THURSDAY, NOVEMBER 23, 1989

VOLUME 81 NUMBER 47

The burglar who broke into five Silverton businesses on Sunday night of last week left behind money, merchandise and quite a mess at several of the places he entered. Taking only the bills and large denominations of change, he left behind burglar tools and merchandise at Tiffin's Dept. Store, Mary John's Flowers & Gifts, Brown Hardware, Briscoe Implement and Tulia Wheat Growers. A door had been tried at a storage building at Brown-McMurtry Implement, as well.

May all the world
 live in harmony.

Friends of the Governor's Mansion sent this Christmas ornament to be decorated for use on the Christmas tree in the Governor's mansion during December. The Briscoe County Historical Survey Committee asked Mark Eddleman to decorate the ornament, but Eddleman allowed Steven Jasper to do this as a Boy Scout project. Juannah Jennings assisted Steven with his project. It will represent Briscoe County, and is decorated with a drawing of the Briscoe County Courthouse and Jail.

Pictures To Be Retaken

Retakes for school pictures will be made Thursday, November 30, beginning at 8:30 a.m. in the Silverton School.

Pre-school pictures will be made at the same time, and those interested in having pictures made are asked to come early because the photographer won't be here very long that day.

Caprock SWCD Taking Orders For Windbreak Trees

The Caprock Soil & Water Conservation District has begun taking orders for their annual windbreak tree sales. Orders will be taken through March 16, 1990.

A wide variety of evergreen and deciduous trees and shrubs are available to choose from. Wildlife seedling packets for quail/pheasant, deer, turkey and squirrel also are available for farmstead plantings.

Windbreak trees provide wind and snow protection as well as beautifying a homestead. These trees also are permitted to be used under certain CRP contracts as shelter or wildlife habitat.

Advanced planning must be

Quitaque Bank To Display Wyatt's Work

Renowned author, artist and sculptor Kenneth Wyatt of Tulia will have his works on display Monday, December 4, from 9:00 a.m. to 3:00 p.m. at First National Bank in Quitaque.

The ordained Methodist minister, a popular after-dinner speaker, was the first president of the Texas Cowboy Artist Association and was cultural representative of Texas to the Bicentennial celebration in Philadelphia.

He specializes in western art, working in oil, watercolor, pencil, pastel, charcoal and sculpture.

He was commissioned to paint "Offer Them Christ" to celebrate 200 years of Methodism in America. Proceeds have helped fund schools of evangelism at Methodist seminaries.

utilized for a successful establishment of windbreaks. The installation of a drip irrigation system is highly recommended for such establishment and is available through the Caprock SWCD. The Soil Conservation Service employees can help you in planning and designing an irrigation system to fit your tree innovation.

Come by the SCS office or call at 823-2320 to review all varieties of trees and place your order.

Co-op Compress Directors Approve Stock Retirement

The Plainview Co-op Compress board of directors approved a motion to retire all of the outstanding book credits for the years 1983, 1984 and 1985.

Donald Russell, manager of Tulia Wheat Growers, Briscoe Division gin, reported the total dollar amount would be \$1,293,691. Briscoe farmers who ginned with their co-op gin in those years will receive checks for \$24,904.91.

For a regional cooperative to show its strength in a crop year

such as 1989 is an excellent indication of the need for every producer to patronize those businesses which they own and control, Russell added. Through their producer support, the cooperatives will be there to serve in both good and bad years.

The winds of
 good fortune brought us
 to this land.

Let us give thanks.

4-H Horse Judging Champions Named

The McCulloch County 4-H Horse Judging Team, composed of Curt Garrison, Sonora Bratton and Regina Morris, are proud of the Reserve Champion trophy they won at the National Horse Judging Contest in Springfield, Illinois.

The contest was open to teams from all states, and seventeen teams participated in the competition.

Each team had to judge halter and performance classes, and

give four sets of oral reasons defending their placing.

In overall competition, Garrison placed as third high individual.

Recently at the McCulloch County 4-H Awards program, Garrison was the recipient of the Gold Star award.

He is the son of Garner and Dorcas Garrison and grandson of Bessie Garrison of Silverton. He is a senior in Brady High School.

Holiday Season to Open in Quitaque

The holiday season will open in a great way in Quitaque with the first annual Caprock Country Christmas on Saturday, December 9. The Quitaque Chamber of Commerce has put together a full day of activities, entertainment and shopping opportunities.

Christmas shoppers and city visitors will find the merchants

conducting open houses and offering holiday specials. The big arts and crafts show will get underway at the Community Center at 10:00 a.m. Quitaque's Sidewalk Museum, featuring numerous displays of folk lore memorabilia, is always a special attraction. Guided tours of Caprock Canyons State Park with unique narration will be offered several times during the day.

Musical entertainment, exhibits and demonstrations, a visit from Santa (in his chartered horse-drawn surry), a hay ride and caroling in the evening, and so much more will make the Caprock Country Christmas one of the top events of the season. The excitement promises to be nonstop from early that morning

Social Security In Briscoe County

by Mary Jane Shanes

If you receive supplemental security income (SSI) checks, you should tell social security whenever there's a change in your resources, income, or living arrangements. That way, we can be sure you receive the right amount in your check every month, and you can avoid the hardship caused by paying back overpayments.

Too often, SSI recipients fail to inform us about a change that should be reported and end up being overpaid. Since the law requires the social security administration to recover the overpayment, the money is usually withheld from future checks, resulting in a tremendous hardship for many recipients.

You can avoid overpayments and their recovery by promptly reporting any change to social security. When you started receiving SSI, you received a booklet, called "What You Have to Know About SSI." That booklet details all the things that should be reported. If you have misplaced your copy, you can call any social security office and request a new one—free of charge. It's a good idea to keep the booklet in a safe place and refer to it occasionally as a reminder about what should be reported.

Examples of changes that commonly result in overpayments when not reported are listed below. If you get SSI checks, you may be able to avoid being overpaid by promptly reporting these changes.

- *an increase in resources—the things you own, such as cash, checking or savings accounts, stocks, bonds, and certificates of deposit.

- *an increase in income—both earned and unearned.

- *if you get help with your living expenses.

- *if you enter an institution.

- *if you plan to leave the United States.

- *if you move or someone moves into or out of your home.

- *if someone who lives with you dies.

- *if you or someone who lives with you has a baby or gets married, widowed, divorced, or separated.

- *an improvement in your health, if you're getting checks because you are disabled or blind.

It's easy to report a change—just call any social security office. You can find the number in the phone book under Social Security Administration or U. S. Government. You should report the change within 10 days after the month it happens. But remember, the sooner you report the change, the sooner social security can adjust your check. Avoid overpayments—report changes right away.

For more information or to file a claim, call 1-800-2345-SSA.

Officers Made two Arrests in October

Officers in Briscoe County have made two arrests in the

month of October, both involving alcoholic beverage problems.

There have been nine domestic disturbance calls and seven motorist assists.

There were three thefts of property reported and three motor vehicle accidents.

The Sheriff's Department has served three sets of papers in criminal cases and assisted probation officers in one revocation hearing, resulting in one person being sentenced to the Texas Department of Corrections.

Officers have been called three times to assist in locating elderly persons strayed from home and responded to Caprock Canyons State Park with Quitaque and Silverton rescue teams to get an injured climber out of the canyons where he had fallen and broken both ankles.

There have been two stray livestock calls.

Local officers have attended a total of sixteen hours of in-service schools.

There has been one referral to child welfare services which is currently being investigated by the department.

Local officers are currently working with Ronnie Vandygriff, District Attorney investigator, on three cases involving theft and fires of suspicious nature. County officers and the local fire departments have responded to seven fires.

Missed Opportunities Drop Owls Out of State Playoffs

Coach Jack Shely knew it would be a blood battle, and it was—right down to the final whistle.

"It was a hard-hitting ballgame on both sides," Coach Shely said. "There were bodies thrown everywhere."

When the smoke finally cleared, it was Lazbuddie's Longhorns flying the victory colors as they beat the Owls 47-36 in a six-man bi-district game on their home field last Friday night.

The game was a rematch of the teams' September 22 meeting in Silverton which ended in a 20-20 tie.

"We accomplished everything I felt we needed to," Coach Shely said. "Except for a couple of breakdowns toward the end of the ballgame, we could be getting ready to play again this week."

But that honor goes to Lazbuddie, the District 1-2A champion which advances to the area round of the playoffs against New Home at Smyer this week.

Silverton, meanwhile, ended the season with a 6-4-1 record.

The Owls were forced to overcome adversity early in the game.

"We didn't wake up until after the first quarter," Coach Shely said. "I don't know if it was being flat from last week or if they were scared or nervous or what. There wasn't a word said before the ballgame."

"In the fourth quarter I felt like we were going to win this thing," Coach Shely said. "But we had two breakdowns in pass coverage and a defensive end play that cost us three touchdowns."

Silverton also missed chances at recovering two onside kicks and one fumbled punt return.

"We had our shots at it," the coach said. "They knew and I knew and everybody knew that we could have won it. When it

was over, Lazbuddie knew they had been in a ballgame."

The normally rushing-oriented Owls beat the pass-prone Longhorns at their own game as Kendal Minyard passed for 242 yards and three touchdowns.

The Owls opened the game by kicking off to Lazbuddie, with the short kick taken on the 'Horn 35. Defense by Bryan Ramsey, Wayne Henderson, Frank Lowrey and Bradley Brunson held, and the ball went over on downs to the Longhorns with 8:50 still remaining to be played in the first quarter.

The Owls also weren't able to move the ball on rushes by Brunson, Stephen Cavitt and Henderson, and punted to the Lazbuddie 11. Brunson held a pass completion to a two-yard gain on first down, and Minyard and Lowrey stopped the next play. The 'Horns made a first down, and then passed complete for a score with 4:17 remaining in the first period of play. They kicked the PAT and held an early 8-0 lead.

The Owls came back on offense, but a pass from Minyard to Brian West gained but little yardage and on fourth down they punted. This time, Lazbuddie took the punt all the way to paydirt, scoring with 2:09 remaining in the first period. There was no PAT, and the 'Horns held a 14-0 lead.

Lazbuddie's kickoff went into the endzone for a touchback, and the Owls started on their own 20. A pass from Minyard to Bryan Breedlove picked up a first down on the Lazbuddie 38, and a run by Brian Martin picked up another first down on the Lazbuddie 20.

As the second quarter opened, Martin scored. There was no PAT, and the Owls trailed 14-6 with 9:54 remaining in the second quarter.

When the Owls kicked into the endzone, Lazbuddie ran it out to their own 10, the stop made by Langdon Reagan. The Longhorns picked up a first down with the stop made by Henderson, and on the next play Minyard intercepted a Lazbuddie aerial at midfield. Martin picked up a first down and Henderson ran for five. Martin carried on fourth down, and the ball went over to the 'Horns at the Lazbuddie 6.

Lazbuddie made a first down on their own 33 with the stop put on by Reagan and Lyndell Ivory. Breedlove, Minyard and Lowrey were making stops on short gains, and Ivory stopped a pass completion by the Longhorns that went for seven yards. They made a first down by inches, but four incomplete passes on the next series saw the ball go back to the Owls with 3:48 remaining to be played before halftime.

The Owls moved forward on a completion by Minyard to Denny Hill, and after Martin picked up three and Henderson gained two, a pass from Minyard to Ramsey was good for another first down. Minyard passed to Breedlove for a touchdown with 2:12 remaining on the clock. There was no PAT, and the Owls trailed 14-12.

The Owls kicked off once again. Lazbuddie completed a pass for seven yards, stopped by Brunson and Ramsey, and scored on second down with 1:14 still showing on the second-quarter clock. They passed complete for the PAT, and extended the lead to 21-12.

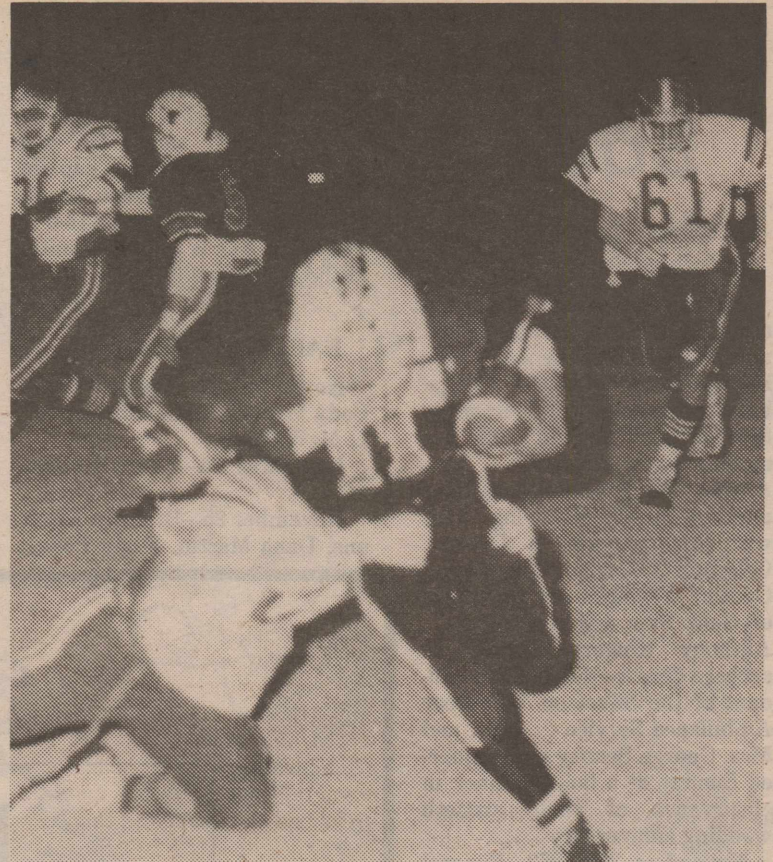

When Lazbuddie kicked off, Brunson carried it out to the 20. Martin picked up six on first down, and Minyard passed to Breedlove for a first down on the 36. Martin picked up five yards and Cavitt added five yards more before time ran out in the first half.

Lazbuddie kicked off to the Owls to open the second half, and Cavitt picked up six yards. A pass from Minyard to Ramsey was good for a first down, and on Martin's rush on the next play a Lazbuddie penalty moved the team for another first down on the Lazbuddie 25. Henderson picked up four yards, but Minyard was thrown for a loss on the next play, and the ball went over on downs at the Lazbuddie 21.

Lazbuddie charged through first downs on the 31 and 13, scoring with 5:26 remaining in the third quarter. They kicked the PAT, and extended their lead to 29-12.

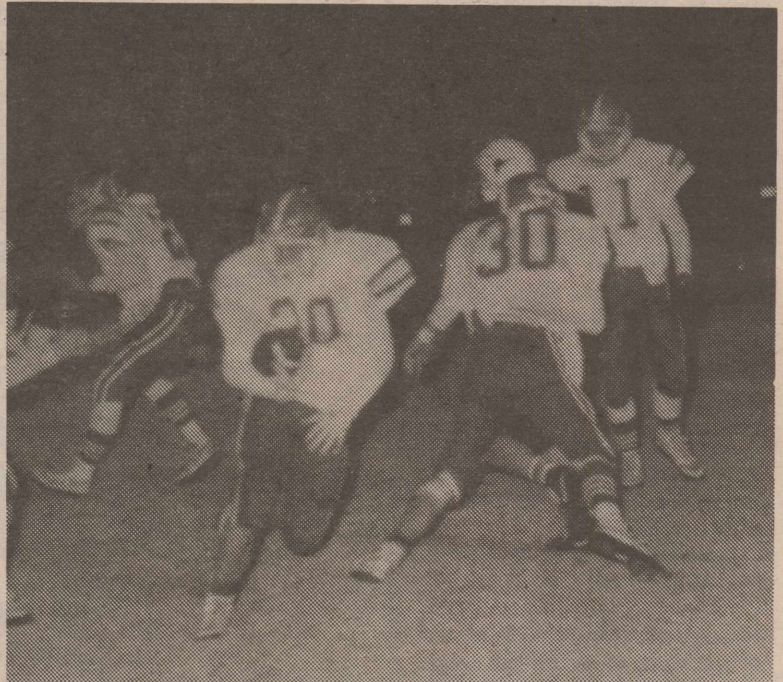

After taking possession on their own 20, the Owls sent Martin for seven yards, and Henderson picked up a first down on the Lazbuddie 32. West gained seven, Cavitt added another seven, and a pass from Minyard to Breedlove moved the ball to the Lazbuddie one. Martin scored on the next play with 2:40 remaining in the period. West kicked the PAT, and the Owls had narrowed the lead to 29-20.

The Owls kicked off, and held Lazbuddie at the 24. They allowed a three-yard gain on first down, threw the 'Horns for a loss on second down, and an incomplete pass on third down was the result of a fierce rush by Ivory on

Bryan Breedlove was pictured making a stop on Lazbuddie in last Friday night's bi-district football game. Breedlove had a good game, both on offense and defense.

Briscoe County News Photo

Wayne Henderson was shown on one of his touchdown jaunts for the Owls in their bi-district playoff game at Lazbuddie last Friday night.

Briscoe County News Photo

the passer. On fourth down, they punted to the Silverton 10. The offense stalled on the next series, and the ball went over on downs.

Ivory, Brunson and Henderson brought about a five-yard loss on Lazbuddie's first down, and there was an incomplete pass which ended the third quarter.

On fourth down, the ball went over to the Owls on the Silverton 15. A pass from Minyard to Brunson picked up eight yards, but on fourth down the Owls were forced to punt and Lazbuddie carried it all the way for a touchdown. A penalty against the 'Horns brought it back, and Lazbuddie was moved back to their own 17.

Good defense by the Owls held Lazbuddie on this series, and on fourth down, with 6:02 remaining to be played, the 'Horns punted to the Silverton 12.

The Owl offense was stymied on the next series, and on fourth down they punted to the Lazbuddie 36. On first down, the 'Horns went for a touchdown with 3:56

remaining to be played. There was no PAT, and the 'Horns led 35-20.

The Owls lost no time in answering these points, with Minyard passing to Brunson for a first down and then hitting Henderson for the score with 3:21 remaining in the game. West kicked the PAT, and the Owls had trimmed the lead to 35-28.

Lazbuddie answered these points with a touchdown of their own with 2:57 remaining in the game. Brunson got the PAT attempt, and the score stayed at 41-28.

Minyard passed to Martin complete on first down, and passed to Henderson on second down for a touchdown, with 2:06 still on the clock. West kicked the PAT, and the Owls trailed 41-36. The Owls were gaining on the 'Horns at this point because of making good on their PAT tries.

The Owls kicked onside to the 'Horns, and this was taken by Lazbuddie on their own 30. The

Brian Martin is shown carrying one of the two touchdowns he scored for Silverton in their bi-district playoff game with Lazbuddie last Friday night.

Briscoe County News Photo

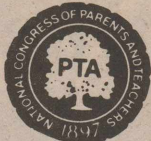

Longhorns scored on first down with 1:51 remaining to be played. There was no PAT, and the score stood at 47-36.

Lazbuddie kicked off, and Brunson carried out to the Silverton 20. There was an incomplete pass and then Minyard hit Brunson for a first down on the 39. The offense bogged down on the next series, and the ball went over to Lazbuddie on downs with a few seconds remaining on the clock.

"We had a good season," Coach Shely said. "Our young kids came through and it looks like we'll be in real good shape for next year. I told our underclassmen to put this game in the back of their minds . . . not to dwell on it but keep it there as a reminder.

"Silverton will graduate six seniors. I really appreciate our seniors. They worked hard all year," the coach said. The seniors are Kendal Minyard, Joey Leal, Denny Hill, Bryan Ramsey, Frank Lowrey and Teddy Hubbard. Hill and Lowrey received leg injuries in the game, with Hill having been almost carried onto the field a couple of times in the fourth period to hold for the kicker on PAT attempts. Sometimes fans lose sight of the great

importance of the holder to the success of the kicker.

PTA Update

The objects of the PTA: can you name them? They are very inspiring.

To promote the welfare of children and youth in home, school, community and place of worship.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the education of children and youth.

To develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental, social and spiritual education.

Math tips: Expand your child's horizons in terms of possible career choices. Kindergarteners may want to be doctors, nurses

or firefighters, but they also can be exposed to other exciting jobs like weather forecasters, astronomers, airline pilots, or forest rangers. These jobs are not limited by race or sex, but all require a sound base in mathematics. Ask the school to host presentations so children can understand the range of options they will have with a solid foundation in math.

Buy, or borrow from the library, books that use math — counting books, or books on shapes and colors are just as important as alphabet books.

House Bill 1576 dealing with the salute to the Texas flag became effective September 1, 1989. Parts of this bill are permissive and others are mandatory.

The permissive language of the bill allows school districts to decide for themselves as to whether or not they will include the recitation of the Salute to the Texas Flag.

The bill does require, however, that when the Texas salute is recited in conjunction with the Pledge of Allegiance to the U. S. Flag, the Texas salute will always follow the Salute to the U. S. Flag. The bill further

specifies proper decorum when reciting the salute.

Keep working on those Reflections ideas and saving those Campbell's labels!

The globefish staves off predators by gulping a large quantity of water, till it becomes simply too large to be swallowed by its enemies.

"If you have great talents, industry will improve them; if you have but moderate abilities, industry will supply their deficiency." Sir Joshua Reynolds

Mr. and Mrs. Johnnie Burson

Mr. and Mrs. Burson to be Honored on Anniversary

Saturday evening, November 25, the children and grandchildren of Mr. and Mrs. Johnnie Burson will host a reception in honor of the couple's fiftieth wedding anniversary. The time for the celebration is 5:00 until 7:00 p.m. at the First Baptist Church.

The former Dean Griffith became the bride of Johnnie Burson on October 27, 1939 in Hollis, Oklahoma.

Children of the couple are Carroll and Judy Welch, Kress; John and Sue Burson, Roswell, New Mexico, and Jimmy and Rhenda Burson, Silverton.

Grandchildren are Donna Welch, Spokane, Washington; Kathy Welch, Kress; Mr. and Mrs. Jay Burson, Roswell; Mr.

and Mrs. Cody Burson, Portales, New Mexico; Rocky Burson, Gunnison, Colorado; Mr. and Mrs. Dusty George, Tulia; Amy and Keeley Burson, Lubbock, and Kenzie Burson, Silverton.

As newlyweds, the two made their home on the family ranch northeast of Silverton and they continue to live there today in the ranch home they remodeled a few years ago. Cattle and quarter horses have been the professional interests of the couple.

The family invites the community to join them in wishing "Mama Dean and Grandad" many more years together.

It has been requested that your only gift be the honor of your presence at the reception.

Former Resident in Miss Teen Pageant

Kay Lynn Edwards, Miss Dalhart, a former Briscoe County resident, will be one of 90 delegates from all over the state who will compete in the Miss Texas Teen USA Pageant Saturday, November 25, at the El Paso Marriott Hotel. The Miss Texas Teen USA Pageant will feature delegates competing in personal interview, evening gown and swimsuit. The winner will receive \$10,000 in cash and prizes.

Miss Edwards is the 16-year-old daughter of Tommy and Janet Edwards of Dalhart. She is the granddaughter of Curtis and Wiletta McNeill of Tulia and Eddie and Mae Edwards of Weatherford, Texas. She also is the niece of Fred and Pat Edwards of Silverton.

A junior at Dalhart High School, she is a varsity cheerleader. She is a member of Sub Deb Sorority, 4-H Council, Future Teachers of America and is president of the Central United Methodist Youth.

Kay Lynn Edwards

Other interests of Miss Edwards are serving as a Little Dribbler coach, soccer coach, Latch Key volunteer, 4-H Teen Leader, Vacation Bible School counselor and twirling instructor.

Honors she has received in-

Eleven 4-H Members to Advance to District Show

Eleven 4-H boys and girls will advance to the District 4-H Food Show at Texas Tech University in Lubbock on December 2, as a result of their winning top honors in the Briscoe County 4-H Food Show last Thursday.

First-place rosettes were awarded to the following Junior I division winners: Brandon Sarchet, main dish; Shauna Kingery, fruit and vegetable; Jamie Fuston, bread and cereal and Trey Wyatt, nutritious snack and dessert.

Award winners in the Junior II division were Kara Kingery, main dish; Marshall McCammon, fruit and vegetable; Christina Stephens, bread and cereal, and Briana Sperry, nutritious snack and dessert.

Senior winners were Ashleigh Wyatt, main dish; Christa Tucker, fruit and vegetable, and Josh Brooks, nutritious snack and dessert.

Forty junior and senior division 4-H members entered the show. Others in the Junior I division in the main dish were Jared Francis, Kenzie Burson, Bubba Cruz and Kimmie Blazier.

Junior I fruit and vegetable participants were Michael Reagan, Lindsey Jennings, Jarrett Pigg, P. J. Merrell and Amy Stark.

Molly Brooks, Valerie Cantu, Wynter Smith and Dara Ramsey competed in the Junior I bread and cereal category.

The nutritious snack and dessert entries in the Junior I division were Will Hester, Lindsey Weaks, Lacy Brunson, Randi Brooke Powell, Mandy Pigg and Hollie McKay.

Junior II participants were Jeremiah Brooks, George Pigg and Brandi Brunson in main dish; Patrick O'Neal, Leslee Weaks, Holly Nance and Shannon Weaver in fruit and vegetable; Rico Cordes, bread and cereal, and Krisse Pigg, nutritious snack and dessert. Cecilia Castillo entered the senior fruit and vegetable category.

Eleven boys and girls exhibited in the pee wee division and received participation ribbons. These were Nathan Francis, Julie Weaver, Taylor Griffin, Ryan Minyard, Mary Elizabeth Pigg, Katy Hester, Brooke Garvin, Ben Pigg, Kendra Rhoderick, Amber Stark and Jamie Pigg. Teen 4-H members, Josh Brooks, Ashleigh Wyatt, Julie Towe and Penni Fogerson were judges for the pee wee division.

clude FFA Princess and Best Actress, District One-Act Play. Her hobbies include putting photo albums together, collecting spoons, walking, basketball, swimming, snow skiing, horseback riding, water skiing, singing, twirling and playing the saxophone.

Following her high school graduation, Miss Edwards plans to attend Angelo State University to major in fashion merchandising. She would like to have a career in international trade.

Left-over egg yolks can keep for two to three days covered with water in a tight-lidded jar and refrigerated.

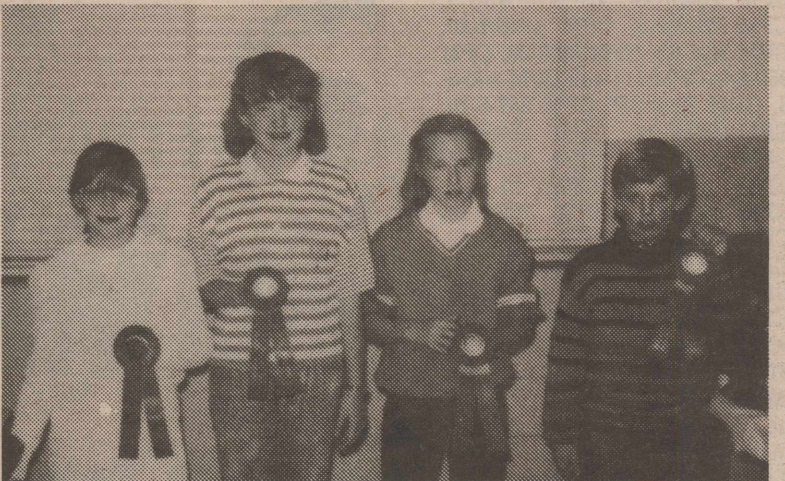

Senior winners of the County 4-H Food Show were (left to right) Ashleigh Wyatt, main dish; Josh Brooks, nutritious snack and dessert, and Christa Tucker, fruit and vegetable. They will compete for trips to the State 4-H Roundup at the District Food Show in Lubbock Saturday, December 2.

Junior II winners at the 4-H Food Show who will be advancing to District competition Saturday, December 2, are (left to right) Kara Kingery, main dish; Christina Stephens, bread and cereal; Briana Sperry, nutritious snack and dessert, and Marshall McCammon, fruit and vegetable.

Briscoe County News Photo

Over 125 people were in attendance for the awards program and tasting of the 51 dishes exhibited. Ashleigh Wyatt was master of ceremonies and Josh Brooks welcomed the guests. Cecilia Castillo led the pledge to the flag, and Krisse Pigg led the 4-H motto and pledge.

Christa Tucker recognized and presented certificates to the 16 leaders who taught the food and nutrition project.

Bena Hester presented ribbons to pee wee participants, and Debra Smith presented the Junior I certificates. Janinne Brooks awarded the Junior II and Senior ribbons and certificates. Linda Stark announced winners in each division, and Michelle Francis presented the rosettes.

County Extension Agent Lynda Fogerson concluded the program with an announcement about the District Food Show.

Applicants Being Sought by D.P.S.

Major V. J. Cawthon, regional commander of the Texas Department of Public Safety in Lubbock, has announced that the D.P.S. is seeking applicants for a recruit training school scheduled to begin March 27, 1990. He stated, "We are seeking qualified men and women who are interested in becoming DPS troopers."

Applicants will be accepted through January 19, 1990 at the Lubbock, Amarillo and Wichita Falls offices. Entrance examinations will be given beginning at 8:00 a.m. each Wednesday at the Amarillo and Wichita Falls offices and at 8:00 a.m. each Tuesday and Thursday at the Lubbock office. Tests will take all day to complete.

Approximately 140 men and women will be selected to begin training in the exciting career of law enforcement. Beginning monthly salary is \$1,622.00 while attending the 22-week academy, \$1,865.00 a month upon graduation and \$2,362.50 a month after completion of twelve months probation.

Applicants must be 20 to 35 years old, of good moral character, in excellent physical condition and U. S. citizens. Sixty semester hours of college or equivalent military or police experience are required.

Graduates of the DPS Academy will be assigned either to the Highway Patrol or Drivers License Service. After two years of service, DPS troopers are afforded the opportunity to advance in the Criminal Law Enforcement division, which includes Narcotics Service, Criminal Intelligence Service and Motor Vehicle Theft Service. After four years of service, they can compete for the position of Sergeant in the Traffic Law Enforcement division.

Major Cawthon said, "If you are interested in a career with the Texas Department of Public Safety, contact your local DPS trooper or go by any DPS facility and pick up an application."

"Parentage is a very important profession; but no test of fitness for it is ever imposed in the interest of the children."

New Film Focuses on Ag Career Opportunities

"Agriculture's New Professionals," a new 14-minute film produced by Future Farmers of America (FFA) and underwritten by John Deere, gives a fast-paced look at careers available in a wide range of agricultural professions such as food and fiber production, research and natural resources conservation.

The film—the only one of its kind—shares the actual experiences of young men and women who hold challenging jobs in fields as diverse as biotechnology, engineering, international marketing and dealership management.

"We underwrote this film because we believe our nation's

youth do not have enough information about the many promising careers available in agriculture," said David H. Stowe, executive vice president of Deere & Company, responsible for the worldwide agricultural equipment and consumer products division. "And we are very grateful to the FFA organization for its help in developing and distributing it. Their technical assistance has been invaluable."

The film had its premier showing at the FFA Convention in Kansas City on November 9 to more than 23,000 FFA members from throughout the United States.

A VHS tape version will be

distributed by John Deere later this year to 4-H libraries at land-grant colleges and universities, and the national offices of Postsecondary Agricultural Student's Organization, National Vocational Agricultural Teacher's Association, American Vocational Association, American Association of Teacher Educators in Agriculture, and the National Young Farmers Association.

This film has been developed in cooperation with and endorsed by the above organizations as well as 4-H, National Association of Supervisors of Agricultural Education, National FFA Alumni Association and National FFA Foundation.

Order information for the

1/2-inch VHS tape (\$10.00 per tape) will be available at all North American John Deere farm equipment dealers.

Bullock Says State's Financial Outlook Remains Unchanged

State Comptroller Bob Bullock said recently the state's financial outlook remains basically unchanged as the Legislature convenes for the special session.

"The good news is that there is no bad news. The state's economy is growing just as we predicted it would last summer," Bullock said.

Bullock, who is required by the Texas Constitution to issue a revenue estimate each time the Legislature meets, said there is no significant change in the outlook since the end of the regular legislative session last

May. "The Texas economy continues to expand and the outlook remains promising. But growth will slow as Texas becomes increasingly linked to the national economy. This trend is incorporated in the current estimate," Bullock said in a letter to state officials and lawmakers.

The estimated major fund revenue of \$28 billion for 1990 and 1991 has not changed since June.

It's out of this world—a nebula, that is. These masses of glowing gas, millions of miles across, are visible from 900,000 light years away. Each is as large as an entire galaxy like our own.

Contest Winners Can Enjoy Winter Wonderland at Astro World

Artwork for a children's coloring contest is included in this issue of the Briscoe County News. Sponsored by AstroWorld and the local newspaper, children 10 and under can earn tickets to Holiday in the Park, a spectacular holiday festival, as winners of this contest.

There will be two divisions of the contest, one for children through six years of age, and the other for children from seven through ten years of age. In each age division, first-place winner will receive six free tickets, winner of second place will receive five free tickets and the third-place winner will get three free tickets.

The second annual Holiday in the Park will be held at AstroWorld in Houston from November 24 through December 31.

Entries in this contest must be brought or mailed to Briscoe County News, Box 130, Silverton, Texas 79257 by 4:00 p.m. Wednesday, November 29. Any-

one not older than ten years who has a copy of the picture to be colored is eligible to enter the contest, which is just for readers of the Briscoe County News.

Decorate the Christmas tree today, and turn in your artwork to the Briscoe County News to have a chance to win free tickets.

Plans for the Holiday in the Park festival have been in the works for over a year with decorating starting during the summer. "August really marked the beginning of Christmas for us," stated AstroWorld President Del Holland, "as work crews began checking the delicate white twinkle lights wrapped in the park's trees, which will be the backdrop for the park's tremendous array of lights. The park will be decorated with over 750,000 lights, which will certainly be the most spectacular display of Christmas lights in Houston," said Holland.

Lights in every size and shape will be used in the park includ-

ing a giant Christmas tree, measuring 140-feet in length, which will run the length of Sky Screamer, the park's free fall ride. A 50-foot luminous star will adorn the Astroneedle. Since that ride stands 340-feet tall, the star will be seen from all over Houston. Delicate angel light forms will line the entry to the park and a giant lit wreath will greet guests with the words "Peace on Earth."

But the holiday atmosphere doesn't stop there. Imagine 1.3 million pounds of snow. A rare treat for Houstonians. AstroWorld has arranged to have the slippery stuff trucked in for Santa's Snow Hill where guests can zip down a hill on their very own sled. Guests looking for another cool treat can also ice skate. A portion of the park's Festhalle restaurant will be frozen and made into an ice rink.

The park has left no stone unturned in its preparations for the holiday festival. Shops and

restaurants will be decorated with wreaths and lights. Many of the shop's windows also will

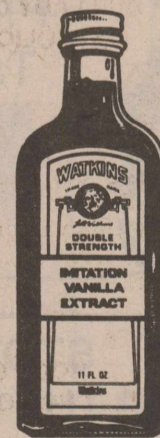

house animated scenes such as angels, playful elves and ice skaters. And of course, that jolly old man from the North Pole, Santa Claus, will be on hand to wish everyone a very merry Christmas.

"Holiday in the Park is a great place to bring the family," stressed Holland. "Our guests thoroughly enjoyed Holiday in the Park last year, since this is the only event of its kind to visit during the holiday season in

Houston."

Most of the park's rides will be silent, so the many bell ringers, choirs and performing ensembles can be heard throughout the park. In addition to the street entertainment, five holiday shows have been produced to highlight Holiday in the Park, including an ice pageant.

Proof that America had an early love for chocolate lies in the fact that the country's first chocolate mill was erected in Massachusetts in 1765.
