ministry said the daylight attacks in East Anglia caused little damage and few casualties.

Meanwhile, American pursuit pilots shot up a freight train near Berck-Sur-Mer, France.

Other RAF bombers and fighters blasted industrial objectives and railroads in Northern France.

**Raid Germany**  
Factories and industrial objectives in Northwest Germany and Belgium were raided during the morning and afternoon, the Air Ministry announced. Seven planes were lost, three of them bombers. Many hits were observed.

Enemy raids continued into the night along the coast and two more Nazi planes were authoritatively reported destroyed after dark, in addition to the nine officially declared down in daylight.

**Authorize Two More Inspection Stations**  
Two more authorized tire inspection stations for Midland were appointed Saturday by the Midland County War Price and Rationing Board, bringing the total here to thirteen.

The new stations are Conoco Service Station, 410 West Wall, and Cole's Auto Service.

**Midland Has Quiet Halloween Observance**  
Midland citizens celebrated Halloween Saturday night, but little property damage was reported. Police kept a close watch in all sections of the city to prevent vandalism.

A stone crashed through a window of the residence of J. Leo McLaughlin at 904 West Storey and some rotten eggs were thrown on West Louisiana.

In the Mexican sector, some junk was piled in a street.

## Gasoline Ration Applications Are Received In City

Application forms on which passenger car owners may register under the mileage rationing program have now been received for Midland County.

Automobile owners may obtain these forms at the Midland County War Price and Rationing Board office, in the courthouse or at the inspection stations and authorized garages and filling stations.

In order to obtain gasoline rations for a passenger car or motorcycle not classed as a commercial vehicle the applicant should obtain one of these blanks, Form R-534 for the "A" or "D" ration books, with the tire inspection record attached.

**Must List Tires**  
It is necessary for car owners to execute this application and the inspection record and, particularly, the applicant should fill in the serial numbers of the five passenger tires he wants to keep. This is the application form which the motorist must take to the registrar at the schools which will be designated by the board as ration centers on November 12, 13, or 14.

Motorists should sell all except five passenger tires to the government through the nearest Railway Express Agency office.

If any applicant has more than five passenger tires for his car, gasoline rations will be denied him. On the three days an applicant should present the executed form to a registrar who will determine that it is properly executed. The passenger car owner whose form is properly filled out will receive the basic 'A' book and the motorcyclist a 'D' book. Under the mileage rationing plan each passenger car owner who receives the basic 'A' book can count on a maximum of 240 miles per month or 2,880 miles a year.

**Board To Decide**  
Supplemental or necessary additional gasoline rations may be allotted by the board for certain purposes, upon proof of need. Should an (Continued on page two)

## Bombardier College Goes On Cash Basis

In a move which it is hoped will be an example to the civilian population, the officers and men of the Midland AAF Bombardier School and the entire U. S. Army are now on a "pay as you go" basis.

Effective at midnight Saturday, credit was abolished at all Army establishments at the bombardier college. This included the post exchange cafe, theatre, the post exchange proper, the commissary, officers mess and officers club, and the various quartermaster stores.

All sales made at these establishments, henceforward, are on a cash basis.

Both officers and men agreed that the abolition of the traditional Army "jawbone" will make for better individual finances and also will relieve the fast-growing Army of millions of man-hours of bookkeeping.

**Four Mexicans Are Killed In Crash**  
ODESSA.—Four Mexicans were killed in an automobile-truck collision on the eastern edge of Odessa at 11:30 p. m. Friday.

They were Juan Gonzalez Orano and Boloz Lopez Gomez, of Colorado City; and Emeterio Morales and Manuel Murillo, both of Warfield.

They were headed east in their light car when it collided with a heavy truck driven by Valdemiro O'Bannion of Houston. The truck, leased to the Winton Truck Line of San Antonio, was hauling government equipment from Fort Sam Houston to Pecos. The coroner's verdict was that the deaths were caused by unavoidable accident.

O'Bannion was placed in jail in default of \$213 fine for operating a truck without a commercial license.

**DEMAND TO BE LESS**  
WASHINGTON. (AP)—The Bureau of Mines Saturday estimated the daily average supply of domestic crude oil necessary to meet market demands in November at 3,930,000 barrels, a decrease of 268,200 under the actual demand in November of last year.

## Dr. M. E. Sadler To Address New Bombardiers Here

With one of his former students at the controls of his plane, Dr. M. E. Sadler, president of Texas Christian University, Fort Worth, will fly to Midland Thursday to deliver the principal address to the tenth, largest and perhaps the youngest class of bombardiers yet to complete training at the world's largest bombardier college.

Staff Sergeant Chadwick Vandervoort, also of Fort Worth, who attended TCU in 1940 before volunteering for pilot training, will man the controls of the bombardier training plane which will bring Dr. Sadler from conferences in Lubbock to the big Midland school. The flight is being made with the special permission of the War Department in order that the graduates may hear the address by a man of Dr. Sadler's calibre.

The graduation ceremonies will be held in the theatre of the bombardier college at 9 o'clock Thursday morning.

**Lowest Average Age**  
The class, in addition to being (Continued on page two)

**Military Leaders To Visit Midland**  
Brigadier General Isaiah Davies and the Midland AAF Bombardier School will be hosts next Tuesday to a delegation of 13 high ranking South American military leaders and seven U. S. Army officers who will visit the world's largest Bombardier College to witness a special demonstration of precision bombing.

Names of the visiting Latin American officers have not yet been announced by the Gulf Coast AAF Training Center, but it is understood that the visitors represent many of the "Good Neighbor" republics which have pledged assistance to the United States in the war against the Axis.

The visitors will be greeted with full military honors when they arrive at the bombardier school Tuesday morning. They will proceed immediately to one of the school's bombing ranges where luncheon will be served by the Odessa Chamber of Commerce truck wagon crew.

**Stage Big Bombing**  
Shortly afterward, approximately 75 planes will stage a precision bombing attack on a full-sized representation of the giant German battleship "Von Tirpitz,"

Capt. Willard J. Glassen and Lieutenant James P. McClure, Jr., and Guyler Albright have collaborated in drafting plans for the representation of the Nazi dreadnaught which is being erected, complete with turrets and guns.

Lieut. Albright's range, which has been busy rushing the unusual model to completion in time for a "dress rehearsal" Monday.

The public will not be admitted to the precision bombing demonstration, it was emphasized, since it is being staged primarily to give the distinguished visitors a chance to gauge the speed and calibre of the Air Forces bombardier training program.

The visitors will leave immediately upon the conclusion of the demonstration.

Brigadier General Davies will accompany the visitors on their tour. Only three fields, the Midland AAF Bombardier School, Kelly Field at San Antonio and the Harlingen Aerial Gunnery School will be visited by the party.

## West Texas Soldiers May Be Safe In Java Mountains

By Bill Collins  
West Texans are carrying on guerrilla warfare from the mountains of West Java and soldiers of the "lost" provisional second battalion of the 131st Field Artillery, most of whom are from West Texas, likely are free and still dealing knockout blows to Japs in Java.

This is the belief of Lt. Louis Hansen, commandant of Dutch cadets in training at the Midland AAF Bombardier College, who took part in the Battle of Java and who left the island about March 1, as Java was falling.

Information reaching Lt. Hansen is to the effect that American, Australian, Dutch and native troops are well established in the mountain area and are harassing Jap troops. Much damage likely is being done by the troops on forays into Japanese-held sectors.

The American units have been unreported since February, and Japanese have made no claim that men of the battalion were prisoners.

**Plenty of Food Available**  
The guerrilla warriors have plenty of food and water and with the assistance of the natives will be able to resist capture and to

continue the fight for an indefinite period," Lt. Hansen said.

"Ketelias (sweet potatoes), rice, breadfruits, bananas, cucumbers, melons, coconuts and many other wild fruits and vegetables abound in the 8,000 foot mountain range, and the soldiers will not go hungry," the young Dutch lieutenant explained.

"Wild chickens, wild pigs and other wild game inhabit the area."

Lt. Hansen was born in Java and his parents, sister and fiancée still reside there. His father is in a concentration camp, as are all white men taken by the invaders. The officers has promised them the island will be retaken by the Allies and he is quite anxious to get back into combat.

Few supplies, of course, are available to the guerrillas, the Allied troops carrying on as best as possible with limited supplies smuggled to them by the natives.

**Natives Enjoy Fighting**  
Natives of Java and of surrounding islands hate the Japs and are doing all they possibly can to aid Allied troops in continuing the fight. Food, clothing and supplies are smuggled to the Allies by the natives who also keep them advised (Continued on page six)

## Remains Of Jap Landing Barge

U. S. Marines inspect a Japanese landing barge wrecked on the beach at Guadalcanal during recent attempts by the Japs to retake the island. Note control tower and guns on barge. Passed by censor. (NEA Telephone)

## American Loud Speaker Turned Toward Hitler

Crouching low about their giant 155 mm. weapon, an American gun crew in England awaits the signal to fire. The giant field piece hurls a 95-pound projectile more than 14 miles. (Passed by U. S. and British censors.)

## Battle Tide Shifts Slightly In Favor Of Allies In Some Areas

By Richard McMurray  
Associated Press War Editor  
The United States has lost an aircraft carrier in the South Pacific in the fighting stemming out from the small island of Guadalcanal, but elsewhere the tide of battle shifted slightly in favor of the Allies Saturday.

The Navy Department in Washington announced the carrier, not yet named, was attacked by bombers and torpedo planes last Monday near the Santa Cruz Islands 260 miles northeast of Guadalcanal. She went down after two attacks but the Navy said reports thus far indicate there were few casualties.

**Navy Announces Loss Of Another Airplane Carrier**  
WASHINGTON. (AP)—Sinking of another U. S. aircraft carrier—the fourth—in the furious air and sea battle for control of the South Pacific, was announced by the Navy Saturday night, leaving only three American carriers known to be still in action.

The latest victim of two Japanese aerial attacks was not identified by the Navy.

She went down near the Santa Cruz Islands, a tiny spot in the Pacific about 250 miles northeast of Guadalcanal in the same battle which cost the U. S. fleet the destroyer Porter last Sunday night.

**Two Attacks**  
The first assault on the carrier, which came before noon, caused heavy damage. She was put in tow in an effort to salvage the big vessel, but the Japanese returned in the afternoon. Bombing and torpedo planes roared in to attack. This time the attackers inflicted damage below the water line.

She began to list. Orders were given for removal of the personnel and most of them were saved. It came the final orders—instructions to complete destruction of the crippled ship.

The Navy said the name of the lost ship would not be disclosed until after next day of all injured crew members had been notified.

**Carried Large Crew**  
The vessel presumably came from among four vessels listed in James registry of fighting ships—the Saratoga, a converted carrier, commissioned in 1925, with a tonnage of 33,000; the Hornet, commissioned 1940, tonnage 19,900; the Ranger, commissioned 1933, tonnage 14,500 and the Enterprise, commissioned 1936, tonnage 19,900.

Each of these carriers has a normal complement of between 1,800 and 2,100 officers and men. Each, too, carried a striking force of about 85 airplanes—bombers, torpedo planes and fighters.

Previously the Navy had announced the loss of three of the seven carriers which the United States had at the start of the war. Among them was the Wasp, newest of the carriers, which went (Continued on page 2)

**Marines Still Hold**  
On Guadalcanal, the U. S. Marines still hold their own.

The Soviet midnight communique announced that the Germans had broken into a populated place in the Nalchik area of the Caucasus, where a heavy battle is under way, but that the Russians had beaten off German attacks on a factory district in Stalingrad, and gained ground northwest of the Volga City.

A Russian advance in the area northeast of Tuzape, along the Black Sea coast, also was reported by Moscow.

The Soviet communique indicated the Russians had seized the initiative in Stalingrad, where the siege entered its 69th day.

Germany's new major offensive on the approaches to the Georgian military road across the Caucasus Mountains was meeting fierce Russian resistance but the Soviets acknowledged the Nazis had moved forward, even though slightly.

Even one Axis source said that the Russians were reacting strongly in the Stalingrad sector. The Rome radio broadcast that the Soviets had hurled new mass counterattacks against the Germans attacking Stalingrad in the last 24 hours.

**Jap Fleet Retires**  
The powerful Jap fleet that had harassed Guadalcanal—"A howling hell that American fighting men create and share with the best that the Mikado can throw there"—had retired for some unexplained reason. Reinforcements were reaching the Marines and soldiers and planes from Henderson Field, and New Guinea were hitting straggling warships wherever they could be found.

Berlin said the British had renewed their attack on the Alamein front in the Egyptian desert, bringing up heavy reinforcements of (Continued on page 2)

## General MacArthur's Headquarters, Australia. (AP) — Allied bombers striking for the third successive day at Japanese shipping in the Northern Solomons and New Britain sank a heavy cruiser, severely damaged a light cruiser and scored direct hits on at least three merchant vessels, a communique said Sunday. The Allies did not lose a plane.

**CAIRO (AP) —** The British Eighth Army methodically whittled down German strength Saturday in the Western Egyptian desert, consolidated its newly won positions and repulsed counter-attacks while maintaining air supremacy with the help of American planes.

**MOSCOW (AP) —** The Germans made new gains Saturday in their offensive across the Nalchik Plains at the foot of the Caucasus Mountains, the Soviet midnight communique said, but the Red Army seized the initiative inside Stalingrad and won new successes northwest of the Volga City and on the Black Sea front.

**BERN, Switzerland (AP) —** French women, barricading tiny town halls against German doctors sent to examine their men for the Hitler labor draft, have won one of the first victories in the campaign in the unoccupied zone against forced work in the Reich. A new series of strikes was reported to have broken out.

**WEATHER**  
WEST TEXAS: Continued cool.

## While Millions Die For The Right To Vote

## Forty Midland Geologists Are In Armed Forces

Records compiled by the War Effort Committee of the West Texas Geological Society show 40 geologists from the Midland area are now in the military service of the nation. Thirty-three of these are from oil company staffs, and seven were independent geologists.

About a third of the number are in the Army Air Corps. The others are in different branches of the Army, the Navy, and the Coast Guard. The geologists:

Amerasia Petroleum Corporation—Jack Conley, Army; and Lt. J. R. Day, Coast Artillery.

Arco Oil Corporation—J. W. Harrison, Army.

Atlantic Refining Company—Lt. A. E. McKay, Army Air Forces, and Lt. R. T. Cox, Coast Artillery.

Forest Development Corporation—Lt. J. S. Herold, Navy, and Ensign John Norman, Navy.

Gulf Oil Corporation—G. R. Carter, Army Air Forces.

Honolulu Oil Corporation—S. C. Edwards, Army Air Forces and Lt. W. T. Schneider, Army Engineer Corps.

Humble Oil and Refining Company—W. E. Cox, Army Air Forces; W. E. Dougherty, Army; Lt. C. E. Long, Field Artillery; and J. W. Skinner, Army Air Forces.

Livermore, Inc.—Lt. Ralph Cooley, Navy.

Ohio Oil Company—W. G. Clark, Coast Guard.

Phillips Petroleum Company—Lt. J. A. Jorgensen, Army, and Lt. E. Vanden Bark, Field Artillery.

Plymouth Oil Company—H. Corman, Army, and E. E. Tisdale, Army.

Shell Oil Company, Inc.—Lt. W. H. Allen, Army; Lt. R. Brewer, Army Signal Corps; Lt. G. S. Corey, Army Air Corps; Capt. Frank Falcon, Army; and Lt. J. R. Jones, Army Air Forces.

Sinclair Prairie Oil Company—A. L. Atkaway, Army Signal Corps, and Lt. J. E. Kennedy Jr., Navy.

Standard Oil Company of Texas—C. M. Linehan, Navy.

Sun Oil Company—Lt. Hans Winkler, Navy.

The Texas Company—Lt. T. M.

## Blacksmith Sleeps While His Shop Burns

KIMBERLY, Idaho (AP)—Blacksmith Bill Kilborn slept soundly while his shop, only 40 feet away, burned to the ground as firemen tried to save it.

His house caught fire, and the firemen scrambled over the roof. Eventually one of the firemen broke a window, crawled in, awakened Kilborn—and broke the bad news.

## Navy Announces—

(Continued from page 1)

down in the Battle of the Solomons on September 15. The Lexington was lost in the Coral Sea Battle May 8 and the Yorktown in the Battle of Midway June 7.

Loss of the Porter brought to 21 the number of destroyers lost so far in the Pacific. Other American vessels suffered lesser damage.

## Reporter-Telegram News Editor Enlists

Harold R. Farrars, news editor of the Reporter-Telegram has enlisted in the Army Air Forces and hopes to return here for duty at the Midland AAF Bombardier School.

He passed his medical examination and was sworn in at the Lubbock recruiting station late Friday.

IT WAS JUST RETURNING HOME FOR L. T. ROW

LOS ANGELES (AP)—It was just like coming home when Leonard T. Row went to jail under a five-day sentence for non-payment of alimony.

For seven years he served as a jailer.

**T. D. Kimbrough**  
Attorney At Law  
County Attorney's Office  
Court House

## Another Problem

Some time about mid-December there will be another of these government-called conferences in Washington, having to do with how much you eat and what and when, in the coming year. The conference will be a meeting of the big medium and little shot food processors. Not the farmers, but the packers, the canners, the bottlers, the dryers, the dehydrators and the manufacturers of prepared foods.

There may be or there may not be a presidentially appointed food administrator present. Representatives of the food processors hope there will be some one man in charge of all food distribution by that time. But whether there is centralized control by then, food industry men hope that through the existing food requirements committee in the War Production Board setup, the government will have all its requirements figured out so that the industry will know how much of every food item will be needed by Army, Navy, lend-lease and the U. S. civilian population.

Not only that, but also what kind of a container will be available to pack it in? With all these programs lined up like ducks in a row by mid-December, the food distributors figure they'll be able to plan on keeping the nation supplied throughout 1943.

A further advantage of having all this in order for the coming year is that with or without a food administrator it will stop a lot of disquieting rumors and false reports now floating around on what foods are going to be rationed, and how. Sugar is the only commodity under full rationing now.

—Buy War Bonds and Saving Stamps Today

## Turn In Your Tires

As gasoline rationing becomes effective throughout the nation in November, the government is making a drive to acquire all tires in excess of five per automobile.

The excess tires are to be paid for, put into a national stockpile and resold under strict rationing to those who need them for war use.

This is one of several methods by which, until the huge synthetic program gets rolling, it is hoped to keep automobiles running to move supplies, carry on essential services, and transport war workers between homes and factories.

When automobile owners register for rationing books they will be required to give Rationing Boards the serial numbers of the five tires they are keeping, and to certify that they have no more than five tires.

Motorists are asked to keep their best five tires, and sell the others. The way has been made easy. All that is necessary is to telephone to the nearest Railway Express Agency and say: "I have some tires for Uncle Sam. Come and get them."

The Agency will pick them up and take them to a government warehouse at government expense. There they will be inspected and appraised according to a table, by size, by tread thickness and by need for repair. The owner can have either a check or war bonds or stamps in payment.

We expect that the government will get as full cooperation in this as in the scrap campaign.

## A Message To Candidates

An election is a great heritage of democracy. It brings home to each of us the freedom for which we are fighting.

This war-time election gives us, as voters, a chance to serve our country. It is the duty of every American to put into the campaign a spirit free from prejudice and thought of personal gain.

America must emerge from this campaign stronger and more united for an all-out war effort.

As Voters, Therefore, We Determine:

1. To build throughout the election the spirit that unites rather than divides, and not to confuse and cheapen the campaign by irresponsible criticism or mud-slinging.
2. To support our candidates in putting the national interest ahead of political expediency or personal advantage.
3. To accept our responsibility for the winning candidate after our vote is cast.
4. To work for a leadership of men who base their public policies and personal lives on honesty, clean living and faith in God.
5. To practice ourselves in our homes and at work those same principles which we expect from our representatives and so make our country worthy of the sacrifices of our fighting men.

We believe that we are among thousands ready to support the men who put into action those moral and spiritual convictions which are essential for America's strength.

—Buy War Bonds And Savings Stamps—

## By Request

You can save rubber and help win the war if you will do these things:

1. Drive only when absolutely necessary.
  2. Keep under 35 miles an hour.
  3. Keep your tires properly inflated.
  4. Keep them inspected regularly.
  5. Share your car with others.
- The above was written for Rubber Director William M. Jeffers. We join with Jeffers in urging that you memorize these five things, and DO them.

## Annual Carnival Staged At Gym

With balloons waving, spooks creeping, ghosts walking and bright faces glowing with the enthusiasm of the event, the annual Halloween carnival, sponsored by members of the North Ward P.T.A. was held at the Midland High School Gymnasium Saturday night.

Men, women and children, many dressed in typical Halloween costumes gathered around the entertainments.

The building was decorated in the Halloween theme including pumpkins, fodder, cats and skeletons. A fishing pond, a white elephant booth, the beauty parlor, where new faces could be bought, a peep show, a booth where prominent citizens were knocked out of bed with baseballs, a penny throwing booth and many other entertainments were popular.

Many gathered around a booth at which Hitler could be stabbed in the heart.

Songs, conversations and letters were recorded at one booth. A cake walking contest was held.

Merchants of Midland donated the prizes.

Mrs. R. E. Throckmorton was chairman of the carnival and Mrs. W. Y. Penn is P.T.A. president. Proceeds of the carnival will be used for the benefit of school children.

## Dr. M. E. Sadler

(Continued from page one)

the largest in the history of the big bombardier school, also has what is believed to be the lowest average age of any group yet to complete training here. Numbered among the graduates are one 18 year old, five 19, and five 20 year-old men. When they are commissioned as second lieutenants Thursday, they will rank with the youngest officers in the Air Forces.

Brigadier General Isalah Davies, commanding, will introduce Dr. Sadler, who will discuss the aspects of the international scene with the new bombardiers.

To the graduates who hope soon to be raiding Tokyo, Dr. Sadler will bring a wealth of personal experiences in Japan. The TCU president was sent to Japan in 1930 and 1931 by the Rockefeller Foundation for special educational research work.

Bombardier wings will be awarded the graduates by Lieut. Col. J. K. Brown, Jr., director of training. Lieut. Carl W. Allen will administer the oath of office to the graduates. Chaplain Theodore Schoech will deliver the invocation and benediction.

A musical program will be presented by the AAF Band under the direction of Master Sergeant Thomas Marcell.

## Gasoline Ration

(Continued From Page 1)

applicant believe he is entitled to more than the basic 'A' book, he should ask the registrar at the time he receives the basic 'A' book for the supplemental ration application form, but this should not be executed at the school. This supplemental application must be mailed or delivered to the local board.

After this program goes into effect on November 22, the board will be rationing tires and gasoline as a unit of mileage, and for that reason the board will have to determine the applicant's necessary or essential mileage and then give him a gasoline book for exactly that essential mileage and the kind of a tire to meet his essential needs as set forth in the regulations.

## Moving Targets Will Be Used

Bombardiers of the Midland AAF Bombardier School will have an opportunity to try their aim on moving targets when 10,000 additional acres are added in the near future to bombing ranges of the world's largest bombardier college.

Targets which will speed along at the rate of enemy truck transports and railway trains will be used on the additional land which is located south of Midland in Upton and Reagan counties.

Use of the new type target is expected to increase the proficiency of the bombardier cadets who, heretofore have been confined to bombing such inanimate objects as crude shacks, oblongs or cloth targets, catch mounds and the like.

In line with Army policy, formal condemnation proceedings have been instituted and Army engineers are mapping plans for the installation of the targets.

## Christmas Trees Are Hit By War Too

MACHIAS, Me. (AP)—Aromatic balsam fir and spruce trees will be fewer in metropolitan markets this Christmas season.

Trucks are out on carriers—gasoline and tire troubles are to blame—contractors have slim chance of finding enough men to cut the usual 1,000,000 trees, costs are way up and there's even a shortage of the time needed to bale the trees for rail shipment.

## Tide Shifts

(Continued from page 1)

guns and tanks. The British, starting the second week of the offensive against the right arm of an immense German pincer grasping for the treasure of the mid-Pacific east, said they held firmly all gains and repulsed counter-attacks. Our supremacy in the air remained complete. No major tank battle has been engaged. The general tone from that battlefield is cheering.

Why Tokyo's fleet had left the exotic waters around the Solomons could be explained by a variety of reasons:

1. Our Pacific Fleet might have engaged it and inflicted heavy blows, not announced. Our planes, we know, have taken a frightful toll.
  2. The Japanese might be returning to Truk to refuel and restock ammunition to renew the battle, or bring in more troops.
  3. The Japanese might suspect our main fleet was maneuvering in some other dangerous position.
- One thing was certain; the first round had ended and we still held every inch of ground we had taken in the Solomons, and a second round would be coming up before long.

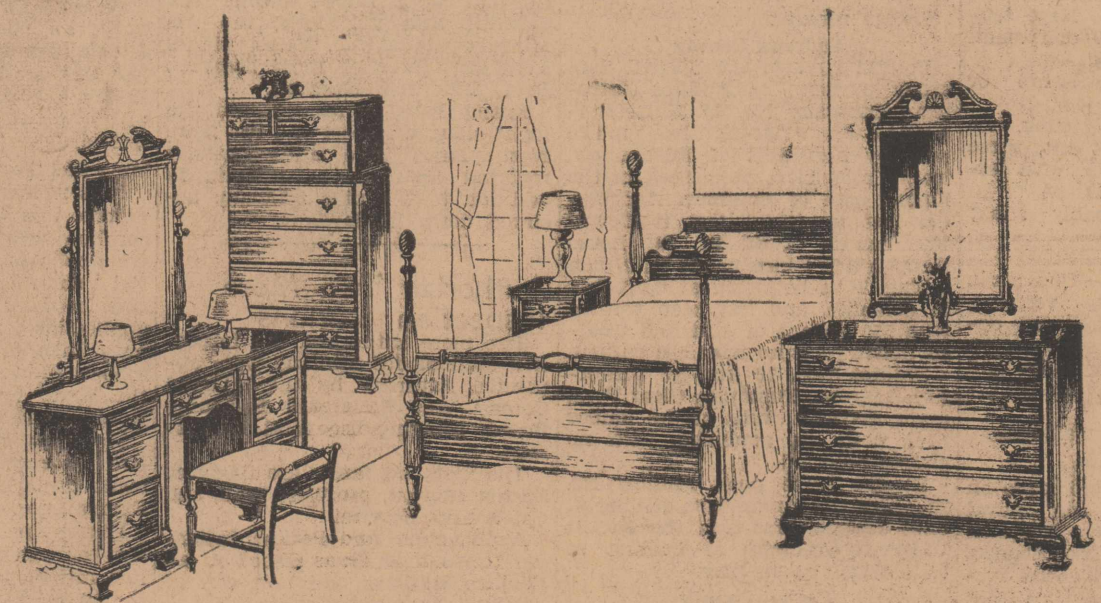

German Plan Unsettled

The Russians fought as fiercely as ever on the vast 2,000 mile front, and the chief of the propaganda department of the communist party, Gregory Alexandrov, asserted:

"The strategic plan of the Germans for 1942 has been upset." This plan, he said, was to sever the Russian armies of the south, take Stalingrad and all South Russia in a few weeks and then turn against Moscow and Britain.

The Germans said great convoy battles were being fought in the Atlantic and that U-boats sank 18 Allied ships of 131,000 tons Friday. The claims were wholly unconfirmed.

# Quality Furniture For Those Who Care

### Midland Bulldogs Win Title Of 'Skinny Little Iron Men' But Lose By Two Points To Eagles

ABILENE — Midland High School's Bulldogs won the title 'Skinny Little Iron Men' at Abilene Friday night, but were edged out by Abilene High's Eagles 14-12 in the District-AA battle.

Only one substitution was used during the entire game by Coach Gene McCollum, but the Bulldogs made the Abilene igskin warriors go all-out to take the contest at the high school stadium.

In fact, the Eagles didn't have a comfortable minute until the game ended. Midland's delegation never did take the lead from the highly favored Eagles, but they consistently retreated to take charge in case a slipup at the wrong time. That chance didn't come, so the Bulldogs had to be content with forcing the Eagles to go all-out to take the game.

**Plays 75 Yards**  
In the first period, Abilene forged ahead on a 75-yard drive with Fullback Red Burditt crashing over the line from the two yard line. Most of the yardage on the march was made by Burditt who broke loose on a 45-yard sprint only to be nailed in the 30 by Ivan Hall. Johnny Owens' conversion put the Eagles ahead 7-0, a margin they held early in the second period.

With passes, the Bulldogs opened their counter attack. Bill Richards, the cool 150 pound fullback, completed nine of 24 throws for 16 yards and one heavy was good in Midland's first score.

Recovering an Abilene fumble on the Midland 29, the Bulldogs covered 71 yards in two quick plays. Richards passed to Jimmy Watson for a first on the 39. On the next play, Richards passed to Charlie Kelly at the 50-yard stripe and the egg-legged end was in the clear. He touchdown play was good for 1 yards.

**Plays Ball on Downs**  
Late in the third quarter, Midland started a drive which carried the Abilene 20 yard line, where the ball changed hands on downs.

The Eagles took over and soon pushed right back into Midland territory on a 45-yard sprint by Burditt, but a pass interception stopped Abilene at the 26.

For three downs, Midland was necked and then Tackle Harold Thayer broke through to block a pass.

**Knock Six Teams Off Unbeaten List**  
By Herb Barker  
NEW YORK (AP)—The Bulldogs of Georgia and the Badgers of Wisconsin moved closer to the top of the national football ranking list Saturday as six more major teams fell off the undefeated list in another day of startling surprises.

Georgia, banking on the passing arm of All-American Frank Sinkwich, rallied for three touchdowns in the fourth quarter to topple Alabama's previously unbeaten Crimson Tide, 21-10, before a crowd of 33,000 at Atlanta.

**Texas Longhorns Beat Mustang Jinx With 21-7 Victory**  
AUSTIN (AP)—Roy Dale McKay and Jackie Field Saturday dealt the death blow—for this year at least—to what is known here as the Mustang jinx, leading the Texas Longhorns to a 21 to 7 football victory over Southern Methodist.

It was the second consecutive year for Texas to trim the team they have always found it hardest to beat, but they did it Saturday despite the superior line play on the part of the Ponies.

**Midland Ships More Cattle To Feeders**  
A number of cattle cars were obtained by Midland ranchers within the last few days and several large shipments have been made. Frank Cowden shipped 250 steers to Larned, Kansas. He also shipped 100 heifers to Kansas. George Glass shipped about 200 cattle to Kansas and approximately 100 to Northwest Texas.

**Monahans Lobos Defeat McCamey**  
MONAHANS.—Monahans Lobos defeated McCamey High's Badgers 27 to 7 here Friday night in their third conference tilt.

**Sweetwater High Beats Lamesa 31-6**  
LAMESA.—Sweetwater High's football warriors ran over the Lamesa team 31 to 6 in a 3-AA conference game here Friday night.

In Southern Texas, dates, bananas, avocados, papayas and some other tropical fruits are grown in varying quantities. It is estimated that since 1850 Texas cotton has clothed approximately 15 per cent of the civilized world.

### Scoring Leader

Bob Steuber of Missouri leads nation's scorers.

### Baylor's Bears Bounce Frogs

FORT WORTH (AP)—Baylor's Golden Bears shot down massive Texas Christian Saturday, 10-7, bouncing the Horned Frogs from the nation's undefeated ranks on a 17-yard field goal by Bert Edmondson, then repulsing two 'TCU drives that carried within the Bruins' one-yard line.

The Frogs scored in the first period, Baylor tied it up in the second and then won it in the third. A crowd of 12,000 sat spellbound as the battling Bears came from behind to topple the last unbeaten team in the Southwest conference, halting the vaunted Christian passing attack and outplaying the Frogs coming into the stretch.

**Odessa Bronchos Beat San Angelo**  
SAN ANGELO.—The Odessa Bronchos overpowered the San Angelo Bobcats 14-6 before 7,000 fans here Friday night to remain tied with Sweetwater for top place in the district 3-AA race. It was Odessa's fifth consecutive triumph and San Angelo's first loss.

**Big Spring Steers Defeat Colorado City**  
BIG SPRING.—Playing his second team most of the time, Coach John Dibrell's Steers from Big Spring triumphed over the Colorado City Wolves here Friday night by the score of 21-6.

### Who's The Goat?

An inquisitive fawn stares uncomprehendingly at the white baby goat, as though wondering who could be interested in food when film star Joan Leslie is around.

**NYLON IS USED FOR NEW GLIDER TOWLINES**  
LUBBOCK (AP)—Women who wonder why nylon hose are scarce can find the answer at South Plains Army Flying School. New towlines for big gliders at the field are made of a special nylon composition, strong as any rope made, virtually indestructible and possessing the advantage of lightness.

### Aggies Defeat Porkers 41 To 0

COLLEGE STATION (AP)—Military-minded Texas A&M, about a week ago, punched a game but hapless University of Arkansas team all over Kyle Field Saturday, 41 to 0, to hand the Porkers their fourteenth straight Southwest Conference beating.

The Aggies looked like the champions they were last year, scoring in every period and breaking the back of several desperate Arkansas threats.

**RUSTY RUSSELL WILL COACH HIGHLAND PARK**  
DALLAS (AP)—Superintendent H. E. Gable of the Highland Park Schools Saturday confirmed appointment of H. N. (Rusty) Russell, Fort Worth's Masonic Home football coach, as temporary coach of the undefeated, untied Highland Park Scotties.

### Wendell Williams Scores Touchdown As Rice Beats Tech

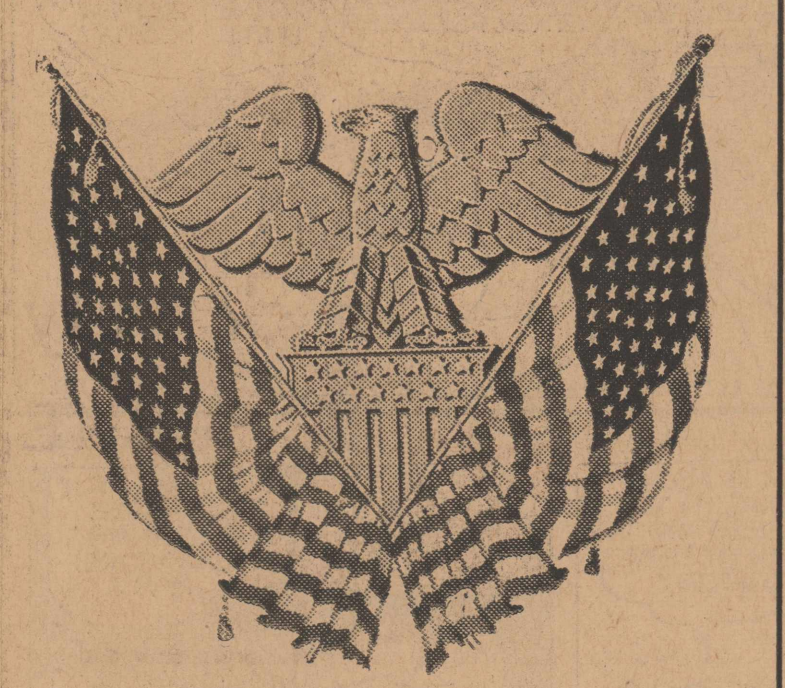

HOUSTON (AP)—Don Stephens, the line smashing Owl fullback came through with another fine exhibition of running Saturday, pacing the Rice Institute eleven to a 19 to 7 victory over Texas Tech before a crowd of 10,000.

Held scoreless through the first quarter, the Owls cashed two touchdowns in the second period; then added another in the third to clinch the decision from the speedy Red Raiders. For the second touchdown Stephens faded back to the Rice 45 and rifled a 55 yard overhead that Wendell Williams of Midland took a step from the goal line for the touchdown.

Marle Farrens of Bakersfield, Calif., is visiting his sister-in-law, and brother, Mrs. Harold Farrens and Cadet Robert R. Farrens.

# Men 17 to 50...Get in the Navy and BLAST THE BUZZARDS OUT OF THE SKY!

These boys are fighting for you. If you are not yet in uniform, your place is with them NOW!

Day and night, on the Atlantic, on the Pacific, these boys are fighting for you. Blasting Nazi planes, smashing Jap ships that threaten your home, your family, your freedom, your country. Are you going to stand by and let them do your fighting for you? Not you! You aren't that kind. You're going to do something about it! And right now is the time to do it! In this war there's a job—a fighting job—for every red-blooded American. Today—while you still have the chance to choose—make up your mind to get the training you'll need to do the job right. Your Navy will give you this training—expert training that will fit you to play an important part now, that will equip you to land a better civilian job after the war is won.

This training in aviation mechanics, electricity, radio, engineering—in any of 49 skilled trades—will help you to quick advancement to posts of good pay, larger responsibility. Many men are promoted to Petty Officer's ratings paying up to \$138 a month by the end of their enlistment. All receive an increase in pay after approximately two months of service.  
**Good pay . . . and it's all yours!**  
All your living expenses are paid. The Navy gives you your uniforms—\$133 worth. Gives you good food—and plenty of it. Gives you clean, comfortable quarters. Gives you medical and dental care to keep you in top physical trim.  
And the Navy gives you something else, too—something you've never known before—something you can realize only when you step out in your own Navy uniform.  
It's a grand feeling—a proud feeling. You're not quite the same fellow who walked into the recruiting station. You no longer have to go it alone. You're part of the team—an all-American team that's going to be in there slugging shoulder to shoulder until it has won this war.  
The Navy wants you on this team. Wants you now—today! Come on! Step into the nearest Navy Recruiting Station and have a friendly talk with the Officer in Charge. And ask him for your free copy of the exciting new book, "Men Make the Navy." It gives you all the facts you need to help you decide. But don't wait. Act today!

**CHOOSE THE NAVY NOW!**

### Stevenson Wants Gasoline Necessary For Essential Work

AUSTIN (AP)—Governor Coke Stevenson said he believed that under gasoline rationing "every person should have the right to determine what he considers essential business" in applying for gallons.

"I am in favor of everybody in Texas having all the gasoline needed for the efficient operation of all business," Stevenson said, commenting on his recent conference with Max L. McCullough of Dallas, regional director of the Office of Price Administration.

McCullough predicted Texas will receive more B and C rationing cards in proportion to population than smaller states.

Oil is the most widely distributed Texas mineral.

### Officer Refreshes New Guard's Memory

CHEYENNE, Wyo. (AP)—"Hait, who's there?" challenged Charles Lee, a new guard at Fort Warren. The officer stopped, waited awhile, and then asked Lee, "what do you say now?"

"Just stick around, sir," Lee replied. "I'm trying to remember."

The officer stuck around—Lee's memory was refreshed. He was the officer of the day.

### Sewer Problem Gets Complicated

TACOMA, Wash. (AP)—The city Public Works Department has just discovered that a Federal Housing Project calls for 21-inch sewer to serve part of the homes and 15-inch sewer for others.

"That's complicated all right. But what makes it worse is that both these sewers are to hook up with the city's regular 8-inch."

### FUNNY BUSINESS

"I'll have to use two crystals, ma'am—your husband's leading a double life!"

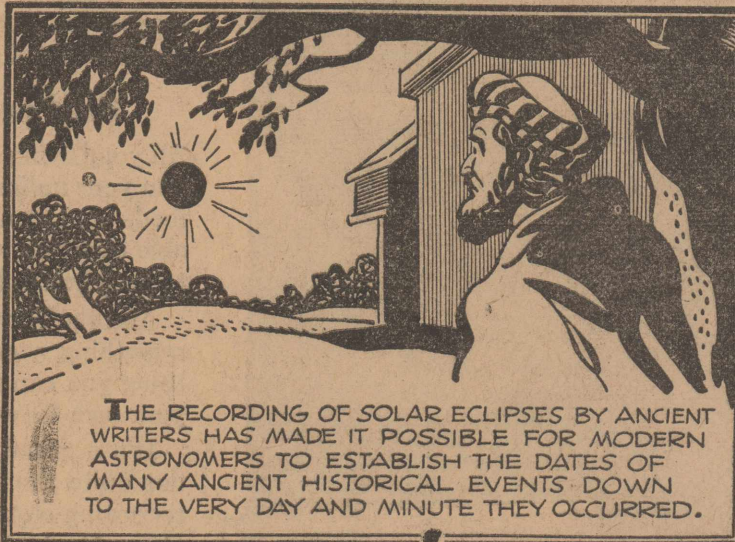

### SIDE GLANCES

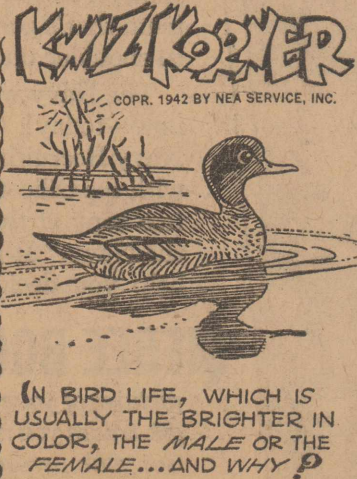

"At the rate these young upstart doctors who put me out of business are going to war and the baby crop is growing, old Nellie and me will be in demand again soon, so I'm getting ready!"

### THIS CURIOUS WORLD

By William Ferguson

THE RECORDING OF SOLAR ECLIPSES BY ANCIENT WRITERS HAS MADE IT POSSIBLE FOR MODERN ASTRONOMERS TO ESTABLISH THE DATES OF MANY ANCIENT HISTORICAL EVENTS DOWN TO THE VERY DAY AND MINUTE THEY OCCURRED.

IN BIRD LIFE, WHICH IS USUALLY THE BRIGHTER IN COLOR, THE MALE OR THE FEMALE... AND WHY?

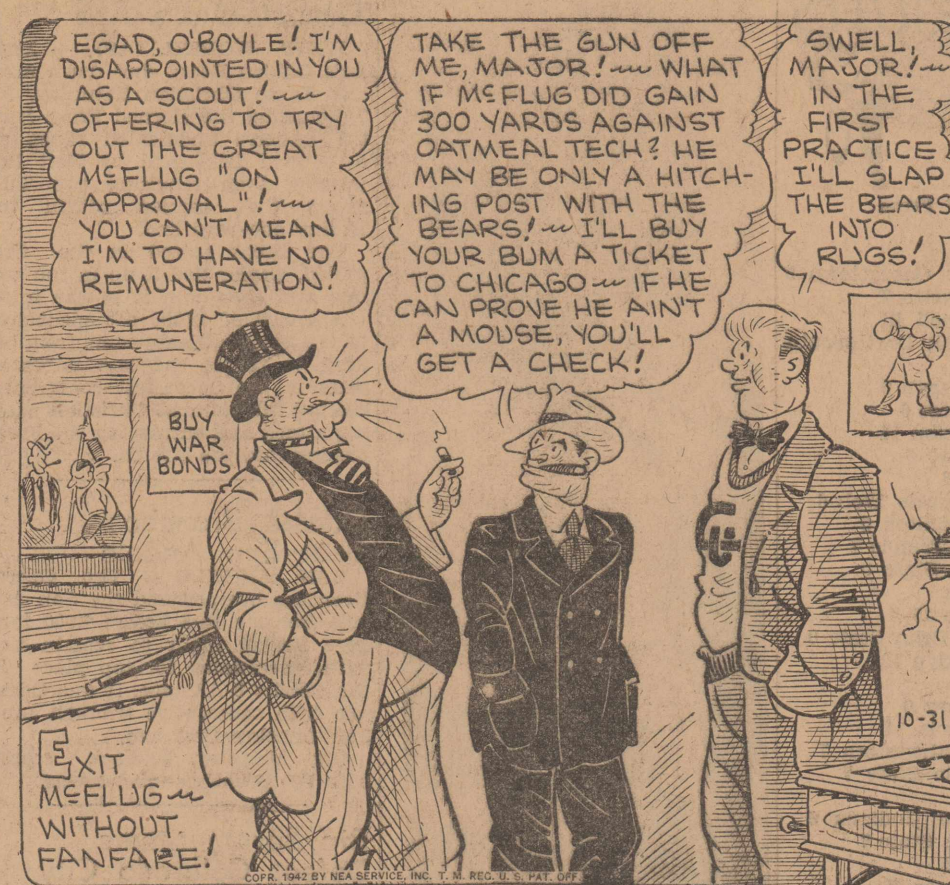

**KOLKOZER**  
THE FIRST AUTOMOBILE LICENSE PLATES IN THE U.S. APPEARED IN DENVER, COLORADO, IN 1908, AND WERE MADE OF LEATHER.

ANSWER: The male. The female is dull in color so that she may be inconspicuous on the nest.

ing no more spades, East led a club. Wahl put his ace right up, cashed the ace of hearts and led a third heart. This he established nine tricks in a hurry.

Notice the difference had he won the first spade trick. He cannot make the contract without bringing in the heart suit. If he ducks a heart to East, another spade will come back, taking out his last stopper. Now West will get if the hearts are continued, and will make his established spades, setting the contract at once.

### Right-Spirited Dad Gets Son Furlough

LUBBOCK (AP)—Here is a letter from Hart, Texas, cattleman wrote to Capt. A. B. Noel of the South Plains Army Flying School:

"Greetings: I am just a wondering if it is at all possible for you to see fit to let Bud (the cattleman's son) come home a few days so we can get the branding and the earmarking done.

"Have a lot of field work to do, but am not a bellering about that at all. Just put in more hours and plug along as best I can. Reckon when we have the rice knocked out of Hirohito, the macaroni dug out of Mussolini and the sauerkraut blowed out of Hitler, we will again have our boys with us, so that they may take on where we elders will have to leave off.

"I would be quite willing to come down and put in a few days work at the camp in exchange some time when I sort of get caught up with the work here."

"Bud" got a ten-day furlough.

### Slims You

Admire this frock for its quick efficiency—the buttons down the front so you may step in and out of it as you would a coat, the sashes at the waist which tie quickly in back and hold the waist line smooth. The panel down the front flares at the top forming an unusually attractive neckline.

Pattern No. 8288 is designed for sizes 14, 16, 18, 20, 42, 44, 46 and 48. Size 16 requires 4 1/8 yards 36-inch material.

For this attractive pattern, send 15c in coin, your name, address, pattern number and size to The Reporter-Telegram's Today's Pattern Service, 211 W. Wacker Drive, Chicago, Ill.

See the Fall Fashion Book's wide variety of smart patterns—before you wind up your fall sewing campaign. Send for your copy today, 15c. Order it with a 15c pattern for 25c plus 1c for postage.

SERIAL STORY PLAY BY PLAY BY PAUL DAVID PRESTON

DUANE VOLUNTEERS CHAPTER XIX

AS Mom Miller had expected it would, the luncheon for the two cadets in her home turned out happily. Indeed, it is impossible to damage soldier morale with a friendly home-cooked meal. Norman Dana left the table literally pounding his chest. "Let me at 'em!" he boasted. "In the air or on the ground!" "Mom's propaganda has to do with on-the-ground scrapping first," Blythe reminded them. "And the field of battle is a football field."

"Mom Miller," Norman pinched Mrs. Miller's cheek, "for you'll make a personal touchdown. What about it, Hogan?" "Shake!" said Duane. "That's the mood they were in. Mom was starry-eyed with pleasure, and Pop himself beamed at his two talented 'lads.' Blythe couldn't keep from covertly watching Nancy Hale. Blythe's own smile was of surface depth only. Inside, she felt darkness like an impending doom. When Norman, Duane, Nancy and little Scooter were leaving, Blythe stole a moment alone in her room. "I've got to manage somehow not to upset things," she reasoned, frantically. "Until . . . until I can think what to do!"

Think what to do. That was the problem which weighed on her. She had overheard Nancy agree to drug the two players, but she had not been able to work out a suitable counter-plan. She had simply procrastinated, torn miserably from within, in the wishful little-child feeling that something good would probably turn up to solve the problem for her. Nancy and baby Scooter left the Miller home first. Pop had orders to lie down and rest an hour, and Nancy would go on back to care for his office where there was a lot of going and coming here in the week of the State U. game. Then Norman left; he had two hours of flying duty before he could report back for the last football workout. Blythe overheard

"Yes, sir," he nodded. "And I wanted to tell you, I don't know what the score is, but you can count on me. I'm not too smart at figuring things out, but if there's a job of work at hand—" He paused, a bit lamely, appealing silently to Blythe. "I ought to say, Pop," she put in, "that the pistol I brought you didn't come from Captain Foster, as you asked. It's Duane's. I didn't think any of the Lincoln Field officials—well, maybe they oughtn't to get suspicious of anything. Until you are—until we—" "Yes, sir," Duane nodded. "And whatever needs to be done, I wish you'd let me do it for you. Fists or gun!"

It was a tender moment, and Pop honored that offer of friendship with a long silence. He was deeply touched. All at once Blythe realized that this was the moment to tell what she knew, too! To tell that Nancy Hale had agreed to turn traitor for a thousand dollars. (To Be Continued)

Tiny Tot's Whistle Stops Midtown Traffic

NEW YORK. (AP)—A shrill whistle sounded and Midtown Eighth Avenue traffic screeched to a stop. The second blast from the whistle sent cars favored by a green light ahead. A third sent the entire scene into a wild tangle. In the midst of it all was found a three-year-old boy who had found a whistle. The tot, who didn't know his name, told policemen he wished to become one of them. He did, while officers searched for his guardians. Cadet Wayne Lanham of Stamford Flying School is visiting Mr. and Mrs. F. H. Lanham.

### Distillers Fear Liquor Shortage

BALTIMORE (AP)—Distillers of the nation, fearful of a liquor shortage should the war last three more years, have let it be known that they have instituted a voluntary rationing program to protect reserves and one spokesman advocated limiting consumption as well.

Donald Hammond, executive secretary of the Association of Maryland Distillers, said the manufacturers of whiskey, gin, rum and brandy were confronted with this situation:

1. Production has been diverted to manufacture of alcohol for the war effort, by government order.

2. Greater purchasing power has resulted in greatly increased sales that would exhaust the present warehouse stocks in three years.

3. Exhaustion of stocks would throw distilleries back to 1931, when whiskey was "not what it is now," no matter what the price.

A single farm in Zavala County, Texas, produces more spinnash than any state in the union, except Texas.

### Nautical--and Nice

With a song in her heart for her boy friend in the Navy and a button from his peajacket adorning her bracelet, songstress Peggy Lee sets new nautical mode.

### Christmas Packages Are En Route To Men In Foreign Service

Hundreds of pounds of Christmas gifts for men in the armed services on foreign soil were mailed from the Midland Post Office before the deadline Saturday for guaranteed delivery of the packages before Christmas, Postmaster Allen Tolbert said.

Although delivery of packages to men on foreign soil before Christmas no longer is guaranteed by postal authorities, the post office will continue to receive packages and rush them as much as possible.

### Second Shell-

(Continued from page one)

from 6,096 to 6,109 feet, recovering 15 feet of dense, gray lime.

**Hockley County**  
Humble Oil & Refining Company No. 6 W. A. Coons, Slaughter field well, flowed 1,245.52 barrels per day, rated potential after acidizing with 10,000 gallons at total depth of 5,020 feet in lime.

**Pecos County**  
Milton Unger, Midland oil operator, said Saturday he was preparing to shoot his No. 5-A Shell-University, new well in the east extension to the Taylor-Link pool. With elevation of 2,536 feet the well topped brown lime at 1,387 feet and entered oil sand at 1,407 feet, bottoming hole at 1,437 feet in sand and lime. Seven-inch casing is cemented at 1,365 feet with 40 sacks. Pure Oil Company No. 1 H. T. Odneal, south offset to the discovery producer in the Roberts (Chancellor) Delaware pool 20 miles southwest of Fort Stockton, flowed an untested amount of oil when bridge was drilled out, but tools were kicked up the hole and a fishing job resulted. No fluid was in the hole when the well was shot with 560 quarts from 5,052 to 5,293 feet, total depth. Shooting apparently shattered the tight formation sufficiently that oil broke in.

**Phillips No. 1 Ada C. Price**, projected 8,500-foot Ordovician test 29 miles southeast of Fort Stockton, is drilling at 6,250 feet in lime and shale.

**In the Walker pool**, Cardinal Oil Company No. 4-B University flowed 100.62 barrels of oil per day following an 80-quart shot in pay from 2,109-31 feet, total depth.

**Anderson-Prichard Oil Corporation No. 1 M. I. Masterson**, Ordovician test in Northern Pecos, has rigged up rotary and is ready to spud.

**Fumble No. 1 Tom R. Parker** of Midland, et al, short south extension test in the Abell Ordovician field of Northern Pecos, is drilling lime at 3,795 feet.

**Scurry County**  
An 8,000-foot Ordovician test nine miles northwest of Snyder, Fumble No. 1 W. T. Newman, is drilling at 7,484 feet in Pennsylvania lime.

**Sterling County**  
Col-Tex Refining Company No. 1 W. N. Reed et al, 9,000-foot Ellenburger test 15 miles northwest of Sterling City, is building rotary derrick and moving in machinery.

**In extreme Southeast Sterling**, Ohio Oil Company No. 1 L. T. Clark, an 8,000-foot Ordovician wildcat, is rigging up rotary.

**Ward County**  
Shell No. 2 Sealy-Smith, second well and discoverer of Tubb zone production in the 10,000-foot Monahans Ordovician pool, after re-perforating with 30 shots in 7 5/8-inch casing from 5,633-43 feet, ran 2-inch tubing and was acidized with 500 gallons. When opened after a 15-minute shut-in, it flowed 305 barrels in five hours through open tubing. The first hour it flowed 85 barrels of oil cut 20 per cent with sediment and acid water, and the fifth hour it made 35 barrels, but 16 per cent. It has been shut in again. The well originally went to 5,741 feet but hole now is bottomed at 5,669 feet, cement having been drilled out to that point after casing was set. It is one-quarter mile west by northwest of the firm's No. 1 Sealy-Smith, Ellenburger discovery producer.

**Winkler County**  
Shell No. 1 W. D. Blue estate, wildcat in extreme Eastern Winkler shut in to 3,500-foot contract in its search for Ordovician pay, is drilling at 6,534 feet in lime of an unreported age.

A marked increase in the dairy industry and the production of wool and mohair took place in Texas between 1930 and 1940.

### Music Used As Means Of Evicting Tenant

FORT WORTH (AP)—The music went round and round, but there was nothing the Federal government could do to remedy the trouble, it seemed.

A sleepy-eyed war worker complained to Richard C. Heinen, Federal rent attorney here, that after his landlord tried to find legal means to evict him and failed, he purchased a phonograph record, played it nightly from 11 p. m. to 1 a. m.—"The same record over and over."

The thin walls of the duplex left the tenant nothing to do but listen to the endless repetition.

Heinen advised his caller the governments anti-eviction regulation contained no remedy for his complaint.

### Expect Decision Soon On Watson's Motion

A decision is expected within a few days from District Judge Cecil Collins on the motion for a new trial for I. W. Watson, negro convicted on a charge of assault with intent to murder and sentenced to 12 years in prison.

The judge has heard the motion and has indicated he would announce his decision soon.

The negro hotel operator was indicted in connection with the wounding of two policemen last May 17 when the officers answered a call to the negro section. Policemen Glenn Hudson and Joe Pierce were injured by the blast of gunfire.

### Midland Woman Hears Son's Ship Damaged

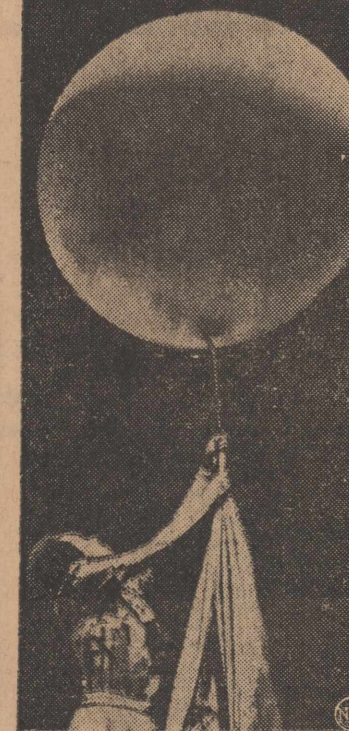

Mrs. C. B. Kinnebrew of Midland received word Saturday that her son, David L. Kinnebrew, was aboard a U. S. Navy destroyer reported struck by a torpedo in the Guadalcanal area.

She had obtained no confirmation of the report Saturday night. Kinnebrew is a coxswain in the Navy He enlisted about three years ago.

### DIVIDING LEAGUES TO BE DISCUSSED

NEW YORK (AP)—The Herald Tribune says that a plan to split the American and National Leagues into Eastern and Western divisions to cope with the difficulties of wartime transportation will be considered at the major league meetings in Chicago in December.

### Look Skyward

U. S. Army Signal Corps girl meteorologist releases free balloon which carries delicate weather recording instruments into stratosphere. (Picture from special U. S. Army Signal Corps issue, Radio News Magazine.)

### PRO Officer To Be On Sideline Next Time

The next time Lieut. Col. John D. Ryan, assistant director of training at the Midland AAF Bombardier School, decides to have a spelling bee, Lieut. Reavis O'Neal, public relations officer, is going to sit on the sidelines.

The lieutenant became involved, and we do mean involved, in the spelling bee last week when Col. and Mrs. Ryan entertained members of the Thirteen Club at their home.

Things were alright, the lieutenant declared, so long as words like "diphtheria, connoisseur, lozenge" and the like were bandied about.

What really got him down was the word, "misspelled." You're right—he misspelled—oops—he misspelled it.

### October Term Of Court Extended

The October term of Seventieth District Court here has been extended four weeks for disposal of cases now pending, Judge Cecil C. Collins said Saturday. No criminal cases are scheduled for trial in the court.

### FOURTEEN ABSENTEE BALLOTS ARE CAST

Only fourteen absentee ballots have been cast in the Midland County clerk's office for the general election Tuesday. Absentee balloting has ended and civic leaders are urging all citizens to visit the polls Tuesday.

### Bed At Opera House Only One Available

CHICAGO (AP)—William Wymetal, stage director of the Chicago Opera Company, was tired after hunting for a place to live and went to the opera house and asked Technical Director Monte Fassnacht to set up the bed from "Rosenkavalier" on the stage.

"But we're not giving 'Rosenkavalier' this season," Fassnacht said.

"I know, I know," Wymetal explained, "but I can't find a bed in all Chicago to sleep in."

### Knowledge At Present Is Power In The Future MADAM DRZEE

## Rally Will Open Observance Of Civic Theatre Week Here Monday

The Midland Civic Theatre will launch its Civic Theatre Week with a rally at the new City Auditorium at 8 p. m. Monday. Announcements of the week's activities will be made at that time.

Several interesting phases of its work in regard to the war effort will be announced and discussed. Special invitation have been extended to members of other civic clubs and groups, and a large attendance is expected.

Officials of the theatre group have expressed the opinion that with the demand for good entertainment close home and the added talents of men of the Midland AAF Bombardier School to draw from, this season should prove one of the most successful in the history of the Midland Civic Theatre.

Mrs. Wilmer Stowe, director, said that London, despite the fact that it has "suffered the great blitz, has thirty theatres open to New York's twenty-two.

### Aim To Serve Armed Forces

"In our country, drama has become tremendously important as a means of entertaining our armed forces both at home and wherever our boys are located throughout the world. We want the Civic Theatre to carry on its bit of cheer and fun to our armed forces here and to our people carrying on at home. That's our aim."

For the observance of Civic Theatre Week, the organization adopted the following resolution:

"Whereas, the Midland Civic Theatre, having been organized and operated in the past for the sole objective of the furtherance of good drama and entertainment in West Texas, and the Midland Civic Theatre, being now duly aware of the conditions of our times, we do hereby reiterate our objective and further declare and adopt this resolution:

"1. Be it hereby resolved that Midland Civic Theatre, as a group collectively, and as members individually, will continue their activities and efforts diligently for the purpose of bringing good entertainment to its community and the residents thereof, and specifically men in the armed forces stationed in this area.

"2. Be it further resolved that each and every effort of the Midland Civic Theatre will be henceforth, for the duration of the emergency, directed solely toward some objective of the War Effort.

"3. Be it further resolved that the net profits of the Midland Civic Theatre, for the duration of this emergency, be invested or expended in the War Effort.

"4. Be it further resolved that the Midland Civic Theatre, as a group collectively and as members individually, stand at the service and disposal of any organization, group, agency or individual who should desire their particular services in the furtherance of any war effort."

The resolution is signed by U. A. (Continued on page 3, Section 2)

## Mayor's Proclamation

I, M. C. Ulmer, mayor of the city of Midland, by power vested in me through that office do through appreciation of the value of the fine arts upon a community designate November 1 to 7 inclusive as Civic Theatre Week.

Because of the collective interest of the community in amateur productions of drama, the wholesome interest which attaches to same, and the value such activity has on the public morale, the designation has been made with the sincere trust that Midland people subscribe to the Civic Theatre movement in such ready response that its present and future seasons may be assured.

M. C. ULMER, Mayor

## Mrs. Buffington Is Hostess To Party

Mrs. B. K. Buffington entertained students of her kindergarten with a Halloween party Friday at the school, 514 Holmesley.

The children were dressed in costumes. Games were played and an apple and picture contest was held.

Witches punch, jack-o-lantern cakes and apples were served to the following: James Barron, Barbara Inman, Marshall Chase, Sylvia Krolein, Lee Wood, Ronald Thomas, E. Neil Sutton, Carol Pitting, Margie Jean Miller, Ester Bird, Stewart Chancellor, G. D. Russell.

Carol Ann Johnson, Robert Turpin, Carla Sue Ferguson, Jean Allen, Carlton Maley, Dickie Mills, Freddie Black, Gwendolyn Campbell, Allen McCree, Dottie Lou Griffith, Virginia Lou Wilkinson, Ronald Bailey, Benjie Nysewander, Teenie Walsyom, George Ann Bennett, and Preston Butcher.

## EXECUTIVE MEETING TO BE AT SOLDIER CENTER

The City County Federation will have an executive meeting at the Soldiers Recreation Center at 2 p. m. Monday. All officers of the federation, and president and representatives of each club are to be present.

Texas is the leading grain sorghum producing state in the union.

## Within WPB Law

A STRIKING combination—and well within WPB rationing limits—are these black gabardine slacks and brilliant red gabardine trench coat modeled by Joyce Reynolds. Sleeve fullness, pockets, and other details conform to cloth-saving regulations. The belt of self fabric is finished with a wooden buckle.

## Ann Simmons Is Honored With Birthday Party

Honoring Ann Simmons, daughter of Mr. and Mrs. W. L. Simmons, on her fourth birthday, Mrs. Simmons was hostess to a party Friday at her home, 1809 West Illinois.

Mrs. Frank Stubbeman, Betty Jo Greene and Jo Ann Stanley assisted in the houseparty. Games were played and motion pictures were made of the group. Favors of balloons, horns and whistles were distributed.

The guests sang "Happy Birthday" as the honoree cut the white birthday cake. The cake, surrounded with leaf mint, formed the table centerpiece while at each end of the table pink candles burned in silver holders.

Pastel colors were carried out in party decorations. The invitation list included James Barron, Robert Stubbeman, John Redfern III, G. L. Ledebur, Mary Terry, Sylvia Parker, David Stubbeman, Sandra White, Edward Black, Mary Louise Erskine, Russell Howard, Sandra Ayeock, Lorraine Collins, Walker Bryant Ellis, Jo Ann Nelson, Rose Ann and Harriet Yearby, Butch White, Betty Jo Greene and Jimmie Nelson of Goldsmith.

Mothers present were: Mmes. Elliott Barron, J. M. White, Frank Curtis, Cecil Ayeock, J. B. Ellis, S. M. Erskine, Stubbeman and the hosts.

## Junior Red Cross Membership Drive Begins Monday

The Junior High School will begin its membership drive to enroll students in the Junior Red Cross Monday and will continue it through Saturday.

Junior High School students have placed a box in the school and anyone who has used pocket story books to be used in filling Soldiers' Kits may put them there, or if they have no way of taking them to the school, they may call Mrs. Charles Sherwood at 1060.

High School students will begin their membership drive soon. Negro and Mexican schools also are participating in the Junior Red Cross drive which begins Monday.

Mrs. E. H. Walsley will speak at 1:30 a. m. Monday over KRLH.

## Junior RA Selects New Club Name

The Junior Royal Ambassadors of the First Baptist Church voted to name the chapter the Glenn Walker Royal Ambassadors at a meeting Friday afternoon at the church.

Mrs. R. O. Walker showed the group several pictures of Capt. Glenn Walker, her son, a doctor missionary in Africa until called to duty with the Army in Africa.

Dean Cox, ambassador-in-chief, had charge of the program. Others present were: Billy Crites, Charles Sutton, Ralph Arnett, Johnnie Murray, Y. E. Brown, David Walker and Mrs. S. M. Erskine, counselor.

## WCS Circle Will Be Hostess To Silver Tea Here

The Winnie Prothro Circle of the Methodist Church will be hostess to a silver tea at the educational building of the church at 3:30 p. m. Monday.

The program will be centered around Latin America, a study which the WCS has just completed. A. M. Volbe, who for seven years was a resident of South America, will speak, and display materials which he collected while there.

## Presbyterian Auxiliary Will Have Programs

The Presbyterian Auxiliary will have a series of week of prayer and self denial programs beginning Monday at the First Presbyterian Church.

Leaders of the programs and the days on which they will take the leadership are: Mrs. Andrew Fashen, Monday; Mrs. L. G. Eyerley, Tuesday; Mrs. Richard Peters, Wednesday; Mrs. K. S. Ferguson, Thursday; and Mrs. D. M. Secor, Friday.

## Weds In South Carolina

Mrs. John Kenwood Dawson

## Miss Jane Hill And Lieut. Dawson Wed At Twilight In South Carolina

Miss Jane Hill, daughter of Mrs. M. R. Hill and the late Judge M. R. Hill, became the bride of Lieut. John Kenwood Dawson, son of the late Dr. and Mrs. John Kenwood Dawson of Denver, Colorado, Saturday evening at the Trinity Episcopal Church in Columbia, South Carolina. The Reverend Melcher performed the twilight ceremony.

## Hallowe'en Party Climaxes Contest

Climaxing a membership contest of the Intermediate department of the First Methodist Church, a Halloween party was held at the educational building Friday evening with Mrs. W. E. Chapman and Mrs. N. G. Oates, sponsors of the losing side, entertaining.

The building was decorated in Halloween colors. Games typical of Halloween were played. Hot dogs and orange punch from a black pot were served.

Mrs. L. F. Caddell is the counselor of the department. Soda pop was donated by Clint Dunagan.

Those present were: Tommy Carter, Carlton Galbraith, Kenneth Barnes, Billy Wolfe, R. A. Whitson, J. B. Terry, Richard Ferguson, R. W. Pillow, Frances Slickney, Bennie Bird, Bill Guffey, Jo Ann Stanley, Joan Chapman, Mickey McDonald, Helen Shelton, Pat Flanigan, Grace Baker, Betty Jo Green, Dorothy Wolfe, Wilma Vaughn.

Dorothy Harrison, Tommy Parks, Bebe Slaughter, Audie Merrill, Betty Chancellor, Rosemary Johnson, Billy McKee, Lina Dell Moore, Bennie Koon, Mary Nell Casselman, Sue Lunde, Jean Smith, Betty Ruth Pickering, Sneezy Rice, Maurice Bird, Jack Bryan, Jerry Green, Mr. and Mrs. Ray Gwyn and the hostesses.

## Personals

Mrs. Orland G. Huffman has returned from a visit in San Antonio.

Mrs. William G. Bell has returned from visits in Luling, Smithville and San Antonio.

Mr. and Mrs. Eugene Cecil have departed for Greenville to attend the funeral of his mother, Mrs. V. A. Jane Cecil.

Mrs. G. J. Sevier, Mrs. Joe Haygood, Miss Mary Frances Carter and Miss Virginia Stolte are visiting Jack Noyes and Joe Haygood at Texas A&M College this weekend.

J. W. Brown of Roswell, New Mexico, is a visitor in Midland.

Bob Cannon, San Angelo oil operator, visited in Midland Friday.

Marion Flynt Sr., Misses Otellia Flynt and Panice Pope are spending the weekend at College Station, where they will visit Marion Flynt Jr., a student at Texas A&M college.

Mrs. E. R. Bryan of Mineral Wells is visiting Mr. and Mrs. Frank Ingham.

Miss Maggie McCormick of Mineral Wells is in Midland visiting relatives.

James D. B. Wheeler, Julia Hedges, Ward, Jewel Boyett, Reavens, Ben Biggs and Ramsey.

## Mrs. Walter Wingo Entertains With Hallowe'en Party

Mrs. Walter Wingo entertained the Junior BTU of the Calvary Baptist Church with a Halloween party Friday afternoon at her home at 607 South Loraine.

The home was decorated with black and orange paper with jack-o-lantern lights. Games were played and ghost stories were told.

Apples and popcorn balls were served to Roy Wayne Frazier, Don Blazel, Jack Hightower, Doris Nell Hightower, T. A. Devore, Doris Williams, Mozelle Ray, Joy Webb, Meadees Burtis, Reba Bishop, Glendene Hudson, Katherine Morrow, Wanda Smith, Robert Lee Forbess, Delbert Shelburne, Don Frazier, Jackie Roy Stone, Bert Scrivner, Kathleen Harwell and Laverne Wingo.

## Stitch And Chatter Club Reorganizes

The Stitch and Chatter Club met at the home of Mrs. Charles Ward, 1203 North Big Spring, Thursday for its second meeting since reorganization, October 22.

Officers were elected at the first meeting and they included: Mrs. Julia Hedges, president; Mrs. Forest Reavens, vice president; Mrs. Charles Ward, secretary and treasurer; and Mrs. Claude Ramsey, reporter.

Members made a quilt for Mrs. Ward.

Attending the meeting were Mes-

## Mrs. Griffith Is Hostess To Escondida Club

The Escondida Club met Friday afternoon at the home of Mrs. D. H. Griffith, 701 North Mariefield, for its Halloween party.

Mrs. Harry Adams won high score and Mrs. Butler Hurley won bingo. White and yellow chrysanthemums decorated the room. The Halloween theme was used in the tables and refreshment plate.

Mrs. Ralph Crays was a guest. Members present included: Mmes. J. L. Greene, E. C. Hitchcock, Hurley, S. S. Stinson, O. L. Wood and Adams and the hostess.

## Belmont Bible Class Meets At Church

Mrs. W. G. Attaway taught the lesson of the Belmont Bible Class at its meeting Friday afternoon at the First Baptist Church.

Those attending included: Mmes. Fannie Barrett, W. P. Collins, R. Chanslor, W. M. Craft, H. Skipper, A. B. Stickney, Maud Newham, B. M. Hays, Gladys Holster, and Bertie Sexton.

"Because of the collective interest of the community . . . the value of such activity has on the Public Morale . . . trust that Midland people subscribe to the Civic Theatre. . ."

From the proclamation issued by M. C. ULMER, Mayor of Midland

## Seven Seniors Are New Members Of NHS

Thelma Jo Brown, Elaine Hedrick, Janice Pope, Martha Jane Preston, Nell Shattuck, Virginia Olte, and Patsy Tull are new members of the Midland branch of the National Honor Society. Members were called on by the assembly Friday by Principal Frank Onroe, and announcement was made of their selection. The seven students had an average of 85 or over, and after grades were compared, their character, service, and leadership were voted on by the school faculty. They were required to have attended Midland High school the preceding year. The new members will be initiated November 15.

### Who's Who-Sue

Hard ridin' and ropin' Sue La Force plans to plant some of her vivacious nature into a softer seat when graduation from Stephens College is over. Blue-eyed Sue wants to sing with a swing orchestra. Leading up to this fame, she is singing soprano in the M. H. S. trio and "her soprano is hard to beat," Mrs. De Lo Douglas said. A strange combination is Sue's pet aversion—egg-plants and cats. Mechanical drawing is her favorite subject. When asked about her pastime, Sue just said, "Oh, I just love to dance."

### Douglas Leads Whole Assembly In Singing

The assembly program Wednesday included singing by the entire student body. The opening song was the "Star Spangled Banner," as pledge to the flag was led by Mrs. De Lo Douglas. Other songs were "Kentucky Babe," "The Spirit of the Air Corps," "Merry Life," and "Praise the Lord and Pass the Munion."

## Midland High Clubs Meet

The Press Club, under the sponsorship of Miss Ruth Carden elected officers Thursday: afternoon during club period. Officers elected were Nell Shattuck, president; Kenneth Barnes secretary; Howard Girdley, treasurer. Suggestions were made by members of the club on plans for the year. It was decided to have a personality column for "The Bulldog." Also the club plans to learn how to write leads and headlines.

"A Girl's Creed" was the main topic of discussion in the meeting of the Homemakers Club. The girls sang their club song, "Sing Your Way Home," and discussed plans for club parties.

Billy Howze was elected program chairman of the Dramatics Club. After a short business session, Stephen Briggs, sponsor presented an outline of possible choices of work for the club. Acting, radio, verse speaking, and stage work were suggested.

Marcel McClure gave an illustrated talk on her trip to Mexico at the meeting of the Spanish club. She gave sketches of Mexico City, Taxco, and Acapulco.

## Music Corner

The Midland High School band will make the last trip for the duration to the game between Lamesa and Midland, November 11. Cars are needed and the band requests that anyone going will try to take some band members.

The school has bought a tenor saxophone for the band. New selections for the next victory concert are being practiced.

**Singing Band Organized**

The orchestra members have been selected, with the exception of two players. The players chosen and instruments to be used are: Frank Troseth and Betty Chandler, saxophones; Jerry Jordan, Glenna Graham, and Barbara Brown, baritone; Charles Frank Penny, Mertz, and Bobby Stallworth, brass section; James Kerr, Charles Sherwood, Van Cummings, trombone; Charles Reacher, bass horn, and Bob Spencer, drums. Additional members for the saxophone section and for the baritone section will be selected.

Mary Fern Bray, who recently moved here from Tyler, will be the accompanist for the orchestra.

**Utey Announces Rules**

Following are a few of the new rules of the year for all band and drill squad members:

1. Do not talk or play while directed in on podium.
2. When in drill practice do not talk or play when whistle for attention sounds. Stand erect and alert.
3. Do not give advice to other players. If they or you are in doubt, see your director.
4. Practice on your horn at least 45 minutes daily. If your playing doesn't meet requirements of sight reading and technique by mid-term, you will be dropped from band roster.
5. Impertinence or rudeness in class also reflects on yourself and your parents. Do not cause your teachers or classmates to be ashamed to have you in their organization.
6. All students must have passes to come to the band hall for practice.

**Mrs. Osborn Makes War Talk To P.T.A.**

Mrs. E. R. Osborn spoke on "A Wartime Message to Parents," at the High School P.T.A. meeting last Tuesday.

Mrs. H. G. Bedford reported the P.T.A. membership of 144.

Plans were completed for Principal Frank Monroe will attend the state convention in Galveston Nov. 16-17. Mrs. Byerley is state vice-president and Mr. Monroe is state chairman of the recreation committee.

**Personal**

Miss Iva Butler spent last weekend in Alpine, visiting Mr. and Mrs. Knorr Reid.

Steven Briggs is spending the weekend at his home in Abilene. He attended the Midland-Abilene football game.

Maurice Bird suffered a fractured elbow while playing freshman football Thursday afternoon against Junior High School.

Miss Ethel Harkins and Miss Pauline Ballew are spending the weekend in Sweetwater with their families.

Louise Edwards enrolled in school last Monday. She is a senior and came from Palm Springs, Calif.

Phyllis Chancellor returned to school Friday after several days illness.

Billie Brown was absent from school last week because of an accident.

A. P. Baker is spending this weekend in Lamesa.

Miss Edna Dudgeon spent last weekend in Tahoka, visiting her mother, Mrs. Edith Dudgeon.

Shirley Culbertson played in the golf tournament in Odessa Tuesday.

Mrs. Brunson substituted last week for Miss Mildred Fussell, who has taken a position in Washington.

Virginia Stolte and Mary Frances Carter are visiting Jack Noyes and Ben Sevier at A&M this weekend. They were accompanied by Mrs. Haygood and Mrs. Sevier.

Betty Jo Greene attended the Rice-Texas game in Houston last weekend.

**Sub-Deb Club Meets With Otella Flynt**

The Sub-Deb Club met at the home of Otella Flynt October 28. Plans for the constitution were discussed. Janice Pope, president, presided. Marion Flynt, Sr., was a guest.

Cakes and cookies were served to the following members: Eva Barton, Janice Pope, Gina Stolte, Margaret Mims, Belva Jo Knight, Sue La Force, Patsy Warren, Mary Fern Bray, Elsie Schlosser, Patsy Butcher, Wanda Jean Girdley, Jo Ray Murray Elaine Hedrick, and the hostess.

## Brown, Preston, Brunson, Palmer Are Nominated Sweethearts By Midland Future Farmer Chapter

The Future Farmer sweethearts race, one of the F. F. A. boys' most important events of the year, now is in progress. Boys of the F. F. A. nominated the girls last Friday. To nominate a girl a fee of 25 cents was paid. Each vote costs a cent. Anyone in school may buy as many votes as he wishes, but the vote has to be bought through an F. F. A. student.

The following girls were nominated: Thelma Jo Brown, Frances Palmer, Doris Preston, and Nellie Elkin Brunson.

Harlan Howell said the winner will be announced November 6.

## Here And There On The Campus

Midland High has a very prominent person in school but didn't know it until an extra of the Hollywood News was discovered with big headlines reading as follows: **HOLLYWOOD GREETED HENRY F. SCOTT** "Wake up and live! When did all this happen?"

In Dramatic Club meeting Thursday Principal Monroe kept coming in and out, asking if he had been elected for secretary or some office, and Steve Briggs laughingly said, "No, we're going to make you dictator!"

## Exchange Column

**Staff and Things**

The sofa sagged in the middle. The shades were pulled just so. The family had retired. The evening lamp burning low; There came a sound from the sofa. The clock was striking one. The sophomore slammed his textbook: "By gosh, my home work's done."

**Nut:** "If one whim is a 'whim' what would you call a lot of them?"  
**Cracker:** "Whimem."

- Ten Ways to Get an "F"**
1. Always make sure you keep still until the teacher looks your way, then talk as loud as possible, thus arousing the attention of the whole class.
  2. Always turn in poor papers and when possible don't hand in anything.
  3. Always laugh loudly when an embarrassing situation occurs.
  4. Be sure you stare out the window when she's trying to put over a difficult point.
  5. When called upon to answer a question be sure you don't answer until the teacher calls on you for the fourth time. Then say, "How should I know?"
  6. Always bring your favorite book to class and read the entire period.
  7. Come late to class whenever possible and refuse to make out a tardy slip, protesting that you didn't hear the bell ring.
  8. Always clean out your notebook and tear up the paper into tiny bits and then throw them on the floor so the teacher can pick them up in leisure time.
  9. Be sure you borrow paper from the teacher to draw characters on, then show it to all the students around you. (Don't forget to sharpen your pencil at least five times during class.)
  10. And last but not least ALWAYS sit in front of the teacher and crack your gum. When she looks at you, turn around and look as though it were someone else.
- Chico High School, Chico, California.

**"Tam O'Shanter" Is Presented In Assembly**

"Tam O'Shanter," a poem by Robert Burns, was dramatized in assembly Friday by the dramatics class.

The dramatization started with a Halloween party at Glenn Murray's house, and while playing games the party decided to dramatize "Tam O'Shanter."

Glenn Murray was the reader, Douglas McClure, Tam O'Shanter; Faye Doris Douglas, Kate; Jim Hazelwood, bartender; Jo Ann Blair, bartender's wife; Ann Ulmer, ghost; Cecilia Long, witch; Shirley Culbertson, witch; J. S. Patton, Tam's friend; Jerry Jordan, devil; and Carlton Galbraith, ghost.

**Future Farmers To Enter Seed Contest**

The Texas Seed Dealers Association is sponsoring a theme writing contest for the Future Farmers of America chapters of Texas.

Boys entering from the Midland chapter are J. P. Rankin, Kelly Jewell, R. C. Vest, and Conway Reese.

**Food Classes Study Making Of Cheese**

The cooking of cheese was the chief study of the third year foods class last week. Miss Alpha Lynn demonstrated cheese making.

The first year class studied beef in the laboratory, and the second year class studied various salads.

**TO FOREIGN LANDS VIA PHOTOGRAPH!**

All Christmas gifts for the boys overseas must be mailed by Nov. 1st. Christmas will be even lonelier. Gladden his heart by sending a photograph that is really YOU. Let our experienced photographers do the job today so he will receive it by Christmas.

## Hanks Heads List For Column Inches First Six Weeks

"That's my story!" "This is along my best this week!" "Oh, you already have two stories, let me have this one." No—this isn't a scene from the bustling atmosphere of the "New York Times" or a scene from "The Spectator"—it's just an ordinary occurrence in room 304 when Miss Ruth Carden begins making "Bulldog" assignments. Each week there is always a tough struggle with these journalistic minded reporters and sub-sisters to compete for column inches.

As yet Kathryn Hanks is in the lead with 42-inches for the last six weeks and trailing close behind are Billie Walker with 39 1/4, Martha Preston, 38, and Norma Sice, 34 1/2. Next time you hear one of these say: "Know any news"—give them a break. Every inch counts up.

## Bulldog's Kennel

Leading the Bulldogs in scoring so far this year are Ivan Hall, wubbug, and Jimmie Watson, end, with 12 points each. Next are Billy Richards, fullback, with 6 points, and Charlie Kelly, end, with three points for conversions to his credit.

Contrary to custom, the team this year shies away from pun, supertion or back charms with the exception of Bill Richards, who firmly believes that whistling in the locker room before a game is a certain invitation to disaster. He is convinced of this because Mart High School, where he formerly was a student, lost a district championship game after a burst of whistling in the locker room before the game.

The boys have been writing letters and sending gifts to Marshal Whitmore. Marshal, unable to write, has dictated answers to his mother.

Freshman line-up was: Bill Rice, LE; Morris Howell, LT; Clark Bryant, LG; Fritz Schottlander, C; Bill Rayburn, RG; Burton, RT; Jack Kidwell, RE; George Woody, Maurice Bird, John Larsh, and Jimmy Edwards, backs. Jimmy Edwards was outstanding in gains made by running.

Robert "Moosie" Wheeler, ex-captain of the Bulldog team, has been giving the first string boys some good impersonations of their opponents-to-be. The week before the Big Spring game, he played as Stewart, 215 pound back, for the Steers, and last week ran the position of the Abilene quarterback, E. G. Foster, has also played in scrimmage in past week.

Next Friday, the Freshmen and the Junior High teams will tangle under the lights. Admission for this game will be ten cents.

**Utey Owns One Of Oldest Violins**

Ralph Utey has a violin that he obtained from a World War veteran, who got it during the American drive in France in 1918 when he and some of his fellow soldiers went into an old German block house which had once been a chateau.

In the cellar, they found four violins on the wall and the soldier brought them back to America with him. In 1932 his home burned and his last chance to obtain food and clothing was to sell his violins. He brought them to Utey and gave him his choice. Utey said he chose the one that looked the most valuable and the only one lacking in beautiful fancy engraving.

He played it about three years when it developed thin vibration and was sent to Fort Worth for repairs. The repair man declared the inside of it had been eaten out by termites. He also recognized it as an original Amati which was made in 1692.

The Amatis were the teachers of the Stradivarius family. There are only two Amati violins now in the world. One is an exhibit piece of a wealthy broker in New York and the other belongs to Nathan Milsten, a concert violinist. Utey is still playing the third. He has this valuable violin insured for \$5,000.

He has a horn that is also valuable. It is a French Selmer comet and was among the last shipment of horns sent before the German invasion.

## Briggs Chooses Two Casts To Compete For Junior Play

Preliminary try outs for the junior play, "The Light Brigade" were held last week. From the twenty-eight juniors Steven Briggs chose two groups, from which he will select the final cast the first of the week.

Members of the cast are: Burvin Hines, Penny Mertz, Bill Elkin, Calvin Campbell, H. G. Bedford, Max Allen, Fred Wemple, William McReynolds, Ann Vannaman, Mary Fern Bray, Nellie Elkin Brunson, Wanda Jean Girdley, Jean Ann Preskitt, Billie Marie Benedict, Louise Edwards, Dick Banks, Theresa Jane Stringer and Patsy Warren, James Mertz, Billy Howze, Jo Ann Stokes, Doris Micksey, Freda Lou Truelove.

Billy Howze was chosen assistant director by Briggs, and others volunteering to do work are: make-up, Priscilla Pesssey; publicity, Dick Banks; property, Jo Ann Basley; director, Carrett Arnett.

## Film Projector And Film Ordered For Aeronautics Class

The aviation class of Midland High School has ordered a new strip film projector and a kit of films to use in its study.

The class will take one period a week for studying the films, and anyone interested may attend. Miss Mattabel Downing announced.

The aviation class is now studying four cycle combustion type engines.

## Utey Owns One Of Oldest Violins

Ralph Utey has a violin that he obtained from a World War veteran, who got it during the American drive in France in 1918 when he and some of his fellow soldiers went into an old German block house which had once been a chateau.

In the cellar, they found four violins on the wall and the soldier brought them back to America with him. In 1932 his home burned and his last chance to obtain food and clothing was to sell his violins. He brought them to Utey and gave him his choice. Utey said he chose the one that looked the most valuable and the only one lacking in beautiful fancy engraving.

He played it about three years when it developed thin vibration and was sent to Fort Worth for repairs. The repair man declared the inside of it had been eaten out by termites. He also recognized it as an original Amati which was made in 1692.

The Amatis were the teachers of the Stradivarius family. There are only two Amati violins now in the world. He has this valuable violin insured for \$5,000.

He has a horn that is also valuable. It is a French Selmer comet and was among the last shipment of horns sent before the German invasion.

## Hunt To Drill Ordovician Test In Otero On Turner And McMillen Land

HOBBS, N. M.—Hunt Oil Company of Dallas has awarded contract to Helmerich & Payne, Inc. of Tulsa to drill a 5,000-foot Ordovician wildcat test in extreme Southern Otero County, in the Southeast New Mexico sector of the Permian Basin.

Derrick now is being built for the test, which will be drilled with cable tools in the southeast quarter of section 5-26S-16E. It will be known as Hunt No. 1. McMillen & Turner, The Dallas firm leased from J. W. McMillen and Fred Turner, Jr., both of Midland, 15,000 acres chose two groups, from which he will select the final cast the first of the week.

Members of the cast are: Burvin Hines, Penny Mertz, Bill Elkin, Calvin Campbell, H. G. Bedford, Max Allen, Fred Wemple, William McReynolds, Ann Vannaman, Mary Fern Bray, Nellie Elkin Brunson, Wanda Jean Girdley, Jean Ann Preskitt, Billie Marie Benedict, Louise Edwards, Dick Banks, Theresa Jane Stringer and Patsy Warren, James Mertz, Billy Howze, Jo Ann Stokes, Doris Micksey, Freda Lou Truelove.

Billy Howze was chosen assistant director by Briggs, and others volunteering to do work are: make-up, Priscilla Pesssey; publicity, Dick Banks; property, Jo Ann Basley; director, Carrett Arnett.

He has a horn that is also valuable. It is a French Selmer comet and was among the last shipment of horns sent before the German invasion.

oil per day upon completion at 3,716 feet in time. It topped pay at 3,570 feet and was shot from that point to 3,704 feet with 490 quarts.

**Two More For Square Lake**

Sanders Brothers of Artesia completed two new producers in the Square Lake pool of Eddy County. No. 10 Evans, section 33-16S-30E, gauged daily flow of 75 barrels through open 2-inch tubing set at 2,900 feet. It topped pay at 2,927 feet, drilled to 2,961 feet in time and was shot with 160 quarts from 2,875 to 2,957 feet.

The firm's No. 11 Evans, in the same section, responded to a 220-shot from 2,891 to 2,954 feet by flowing 65 barrels of oil per day through open 2-inch tubing swung at 2,900 feet. Main pay was entered at 2,926 feet and hole is bottomed at 2,960 feet in time.

Three miles north of the Square Lake pool, Premier Petroleum Corporation No. 1 Mrs. Laura C. Stablin, wildcat in section 15-16S-30E, is drilling below 2,782 feet in time. It logged a slight showing of oil from 2,425 to 2,442 feet and a showing of gas at 2,457 feet.

## Superintendent Heath Will Address P.T.A.

Superintendent George A. Heath will speak on "Education, Bed-Rock of Democracy" at the meeting of the Junior High School Parent Teacher Association in the music room at the school at 4 p. m. Tuesday.

**LOU NEIL HUDMAN WILL SING AT CONVENTION**

Miss Lou Neil Hudman, 1942 graduate of Midland High School, who is a member of the Marshall College Octette will sing at the Baptist Student Convention in Dallas this weekend. She is the daughter of Mr. and Mrs. J. C. Hudman.

There are known to exist under the surface of Texas some sixty or seventy-five minerals that are of commercial value.

### FOR YOUR SECURITY

### A HOUSE IN ORDER

When personal budgets don't balance, there results a telling setback to future financial plans. Just as you must keep your house in order, so must the bank that you may live and work free from economic worries. It is the same principle on a slightly larger scale.

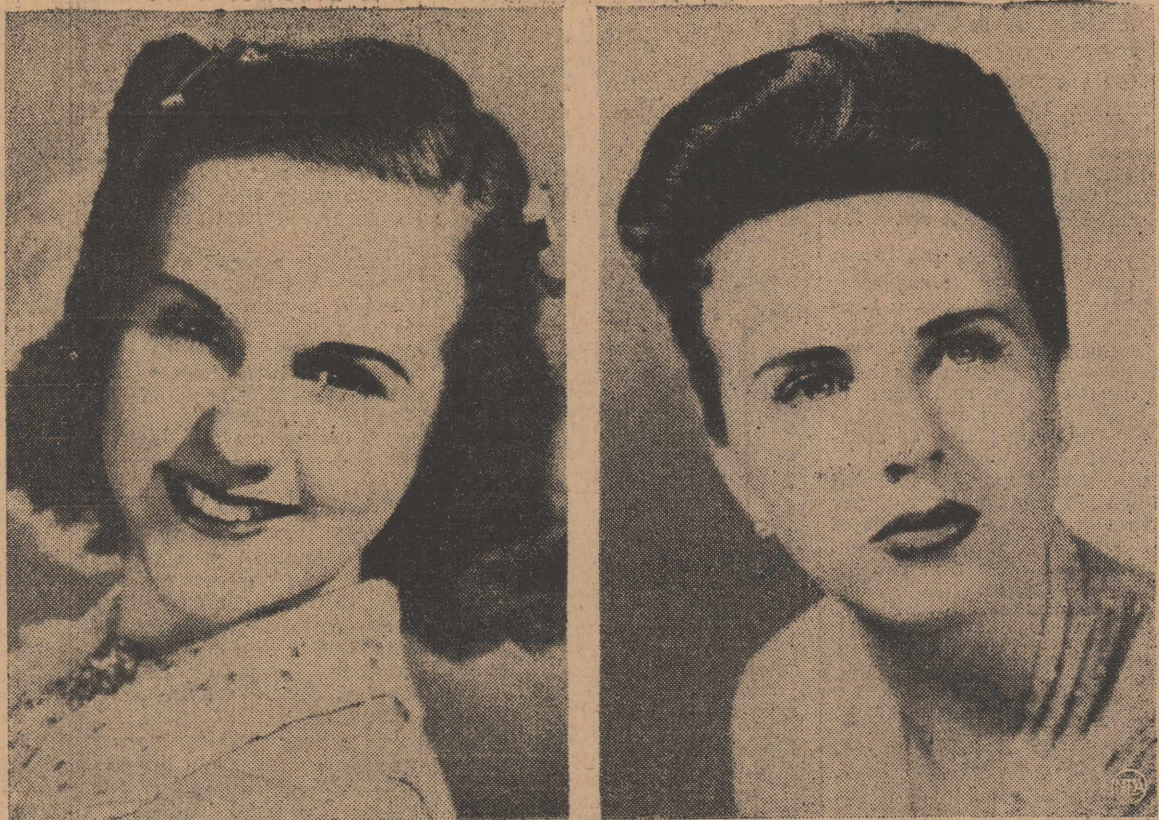

We at The First National Bank realize that this nation faces severe post-war readjustments. For that reason we re-affirm our pledge of a house in order: Maintenance of the quality of our assets, protection of our resources and the practice of our doctrine to work and save for creation of that FINANCIAL RESERVE POWER, essential for carrying on.

## MIND Your MANNERS

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. Is it more important in wartime than in ordinary times for people to be cheerful?
2. If you are in doubt about the pronunciation of a word, should you look it up and make sure how it should be pronounced?
3. Should one borrow as few things as possible?
4. Is it good manners to ask questions when the answers are obvious, like "What are you doing, washing your car?" to a man who is obviously washing his car?
5. Is it usually a good idea to tell a joke at the expense of someone present?

- What would you do if—
- (a) Try to get him to advise you legally when you see him socially?
  - (b) Go to his office if you want legal advice—and expect to pay him for it?
- Answers**
1. Yes.
  2. Yes.
  3. Yes. The person who is forever borrowing is a nuisance.
  4. No.
  5. No.
- Better "What Would You Do" solution—(b).

### Miss Betty Bleiker And Pvt. Thornton Are Wed In Stanton

Miss Betty Bleiker, daughter of Mrs. C. A. Bleiker, and Pvt. Homer K. Thornton, son of Mr. and Mrs. B. J. Thornton of Palestine, Texas, were married Saturday evening at the parsonage of the Church of Christ at Stanton. The Rev. Bill Gipson read the marriage lines.

Mrs. Bleiker and Corporal F. E. Bowman were the attendants. The bride wore a blue dress with black accessories.

The bridegroom is stationed at the Midland AAF Bombarrier School. The couple will reside in Midland.

### Needlecraft Club Meets With Mrs. Dunagan

Embroidering, crocheting and other needle work were the feature entertainments of the Needlecraft Club at its meeting Thursday at the home of Mrs. John Dunagan, 1904 West Wall.

Refreshments were served to Mrs. Howard Palmer, a guest, and to Mrs. Harry Watson, B. C. Girdley, Addison Wadley, George Phillips, and the hostess.

at 4 p. m. at the educational building of the First Baptist Church.

**SATURDAY**  
The Treble Clef Club will meet at 1 o'clock at the Watson School of Music.

Midland County Museum will be open from 2:30 until 5 o'clock.

The Robyn Music Club will meet at 10 o'clock at the Watson School of Music.

## YOU'LL BE SURPRISED

Yes, and delighted with the delicious foods we are serving. If you haven't tried the Cactus recently do so the next time you want a really good meal.

## MAFS---Prop Wash

If there has ever been any doubt that the AAF Bombarrier School at Midland is the world's largest bombarrier college, it can now be erased forever. The hordes have been descending for days now, and in fields where once mesquite and sandbars flourished in native glory, there are now ranks of recruits staggering about dizzily trying to make "To the Rear—March" look like something other than a stampede of buffaloes.

Usually unreliable sources are quoted as saying that every other man on the field is now either from New York or New Jersey, with the rest being from Odessa and Midland, thanks to the recent aviation-mechanic recruiting drive. At night after the G. I. movies the P. X.—this post's Waldorf-Astoria—looks like election night on Times Square and with bunks getting shoved closer and closer together in the barracks, there is one rumor current that from now on all incoming recruits are going to be suspended from the ceiling in bunches—like bananas.

This coming week will see the official recognition of the winter season as screen doors and window screens come down off the barracks and everybody switches into O. D.'s. It won't be long now before the post will be sleeping in its long underwear—and liking it, too.

**83rd Base Hq. and Air Base Sqd.**  
What with one thing and another, your correspondent is only now getting around to reporting the latest wedding in the 83rd Supply Room. Following the good example set for him by Staff Sgt. William S. Eubanks and Staff Sgt. John J. Herbert, Sgt. John A. Weislo went on furlough a few weeks ago to Augusta, Ga., where he preceeded to lead Miss Dorothy Ann Lemon, daughter of Dr. and Mrs. Cecil S. Lemon, up to the altar. Sgt. Weislo, the son of Mrs. Mary Weislo, hails from Lackawanna, N. Y. His bride is remaining in Augusta temporarily, but it is expected she will come to West Texas about Christmas.

Returned from furloughs this last week were Sgt. Charles L. Harper, Pfc. W. T. Abbott, Pfc. John P. Kirby, and Pvt. Arthur V. Banzata and Thomas J. Turner. Outward bound this coming week will be Staff Sgt. James H. Shaw, Sgts. Dwight V. Allen, Dennis C. Cochran, Thomas R. Moses and Edward H. Williams (and it is rumored that Sgt. Williams is contemplating matrimony during his vacation). Other furlough departures this week will be those of Cpls. Lee R. DeLacey and Paul S. Sizelove. Pfc's. John A. Arnoski, Ernest J. Cronkrite, Edward A. Hubbard, Durwood O. Pierce, and William P. Ratterman, and Pvt's. Elmer G. Blevins and Courten E. Gallagher.

Sunday night the 83rd's bowling teams will take on the 491st's men at the post's bowling alleys. The time is 7 p. m. and Cpl. Ed Szymanski is issuing a call for public-spirited hecklers who will jeer suitably at the opposition and cheer on the home team.

**490th School Squadron**  
Colonel Edmund J. Szmania has been passing out cigars around the squadron for the last few days, and wearing a grin that spreads from ear to ear—yep, he's the proud papa of a baby boy.

Sergeant Ward Hines and Corporal Henry Woolley have returned from ten-day furloughs. Cpl. Woolley took one look down the rows of bunks in the barracks and mumbled something that sounded like, "Home was never like this." Or words to that effect.

Looking forward to ten days of home cookin' is Sergeant Robert Morgan, Private Robert Winson and Private Alexander Roska, who are slated for furloughs this week.

Mess Hall No. 1 was reopened this morning, and the men of the squadron are powerfully happy. Not having to walk a half-mile for breakfast these cool—on second thought, darn cold—mornings is practically having it served in bed. But not quite.

**491st School Squadron**  
New Jersey's invasion of West Texas is keeping right on schedule. Among recent arrivals is Mrs. Douglas Rogers, wife of the 491st's Pfc. Rogers. Meanwhile Cpl. John Hryniewicz's girl friends has come down for a visit, according to our scouts, who aren't the best news-hounds in the world, for they failed to get the young lady's name.

## CACTUS CAFE

Under Management of J. H. Wallace

thenics now under the belts of all men in this squadron, complaints are seldom heard—that is from the exercises themselves, but from the sports activities that go along with the exercises. Pfc. Dickerman says that we'll have more casualties from the six-man touch football that the boys on the "line" play each morning, than from the war. Some spectacular plays have been made here in the last few weeks and T.C.U. or Texas A. & M. should snap them up. For instance, Pfc. Belyea passed a ball so high the other day that a low flying plane almost "spun in" to avoid hitting what the pilot must have thought was a camouflaged blimp. World's champion fumbler is Cpl. (catch-me-not) Colvin. But when T/Sgt. Kyle Holloman starts to run with the pigskin, it takes two M3 tanks, five "G.I." trucks and a jeep to stop him. But nobody complains anymore, it doesn't do any good anyway.

Each day new faces are seen around this squadron. "Old timers" hear the familiar strains of "To the Rear, MARCH" or "By the left flank MARCH" as more and more recruits receive their basic military training prior to their going to work "down on the line." This squadron is now represented by all

### James McHargue Will Start Cadet Training

James McHargue, son of Mr. and Mrs. Paul McHargue, will leave Tuesday for Kelly Field to enter aviation cadet training. He attended Midland High School and graduated from Schreiner Institute at Kerrville, Texas, where he was an officer in the cadet corps. He also graduated from the primary Civil Aeronautics Flying School at Kerrville.

48 states, most of the men answering the Air Forces recruiting drive. One particular crew chief was called down the other day for having a dirty airplane, but he merely replied "I'm waiting for the recruits to come to work so I'll have some wiping for them." (Incidentally his plane was cleaned about an hour later, and there were no recruits within five blocks all day.)

FLASH! Cpl. James Beardman and Pvt. Richard Farley just returned from furloughs UNMARRIED! It's a phenomenon—first case since Pearl Harbor.

Mrs. W. P. Smith is spending the weekend in Big Spring visiting her daughter.
