

# EVEN PYOTE AIRMEN KILLED

## Nation's Miners Out On Strike Again

### Work Halting As Truce Ends

By The Associated Press

Work whistles sounded in vain at most of this country's government-operated mines Tuesday as the greater proportion of John L. Lewis' United Mine Workers again followed his injunction against "trespassing" on mine property in the absence of a contract.

Expiration at midnight of the twice-extended truce which kept the war-vital pits operating despite deadlocked wage negotiations brought no word from the UMW chief to his men. None was needed. He had made clear previously that the miners would not "trespass" when the contract ran out.

First reports from the coal fields bore out earlier predictions that production of both soft and hard coal by Lewis' half-million miners would halt at midnight.

No Disorders Reported

More than three-fifths of that number were idle in two states alone. Most of Pennsylvania's 100,000-odd soft coal miners and an additional 80,000 anthracite diggers ignored the whistles intended to summon them for day shift duty. There were no reports of disorders and only scattered picketing in West Virginia an estimated 180,000 men stayed home.

The Eastern Ohio coal fields, which employ 16,000 of the state's 21,000 miners also took on a holiday appearance. Tom Sparks, UMW representative for district 10, said "As far as I know there's not a mine working in Eastern Ohio. The only mine operating was the International Harvester pit at Benham, employing 650 members of the Progressive Miners of America.

Some Mines Operate

Coal still was coming from two Virginia mines, at Clinchco and Dante, where approximately 2,000 employees of the Clinchfield Coal Co. are members of an independent union. Elsewhere in that state, reports showed a virtually complete stoppage by the estimated 18,500 organized miners.

Alabama reported three non-union mines still in production but (Continued on Page 5)

### To Address Rotarians

D. D. Monroe

D. D. Monroe, member of Rotary International's extension committee, will address Midland Rotarians and their ladies at the club's ladies-night dinner in Hotel Scharbauer at 7:30 p. m. Thursday.

Monroe, a native of Indiana, now is secretary-manager of the Clayton, N. M., Abstract Company. He is a past president of the Clayton Rotary Club and has served as a district governor of the organization.

### Frank M' Cormick, Pioneer Citizen, Dies at His Home

Frank M' Cormick, one of Midland's first residents, died at his home, 124 1/2 Tennessee Street, he was 79 years old.

Mr. Cormick had been ill the last several weeks.

Funeral services will be held at 10 a. m. Wednesday at the Ellis Home. Interment will be in the New Cemetery.

Rev. W. Carl Clement, pastor of the First Methodist Church, at Bryant, will officiate at the services.

Building Contractor

M' Cormick was a pioneer builder and contractor of this city. He came here from Brownsville more than fifty years ago as a native of Meridian, Miss. He formerly was connected with Midland Hardware Company, once rancher in the Pecos River area. He came to Midland before the railroad was built here, arriving as his widow, Mrs. M' Cormick, a daughter, Mrs. Bryant, of Midland, and a son, Capt. George D. McCormick, stationed at Lubbock. Both son and daughter are here.

Frank M' Cormick was a member of the Woodmen of the World and the I. O. O. F. For more than 40 years he was a member of the Methodist Church.

### Party Enrolled For Summer School Term

About 30 students were enrolled in the summer school of the Midland High School when classes were held Tuesday morning, G. B. H. principal, announced. The enrollment is about average for summer term, he said.

Several more students are expected to begin classes during the week. The tuition school will be conducted for six weeks.

## War Bulletins

**LONDON —(AP)—** RAF fighter squadrons sped through broken clouds over the southeast coast Tuesday to resume attacks on the Nazi-held Channel coast.

**ANKARA —(AP)—** German press dispatches related that the chief of the Bulgarian police, an instant and a member of the chamber of deputies had been assassinated in a sudden outbreak of violence in Sofia.

**LONDON —(AP)—** The Belgian news agency said Tuesday that eight Belgians have been executed by German occupation authorities on charges of secretly organizing for attacks on Nazi sympathizers and to sabotage Nazi military activities.

## Jap Forces Retreat From Chinese Army

By The Associated Press

China celebrated one of her biggest victories in six bitter years of war with Japan Tuesday as the Chinese command announced that Generalissimo Chiang Kai-Shek's armies had beaten five Japanese divisions totaling perhaps 75,000 troops into disorderly retreat and front-line reports said the survivors had been trapped in a "big encirclement."

Cheered by American and Chinese air support, the Chinese land forces were said to have virtually broken the Japanese threat to Chungking, China's war-time capital, and recaptured at least five cities in driving the enemy back against his Yangtze River base at Ichang.

Ichang lies 310 airline miles from Chungking.

## Tax Bill May Be Approved

**WASHINGTON —(P)—** The compromise pay-as-you-go tax bill will go to the House for a standing vote of 159 to 68 Tuesday. A roll call vote was ordered immediately.

**WASHINGTON —(P)—** Party lines dissolved Tuesday as the House met to pass on a compromise pay-as-you-go income tax bill which provides for a 20 per cent deduction from the taxable part of all wages and salaries beginning one month from Tuesday.

The measure would abate 75 to 100 per cent of one year's income taxes. All taxpayers would be shifted to a current payment basis.

Both Democratic and Republican leaders predicted the House would approve the legislation and route it by way of the Senate to the White House. Administration leaders said President Roosevelt would let it become law.

Under pay-as-you-go, all taxpayers would pay on June 15, the second installment of taxes based on 1942 income, as shown in returns filed last March. (That is, if they have not already paid at least one-half of the total tax shown in the March 15 return.)

Installments paid before July 1 on the basis of 1942 income would be transferred as a credit to 1943 obligations.

On July 1, wage and salary earners would begin paying on their 1943 bill through the withholding levy.

The measure provides that persons with income other than wages and salaries must estimate their income for the current year, and pay by quarterly installments. Persons with wages or salaries above the 20 per cent withholding level also would estimate their upper bracket income, and pay quarterly.

All taxpayers would make on next March 15 a final return on 1943, and make a final settlement with the government.

The withholding levy would not be an additional tax but a means of weekly, bi-weekly, semi-monthly or monthly deductions from pay envelopes and salary checks, against actual taxes as now levied.

## William B. Whitaker Is Seriously Wounded

Mr. and Mrs. Bailey Whitaker, 806 South Colorado, were notified by the War Department Tuesday that their son, Technician Fifth Grade William B. Whitaker, was seriously wounded in action May 8 in the North African area.

Whitaker, 19, has been in the service two years and three months. Before volunteering, he was employed at the Midland Floral Company.

## Court Upholds Death Sentences For Three

**WASHINGTON —(P)—** The Supreme Court upheld Tuesday the convictions of Louis (Leopke) Buchalter, Emanuel Weiss and Louis Capone, alleged members of "Murder, Inc.," sentenced to die at Sing Sing for slaying Joseph Rosen, a Brooklyn storekeeper.

## Bus Drivers Strike

**LONG BEACH, CALIF. —(P)—** A strike of bus drivers badly crippled this busy defense center's public transportation system early Tuesday.

## New Jap Drive Menaces Chungking

The long-fought war in China flares into new life as Jap forces press westward along the Yangtze river toward Chungking, seat of the Chinese government. Circled area shows current battle area.

## Italian Islands Again Hit By U.S. Fliers

**ALLIED HEADQUARTERS IN NORTH AFRICA —(P)—** The American air attack on Pantelleria and Sardinia, Italy's outpost islands, was maintained at a savage pace Monday and flying fortresses gave Foggia, the aviation and railway center on the mainland, its third heavy bombing in four days.

Incurring amazingly low losses in the face of dwindling opposition, the Americans shot down four of the enemy's planes in the sweeping assaults for a loss of two of their own.

It was officially stated that the confirmed score for destruction of enemy aircraft in May was 337 planes shot down in combat, against an Allied loss of 108.

Severe Damage Caused

"Large numbers of enemy aircraft were destroyed on the ground at the important Foggia airbase," in the latest Flying Fortress Blow, said the official statement, but in accordance with the air command's new policy no exact figure was given.

The airfield was blanketed with bursting bombs. Photographs showed severe damage to two hangars and barracks. Freight yards, station, boxcars and warehouses were left in tangled wreckage in the attack on railroad facilities.

Foggia airbase, 80 miles north-east of Naples and on the opposite side of the peninsula, was well known during the first world war as a training field for American Army.

## Germans Launch Counter-Attacks Near Lisichansk

**LONDON —(P)—** German forces launched two strong counter-attacks in the Lisichansk area of the Donets River front Monday night, but were thrown back to their initial position with heavy losses, the midday Soviet communique said Tuesday.

Ignoring German reports that the Nazis had launched a strong drive on the western front above Smolensk, the communique, which was broadcast from Moscow and recorded by the Soviet monitor here, mentioned only artillery action in that general area.

The German version of the Smolensk assault declared Nazi troops had attacked "on a fairly large front" to straighten the battlefield. The Russians were dislodged despite strong resistance, said the Berlin radio, which claimed the Germans were holding their new positions.

Russian artillery fire near Smolensk demolished fortifications, the Soviet noon communique said.

## Rumors Of Rift In French Group Heard

**ALGIERS —(P)—** Rumors of disagreement in the one-day-old executive committee formed by Generals Charles De Gaulle and Henri Giraud to give unified direction to the French war effort circulated Tuesday and it seemed certain that difficult negotiations were ahead.

The committee was engaged in a day-long session, however, and in the absence of any official statement concerning its proceedings, there was no definite information.

The most reliable informant said there was some difference of opinion among the members of Gen. De Gaulle's demand for a house-cleaning of "unworthy" officials in North Africa.

## Funeral Services Held For Cadet English

Funeral services were held at the Ellis Funeral Home Monday afternoon for Aviation Cadet Gordon Clark English, 22, former Midland High School and Tulane football star, who was killed in a Navy plane crash at the Pensacola Air Base, Florida.

Interment was in Fairview Cemetery. The Rev. John E. Pickering, pastor of the First Christian Church, officiated.

English is survived by his parents, Mr. and Mrs. Emmett E. English of Midland, a sister, Mrs. J. C. Rush of Dallas, and a brother, Amon Craig English of Midland.

## WAR AT A GLANCE

**MEDITERRANEAN —** Foggia, Sardinia and Pantelleria take another pasting from Yank airmen.

**RUSSIA —** Reds throw back German counterattacks in Lisichansk area.

**CHINA —** Chinese troops route Nips in greatest Chinese victory.

## Plane Crashes On Isolated Mountain

**PYOTE—**The bodies of eleven men were found in the wreckage of their Flying Fortress on the side of an isolated mountain 50 miles north of Van Horn, Texas, Monday by a searching party from the Rattlesnake Bomber Base at Pyote, Lt. Col. Clarence L. Hewitt Jr., base commanding officer, announced Tuesday noon.

The ten crew members and a radio instructor died in the crash of the plane before daylight Sunday morning. The plane had been the object of a widespread search by Army and civilian aircraft in West Texas and Southeastern New Mexico.

It was the first fatal crash for airmen of the field in more than five months of operation.

Colonel Hewitt said a board of inquiry had been appointed to investigate the crash.

The dead:

Second Lt. William J. Sauer, the pilot, of Lauriston, N. Y.

Second Lt. Charles G. Ryan, co-pilot, Coconut Grove, Fla.

Second Lt. Frank M. Jones, navigator, Houston, Texas.

Tech Sgt. William E. Clark, radio instructor, Monahan.

Staff Sgt. Martin J. Patten, assistant engineer, Crestwood, N. Y.

Corp. Julius B. Wilkerson, engineer, Gainesville, Florida.

Sgt. Edward J. O'Hearn, assistant radio operator, Green Island, N. Y.

Sgt. John J. Hefferan, Jr., gunner, Haverhill, Mass.

Sgt. Edward D. Reed, gunner, Manchester, N. H.

Sgt. George W. Byrnes, radio operator, Pawtucket, R. I.

## Attu Mop-Up Is Continuing

**WASHINGTON —(P)—** More than 400 Japanese troops were killed on Attu Island Saturday night, the Navy reported Tuesday, when three columns of United States soldiers advanced toward Chicago Harbor, where they joined Sunday.

Mopping up operations on the island apparently were continuing Tuesday with Army planes resisting outpockets of Japanese resistance in the barren hills.

Officers here said the organized resistance by the enemy had been broken, however.

## Kiska Is Bombed

A Navy communique said that on May 30 three separate columns of U. S. Army troops coming in from the south, southwest and west respectively, effected a junction on the shores of Chicago Harbor.

In the forward movement of the U. S. Army troops, small Japanese groups offered weak resistance. Over 400 of the enemy were killed in the operations during the night of May 29-30.

Army Liberator heavy bombers, Mitchell medium bombers and Warhawk fighters attacked Japanese installations at Kiska. Fires were started in the Gertrude Cove, the camp area, and on a beached ship and on the runway.

## Italian Chief of Staff Is Ousted

**By The Associated Press**

Gen. Ezio Rosi, chief of staff of the Italian Army, was relieved of his post Tuesday and appointed command of an army group, the Berlin radio said in a Rome dispatch recorded by The Associated Press.

Gen. Mario Roatta, who was chief of staff from March 3, 1941, until he was relieved by Gen. Vittorio Ambrosio on Jan. 19, 1942, was appointed chief of staff of the Italian army, the dispatch said.

Gen. Alfredo Cugnoni was appointed commander of another army group on May 30, the Berlin radio said.

## Governor's Desk Is Cleared Of Measures

**AUSTIN —(P)—** Gov. Coke Stevenson's desk Tuesday was clear of bills passed at the general session of the legislature, including a \$20,132,902 biennial appropriation for institutions of higher learning.

The college appropriation was \$2,791,998 less than that for the biennial ending next Aug. 31. The governor approved the new bill without alteration.

He signed a bill permitting old age pensioners to retain eligibility benefits even though they earn as much as \$250 a year from seasonal or occasional employment. It is effective for the duration and is similar to federal legislation which permits pension applicants to earn money at agricultural labor.

## Wasomes Properties In Crane Sold To General American For \$275,000

**By Frank Gardner, Oil Editor**

Completion of the discovery producer for 24-hour pumping gauge of 157 barrels of oil and staking of a southeast offset kept the Vincent area of Northeastern Howard County in the spotlight Tuesday.

W. S. Guthrie of Corsicana and Couden Petroleum Corporation of Big Spring No. 1 Mrs. Pauline Allen, the pool operator, pumped 157 barrels of oil on 24-hour potential gauge, it was reported here. The well is bottomed at 4,096 feet in lime and was acidized with 1,000, then with 3,000 gallons. Pay was logged from 4,028-91 feet, in what is believed to be Clear Fork, lower Permian, lime.

Couden announced it will spend June 7 in its No. 1 Chester L. Jones, C NW NW section 5, block 25, H. (P) T. C. survey, offsetting the discovery to the southeast. The area is one mile northeast of what is believed to be Clear Fork, lower Permian, lime.

Discovery of the pay below 4,000-foot level probably will lead to deepening of a group of failures in the immediate vicinity, which stopped at around the 3,000-foot Vincent Area Holds Interest (Continued on Page 5)

## WEATHER

Little temperature change.

## Egocentricity

The longer one ponders John L. Lewis' decision to bring his United Mine Workers back into the American Federation of Labor, the more possible explanations appear—and the less any of them satisfies. It is like one of those detective stories in which one tries to fit all the pieces together without having any left over, but always there seem to be loose ends that contradict any tentative solution.

One conclusion, however, does emerge with finality. Two, perhaps, though they are so intertwined as almost to become one.

Lewis is completely egocentric. He does nothing, at any time, without first deciding how it will contribute to the aggrandizement of John L. Lewis. And second, he has the loyal, almost unanimous support of his union. He has that support because consistently, against great odds, he has won their battles. But their battles were his battles; and there is good reason to believe that of recent years, at least, the miners have been almost incidental beneficiaries of their president's fight to add to his own prestige and power.

It is mere wishful thinking to imagine that such a man has backed water — has decided to subordinate himself to the one-time associate whom he hates with all the passion that is in his heart; whom he has excoriated with such terrific bitterness. Whatever motivated Lewis in seeking reaffiliation with the A. F. of L., it did not include willingness to serve under William Green.

By the same token, it would be inviting disaster to assume that Lewis' influence in federation councils, whether he plans himself to take over the reins or merely to get a stooge he can dominate, will be exerted toward promoting peace and co-operation with the C. I. O., which he created and which then had the ineffable gall to repudiate his political leadership.

What will come out of the current upheaval is anyone's guess. What Lewis is trying to get out of it is fully problematical. We can be sure, however, that his goal in the long run is the acquisition of new powers for John L. Lewis, and that he will not hesitate to bite, gouge, kick, destroy anything that he cannot conquer.

Whatever is the outcome of the struggle for higher pay for the miners, Lewis has so conducted that fight as to do grave injury to the cause of labor unionism.

Now that he is expanding his field to take in, again, the great A. F. of L., it is to be hoped that the members of that organization will not permit Lewis to lead them around by the nose as he has his miners—to lead them into striking against the security of the United States in time of war—to force them to discredit the intelligence or the patriotism of the labor movement.

## Gate Crasher

Congressman Bradley of Michigan called the bluff of the Food Conference management when he crashed the gate at Hot Springs, Va. His method may not have been dignified, but nobody yet has found a dignified manner of dealing with the sort of thing the President is trying to do at Hot Springs.

Judge Jones, president of the conference, could have ordered the soldier guard to keep Congressman Bradley out of the Homestead grounds with the same hauteur that would have greeted a newspaperman seeking to inform the taxpaying public what its hired men were doing. But Judge Jones was too wise for that, as Bradley knew he would be. After all, Congress does have to vote funds, confirm appointments, levy taxes, Congress can override executive fiat. It is poor form to order soldiers to shoot, bayonet or club congressmen.

Newspapermen? Sure. They merely act as eyes for the unorganized stockholders in this democracy. But not congressmen.

## What Is Efficiency?

The old question as to what constitutes efficiency in shipbuilding is revived by figures presented by the Baltimore Sun, which reports that the Bethlehem-Fairfield yard there is using less man-hours than either of its principal competitors for the efficiency title, the North Carolina Shipbuilding Company and Henry Kaiser's Oregon yard.

On the other hand North Carolina is turning out craft at an average cost of \$576,000 and Kaiser for \$675,000 including fees, while Bethlehem's cost is estimated presently at \$660,000 exclusive of fees.

In any event, the nation's shipbuilders are building five vessels a day, in addition to naval craft, which tops the rest of the world's combined production.

## Quick On Trigger

The sponsors who walked out on Pittsburgh's town meeting of the air, because the debate subject was "Should the President of the United States Have a Fourth Term?" seem to have been rather quick on the trigger.

The dissidents charged that the topic selected was a trial balloon sent up by New Dealers. That does not seem reasonable, because the question already had been tossed into the political cauldron in Washington and had become a matter of public interest, and is an inevitable topic for discussion.

## Hep, Hep, Hep

## Miss Bradshaw Presents Recital

Miss Barbara Ann Bradshaw was presented in piano recital Friday evening in the home of her teacher, Mrs. A. C. Smith.

Miss Bradshaw has displayed much talent and ability after only seven months of piano study. She was awarded a gold treble clef pin for her accomplishments.

The pianist was assisted by Patsy Ann Collins who gave several dance numbers. Each member was well received.

The following program was presented to an appreciative audience: America, The Rosary, All Through the Night and The Viennese Melody, by Miss Bradshaw.

A ballad, Waltz of the Flowers, by Miss Collins.

Windmill and Tulips, Minuet in G, and Prelude in G, by Miss Bradshaw.

Russian dance, Nut Cracker Suite by Miss Collins.

Elegie and Star Spangled Banner, by Miss Bradshaw.

Mrs. Smith was accompanist for the dance numbers.

## Recital To Be Given By De Wolfe School

Younger students of the De Wolfe School of Music will be presented in piano recital at 8 p. m. Tuesday in the auditorium of the North Elementary School.

The following program will be presented: "My Lesson Today" and "Dancing Gaily," Glenda Crays. "Puppy Dog" and "Pussy Cat," Mary Frank Smith.

"Swing In Our Orchard" and "In Our Cherry Tree," Anna Mary Alkire.

"Hide and Seek" and "Pussy Cat," Irma Driver.

"Dolores," trumpet solo, Frank Robinson.

"Dancing Daisy Fields" and "Little Boat Song," Peggy Joyce Minear.

"Hi-Ho On Tiptoe" and "Long, Long Ago," Alan Olson.

"Betty's Wooden Shoe Dance" and "The Busy Little Clock," Mary Ann Fuller.

"Danube Waves," Marcia Funk. "Aria" from Don Giovanni, Margie Beth Carter.

"Waltz" and "Andantino" from Sonatino, Diana Debnam.

"Waltz" and "Crickle's Band," Melba Jean Clarke.

"Flower of Damascus," Frank Robinson.

"Rondino" and "Dark Eyes," Lois Black.

"Little Drum Major," Royce Raye McKee.

"Jolly Dandies" and "Waltz in F Major," Virginia Kroenlein.

"Playing Pranks" and "Wings On Review," Billy Brown.

"Under the Double Eagle," accordion duet, Marcia Funk and Roy De Wolfe.

## Home Demonstration Group Meets Here

The Cotton Flat Home Demonstration Club met Thursday in the home of Mrs. J. T. Hamingway.

A business session featured. The foundation pattern started at the last meeting was completed by Miss Alpha Lynn.

The club will meet Thursday with Mrs. Dale Woolard when a demonstration in canning in a pressure cooker will be demonstrated by Miss Lynn.

Miss Mary Cook was a special guest. Mesdames Jeff King, Roy Collins, Ray Beyerley, Floyd Countiss, Jr., Dale Woolard, and the hostess.

Mrs. Norman Going and two small sons, Norman Everett and Larry Lee of Stillwater, Oklahoma, arrived Friday for a visit with Mrs. Going's parents, Mr. and Mrs. P. R. Pattison and family. She also arrived in time to attend the eighth grade graduation of her young sister, Dolores Pattison.

## Marriage Is Revealed After Secret Tryst

Mr. and Mrs. T. L. Horn of 1111 West College announce the marriage of their daughter, Helen Jean Horn, to Corp. Paul B. Barnett of San Angelo, son of Mrs. D. W. Barnett.

The marriage took place quietly March 20.

Mrs. Barnett is leaving for Denver, Colorado Wednesday to join her husband, who is stationed at Lowry Field.

## Vacation Bible School Scheduled

The Calvary Baptist Church will sponsor Vacation Bible School at the building at South Main and Dakota Streets beginning Monday, June 7 and continuing through Friday, June 18. The pastor, Rev. A. W. Smith, will serve as principal.

Department superintendent who has accepted their positions are Mrs. F. M. Morrow, immediate; Mrs. Leonard Jones, junior; Mrs. R. C. Frazier, primary; and Mrs. A. W. Smith, beginner.

Work will be offered for all boys and girls from ages four to sixteen. The church has capacity to care for about 175 children. Preparation day will be observed Friday at 4:00 p. m. with registration and a parade through the south part of town.

The daily program of the school will consist of music, worship, creation, Bible study and handwork and will continue three hours daily from 8:30 to 11:30 a. m.

## Baptist Women Hold Profitable Meeting

The Calvary Baptist church WMU was entertained Monday afternoon in the church parlors when the lesson "Community Missions at Work" was under leadership of Mrs. F. M. Morrow.

A social hour followed the lesson, during which a parting gift was presented to Mrs. Ed Shelburne who is leaving the city soon to make her permanent home in Fort Worth.

Those present were: Mesdames F. M. Morrow, Andy Brooks, Ed Shelburne, W. G. Flournoy, Hoyt Burris, B. B. Smith, C. C. Bishop, Leonard Jones, R. C. Frazier, B. F. Ward, L. M. Moore, E. Byars, C. R. Scribner, O. C. Hamlin, W. Z. Walker, J. E. Harwell and Mary Moreland.

Two special guests, Mrs. L. Scheulde and Mrs. Lora Smith, also were present.

## Dates Announced For Pre-Nuptial Fetes

Mrs. O. C. Harper and daughter, Miss Barbara Jean Harper, will entertain with a coffee from 10 to 12 a. m. Friday in honor of Miss Freddie Fae Turner, bride-elect, whose engagement to Lt. Lynn D. Durham of Burlington, N. C., has been announced.

Miss Suzanne Puett will honor Miss Turner with a one o'clock luncheon bridge Thursday, June 10, at her home, 1807 West Wall Street.

## Personals

Mrs. J. L. Rush of Dallas and E. D. Gramling and son, J. E. of Chicago, are guests in the home of their sister, Mrs. Iva Noyse. They also will spend part of their time visiting their father, W. R. Gramling.

Mrs. Iva Noyse has had word from Jack, her son who is stationed at the naval base in San Diego, Cal. that he has been made recruit chief petty officer of his company. He has been in San Diego about three weeks, and writes that he is delighted with it.

## Younger Students Present Recital

A capacity audience attended the recital of the Watson School of Music Monday evening when younger students were presented in the Crystal Ballroom of the Scharbauer Hotel.

The ballroom was attractively decorated with patriotic colors, and the red, white and blue motif was carried out in the flowers, red gladiolus, white shasta daisies and blue corn flowers.

A professional was played by the Estrellito orchestra for the entrance of the students taking part in the program. Thirty-four numbers were presented, and statues of master musicians were presented students for perfect attendance records.

Those who received statues were Lydia Sellers, Evelyn Heil, Mary Jo Hale, Mary Lou Sneed, Doris Morningstar, Billy Morningstar, Marion Lynn Dixon, Shirley Winter, Rita Jo Sturkie, Niles Winter, Belva Dee Pigg, Billie Jean Pigg, Betty McGain, and Jane McWilliams.

Violin, piano, guitar, mandolin, and voice numbers were interpreted.

Ushers for the evening were Eleanor Hedrick, Elaine Hedrick, and Otelia Flynt.

Older students will be presented in recital Tuesday evening at the Scharbauer Hotel.

## Perfection

8386  
12-42

The answer to a lot of summer problems. Easy to get into, easy to tub button-front frock for day-long wear. Pattern No. 8386 is in sizes 12, 14, 16, 18, 20, 40 and 42. Size 14 takes 3 1/2 yards 39-inch material.

For this attractive pattern, send 15 cents, plus 1 cent for postage in coins, with your name, address, pattern number and size to The Reporter-Telegram's today's Pattern Service, 530 So. Wells St., Chicago, Ill.

Now you can order a Summer issue of Fashion, our helpful sewing guide and "pattern" catalog! Contains over 100 new patterns, has information on care of clothing, how to make over, how to plan practical wardrobes. 25¢ per copy.

## Coming Events

WEDNESDAY  
Early communion services at 7 a. m. Wednesday at Trinity Episcopal Church, with the Rev. R. J. Snell in charge.

Hospital opening, celebrating addition of new wing. Booths will be in charge of the Twentieth Century Club at the hospital and at L. S. Department Store.

Library of Calvary Baptist will meet at 2:30 p. m. of Mrs. Hoyt Burris.

Club will meet in the evening. The subject will be "The Future of the Church."

Needle club will meet with Mrs. J. E. Adams.

Rehearsal will be held at 8 p. m. at the City-County Auditorium.

Red Cross surgical dressings room in the court house will be open from 9 to 12.

The Ocho Bridge Club will meet Thursday at 1:30 o'clock in the home of Mrs. W. G. Whitehouse, 1505 West College.

The Friendly Builders class of the First Methodist Church will entertain with an evening party at 8 p. m. in the home of Mrs. Iva Noyse. Co-hostesses will be Mrs. Alvin McKee and Mrs. E. J. Adams.

FRIDAY  
City Federation Tea at 3:00 p. m. in the home of Mrs. N. A. Lancaster, 1705 West Indiana, to which all newcomers and Army wives of the city are invited.

Red Cross surgical dressings room will be open from 9 to 12 in the court house.

Red Cross work room in the Old Heidelberg Inn will be open from 9 to 12.

The W. F. M. S. of the Church of the Nazarene will meet Friday at the church. All members are urged to be present.

SATURDAY  
Civic Theater rehearsal to be held at 8 p. m. in the City-County Auditorium.

Betsy Beckham Bundy's Advice To The Lovelorn

Please give us some good cookie recipes. We want a different one than we have had. Thank you.

Here is a very fine cookies recipe for Bohemian Snicker Doodles:

- 1 cup shortening
- 2 cups sugar
- 4 eggs
- 2/3 cup seeded raisins
- 2/3 cup currants
- 2/3 cups chopped pecan meats
- 2 tsp. soda
- 2 tablespoons hot water
- 5 cups flour
- 1 tsp. salt
- 1 tsp. cloves
- 1 tsp. mace
- 3 tsp. cinnamon
- 1 1/2 cups sour milk

Cream shortening, sugar and egg yolks together. Add raisins, currants and nuts cut fine. Add soda dissolved in hot water. Mix and sift flour, salt and spices, and add alternately with the sour milk to the first mixture. Fold in two stiffly beaten egg whites (save the other two whites for frosting). Pour into well greased muffin pans (or muffin cups) and bake in hot oven (375 degrees F.) for 15 to 20 minutes. This recipe makes three dozen medium sized cup cakes.

Frosting—2 egg whites, 4 tablespoons sweet cream, confectioners sugar, 1/2 teaspoon mace. Add mace to unbeaten egg white and mix well. Add sugar a little at the time, until frosting is the right consistency to spread. Add mace and mix well.

I have never studied domestic science or home economics and I am to be married soon, and feel that I should know more about cooking than I do. Can you tell me of some school or give me some help on how I might learn the science of cooking in a short time.

The science of cooking the right way is not learned in a day. There are many home economics departments and domestic science departments in schools where you might attend. In the interim, I would get a good home economics book and some good cook books. The Boston Cooking Magazine is one of the finest ever printed. You can learn much from this magazine. There are a number of good up-to-date cook books you can obtain. Experiment by demonstration the subjects you are studying, and serve the meal to your family at home. That is a splendid way to learn.

Mrs. J. Cherry of Montgomery, Ala., is visiting in Midland to attend the graduation of her son, M. E. Cherry, who is a cadet at the MAAF Bombardier School.

LEARN THE TRUTH ABOUT BOWEL WORMS  
Nobody is sure to escape. And roundworms can cause real trouble inside you or your child. Watch for the warning signs: uneasy stomach, nervousness, itchy nose or seat. Get JAYNE'S Vermifuge right away! JAYNE'S is America's leading proprietary worm medicine; used by millions for over a century. Acts gently, yet drives out roundworms. Demand JAYNE'S VERMIFUGE.

## O. C. A. Club Girls Are Feted At Breakfast In Blair Home Tuesday

The OCA Club was delightfully entertained Monday evening when Miss Jo Ann Blair was hostess. The girls first enjoyed skating party and returned to the Blair home where a mid-night supper was served.

A breakfast of attractive appointments honored the group in the home of Miss Blair Tuesday morning when she was assisted by her mother, Mrs. Pearl Blair. Following the breakfast a swimming party was enjoyed at the Midland Country Club.

Those who were entertained included: Misses Belva Jo Knight, Jean Martin, Bobbie Jean Gibbins, Kathryn Hanks, Norma Jean Stice, Martha Jane Preston, Mary Frances Carter, Fay Doris Douglas, and Quincy Bell Ryan, who is visiting here from Louisiana.

### Milk Comes Closest To Theoretical Ideal For Health Food, Doctors Say

If there were such a thing as a "health food"—(but there is not, since health depends on many foods)—milk might come closest to that theoretical ideal, doctors say. Milk however, is more properly termed a "protective food" in that it protects against nutritional failure. This high nutritional value in milk is due to the quality of its protein, to its richness in minerals and vitamins, and to the easy digestibility of its fats.

Milk also protects in other ways, Edgar Tanner, manager of the Snowwhite Creamery, 513 West Texas Avenue, says.

**Protection Important**  
Protection of the milk is also important, Edgar Tanner, manager of the Snowwhite Creamery, 513 West Texas Avenue, says. Pasteurization makes sure that the milk is free of bacteria which may cause dis-

eases like typhoid fever, tuberculosis, septic sore throat, and intestinal diseases in infants.

No raw milk is capable of being pronounced absolutely safe from invasion by harmful bacteria which only high temperature can kill, Tanner said. That is why Dairyland Milk is pasteurized in the well equipped plant of the creamery.

Pasteurization holds the milk at a temperature from 142 to 145 degrees Fahrenheit, and the milk is cooled at once.

**Cleanliness Stressed**  
Besides being highly nutritious, Dairyland Milk also is an economical food, a fact rarely given full credit. On the basis of market values, the protein of milk costs less than that of lean beef, and it is cheaper than that of eggs by a similar comparison. If its vitamins and mineral values are thrown into the reckoning, Dairyland Milk becomes even more valuable. It cannot substitute for meat—or any other single food—but it supplements all admirably.

Cleanliness is stressed in the Snowwhite Creamery plant, which is well-equipped throughout. The company has been operating here since 1924.

In addition to Dairyland Milk, the company processes coffee cream and Dairyland Ice Cream.

### Insurance Which Can Be Sold And Bought On Faith Offered By Mims & Crane Agency

Insurance is one of the few things still sold and purchased on faith.

It doesn't come draped in cellaphane with pretty ribbons. It has no eye appeal or taste appeal.

Policies of insurance and surety bonds today, as when the first one was written, still remain pieces of paper—until a loss has arisen and claim is presented. Then that insurance comes to life.

Providing insurance that can be sold and purchased with complete faith in its adequacy has been the aim from the establishment of the Mims & Crane Insurance Agency here about 20 years ago.

**Broad Knowledge Needed**  
The proper and timely adjustment of a loss sometimes completely changes the financial as well as the moral future of the individuals involved. But back of this must be a company that has justified its existence by a long record of meeting its just obligations, the agency believes.

There must have been a broad knowledge of the insurance business and a thorough analysis of the client's needs.

No one form of insurance will cover everyone's needs, since every need is created by a specific exposure to liability. That is why the Mims & Crane agency has placed its faith in several responsible lines, and sells them with complete faith that each client's needs have been recognized and protected.

The company, located in its own offices at 205 West Wall Street, has been in operation here for 20 years. It was established by Percy Mims in 1923 and Claude O. Crane became associated with the business in 1928.

In addition to general insurance the firm also handles real estate, loans and abstract matters. Ranch and city loans are made to responsible parties.

### Crop Goal Penalty Has Been Eliminated

The penalty for failure to meet 90 per cent of war crop goals has been eliminated, the Midland County AAA office was advised Monday by B. F. Vance, administrative officer in charge of the AAA program at College Station.

The AAA ruling had specified that penalties would be charged against farmers who planted less than 90 per cent of the goals for which they signed.

### Ever-Ready Service Provides Complete Station Facilities

The Ever-Ready Auto Service, 300 West Wall Street, provides excellent service station facilities for caring for automobiles of motorists of this area. Fred Wemple is manager of the firm which was established here in 1923.

In addition to handling Mobilgas and Mobiloil products, the station has complete wash and lubrication facilities with the most modern equipment available. A good line of accessories is carried by the Ever-Ready Service.

U. S. brand tires, Globe Batteries, Motorola Radios, Gordon seat covers, and other well-known brands of supplies are offered.

The Ever-Ready Auto Service has been designated an official tire inspection station.

R. A. (Dick) Whitson, who has been with the company 15 years, is manager of the station.

### Firestone Store Offers Supplies Needed For Home

Wise property owners are turning now to repairing, renovating and refurbishing their homes to help them last for years to come. Although war shortages restrict construction and replacement of many items, material to keep property in good shape until after war is available.

The Firestone Store at 624 West Wall Street is headquarters for home needs of almost every description, and the employees are ready to help citizens select the items they need. It is one of the most complete stores in West Texas. Pierre J. Gomer, manager, invites everyone interested in maintaining and fixing up their homes to drop in and talk over their problems.

Persons planning to paint their property are urged to investigate Firestone paints offered in all popular colors, each fully guaranteed to give satisfaction. Wall-Tone, for interior painting, will cover any surface.

**Good Stocks Available**  
Good stocks of appliances, hardware, housewares, lawn and garden supplies and other needs are maintained at the store. A special product, developed by Firestone and meeting with success throughout the country is the Velon plastic screen. It is durable and guaranteed for life against deterioration, rust and corrosion, and never requires painting. It is available in six different sizes and it fills a definite need for homes with torn and rusted window screens.

Automobile accessories to keep cars operating also are offered by the company, which maintains good gasoline, oil, wash and grease services. Among the many items available are tires, tubes, Perma-Life batteries, seat covers, special lights and other accessories, car cleaners, brake linings, spark plugs and many others. A recapping service is maintained.

Recreation supplies, toys, games, clothing, leather goods, books and many other items may be obtained

### Company Offers Good Market

Every Thursday—rain or shine—live stock auctions are conducted at the Texas Cattle Sales, Inc., building in Midland, and livestock owners of this area are paid good prices for their animals. The company has been in operation here for the past three years.

Because of the volume of livestock offered, buyers consider the Texas Cattle Sales auction one of the best markets, and as a result they pay good prices. Persons owning stock have found they profit by selling their livestock here, since they save the freight costs

at the store. Beautiful dishes and crockery, kitchen equipment, and other household needs are supplied. Whatever the need, Gomer said, it pays to visit Firestone first.

the company has been in operation here for the past three years. Buyers from numerous cities, Texas, in addition to many from other states, attend the sales here. Persons having livestock to sell are urged to learn more about the opportunities offered here.

J. C. Miles and Lynch King are owners of the Texas Cattle Sales, Inc. The auction building is located south of the railroad and east of Main Street.

Diamond Island, 140 miles south of Rangoon, was a haven for giant turtles until occupied by the Japanese.

OPER

COPYRIGHT, 1943, NEA SERVICE, INC.

...coming to them. I've got a... his voice trailed, hesitated. "A what?"

"Haven't I ever told you?" "Of course not."

"Well, I've got a little ranch out West. It was a nice place before the war and I think it'll be a nice place after the war."

"It sounds swell."

"What will you be doing after the war?" Brit asked.

"Oh, I suppose I'll go back to the automobile agency—if autos are being sold."

THE doctor stepped up to Beth's bed and checked her bandaged head, then her ankle.

"If you don't put your foot into trouble, you stick your neck out," he joked.

Beth and Brit laughed with him. Then the doctor walked away. "I'm leaving her to you for a few minutes, Major," he said. "Think you can take care of her?"

"I'll try," Brit said.

He reached down and took Beth's hand tenderly in his own. "Beth," he said, "I—I hardly know how to say this. But—you've done as good a job of soldiering as anyone could."

Beth's heart stood still, waiting for his next words. She wanted, for the moment, to forget soldiering.

"I'm sending a message to headquarters in the city tonight recommending that you be promoted to a captaincy."

"I'm glad," she murmured. "Thanks." She smiled up at him, encouragingly.

Brit Jackson groped for words. He half rose. Then he sat down again. "Beth," he said, "I—there's something else I want to say. Do you remember all the things I told you when we were tied up in the seaplane? I meant every one of them. I—Beth—I love you."

All the weariness in her faded away, but she closed her eyes and sighed. Gently, Brit Jackson kissed her.

THE END

## Republicans Set Meeting To Plan 1944 Platform

WASHINGTON—(P)—Republican party leaders, expecting the middle west to be the main battleground in next year's presidential campaign, may call a meeting in Chicago or some other central city this summer to start preliminary work on a 1944 platform.

Attending would be the 49 members of a postwar advisory council of 24 Republican governors, five Senators, 12 Representatives, and eight party officials announced by National Chairman Harrison E. Spangler Monday night as having been formed to develop a "realistic peace-time program for American progress" for guidance of the next national convention.

Thus, the Republicans are duplicating their procedure of four years ago—getting timber for platform planks for their next presidential candidate a year or more in advance of their convention.

Sounding a keynote for international cooperation after the war, in line with recent party pronouncements, Spangler said the problem of a lasting world peace "must be me courageously and realistically" and must be approached in a "spirit of friendly cooperation with the other nations of the world, keeping in mind the welfare of our own country."

## Decline Is Reported In Crude Production

TULSA, OKLA.—(P)—Daily crude oil production in the United States declined 14,685 barrels to 3,982,015 for the week ended May 29, the Oil & Gas Journal said Tuesday.

California production declined 18,075 to 762,250; Kansas 12,200 to 289,450, and Louisiana, 200 to 348,000.

Eastern states production increased 650 to 102,600; Illinois, 9,150 to 219,650; Michigan, 200 to 58,100; Oklahoma, 4,550 to 323,250; the Rocky Mountain states, 5,290 to 125,165, and Texas, 190 to 1,502,500.

East Texas was unchanged at 339,300.

## Farmers May Obtain Vitally Needed Items

WASHINGTON—(P)—The nation's farmers, looked to for more food than ever before, now may obtain the more ordinary equipment simply by saying they need it.

Effective next Monday, a farmer may buy up to \$25 worth of 178 specifically-named items by certifying to his dealer that he is a farmer and requires the material now. If he wants to buy more than that, it can be arranged by having his county farm rationing committee sign the certificate—which is not a form and can be written on an ordinary piece of paper.

## Baylor Schools To Reopen By July 12

DALLAS—(P)—The Baylor University schools of medicine and dentistry will reopen in Hordville not later than July 12, President Pat M. Neff of Baylor said Monday night at commencement exercises of the schools.

Degrees of doctor of medicine were conferred on 77 graduates and 39 received the doctor of dental surgery degree.

## Dr. White Resigns Presidency Of HSU

ABILENE—(P)—Dr. W. R. White resigned as president of Hardin-Simmons University Monday to become chairman of the editorial division of the Sunday School board of the Southern Baptist Convention with offices in Nashville.

Trustees of the university accepted the resignation and requested Dr. R. S. Richardson, chairman of the faculty, to take over as acting president.

## Wartime Cooperation

ST. LOUIS—(P)—A novelty store owner was called to jury duty and the manpower shortage threatened to close his store, but not for long.

Unable to hire a helper, he ran this sign: "I am on jury duty this week. Store hours are 7:30 to 9:30 a. m.; 12:45 to 1:30 p. m.; 4:45 to 6:00 p. m."

He was punctual; his customers were faithful. They awaited the opening each day.

## Housekeepers Ratings

WASHINGTON—(P)—There's a new specialist rating available for the WAVES—"U" for utility.

The Navy said the rating will be for women especially qualified for housekeeping duties at women's reserve centers.

Similar ratings, the Navy said, will be open for seamen assigned to housekeeping or mess duties.

## Boycott On Nurseries

OKLAHOMA CITY—(P)—Nurseries were set up for children of war-working mothers.

"Nurseries are for babies and sisters," the youngsters declared; and they refused to attend.

Mrs. Frances Presley, supervisor, renamed the nurseries children's centers. She had no further trouble.

## Medals Awarded Men For Heroism On Hornet

WASHINGTON—(P)—Silver star medals have been awarded 11 marines for heroic service aboard the aircraft carrier Hornet last Oct. 26 during aerial attack by Japanese forces off the Santa Cruz Islands in the Southwest Pacific, Marine Corps headquarters announced Tuesday.

## Jury To Investigate Dallas Murder Case

DALLAS—(P)—District Attorney Dean Gaudin said a Dallas County grand jury will begin consideration Wednesday of two murder charges against Mrs. Mary Frailey.

Two charges were filed after her two small children had been shot to death May 6.

The children, Watt Martin, 11, and Louise Beaumont Martin, 7, were shot through the head a few hours before their father, Watt Martin, Jr., of Miami, Fla., was to take custody of them under an agreed judgment following a contest in district court.

Mrs. Frailey is confined in the county jail.

In normal times, ships underway at sea during foggy weather, must give signals by siren every two minutes.

## AAA Officers Will Attend Area Meeting

W. E. Pig chairman of the Midland County AAA committee, and Miss Josephine Elliott, administrative officer, will attend a meeting of district AAA workers at Sweetwater Wednesday and Thursday.

County committeemen, administrative officers, and farm and range supervisors of District 6-North will attend the meeting.

## 29 New Patients?

LIBERTY, MO.—(P)—A nurse employed in a doctor's office was one of 30 guests at a dinner party.

It was a gala event until she exclaimed: "Why, I've got the measles!"

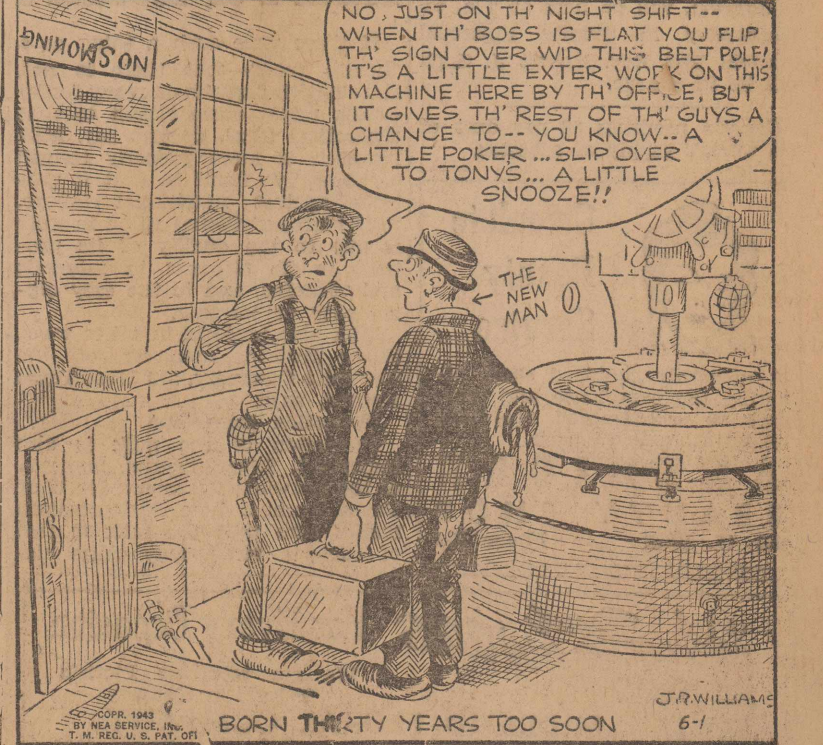

DANLEY PROMOTED

Joe H. Danley of Midland has been promoted from private first class to technician fifth grade. He is with the Engineer Amphibian Command at Camp Edwards, Mass.

This is the second of a series of six articles showing a technique of play known as false-carding. This series will prove beneficial to expert and beginner alike.

By William E. McKinney America's Card Authority

I don't want my readers to get the impression that it always pays to false-card. Use this play only when you have something to gain by it. Today we have another example of a neat false-card play. North leads the three of spades, East puts on

the five-spot and declarer (South) finesses the jack, which holds the trick. South lays down the ace, and now East has an opportunity to execute a skillful false-card play. East should drop the queen on the ace, not the ten-spot.

This puts the declarer up against a guess. He does not know whether to play the four-spot from his hand and finesse the nine, or go up with the king. In all probability he will play the nine-spot, and thus East will win a trick with the ten.

If East plays the ten on the ace, declarer will not have much choice except to try to split the spades 3-3, and go up with the king, in which case the queen will fall. False-carding by dropping the queen on the ace may mislead him into taking an unwise finesse.

## Rating Of Garden City Post Office Advanced

The Garden City post office will be advanced to presidential rank on July 1 by order of Postmaster General Walker. The office will pay the postmaster a salary of \$1,100 annually.

It now is a fourth class office.

## Cedric K. Ferguson Will Receive Honor

Among senior students who will be graduated June 13 "with distinction" at Stanford University, California, is Cedric Keith Ferguson of Midland.

The list of honor students was received here Tuesday.

## HOLD EVERYTHING

## THIS CURIOUS WORLD By William Ferguson

THE PROVINCE OF QUEBEC WAS KNOWN AS NEW FRANCE, 1535 TO 1763, QUEBEC, 1763 TO 1790, LOWER CANADA, 1791 TO 1840, CANADA EAST, 1846 TO 1867, AND THEN QUEBEC AGAIN.

ANSWER: Panama Canal Zone.

NEXT: The long arm of the Aleutians.

Nation's Miners -- (Continued from Page 1) they represented only 2,000 of that state's 24,000 miners. One non-union mine in West Virginia, employing 900 men, continued operations. Secretary Ickes, boss of the government-operated mines in his capacity as fuel administrator, reported meanwhile that as of a month ago the nation had an average of 45 days supply of soft coal in stock piles aggregating 78,665,000 tons, an increase of 1,373,000 tons over April 1. He attributed the gain during April to a lower consumption rate due to seasonal influences. Bituminous production for the week ended May 23 totaled 11,570,000 tons, compared with 12,300,000 tons in the previous week. Ickes said the decrease was due to floods in the Midwest. Anthracite production for the week ended May 22 was 1,261,000 tons compared with 1,420,000 tons a week earlier. He did not account for the slump. Washington and the remainder of the country waited tensely to see what action a government at the helm would take to protect its interests as nominal operator of the mines. Without coal, the output of war factories is threatened. Collective bargaining negotiations between UMW leader John L. Lewis and the mine operators are scheduled to continue Tuesday but thousands of miners in both the soft and hard coal fields stayed away from the pits in the absence of any word that the truce had been extended a second time. There was no immediate reaction from the White House, but it was recalled that President Roosevelt termed the initial walkouts in April "strikes against the United States Government itself." In a speech a few days later he declared that "coal will be mined no matter what any individual thinks about it."

China's President Reported Improved CHUNGKING (AP)—Physicians attending President Lin Sen, 81, critically ill since May 12, said Tuesday afternoon that he was "getting slightly better" but that his condition remained serious. (It was erroneously reported that Lin died early Monday.)

DAVIES ARRIVES IN ALASKA FROM MOSCOW FAIRBANKS (AP)—Joseph E. Davies arrived here Monday from Moscow, where he delivered a secret message to Soviet Premier Joseph Stalin from President Roosevelt. Davies disclosed that he had talked over the military situation with Stalin and other Russian leaders, and said he had found them "confident but not aggressively so."

DEMPESEY DIVORCE CASE TRIAL IS POSTPONED WHITE PLAINS, N. Y. (AP)—Trial of the Jack Dempsey-Hannah Williams divorce case was delayed Tuesday when her attorney told the court that Mrs. Dempsey was "suffering from a complete nervous collapse."

BRITAIN SUFFERS 514,993 CASUALTIES DURING WAR LONDON (AP)—Britain has suffered 514,993 casualties in all ranks of empire armed forces in the first three years of war, Deputy Prime Minister Clement Attlee told Commons Tuesday.

MONTERREY, MEXICO (AP)—Six thousand workers staged a noisy demonstration against high prices Monday, and climaxed their protest by stoning eleven stores, breaking windows.

Dependency May Be Eliminated As Draft Buffer

WASHINGTON (AP)—Dependency alone will be virtually eliminated by the end of this year as a reason for keeping fathers out of uniform, Manpower Chief Paul V. McNutt indicated Tuesday. The armed forces will need only 22 of every 100 able-bodied fathers still will be deferred at the end of 1943 because their families need their support. General induction of family heads is due to start August 1. A Navy announcement Monday lowering physical standards for draftees may slow up induction of fathers slightly. McNutt said, but he predicted that even if the Army follows suit in adopting new standards the general effect on father induction will be "only a delay."

Relaxation of Navy standards, particularly on eyesight, conceded with reliable reports that the armed forces have been rejecting more than half the inductees called up in recent weeks. Inductions have been proceeding at about 300,000 a month. If this rate is continued in 1944, McNutt said, it would be necessary to lower physical requirements still further, drop the minimum draft age below 18 years, or raise it above the present maximum of 37 in the order named.

Notary Commissions Expire Tuesday Night Mrs. Susie Noble, county clerk, warned notaries public Tuesday that their commissions expire at midnight Tuesday unless they renew their bonds. They can not take acknowledgments after that time on their 1941-1942 bonds. Persons holding newly-approved commissions may begin serving as notaries public as soon as their bonds are filed in the clerk's office. About 150 persons are expected to file bonds as notaries public for Midland County, Mrs. Noble said.

Livestock FORT WORTH (AP)—Cattle 1,800; calves 700; market generally steady; good and choice feed steers and yearlings 14.00-16.50; good beef cows 12.00-13.00; butcher cows 10.25-11.50; good and choice fat calves 14.00-15.00; stocker steer calves topped at 16.50 with heifers at 15.50. Common and medium stocker calves 11.00-14.00. Steers and yearlings 11.00-15.00; cows went back to grass at 12.50 down. Hog prices not fully established at 10:30 a. m.; small butchers paid 14.75 for good and choice 190-280 lb. butchers; 160-185 lb. averages 13.40-30. Sows mostly 13.25; pigs 13.50 down. Sheep and lambs fully steady; spring lambs mostly 10.00-13.75 with choice kinds lacking. Shorn lambs 10.00-13.75; medium grade aged wethers 7.00; good ewes 7.00 down; other classes scarce and nominally steady.

China's President Reported Improved CHUNGKING (AP)—Physicians attending President Lin Sen, 81, critically ill since May 12, said Tuesday afternoon that he was "getting slightly better" but that his condition remained serious. (It was erroneously reported that Lin died early Monday.)

DAVIES ARRIVES IN ALASKA FROM MOSCOW FAIRBANKS (AP)—Joseph E. Davies arrived here Monday from Moscow, where he delivered a secret message to Soviet Premier Joseph Stalin from President Roosevelt. Davies disclosed that he had talked over the military situation with Stalin and other Russian leaders, and said he had found them "confident but not aggressively so."

DEMPESEY DIVORCE CASE TRIAL IS POSTPONED WHITE PLAINS, N. Y. (AP)—Trial of the Jack Dempsey-Hannah Williams divorce case was delayed Tuesday when her attorney told the court that Mrs. Dempsey was "suffering from a complete nervous collapse."

BRITAIN SUFFERS 514,993 CASUALTIES DURING WAR LONDON (AP)—Britain has suffered 514,993 casualties in all ranks of empire armed forces in the first three years of war, Deputy Prime Minister Clement Attlee told Commons Tuesday.

MONTERREY, MEXICO (AP)—Six thousand workers staged a noisy demonstration against high prices Monday, and climaxed their protest by stoning eleven stores, breaking windows.

### Service To Get Two Of Majors' Better Batsmen

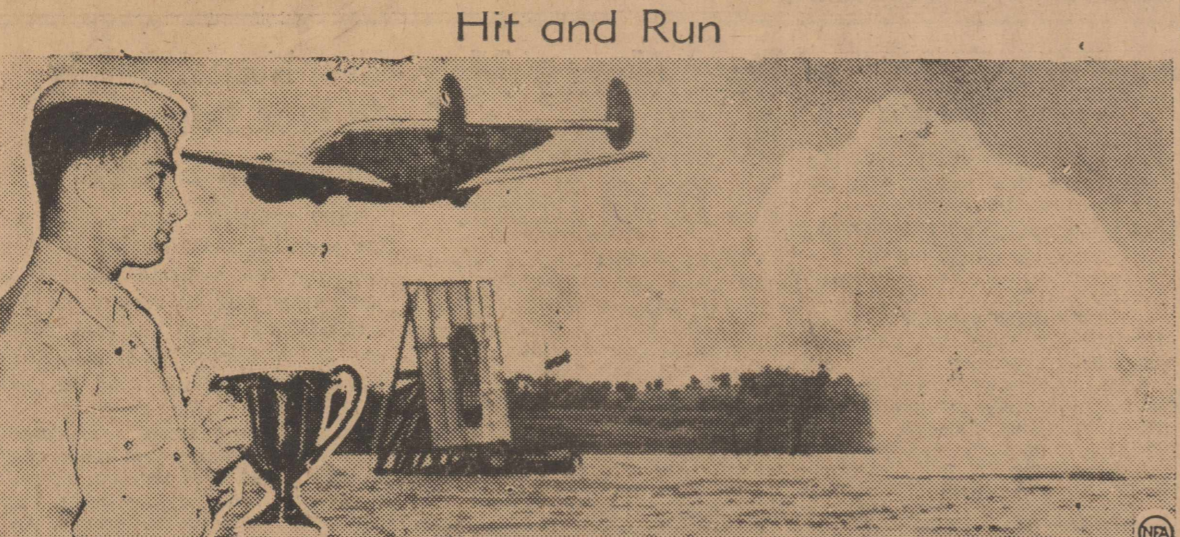

NEW YORK—(P)—A couple of prospective sluggers for Uncle Sam—Vernon Stephens of the St. Louis Browns and Ellsworth (Babe) Dahlgren of the Phillies—are giving the major leagues something to remember them by.

Stephens left the Browns Monday in the middle of the second game of a doubleheader at Boston to go to Long Beach, Calif., for his induction exam. If he passes, he will have played his last game of the season, but his 376 batting average is not likely to be forgotten soon.

Stephens, a hortistop who switched to the outfield for his last few games after recovering from a knee injury, has led the American League in hitting from the start of the season and no other slugger has approached his pace.

Dahlgren is a newcomer to the top spot in the National League with a .368 average. He was notified a few days ago that he had passed his preliminary physical test and would be eligible for induction in the next quota of his Philadelphia draft board, probably in July.

Dahlgren boosted his batting average 27 points in a week and jumped from fourth place to first.

From splash direct to mouth of Hirohito, whose caricature decorates 20-foot target, goes bomb in first public demonstration of skip bombing at Childress, Tex. One bomb has already penetrated top of target. Joseph Merel Arnoff of Cleveland, O., gets trophy as All-America bombardier. He takes individual honors in first Flying Training Command Precision Bombing Olympic Games, making better score with five bombs dropped from 10,000 feet than did 23 competitors.

### Dodgers Hold Slender Margin In American League Race By Splitting With Cardinals

BY JUDSON BAILEY  
Associated Press Sports Writer

Baseball has three big week-ends this season—Memorial Day, Independence Day and Labor Day—and the first of these has given the major leagues something to shout about, if they have any breath left.

In three topsy-turvy days comprising the extended observance of Memorial Day in the big leagues 39 games were played for the entertainment of 371,713 paying customers.

When the whole bewildering business was over, and the cleaners were sweeping up the scorepads and peanut shells, the standings of both leagues had been scrambled—but the New York Yankees were on top in the American and the

Brooklyn Dodgers still in front in the National.

**Dodgers Split Pair**  
The Dodgers reserved their slender margin at the head of the senior circuit by dividing a doubleheader at St. Louis before 25,664 fans, the largest crowd in the National League Monday.

They were shut out 7-0 in the first game as Mort Cooper pitched a spectacular one-hitter. Billy Herman spoiled a no-hit chance for Cooper by smashing a double in the fifth inning.

The Cardinals themselves were blanked 1-0 in the second game although Harry Brecheen, rookie southpaw, held Brooklyn to four hits while the Redbirds made five. Fred Fitzsimmons, who pitched seven innings before being removed

### THE STANDINGS

American League	W	L	Pct.
New York	19	13	.594
Washington	19	16	.543
Philadelphia	19	17	.523
Cleveland	18	17	.514
Detroit	16	16	.500
Boston	17	19	.472
Chicago	13	16	.448
St. Louis	11	18	.379

National League	W	L	Pct.
Brooklyn	25	13	.658
St. Louis	22	13	.629
Boston	16	15	.516
Cincinnati	17	18	.486
Pittsburgh	16	17	.485
Philadelphia	16	19	.457
New York	15	21	.417
Chicago	12	23	.343

**STANDINGS**  
National League  
New York 4-0, Cincinnati 6-0 (second game called end 6th).  
Brooklyn 0-1, St. Louis 7-0.  
Boston 6-0, Pittsburgh 1-4.  
Philadelphia 0-2, Chicago 4-8.

American League  
Chicago 10-4, New York 5-10 (first game 10 innings).  
St. Louis 1-6, Boston 2-7 (first game 10 innings).  
St. Louis 1-6, Boston 2-7 (first game 13 innings; second game 10 innings).  
Detroit 7-3, Philadelphia 0-4.  
Cleveland 7-7, Washington 8-6 (second game 13 innings).

### Watch Has Lots Of Time To Get Around

MEMPHIS—(P)—A wrist watch without inscription, lost by a Memphis marine in the sands of Guadalcanal last January, has come home after a circuitous journey of thousands of miles.

The watch, dropped by Pfc. Leo M. Schneider, Jr., as he leaped ashore, was found in February by a marine captain who later turned it over to a Red Cross worker in a San Francisco hospital.

The Red Cross worker, Virginia Benham, traced the watch from the wholesaler distributor and jewelry firm finally to Schneider's parents here.

The watch, still in good shape, is being saved for its marine owner, who has some unfinished business in the Pacific.

Lt. L. C. Tennis of the Army Air Forces in Florida was a visitor in Midland Monday night. He was here on business. The officer formerly was a geologist here.

**Arnold Says Enemy's Morale Is Cracking**  
WEST POINT, N. Y.—(P)—The enemy's morale is beginning to crack under the hammering blows of aerial bombardment and the Allies "are now ready for a decisive year," Gen. Henry H. Arnold said Tuesday.

Addressing the graduating class at West Point, the commanding general of the army Air Forces said "The Germans, the Italians and yes—the Japs—see the handwriting on the wall." He added a warning that the Axis armies are still "well trained, well equipped, brilliantly commanded, and desperate—which always makes a dangerous foe."

**Nation's Food Supply Will Be Sufficient**  
LUSK, WYO.—(P)—Grover B. Hill, assistant secretary of agriculture, told the Wyoming Stockgrowers Association on Tuesday the nation's food supply will be sufficient, although, he said, there will be none to waste.

Hill said the country had on hand about 3,000,000 more cattle than the previous all-time record. He said the nation had also 13,000,000 more hogs, more poultry than ever before, and its greatest production of poultry products.

Lon H. Tyson of Chihuahua, Mexico, former police chief in Midland, is here on business.

### Girl Athlete Piles Up Sports Trophies

HOUSTON—(P)—At the age of six, Elizabeth Ann Eby started winning athletic trophies. Today at fifteen she has 34 for her efforts in tennis, swimming and horse-back competition.

Her first trophy came for horse-back riding with the junior hunt and riding club here.

She won other riding titles and also carried a share of top places in swimming. She is proudest of the third place award she got competing in the 50-year free style with the seniors in the Southern AAU open champions at New Orleans. She was only twelve then.

This spring Miss Eby won the state high school girls singles tennis championship.

### Sports Roundup

By Hugh Fullerton, Jr.  
NEW YORK—(P)—Jimmy Pie-weger, the Lawrence College kid who was picked as the outstanding performer in the central collegiate track meet, set out to become a track star after watching Jesse Owens set two world records and tie another in the 1936 C. C. C. meet. . . . Now he averages about 12 points a meet against strong competition in the sprints, hurdles jumps and discus and javelin and he's thinking about entering the national decathlon championship if the Navy doesn't get him first.

**One Weakness**  
Jack Sell of the Pittsburgh Post-Gazette relates this conversation between two horsemen at Wheeling Downs who were discussing a friend: "He's a smart operator," said No. 1. "He has an uncanny knack of picking the right spots for his horses and he cleans up more than his share of prize money."  
"He knows how to bet, too," No. 2 added. "He gets fifty or a hundred down just when the price is juicy."  
"Of course, there is one little trouble with him," No. 1 admitted. "He's always broke."

**One-Minute Sports Page**  
Did you know that Christy Mathewson once was belted for 24 hits in one ball game? That was when he was pitching for Taunton, Mass., in 1899 at \$80 a month—in eight installments. . . . One of them must have been late. . . . When Featherweight Champ Willie Pep testified in a recent court case concerning a street fight, he admired the defendant's "fine right hand." The jury then decided that that "fine right" to the plaintiff's cheek was worth \$13,000. . . . Which is more than Willie ever got for giving or taking one punch.

### Byrnes Promises To End Squabbles Of Federal Units

SPARTANBURG, S. C.—(P)—James F. Byrnes, newly named director of war mobilization, left a promise with the nation Tuesday that squabbling governmental agencies would be streamlined into an efficient war machine—but how the chief of America's home front plans to do it was kept to himself.

He gave the broad outline of his plan Monday night to a shirt-sleeved throng of home folks, gathered in Spartanburg's baseball park for a cotton-goes-to-war celebration.

**Teamwork Necessary**  
"Your government has no right to call upon you to work as a team if it is not going to demand of government officials that they work as a team," said Byrnes in his first address since President Roosevelt named him to the new post.

"I admit that officials of the government have made mistakes. That is to be expected of human beings. But the people have a right to expect government officials to sacrifice all pride of opinion and cooperate just as officers of the Army and Navy are required to cooperate."  
"We must be just," he continued. "There have been controversies in government."

**Figures Released**  
Byrnes buttresses his promise with hard figures of United States war production. He disclosed that: "The 100,000 th plane manufactured since we began our war production program came off the assembly line Monday."  
"During this year, we will double the size of our fleet."  
"We are building merchant ships four times as fast as they are being sunk."

**Safest Holiday In Years Is Recorded**  
By The Associated Press  
The nation looked back Tuesday on its first Memorial Day weekend in years, counting 230 holiday fatalities compared to 304 last year and an average peacetime toll of 400 lives.  
The fatalities by state included: Texas, 5 traffic.

**NEW COMMAND CREATED FOR CARIBBEAN FORCES**  
SAN JUAN, PUERTO RICO—(P)—The United States Army announced Monday consolidation of its eastern Caribbean posts under a new "Antilles Department" which will supersede the former Puerto Rico Department of the Trinidad command.

### Deputy OPA Official Quits In Peace Move

WASHINGTON—(P)—J. Kenneth Galbraith, the 34-year-old economics professor, is out as deputy price administrator and the question Tuesday is whether his departure will restore harmony in the strife-torn Office of Price Administration.

Galbraith's resignation climaxed a sharp conflict with Lou R. Maxon, chunky Detroit advertising executive, and \$1 a year OPA deputy administrator in charge of public relations.

Announcing late Monday that Galbraith had resigned, Price Administrator Prentiss M. Brown merely said the resignation was effective immediately, and that "any personnel changes at this time in no way affect the basic OPA policy to 'hold the line' on prices in accord with the President's recent executive order."

**Cemetery Curfew**  
OGDEN, UTAH—(P)—No more parked cars will be allowed in the city cemetery at night.  
Police Lt. Darrel Shaw said there have been too many complaints of damaged headstones.

T. E. Carter of Tolar, who has been visiting Mr. and Mrs. D. R. Carter and family, has returned home.

### Get Ready for Hot Weather
