Owls Soar to Big Victory Over Higgins

Silverton's big red fighting Owls took their "whatever it takes" motto to Coyote Field in Higgins last Friday night and came away with a big hard-fought victory. Anyone who likes football and wasn't at the game missed something really special, as the Owls proved to their fans how much they want an outright district championship this year. The game was tough, but the team seemed to come through in good physical condition.

Coach Jack Shely likened his team's victory to a Mike Tyson boxing match, saying "we beat the tar out of them physically."

"Our defense played out of their minds," Coach Shely, a former head coach at Higgins, said. "We did most everything we wanted to do. It was a tremendous emotional game for us. It was a very satisfying win."

The victory kept the Owls atop the District standings, tied with

McLean at 3-0. Coach Shely said the Owls won't be looking past this week's opponent, Lefors, in preparation for hosting McLean in what is shaping up to be the battle for the district title on November 10 at Payne Field in Silverton.

"We're in good shape to get in the playoffs but we're still not in there yet," Coach Shely reminded.

The game at Lefors this week will be difficult because the Pirates haven't won a district game and lost last week to Miami, 30-16. The Owls will just have to keep uppermost in their minds that they can't win the championship without beating Lefors. Fans don't believe the Owls will forget this.

The Owls opened the game at Higgins by kicking off to the Coyotes and defensively giving up only 13 yards. Defensively the effort was provided by Wayne

Henderson, Frank Lowrey, Brian Martin, Bradley Brunson and Bryan Breedlove, all of whom had a tremendous game. The Owls got the ball for the first time with 8:17 showing on the clock, and runs by Brian West, Henderson and Martin picked up a first down on the Higgins 30. Runs by West and Henderson moved the ball to a first down on the Higgins 5, where there was an illegal procedure call against the Owls. On second down, the Owls lost the ball via the fumble, and Higgins was back on offense deep in their end of the field.

This time the Owls threw the Coyotes for a loss on first down (courtesy of Lowrey and Kendal Minyard) and after two incomplete passes, they punted. Minyard took the punt back to the Higgins 25, setting up the game's first score. Henderson picked up four yards, and Minyard passed to Brunson for the touchdown. West's PAT kick failed, and the Owls held a 6-0 lead with 2:53 remaining to be played in the first quarter.

After the Owls kicked off to the Coyotes, the ballcarrier was stopped on the Higgins 29. On first down, Lowrey threw the Coyotes for a two-yard loss, and Breedlove held them to no gain on second down. On third down, they passed for a first down, with Minyard bringing the ballcarrier down on the Silverton 30. Brunson performed a quarterback sack for a 15-yard loss on first down, there was an incomplete pass and a pass completed for no gain, thanks to Brunson and Bryan Ramsey before the ball went over to the Owls on downs following an incomplete fourth-down pass.

Brunson carried to the Higgins

19 for a first down with five seconds remaining in the first period, and Henderson picked up four more yards. As the second quarter dawned, Martin ran for five, after which the Owls got a five-yard penalty. Henderson picked up four, and, still needing seven, the Owls had a pass intercepted on the Higgins 7.

This time, the Coyotes picked up a couple of first downs in spite of defense by Martin, Brunson and others, before Lowrey recovered a Higgins miscue on the Silverton 34.

Back on offense, the Owls moved forward with a run by Henderson and a completion from Minyard to Denny Hill. Henderson carried to the Higgins 33 where a measurement showed that the Owls had missed a first down by inches, and the Coyotes took over again.

Defense by Minyard, Brunson, Lowrey, Ramsey and Breedlove, who performed a quarterback sack for a nine-yard loss on third down, brought about a fourth-down punt which carried to the Silverton 5.

On first down, the Owls were penalized for illegal procedure, moving the ball back to a precarious position, but on second down, Henderson pushed forward for seven yards and West got another seven on the next down. This gave room for the punter on fourth down, and the Owls moved the ball out to the Higgins 28 with 1:23 remaining before halftime. This time the Coyotes picked up a first down on the Silverton 15, but then after four incomplete passes and good defense by Breedlove, the ball went over to the Owls on the Silverton 15 with 31 seconds remaining on the clock. On first

down, Martin went all the way for the score, there was no PAT, and with 20 seconds remaining to be played, the Owls had upped their lead to 12-0.

Higgins made very few yards on their next possession as the first half of play ended.

The Coyotes kicked to the Owls to open the second half, Silverton fumbled and Higgins was in business on the Silverton 35-yard line. After a 13-yard gain, the ball went over to the Owls (thanks to defense by Lowrey) on the Silverton 21. Also unable to move the ball, the Owls punted on fourth down and the ball carried to the Higgins 25. Once again, the Owls (mainly Brunson, Breedlove and Lowrey) held the Coyotes to minus yardage, and on fourth down Minyard returned the ball to midfield. The Owls were penalized for holding back to the 30, and the possession resulted in a punt, with Lowrey stopping the ballcarrier at the Higgins 15. The Coyotes went to work, picking up a first down on their own 34 in spite of defense by Brunson and Ramsey, and seeing one of their aerials intercepted by Henderson on second down.

Martin picked up six yards on first down, and on second down the Owls were penalized for holding by a crew of officials who seemed to be watching Silverton especially closely. West carried on the next play, it looked like the Coyotes had him down behind the line of scrimmage, but he bounced off them and kept his feet going and turned a loss into a small gain. On fourth down, Minyard passed to West who carried to the Higgins 13 with six seconds remaining in the third quarter.

The ball went over on downs, but the Coyotes were prevented by Breedlove and Lowrey (who were really cooking now) from making any yardage at all, and on fourth down they punted. Minyard took the ball back to the Higgins 35, and with 8:50 remaining in the game, the Owls were back in business again.

Martin picked up a first down on the Higgins 17, and Martin and West picked up a few more yards. Minyard completed a pass to Martin, but the ball went over

on downs on the Higgins 4 with 6:05 remaining in the game.

Higgins passed for a first down on their own 29 in spite of defense on this series by Martin, Breedlove, Minyard and Henderson. The Coyotes went for a first down on the Silverton 16, where they were stopped by Ramsey, and on their next third down they scored. They attempted a pass for extra point that was incomplete, and with 2:50 remaining in the game, the Owls saw their lead shrink to 12-6 and Owl fans were holding their breath.

Spirit in the visitors' stand was at a high level, with fans standing and cheering at the top of their lungs. They were actually blowing the Higgins fans out of the stadium at this time with a good job being done by the SHS cheerleaders.

Higgins kicked off deep to the Owls and Brunson took it out to midfield. Actually, this writer and probably the Silverton coaches were expecting an onside kick, which didn't come but the Higgins kicking game wasn't very good and it may have been that they couldn't execute this and didn't want voluntarily to give the Owls the ball at midfield.

Higgins was penalized for a personal foul, and on the next play the Owls were penalized for holding. On fourth down, Henderson scored. There was no PAT, and the Owls had moved into an 18-6 lead. This effectively silenced the Higgins fans who began leaving the stadium. There was a minute and 31 seconds remaining to be played and only the Higgins cheerleaders were still yelling on the home side of the field.

The Owls kicked off to the Coyotes and Breedlove and Langdon Reagan downed the receiver at the Higgins 27. On first down, Henderson, who had a very good game for himself both on offense and defense, intercepted a Coyote pass on the Silverton 25. At this time, more engines started and more Higgins fans drove out of the stadium.

Not much yardage was made by the Owls on this series, but they were effectively killing the clock, and on fourth down, with 18 seconds remaining in the game, they punted. On the last

play of the game, Henderson intercepted his third Coyote pass of the evening, and the victorious Owls gathered at midfield for a post-game celebration. A tailgate supper followed for the Owls outside the field house as the celebration continued.

Each team made eight first downs in the game. The Owls rushed for 169 yards and passed for 47 for a total offense of 216 yards. The Coyotes rushed for 83 yards and passed for 108 yards for a total offensive effort of 191 yards.

Martin rushed the ball 10 times for 43 yards; Henderson picked up 64 yards on 15 carries, and West picked up 45 yards on 12 tries. Minyard completed three of eight passes for 47 yards. Brunson caught two for 36 yards and Hill caught one for 11 yards.

This week: the Pirates. This will be another must-win game. All of the games will be must-win games the rest of the season. Higgins will be at McLean in a must-win situation for both teams, and Groom will be at Miami. It is vital that all Silverton fans plan to be at the game at Lefors, cheering for the Owls. The season is short now for all the teams that aren't going to the state playoffs. YOU can help them WIN. BE THERE!

Brunson Selected Player of Week

Bradley Brunson, middle linebacker for the Silverton Owls, was just one among his team's defensive stars in their 18-6 win over Higgins last Friday night. As a result of his performance in the game, Brunson was chosen as the Amarillo Daily News Six-Man Player of the Week.

The Owls handed Higgins its first district loss and remained in a deadlock with fourth-ranked McLean for the District 2-A Six-Man lead.

Brunson made 15 tackles, as the Owls held Higgins to 190 yards of offense, including 74 yards on the Coyotes' lone touchdown drive late in the fourth quarter. Brunson also caught three passes for 53 yards and a touchdown.

"They (Coyotes) had been scoring a lot of points, even in games they lost. We felt we had

PTA Update

Reflections, the National PTA Cultural Arts program, projects are coming up. This year's theme is "Where Does the Sky End?" This program provides an opportunity for our kids to use their creative talents in photography, music, visual arts, and literature. Let's all be thinking of what our entry will be!

November is National PTA Child Safety and Protection month, and Southwestern Bell gives us these school safety tips: Make sure your child knows how to dial his or her home phone number and your work number; Teach your child how to use different types of phones, including pay phones; Encourage children to walk and play in groups.

From Ann Lynch, 1989-91 National PTA President: "Our schools, families and country are at a crossroads as we prepare to enter the 1990's. For years, too many people have spent too much time criticizing public education. We know that there is much improvement needed in our schools, but you don't improve education simply by

to shut them down," Coach Jack Shely said. "Some of his tackles were crushing. He crushed (Higgins runningback) Kam Russell twice. I thought that had a lot to do with the complexion of the game."

Honorable mention went to End Frank Lowrey, who made nine tackles, a fumble recovery and two quarterback sacks; Sophomore End Bryan Breedlove, who made 14 tackles and two quarterback sacks, and caused a fumble; and Safety Wayne Henderson, who snared three interceptions, in addition to rushing 15 times for 64 yards and a touchdown.

"Silverton Owls are Number One; Silverton Owls are Drug-Free" chanted elementary school students last Friday as they released red helium-filled balloons containing their names and the name of their school. They are hoping that those who find their balloons will let the school know where they were found. This demonstration took place just prior to Friday's pep rally as the culmination of a week-long anti-drug educational activity.

criticizing it. It is the responsibility of every parent, every PTA leader and every citizen to work toward the enhancement of public education. The best way to do this is for everybody to get involved in their children's education, in their PTA and in their school."

The PTA Costume Contest Saturday night at the Halloween Carnival was a big success. There were a lot of very impressive costumes on display. Congratulations to the winners in each age group. Proceeds of this project go to the third grade this year, to buy an item needed in the classroom.

Thanks to all who participated.

Disaster Program Applications Accepted Until April

Applications for the 1989 Disaster Program will be accepted at the ASCS office through April 2, 1990. Generally all crops that were eligible for 1988 disaster payments will be eligible for 1989.

Crops planted after failed crop acres are not eligible for disaster payments; however, production from the "invisible" acres will be used to determine the payment on the first crop. Any crop

planted after failed acres which you do not plan to harvest must be appraised before it is destroyed. Production from "invisible" acres must be kept separate.

Payments can be made at this time to eligible producers who failed a crop or harvested a low yield and who did not have a replacement crop following the failed crop. If you had a replacement crop behind the failed crop, you must wait until the replace-

ment crop is either harvested or appraised before receiving payment.

Producers who had failed acres on CU for Pay acres under the 0/92 program may recertify that acreage to disaster acreage and apply for disaster payment on that acreage.

If you think you have a loss on a crop and are eligible for disaster benefits, please check with your ASCS office for further information.

End-of-Year Surveys Due Soon

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1989 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Adverse weather conditions this year have certainly had an impact on Texas agriculture, and these surveys should help us summarize where the industry stands at the end of 1989," state statistician Dennis Findley explained.

"Information from these confidential surveys conducted by mail, telephone or in person also will help producers make their plans for the coming year.

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

As always, the Texas service will be trying to keep survey costs at a minimum, so Findley is urging producers to return their mailed questionnaires as soon as possible to avoid follow-up contacts.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one producer represents similar operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the surveys will be published in early 1990. Anyone wanting a copy of the results can write Information Section, Texas Agricultural Statistics Service, P. O. Box 70, Austin, Texas 78767.

There are six ways a batter can get on base without getting a hit in baseball; error, base on balls, catcher drops third strike, hit by pitch, fielder's choice and interference by catcher.

Life's roughest years

Being a teen-ager can be torture . . . a lot of the time. And the early twenties don't flatten out that smoothly. There's a desperate loneliness about having problems your kid-brother hasn't encountered and your parents must have forgotten.

The loneliness is worst if your folks gave you nothing to believe in — or if they turned you off when they tried to share their convictions with you.

No one has to stay away from God. Many a young searcher has found his faith, found himself, and found his family in his quest for spiritual certainties.

Sunday morning there's more to do than lean on a tree.
