

British Army Attacks Reds Slaughtering 140,000 Germans

Russians Open New Campaign When Nazis Refuse To Surrender

By Richard McMurray
Associated Press War Editor

The Russians announced Saturday night the slaughter of more than 140,000 Germans trapped before Stalingrad and said their liquidation "is drawing to a close," and told of yet another offensive south of Voronezh in which 32,000 enemy troops were killed and captured in gains ranging up to 56 miles.

Only 70,000 to 80,000 Germans and Rumanians survived of the 22 divisions of 220,000 men enclosed in the narrowing steel ring west of Stalingrad since Nov. 23, a special communique said. The Germans rejected an ultimatum to surrender despite mounting deaths from starvation, disease, freezing and ceaseless air and artillery bombardment, the Russians said.

The new Voronezh offensive was declared to have overrun 600 towns and villages, including the important railway junction of Rossosh, 90 miles south of Voronezh on the Moscow-Rostov railway. Nine enemy divisions, including six Hungarian, were declared in rout in the new drive now three days old.

New Threat To Rostov

Further to the southwest, the older offensive had driven to the east bank of the Donets River on a 25-mile front posing a grave new threat to Rostov, key city of German defenses in all South Russia, 80 miles to the south. Other troops on the Lower Don were but 60 miles from Rostov, while some in the North Caucasus were but 89 miles away. Thus the Red Army was forging a steel crescent around the great communications hub at the mouth of the Don River.

The Russians declared the surviving enemy remnants before Stalingrad were in a "catastrophic situation," a statement verified by the Germans themselves. The Berlin communique said the Russians were attacking from all sides.

Destroy 600 Big Planes

Three tank, three motorized, one cavalry and 15 infantry divisions were in the Stalingrad net and these were being reduced by the hour. More than 600 transport (Continued on Page 6)

Pay-As-You-Go Income Tax Plan May Be Expedited

By Francis M. Le May
WASHINGTON—(AP)—Members of the House ways and means committee Saturday considered a plan to push through a pay-as-you-go income tax act by March 15 by separating this feature from other tax legislation and limiting hearings on the subject.

Rep. Knutson (R-Minn.) of the committee said he believed it would divorce pay-as-you-go consideration from the general tax problem in the interest of speed. He expressed the opinion that the 25 committee members were agreed unanimously that "we must have a pay-as-you-go system," although he emphasized there was no agreement as to what form it should take.

Wants Hearings Limited

Another member, Rep. Disney (D-Okla.) commented, "I think we should deal with the pay-as-you-go problem separately, put a time limit on hearings and put payments on a current basis by March 15, if you (Continued on page 6)

Red Cross Leader

The appointment of A. N. Hendrickson, oil company executive, as chairman of the Midland County Red Cross War Fund Campaign for 1943 was announced Saturday by W. I. Pratt, chairman of the Midland County Chapter of the Red Cross.

Hendrickson, a resident of Midland since 1926, is president of the Landreth Company. He has been with the concern 20 years.

Pratt also announced the appointment of Bill Collyns as publicity chairman.

The campaign will be held early in March and will be combined with the annual Red Cross Roll Call. Midland's quota has not been set.

Phillips Gets Big Embar Well; Shell Continues Testing

By Frank Gardner
Oil Editor

Completion by Phillips Petroleum Company of another large producer in the Embar-Ellenburger pool of Southern Andrews County; continued testing of Shell Oil Company's deep Permian discovery in the Russell area of Northwestern Gaines County, and advanced progress in a group of widely scattered wildcats were among West Texas developments Saturday.

Latest reports, by counties:

Andrews County

Phillips No. 33 University-Andrews, one-quarter mile south and east of production in the Embar-Ellenburger pool, was completed for initial yield of 438 barrels of oil in six hours, flowing through 1-2-inch choke on 2-inch tubing. It topped the Ellenburger, lower Ordovician at 7,225 feet, drilled to 7,957 feet in dolomite and is producing through perforations in 5 1/2-inch casing. Casing first was perforated with 40 holes from 7,913-23 feet, then with 118 holes from 7,875 to 7,965 feet. The well was acidized with 500 gallons.

DeKalk Agricultural Association, Inc., of Lubbock No. 1 A. C. Means estate wildcat, several miles southwest of the Means pool in Northern Andrews County is drilling below 3,500 feet in anhydrite.

Texas Pacific Coal & Oil Company No. 2 Emily M. Jackson et al, south offset to east-side production in the Fullerton deep Permian (Continued on page 3)

Kelly Field Now Is Part of Duncan Field

SAN ANTONIO—(AP)—Kelly Field has been absorbed by Duncan Field and the combination hereafter will be known as the San Antonio Air Depot.

Officials said Saturday that the merger effected the largest hangar lines and the largest repair depot in the United States.

All flight training will come to an end at Kelly and all mechanical and repair facilities will be taken over by Duncan Field.

The instructor's school, at present Kelly Field, will be shifted to Randolph Field.

The San Antonio aviation cadet center, adjacent to Kelly Field, will not be affected by the order.

Weather

WEST TEXAS—Windy and colder.

Federal Oil Order Hits Texas Plea

AUSTIN—(AP)—The railroad commission suffered a major setback this week in its battle to maintain above-ground crude stocks and to stimulate exploration for new reserves to insure petroleum for expanding military operations.

Ignoring requests by the commission for substantially increased allowables beginning in February to avert a possible shortage of crude products for mid-summer or early fall, the federal petroleum administration certified a February allowable of 1,452,000 barrels daily.

Though firm purchaser nominations of 1,621,374 barrels daily or nearly 200,000 barrels daily above the federal figure for January were submitted at the statewide production hearing Friday at Dallas, the federal recommendation was only 25,200 barrels above the January figure.

For the last week in which all the state's 99,900 wells were flowing 1,499,000 barrels daily were produced.

Directives of Petroleum Administrator Teles are incorporated as the Texas allowable schedule under a new policy inaugurated by the commission.

That an appeal from the February certification will be made was indicated by Commissioners Olin Culbertson, Ernest O. Thompson and Beauford H. Jester after the Dallas hearing.

Inauguration Ceremony Will Be Brief Tuesday

AUSTIN—(AP)—There'll be no dancing in the streets, come-and-get-it barbecues or receptions in connection with the inauguration Tuesday of Governor Coke R. Stevenson and Lieut.-Gov. John Lee Smith.

A 30-minute ceremony in the house chamber before a joint session of the legislature and those citizens who can squeeze in will complete the installation of the two officials.

It will be a sharp contrast with events of two years ago when thousands ate buffalo meat, sprawled on the lawn of the governor's mansion and danced into the night to the whine of guitars and thump of bull fiddles celebrating the inauguration of W. Lee O'Daniel as governor and Stevenson as lieutenant governor.

War has changed all that.

Control on Feed Prices

WASHINGTON—(AP)—The Office of Price Administration placed price controls Saturday for the first time on mixed feeds used for poultry and livestock.

The new price ceilings, effective January 22, provide formulas for determining next month's prices at either the manufacturing, wholesale or retail level. The retail ceiling will be \$7.50 per ton above list prices.

Cold Wave Hits Texas Panhandle

A cold wave, trailing the heels of a blue norther, swept down through Texas Saturday, bringing the prospect of bitter temperatures to many parts of the state.

Throughout North Texas the cold wave left swiftly dropping temperatures as it headed southward to the coast.

In West Texas at Abilene the mercury dropped to 40, and the weatherman there predicted a low mark of 14 to 20 degrees.

Freezing temperatures all day Sunday were predicted at Fort Worth as the temperature dropped from 77 degrees at noon to 37 shortly before 11 p. m.

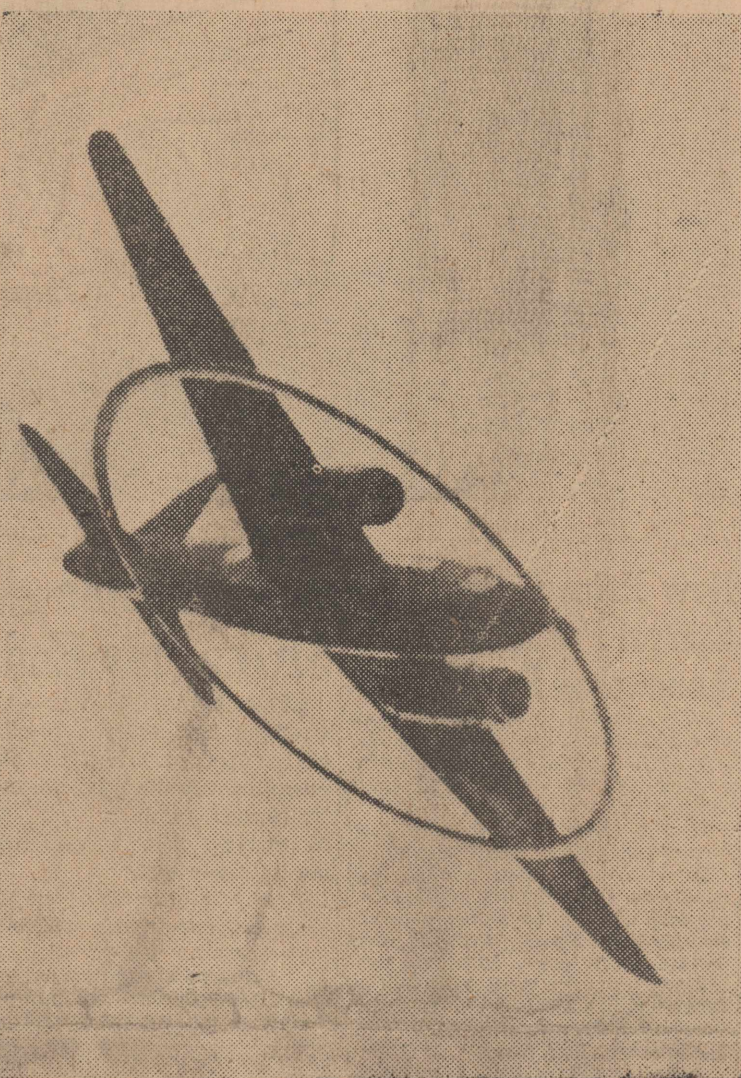

Dallas likewise was expecting freezing weather.

Americans Shoot Down 30 Jap Planes

WASHINGTON—(AP)—American planes shot down 30 Japanese aircraft and bombed four ships Friday, the Navy announced Saturday, in increasingly severe warfare in the Solomon Islands area. Seven U. S. planes were lost.

Three of the ships bombed were destroyers. One was afire when last observed, a communique said, and the other two were believed seriously damaged. The fourth

Combats Mine Menace

Fitted with electric hoop-like device for exploding magnetic mines, this plane was able to perform the dangerous task of exploding mines in the Thames estuary and Suez Canal. Wellington bombers go about the task of mine sweeping from Britain. Photo passed by censor.

Two Midland Airmen Killed

ABILENE—(AP)—Two men were killed here Saturday night when their Army plane crashed five miles northeast of the Abilene Municipal Airport and a search was underway for a third man believed to have been aboard the ship.

Authorities at the Midland AAF Bombardier School said the plane was based there.

The ship circled over the Abilene Municipal Airport shortly before the crash but did not attempt a landing. Identification of the dead men was not immediately ascertained.

The plane, an AT-11 bombardier training ship, carried three men when it left the Bombardier College here. Identities of the men on the routine training flight were not announced.

An official board will be appointed to investigate the crash and names of the victims will be announced by the Army after their relatives have been notified.

Frances Farmer Is Very Sick Woman

LOS ANGELES—(AP)—A subdued Frances Farmer, the film actress, was described by Dr. George Thompson Saturday as a very sick girl.

Dr. Thompson, in charge of the psychopathic ward at the Central Hospital where Miss Farmer is under observation, said she has caused the attendants no trouble.

As a climax to a stormy session with authorities, the actress is in the hospital awaiting a sanity hearing Wednesday in Superior Court.

Hollywood friends of the 29-year-old actress have retained a physician and an attorney to aid her.

Ginger Rogers Weds Marine Corps Private

PASADENA, CALIF.—(AP)—Ginger Rogers, who believes in keeping her private affairs private, proved it again Saturday.

She became Mrs. John Calvin Briggs 2nd, wife of a Marine private stationed at San Diego, in a secret ceremony.

For the 31-year-old actress, it was the third marriage. Her first, in 1929 to E. J. Culpepper, a vaudeville actor, lasted two years. In 1934, she was married to Lew Ayres, a movie actor. They were separated for months before she divorced him in 1940.

Briggs, who used the name of Jack in pictures, was an actor at Miss Rogers' studio before entering the Marines.

Twenty-Three Axis Planes Smashed As Big Drive Renewed

By E. C. Daniel
LONDON—(AP)—Axis reports said Saturday the British Eighth Army in Libya had renewed its offensive toward Tripoli with a strong armored attack of Wadi Zem-Zem, 180 miles southeast of the main Tripolitan Port.

Intensive air fighting was reported through Tunisia in day and night engagements in which 25 enemy planes were destroyed at the cost of eight Allied craft.

German and Italian reports said Gen. Sir Bernard L. Montgomery's Libyan army attempted to envelop fortified Axis positions in the dry gulch 40 miles west of Sirte but had been repulsed with the destruction of 35 armored vehicles.

The British communique said patrol activity was more extensive, with casualties inflicted in "several sectors," but did not confirm enemy assertions that Montgomery has started the third renewal of his drive to clear the enemy from all North Africa.

May Mobilize 700 Police To Stop Sex Crimes

TULSA—(AP)—Mobilization of 700 auxiliary police for night patrol duty to prevent further sex crimes was under consideration Saturday as officers continued to sift meager clues in their search for the rapist-slayer of two Tulsa women.

The ax-swinging sex fiend who murdered Mrs. Georgia Green, 31, and her mother, Mrs. Lazzla Steware, 50, was still at large and Police Commissioner Tom Munroe said many women in the city were in a state of panic.

A youth arrested at Pauls Valley, Okla., for vagrancy told officers vague, conflicting stories about witnessing the killings but later declared he had made them all up and County Attorney Dixie Gilmer said he did not believe the youth was involved.

Will Question Prisoner

Gilmer added, however, "we are not overlooking any angles" and said he would go to Pauls Valley to question the prisoner.

Munroe said he was conferring with other officials on a proposal that 700 trained and armed auxiliary police of the Office of Civilian Defense be called out to patrol the streets from sunset to dawn.

After a two-day investigation of the double slaying, Gilmer declared "the case will be a hard one to crack." Two of three men arrested for question have been released and Gilmer said the third would be freed Sunday unless further clues are found.

Tulsa's newspapers, the World and Tribune, offered a reward of \$500 for information leading to arrest of the slayer.

Two Fliers Killed In Big Spring Crash

BIG SPRING—(AP)—Two occupants of an Army training plane were killed late Saturday when it crashed near here.

Jack Haynes, who witnessed the crash, said the plane struck a high-voltage power line, burst into flames and spun out of control into a knoll.

The home field or destination of the plane was not ascertained.

Americans Crowd Japanese Forces

By Tom Yarbrough

ALLIED HEADQUARTERS IN AUSTRALIA—(AP)—American and Australian ground forces are pinching in toward Sanananda, New Guinea, from two directions, moving slowly through the rain-soaked jungle with direct support of the Air Force.

Step by step, they are reducing the Japanese triangle with a base about three miles on the coast and extending about two miles inland. This small sector is the only one still held by the Japs in the whole Papuan Peninsula.

On one side, fighting centered around an American built road-block, consisting of coconut logs and dirt-filled gasoline drums.

Attack Surprises Japs

At the same time, Allied patrols remained active in the area of Mubo, slightly south of Salamaua, where during a three-day period earlier in the week more than 100 Japs were slain and their headquarters destroyed in a surprise attack.

Air activity, as outlined in Sunday's communique again spread out over the whole northeastern sector with the heaviest raid aimed at Lae, 175 miles up the coast from the Sanananda fighting. There bombers and fighters started fires among seaside supply dumps and also attacked the airdrome.

A four-motored Liberator on armed reconnaissance found a Japanese cruiser 60 miles south of Cape St. George, New Ireland, attacked it with unreported results and shot down one of four Jap fighters which tried to intercept.

The Cost Of Living

There does not seem to be much question that Leon Henderson was removed as price-rationing administrator because a powerful bloc felt that he was too tough.

This is neither to agree nor to disagree with that sentiment, but merely to point out that Henderson's successor is walking into an unenviable spot from which he, may some day be carried away a political corpse.

Last mid-May, with disastrous inflation beginning to build up, Henderson was given the task of holding prices down. His authority was limited in two basics. He had no control over wages or over farm prices.

Since that time the costs of clothing and house furnishings have risen one-tenth of 1 per cent; the cost of miscellaneous items has gone up eight-tenths of 1 per cent. Rent has fallen one-tenth of 1 per cent. These things were under OPA control. The cost of food, uncontrolled in the main, rose 7.8 per cent during the same period.

These figures come from Secretary of Labor Perkins, and can hardly be suspected of anti-administration bias.

The National Industrial Conference Board reports that between February and November food prices rose 11.3 per cent, women's clothing 4.9 per cent, men's clothing 4.6 per cent, housing 0.4 per cent, sundries 3.2 per cent.

On different bases for different periods the two sets of figures check closely. They indicate that when Henderson was given his thankless task prices were rising; that he stopped the increase for items under his control, while others continued to go up.

That is to say: Henderson did exactly what he was told by the President to do. He was a success. So he has been retired.

What, then, is it that we want from his successor? Do we want hard-boiled results from wishy-washy methods? We can't have that. Neither Leon Henderson nor Prentiss Brown nor Joe Doakes can hold prices down without depriving producers and distributors of income.

If the new price administrator lets prices go up he will have failed in his trust. If he hold them down he will offend the same interests who were aggrieved by Henderson.

The only question is, whose eggs are going to be broken in making this anti-inflation, anti-hoarding omelette.

A Challenge To Women

Red Cross home nursing classes are one of the best weapons of America against disease and carelessness. Many are the ways in which this activity aids in the war effort. The classes remind us of the health habits we need to form in order to keep physically and mentally fit. They teach safety in the home and how to care for common emergencies which might cause serious illness or permanent disabilities.

Home nursing also deals with the essentials of communicable disease control, thus serving to head off dreaded epidemics. It is a morale builder. It teaches how to care for the sick in the home in such a manner that the patient may recover in the quickest time.

Home nursing teaches how to care for the mother and the baby, and emphasizes the importance of such care in the building of a strong nation.

The course, which a number of Midland women have volunteered to take, is designed to develop a wholesome philosophy of living and greater resourcefulness in meeting everyday problems of the home and family. It offers an opportunity to those who desire to learn.

General George C. Marshall has declared "the home front is of equal importance to the military front." "To put it another way," he continued, "the morale of the family at home has a great deal to do with the morale of the soldier in camp."

With the home nursing classes, the Red Cross is providing an opportunity for at least one person in every home to take the course. It is a challenge to the women of America.

Books For Fighters

In addition to giving the books that you want our soldiers, sailors, marines and merchant sailors to have out of your own collections, there is another way you can help with the Victory Book Campaign.

Not everybody is a self-starter. Probably some or many of your neighbors who mean to give books will not get around to it without a little help. You as an individual, and your clubs and lodges and societies, can remind the laggards—even, perhaps, pick up books.

Tell your friends and remember yourself that our fighting men deserve something better than castoffs. "Any book you really want to keep is a good one to give."

Democrats Want Action At Austin On Party's Ideas

By Dave Cheavens
AUSTIN—(AP)—Texas lawmakers who might forget the double-barreled blast against election expense practices by the last State Democratic Convention will get a forceful refresher on this and other mandates when the party's executive committee meets here Monday.

Many past legislatures have merely dabbled with or ignored party platforms. That the present democratic leadership wants action on its suggestions is indicated by the fact that many of them were included in the governor's message, and the fact that the executive committee timed its first session to coincide with the second week of the 48th Legislature.

Bills embracing some of the suggestions have already been prepared or submitted, including the highly controversial issue of redistricting. This the convention called for in recognition of population shifts generally westward and southward.

The executive committee has invited lawmakers to meet with it for discussion of the measures. Among other things, the platform called for a defense against attempts to abolish the poll tax; development of Texas resources in war and post-war planning to speed the change over from war to peace economy; steps to prevent inflation; preservation of state's rights; maintenance of state control of oil.

Jim Baker's Farm Completely Terraced

Jim Baker, farmer and dairyman, completed his terrace building program of four miles Friday. He had all his terraces built to specifications and said, "I would not trade them for a thousand dollars."

Baker's farm is the first to be completely terraced in Midland County, using plans made by the Martin-Howard Soil Conservation District, R. J. Pederson of the Soil Conservation office here said.

After completing Baker's terraces, the two county maintainers moved across the road to W. S. Tatum's farm to construct his terraces. These farms are in a group of six farms signed up by County Agent I. C. Sturkie, to get complete conservation practices planned and installed to control both wind and water erosion. The terraces are built in accord with the 1943 AAA program which will take care of most of the expense of construction.

Data from the Spur Experiment Station show that over a 14 year period terraced land yielded about 30 per cent more in crops than land farmed on straight rows.

"This increase in production is just what we need to meet the 1943 food requirements," said W. E. Pigg, chairman of the county's USDA War Board.

Army Pilot Dies To Save Soldiers

CAMP LEE, VA.—(AP)—An Army pilot, sticking with his falling plane until it was 50 feet from the ground, gave his life Saturday to maneuver crowded barracks, classrooms and drill grounds at Camp Lee.

The plane, on a training flight from the nearby Richmond Air Base, suddenly went into a dive over the center of the camp. Thousands of soldiers were drilling and other thousands were in classrooms below.

Camp Lee officers said the pilot could easily have bailed out and saved himself but he stayed with the plane and managed to crash it on a small grass plot between two hundred men. Jumping from 50 feet when he saw the plane was not going to hit anything, the pilot was killed. The air base withheld his name pending notification of his nearest-of-kin.

HOT SPRINGS WILL HAVE HORSE RACING

LITTLE ROCK—(AP)—Unshaken by the personal appeals of Gov. Homer M. Adkins and a group of church leaders to ban the sport for the duration, the Arkansas Racing Commission unanimously re-approved Saturday the Oaklawn Jockey Club's permit to hold a 30-day racing meet at Hot Springs beginning Feb. 22.

The beetle, in proportion to its weight, is the strongest living being.

New Price Ceiling System For Milk Is Announced By OPA

DALLAS—(AP)—The populations of six southwestern states Monday will start buying their milk under a new, flat-rate system of price ceilings.

If the plan pans out, it may be applied to the whole nation. In effect the new system will wipe out the current practice of pegging ceilings to prices consumers paid in March, 1942. It aims instead to fit prices to actual production costs in each milkshed of Oklahoma, Kansas, Arkansas, Louisiana, Kansas and Texas.

McCullough Explains
The regional OPA Administration, Max McCullough, said the aim was to end inequities which arose under the old system.

These included, he said, discounts which milk distributors had to maintain after March 1, 1942, high labor and feed costs in some areas and higher ceilings on milk products than on fluid milk. Now a distributor can abolish his discounts.

Generally consumers, will pay slightly more for their milk, OPA said, assuming prices are raised to the maximum allowed. Many smaller communities will get an average raise of two cents a quart retail—12 and 13 cents.

Many average-size and larger cities will pay an average of one-half to a cent more for a quart.

Set Stop Prices
The top price chargeable anywhere in the region will be 15 cents a quart. In some places the price will be 12 cents.

The new order, fixes a uniform price on fluid milk, whether pas-

Wildcat Mine Strike May End

WILKES-BARRE, PA.—(AP)—Indications that Eastern Pennsylvania's striking anthracite coal miners may return to their jobs Monday in compliance with a War Labor Board order were reported increasing Saturday night.

From several locals of the United Mine Workers in the Wilkes-Barre and Scranton areas, where some 17,000 miners started an unauthorized walkout Dec. 30 in protest against a union dues increase of 50 cents a month, came unofficial expressions that the workers will follow the WLB directive under a "watch-and-wait" policy.

There was no spread of the strike Saturday, although some 6,100 workers at six mines not affected by the walkout took their usual holiday.

turized or raw, provided it meets health standards prescribed where it is sold. The regulation, however, provides for separate formulas for pricing premium milk such as homogenized, certified or vitaminized.

Under the regulation, the following sales are exempt: sales of fluid milk for consumption on the premises by purveyors of food, such as restaurants, cafes, bars, hotels, etc., and sales or deliveries of milk under contracts with the army or navy entered into prior to the effective date of the regulation during the life of such contract.

Midland will have ceiling prices per quart of 12 1/2 cents, wholesale, and 14 cents retail.

THE LARGEST AND BEST ASSORTED STOCK OF FURNITURE IN WEST TEXAS

New Mexico Interest Held By Langlie Deep Wildcat

HOBBS, N. M.—Southeast New Mexico attention this week was centered on R. Olsen Oil Company of Oklahoma City and Atlantic Refining Company No. 1 Langlie, Lea County deep wildcat in the midst of shallow producers in the Langlie pool, when it topped the Simpson, middle Ordovician, and showed oil and porosity in cuttings of that formation.

No. 1 Langlie now is drilling at 8,491 feet in Simpson gray lime and green shale. Top of the Simpson has been picked at 8,225 feet to 8,240 feet, geologists differing as to the exact point at which it was entered. The Simpson has carried varying degrees of oil staining and porosity to present depth. Earlier, the well had promised production in the San Andres and Clear Fork members of the Permian. It will be carried to contract depth of 8,500 feet before any tests are made. Location is in the C SE SE section 11-25-37e.

B. H. Nolen No. 1 W. N. Snyder, C NE NE section 29-19s-36e, wildcat two miles west of the Monument pool in Lea, last was reported lowering 8-inch casing, bottomed at 1,437 feet in red rock. Argo Oil Corporation No. 1 Shilo-State, C SE SE section 20-20s-35e, Lea wildcat six miles northwest of the West Eunice pool and four and one-half miles east by northeast of the Lynch pool, is drilling past 3,834 feet in anhydrite. With elevation of 3,727 feet, it logged base of salt at 3,815 feet.

Maljamar Producer
New producer for the Maljamar pool of Western Lea has been completed by Johnny Cockburn in his No. 8-B Miller, section 25-17s-32e. The well responded to a 200-quart nitro shot, from 4,100 to 4,200 feet, the total depth, by flowing 86 barrels of oil in three and one-half hours through open 2-inch tubing swung at 3,230 feet. It topped main pay at 4,132 feet.

Malco Refining Company, Inc., No. 1 Bilberry, C SE SW section 1-7s-37e, Southeastern Roosevelt County wildcat, was junked and abandoned when 7-inch casing parted. It went to a total depth of 5,268 feet in Yesso, lower Permian, lime and was plugged back to 4,530 feet. Lower San Andres zones which carried scattered shows of oil could not be tested because of the casing parting.

A short west outpost to the

farthest west production in the Artesia pool of Eddy County has been started by Fred Brainard as his No. 1-B Brainard, SE NE SE section 6-18s-27e.

Payton Brothers No. 7-A Russell, Artesia well in section 35-17s-27e, pumped 12 1/2 barrels of oil per hour for 12 hours after acidizing pay lime from 450 feet to 477 feet, the total depth, with 1,000 gallons.

Eddy Wildcat
Broderick and others' No. 1 State, Eddy wildcat in the C NE SE section 8-17s-29e, is drilling in anhydrite below 1,360 feet.
One and one-half miles south of the Dayton area in Eddy, Robert A. McKee and A. L. Jones is drilling past 789 feet in anhydrite. The wildcat is in the C NE SW section 36-18s-26e, on the west rim of Lake McMillan.

In Eddy's Russell area, George Turner No. 2 Wills, section 13-20s-28e, pumped and flowed 39 barrels of oil per day upon completion at 858 feet, plugged back from 873 feet in sandy lime. It topped pay at 814 feet and was shot with 30 quarts from 812 to 827 feet.

New test for the Grayburg-Jackson district of Eddy has been started by Daniger Oil & Refineries, Inc., at the No. 11-B Turner, C SE NE section 20-17s-31e.

Midland Production Credit Association Stockholders To Meet

Stockholders of the Midland Production Credit Association will hold their annual meeting at 10 a. m. Monday in Hotel Scharbauer. A representative of the Production Credit Corporation at Houston will attend the session.

C. C. Thomas said directors "feel that a membership conference on plans for the year will be profitable to every operator and not an unnecessary trill or luxury."

The Midland association serves Andrews, Martin, Howard, Loving, Winkler, Ector, Midland, Glasscock, Ward, Crane, Upton and Reagan Counties. Directors are Leonard Proctor of Midland, president; Jim Thornton of Pevote, vice-president; M. F. King of Midland, T. R. Sowell of Big Lake, and Stanton Brunson of Lubbock.

Troops In Africa Get "Barter Bags"
WASHINGTON—(AP)—The War Department disclosed Saturday that "barter bags" have been provided for troops in North Africa.

The bags, the department said, contain beads, scissors, cloths, perfumes, candies, cigarettes and scarce foodstuffs to provide "a basis for trading for local products wanted by the soldiers."

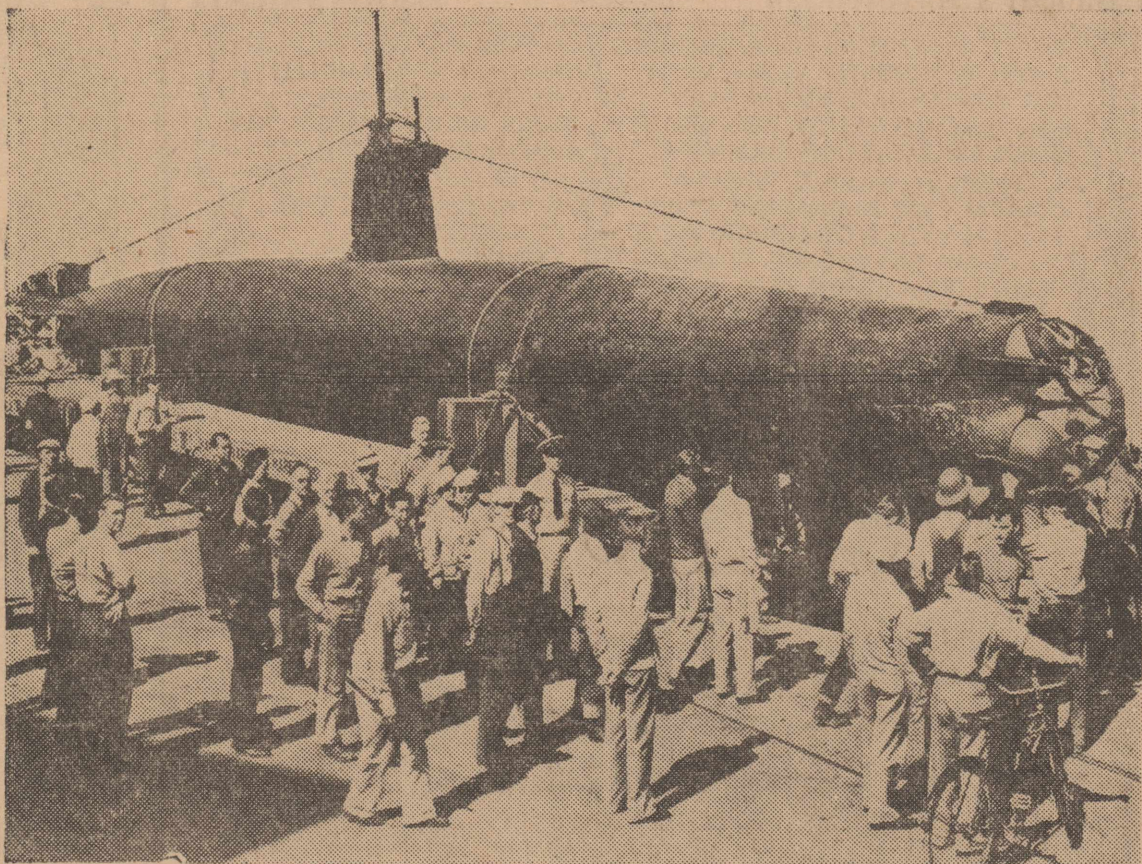

Seventh century B. C. Assyrians knew that bad teeth could cause bodily ailments.

Exhibit First Trophy Of War

This two-man Japanese submarine, first trophy of the war with Japan, will be on exhibit in Midland from noon until 3:30 p.m. Wednesday. Captured at Pearl Harbor in December, 1941, the suicide boat now is on a War Bond selling tour and is being brought to Midland by the Treasury Department. It will be on display at the post office. Bands of the Midland Bombardier School and Midland high school will play during the visit of the torpedo boat to Midland.

Farmers Mobilize For War Production

Midland County farmers are mobilized for war production and those who can add to their production need not be hampered in doing so for lack of funds, Oscar M. Fowler, rural rehabilitation supervisor for the Farm Security Administration, said Saturday.

"No American farmer," said Fowler, "should be hindered by lack of operating funds this year. Banks and private credit institutions are expanding their credit facilities to fit food production requirements and the federal government has ample credit facilities to meet the particular needs of farm and ranch producers."

Farmers Can Get Assistance
The county supervisor said assistance can be given by the Farm Security Administration to those farmers who lack the required security for other loans but whose family labor and land could be put to full use in the war program if funds were available.

He stated that funds are immediately available to small operators for the purchase of farming equipment, feed, seed, livestock, household needs, building repairs, for land rental, clothing, necessary medical care, sanitation facilities and many other needs.

"Farm Security loans this year," he said, "are being directed especially to any small farmers who with such financing can become qualified as essential farm producers under the war-unit rating, by adding to their livestock or poultry or increasing their production of war-rated crops."

Phillips Gets--

(Continued from page 1)

pool of Northwestern Andrews, is running intermediate string of 8 5/8-inch casing, bottomed at 2,960 feet in anhydrite.

Cochran County
Jerry C. Hawkins of Dallas No. 23-A Mallet Land & Cattle Company, in the Slaughter pool, flowed a rated 615.48 barrels of 32-gravity oil daily, with gas-oil ratio of 520-1. It topped pay at 4,920 feet, drilled to 4,965 feet in lime and was acidized with 11,500 gallons.

Crockett County
John I. and P. D. Moore, both of Midland, No. 1 Amerada-Todd estate, et al, scheduled 7,500-foot Ordovician wildcat in Western Crockett seven miles west of the Todd Deep pool, is drilling below 1,835 feet in lime.

Gaines County
Shell No. 1 D. N. Leaverton, operator of the Russell area, four miles southwest of the Wasson field in Northwestern Gaines, the last 24 hours flowed 112 barrels of oil out an average of 4.3 per cent by water, through open 2-inch tubing. The last three hours of the 24 it averaged 6.4 barrels per hour, cut 3.3 per cent water. Shell has re-installed swabbing unit preparatory to swabbing the well in after it has been reacidized. Clear Fork lower Permian, pay from 7,450 to 7,772 feet, total depth, already has been acidized with 6,500 gallons. The discovery is 660 feet out of the southwest corner of section 458, block G, C. C. S. D. & R. G. N. G. survey.

Hawkins No. 18-A Mallet, on the Hockley side of the Slaughter pool, respond to 11,500-gallon acidization of pay lime from 4,930-78 feet, total depth, by flowing 725.88 barrels of 32-gravity oil per day, with gas-oil ratio of 781-1.

Pecos County
Magnolia Petroleum Company No. 1-29 H. J. Eaton, Ordovician wildcat six miles southwest of Imperial in the northern part of the county, still was in Permian lime as it drilled to 5,400 feet.

Anderson-Prichard Oil Corporation No. 1-A M. T. Masterson, deep wildcat three miles south of the Apco-Warner Ellenburger pool, is drilling past 3,241 feet in lime.

In the Apco-Warner pool, Magnolia No. 1 Fromme has passed 2,490 feet in lime.

In Southeast Central Pecos, Phillips No. 1 Ada C. Price still is delayed by fishing job, bottomed at 8,707 feet in shale and sand.

Scurry County
Col-Tex Refining Company No. 1 Stewart, wildcat west of Snyder, is drilling unchanged at 3,036 feet in lime.

Sterling County
Ohio Oil Company No. 1 L. T. Clark, Ordovician wildcat in extreme Southeastern Sterling, is drilling below 7,228 feet in black shale.

In the northwest end of the county, Col-Tex No. 1 W. N. Reed et al is drilling below 6,035 feet in black lime. Contractor on the test is Olson Drilling Company of Midland and Tulsa.

Ward County
Olson, contractor, is moving in rotary to Shell No. 3 Sealy-Smith Foundation of Galveston, third test in the Monahans pool of North-eastern Ward County. The pool's first two wells are producing from the Ellenburger and Tubb zones. The third well also will test the Tubb horizon.

Winkler County
Shell No. 1 W. D. Blue estate, Ordovician project in extreme Eastern Winkler is drilling past 8,510 feet in chert.

A scheduled 11,000-foot Ordovician test in the Keystones district of Northern Winkler, Magnolia No. 20 State-Walton, is drilling in chert at 8,463 feet.

Livestock

FORT WORTH—(AP)—Hogs sold steady to 15c higher than Friday's average. The top was \$14.75 which was paid by buyers for the good and choice 190-300 lb. butchers. Most of the sheep receipts were good and choice fat lambs that sold at \$13.50 or \$14.25 steady. No mature steers reported. Beef cows \$8.50-10.50. The few stecker and feeder cattle that arrived were carried over for Monday's trade. Estimated receipts Saturday con-

Army's Aircraft Will Be Known By Names In Future

Those aren't AT-11 bombardier training planes you see hovering around the Midland AAF Bombardier School these days. They're Kansans. Furthermore, B-18s aren't that any more; they're Bolos. And that's no B-34, either. It's a Ventura.

Which is to say that the War Department now has decided that the Army's aircraft can be designated by names instead of numbers. It's now legal to refer to a B-17 as a Flying Fortress, a B-24 as a Liberator and an A-20 as a Havoc.

The names, to match the glamor of aviation itself, were announced by the War Department. A new name has been chosen to replace the numbers given each of the Army's planes.

Some of the more striking names are: Mitchell for B-25's such as General Doolittle used on his Tokyo raid; Buccaneer for the Brewster divebomber; Warhawk for P-40; Lightning for P-38; Thunderbolt for P-47; Commando for the C-46 transport; Yankee-Doodle for the AT-13 and 14; and Grasshopper for various types of liaison planes.

HER LAST KISS TO FATHER

LONDON—(AP)—Three-year-old Doris Watson didn't know quite what it meant that her father was a prisoner of war in Germany, but she did know he had been gone a long time and decided to kiss his picture on the mantelpiece. She died with his picture in her hands when she climbed on a chair to reach it and her nightgown caught fire from an open gas heater.

RAF Bombardiers Blast Hitler's Submarine Base

LONDON—(AP)—The RAF returned with a heavy attack Friday night on Lorient, Hitler's principal submarine base on the Atlantic, setting large fires on the docks and pens in the second raid there in two nights.

Railway targets in Western Germany, France and the Low Countries were raided at the same time and pilots reported attacks on 15 of Germany's badly needed locomotives.

In all the extensive raids, only two British bombers were lost.

Fortify Sub Pens
The 59th raid on Lorient, to which the RAF shifted after eight attacks on the German Ruhr in 11 nights, centered on newly fortified submarine pens. Concrete roofs have been built over the submarine lairs and the RAF apparently has taken up the challenge.

The wing commander of one squadron of Halifaxes reported that

fires started in the raid on Thursday night still were burning. Reports of the attacks indicated the RAF was employing new bombing tactics.

A squeaking automobile hood can nearly always be traced to a worn hood lacing.

With some women, staying young is an old habit.

McKENNEY ON BRIDGE

By William E. McKenney
America's Card Authority

Pvt. Simon Rossant, who had recently enlisted in the Army, was given time off to come up to the national tournament at Syracuse to defend his title. "Sam" and his teammates came very close to taking the cup back to the Headquarters Company of the 30th Infantry Division. Many of the boys in the last war will remember the old 30th Division, which broke the Hindenburg line in World War I. "Sam" did all he could on this board to retain the championship.

With the South hand, he realized as soon as North jumped to three spades that there was probably a slam. But if North held top hearts instead of clubs, the defense might cash two clubs at once. So Sam bid four clubs, concealing the diamonds, and then went on to six spades.

There is no knowing what West would have opened if Sam had bid the diamonds. Perhaps he would have been afraid to lead clubs anyhow. But after the clubs bid, such a lead looked hopeless. He tried a diamond and Sam of course won all the tricks.

Legionnaires To Meet Here Tuesday Evening

Midland's American Legion Post, now boasting its largest membership since 1925, will hold its regular meeting at 8 p. m. Tuesday in the Crystal Ballroom of Hotel Scharbauer.

Arrangements have been made with Capt. R. B. Brown, special service officer of the Midland AAF Bomber School, to show War Department motion pictures. These films have attracted the interest of all ex-service men.

C. V. (Cap) Lyman, post commander, has invited all ex-service men and legionnaires of Midland and also World War I veterans at the bombardier school to attend the meeting and enjoy the entertainment.

The Midland post now has 112 members and the list is increasing almost every week.

Jacket Set

8346
11-19

The sloppy jacket and skirt outfit is certainly a smash hit with the young crowd. They love everything about it—the loosely-hanging jacket with big patch pockets and buttons down the front—and the skirt with front pleat that gives plenty of leg room.

Pattern No. 8346 is in sizes 11, 13, 15, 17 and 19. Size 13 jacket takes 1 5/8 yards 54-inch material, skirt 1 3/4 yards.

For this attractive pattern, send 15 cents, plus 1 cent for postage, in coins, with your name, address, pattern number and size to The Reporter-Telegram Today's Pattern Service, 530 South Wells Street, Chicago.

Many other practical sewing suggestions for gifts and for your own wardrobe are plentiful in the Winter Fashion Book, available at 15c per copy. Order it with a 15c pattern for 25c plus 1c for postage.

Certificates For Tires Are Granted

The following certificates for tires have been granted by the Midland County rationing board:

Grade III: H. L. Elsieby, Clifton A. Brown, Oscar P. Crawford, Frank M. Dale, J. P. Ferguson, James T. Meeks, Raymond D. Monkress, and T. R. Yarbrough.

Grade II: James F. Hall and Bernard H. Fried.

Grade I: Ed Darnell, City Cabs and Yellow Cabs.

Recapping service: Vernon E. Anderson, Henry Locklar, James T. Meeks, Wayne Moore, Raymond D. Monkress, Sun Oil Company, P. S. Oles, Nell Smallwood, Walter F. Smith, Lion Oil and Refining Company, and Darrell G. Welch.

Passenger tubes: Joe Bell, Clifton A. Brown, Mrs. Charles Bush, Lois Lee Clark, William G. Ebey,

Earl Fain, Clarence J. Lambert, B. L. O'Neal, and Charles A. Price.

SERIAL STORY 'I AM A MURDERER'

BY MORRIS MARKEY

THE STORY: This is the story of the "perfect crime"—the murder of Col. Wesley Hope Merrivether in the library of his Long Island estate—and of the events leading up to it.

CHAPTER XII
VAUGHAN DUNBAR regarded her for a considerable moment before he replied to her.

SHE seemed moved, and when she spoke at last her words came low and slowly. "You are always talking about going away."

"That's what's the matter with me," she said firmly. "Everything seems such a huge joke, and it should not be like that."

"What can they do? What can I do? You know. You must know. Please. Tell me."

ROCKY FORD MOVING VANS
Phone 400 Day or Night

Others whom they knew were moving about, and calling to them. Three or four approached to smile at Cynthia and shake hands with Vaughan Dunbar and urge them to come in. Behind Fred West, they could hear the voice of the professional master of ceremonies as he prepared to introduce the entertainers on the cleared dance floor.

For a moment, Vaughan Dunbar seemed to hesitate. "Come on," Cynthia said in a whisper. "But he straightened very quickly, as if he had reached a decision. He bowed again, said good night, and stepped immediately into his automobile."

FRED WEST and his cousin Anne, and Mitchell Grace had a table near the dance floor, and there was wine in a silver bucket hard by, and people waved at Cynthia as she stood looking about her for a moment before taking her chair. She nodded, and smiled, and sat down, and, of course, dropped her cigarette case on the floor for Fred West to retrieve.

There was the show. It took an hour for the show to be over. Then lights were up again, and people were dancing. The course of Cynthia Merrivether and Mitchell Grace as they, too, danced, carried them to the further corner of the huge, barnlike room, and there they came upon Henry Prentiss.

He leaned against a pillar. He was disgracefully dressed in one of his tweedier jackets and a pair of his roomier trousers, though he did wear a cravat within the collar of his white shirt. Cynthia stopped dancing and looked at him a little wearily.

"Slumping again, I see?" "Sorry," he grinned mightily and held up his bandaged hand. "Couldn't manage the right buttons to be correct."

"Lucky you could make a knot in that thing you have around your neck?" He laughed, and with his good hand yanked the necktie away from his collar. It was one of those made-up affairs held in esteem by motormen on nights out.

"Invalid's delight," he said. "Made in two tones, also right and left-handed, by a world-renowned haberdasher and on sale in exclusive shops everywhere."

"Sort of a puff for Woolworth, isn't it?" Mitchell Grace said. "People are dancing. I just thought you might not have noticed."

Cynthia smiled at him, and tucked her arm closer into his. (To Be Continued)

Emergency Crop Loans

Now Are Available
Emergency Crop Loans, known generally as "the seed loans," offered for many years in this county by emergency crop and feed loan section of the Farm Credit Administration, now are available to farmers in need of financial assistance for the production of vitally important food crops and normal crops for 1943.

Applications for the loans are being taken at the County Court Room in the Court House each Thursday under the direction of R. Kendrick Green, field supervisor. Funds obtained under these loans may be used to cover the cost of preparing the land and to purchase seed, fertilizer and supplies incident to the production of the crop. A first mortgage on the crops to be grown is the security required.

Loans also are available to purchase or produce feed for livestock. Applicants who can obtain loans from banks, production credit associations, or on reasonable terms

Midland's Cagers Win Both Games From Tornadoes

Midland High School's cagers won two games from Lamesa High Friday night, the Bulldogs defeating the Tornadoes 23 to 12 after the Midland B team beat Lamesa B 23 to 6.

Charley Kelly was high point man for the Bulldogs with 8. Broyles got 5 to top the Lamesa squad.

Examinations will keep the basketball men close to their studies the next few days. The next scheduled game will be at Big Spring Friday night. Both A and B teams will make the trip.

More Games Booked
The Big Spring teams will journey to Midland for the return engagement January 29. Stanton's teams will play the Midland cagers here Jan. 26.

Plans are almost complete for the district basketball tourney to decide the regional champion. It probably will be held February 19 and 20 in Big Spring.

Friday night's box score:

	G	F	TP
Midland (23)	4	0	8
Kelly, F	2	2	6
Stickney, F	2	1	5
Watson, C	2	1	5
Richards, G	1	1	3
Davidson, G	0	1	1
Daugherty, G	0	0	0
Bedford, G	0	0	0
Total	9	5	23

	G	F	TP
Lamesa (12)	2	1	5
Broyles, F	2	1	5
Beck, F	0	0	0
Hawkins, C	1	2	4
Roberts, G	0	0	0
Hatch, G	1	1	3
Total	4	4	12

In the B teams clash, Copper Daugherty was high scorer for Midland with a total of 15 points.

All Baseball Clubs Will Be In Same Fix

MEMPHIS—(P)—Bill Terry thinks northern training sites for the major league baseball clubs this spring won't be anywhere near fatal—and he has his own ideas about handling the situation in case he's needed.

"There's one thing about it," the former manager of the New York Giants pointed out, "they're all in the same fix. No matter how slow the start, they'll be able to operate."

Terry's "they" might yet be changed to "we" if the trip he took to New York this week bears fruit. He looked into the possibilities of handling the Philadelphia Phils, and conferred with President Branch Rickey of the Brooklyn Dodgers. If he's wanted, they doubtless know where he is.

Don Budge, Top Tennis Player To Join Army

MIAMI, FLA.—(P)—Don Budge, the world's top-ranking tennis player, has resigned as physical training director for the Embury-Riddle School of Education and will leave Monday for California for a visit with his family before eventually going into the armed services.

Lloyd Budge, Don's brother and the assistant physical training director, will take charge of the department.

Trophy Too Large For University's Case

AUSTIN—(P)—The Cotton Bowl trophy caused a trophy housing crisis at the University of Texas. This super-trophy is 15 inches deep, the trophy case a mere 12. They're planning to build a super-trophy case for the super-trophy, priorities willing.

Bombardiers Have Complete Physical Training Schedule

With 1943 hailed as "the year of the bombardier," the physical training department has mapped out a full schedule of events, Lt. Marvin S. Keen, supervisor, said.

"It is the job of the physical education department at the Bombardier College to raise the physical fitness level of the cadets to the point where they can perform their deadly work with maximum efficiency and without undue fatigue," Lt. Keen said.

During the twelve-week bombardier training period, each cadet receives one hour of physical training daily, six times a week.

Included in the daily program are fifteen minutes of calisthenics, combined a variety of neck, arm, shoulder, trunk and leg exercises. A ten minute sprint also is on the schedule.

Sports are a big item in the physical training program, the supervisor pointed out. During the daily "work-out" period, the bombardier cadets can be seen participating in basketball, volleyball, soccer, softball, cross-country, and touch football. For those interested in boxing, there is a program of bag punching, hand-to-hand activities, sparring drills, wrestling and track and field events.

Sports Industry Has Gone To War

WASHINGTON—(P)—The sporting goods industry has gone to war. Use of steel and other critical materials in fishing tackle, except fishhooks, is prohibited. No new guns are being made, although present supplies are considered adequate, and there's no new ammunition for any civilians except police, certain defense agents and farmers who want to kill rodents.

In a review of the sporting equipment supply, the War Production Board disclosed the 171 firms which formerly produced fishing tackle are now turning out ski poles, radio antennae, gun mounts, machine gun parts, signal kites and percussion primers.

Production of fishing lines has been restricted to materials other than silk, nylon, linen and Egyptian cotton. However, stocks on hand are large and the WPB expects that fishermen will find enough equipment in stores for some time to come.

Production of fishhooks has been halted. Ammunition for hunters is short, the WPB explained, because the War Department is buying all it can get.

Hunters may buy small-gauge shotguns, odd-caliber and some .22 caliber rifles and other types of firearms which the armed forces do not need.

Sports Program Is Curtailed BY SMU

DALLAS—(P)—Southern Methodist University Saturday dropped baseball and golf, probably for the duration, and decided on a curtailed program of track and tennis this spring.

The action was taken at a meeting of the school's athletic council. The council followed recommendations made by Athletic Director James H. Stewart.

"SMU will continue insofar as conditions permit an athletic program in which football, basketball and track will be the principal sports," Stewart said.

Bob Feller Weds Waukegan Girl

WAUKEGAN, ILL.—(P)—Miss Virginia Winther of Waukegan and Chief Specialist Robert William Feller, USN, better known as Bob Feller, Cleveland Indians pitching star, were married Saturday in the First Methodist Church of Waukegan.

TCU Beats SMU
FORT WORTH—(P)—Texas Christian remained in the running for the Southwest Conference basketball championship here Saturday night by turning back a wildly scrapping Southern Methodist five, 49-43.

Plenty Of Action Promised Boxing Fans At Tourney

Boxing fans are in for some real action at the Midland AAF Bombardier School January 27, 28 and 29.

Those are the dates set for the Seventh Annual Golden Gloves tournament which is to be held in the huge new enlisted men's Service Club at the Bombardier College. The tournament will name the champions in the district and they will later go to Fort Worth for the state finals during February.

A special attraction for the boxers, both military and civilian personnel, Capt. Russell B. Brown, Special Services Officer at the bombardier college, has announced that the winner in each weight division will be awarded a War Bond. Since this is the first year that the Golden Gloves district bouts will be held at the Bombardier School, a special section of seats will be reserved for a limited number of civilian fans so that they too may enjoy the tournament as they have in past years.

Open To All Amateurs
The boxing tourney is open to all Armed Service or civilian men 16 years of age or over who have never fought for money. There will be two classes, one for inexperienced boxers and another, called Class AA, which is open to amateur boxers. No entry fee of any kind will be charged in either class.

All men in the armed services who wish to enter should contact the special services office at the Bombardier school. Civilians wishing to enter may get entry blanks at the Odessa Chamber of Commerce.

A number of soldiers have already entered from the Midland bombardier school. Entries are also expected from the Army Air Forces schools at Pyote, Pecos, Marfa, Del Rio, Big Spring and the training centers at Fort Russell and Fort Stockton.

Champions will be crowned in eight weight classes, namely, the flyweight or top weight of 112 pounds; bantamweight, 118; featherweight, 126; lightweight, 135; welterweight, 147; middleweight, 160; light heavyweight, 175; and heavyweight unlimited.

Two soldiers won State Championships in 1942. Corp. James Olcott Phillips of the 36th Division's Field Artillery and now a lieutenant in the Tank Destroyer Division at Camp Hood, took the heavyweight title and won honors for all the Army by being the only soldier to go to the finals at both Chicago and New York. Private Eli Katich of Fort Bliss won the state middleweight championship and was defeated in the second bout at Chicago.

Arkansas Razorbacks Defeated By Rice Owls

FAYETTEVILLE, ARK.—(P)—The Rice Owls won their first Southwest Conference game of the season here Saturday, defeating the University of Arkansas Cagers 41 to 27.

It was the first defeat of the season for the Razorbacks.

Texas Beats Aggies

COLLEGE STATION—(P)—The University of Texas took over first place in the Southwest Conference Basketball Race Saturday defeating Texas A. and M. 54-45.

LONG-SHOT WINS AUDUBON STAKES

NEW ORLEANS—(P)—Valdina Foe, a \$51.40 for \$2 shot from the Texas-owned farm of Emerson F. Woodward, drove to victory Saturday in the \$2,500 Audubon stakes before a crowd of around 8,000 at the fair ground race track.

Russians Open--

(Continued from page 1)
planes were said to have been destroyed since the Germans started trying to supply the Stalingrad army by air.

Of the casualties in the new Voronezh offensive, 15,000 were slain and 17,000 were captured. The drive was fanning out to the west, southwest and northwest and has scooped up tremendous amounts of booty. The Russian commanders especially praised for the latest success were Lieut. Gen. Goltikov and Col. Gen. Nikolai Vatutin, whose troops have driven across the fertile Don elbow and now stand on the Donets.

Threaten Rail Junction
The Russians on the Donets were within striking distance of Voroshilovgrad, a major industrial city in the Eastern Ukraine. They were only 14 miles north of Kamensk on the Moscow-Rostov railway and were threatening Likhaya as well, the junction point of the Moscow-Rostov railway with the Trans-Don line from Stalingrad.

The Germans broke the news about the Stalingrad encirclement only after preparing the home front for two days with propaganda based on the statement that "the fuhrer knows best."

More villages were taken on both the Lower Don and the North Caucasus front, the Russians said.

Iraq Declares War
Wide gains were registered as the Germans pulled out of the North Caucasus post haste. The capture of Bekeshevskaya, 30 miles west of Pratsorsk placed the Russians 25 miles from the important town of Cherkassk on the way to the Malkop oil fields.

Other Russians forces beating down the Stalingrad-Tikhoretsk railway were nearing the important railway junction of Salsk.

Iraq declared war on Germany, Italy and Japan, further solidifying the Allied position in the oil rich Middle East.

Pay-As-You-Go

(Continued from page 1)
manly possible. In my opinion it is absolutely necessary."

Chairman Daughton (D-NC) said the committee would hold its first meeting Wednesday to determine procedure for dealing with the tax matters confronting it, including President Roosevelt's request for \$16,000,000,000 of new revenue from taxes and compulsory loans. Daughton thought it was too early for much speculation about the form of the new tax bill because "nobody knows yet what it is going to look like."

Doughton and Chairman George (D-Ga) of the Senate finance committee reminded in a joint statement that regardless of any legislation considered, taxpayers must file their returns by March 15 and pay at least the first installment of their 1942 taxes.

19 Airport Projects Are Halted By WPB

WASHINGTON—(P)—The War Production Board Saturday revoked priorities and ordered the halt of construction of nineteen airport projects in fifteen states having a total cost exceeding \$9,000,000.

The projects were part of the program of the civil aeronautics authority. The stop-work order was issued in line with WPB's policy of eliminating construction not directly essential to the war effort.

The list of projects suspended entirely included: Longview, Tex., and Uvalde, Tex.

FIGHTS POSTPONED

NEW YORK—Ptoimaine poisoning forced Allie Etolz to postpone his Madison Square Garden match with Willie Pep until Jan. 29. Henry Armstrong's tonsillectomy put off his bout with Beau Jack until Feb. 19.

SPORTS-- BOMBER

When the Army Air Forces set out to build a fighting combat team the Air Forces set out to build champions. So it's no surprise to find that when the Army Air Forces picks its physical training instructors, it picks champions.

The men of the physical training department at the Midland AAF Bombardier School, under the direction of Lt. Marvin S. Keen, are no exception to this rule. In fact, the results speak for themselves. The world's largest bombardier college now handles more champions than "Uncle" Mike Jacobs. Lt. Keen firmly established himself in the champ list during his civilian days when he was a member of the Corpus Christi High School to capture the Texas state football championship in 1938.

Actually, just being the best "muscle mover" is not enough to win a man a job with Lt. Keen. The fact that Pvt. Young Jack Sharkey of the 488th Bombardier Squadron, former Chicago featherweight contender, once fought and held three world's boxing champions to better-than-a-standstill, means less than the fact that he can teach body-building to the men of the Bombardier College in a clear and simple manner. Of course, it comes in handy that he could bounce any soldier on his ear who didn't care for the way Pvt. Sharkey builds bodies, but that is a negative virtue, and one he hasn't had to demonstrate to date.

Backing up Lt. Keen in handling the Bombardier School's far-reaching physical training schedules is a quartet of officers whose capabilities speak for themselves.

The "big four" includes Lt. Joseph Kelly, graduate of Loyola University of Baltimore, where he starred in football, basketball and track. In 1935, Lt. Kelly was unanimously chosen a member of the All-Eastern basketball team. Prior to entering the Air Forces, he served for three years as athletic director of the Sioux Falls, South Dakota, High School.

Lt. James A. Jenkins received his diploma from Ball State College in Indiana, where he performed in stellar fashion on the cage team. He majored in physical education and served in a coaching capacity for several schools in the Mid-West.

Representing Notre Dame's "Fighting Irish" on the Bombardier School's roster is Lt. John F. Crooks, Jr. He's an alumnus of the university and he has starred in all sports, in addition to completing an intensive course in physical education.

Lt. Ferdinand Johnson, Wisconsin University, rounds out the officer personnel of the Bombardier School's physical training unit. He has a varied background in recreational activities, plus a major in physical education.

The remaining members of the staff are enlisted men who can hold their own in any physical education spot. They include Pvt. Alexander Blorush, of the 489th; Corp. Leslie West and Pvt. Bud Hummel, wrestling instructor, both of the 83rd; Privts. Paul Goldsmith and Clarence Cline, 493rd; and Pvt. Harold Assmussen, 487th.

Miss Virginia Jo Guffey Becomes Bride Of Sergeant King Koenig

Before a fireplace banked with two tall vases of pink gladioli, Miss Virginia Jo Guffey, daughter of Mr. and Mrs. William C. Guffey of Midland and formerly of Texon, and Sgt. King Koenig, son of Mr. and Mrs. K. Koenig of Denver, Colo., were married Friday evening at the home of the bride's aunt and uncle, Mr. and Mrs. E. V. Guffey, 725 West Kansas.

The single ring ceremony was read by the Rev. Carl W. Clement, pastor of the First Methodist Church.

The bride, wore an aqua blue suit with pink blouse. Other accessories, were of black, and her corsage was pink gladioli. She is a drum majorette at the Midland High School where she is taking post graduate work.

Miss Frances Guffey, cousin of the bride, was maid of honor. Her suit was black with a white gardenia corsage.

Corporal Harold Henderson of the Midland AAF Bombardier School, was best man.

Reception Is Held
During the ceremony Miss Marian Newton played Mendelssohn's "Wedding March," and "I Love You Truly." Miss Newton wore a red suit and white blouse with a white gardenia corsage.

Immediately following the wedding, a reception was held, with Mrs. Van Ed Watson presiding at the bride's book. Her frock was a red suit with white blouse and gardenia corsage.

Miss Elizabeth Arledge of Lubbock, former schoolmate of the bride, poured punch. She was assisted in the dining room by Miss Jackie Campbell and Mrs. Lige Midkiff, who wore black suits with white gardenias.

The white two tiered wedding cake, trimmed in rose buds and topped with a miniature bride and groom, was cut by the bride. Pink roses in a crystal bowl on a reflector centered the refreshment table. The punch bowl and service was of crystal.

Out of town guests included Mr. and Mrs. H. H. Talley of Texon, and Mr. and Mrs. H. P. Gill and daughter, Janette, of Texon. About 20 other close friends and relatives of the couple attended.

Following the reception the couple left immediately for Big Spring, where the bridegroom is stationed, to make their home at 800 South Main Street.

NEW PLAN FOR SENDING GIFTS TO WAR PRISONERS
A War Department bulletin describing the new procedure for sending packages to prisoners of war has been received by the Special Services Office, Midland AAF Bombardier School.

All persons interested in the details of this plan, which has been specifically formulated and agreed upon by War, Navy, State and Post Office departments, Office of Censorship, International Red Cross, and the Board of Economic Warfare, should contact the Special Services Office at the Bombardier School, Capt Russell B. Brown is special services officer.

Mrs. W.R. Bowden Is Honored With Morning Coffee

Honoring Mrs. W. R. Bowden of Midland who has returned to Midland to make her home, Mrs. W. L. Brown, Mrs. J. H. Longbaugh and Mrs. H. H. Watson were hostesses at a morning coffee Friday at the Watson home, 1701 West Holloway.

In the dining room where coffee was served, the table was laid with a handmade cloth and centered with yellow acacia. The table was set with a silver service from Mexico City. Tall white candles burned in candelabra at each end of the table.

Bouquets of gladioli brightened the living room where the guests were greeted.

Mrs. Hugh Corrigan and Mrs. E. A. Walstrom poured the first hour and Mrs. Flossie Taylor and Mrs. Bess Rogers the second.

Others assisting in the houseparty included Mrs. Sue Stinson, Mrs. W. E. Wallace, Mrs. Bob Taylor, Mrs. Joe Traygood, Mrs. P. H. Liberty, Mrs. Pat McMullan and Mrs. J. O. Vance.

About 150 guests called.

Personals

Mrs. Allen Heard has returned from Fort Worth where she attended funeral services of her aunt, Mrs. Tom Davis.

W. J. Chesney of Colorado City was a business visitor in Midland Friday.

Miss Nell Wylie, Midland High School teacher, is spending the weekend in Lubbock, visiting her parents.

Larry Ledebur has been dismissed from a hospital here.

Betty Worley returned to her home Saturday from a Midland hospital.

Mrs. P. D. Grommon and baby boy were released from the hospital here Friday.

Floyd Maxwell has returned home from the hospital.

Mrs. F. G. Tubbs has gone to Corpus Christi to visit her daughter, Mrs. A. M. Brock, and son, F. G. Tubbs Jr. She will be gone about a month.

H. A. PALMER, JR. IS TRANSFERRED
Pvt. Howard A. Palmer, Jr., son of Mr. and Mrs. H. A. Palmer, has been transferred from Sheppard Field Texas, to a radio communication and mechanics school at Sioux Falls, South Dakota.

Ostrich racing is a novelty at southern resorts. Girls are used as jockeys.

Spring Style

"V-for-Victory" twist to a lightweight wool suit for spring, 1943.

Lt. Gould Weds Miss Louise Ward In Ceremony Here

Miss Louise Ward, daughter of Mr. and Mrs. Hazdie Ward of Sylvestor, Texas, became the bride of Lt. Charles L. Gould, son of Mr. and Mrs. Charles R. Gould of New York City at the Midland AAF Bombardier School Chapel Saturday. The double ring ceremony was read by Chaplain Cosmas Dahlheimer.

Miss Ward, who has been employed in Midland, is a graduate of Polytechnic High School in Fort Worth. She wore a gold suit with matching brown accessories. Her corsage was of tea roses.

Miss Ruth Tidmore of San Angelo and Miss Myra Nelson of Midland were the bride's attendants. Miss Tidmore wore a white and red dress with black accessories. Miss Nelson wore a navy crepe dress. Their corsages were red rose buds.

Lt. Claude O'Donnell and Lt. Bob Miller, both of San Angelo, also attended.

Lt. Gould graduated from Clinton High School in New York City and is now stationed at Concho Field in San Angelo, where he is an instructor.

The couple will reside at 2202 Live Oak Street in San Angelo.

Officials Explain Price Increases

Midland's OPA Saturday explained why some price advances are necessary and asserted they are permitted under OPA rulings.

As an example, officials of the Midland office took the coffee situation. The grocer formerly purchased coffee direct from the roaster at say 30 cents a pound and retailed it for 35 cents.

Now the coffee roaster, due to the shortage, cannot supply all his customers and grocers find it necessary at times to buy from wholesalers or jobbers at higher prices.

The OPA permits a percentage markup on this higher cost and officials said, it usually is less than the grocer formerly added to his cost, but necessarily brings an advance in the retail price.

This percentage markup is permitted on a few food items, including dried fruits, cereals, sugar and canned fish and fruits and in each case, the grocer's margin of profit is no more, and usually less, than formerly.

The local Office of Price Administration has found merchants of Midland willing to cooperate in every way and always welcomes any complaints.

1928 Club Meets At John House Home

Members of the 1928 Club met Thursday at the home of Mrs. John House, 910 West Kansas.

Two tables of bridge were played with Mrs. Fay Cowden winning high score. Mrs. William Simpson won second, and bingo prize went to Mrs. Ed M. Whitaker.

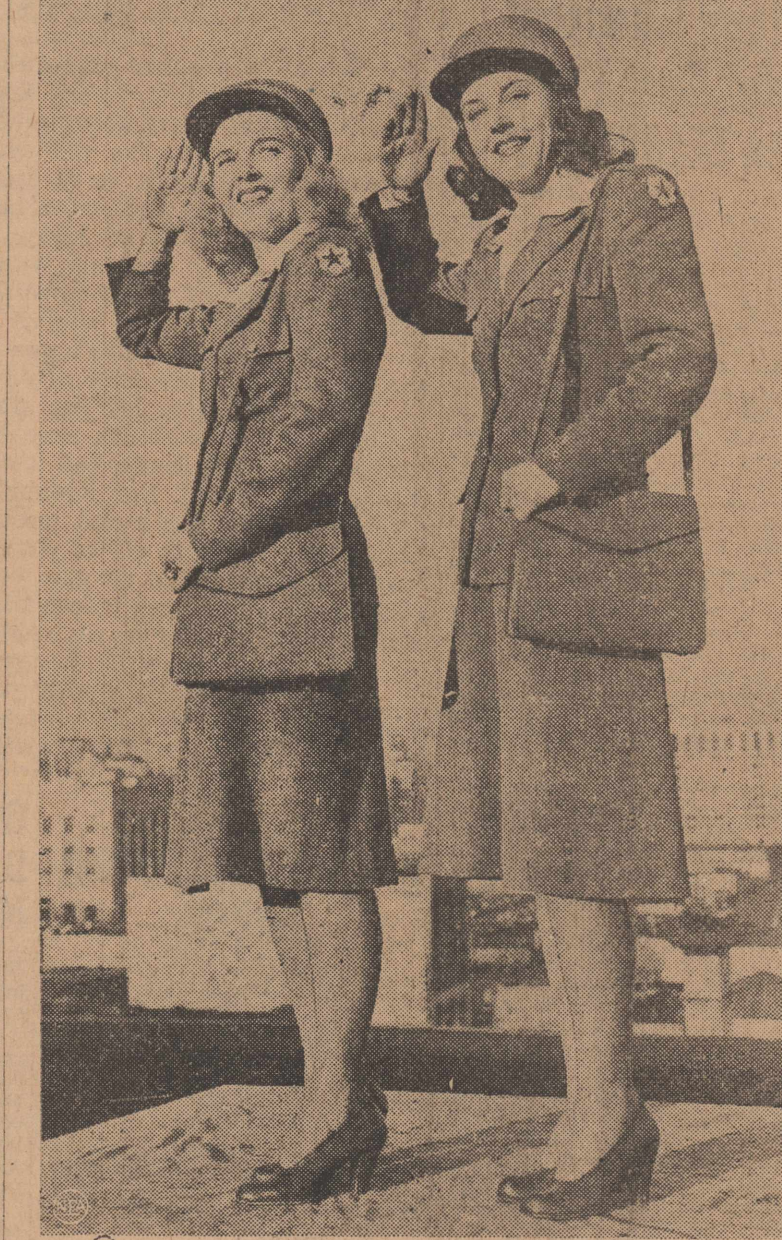

Others attending included Mrs. B. H. Blakney, Roy Parks, John B. Thomas, and J. M. Caldwell.

Sub-Sub Deb Club Members Plan Picnic

The Sub-Sub Deb Club met Tuesday at the home of Ann Tucker to discuss plans for a picnic to be held soon. Phyllis Chancellor, president, presided.

Refreshments were served to Patsy Pope, Gloria Goddard, Phyllis Chancellor, Ann Tucker, Grace Baker, Sammie Gard, Shirley Jones, Dorothy Wolcott, and Uyvonda Gillian.

They're WOWS!

New uniform and insignia of the Women Ordnance Workers look doubly snappy when worn by Marjorie Young and Pauline Geraghty of Los Angeles Army Ordnance Region.

Marriage Of Miss Atrelle Smith To Lieut. W. M. Murray Is Announced

Mr. and Mrs. J. H. Smith of Midland announce the marriage of their daughter, Miss Atrelle Smith, to Lt. William M. Murray, in a double ring ceremony read January 10 at the First Methodist Church in Las Vegas, Nevada. The pastor of the church read the nuptial lines.

The bride, who wore a tailored brown wool suit with British tan accessories, was attended by Mrs. Harold B. Moore. Both the bride and her attendant wore corsages of gardenias.

Lt. Harold B. Moore was best man.

Midland High Graduate
Mrs. Murray was reared in Midland and was graduated from Midland High School in 1941. Following her graduation, she attended Draughon's Business College in Lubbock, and for the last several months has been employed at the Midland AAF Bombardier School.

Lt. Murray is the son of Mr. and Mrs. George T. Murray of Fort Ord Village, Calif. He recently graduated from the Midland AAF Bombardier School.

The couple will reside in Las Vegas while he is in special training there.

WAVES Recruiting Officer Will Be In Big Spring
Cooperating in an intensified nation-wide recruiting drive, Ensign Katherine Brook, Lt. H. F. McBride and Lt. L. E. King, all of the Office of Naval Officer Procurement at Dallas, will be in Big Spring Sunday, Monday and Tuesday, to interview women between 20 and 50 years of age as applicants for the WAVES and SPARS.

Interviews will be conducted at Hotel Settles.

A recent modification in requirements for the WAVES now permits women with only two years of high school or business college education to enlist. Women between 20 and 30 years of age are eligible for rating. For officers, the age limit is 50, requiring in some cases, at least two years of college.

WAAC Recruiters To Be Here Wednesday
Lieutenant Virginia F. Williams, Women's Auxiliary Corps Recruiting Officer, will be in Midland, Wednesday, January 27 from 9:30 to 7:00 p. m. at the Chamber of Commerce.

Lieutenant Williams will be accompanied by Lieutenant Raymond J. Dees. Lieutenant Dees is also stationed at the Headquarters Office of the Western Texas Recruiting and Induction District in Lubbock.

Lieutenant Williams is interested in talking with all women desirous of joining the Women's Army Auxiliary Corps. The West Texas District, comprised of 76 West Texas counties, must enroll, during January, February and March, more than four times the number of WAAC's enrolled during any three-months period. Women enrolled will be sent to Daytona Beach, Florida, Des Moines, Iowa or Fort Oglethorpe, Georgia for training. Each auxiliary upon completion of her training, releases a soldier for a fighting job.

Miss Beatrice Taylor Becomes Bride Of Pfc. J. W. Miller

Miss Beatrice Taylor, daughter of Mr. and Mrs. W. R. Taylor of Midland, and Pfc. John W. Miller, son of Mr. and Mrs. Lee Miller of Bradford, Iowa, were married Friday at the Midland AAF Bombardier School chapel, Chaplain Theodore Schoech read the wedding vows.

The bride, who wore a navy blue spring suit with matching black accessories, was attended by Mrs. J. D. Hurst.

Pfc. J. D. Hurst was best man. The bridegroom is stationed at the Midland Bombardier School.

The couple will reside at 601 North Main Street, here.

Miss Julia Harding And Pvt. Martens Wed At Post Chapel

With Chaplain Theodore Schoech officiating, the marriage of Miss Julia Edith Harding, daughter of Mr. and Mrs. A. E. Harding of Chicago, to Pvt. Vernon Paul Martens, son of Mr. and Mrs. P. F. Martens of Chicago, was performed at the Midland AAF Bombardier School chapel Saturday.

The couple was attended by Pvt. Robert Christensen, and Pvt. Earl Strentz.

Both the bride and groom attended Carl Schurg High School in Chicago.

Pvt. and Mrs. Martens will reside at 906 West Missouri.

Glenn Walker G. A.'s Meet For Program

The Glenn Walker Royal Ambassadors of the First Baptist Church met Friday afternoon at the church for a program on "Witnesses to the Light."

Stories of Japan, China, Russia and the Isle of Malta were told by John Allen Murray; Allen Olson, Deane Cox, Billy Crites, and Wayne Hughes.

Ten members and three visitors attended.

"Mid-Winter Frolic" Is Enjoyed At Club

Thousands of soldiers and their guests danced Saturday night at the "Mid-Winter Frolic" held in the new Service Club at the Midland AAF Bombardier School.

Music for the evening's dancing was furnished by the bombardier school's newest swing band, "The Jive Bombers," under the direction of Master Sgt. Thomas Marcell. A special floor show was presented.

WILSON'S

M. H. S. Receives Quill and Scroll Charter

Charter and a letter received by Ruth Carden, journalism sponsor of the "Quill and Scroll," international honorary society for a school journalists, gives her right to organize a chapter at Midland High School.

The "Quill and Scroll" membership in the "Quill and Scroll" is reserved for those qualified staff members of "The Bulldog" and "Catoico," and whom Miss Helene Miley, Miss Carden will select. The members will be selected by virtue of the students' talents, abilities, service records, but the organization of the chapter group will not be made until after mid-term examinations.

The charter, engraved in black and white, certifies that Midland High School is a member of the organization and bears the "Quill and Scroll" seal.

The "Quill and Scroll" was organized in 1926 under the direction of Northwestern University at Chicago. Schools are invited to membership after copies of their publications have been approved by the board. The 1942 "Catoico" and copies of the "Bulldog" were sent for inspection in December.

Calendar Of Coming Events

Monday—Spelling.
Tuesday—Spelling.
Wednesday—Exams.
Thursday—Exams; Jackson Marimba Concert; North Ward PTA at 1 p. m.
Friday—Exams; Bulldogs vs Steers at Big Spring, 7 p. m.; Victory Concert in auditorium, 8 p. m.

Who's Who... Billy Joe

Billy Joe Stickey, junior, was high point man in the basketball game with Stanton Tuesday night, Stickey, as he is known in these parts, plays forward on the M. H. S. basketball team. He lettered last year and is well on his way toward another letter.

Stickey is also a football letterman. He was a member of the boys' doubles tennis team playing in Interscholastic League contests. His partner was Leon Byerley.

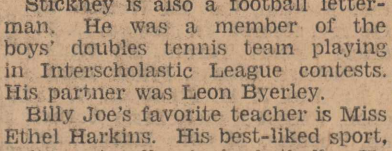

Billy Joe's favorite teacher is Miss Ethel Harkins. His best-liked sport, quite naturally, is basketball. He plans to become a basketball and football coach after attending SMU. When asked his favorite subject, Billy Joe replied, "Mary Ellen."

As high as supposed Stickey's pastime is practicing basketball. We have all heard the saying, "Practice Makes Perfect." To Billy Joe, the saying is true. He also said that he thought it would be a good thing if military training were put in the curriculum of high school.

When asked if he thought boys were helping in the war effort, he answered, "Yes, by conserving gasoline."

Billy Joe is now vice-president of the junior class. When a freshman he was sergeant-at-arms of his class.

So you see, after all, this Stickey's quite a guy.

Billy Joe Stickey, junior, was high point man in the basketball game with Stanton Tuesday night.

Personals And News Of Former Midland Students

Jack Hanks, 1939 graduate of Midland High School, is stationed at Camp Bowie at Brownwood in the Army. Patsy Tull spent Wednesday in office.

Nell Ruth Bedford and Montez Owens, former University of Texas students, visited school Wednesday afternoon.

Mary Frances Carter, Virginia Cole, and Elsie Schlosser danced at Junior High assembly Wednesday.

Harold and Bill Chancellor, and son Byerley returned to NMMI Wednesday.

Mrs. Delbert Downing substituted for Mrs. De Lo Douglas Monday.

Bob Preston, Hugh Corrigan, Paul Corbett, and Joe Midkiff are now at Manhattan Beach, New York, with the U. S. Coast Guard.

Mary Fern Bray played the piano accompaniment for Dorothy Faye Holt when she danced for junior high assembly Wednesday.

Billy Graybeal has withdrawn from school to enlist in the Navy.

Mrs. Buster Malone, former Sylvia King, has returned home after recent visit with her husband in Washington.

Briggs Chooses Final Cast For 'One Mad Night'

Tryouts for the all-school play, "One Mad Night," held three days last week, attracted the largest number of students in the history of the school.

All classes were represented in the 48 would-be actors and actresses. The cast is composed of: Jim Hazelwood, Billy Brown, Glenn Murray, Jerry Jordan, Charles Funk, L. C. Neatherlin, Glenn Parrott, Billie Jones, Melba Clendennen, Mary Frances Carter, Wanda Jean Girdley, Elaine Hedrick, Kathryn Hanks, and Margaret Mims.

Seniors trying out included: Belva Jo Knight, Jo Ann Blair, Martha Jane Preston, Kathryn Hanks, Elaine Hedrick, Norma Jean Stice, Melba Clendennen, Patsy Butcher, Margaret Mims, Gina Stotte, Janice Pope, Colleen Oates, Jim Hazelwood, Mary Frances Umberson, Glenn Parrott, Billy Brown, Faye Doris Douglas, Gene Hays, and Douglas McClain.

Juniors who tried for parts were: Barbara Conkling, Nellie Brunson, L. C. Neatherlin, Theresa Jane Stringer, Ann Vanaman, Burvin Hines, Wanda Jean Girdley, Max Allen, Mary Fern Bray, and Patsy Warren.

Sophomores included: Mary Ellen Midkiff, Billie Ann Hill, Mary Ruth Bizzell, Betty Chanslor, Betty Jo Greene, Jo Ann Stanley, Betty Pickering, Helen Faye Shelton, Mickey McDonald, Jerry Jordan, Ann Ulmer, Sammie Lee Gard, Patsy Pope, Gloria Goodard, Ann Porterfield, Phoebe Louis, Cecilia Long, Shirley Culbertson, Charles Funk, Betty Smith, and Mary Patton.

Freshmen in tryouts were: Martelle McClure, Patsy Riley, Jeanette Barnett, and Billie Jones.

Know Your Faculty—Principal G. B. Rush

G. B. Rush, formerly principal of Junior High, is now the High School principal.

Rush came to Midland last year from Miami, Texas, where he was principal. He taught a science class in Midland High School last year.

He attended San Marcos and Colorado State Colleges and was a member of Pi Gamma Mu scholarship society, and T. A. Association, an athletic fraternity.

Mary Kathryn, two months old, and John Boyd, 6, are Mr. Rush's two children. Mr. Rush and his family attend the First Baptist church.

His favorite sport depends on the season. He said: "I like any sport, such as football, basketball, and track, just whichever season it comes in."

When asked if he had any new plans for the school, he replied: "Things will be carried on as usual."

G. B. Rush, formerly principal of Junior High, is now the High School principal.

Fourth Concert In Series To Be Given Friday, January 27

Friday night at 8 o'clock in the High School auditorium, the citizens of Midland will hear the first victory concert of the new year.

The speech and band departments will be in charge of the program. Steve Briggs, head of the speech department, will present Billie Walker in an oration, "Statue of Liberty Speaks." Members of that department also will present a play, "At Home in Hades." The cast of this play is composed of boys only.

The band, under direction of Ralph Utley, will present, "Suite for Military Band," "In a Persian Market," "Vogue Overture," "March Gloria," "Foodlifter March," "Blue Danube," and "Naughty Waltz."

Miss Jacobina Burch Weds Charles Harding

Miss Jacobina Burch, former Spanish teacher in Midland High School, was married to Charles Harding in San Antonio January 15.

The couple will be at home in San Antonio after February 15.

Mr. Harding, who is engaged in government war work, is studying in New York. Mrs. Harding left Midland last year to take a position in the United States censorship department.

Home Nursing To Be Offered Next Term

Miss Iva Butler has charge of the home nursing course which will be offered next semester. The course will be a two-period class, with a half credit, which will be a solid credit.

No previous credits in homemaking are required for enrollment, and Miss Butler says it is especially recommended to junior and senior girls.

Flare Parachute Is Given To Miss Butler

A flare parachute now is being displayed in the dining room of the homemaking department of Midland High School.

The parachute was given to Miss Iva Butler, foods instructor, by Hazel Midkiff.

It is made of silk and contains 60 yards of material.

High School Exams To Start Wednesday

Examinations will be held January 20, 21 and 22.

Wednesday afternoon from 1 until 2:30 o'clock all English examinations will be given. From 2:30 until 4 p. m., home economics, bookkeeping, industrial arts, aviation, and diversified occupations.

Thursday morning from 9 until 10 o'clock: history and civics examinations. From 10:30 until 12 a. m.: agriculture, journalism, typing, and speech.

Thursday afternoon from 1 until 2:30 o'clock: science, Latin, public speaking II, and Spanish. From 2:30 to 4 p. m.: music and biology.

Friday morning all mathematics examinations will be held from 9 until 10:30 o'clock. From 10:30 till 12 a. m.: physical education examinations. There will be no examinations Friday afternoon and students should not come to school.

Students will not come to school when they do not have examinations.

Student Talent Is Program In Assembly

Several students of Midland High presented their talents in assembly Friday.

The program consisted of a piano duet by Margaret Mims and Elaine Hedrick, "Spanish Dance," a dance and song act, "I Got a Touch of Texas" by Ann Vanaman, accompanied by Mary Fern Bray. Eileen Eiland presented a piano solo, "Themes of Rigoletto." Virginia Stotte, Mary Frances Carter, and Elsie Schlosser gave a dance accompanied by Mary Fern Bray. Marcia Funk played on her accordion, "Dearly Beloved" and "He's My Guy." A reading was given by Mary Fern Bray, and Jim Hazelwood presented a piano solo, "St. Louis Blues."

Bulldog's Kennel

The Bulldogs took both ends of a double-header against Stanton Wednesday night at Stanton.

In the "B" string game the Midland boys, sparked by Davidson, nosed out Stanton by a 32-29 score. Davidson was high point man for the Bulldogs with 14 points; Thompson led Stanton's tally card with 18 points.

The "A" string game was a much better game than the score reveals. The Bulldogs had more pep and hustle than in any other game of the season, swamping the Buffaloes 46-21. Stickey was the Bulldogs' high scorer with 17 points, Campbell led for Stanton with 12 points.

Bulldogs Run Wild
Friday night the Bulldogs trekked to Lamesa to return the games played here last Friday. In the "B" team game, the Bulldogs, led by Daugherty, ran wild to pile up 29 points to Lamesa's 6. Daugherty rolled up 15 points by himself.

The "A" game, a fine defensive contest between both teams, found Midland on top again with a score of 23-12. Kelly, with 8 points, carried the honors as Midland's high scorer.

The games were exciting enough to make Steve Briggs command your "Kennel mate" to call him at 1 a. m. to tell him the outcome. I hope the said Mr. Briggs wasn't too excited to go back to bed!

We're In A Rut, Let's Go To School

The most popular place about 9 o'clock seems to be the principal's office. Every morning there are large crowds waiting to get absentee or tardy slips.

Never before in the history of high school have there been so many absences or tardies. For instance, one senior has eight absences and seven tardies for a period of four weeks. He is only one of many.

We all know students want to get out of school as soon as the bell rings but more than one has had to trudge down to 202 and stay a while.

Now, students, hadn't you rather get up and get to school on time than stay after everyone else has gone? Being late may let you sleep a little later in the morning or being absent may let you go to the show or lounge around at home, but it certainly doesn't help your standing at school. For instance if you were absent two days out of one week and work wasn't "made up" there would be 6 per cent off of your grade for that week, and even if it were made up you wouldn't get the full benefit of the lesson since you weren't in class. If you were absent two days out of very many weeks at the end of the semester your grade wouldn't be exactly outstanding.

Well, let's make a new year's resolution (although a little late) that we will all try our best to cut down that crowd around the principal's office.

Readings Given In Dramatic Club; Plans Made For New Club

Students of the advance speech class presented several choral readings to members of the Dramatics Club Thursday.

Students who participated in the readings included: J. S. Patton, Jerry Jordan, Glenn Murray, Ann Ulmer, Cecilia Long, Shirley Culbertson, Carlton Gilbreth, Douglas McChish, Jim Hazelwood, Jo Ann Blair, Faye Doris Douglas, and Belva Jo Knight.

The choral readings by the group consisted of "Jaquess Song," "Ar-Jie's Song," "The Congo," "The King of China's Daughter," "The Milton Abbey Rhyme From Dorset," "Doxology," "Into the Woods My Master Took," "34th Chapter of I Corinthians," "Matthew, 9-9," "XXIV Psalm."

Stephen Briggs, director of the club, announced there would be a national high school dramatics association beginning next semester. The organization is called the National Thespian Association. Acting in plays or helping in stage works, directing, publicity, ticket sales, and distributing programs count as points, which are required to belong to the association.

Committees also were selected to assist Briggs for the play in the Victory Concert. Students on the committees include Billy Howze, Billy Walker, Mary Frances Carter, Dorothy Dale, and Cecilia Long.

At the meeting of the Homemaking Club in room 202 Thursday afternoon La Vera Robertson gave a talk on "New Lamps from Old Bottles." Joan Williams discussed "Building Beauty," and Doris Lynch chose as her topic "Charm and Personality."

Music Corner

The Junior Music Club of Midland will have its first meeting of the new year at 7:30 p. m. Tuesday, in the North Ward School.

Favorite hymns of several of the Midland churches will be discussed by club members. Barbara Brown will represent the First Baptist church; Alberta Smith, Methodist church; Betty Ruth Pickering, Christian church; Kathryn Hanks, Church of Christ; and Glenna Graham, Presbyterian church.

After hearing sketches of the hymns the club will sing several, Elaine Hedrick and Margaret Mims will favor the club with a piano duet, "The Hallelujah Chorus." Clarissa Mann and Leora Mann will sing a duet, and the choral club will sing "Santa Maria." Norma Jean Stice will be in charge of the program.

Dance Band Music
The dance band has organized, and music for it has arrived. The numbers include: Mr. Five by Five, Serenade in Blue, Brazil, One o'Clock Jump, Johnson Rag, On the Sunny Side of the Street, Jumpin' at the Woodside, You Made Me Love You, Take Me, Somebody Loves You, Strip Polka, Knock Me a Kiss, Study in Green, Sibolney, and I Had the Craziest Dream.

The dance band is scheduled to play for the coronation and for a dance at the gym later in the season.

Foods Classes Serve Breakfast At School

Formal breakfasts were served by each of the four groups in the first period foods class Thursday morning. The second-year class made pastries consisting of two-crust pies, cream pies, and pecan pies. The class made frozen desserts Friday.

Dance Band Music

The dance band has organized, and music for it has arrived. The numbers include: Mr. Five by Five, Serenade in Blue, Brazil, One o'Clock Jump, Johnson Rag, On the Sunny Side of the Street, Jumpin' at the Woodside, You Made Me Love You, Take Me, Somebody Loves You, Strip Polka, Knock Me a Kiss, Study in Green, Sibolney, and I Had the Craziest Dream.

Burton Jackson To Give Marimba Concert Jan. 21

Burton Lynn Jackson, marimba virtuoso, will appear in a concert at North Ward auditorium at 1 p. m. Thursday under the sponsorship of the North Ward PTA.

Burton Lynn Jackson

Jackson has carved a career for himself in a quiet unassuming manner. It might be said that he acquired his musical education backwards. He had never studied a scale or touched a musical instrument of any kind until his eighteenth birthday. By that time, having decided definitely for himself that his interest lay in the marimba, he proceeded in this thorough and enthusiastic way to obtain the necessary knowledge by beginning at the top. While most beginners start with teachers of less renown, he enrolled with the eminent instructor, Claire Omar Musser, whom all authorities agree has no peer in instruction in this field.

Musser's profound knowledge was eagerly and rapidly absorbed by this more than talented student, and in less than six years Jackson started a career of his own, drawing nationwide attention by his unusual arrangements, particularly those of the old masters whose compositions rarely, if ever, were used on the marimba.

Helen Shelton Is Q.V.V. President

The Q. V. V. Club met at the home of Cecilia Long Wednesday afternoon.

The following officers were elected: Helen Shelton, president; Jo Ann Stanley, vice-president; Mary Bizzell, secretary; Phoebe Lewis, treasurer; and Jeanne Russell, reporter.

Plans were made for the Q. V. V. dance.

Hanks, Oates, and Douglas Are Selected For D.A.R. Contest

Kathryn Hanks, Colleen Oates, and Faye Doris Douglas were selected by the senior class Wednesday as contestants for a free trip to Washington, sponsored by the Daughters of the American Revolution.

The faculty will choose one girl from these three in the near future, and her name will be submitted to D. A. R. members in Austin.

G. B. Rush, principal, read the following qualifications that the girl must meet: Dependability, service, leadership, patriotism, and scholarship.

Other girls nominated for the contest were: Janice Pope, Margaret Mims, and Isabel Morehouse.

Rush also announced that the senior class should be choosing a speaker for commencement and the baccalaureate sermon.

Sgt. Morrow Speaks To Aviation Class

Staff Sgt. Keith Morrow, of the glider command in Stuttgart, Ark., spoke to the aviation class of Midland High School Monday on advantages of pre-flight training to pilots of both power-driven planes and gliders.

He said all maneuvers, and most acrobatic stunts, could be done in gliders as well as in power-driven machines. He explained that because gliders depend on their construction and the pilot rather than power, the glider-pilot gets a much greater thrill in operating them than pilots of power-driven planes.

The principal advantage of using gliders is that they can land in one-third the space required of a power-driven plane, Sergeant Morrow said. He also said a new use of nylon is the making of tow-ropes for gliders.

He concluded his talk by saying, "Even though glider pilot training is one of the newest features of the war program, there have already

Girls Learn To Make Beds Hospital Style

Mrs. Ruth Rhodes, Midland County health nurse, gave a demonstration to the second-year clothing girls and to one class of third-year food girls, in making a bed with the patient in the bed.

The points she stressed were to: conserve the patient's energy as well as that of the nurse, pull the bed linens tight to make a smooth, comfortable and neat bed; keep linens clean by keeping them off the floor during the process of bed-making, and avoid shaking the covers over the patient's face, because of the lint that the patient might inhale.

The demonstration was given in the homemaking department where a hospital bed has been set up.

Several hundred glider pilots sent to foreign service.

The sergeant, who is in advanced training, is the brother of Miss Cora Lee Morrow, high school teacher.

NOTICE

In compliance with Food Distribution Order No. 1, dated Dec. 30, 1942, effective Monday, Jan. 18, 1943:

WE WILL DISCONTINUE SLICING BREAD

We take this method of thanking you for your past patronage and ask for your continued good will and cooperation during these difficult times.

We realize that this will be an inconvenience and a hardship on the housewife, but we feel sure that you will feel as we do — that no sacrifice is too great to make to win this war.

We shall continue to give you the BEST loaf of bread that is possible to make and assure you that you shall find it at your favorite grocer's — ALWAYS FRESH.

MEAD'S Fine Bread

Miss Martha Jane Huntington Weds L. E. Sharpe In Ring Ceremony Here

In a single ring ceremony read at 5 o'clock at the First Presbyterian Church Friday, Miss Martha Jane Huntington, daughter of Mr. and Mrs. Albert H. Huntington of Webster Grove, Missouri, became the bride of Louis E. Sharpe, son of Mr. and Mrs. Grant A. Sharpe of Orange, New Jersey. The Rev. Hubert Hopper, pastor of the First Presbyterian Church, read the ceremony.

The bride wore a winter white tulle street length dress with brown accessories and a corsage of orchids. Her attendant, Mrs. Elizabeth Ogan of Midland, wore a wine wool dress with brown accessories also. Her bridesmaid, Mrs. A. H. Huntington, wore a deep wine dress with black accessories.

Wedding Supper Is Held

Mrs. Sharpe is a graduate of Webster Grove High School in Missouri and the bridegroom attended Lehigh University in Bethlehem, Pa.

Robert C. Lyons was best man. The altar was decorated with white carnation bouquets.

Following the wedding a supper was served to the wedding party in the dining room of Hotel Scharauer.

Guests included the couple and the Rev. and Mrs. Hopper, Captain and Mrs. Harold Ogan, Mrs. A. H. Huntington and Robert C. Lyons.

The couple will reside in Midland.

We, the Women

By RUTH MILLETT

Apparently women need to improve their "paying guest" manners.

Word from Washington says that landladies in the capital have such a preference for men roomers that girl war workers have a difficult time finding a place to live.

Years of experience have probably taught landladies that men are easier to have around than women. Anyhow, the girls who have to live in rooming houses or private homes ought to look into the matter, and if they think it may be true their "paying guest" manners aren't as good as their guest manners, they ought to get busy and improve them.

Maybe they have long, chatty conversations over the telephone every night—keeping the line busy so that the other roomers can't get their calls.

Maybe they hold the bathroom for long periods at a time while they put on their make-up, wash out things they could send to the laundry, and try out the latest reducing exercises.

Maybe they borrow the landlady's iron and forget to return it when they're finished.

Maybe they are a little bit snooty toward the landlady.

Maybe, being women and used to looking in corners for dirt, they are unnecessarily critical of her house-keeping.

Maybe they get too chummy among themselves, and then have fights, ending up in one woman roomer—or both—packing up and moving out.

Maybe It's Wanderlust

Maybe they are too addicted to shopping around to settle down in one place and look on it as home, but are willing to pack up and move on every time they hear of a rooming house that seems to offer some advantages theirs doesn't have.

Maybe they can't resist gossiping about the other roomers.

There is a chance, though, that their rooming house manners are the very best and that the only reason they aren't welcomed by landladies is the fact that landladies are women, and being women, just naturally prefer to have men around the house.

Red Cross Notes

Yes, the boys in the navy wear weathers, too, and there is plenty of wool at the Red Cross sewing rooms to be made into knitted garments for our Navy men. Knitters may take this material to their homes.

Many new workers reported at the sewing room in the Old Heidelberg Inn to work on the conventional robes last week, and it is hoped this week will find more women devoting time to this work.

The quota of 14,400 surgical dressings was finished last week and the surgical dressings room on the third floor of the courthouse is closed, pending receipt of material for the new quota.

Midland is ready to organize its first Canteen Corps. Approximately fifteen women will receive a certificate upon completion of the Canteen Course now being supervised by Miss Jean Bain. They now are ready to do volunteer food preparation, and help meet the needs for emergency group-feeding. One of the jobs will be to serve food to the soldiers at the older Center.

The Canteen Corps will need donations or financial aid to carry out projects similar to those in operation in other cities. Those who wish to help in this phase of the Red Cross work may call Mrs. C. C. Cooper or Mrs. R. E. Lassier, canteen chairman of the Midland Red Cross.

Vermont was the first state to be admitted to the Union after the signing of the Constitution by the original 13.

Instead Of Glamor, Spring Lingerie Trends Toward Wartime Practicality

(From Bonwit, Teller, New York)

Glamor and charm in springtime lingerie: At left is shown a nightgown of Alencon-type lace and silk chiffon, with applique satin bands ending in a simulated bow in the back. On each side of the bodice front a spray of satin flowers is applique on the lace. The figure at right wears a real Alencon lace and satin slip-in, with satin mid-riff. Scalloped satin tops the decolette and satin piping finishes the pantie ends. She holds up a slip of Val-type lace and satin with diamond-shaped, figure-defining insets at sides. The sitting figure wears side-button panties of satin and Alencon lace and a bra, divided by crossed satin ribbons, of net-lined Alencon.

Coming Events

MONDAY
Red Cross workroom in the Old Heidelberg Inn will be open from 9 until 12 o'clock.

The PasTime Club will meet at 1:30 p. m. with Mrs. Ted Dykes, 611 South Colorado.

Joint Meeting Of Midland Clubs To Be Held Thursday

Members of the Lions and Rotary clubs, Junior Chamber of Commerce, Midland Geological Society, and Business and Professional Women's Club will meet in joint session in the Crystal Ballroom of Hotel Scharbauer Thursday noon to see special motion picture films released by the War Department.

Lions Club members will dispense with their Wednesday luncheon in favor of the Thursday meeting.

Ferry Bridgewater, Rotary president, will preside at the meeting and Captain Russell B. Brown, special service officer at the Midland AAF Bombardier School, will have charge of the showing of the films.

More than 125 persons are expected to attend.

Mother, Grandmother Work On Railroad Job

CHICAGO—(AP)—A young mother and a middle-aged grandmother have gone railroading the hard way in the hands of the Illinois Central railroad.

Eight hours a day and six days a week the pair—Mrs. Lorraine Harlan, 18, and Mrs. Mary Ann Pietraszek, 46—change railroad car wheels, load and unload brake beams weighing upward of 725 pounds, pick up scrap and do other man-sized tasks.

The job was strictly a man's field until Dec. 31. Now there are 104 women employed in the car department of the road's master mechanic's division.

Heidelberg Inn will be open from 9 until 12 o'clock.

The Dos Meas Club members will be entertained at 1:30 p. m. at the home of Mrs. Joe Canon, 202 Ridgela Drive.

Red Cross home nursing class will meet from 7 until 9 p. m. at the Midland High School.

Midland County Museum will be open from 2:30 until 5 o'clock.

Lucky Thirteen Club will have a party at 8 p. m. at the home of Mr. and Mrs. O. L. Jones, 2011 West College.

FRIDAY
Miss Jean Bain's Canteen class will meet from 9:15 until 11:15 a. m. in the district courtroom in the courthouse.

Red Cross workroom in the Old Heidelberg Inn will be open from 9 until 12 o'clock.

Belmont Bible Class will meet at 3:30 p. m. at the educational building of the First Baptist Church.

The Children's Service League will meet at 2 p. m. at the home of Mrs. Cooper Hyde, 314 South L.

The Glenn Walker Royal Ambassadors of the First Baptist Church will meet at 4 p. m. at the church.

SATURDAY
The Robyn Music Club will meet at 10 o'clock at the Watson School of Music.

Midland County Museum will be open from 2:30 until 5 p. m.

Treble Cleff Juvenile Music Club will meet at 1 o'clock at the Watson School of Music.

Before the Stars and Stripes was adopted, there were some two dozen Colonial flags.

No Absenteeism

Perfect attendance, no tardiness, excellent workmanship and good attitude toward fellow workers won Helen Priest, Detroit war worker, a trip to New York and set an excellent example for the rest of us to follow.

Capt. Lynch Downs Eight Jap Planes

SOMEWHERE IN NEW GUINEA—(AP)—Captain Thomas Lynch of Catasauqua, Pa.—quiet, smiling and as Irish as his name—is the ace of American fighter pilots in this area.

An airforce tabulation credited Lynch with downing eight Japanese planes, top number for any of the list of fliers who have been striking at the enemy from Australian and New Guinea bases.

Lynch added two Zeros to his tally December 27 to outstrip Lieut. George S. Welch, P-40 Warhawk pilot who has shot down seven. Welch first won fame in Honolulu, his plane there being one of the few fighters to battle the Japs during the Pearl Harbor attack.

Midland Jaycees To Attend Services At Presbyterian Church

Climaxing the observance here of National Junior Chamber of Commerce Week, Midland Jaycees will attend the 11 o'clock service at the First Presbyterian Church Sunday morning.

Clint Dunagan, Jaycee president, urged Jaycees to be on hand at the church by 10:45 a. m. Sunday. The Rev. Hubert Hopper, pastor, said pewes will be reserved for the Junior Chamber of Commerce members and their wives.

Church attendance in connection with Jaycees week activities is being stressed by the national organization and thousands of Jaycees throughout the United States will attend special church services Sunday.

West Point Gets Capt. J. L. Manley
Announcement was made Saturday of the transfer of Capt. John L. Manley to duties at the Army Air Forces Basic Advanced Flying School, United States Military Academy, Setwart Field, West Point, N. Y. Capt. Manley has been the assistant operations officer at the Midland AAF Bombardier School.

A man is known by the company he keeps from yawning.

IMPORTANT NOTICE TO Non-Residential Users Of Natural Gas

War Production Board Order L-31, as amended November 12, 1942, imposes certain restrictions on our right to deliver natural gas to you, and on your right to use natural gas. These restrictions, which apply only to NON-RESIDENTIAL GAS USERS (such as large or small business concerns of any kind, commercial establishments and industries), may affect your plans in the event you desire to do any of the following:

1. MOVE YOUR BUSINESS.
2. REPLACE YOUR GAS-FIRED EQUIPMENT.
3. INSTALL ADDITIONAL GAS-FIRED EQUIPMENT.
4. REQUEST GAS SERVICE FOR A NEW BUSINESS.
5. IN SOME CASES, WHEN YOU APPLY FOR RESTORATION OF GAS SERVICE.

Should you desire to obtain gas service under any of the above conditions, you should file an application for permission to do so with the War Production Board, and have such application certified by us. We have the necessary forms for your use.

Our purpose in calling this Order to your attention is to enable you to make your plans accordingly, IN ADVANCE of your actual need for gas service, or IN ADVANCE of any change in your gas-fired equipment. This nation-wide War Production Board Order is designed to curtail additional non-essential gas use, because of the anticipated inability of many gas companies to supply all gas needs in severely cold weather.

Some you no doubt have questions to ask. If so, we have at our office a qualified company employee who will be glad to discuss any contemplated changes in your gas service or equipment, and to advise you whether or not such changes will require the filing of an application for approval with the War Production Board.

Plans For C. of C. Victory Banquet Near Completion

Arrangements were nearing completion Saturday for the Victory Banquet and annual membership meeting of the Midland Chamber of Commerce in the Crystal Ballroom of Hotel Scharbauer at 7:30 p. m. Tuesday, Jan. 26.

Tickets for the annual event were on sale at the chamber of commerce Friday. Reservations should be made as soon as possible. Paul McHargue, chairman of the ticket sale committee, said only a limited number of tickets would be sold and that a "first come first served" policy will be followed. He pointed out the banquet is open to both men and women and to both members and non-members.

Brig. Gen. Isaiah Davies, commanding general of the Midland AAF Bombardier School, will deliver the principal address. His subject had not been announced Saturday.

Officers To Be Elected

Ralph Barron, chamber of commerce president, said several unique features are being arranged in connection with the Victory Banquet. He urged as many members as possible to attend.

The program of entertainment is being arranged by Mayor M. C. Ulmer, president of the West Texas Chamber of Commerce, who will be the toastmaster.

Officers and directors of the organization for 1943 will be elected at the meeting, following a report of the nominating committee.

Members of the ticket sale committee are McHargue, H. S. Collins, George W. Glass, Clint Lackey, Frank Cowden, Allen Watts, J. C. Smith and J. B. Hoskins.

D. H. Griffith and J. P. Butler comprise the audit committee.

One Belle, and All's Well

San Diego sailors picked Hollywood actress Marguerite Chapman as the girl they'd most like to "stand watch" with—and it looks like gobs David Else and Harold Stone are about to abduct her for service with the fleet.

Bands To Parade During Visit Of Sub Wednesday

Two bands will parade and entertain with concerts here Wednesday during the visit to Midland of the two-man Japanese submarine, sponsors of the event announced Saturday.

Tentative plans call for a parade and concert by the Midland High School band during the noon hour, with the AAF Band of the Midland Bombardier School to parade through the downtown section at 1:30 p. m. The AAF band will then play a concert at the Postoffice.

Streets will be roped off prior to and during the visit of the submarine, Police Chief Lon Tyson said. The sub will be on display from noon until 3:30 p. m.

Sell War Bonds At Program

It is scheduled to arrive here at about 11:30 a. m. and will be escorted by police.

The sub is being brought to Midland by the Treasury Department. It was captured at Pearl Harbor in December, 1941, and now is on a War Bond selling tour of the nation.

It is mounted on a tractor-trailer. The submarine is 31 feet long and weighs 20 tons.

Persons buying War Bonds or Stamps will be permitted to inspect the interior of the submarine by looking through portholes cut in the hull. Catwalks with stairs at either end are mounted on the sides of the sub. Children will be asked to purchase a minimum of 25c in War Stamps while adults will be requested to invest at least \$1. The stamp sale will be handled by post office clerks, while members of the Midland Junior Chamber of Commerce will man booths to sell War Bonds. It is hoped Midland citizens will equal high War Bond purchases established at other cities where the sub has been on display.

Paperweights made from steel cut out of the side of the submarine when the port holes were made will be awarded persons purchasing at least \$25,000 worth of War Bonds.

Arrangements for the showing of the submarine here are being handled by the Midland County War Bond Committee and the Midland Chamber of Commerce.

Sponsors expect one of the largest crowds in Midland's history to see the war trophy.

Princesses Practice First Aid

A royal arm is wrapped in a sling as Princess Elizabeth practices first aid with her younger sister, Princess Margaret Rose, in London's Windsor Great Park. The two daughters of King George are members of the Girl Guides.

Preston-Flowers Engagement Is Announced Here

The engagement of Miss Mary Beth Preston, daughter of Mr. and Mrs. R. E. Preston of Midland, to Cadet Idus Ray Flowers, of Ellington Field, Texas, son of Mr. and Mrs. C. Flowers of Midland, was announced at a shower Saturday at the home of Miss Doris Reese, 800 South Marientield, honoring the bride-elect.

Bouquets of daisies and yellow cashmires decorated the home. The white and yellow color scheme was used throughout the party.

The invitation list included the honoree, and Mmes. R. B. Preston, Joe Bean, George Stewart, J. C. Peeler, C. Flowers, Henry Locklar, B. T. Graham, Troy Eiland, Bob Preston, N. D. Staton, J. L. Kendrick, Tom Hale, Bill Cook, Albert Teague, John King, Sylvia Malone, Mammie McKee, Dick Midkiff, Arlie Bryant, Jimmie Bean and W. T. Bryant, and Miss Doris Preston, Miss Lavanna Locklar, Miss Melba Jean Preston and the hostess.

Evangelist Grotheer To Lecture At Church

"Spiritualism Unmasked" will be the topic of Evangelist Wm. H. Grotheer's opening lecture at 8 p. m. Sunday at the Seventh-Day Adventist Church, West Pennsylvania and Loraine, as he continues the revival started by Evangelist R. E. Delafield.

Subjects for the week follow: Monday—"Origin of Law; Necessity of the Gospel." Tuesday—"Sign of Sanctification—Is It Speaking in Tongues?" Wednesday—"The Message of the Four Beasts of Daniel 7." Thursday—"Religion After the War." Friday—"God's Answer to Modern Apostasy."

No human being has been killed by meteorites so far as is known.

487th Bombardier Training Squad.
By Sgt. Rudolph Von Waldau.

From all indications, it looks as though the 487th basketball squad will continue to maintain the high standards set by its softball and bowling squads in previous competition. Most squadrons are now practicing and the fellows believe that the coming court season will provide lots of close competition. The men were pleased with the condition of the basketball court at the new Service Club but the majority found the new fan-shaped backboards a bit puzzling.

First Sgt. Henry B. Gardy loves Army life so much that he spent his entire furlough on or about this post. Most of the boys were inclined to disagree with Sgt. Gardy as to where a fellow should spend his furlough, but if they had their family in tow, they'd probably sort of hang around too.

Staff Sergeant Vernon L. Parsons is a changed man since he "convoyed" those boys to Madison, Wis. He returned with a big smile, a happy hello, and a beautiful shine on the seat of his pants.

Welcome sight: The new sign on our pool tables. The boys are rushing in to see if their pool game has improved because of the new green topping. Staff Sgt. Campanella, in spite of the new cloth, still misses those setups!

The 487th will surely miss First Sgt. Gardy and Chief Laundry who have been named to attend Officers Candidate School. Good luck, fellows.

494th Bombardier Training Squad.
By Staff Sgt. Francis Del Dio.

Plans for the first squadron party are finally taking shape. It will be held on Tuesday night and will be held in the new Service Club. There will be plenty of free eats and every squadron member is invited.

Sgt. Burt Dingwell is out of his misery. The 494th basketball team has begun its practice sessions with several ex-college stars. Scriber from Texas, Murphy from Illinois and Dingwell from Connecticut are among the stars. Due to the unusual practice hours, they've become known as the "in between" team.

Congratulations to Sgt. and Mrs. Bernard Zielski who recently were married in Odessa. Squadron members wish them lots of happiness.

Uncle Sam seems to have forgotten about his long-legged dough-boys. For this reason two of the boys recently attached to our squadron, Pvt. Harry Nettler and Pvt. Theron Williams, have become steady customers at the supply room. Their request includes some 14 1-2 shoes and 32-29 trousers.

489th Bombardier Training Squad.
By Pvt. John Bautnecht.

Last Tuesday night the 489th had a theatre party in the day room. Two pictures "Chesapeake Bay" and "Born to Fight" were shown. All had an enjoyable evening. Pvt. Peter Robertson turned out to be the life of the party with his singing and dancing.

Pvt. Francis O'Meara has established himself as the cribbage champ of the squadron and will take on all challengers.

PIRATE SHIPBUILDERS
ATLANTA—Alf Anderson, Pittsburgh shortstop, classified 3-B, is frozen in a shipbuilding job until the war is won.

Leaves five feet long are grown by the elephant ear plant.

Rationing At A Glance

Ration Books

War Ration Book No. 1—Used for sugar and coffee, will be required to obtain Book No. 2.

War Ration Book No. 2—To be issued soon, will provide for rationing on a "point system."

Mileage Ration Books—Books A, B, and C used for passenger car gasoline; E and R books, for non-highway uses; D, for motorcycles; T for trucks and commercial vehicles.

Rationed Food Commodities

Sugar—Stamp No. 10 in Book No. 1 good for three pounds until midnight, Jan. 31.

Coffee—Stamp No. 28 in Book No. 1 (for those 15 or older on the date the book was issued) good for 1 pound until midnight Feb. 7.

Meat—Voluntary share-the-meat program sets limit at 2 1/2 pounds per person per week. Meat will be rationed under the "point system" after Book No. 2 is distributed.

Mileage Rationing

Gasoline—Value of each coupon in A, B, and C books is 4 gallons. First 8 coupons in A book are good until midnight Jan. 21.

Tire Inspection—All "A" Book holders must have first official tire inspection by March 31. Subsequent inspections for "A" Book holders will be once every six months. "B" and "C" Book holders must have first official tire inspection by February 22. Subsequent inspections for "B" Book holders will be once every four months. Subsequent inspections for "C" Book holders will be once in every three months.

Tires—If official tire inspector recommends a tire replacement or recap, apply to ration board for tire or recap ration certificate. Tires and recaps will be rationed to all on the basis of the inspections and county quotas available, with most essential mileage to come first.

Congratulations to:

Mr. and Mrs. C. L. Glasse on the birth of a daughter Friday in a Midland hospital.
