## Japs Punish U. S. Officers

By The Associated Press  
Twenty-five United States Army and Navy officers and men and seven British sailors have been given "appropriate punishment" because they were said to have posed as ordinary civilians in the Philippines, the Japanese Domei agency said Saturday night in a Tokyo broadcast recorded by the Federal Communications Commission.

The nature of the "punishment" was not stated by Domei which quoted the Tokyo

newspaper Mainichi as saying that the men had been transferred to a war prisoners' camp from the Santo Tomas internment camp in the Philippines after making "confessions."

Mainichi, according to Domei, said the Americans and Britons "secretly discarded their military garb when their troops were defeated" last year because they gave "full credence to misleading Anglo-American propaganda that the Japanese killed all war prisoners."

## American Troops Driving Axis Back

ALLIED HEADQUARTERS IN NORTH AFRICA — (AP)—American soldiers in their first large-scale bayonet attack of the Tunisian campaign have stabbed into the fringe of the fan-shaper Axis bridgehead and captured two strategic hills, U. S. headquarters announced Saturday, while Allied airmen celebrated the striking of the war's deadliest blow at Axis shipping in the Mediterranean.

As the artillery-supported infantrymen stormed their way up the stoutly defended heights, the Allied air forces caught a concentration of enemy ships in the Straits of Sicily and sank seven of the vessels and hit at least two others.

## Salvation Army Takes Charge Of Soldier Center

Midland's Soldier Service Club now is a USO unit and the Salvation Army is operating the popular soldier recreation center.

Lt. Col. William G. Gilk of Dallas who is in charge of Salvation Army soldier center at the center arrived here Friday night and promptly took charge of the program.

Mrs. Clara Hood Rugel and her co-workers at the recreation center will remain on the job, and she will continue to head the work here. The Salvation Army officers departed Saturday after completing plans.

### Fites His Plane

He came by airplane to Odessa where he was met by Mayor A. N. Hendrickson and City Councilman John P. Butler. A council meeting was called and city officials worked out details of the plan. He went here to Pecos.

Gilk said the Salvation Army would reimburse the city for expenses at the center since it would take over all equipment. Additional equipment will be installed soon and improvements will be made. Arrangements are being made to lease the building for the duration and six months by the Salvation Army.

Plans for out-of-doors recreation facilities on property adjoining the center are being made by Colonel Gilk. They will be announced at a later date. Meanwhile, Mayor Hendrickson and city officials are trying to arrange for use of the vacant lots.

## War Bullefin

LONDON — (AP)— An Italian communique Saturday reported that Gen. Sir Bernard L. Montgomery's British Eighth Army had opened an intense artillery bombardment in the Enfidaville sector, a possible forerunner of a full-scale attack there, while the Berlin radio said an enormous Allied fleet, including three capital ships and three aircraft carriers, had passed Gibraltar into the Mediterranean.

ALLIED HEADQUARTERS IN NORTH AFRICA — (AP)—A special Allied announcement Saturday said it had been confirmed that seven Axis ships, including two destroyers and a corvette, were sunk by Allied bombers and fighter-bombers in the Sicilian Straits off the eastern tip of Tunisia on Friday.

WASHINGTON — (AP) — The Navy announced Saturday that American bombers and fighters attacked five Japanese bases in the Solomons on Thursday and Friday, starting large fires at Kieta and Kahili.

## News Briefs

CAPE GIRARDEAU, Mo. — (AP) — Missouri State Guard members in the Illinois, Mo., area were held in readiness Saturday night against possible renewal of labor violence that have stopped work on a new oil pipe line.

WASHINGTON — (AP) — The War Food Administration moved Saturday night to route a larger portion of beef cattle through federally-inspected slaughter houses so that the government might have a better chance of obtaining supplies of beef for the armed forces.

WACO — (AP) — Pat M. Neff, president of Baylor University, issued a call Saturday for a "special and extraordinary meeting" of the full board of trustees here next Saturday to consider the removal of Baylor's School of Medicine, Dentistry and Nursing from Dallas.

HOT SPRINGS, Ark. — (AP) — The Arkansas Junior Chamber of Commerce Saturday petitioned President Roosevelt by resolution to intern John L. Lewis, president of the United Mine Workers of America.

The resolution, dispatched to the President by telegraph, urged Lewis' internment "x x x so as to remove one of the most disturbing elements x x x to the successful prosecution x x x of the war."

WASHINGTON — (AP) — The United States extended \$688,000,000 in lend-lease aid in March, bringing to \$10,319,000,000 the total expenditures since the program began March 11, 1941, Administrator Edward R. Stettinius Jr. said Saturday.

HOUMA, La. — (AP) — Senator Allen J. Ellender (D-La.) branded John L. Lewis as "one of the greatest menaces to this country" at dedication ceremonies of the Navy's new \$10,000,000 lighter-than-air craft base here Saturday.

"I left to me, I would want to banish him from the country," Senator Ellender said. "He should be sent off in an Army bomber and parachuted down over Berlin where he would be good company for Hitler and his kind."

## Coast Guard Ship Sinks Nazi U-Boat

WASHINGTON — (AP) — A Coast Guard cutter sank a German U-boat off the Carolina coast several months ago, the Navy reported Saturday, and captured 33 members of the crew, including the commanding officer.

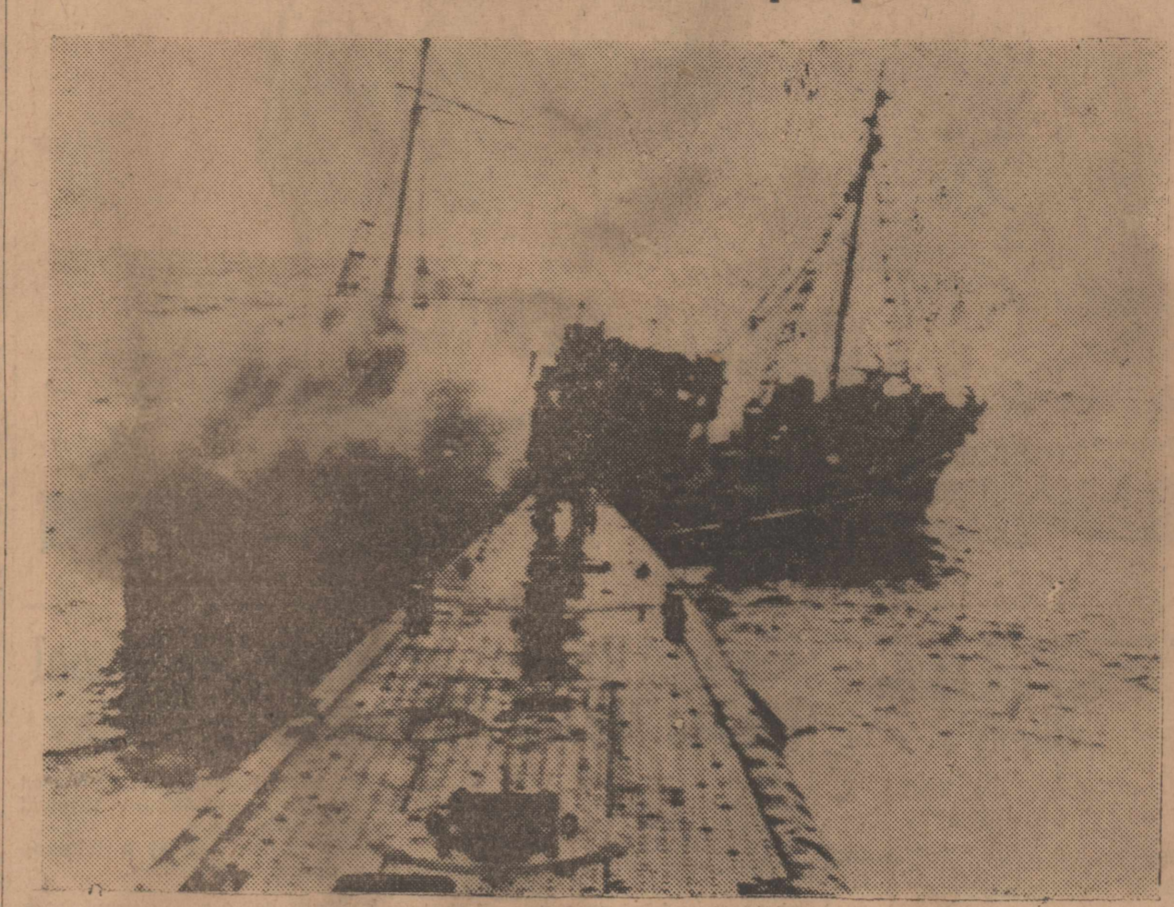

Another officer and 31 enlisted men made up the group captured. The prisoners were taken to Charleston, S. C., and presumably now are being held in a United States prison camp, although the Navy did not comment on their present disposition.

Destruction of the U-boat and the capture of the prisoners was achieved by the 165-foot cutter Icarus which depth charged the sub and then raked its deck with gunfire when it was forced to the surface.

Crew Captured  
Immediately afterward, the undersea raider began to sink and members of its crew who had sought to man a deck gun jumped into the sea.

Those who were picked up by the Icarus. The rest went down with their ship.  
The cutter was under the command of Lieutenant (now Lieutenant Commander) Maurice D. Jester, 53, of New Drop, Staten Island, N. Y.

## U. S. Sub Crew Finishes Jap Ship

## Large Japanese Ship Hit Near New Guinea

ALLIED HEADQUARTERS IN AUSTRALIA — (AP) — A 5,000-ton Japanese ship was bombed Saturday off Dutch New Guinea and left sinking, the high command announced.

In another aerial action over Soembawa Island, Netherlands East Indies, three Japanese fighters were shot down.

The Japanese ship, a cargo vessel, was attacked by four-engined Allied bombers off Manokwari.

The vessel was in the harbor. A direct hit and a near miss were scored by the raiders. The ship last was seen settling by the stern in a spreading oil slick.

The Soembawa action occurred when eight Japanese fighters sought to intercept a big Allied bomber on a reconnaissance mission.

The bomber, in shooting down three planes, also sustained some damage but reached its base safely.

In addition to the attack on the ship, Allied bombers over Dutch New Guinea also attacked the airbases at Timika and Nabire.

Elsewhere in the area northwest of Australia, a medium bomber raided (the wharf area of Langgoor on the Kai Islands.

In the northeastern area, Cape Gloucester's airbase on New Britain, a favorite target, took a new pounding from a single big bomber.

Over New Guinea, Reiss Point, which is northward across the Huon Peninsula from Lae, was the target of a single four-engined bomber.

44 Strafing Runs  
In another of the almost daily aerial actions in support of Allied ground troops, attack planes bombed and machine-gunned the Japanese positions. These planes made 44 strafing runs, a record for the area. Runs ranging from 10 to 20 are almost commonplace.

The flight of the Liberator which recently blasted at the Japanese base at Kendari, in the Dutch Celebes, Soembawa, between the island of Lombok and Flores, is not a great distance from Java.

The new office is set up within the WPB and replaces the board's old Office of Civilian Supply headed by Joseph L. Weiner.

Solons Approve Seizure Of Mines  
WASHINGTON — (AP) — Congressional comment on President Roosevelt's coal order left little doubt Saturday night that the Chief Executive has Capitol Hill support for taking over the strike-afflicted mines.

At the same time several Congressmen expressed sympathy for the miners' wage demands, and Senator Langer (R-ND) said belief for the strike should be placed on the U. S. Steel Corporation.

Other comments included: Senator Connally (D-Tex): "The President in taking over the mines followed the only practical course open to him. The American people will support the action of the President in such further action as may be necessary. If he deems the use of troops necessary they will support and applaud him."

## Travel Restrictions To Save Coal Loom

WASHINGTON — (AP) — With a sweep of President Roosevelt's pen the government Saturday seized control of the strike-swept coal fields, and Saturday night officials prepared to clamp down severe restrictions on rail travel and consumption of coal in electric power generation to ease the nation's fuel crisis.

The government declared the mines the property of the United States and invited the miners to work for the government, subject to no orders from John L. Lewis.

Fuels Administrator Harold L. Ickes took over as manager of the rich, war-vital mines that produce 95 per cent of the nation's coal mines where 480,000 men were idle Saturday.

Ickes said preparations are under way to cut railroad mileage by one-fourth, to reduce the rail's load up on the fuel stockpile. At the same

time, it was understood reliably that a nationwide dimout is under consideration to conserve coal used by electric generating stations.

Conservation Urged  
Ickes urged the public to "conserve and save every pound of coal possible."

Armed with authority to use troops if necessary in reopening the mines next week, Ickes said: "I pray that the use of soldiers will never become necessary. They will not be called in unless it is absolutely essential."

But the troops remained at Ickes' command if he ruled they were needed. President Roosevelt, who acted as commander-in-chief of the armed forces, gave the administrator full authority to call on the War Department for whatever aid he found desirable and necessary.

Work Orders Dispatched  
Ickes began his unprecedented job by dispatching "call to service" telegrams to 3,850 coal operators, ordering them and their workers to be on the job Monday. He called in 11 regional managers and gave them instructions, telling them "unless the mining of coal is resumed without delay, we face almost immediate curtailment of the production of arms and supplies for our military forces."

He ordered the American flag to fly over all the coal fields, and dispatched red, white and blue posters to every pit-head, warning "no person shall interfere with the operation of the mine by the United States government."

Even as the President and his fuels aide acted, a survey showed 480,000 miners Saturday in 12 states employing 525,000

Soviets Destroy 48 Gun Batteries And 24 Aircraft  
LONDON — (AP) — Soviet artillerymen destroyed 48 enemy artillery and mortar batteries and Russian airmen shot down 24 German planes Saturday in repulsing Axis counterattacks in the Northwestern Caucasus, Moscow announced early Saturday.

Although the Germans maintained that scores of thousands of Russian infantrymen, supported by tanks and planes, still were attacking the German foothold around Novorossisk on the Black Sea coast, the midnight Moscow bulletin recorded by the Soviet monitor gave few details of the operations.

Soviet artillery was reported wiping out German blockhouses and dugouts, but there was no suggestion in the communique to support German dispatches telling of violent fighting in that area.

A Berlin broadcast recorded Saturday night by The Associated Press said that six Russian infantry divisions and three tank brigades unsuccessfully attacked German and Rumanian positions Thursday; and three divisions again attacked on Friday. The German high command referring to Saturday's operations said the Axis troops "again" achieved great defensive success.

Saturday's mid-day Russian communique which told of scattered minor fighting on the Leningrad and Ukraine fronts did not even mention the Caucasus.

## Colorado City Man Hears Tech Board

FORT WORTH — (AP) — Charles C. Thompson, Colorado City attorney, was named chairman of the board of directors of Texas Technical College at Lubbock here Saturday at the annual meeting of the board.

He replaces Spencer Wells, Lubbock, now a captain in the Army.

## Lower Point Values Set For Most Fruit Juices; Dried And Dehydrated Soups Removed From List

WASHINGTON — (AP) — Dried soup from 13 to 17 points on the popular No. 2 1/2 size can. Other can sizes of pineapple juice remained unchanged.

Grape juice came down from 4 to 2 points for a pint and from 8 to 3 for a quart. Grapefruit and other citrus juices were trimmed in the No. 2 size can from 4 to 3 points, and in the 46 ounce can from 9 to 4 points. Tomato juice was reduced in the No. 2 can size from 12 to 6 points, and in the 46 ounce can size from 22 to 11 points. In connection with vegetable juices, OPA removed rationing from all types except tomato juice and vegetable combinations containing 70 per cent or more tomato juice. This freed carrot, sauerkraut, beet and similar juices.

Vegetable Values Same  
No changes were made in frozen fruits and vegetables, whose values were cut about in half April 22. Baby foods, dry beans and peas also were unaffected, and roasts were made on certain can sizes of apples, berries, cherries, peaches, pears, plums and prunes. Increases

hit certain sizes of canned apricots, fruit cocktail or salad, and pineapple. Among vegetables, decreases were ordered on certain sizes of catsup, canned carrots, leafy greens, sauerkraut, spinach, but higher points were assigned "vacuum packed corn" (not ordinary canned corn), and tomato paste. Canned corn on the cob was taken off the ration list, and also freed were "canned green turtle soup, clam juice, clam broth and clam juice cocktail, all formerly on the canned soup list. No Other Revisions Seen  
The new values will be applicable to G, H, and J blue coupons in ration book No. 2, which are valid until the end of May. Officials said they expect no further revisions in point values until then.

New values for red stamps on meat also go into effect Sunday. They generally increase by a point per pound the coupon cost of round steak and center pork chops, leave unaltered, and make one-point per pound reductions for spareribs, brains, tongues and most other variety meats.

## Arkansas Miners To Resume Work Monday

FORT SMITH, Ark. — (AP) — United Mine Workers members in the Arkansas-Oklahoma coal fields have been instructed by their district leaders to return to the pits Monday morning, spokesmen for the union and operators announced Saturday night.

The UMW claims a membership of approximately 8,000 in the area.

Pete Stewart, commissioner for the Arkansas-Oklahoma Coal Operators Association, said that David Fowler, president of UMW's district 21, had instructed his district board members to order a return to work.

## Big Guns Engage In Duel Across Channel

LONDON — (AP) — Big guns engaged in a heavy exchange of fire across the English Channel Saturday night.

British batteries opened up just before 10:30 o'clock and the Germans replied shortly afterward.

After a half-hour the British fire intensified and the firing was continuing more than an hour and a quarter after it started.

Some shells fell in the Dover area and the flash of gunfire reflected against low clouds.

## Showdown Nears On Tax Measure

WASHINGTON — (AP) — House Democrats and Republican tax chiefs, making ready for a showdown fight on the floor next week, swapped arguments through majority and minority reports Saturday on the merits of the administration-supported pay-as-you-go compromise tax bill and the opposition's skip-a-year alternative.

Referring to the Easter holiday of House members, Minority Leader Martin (R-Mass) expressed belief that the visits home would bring added support for the Ruml plan, "for those who have talked with the folks back home — the bootblack, the barber, the grocer — will find out they are all for it."

The Democrats called the Republican-sponsored Ruml plan "unfair — a gross violation of the principle of ability to pay" — while the minority countered in its dissenting report that the opposition's compromise was "a stepchild of political pressure."

Stock Endangered  
Authorities acted from alarm over reports that wholesale stocks of dry soups had increased 80 per cent in March, due to a spurt in production, and much of the stock was in danger of spoiling due to warm weather. In the fall, these soups are expected to be rationed again.

The cuts in juice points, also due to slow sales, affect all popular fruit juices and tomato juices, except pineapple juice, which went

## For The Record

Nazi brutality has long since become so vile that human beings have tended to build up a sympathetic immunity to new atrocity stories. Under such circumstances, one sometimes begins to wonder whether harsh measures "necessary" to keep rebellious people in subjugation are being magnified into deliberate sadism.

Therefore it seems fitting, now and again, to renew the record, so that the people we are fighting may be seen in true perspective — so that we may realize that the German people, and not merely a few brass hats, are below the level of animals.

From time to time Poland Fights, organ of the Polish Labor Group, smuggles pertinent reports out of the tortured homeland. Here are a few examples.

Fort VII of Poznan has become a training school in sadism for young Gestapo members. It was here the Nazis first used poison gas to put prisoners to death. To celebrate the anniversary of Hitler's assumption of power the Germans at Fort VII held a feast, with entertainment.

The feature event was a "hunt in honor of the fuhrer," in which, an hour before midnight, prisoners were freed from their cells and ordered to run along the corridor, while guests took potshots at them. Nine were killed: A cavalry sergeant named Hoffman was proclaimed "king of the hunt." This game of hare-and-hounds has become a favorite of the huns there. On a later occasion 52 were killed thus.

In a sanatorium for Jewish workers' children near Warsaw Nazis ordered the staff to leave the premises. When most refused they were shot, along with all of the 250 children inmates.

A doctor, with proper Nazi permits, entered the Warsaw ghetto to minister to a sick Jew. While he and another physician were discussing the case SS guards and Lithuanian Fascists surrounded the house, took everybody they found including the doctors, into the courtyard and shot them.

Out of 85,840 prisoners who have passed through the notorious Oswiecim concentration camp — 8,620 of them women — more than 57,000 have died.

By order of Himmler, the Warsaw ghetto is being "liquidated." This is done by packing selected occupants into railway cars — as many as 120 to 130 in a car — sealing it hermetically, moving it onto a siding, and leaving it there a few days before any survivors are started eastward.

Have these in mind, when and if you are told that this is only a political or economic or nationalistic war.

## War Profits

The Chesapeake & Ohio Railway Company reports a gross income for last year of slightly more than \$188,000,000. This is \$34,000,000 above 1941 and \$53,000,000 above 1940. War profits, you say.

Well, of the increase over 1941 the company paid \$11,000,000 more in wages and \$30,000,000 more in taxes plus some minor increases, so that the net income, available for dividends and as a reserve against lean years to come, was almost \$12,000,000 under 1941 and slightly under 1940's figure.

Is this typical? Corporate earnings before taxes, shown by Commerce Department records, climbed last year to \$19.7 billions as compared with \$14.6 billions the previous year. After taxes, earnings were lower by \$100,000,000. That is, tax increases ate up all of the "war profits" plus another \$100,000,000.

## Overwhelmed

Indianapolis raid wardens asked Washington for 7,740 helmets. In August they received a shipment of 8,340; later another 7,740 came along; in February they got 3,200 and in March 250. This totals 19,530 helmets for an inland city which held only one test blackout.

In addition, Indianapolis has received 48,000 feet of fire hose — twice the quantity needed — without nozzles; 60 auxiliary pumps that can not be used because Washington will not approve fittings to connect them to fire hydrants; 240 ladders — twice the number needed — for which there are no trucks; and a few other things.

## Brass Hats No Protection

This has been a hard war on the Brass Hats. A roundup by one newspaper shows that five admirals have been killed on active duty and 27 generals have been killed or wounded or are missing in action. This contrasts with one general killed in World War I.

The explanation is not that high officers are more courageous now than their predecessors were quarter of a century ago, but rather than in a war of continued movement featured by airpower, danger is everywhere. No longer is it possible to give high officials the protection which their greater value demands.

## "Nice Country You Have Around Here, Boys!"

### Betsy Beckham Bundy's Advice To The Lovelorn

Q. I am a grown young lady of 15 in junior class of high school, and I am quite old enough to drive the family car, but my Dad will not allow me to drive one. I really need a car many times, and it is better for me to drive to school, than to bother about having someone drive me. When a girl is 15, it seems to me that she should be allowed to drive a car, either the one owned by the family or one of her own. What do you think? Please answer.

A. Little girls have big ambitions, no matter if the age is little more than that of a child. It is well for youngsters, both boys and girls, to walk to school. Walking is healthful exercise, and provided the distance is not over two or three miles, it will not hurt any youngster to walk. Get an early start and the exercise of walking will keep you well and healthy.

In this day of gasoline rationing, girls and boys in their teens should not even be driven to school, unless it be absolutely necessary. There are cases where it is necessary for certain children to be driven to school, but these are rare.

Aside from the rationing problem, it is against the law in Texas for anyone under 16 to drive an automobile. In some states you must be 18. You must be able to pass the road sign test and the eye test if you are permitted to drive at all, and if you were not too young. So you see plainly that all the odds are against a 15-year-old driving a car.

I know of a case where children from 12 to 15 years of age were permitted to drive the family car. One very dark night these youngsters had five or six of their friends in the car, and were driving recklessly on a country road that led to a lake. There were no street lights along this old dark road, and it ended abruptly right at the lake-bank. The crowd of youngsters was having a joyous time singing and laughing and of course the boy driving was not watching closely where he was headed, and did not realize that great danger was near at the end of the road. All the youngsters in the car were members of the better families of the city, where this accident took place.

Suddenly the car plunged into the deep lake. Laughter turned into screams. Some of the boys could swim and they helped some of the girls out of the cold water. Two of the boys were pinned in so that they were drowned before help could reach them. It was a catastrophe that will be remembered all the lives of those youngsters. Just a harmless, thoughtless group of

### Musical Review At Bomardier School Makes Big Hit With Audience Friday

Crazy Show, the USO Camp Show's star musical revue, scored a huge success at the Midland Bomardier School Friday night. The show, which was designed with special emphasis on goofiness, where everything goes, was all that it represented itself to be.

Dancers ad libbed, and singers made jokes, and comedians, all of which were top numbers, sang. Ben McAtee, comedian, was master of ceremonies, and his delivery was smooth and glib and he really kept the show moving, with an effortless style, which went over with a bang.

Wilbur Hall, Rennie and Eddie Hanley, who doubled in brass in the laugh section of the show, scored a decided hit. Musical youngsters, who were not mindful of any danger whatever. If they had been older, the accident might never have occurred. Or if the Dad of each of those youngsters had not permitted his son to drive the family car, that accident never would have happened.

There will be plenty of time for you to drive a car when you are over 18, and can take on more serious responsibilities. Be patient and listen to your dad and mother; for they know best in all matters of this kind. And even if they would allow you to drive, the laws of Texas would not, so there.

Send your problems to Betsy Beckham Bundy, who will advise on affairs of the heart.

## Pierre J. Gomer New Manager Of Firestone Store

Pierre J. Gomer of Dallas has been named manager of the Firestone Store here to succeed Neal Smallwood, who has been called into service with the Navy. Gomer began his duties last week.

The new manager has been connected with the Firestone Company for seven years and was until recently with the truck tire department of the company at Dallas. He served as manager of the Palestine store before coming to Midland.

Miss Vista Hagler, office and credit manager here for several months, has been transferred to Palestine where she will be manager of the store there. Gomer announced that Clifford Stiles will succeed her in the Midland store.

Gomer has received special training from the Firestone company in store management. He attended a training course at the company plant in Akron, Ohio, last year and since has been serving in various departments of the company's stores. He was pleasantly surprised to find such a large stock of merchandise in the Midland store, he said.

Mrs. Gomer and two sons, Pierre and Louis, will join him in Midland at an early date.

### Longhorns And Aggies Share Conference Baseball Crown

COLLEGE STATION—(P)—Texas University and the Texas Aggies share the Southwest Conference's 1943 baseball title.

Put behind the eight-ball with an Aggie licking Friday, the Longhorns came back Saturday to shuck the Aggies 8 to 2.

Their victory left each with six wins and two defeats.

Luckless Rice, third team in the abbreviated campaign, finished its season recently at Austin without winning a conference game.

Saturday, the Longhorns, tied 2-2

### Dodgers Win Two Tilts From Giants

New York—(P)—The Brooklyn Dodgers combined power with high-class pitching, topped off by Bobo Newsom's one-hit performance, to defeat the New York Giants 9 to 2 and 3 to 0 and continue merrily on their way as the National League leaders.

Max Macon and Les Webber combined to hurl four-hit ball before Newsom gave one of his best performances in the nightcap. Actually Macon pitched the four-hit ball for Webber didn't allow a safe blow after coming to Max's rescue in the ninth.

First game: R H E

### Blue Swords Is Three Lengths Behind For Second Place Spot

LOUISVILLE, KY.—(P)—Just as was predicted almost unanimously for the Kentucky Derby Mrs. John D. Hertz' Count Fleet made a parade of the renewal of this ancient run for the roses.

A comparatively slim crowd estimated at "better than 60,000"—slim compared to the 90,000's of other years—roared him home. He took the lead when he wanted to in this mile and a quarter race and there wasn't another galloper with enough get-up and go even to challenge him.

### Longhorns Nose Out Aggies For Track Meet Win

AUSTIN—(P)—A scant stride ahead of little Jerry Thompson of Texas, Rice's Bob Porter Saturday ran the best mile ever recorded in Memorial Stadium during the little conference track meet which the Longhorns won by nosing out the Texas Aggies 67 1/2 points to 63 1/2.

Rice, although presenting Porter and Bill Cummins as the individual stars of the meet, was last with 43. Porter's time in the mile was 4:17.2.

Cummins won first places in both hurdles races and the pole vault, was third in the 100-yard dash and ran on Rice's second-place sprint relay team for a total of 17 3/4 points. A. and M.'s versatile jittersbug Henderson scored 14 and Max Minor of Texas, winner of both dashes, got 12 1/4.

Monroe Northcutt, a long-striding freshman from El Campo, had a lot to do with Texas' victory. He upset Red Battin and Don Frye into the ground with a great finishing lap in the mile relay to give the Longhorns first place by half a stride. Northcutt started 10 yards behind the Aggies anchor man.

Porter's time in the mile was 4.6 seconds under the Southwest Conference record set in 1927.

Thompson set the pace for the first three laps with Porter a stride behind. Porter challenged at the beginning of the back stretch but Jerry fought him off. Down the straightway Porter had enough left for a last lurch that won.

### Date For A&M-Tech Grid Tilt Changed

COLLEGE STATION—(P)—Texas A. and M. and Texas Tech will clash in a night football game Oct. 2 at San Antonio instead of the originally scheduled meeting, Dec. 4, it was announced Saturday by Coach Homer Norton of the Aggies.

The earlier date was made possible by cancellation of the game the Aggies had scheduled with the United States Military Academy at West Point. This game was postponed several weeks ago "until victory," Coach Norton said, and by moving to the Texas Tech tilt, the Aggies will wind up their 1943 season on Thanksgiving Day against Texas.

### Red Sox Win Over Athletics 3 To 1

BOSTON—(P)—Behind the three-hit pitching of Oscar "Lefty" Judd, the Boston Red Sox defeated the Philadelphia Athletics, 3 to 1, here Saturday. The Sox garnered 10 hits and 10 runs in the A's.

The score: R H E  
Philadelphia 100 000—1 3 2  
Boston 010 100 10x—3 11 3

Harris and Swift; Judd and Peacock.

### Cincinnati Defeats St. Louis Cardinals

ST. LOUIS—(P)—Gerald Walker of the Cincinnati Reds doubled with the bases loaded in the eighth inning, driving in three runs, for the decisive hit in a 7 to 3 victory over the St. Louis Cardinals Saturday. Eddie Miller of the Reds hit a home run with a mate on base in the ninth inning.

The score: R H E  
Cincinnati 000 000 142—7 13 2  
St. Louis 100 000 020—3 9 3

Walters and Mueller; Gumbert, Munger, and O'Dea.

### Yankees Beat Sens In Overtime Play

WASHINGTON—(P)—Rollie Hensley's eleventh-inning double scored the two runs that gave the New York Yankees a 9 to 7 victory over the Washington Senators Saturday after Bill Zuber and Alejandro Carrasquel had pitched scoreless ball for the first five innings.

The score: R H E  
New York 000 000 403 02—9 13 3  
Washington 000 003 004 00—7 9 0

Zuber, Turner, Donald, Byrne, and Hensley; Carrasquel, Adkins, Scheetz, Candini, Mertz, Carpenter, and Early.

### Riverland Romps To Victory In Handicap

BALTIMORE—(P)—Turning on his familiar blazing finish, Riverland carried the colors of Harold A. Clark's Louisiana Farm to victory in the 39th running of the tradition-steeped Dixie Handicap before a crowd of more than 17,000 persons Saturday.

Running the mile and three-sixteenths of Maryland's oldest stake race in 1:56 2/5, the big Cold Stream gelding shaved two-fifths of a second off the former track record, held since 1938 by Pompon and Seabiscuit.

Just back of the former plater as he hit the wire were Max Hirsch's Attention and Hal Price Hensley's anti-climax.

Riverland returned \$5.70, \$2.60 and \$2.20 across the board.

### North Texas State Wins Lone Star Meet

SAN MARCOS—(P)—The Eagles of North Texas State won the 1943 Lone Star conference championship track meet here Saturday, scoring 99 1/2 points, while Southwest Texas and Stephen F. Austin finished second and third with 45 1/2 and 25.

### Favorite Wins Out In Derby

Count Fleet, odds-on favorite, came through Saturday to win the Kentucky Derby by three lengths. Blue Swords was second and Slide Rule third.

### Cleveland Wins 15-Inning Game From Tigers 3-2

DETROIT—(P)—Rookie Dick Wakefield lined a single to left field in the 15th inning Saturday to score Roger Cramer from third base and give the Detroit Tigers a 3 to 2 victory over the Cleveland Indians.

Cramer, who had doubled off 38-year-old Joe Heving to open the sixth extra frame, moved up on a sacrifice by Ned Harris. Manager Lou Boudreau rushed in Lefty Al Smith to pitch to Wakefield, but the rookie hammered a three-two pitch to break up the game.

The victory, fourth straight for Detroit, dropped the Indians out of joint possession of the American League lead with the New York Yankees, who beat Washington, the Tigers and Indians now are tied for second, just a notch ahead of the Senators.

The score: R H E  
Cleveland 020 020 000 000—2 8 1  
Detroit 020 000 000 001—3 12 0

Kennedy, Naylor, Heving, Smith, Kennedy and Naylor; White, Trout, Richards and Parsons.

### Chisox Take Series Opener From Browns

CHICAGO—(P)—Paced by Don Kolloway, who got a triple and two singles, the Chicago White Sox peppered Denny Galehouse and George Caster for 13 hits Saturday to take their delayed series opener from the St. Louis Browns, 5 to 4.

The score: R H E  
St. Louis 010 021 000—4 7 1  
Chicago 010 013 10x—5 13 1

Galehouse, Caster, and Ferrell; Smith, Haynes, and Tresh.

### Truett Takes Third Victory From Cubs

PITTSBURGH—(P)—Truett (Rip) Sewell hung up his third straight triumph Saturday as the Pittsburgh Pirates beat the Chicago Cubs, 6 to 3. He beat the Cubs twice previously in Chicago.

The score: R H E  
Chicago 000 002 010—3 8 1  
Pittsburgh 000 022 11x—6 10 2

### War Bonds Establish New Pie Sale Record

Establishing a record for pie sales, 23 pies sold for \$439.90, an average of \$19.12 per pie, at an auction held in connection with a War Bond rally at the Valley View school house Friday night.

The top pie brought \$50. I. O. Sturkie, Midland County agent, was auctioneer, with Lewis Smith serving as arrangements chairman. The pies were provided by members of the Valley View Home Demonstration Club.

Following the sale, a motion picture film of the recent Midland Livestock Show was presented.

### Women's Ward To Be Constructed In Jail

Plans for construction of a women's ward in the city jail were approved Friday evening by the City Council. The jail also will be renovated and several improvements will be made.

Police Chief Jack Ellington explained the proposal to the council and it granted authority for the work. Women arrested by police now are housed in the county's jail.

### Ellis Promoted

Staff Sergeant Newbie W. Ellis has been promoted to technical sergeant at Hensley Field, Grand Prairie.

### Livestock

PORT WORTH—(P)—Livestock: Hogs, top, \$14.25.

No sheep of consequence were reported and prices here were called nominally steady.

Practically no sales were reported on beef steers and yearlings. Odd head of low grade butcher cows brought \$10-11.50; bulls quotable at \$12.50 down. Scattered sales of killing calves were reported at \$11-14 with choice kinds lacking. Culls cashed at \$8-10. No sales of consequence in the stocker and feeder division were reported.

Most good and choice 195-300 pound butcher hogs \$14.25; some good 160-pound weights \$13.75-14. Sows \$13.75.

### Gibson Wants Peace Talks To Start Soon

WASHINGTON—(P)—A suggestion that a peace conference be called into being now rather than after the war to avoid a period of military armistice was made Saturday night by Hugh S. Gibson, former American ambassador to Belium and Brazil.

His proposal for the elimination of any armistice or "cooling off period" was echoed by Associate Justice Owen J. Roberts who declared the democracies should begin now to lay the framework of a post-war "international government," possibly patterned after the national sovereignty system of the United States.

## SPORTS BUGLE

One squadron softball combination closed the first week of play Friday night with an unblemished record, while three other teams are within striking distance of the leader of the enlisted men's softball league.

Heading the thirteen-team circuit is the fast-going 83rd Air Base and Base Headquarters Squadron, which had yet to taste defeat after three contests last week. Other clubs pressing the 83rd for top honors are the 489th, the 486th and Ordinance.

Opening games of the league produced several highlights and gave indication that several hotly waged affairs on the softball diamonds are in store for bombardier school personnel. The second week of play will start Monday with games carried by the PT Department for the 13 outfits on the seven diamonds in the cadet and officers athletic area. Games are also scheduled for Wednesday and Friday evenings.

### Sports Grab-Bag

Pfc. Tommy Brumbaugh has been appointed coach of the 494th and will direct the team from the third-base coaching box this season. Sgt. Burt Dingwell, who hails from Meriden, Conn., formerly the stamping ground of the famed Connie Mack during the latter's playing days, will pilot the 494th softballers. Although off to a slow start, Manager Dingwell expects to show several new faces in his lineups next week. Among these are Pvt. Ike Dubow, who led the basketball league in high scoring and who will occupy the shortstop berth. According to rumor, Pvt. Dubow carries a potent wallop in his hickory. This was clearly shown this week when he hit one of the longest drives ever seen on the cadet diamond. However due to the failure to touch a base the run was erased from the books and he was declared out. Capt. Ray Fitzjar, commanding officer of the 491st, is the team's number one fan. Though his aggregation has failed to win a game yet he is confident that the boys will find themselves soon.

### SERIALITY DARK JUNGLES

BY JOHN C. FLEMING & LOIS EBY

COPYRIGHT, 1943.  
NEA SERVICE, INC.

#### PERIL JOURNEY CHAPTER XXIV

THE former Indian waited for no one. Even as Barry scanned the short note, he whistled, ran the steps and across the clearing at a jogging trot and disappeared into the jungle.

Barry handed the note to Lila and Allison. Lila gasped.

Lila's draw held a note of pride. "So the chief wants you to come back and talk business. You must have him sold, darling."

But Allison was frightened. "Moncha Suma still blames you for the death of that Indian girl!" she cried. "You had to escape. Why should he invite you back?"

Barry nodded, a quizzical eyebrow raised above his grin. "Sure—Will you come into my parlor? I thought of that, of course. But Moncha Suma seemed a straight shooter."

"You can't take that chance!" Allison cried frantically.

Barry's grin faded. He said quietly, "I can't take the chance of losing these mines."

Lila smiled at him and said softly, "I know how you feel, Barry. I think you should go. I'd want to kill you, he would have given that messenger poison arrow instead of a note. Why lure you into his country to go 'ray with you?"

"What about Hall?" Allison asked. "He hasn't come back, has he?"

Barry's hand on her shoulder as he turned "go into the house. 'Is that invitation of yours on the ramp again?" he chuckled, "I'll probably back in New York now."

"I came into Barry's room late. Lila finished packing his gear. She glared at the tall, slender man calmly checking his dry socks, underwear, and tablets.

"I wouldn't let him go, Lila!" she cried. "It will be raging tonight!"

If he'd only wait until Renaldo comes back tomorrow or the next day—!"

"I might offend the chief permanently," Barry cut in.

LILA smiled fondly at Barry. "I don't think Allison quite understands you, darling," she murmured, "if she thinks I could influence you when duty calls."

"Don't worry about me," Barry was collecting flashlight, briefcase and gun holster. "I've arranged for tonight's fever to be postponed."

He kept up his bantering until the packing was finished. "And who wants a guide anyway," he argued lightly "Even if one of your Indians would go with me he'd probably die of fear before he got there."

But when they went down to the enclosure, they found a small, wiry Indian waiting beside two saddled mules.

"Tony" Allison introduced him briefly. "You saw him this afternoon. The sick baby's father. He was willing to go."

Barry saw fear and the slavish light of devotion struggling in the Indian's eyes as he looked at Allison. He said sharply, "Not! He'd be your slave and watchdog from now on. I'd feel like a louse if he went and something happened to him."

"Nothing's going to happen—is it?" Allison's cry was a sharp, fearful challenge.

"Of course not," Lila murmured soothingly. Barry kissed her goodby. But it was Allison's white, strained face that he kept seeing as his mule jogged behind Tony's through the sweltering afternoon heat of the jungle path.

After an hour or so the rain came again. It drummed down relentlessly for a blinding space, and was followed by the steaming closeness of dank jungle air. For a while Barry thought it was the clouds of steam rising from the soggy path that were blurring his vision—making the form of Tony's mule fuzzy and indistinct.

Then gradually he knew it was not the steam. He lifted a hand to his forehead and felt the burn of fever. Relentlessly it had come back for its third day! He fought off a sudden lull. Maybe, he told himself, it would be a light siege today. He'd had a bad time of it

yesterday. Probably just easing off today. He didn't feel as rocky. But despite his brave words he knew he did. He felt worse. His head seemed to swell, to ache with a grinding tension of a tooth being drilled. At intervals an explosion seemed to tear through it with the shock of blasting. At these times Barry would grip the mane of his jogging mule and hold on while the jungle rocked about him and flashes of light shot through a wall of darkness rising up around him.

HIS throat was parched. His hot, aching body cried for comfort. It seemed an enemy, fighting his frantic determination to go on.

"No you don't!" he shouted. "You're staying right on this mule. You've got a little fever. So what? You can wear it out traveling as well as lying still, can't you?"

Gradually he was less conscious of the pains. He didn't realize this was because he was less conscious of anything. His tortured body, the jerking saddle and beast beneath him, the hot, twilight gloom of the jungle trail had resolved into a nebulous, undifferentiated mass of torture. The effort by which he clung to the mane of his mule was wholly reflex.

He didn't know that it was dark. Or that Tony came back to him alarmed by his babbling. But he heard the traitorous words.

"You are sick, senior! We must go back!"

He roused then, and with painful effort brought the Indian's outline into focus. He tried to frown commandingly.

"No." The Indian's hand touched his forehead. It felt cold against his burning skin.

"You must have much care tonight," the man's voice rang with anxiety, "for you will be sick many more days."

The frustration of many days burned in Barry's dim thoughts. Vague fury raged through him. Another enemy—trying to keep him from his meeting with Moncha Suma!

He thought he was shouting. But all strength had drained from his body. His voice was a thin whisper.

"I'm all right. Go on!" He lifted a hand in a gesture of command. And suddenly the blackness swept over him. He fell forward over the neck of the mule, his arm hanging limp almost to the ground.

"The gods be merciful," murmured Tony.

team was among those who also ran, nevertheless I enjoyed playing the hand shown today.

You could hardly criticize West for doubling my four spade contract. When the dummy went down, I knew that West must have the missing honors in spades for he had opened from a four-card club suit, and that he held the King of hearts.

I won the opening lead with the king of clubs, cashed the ace and ruffed a small club with the three of spades in dummy. Next I cashed the ace of diamonds and ruffed a diamond in my own hand. When West dropped the king, I felt that I had a perfect count on the hand.

I ruffed the fourth club with the five of spades in dummy. East, unable to over-ruff, discarded a diamond. Now I led the eight of spades and played the jack from my hand, West winning with the king. All West could do was to lead a small heart, which rode to my queen, and I lost only three trump tricks on the hand.

If I had failed to play the jack of spades, West could have put up a nice defense by winning the eight with the ten, cashing the ace and king, and getting out of his hand with the deuce of spades. Very often an opponent's double gives us the only chance there is to make a hand.

### Midland Man Writes From German Prison

Mr. and Mrs. Jose Lopez of Midland Saturday received a letter from their son Pvt. Jesus L. Lopez, who was captured in Tunisia by the Nazis and now in a German prison camp. He enlisted in the engineering corps in 1941 and was sent overseas in 1942.

He wrote:  
"A few lines to say hello and to let you know I'm all right and in the best of health. I am captured Feb. 17 in Tunisia.

"We are in a large camp here and are treated very good. Contact the Red Cross office to send me a package. They will tell you what and how much you can send. I'd like you to send a single edge razor and blades, shaving brush and soap, tooth brush and powder, comb, towel, cigarettes, and anything else you want to send. I'd appreciate it if you send what I need.

"I lost everything I had in action. You may write to me as often as you like. See the Red Cross about my address. That's all for now. Answer soon."

Humble To Drill 8,500-Foot Wildcat West Of Means In Northern Andrews

By Frank Gardner, Oil Editor—Heading West Texas oil developments Saturday was the announcement by Humble Oil & Refining Company of location for an 8,500-foot wildcat test in Northern Andrews County, three miles west of the north end of the Means pool. Other happenings included advanced drilling progress in a number of wildcats in widely separated areas. Early testing is due for North Central Winkler County's twin Ordovician pool openers. Latest reports, by counties: Andrews County Humble No. 1 Crews & Mast, 660 feet from the south and 1,980 from the east line of section 8, Block A-34, public school land, has completed cellar and now is drilling water well and moving in material. The proposed 8,500-foot test is three miles west and slightly north of Humble No. 1 Jesse Spinks, farthest north producer in the Means pool, which produces at the 5,000-foot level. In the Embarras-Ellenburger pool of Southern Andrews, Phillips Petroleum Company No. 40 University-Andrews, north-side test, topped the Ellenburger, lower Ordovician, at 7,840 feet and is drilling ahead past 7,882 feet in dolomite. The firm's No. 38 University-Andrews is drilling below 7,913 feet in Ellenburger dolomite. Slickly Oil Company No. 1-K University, Southern Andrews wildcat two and one-quarter miles east by northeast of the Emma pool, is drilling below 5,560 feet in lime. It indicated Holt zone production by logging 25 feet of broken pay in cores between 5,404, top of the Holt zone and 5,510 feet. It also showed 91 feet of free oil on a drillstem test while bottomed at 5,500 feet. Ohio Oil Company No. 1 University, one-half mile south outpost to the Fullerton deep Permian pool in Northwestern Andrews, is running a 5 1/8-inch casing, bottomed at 2,945 feet in anhydrite. Continental Oil Company No. 13-56 Carrie Slaughter Dean, on the Southeastern Cochran side of the Slaughter field, flowed a rated 1,391.04 barrels of 31.5-gravity oil per day, with gas-oil ratio of 624-1, following acidization with 12,000 gallons in pay line from 4,952 to 5,004 feet, the total depth. Crane County Magnolia Petroleum Company No. 21 P. J. Lea, proposed 8,000-foot Ordovician test on the southeast edge of the Sand Hills Permian pool in Western Crane, drilled soft formation from 4,735-72 feet and bottomed at 4,777 feet, where it is preparing to run drillstem test with packer at 4,700 feet. The well swabbed only 22 barrels of oil daily after acidizing the regular Permian pay with 19,000 gallons while bottomed at 4,672 feet, and owner decided to deepen it to the Ordovician. Amerada Petroleum Corporation No. 6 R. W. Robertson, scheduled 8,500-foot test on the east side of the Seminole pool in Central Gaines, is drilling below 165 feet in sand and shells. Gulf Oil Corporation No. 1 P. H. Kotwitz et al, Gaines wildcat, eight miles northeast of Seminole, still is fishing for drillpipe, drillcollar and bit, bottomed at 3,955 feet in anhydrite. Hale County Amerada No. 1 W. W. Kurfees, projected 11,000-foot Ordovician wildcat in Eastern Hale 10 miles southeast of Plainview, is building road and fencing location. It is on a seismograph high. Martin County M. J. Delaney Company (formerly Jack D. Bodkins of Midland) No. 1 Scharbauer Cattle Company, Southwestern Martin 5,500-foot wildcat, Saturday was reported to have passed 3,720 feet in anhydrite. It is eight miles nearly due north of Midland. Yates sand was topped at 3,910 feet. Pecos County Phillips No. 1 Ada C. Price, wildcat in Southeast Central Pecos 29 miles east of Fort Stockton, is drilling at 10,558 feet in shale. It is the deepest active test in the county. Magnolia and Anderson-Fritchard Oil Corporation No. 1-96 State-Mrs. E. C. Powell, 3,567-foot Clear Fork strike in Northern Pecos, drilled out retainer, with cement described as drilling "soft." Operators probably will reenter 7-inch casing at 3,559 feet. The well blew out with an estimated 150 barrels of oil per hour before casing was set and several reentering jobs have been made. Standard Oil Company of Texas No. 1 Douglas Oil Company et al, scheduled Ordovician test on the west bank of the Yates field in Eastern Pecos, tried to run drillstem test on porous gologic lime section from 7,240-88 feet but testing-temper failed to open, and another attempt to test is being made. The well topped the Canyon member of the Pennsylvanian at 7,035 feet. The porous zone was believed to have been logged in the upper part of the Strawn, lower Pennsylvanian. Reagan County In the Barnhart Ellenburger pool of Southeastern Reagan, Amerada No. 1-RO University is running Schlumberger at 9,140 feet in Ellenburger dolomite. The same firm's No. 1-RP is drilling at 8,993 feet in shale and lime; its No. 1-RQ at 8,972 feet in shale and lime. No. 1 University unit at 8,877 feet in shale and lime, and its No. 1 M. C. Johnson at 3,090 feet in lime. Skelly No. 1-L University is drilling past 5,214 feet in shale and lime, while Ogden & Hawn No. 1-C University still is fishing for drillpipe at 3,258 feet in shale and lime. Humble No. 1-B Sawyer Cattle Company of Texas, East Central Reagan Ordovician wildcat 12 miles east of Stiles and 20 miles north of the Barnhart pool, is drilling unchanged at 8,170 feet in shale and lime. Seury County In the Sharon Ridge pool, D. & R. Oil Company No. 1 J. U. Van Norman pumped 154.78 barrels of 31-gravity crude per day upon completion at 2,458 feet. It was shot with 1,320 quarts of nitro in pay topped at 2,209 feet. Tom Green County Ohio Oil Company No. 1-B L. T. Clark, wildcat in the northwestern part of the county, is drilling at 3,770 feet in hard, dark brown lime. Winkler County Standolind Oil & Gas Company and Shell Oil Company, Inc., No. 1 W. D. Blue estate, proposed Ellenburger test in extreme Eastern Winkler, is drilling at 10,041 feet in lime and shale of the Simpson, middle Ordovician. Some have called top of Simpson at 9,510 feet; it previously had been called at 9,780 feet, on a tentative pick. Plug will be drilled Monday from 7-inch casing cemented at 9,551 feet in Amco. G. Carter No. C-2 Pure-J. B. Walton et al, North Central Winkler Ellenburger pool opener. Total depth is 9,600 feet in Ellenburger dolomite. Magnolia No. 20 State-Walton, Ordovician strike three and one-half miles west of the Carter well, is preparing to gun-perforate 4 3/4-inch casing cemented on bottom at 10,774 feet in Ellenburger dolomite. Hal C. Peck and J. H. Croft, both of Midland, No. 1-C Seth Campbell, in the Colby sand area of the Key-Stone field in Winkler, flowed 100.21 barrels of 36-gravity oil per day, with gas in a ratio of 1,400-1, following a 320-quart shot in pay from 3,280 to 3,327 feet, the total depth. Yoakum County Humble No. 1 Tamehill Brothers, Inc., et al, 7,500-foot wildcat in Southwestern Yoakum four miles west of the Wasson field, is drilling unchanged at 7,134 feet in Clear Fork lower Permian, lime topped at 6,790 feet. Odessa Is Injured In Missouri Attack BENTON, Mo. — (AP) — Robert Nickle, 38, of Odessa, Texas, was treated at Cape Girardeau, Mo., Friday for head injuries with two other men, who with Nickle, said they were beaten by group of unknown members in railroad yards at Illinois. Superior-Sunray Merger Reaches Talking Stage TULSA—(AP)—Preliminary discussions were underway Saturday looking to a possible merger of Superior Oil Corporation and Sunray Oil Corporation. Both companies operate in Oklahoma, Kansas and Texas. Superior as a producing company and Sunray as a producer and refiner. C. H. Wright, president of Sunray, and Elmo Thompson, president of Superior, said the discussions centered on whether a merger would result in a saving in operations costs, be of advantage to stockholders and place both companies in a better position to meet present and future problems. Ordovician Dry, Langlie To Test Shallower Zones

HOBBBS, N. M.—R. Olsen Oil Company and Atlantic Refining Company No. 1 Langlie (Justis), Southeastern Lea County deep wildcat, is preparing to gun-perforate 5 1/2-inch casing in upper zones after testing dry in all three members of the Ordovician. Perforating and testing of the Ellenburger, lower Ordovician, topped at 9,110 feet, and the Simpson, middle Ordovician, topped at 8,255 feet, failed to reveal production. In addition, the well showed 4,325 feet of sulphur water in two hours and 25 minutes when tested after perforating with 35 shots from 8,170 to 8,187 feet, in the Montoya, upper Ordovician. No. 1 Langlie originally went to 9,592 feet in granite, which it topped at 9,560 feet, and casing is cemented at 9,590 feet. It is in the C SE SE section 11-25-37e, on the east flank of the shallow Langlie Permian pool east of Jal. Maljamar Outpost C. T. McLaughlin of Midland and Cosden Petroleum Corporation of Big Spring No. 1 State, Western Lea wildcat in the C NW NE section 7-17-32e, two miles northeast of the Maljamar pool, is drilling below 945 feet in red rock. Three miles southeast of the pool, Maljamar Oil & Gas Company No. 2 Cheesman, C NW NE section 22-18-32e, is drilling; lime at 3,885 feet. In the Maljamar pool, Drilling & Exploration Company, Inc., No. 3-A-24 Johns, C SW SE section 24-17-32e, swabbed and flowed 285 barrels of oil per day through 2-inch tubing set at 4,280 feet upon completion of 4,300 feet in lime. It topped pay at 4,150 feet. Drilling & Exploration has spudded No. 4-A-24 Johns in the C SE SE section 24-17-32e, as an east offset, and is drilling below 1,117 feet in red rock. Flows 110 Barrels In the Square Lake Pool of Eddy County, A. S. Woolley No. 4-H McIntyre, section 3-17-30e, flowed 110 barrels of oil per day through 2-inch tubing set at 2,879 feet. It topped pay at 2,827 feet, drilled to 2,965 feet in sand and was shot with 280 quarts of nitro from 2,818 to 2,964 feet. R. R. Woolley No. 4-B Arnold, section 27-17-30e, in the Leonard area of Eddy, flowed 114 barrels a day after a 140-quart shot from 3,149 to 3,187 feet. Flow was through open 2-inch tubing set at 3,189 feet. It topped pay at 3,158 feet and drilled at 3,196 feet in lime.

### Women Performers Predominant With Dailey Bros. Three-Ring Circus

#### If You Want Job See Police Chief

Wanted a dog catcher! Midland needs a dog catcher and Police Chief Jack Ellington has been instructed to get a man on the job promptly to round up stray dogs here. City Councilmen decreed that the dog ordinance be enforced and ordered Chief Ellington to employ an efficient dog catcher. But it made no suggestions as to where this man could be found.

Ellington is looking for him. The job is open. If you are looking for a job and like to trap dogs, see the chief.

#### Pennsylvania Miners Await Lewis' Orders

PITTSBURGH — (AP) — Pennsylvania soft coal operators responded Saturday night to the President's order taking over their properties with announcements that they would cooperate but whether the miners would go back to work was left in doubt.

J. B. Morrow, president of the Pittsburgh Coal Company, the nation's second largest commercial producer of soft coal, said his company already is preparing to comply with the President's order and a spokesman for the Western Pennsylvania Operators Association, who declined use of his name, commented "I feel that all our operators will comply."

A few of the state's 300,000 miners who stopped work at midnight in both the hard and soft coal collieries commented but all said they were waiting for word from their leader, John L. Lewis, president of the United Mine Workers in which virtually all miners are enrolled.

#### Liberalized Rations Of Sugar Announced

DALLAS — (AP) — Urging consumers not to apply for more than they need, the Office of Price Administration Saturday announced new simplified regulations for liberalized rationing of sugar for home canning.

The new regulations, which apply only to the Dallas and Atlanta OPA regions because of their climatic conditions and early crops, provide that each consumer may get one pound of sugar per quart of finished canned fruit, but that the maximum must not exceed 25 pounds.

Present chaotic conditions of the world have altered the routine and the personnel of the circus just as with other concerns.

When Dailey Bros. Three Ring Circus exhibits in Midland Thursday the predominance of women around the aggregation will be very evident. Every executive position on the staff is now filled by an aggressive, capable woman. This is true from the general manager down to the most humble position.

The purchasing agent, public relations representative, steward, chef, secretary and even the principal "spieler" of the side show is a very convincing talker.

**Women Are Willing**  
In the circus ring the female sex has prevailed for several years on all of the circuses. This for two reasons. The public prefers women and girls in the ring as they are more graceful and easier to look upon than the males. However, the circus manager prefers the feminine artist for a very different reason.

She is every ready to try out sensational new stunts. No matter how dangerous it may be, she is not only willing but eager to try out the new idea. Years ago when James A. Bailey wanted to produce the somersaulting automobile act with a passenger in the car, almost every woman and girl in the dressing room of the Barnum Bailey Circus volunteered and begged to do the act. Not a man volunteered.

**No Female Clowns**  
The "iron jaw act," where the performer is suspended from the peak of the tent by the teeth and spins around like a top, is always performed by a girl or woman. The men say they have too much sense. Every sensational act on the Dailey Bros. Circus, with one exception is done by female performers.

"Glowin' alley," is the only place the ambitious feminine actor has flopped. Women simply cannot be clowns, although several have tried. In the large company of clowns with the Dailey Circus, there is not one female clown.

Arrangements were nearing completion Saturday for the annual meeting and war conference of the Chamber of Commerce Managers Association of West Texas in Midland Thursday, Friday and Saturday. More than 50 West Texas Chamber of Commerce secretaries and managers are expected to attend.

J. H. Greene, manager of the Big Spring Chamber of Commerce, is president.

Paul McHargue, president of the Midland Chamber of Commerce, Saturday appointed Clint Lackey, John P. Butler, Paul A. Nelson, L. W. Sandusky, Clint Dunagan, Joe Mims and Russell Howard members of a committee to assist in staging the conference.

An informal meeting will be held at Hotel Scharbauer, convention headquarters, Thursday evening. The conference will open officially at 9:30 a. m. Friday, Mayor A. N. Hendrickson will deliver the welcoming address. A luncheon will be held at 12:15 p. m. Friday and the afternoon business session will open at 1:45 p. m. The annual banquet of the organization is scheduled for 7:15 p. m. Friday, followed by a dance at 9:30 p. m.

**To Elect New Officers**  
A business session will be held Saturday morning and the meeting will adjourn following luncheon Saturday when officers will be elected and the next convention city selected. All meetings will be held in the Crystal Ballroom of Hotel Scharbauer.

Mark McGee, state OPA director; M. C. Ulmer, president of the West Texas Chamber of Commerce; Dean Chenoweth, managing editor of the San Angelo Standard-Times; D. A. Bandeen, general manager of the West Texas Chamber of Commerce; and William Holden, executive vice president of the Fort Worth Chamber of Commerce, will be among the speakers. Ulmer will speak at the Friday luncheon, McGee at the Friday banquet, and Bandeen at the Saturday luncheon.

All sessions of the conference will be open to the public. Bill Collins, host manager, said. He invited citizens to attend as many of the meetings as possible. Persons wishing to attend the luncheons or the banquet should make reservations before Wednesday afternoon.

Midland entertainers will be presented on the luncheon and banquet programs.

Visiting ladies will be honored at a coffee in the Blue Room of the Scharbauer Hotel Coffee Shop at 10 a. m. Saturday. A committee composed of Mrs. M. C. Ulmer, Mrs. R. M. Barron, Mrs. Paul McHargue, Mrs. J. P. Butler, Mrs. James N. Allison, Mrs. J. B. Thomas and Mrs. Bill Collins will be in charge.

#### Rationing Board Lists Certificates

The Midland County War Price and Rationing Board has issued the following certificates:

### War Bond Sales In Midland County Total \$1,376,059 During Big Drive

War Bond sales in Midland County in the Second War Loan Campaign during April totaled \$1,376,059, a tabulation showed Saturday.

Sales values of non-bank purchases totaled \$776,059, soaring over the huge quota of \$645,000. This put Midland over the top by \$131,059.

In addition to these purchases, banks here subscribed for \$600,000 worth of bonds, making the total \$1,376,059.

More funds will be added to the Midland sales when Federal Reserve Bank tabulations are completed.

War Bond purchases of Midland citizens under salary deduction plans who receive their checks from other cities will be credited also to Midland.

#### Sixth Grade Tennis Tourney Scheduled

**Dimout Expected**  
The proposed nationwide dimout, reported to have been recommended by Ickes to Chairman Nelson of the War Production Board, presumably would extinguish the lights of theater marquees, store windows and other non-essential users of power. The proposed curtailment of railroad mileage would eliminate virtually all non-essential civilian travel, perhaps placing it on a rationing basis.

Lewis, who has refused to let the War Labor Board take over consideration of his union's demands for \$2 a day wage increases, portal-to-portal pay, a minimum \$8 wage for all employees, and unionization of minor bosses, was attending a New York conference seeking a new contract for the anthracite coal industry, at the time of the President's announcement.

### Victory Garden Suggestions...

By ALPHA LYNN  
Home Demonstration Agent  
CONTROLLING VEGETABLE  
INSECTS

Control of vegetable insects is not as difficult as many persons seem to think. The ideal strategy is to wage an offensive battle, beginning as soon as the first invaders appear in the garden and never give them a chance to become established. This battle should continue at intervals of four or five days until the enemy is mopped up.

Insecticides necessary for the job include pyrethrin and calcium arsenate to control flies, beetles, cucumber beetles, cabbage worms and other insects which feed upon the fruit and foliage of the plants; nicotine sulfate of pyrethrin to control stink bugs, squash bugs and other insects which suck the juices from leaves and stems; and Paris green to maul cutworms, sow bugs and mole crickets.

Generally, it is easier to control garden insects with a dust, but good results also can be obtained from outly extension agents.

Plant lice are probably the most common and destructive vegetable pests. They attack almost all crops, especially turnips, radishes, mustard, cabbage and other similar plants. They may be controlled by using a five per cent rotenone-sulfur mixture or nicotine sulfate, as a spray or dust. Begin as soon as the pests appear and thoroughly cover the lower surface of the leaves. These insects are killed only when actually hit by the insecticide. In addition, destroy stalks as soon as the crop is harvested in order to eliminate breeding places for lice and bugs.

Insecticides are now in stock in Midland stores. Many insects are already here, so now is the time to get busy.

### Girls' Counselor To Visit Here Friday

Mrs. Alice McConnell, special counselor, will be at the Midland High School Friday for discussions on "Women at War" with the girls of the school. Her appearance is sponsored by the Hogg Foundation of the University of Texas and the State Board for Vocational Education, Supt. Frank Monroe said.

She will speak in assembly and will also talk with various groups of girls during the day. She will discuss questions of girls planning to enter war work.

### Broadcasts Originate At Bombardier School

Under the direction of William Slooam, special events director of the Columbia Broadcasting System, two national network radio shows were scheduled to originate from the Midland Bombardier School this week end.

On "Report to the Nation," Saturday night, Slooam presented the first actual broadcast from an airplane on a bombing mission.

On Sunday, the broadcasting chain's special event man will interview Lt. William Decker, a bombardier member of the 19th Bombardment Group who has seen combat service in Hawaii, the Solomons and in Java, on the program "World News Today," 1 to 1:30 o'clock.

CBS engineers who accompanied Slooam here to handle the technical details of the broadcast, for which a portable transmitter was set up on the roof of the Scharbauer Hotel in Midland, included Dave Davis, Oscar Presnell and Carl Schutsmann.

### Steel Industry Puts On 48-Hour Schedule

WASHINGTON — (AP) — Manpower Commissioner McNutt decreed Saturday night that steel mills working less than 48 hours a week may hire no new workers after June 1 without War Manpower Commission approval—thus assuring McNutt declared, that more than 525,000 steel workers will be on a 48-hour basis by July 1.

### Two Officers Here Promoted To Majors

Promotion of two officers on duty at the Midland AAF Bombardier School was announced Saturday.

Capt. William L. Richards, director of ground school training, was promoted to the rank of major in the Air Corps.

Capt. Orland G. Huffman, flight commander of the first training squadron, was promoted to the rank of major in the Army of the United States.

## May Time Tea Will Honor Sweet Girl Graduates Of Class Of '43

A May Time Tea and program honoring girls of the graduating class of the Midland High School will be sponsored by the Midland United Council of Church Women Thursday at 3:30 p.m.

It has been the annual custom of the council to entertain with a large event, and this year it will assume the form of a tea. The theme of the program, which is in observance of National Family Week, May 2-9, will be the Christian family. Speakers for the afternoon will be the Rev. C. A. Pickering, pastor of the First Christian Church, and Mrs. George Vannaman.

### Barber-Brown Nuptials In Lovely Garden Here

A garden wedding of unusual beauty was performed Saturday evening when Miss Josephine Barber, daughter of Mr. and Mrs. Jess Barber, 311 North Baird Street, became the bride of Pvt. Virgil William Brown of San Antonio.

The wedding ceremony was performed in the garden of the home at 8:00 p. m. with 50 friends and relatives of the bride and groom attending.

The Rev. Carl Clement of the First Methodist Church read the marriage vows.

A background of climbing white roses formed an attractive place for the improvised altar. Tall baskets of gladiolus were used on either side of the altar, with a low trellis forming an enclosure.

Attended By Sister

The bride was attired in handsome costume of navy blue with which she wore blue and white accessories. Her flowers were gardenias. She was attended by her sister, Miss Marie Barber, who was attired in costume of black and white crepe, with white accessories.

Lt. Harold Wagner of the bombardier school acted as best man for the groom.

Following the marriage service, a wedding reception was held in the garden where the bride cut and served her wedding cake.

The bride is a graduate of Midland High School and is well known in social circles here. The groom graduated from high school in Louisiana. He is stationed at Stinson Field, San Antonio.

Pvt. Marion V. Hays, son of Mr. and Mrs. Harley H. Hays, who has been visiting in Midland on a six-day furlough, left Friday for Camp Cooke, Calif., where he is stationed with the Sixth Armored Division.

### Barber-Brown Nuptials In Lovely Garden Here

Special music will be presented by the Girls' Quartet, under the direction of Mrs. De Lo Douglas. The quartet will sing the "Prayer Perfect." It is composed of Belva Jo Knight, Helen, Horn, Margaret Mims, and Norma Connolly. Miss Glenna Gray will play a violin number "The Ave Maria."

Mrs. Caddell To Preside

Mrs. Lewis F. Caddell, president of the council, will preside at the meeting and Mrs. Hubert Hopper will be in charge of the program.

Tea arrangements are in charge of Mrs. Otis Ligon, who will be assisted by Mesdames R. P. Simpson, S. P. Hall, George Kidd, Earl Chapman, John W. Elliott, Ernest Sidwell and George Phillips, and Misses Carden and Robinson.

The decorative plan will include a color scheme of blue and white, which will be carried out in all the appointments. Blue and white are the senior class colors for this year, and the class flower, the red rose will also be used in the decorative plan.

Misses Colleen Oates and Kathryn Hauks will assist in the hospitalities.

Churches To Cooperate

Presiding at the tea table will be Mrs. W. Chappell Davis, president of the Episcopal Woman's Auxiliary and Mrs. C. A. Pickering. Officers of the council who will greet the guests are Mesdames Caddell, Hubert Hopper, Dana M. Secor, W. P. Knight, and J. M. Prothro.

Several of the Midland churches will cooperate with the Council of Church Women by sponsoring special services in observance of National Family Week.

Ushers for the afternoon will include Mesdames W. B. Hunter, J. C. Miles, and George P. Bradbury. The nursery will be open.

All church women of Midland are cordially invited.

Two hundred languages are spoken in India.

### Blouse Is Magic Aid In Today's Dress

Multi-colored blouse of washable rayon sheer has striking collar ruffle that extends down the front panel to the waistband. A grand blouse to wear later with separate skirt.

## Marthann Theis Given Lovely Afternoon Tea

Outstanding among social events of the week was the shower-tea given by Mrs. Waldo L. Leggett, assisted by Mrs. Alma Thomas, in the home of the former at 901 West Storey. The event complimented Miss Marthann Theis, popular bride-elect whose marriage to Jack Nobles will be an event of Saturday, May 8, in the home of her parents, Mr. and Mrs. Anton Theis.

Meeting guests at the doorway was Mrs. Ben Black who directed them to the receiving line which included Mrs. Waldo Leggett, Miss Theis, Mrs. Anton Theis, Mrs. John Nobles, and Mrs. Alma Thomas.

Mrs. Jack Wilson presided at the bridal book.

Mrs. Harvey Conger received guests in the dining room. Mrs. Fred Wemple poured punch during the first hour and Mrs. Howard Hodge during the second hour.

The gifts brought to the honoree by the invited guests were displayed in the recreation room and were presided over by Mrs. Frank Cowden and Mrs. Raymond Leggett.

Mrs. Joe Mims was at the console organ and Miss Jacqueline Theis sister of the bride-elect was at the piano in the room.

Receiving guests on the sun-porch were Misses Rosalyn and Caryolyn Leggett.

The interior of the attractive home was transformed into veritable bower of spring flowers. Great clusters of roses and other spring blossoms were evident in all the rooms, and in the dining-room the table was laid with handsome lace cloth where lovely crystal baskets in triplicate decorated. A huge crystal basket of sweetpeas in pastel tones formed the central figure of the table and on either side were smaller crystal baskets of dainty sweetpeas. Each basket was tied with lovely bows of green and harmonizing pastel tones were evident throughout the decorative plan.

The honor guest was daintily attired in a mesh gown of floral pattern, and in her coiffure she wore tulle hair roses.

Mrs. Theis was gowned in navy blue afternoon costume, with fresh lace trim and she wore tulle hair roses as corsage.

Mrs. Alma Thomas co-hostess was attired in afternoon costume of navy blue and wore tulle hair roses in a corsage.

The hostess was beautiful in a light blue chiffon gown, with which she wore a tulle hair corsage.

Mrs. Nobles, mother of the groom-elect, was charming in afternoon gown of apple green mesh, with which she wore corsage of tulle hair roses.

Among invited guests present were:

Among guests present were: Mesdames Jerry Phillips, Fay Proctor, Leonard Proctor, Bob Preston, Roy Parks, Clarence Scharbauer, Elsie Stafford, Paul Schlosser, R. D. ### Candlelight Ceremony To Honor New Officials

Mrs. W. Watson La Force, Mrs. H. G. Bedford and Mrs. Paul Schlosser will be co-hostesses Tuesday at 4:30 p. m. in the home of Mrs. La Force, when the executive board of the P.-T. A. will meet.

A candlelight ceremony will be held for the installation of the new officers, and a report on the convention held recently in San Angelo will be read.

Outgoing officers will be honored at the same time.

### Special Program To Honor Service Men

A special service honoring members of the Christian church now in the armed forces will be held at 11 o'clock Sunday at the First Christian Church.

An honor roll of 43 names will be called.

Dedication of three flags, gifts to the church by the Sunday School and Young People's Class, will be held.

The Rev. John E. Pickering, pastor, will preach on "Without Christ, All Is Lost," following the roll call and dedication.

Mrs. Lee Cornelius will direct the music. The public is invited.

## Honor Society Elects 3 Seniors And 5 Juniors

Three seniors, Kathryn Hanks, Eva Barton and Douglas McClish, and five juniors, Nellie Elbin Brunson, Allyne Kelley, Orilla Osburne, Charles Roripalleg, and Faye Shelburne, were selected by the school faculty as new members of the National Honor Society. The names were announced in assembly Friday and the initiation is to be in about two weeks.

The students were judged by scholarship, which stands for grades; leadership, character, and service to the school.

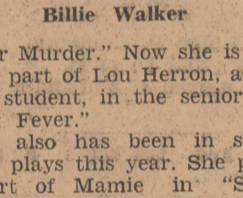

Membership cards have been ordered and are expected just before the initiation. Miss Gladys Pinson, National Honor Society sponsor, said.

Other members of the society include Frank Troseth, president; Colleen Oates, Martha Jane Preston, Marshall Whitmire, Thelma Jo Brown, Elaine Hedrick, Janice Pope, Nell Shattuck, Patsy Tull, Jacqueline Thies, Norma Jean Stice and Virginia Stolte.

## Who's Who—Billie

"Say, she gets in all the plays, doesn't she?" This statement applies well to Billie Walker.

She is quite an actress. To start things off with a bang, she played the part of Eloise, a mean little brat, in the junior play, "Reserve

Billie Walker

Two for Murder." Now she is playing the part of Lou Herron, a journalism student, in the senior play, "Spring Fever."

Billie also has been in several one-act plays this year. She played the part of Mamie in "Square Pegs," and in "Happy Journey" she was the small daughter, Carolyn. She also was in the Christmas play, "Three Wise Men at the Well." Billie won second place in regional declamation contest at Marfa last year.

Hobbies are so plentiful at Billie's house that she doesn't know which one she likes best, but here are a few of them: collecting napkins, autographed cigarettes, and bracelets. Dancing is her favorite pastime. "Bunny" is a cute nickname for Billie, because it just suits her.

Billie says she likes green best of all colors. Bette Davis is her favorite actress. Of the teachers Billie says, "I like 'em all." Listening to Glenn Miller's music can't be beat, according to Billie. Her pet aversion is selfish and greedy people.

Billie is on the "Bulldog" staff, "Catox" staff, and is a member of the O. C. A. and the Choral Club. She was vice president of the Dramatics Club.

She plans to attend T. S. C. W. at Denton to major in dramatics and minor in journalism.

Billie lives seven miles west of Midland and rides the Midland Army Flying School bus to and from school.

She is a senior, weighs 102 pounds, is 5 feet one-half inches tall and has brown hair and hazel eyes.

"I am going to be an old maid—but definitely," concluded Billie.

## Health Survey Shows High Percent Smallpox Immunization

An immunization survey was taken among the students of Midland High School this past week. The students were asked if they had been immunized for smallpox, diphtheria, and typhoid.

Eighty-five per cent of the students have been immunized for smallpox, 55 1/2 per cent for diphtheria, and 37 3/4 per cent for typhoid.

Percentages according to classes indicate that immunization is becoming more prevalent as the freshmen show the highest percentage.

Eighty-five percent of the senior class students have been immunized for smallpox, 59 per cent for diphtheria, and 37 per cent for typhoid. Eighty-seven per cent of the juniors have been immunized for smallpox, 61 per cent for diphtheria, and 40 per cent for typhoid.

In the sophomore class, 85 per cent have been immunized for smallpox, 50 per cent for diphtheria, and 33 per cent for typhoid. In the freshman class 92 per cent have been immunized for smallpox, 52 per cent for diphtheria, and 41 per cent for typhoid.

## Radio Speech Class Makes Debut On Air

Belva Jo Knight and Glenn Murray, students in the radio speech class, demonstrated a radio broadcast in assembly Friday. They gave an adaptation of the famous love scene from Mark Twain's "Tom Sawyer."

Illustrating the difference in hearing and seeing the broadcast as play was first given with stage curtains closed, then the curtains were drawn and the audience saw repeat performance. Steve Briggs, radio speech director, was the announcer. The mood music was supplied by Frank Troseth and Van Cummings.

## P.T.A. Will Honor Teachers With Tea

Tuesday afternoon at 4:00 o'clock the high school teachers will be honored with a tea given by the high school P.T.A. at the home of Mrs. Watson La Force, 602 1/2 South Main.

## Radio Broadcast Is Given In Assembly

The radio speech class made its debut on the air Thursday afternoon. The play given was a radio dramatization of O. Henry's famous short story, "The Last Leaf." The cast consisted of students from the radio speech class. They were Glenn Murray, announcer; Faye Doris Douglas, Sue Anderson; Mary Fern Bray, Johnny Scott; Jo Ann Blair, Marie; Douglas McClish, the doctor; and Jerry Jordan, Mr. Buerhman. Calvin Campbell was in charge of sound effects and Belva Jo Knight supplied the musical bridging.

## Song Of Freedom

Today more than ever before, we of America can be thankful for our four freedoms. Freedom of religion, freedom of speech, freedom from want, and freedom from fear we have probably taken for granted as everyday privileges. Perhaps we have not considered the sacrifice, self denial, privation, pain, yes, and even human life which purchased these very liberties which are now endangered. They have been bought for us and our posterity — we must see that we have not mortgaged them and that, above all, we have not lost them.

Our song of freedom can be heard from every city, every town, every home in America. Its music is the music of the machinery as it produces materials for war; it is the roaring fire, and the hiss of molten metal cooling into guns and tanks; it is the thrum of motors, the hum of engines, and even the click of money across a post office window marked, "Buy Bonds Here." This, above all, is the song of freedom. We, as Americans, as future citizens of the world as protectors of that God-given right of liberty, are the musicians!

## Victory Flag Raised In Open Air Ceremony

Before all the students of Midland High School an impressive flag raising ceremony was held Thursday morning beneath the flag pole when the minuteman flag which signifies that 90 per cent of the students of Midland High School are buying War Bonds and Stamps every month.

The Stars and Stripes was raised first to the flag call after which the band played the "Star-Spangled Banner." Frank Monroe, superintendent, made a brief talk and presented the flag to G. B. Rush, principal. Jerry Jordan and Charles Funk raised the flag and the band played "My Country 'Tis of Thee." Flags of the same kind are to be seen on the grounds of the North Ward, South Ward, and Junior High.

### Hollywood Star's "Oomph" Is From Health

DONA DRAKE: rigid exercise is her beauty recipe.

More of the sparkle and "oomph" Hollywood beauties have come from rigid health routines than from the make-up table. A prime example is Dona Drake, Paramount lovely featured in "Salute for Three," who points out that she never lets a day pass without doing at least a half-hour of exercise. Even while she was playing theater and night club engagements in New York, Dona rounded up a few friends for a soft ball one-to-one session each afternoon.

There's nothing like riding, swimming or cycling to keep you in trim," the starlet believes. "But exercise alone won't keep you fit. To my mind, the perfect beauty recipe includes a generous portion of your favorite sport, and equal part of sunshine for that so necessary Vitamin D, spiced with a diet that includes lots of fresh, leafy vegetables and fruit. And of course, topped off with at least eight hours of sleep each night."

Judging by her looks, Dona seems to have something there, don't you think?

### Just A Little War Action Holds No Fear To Long-Eared Sailor

AN EASTERN CANADIAN PORT—The crew of a Royal Canadian Navy destroyer claims no dog in the world can come up to their Sabo.

Sabo got his name from the word sabotage and is the result of his ability to sabotage the ship's food and the men's gear. But Sabo's claim to fame is that it has its own hammock, and likes nothing better than to sleep in it.

The dog is the proud possession of the ship's company. Originally

it was a gift given to one of the crew — Seaman Earl Costello of Montreal—but the crew became so wrapped up with the new mascot they persuaded Costello to make the pup the property of the ship. Now he is Ordinary Seaman Sabo, R.C.N.V.R.

"He's a smart pup and can sure take it," says Costello, "and he showed that during our last action at sea. The big guns were booming and men were running everywhere. When it was all over some one remembered to see how Sabo

had weathered the fight—he had slept in his hammock through the whole thing.

"Yes, sir," he said, "you can't scare that sailor."

Lt. and Mrs. R. L. Lusk of Graham were visitors Friday in the home of Mr. and Mrs. Ray Howard. Lieutenant Lusk is en route to Fort Knox, Ky. from California, where he has been stationed with the Fourth Armored Division on desert maneuvers.

### Public Health Notes

J. A. Olean, M. D., Director Midland City-County Health Unit Child Health Day

May 1 nationally is observed as Child Health Day. What an appropriate day and month! It symbolizes Spring when Nature floods the earth with a new freshness and fragrance — with new life. Our thoughts naturally turn to our children, to their well-being and to their health. Children who in their innocence and freshness are in the Springtime of life. They trust us and look to us for guidance and protection; that is, indeed, a sacred trust.

Children under 15 number about 33 million or one-fourth of our population. Between two and a quarter and two and a half million babies are born each year. The White House Conference on Children in a Democracy (1940) stated: "For numbers alone, if for no other reason, these voteless fellow citizens

### Barbecue, Square Dance Given Saturday Night

Mr. and Mrs. Donald M. Oliver of Seminole Road have as their house guest his mother, Mrs. R. P. Oliver, of Cape Girardeau, Mo. Complimenting their guest they entertained informally Saturday evening at the ranch with a barbecue and square dance.

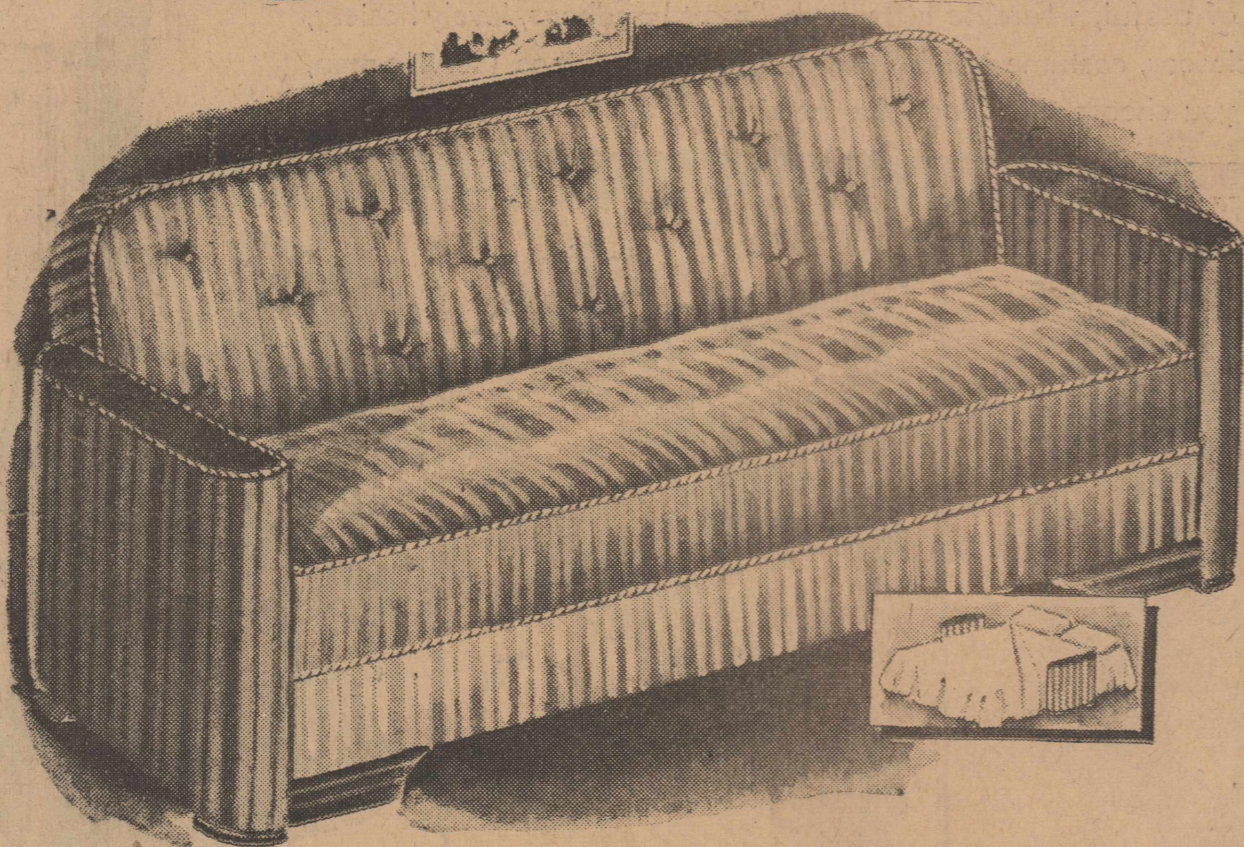

Approximately 18 couples attended, and a most delightful evening was enjoyed.

who hold the national future in their bodies and minds are necessarily a first interest of the Nation."

We are thus, individually and collectively, charged by our love for them with the task of building a strong and healthy generation of citizens prepared to cherish and extend a way of life based on the principles of freedom.

From day to day during the month of May it will be my pleasure to tell you how we can go about our task in a practical and methodical way.
