## Post Office Asks Extra Help To Get Holiday Over Seas

With the first overseas mailing deadlines fast approaching, Postmaster Larry Ward is asking Silverton residents for a little extra help this year in making sure that holiday mail sent to military and international destinations arrives on time.

"We would like you to mail well before the overseas holiday deadlines this year to give us extra time to arrange transportation," says Ward.

"Equipping Desert Shield has required an enormous effort on the part of U. S. air and shipping

transportation," says Ward. "Last-minute overseas mailing will add an even greater burden. Mailing early will give us extra time to arrange transportation, and the leeway will be especially welcome this year."

The Postal Service issues holiday mailing deadlines every year for letters and parcels headed overseas.

October 1, this year's earliest deadline, applies to regular surface mail going to the most distant destinations. Surface mail is the least expensive international service available for mailing to civilians.

Surface and air mailing deadlines for military personnel stationed abroad generally range from mid-October through November, according to Ward.

"We work in cooperation with the armed services to make sure that all mail arrives on time," says Ward. "Mail and morale go hand in hand, but this is especially true during the holidays."

"This year, we would really appreciate receiving mail for servicemen and women a week or more in advance of the deadline, to give us extra time to arrange transportation."

Ward adds that all military personnel stationed abroad will benefit from early mailing, not just those in the Middle East. He encourages mailers to call

## Two Vehicle Accident Sends Four to Hospitals

A two-vehicle accident at the intersection of a county road and SH 284, one mile south of the blinking light on Highway 86 west of Silverton, Sunday night sent four people to area hospitals where two are still in serious condition.

The wreck happened about 10:30 to 10:45 p.m., and was discovered about 11:00 p.m. when Sheriff Dick Roehr discovered two of the women walking toward Silverton on Highway 86. The sheriff radioed for assistance, and two units of the Silverton Volunteer Ambulance Service, one unit of the Quitaque Ambulance Service and two units of the Silverton Volunteer Fire Department responded.

"I was very pleased with the turnout of volunteers to help in this situation," Sheriff Roehr said. "I think most all of our ambulance volunteers were there working."

Eight members of the Augustine Acensio family were returning home to Lockney from a visit with relatives in Kansas when the accident occurred. Their car was in a collision with a pickup driven by a local farmhand.

Mr. Acensio and a seven-year-old daughter, Rebecca, were transported to Northwest Texas Hospital in Amarillo by Silverton's unit one ambulance. Mr. Acensio was listed Tuesday as being in serious but stable condition. Rebecca, still on a ventilator, has a severe head injury and was listed in critical but improving condition.

Two others were kept overnight at Lockney General Hospital and released Monday. One of them had a severe laceration on the forehead that might require skin grafting in the future.

The Acensio automobile was upside down when rescue workers arrived at the scene. "There was some serious bleeding that would have been life threatening if the women had been forced to walk all the way to Silverton for help," Sheriff Roehr said. "The delay of an hour might have meant life or death to some of them. I had decided to make a run out to the county line before

I went home that night, and I surely was glad I did when I found the women."

Silverton's unit two ambulance transported patients to Lockney General Hospital, as did Quitaque's unit. One of the patients taken by Quitaque was transferred to Central Plains Hospital in Plainview.

## Church to Host Community Turkey Dinner October 7

The First United Methodist Church will host a turkey dinner for the community on Sunday, October 7. Beginning at 11:00 a.m. in the school cafeteria, turkey, dressing and all the trimmings will be served.

This Fall Festival is planned to raise funds for pew refinishing and carpet in preparation for the church's 100th anniversary celebration next year.

In addition to the dinner, there will be a silent auction of goods baked by the men of the congregation.

Mark your calendar now to join in this time of fellowship and delicious dining!

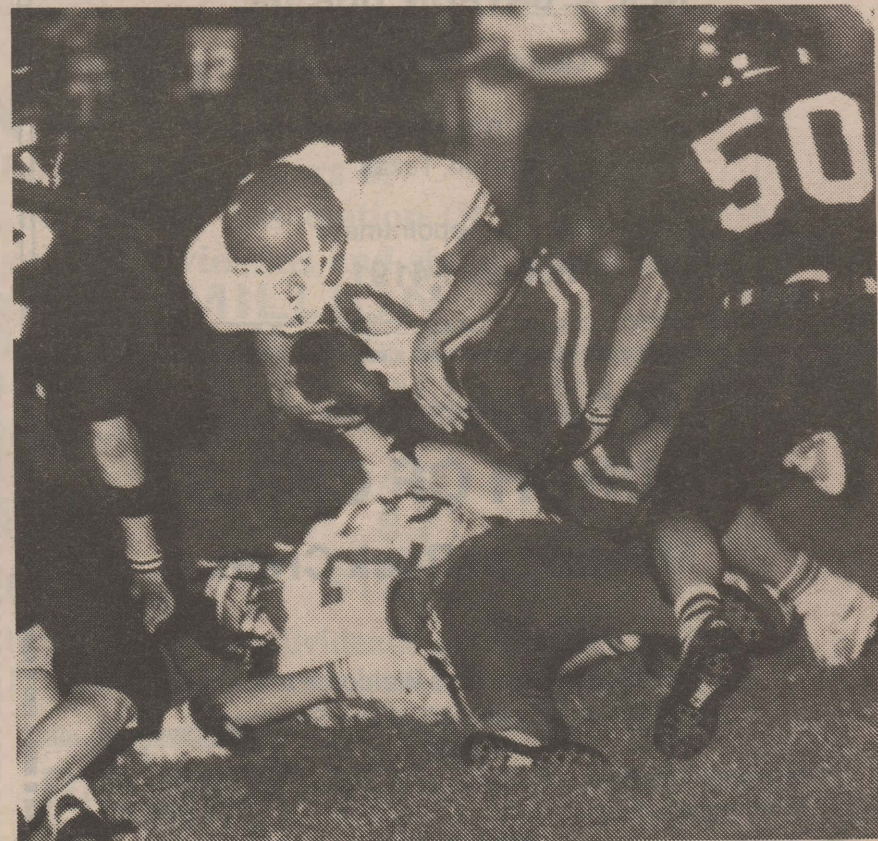

## Halloween Carnival Depending on Community Support

A Halloween Carnival is being held again this year, sponsored by Progressive Homemakers.

Due to a charge this year for using the showbarn, the club is seeking more groups to participate.

If you are interested in having a booth, contact a member of the club for ideas or to sign up for your choice of booths.

The continuation of this project depends on everyone's participation.

Bradley Brunson was pictured setting up a touchdown for the Owls at McLean last Friday night. Brian West carried into the endzone on the following play.

# Caprock Jamboree Set To Go October 6

Caprock Jamboree musical groups performed for a crowd of approximately 250 during the September show, and are set to go again Saturday, October 6.

In the crowd for the September show were two couples from Iowa Park who had read about the show in the *Texas Monthly*. They had called earlier to find out more about the show. They came in their motor home and stayed at Caprock Canyons State Park north of Quitaque. Their response was very good and they asked for cards to take back with them. They said they knew of others who were looking for a place to go and they were going to recommend Briscoe County and the Caprock Jamboree.

Just this week there was a call from folks in Dallas wanting more information about the Jamboree and places to stay. They were told about Lake Mackenzie and the State Park. They said they were going to try to attend the October Jamboree.

The word is spreading! People here know there is something great available in Briscoe County. Where else can you go to find so much talent in one county? Without the local musicians, there wouldn't be a show. Along with local musicians, there have been some great bands and musicians from around the area. If you haven't attended the Jamboree lately, you have missed some great shows.

Each month a meal is served by a different organization beginning at 6:00 p.m. and continuing throughout the show. The money earned from the meal has helped such groups as the Silverton Volunteer Fire Department, Briscoe County Activities Association, Quitaque Chamber of Commerce and many others. On behalf of each organization, thanks to all who have shown support during the past sixteen

months. Each month there is a drawing for a \$25 gift certificate donated by Tiffin's Department Store at 10:00 p.m. There was a second drawing during the September show for a box of tomatoes donated by Paul Hayes, a nearby farmer. Thanks to Tiffin's and Paul Hayes for their generous donations. We have a lot of fun during the drawings and it makes everything more exciting. If anyone else has something they would like to donate to be drawn for, it would be appreciated.

Make your plans now to attend the next Jamboree to be held October 6 in the County Showbarn in Silverton. The show is booked at this time, but if you know of an individual or group who would like to be part of one of the future shows, have them call (806) 847-2619.

A new group, the Quitaque Senior Citizens, will be featured at the October show. They are a new group in the county and word is that they are very good. In fact, the show has been requested to have them.

Caprock Jamboree begins at 7:00 p.m. and continues until 10:00 p.m., after which the "jam session" begins.

Don't forget to bring your lawn chairs!

## Silver Star 4-H Club Has First Meeting

The Silver Star 4-H Club for boys and girls in grades six through eight met Tuesday afternoon, September 18, after school at the shelter on the courthouse square. Lynda Fogerson reported on the Y.E.S. program to recruit 4-H members to help our senior citizens.

Those attending were Kara Kingery, Molly Bomar, Holly Nance, Zach Baldwin, Christina Stephens, Kimberly Blazier, Jeremiah Brooks, Monte Wood, Brandon Sarchet, Carrie Baird, Brandi Brunson, Sally Baldwin, Club Manager Betty Stephens and County Extension Agent Lynda Fogerson.

Those not attending this meeting can come to the club meeting on the first Tuesday of next month to enroll in 4-H. We will be having some very interesting projects this year.

Members are to ask their parents if they can bring refreshments to a meeting at least once during the school year.

## OBITUARIES

### NANNIE J. BOMAR

Funeral services for Nannie J. Bomar, 90, were conducted at 10:00 a.m. Monday at the Silverton Church of Christ with Ted Kingery, minister, and the Rev. Lee Roark, pastor of the First United Methodist Church in Silverton, officiating.

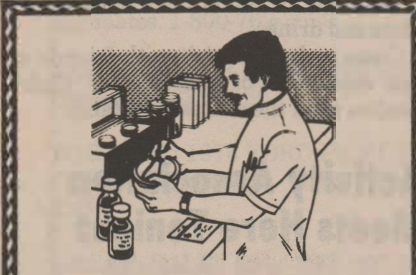

Burial was in the Silverton Cemetery, with arrangements made by Schooler-

Gordon Funeral Directors.

Mrs. Bomar died Saturday, September 22, at Swisher Memorial Hospital in Tulia where she had been a patient for several weeks.

Her parents, Tom and Stella Harris Hardcastle, were married in Silverton in 1899. Nannie Jane was born at the adobe home of friends five miles east of Silverton in the Haylake community March 6, 1900. She was named for her two grandmothers.

She was married to Thomas Carlton Bomar, son of a prominent pioneer family, in Silverton on May 16, 1920. He served as Silverton's mayor, and they were co-owners and operators of the Bomar Drug Store for several years. He was a funeral director and operated the Bomar Funeral Home prior to his death. They also were engaged in farming and ranching. He preceded her in death on November 24, 1952. She

# Owls Lose First Game to McLean

Silverton's varsity Owls lost their first game of the season to the McLean Tigers, 55-20, last Friday night in a hard-fought game. Both teams had trouble converting their PAT opportunities, but this was one of few weaknesses the Tigers exhibited.

The Owls kicked off to open the game, and McLean took possession on the 25. The Tigers made a first down on the Silverton 18, before scoring with 8½ minutes remaining in the first period of play. There was no PAT, and the score stood at 6-0.

The Owls came back with a good drive of their own, taking possession at the 20, and driving for a first down on the 38 on runs by Bradley Brunson and Brian Martin. Kirk Couch passed to Brunson for another first down on the McLean 25. A pass from Couch to Martin moved the ball into scoring position, and Martin carried into the endzone with 4:21 remaining in the first quarter. There was no PAT, and the score was knotted at 6-6.

McLean took control of the kickoff at the Tiger 29, and drove through first downs on the Silverton 33, 18 and one-yard lines to score with 9:56 remaining in the second quarter. Frank Ramirez, jr. blocked the PAT kick and Silverton was whistled for being offside. The Tigers missed on their second attempt, and held a 12-6 lead.

The Owls had a very unsuccessful series of plays on their next possession, and punted on fourth down. McLean fumbled the punt, and Brunson and Langdon Reagan got the ball back for the Owls near midfield. On second down, an Owl aerial was intercepted and carried all the way for a touchdown with 7:06 remaining in the first half. The Owls once again blocked the PAT kick, and the score stood at 18-6.

Silverton's next first down came on a pass from Couch to Casey Frizzell, who made a good run to the McLean 18 after the catch. Brunson and Martin picked up 12 yards for the Owls, but an incomplete pass on fourth down caused the ball to go over to the Tigers at about the five-yard line.

McLean rushed for a first down on the 24, in spite of good defense by Ramirez, Reagan and Brunson, then picked up another on the Silverton 32. They passed for a touchdown with a minute remaining in the second quarter, Brunson blocked the PAT kick, and the Tigers had clawed their way to a 24-6 lead.

After the Owls took McLean's ensuing kickoff, a Silverton aerial was picked off by the Tigers and carried to the 35. With 35 seconds remaining in the first half, McLean passed for a touchdown and repeated the feat for the PAT, to move ahead 31-6.

Brunson completed a pass to Stan Gamble before the first half ended.

The Owls took the kickoff which opened the second half, but were unable to move the ball and punted to their own 30. The Tigers were penalized back to their own 33, from where they passed complete to the Silverton 33. The Owls gave up a first down on an offside penalty at the 28, after which the Tigers scored with 6:22 remaining in the third period. They kicked the PAT, and held a 39-6 lead.

After the Owls took the kickoff and set up operations at their own 16, another pass was intercepted by the Tigers and carried to the Silverton 22. From there it was a chip shot into the endzone, and the Tigers scored on a

pass with 4:44 remaining in the third quarter. They kicked the PAT and held a 47-6 lead.

On the next offensive series, Couch completed passes to Gamble and Brian West, but on fourth down the ball went over to the Tigers on the Silverton 29. This time, the Owls were able to hold the Tigers and force a punt which the Owls fumbled away at the five-yard line with 31 seconds remaining in the third quarter. Facing being forty-fived and with their backs to the goal, the Owls called up their PRIDE to make a stand against the Tiger onslaught and forced McLean to give back the ball at the Silverton three. Brunson punched out a gain of about 10 yards, and Couch completed a pass to Frizzell which carried out to the McLean 37. A pass to Brunson picked up about 14 yards more, and another from Couch to Brunson moved the ball to the Tiger 17. Brunson carried to the nine, after which Martin moved the ball to the two. Martin picked up a first down, after which West carried the touchdown with 3:37 remaining in the game, and also kicked the PAT. At this point, the Owls trailed 47-14.

When the Owls kicked off, a McLean player took it on a dead run and didn't stop until he was in the endzone. McLean kicked the PAT, and held a 55-14 lead.

The Owls took the ensuing kickoff on the legs of Ramirez out to the 36, from where Couch completed a pass to Martin to move the ball to the McLean 36. Brunson picked up yardage for a first down, after which McLean was penalized for hitting Brunson out of bounds. This moved the ball to the McLean 20 with 2:50 remaining to be played. Brunson carried the touchdown from 21 yards out with 1:54 remaining, and the PAT attempt failed, making the score 55-20.

On McLean's next series not much yardage was gained except on penalties against Silverton which moved the ball to the 10, where the game ended.

Newspaper statistics credited Silverton with gaining 94 yards rushing and 78 yards passing for a total offense

# Junior Varsity Owls Record Loss to McLean

Silverton's Junior Varsity Owls dropped their game to McLean here last Thursday, 30-13, in spite of coming back to play a better second half.

The Owls kicked off to open the game, and saw McLean carry to the 20-yard line. A face-mask violation was called against the Owls, moving the ball to the Silverton 15. On first down, the Tigers carried to the six, and scored on the next play. There was no PAT, and with 7:07 remaining in the first period, the Tigers led 6-0.

McLean kicked off to the Owls, and Lance Holt carried the ball out to the Silverton 20. Runs by Lance Bradford and Holt failed to net a first down, and Bradford punted. McLean brought the ball out to the Tiger 30.

The Tigers picked up two first downs enroute to another touchdown. The

of 172 yards, as compared with a total offense of 325 yards for the Tigers. McLean made 14 first downs as compared with nine for the Owls.

The Owls will be hosting Guthrie Friday night in the annual homecoming game. Kickoff time is 7:30 p.m., but pregame activities will begin shortly after 7:00. The Owls need your support badly this week, as they host one of the top undefeated teams in the Jaguars. Plan to be there!

### SCORES OF INTEREST

Coach Jack Shely's charges at Trinidad kept their season record unblemished with a 52-0 victory over Aquilla last Friday night. Trinidad has given up only one touchdown so far.

Other scores of interest include Guthrie 46, Miami 6; Valley 72, Higgins 36; Three Way 53, Meadow 40; Smyer 44, Whitharral 24; Amherst 38, Loop 8; Ropes 36, Cotton Center 20; Lazbuddie 54, Lake Arthur, New Mexico 36.

PAT kick failed, and with 3:35 remaining in the first quarter, the Tigers were ahead 12-0.

Braden Towe, who is the quarterback for the Owl JV, took the ensuing kickoff out to the Silverton 34, and on first down Bradford carried to the McLean 37. In spite of gaining to near the first-down marker, the Owls saw the ball go over on downs. This time McLean carried to the Silverton 38 and then picked up a first down on the 29. A touchdown was carried on the next play, which was called back due to a holding penalty against the Tigers. Next play, the Tigers were penalized for illegal procedure, and on the first play of the second quarter they passed complete to the Silverton 20. Needing two yards for a first down, the Tigers scored with 6:28 remaining in the first half. The holder fumbled the ball and there was no PAT, and the score remained 18-0.

When McLean kicked off to the Owls, Holt took the ball and went all the way to paydirt for Silverton. There was no PAT, and the Owls were on the board 18-6.

Holt stopped the kickoff runback at the McLean 26, after which the Tigers picked up a first down on the Silverton 36. There was good defense by Wil T Bomar, who brought down the ballcarrier at the 31, and this was followed by a quarterback sack by Matt Francis, moving the ball back to the 35. The ball eventually went over to Silverton on downs on the 32.

Holt carried to the McLean 35, and then made a first down on the 28 with 1:46 remaining before halftime. The Owls weren't able to pick up another first down, and the ball went over on

Mrs. Kyle Stewart

## Amy Brannon Becomes Mrs. Kyle Stewart in Double-Ring Ceremony

Amy Deann Brannon of Quitaque and Kyle Dean Stewart of South Plains were united in marriage Saturday, August 25, in an afternoon ceremony at the First Baptist Church in Quitaque. The Rev. Ralph McCormick of Norman, Oklahoma performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Jerry Brannon of Quitaque and is the granddaughter of Mr. and Mrs. Seymour Brannon of Silverton, Mrs.

LaVern Walker and the late Bill Walker of Lampasas. The groom's parents are Mr. and Mrs. Dean Stewart of South Plains. He is the grandson of Mrs. Ruth Babb of Logan, New Mexico.

A selection of wedding music was presented by organist Patsy Herrington and Jana Boyles, who sang "Nobody Loves You Like I Do" and "Wind Beneath My Wings."

The couple exchanged vows before an altar lighted by an arched candelabrum.

The altar was centered with a large arrangement of peach and white flowers accented with peach and teal satin bows. This was flanked by two seven-branch candelabra accented with the bride's colors. Two baskets of peach and white flowers completed the altar arrangement.

Escorted to the altar by her father, the bride wore a gown of white LaChampagne organza with a beaded Venise basque bodice and portrait neckline and off-the-shoulder pouf sleeves which featured ruffle detail. Her long veil of silk illusion was attached to a wreath of pearl filament sprays and flowers. She carried a cascading bouquet of peach, teal and white roses accented with baby's breath.

The bride carried out the tradition of something old, something new, something borrowed, and something blue. A diamond necklace was borrowed from the groom's mother, a gold wedding band that belonged to the groom's great-grandmother and a gold watch that belonged to the bride's great-grandmother were tucked into the bouquet. Her wedding ensemble was new, and she added a blue garter.

As the bride approached the altar, she paused to present a single long-

stemmed white rose to her mother. As the couple departed, the groom's mother also was presented a rose.

Tobi and Tessa Lutrick, twin nieces of the groom, lighted the candles.

Matron of honor was Teresa Lutrick, sister of the groom. Bridesmaids were Margaret Leal of Amarillo and Pam Harmon of Quitaque. They wore matching peach taffeta and organza tea-length gowns designed similar to the bride's.

Flower girls were Holly Stewart and Erin Lutrick, nieces of the groom.

Matt Stewart, nephew of the groom, was ringbearer.

Ronnie Stewart served his brother as best man. Groomsmen were Robey Lutrick of Hale Center and Brett Marble of South Plains.

Kelly Patrick and Lane Myers of Quitaque seated the guests, after they were registered by Robin Myers of Quitaque.

Following the ceremony the bride's parents hosted a reception in the fellowship hall of the church. The bride's table was covered with a teal cloth overlaid with a white crocheted cloth and featured a white three-tiered cake decorated with peach roses and accented with teal. It was topped by a crystal heart-shaped piece which featured swans and wedding bells. The floral arrangement on the table was made of peach and white flowers accented with ribbon in the bride's colors. Crystal appointments were used. Robin Myers and Cristy Bays presided at the table.

The groom's table featured a peach cloth overlaid with heirloom lace. Silver appointments were used to serve the chocolate cake made in horseshoe shape with cascading chocolate roses. Vicki Stewart presided at the table.

Charlie Walker and Randa McBee distributed rice bags among the guests.

After a wedding trip to New Mexico, the couple is at home at South Plains.

### REHEARSAL DINNER

# It's Not Too Late to Join a 4-H Club

It's not too late to join a 4-H club for the 1990-91 club year. All three Silverton 4-H clubs have had their first meetings, but any boy or girl in the third grade to 19 years of age may join by completing a 4-H enrollment form available from the County Extension Office in the Courthouse basement. This allows a member to be placed on the 4-H mailing list to receive a 4-H newsletter and other information about projects and activities.

There are no dues for 4-H membership and any cost depends on the projects 4-H members are involved in. The food and nutrition project will begin October 1, and youth who plan to participate must be enrolled in 4-H. Livestock projects also will begin this fall. 4-H members who want to raise an animal to show in the county stock show in January need to contact County Extension Agent Curtis Preston at 823-2131.

For more information about 4-H, contact the club manager, assistant manager, membership vice president or County Extension Agents Lynda Fogerson or Curtis Preston at 823-2131.

The Clover Club is for third through fifth grade students. Club manager is Charlotte Rhoderick and assistant manager is Gail Wyatt. The vice president for membership is Lindsey Jennings.

Betty Stephens is club manager and Bena Hester is assistant manager of the Silver Star Club for grades six through eight. Carrie Baird is the vice president for membership.

High school students may join the Caprock Club. John Wyatt is club manager, Janinne Brooks is assistant manager, and Christa Tucker is vice president for membership.

4-H offers a variety of projects and activities at the local, district, and state level for those who want to take advantage of the opportunities.

Parents are a critical part of successful 4-H experiences. 4-H is a "family affair." It allows youth to participate in beneficial learning experiences with their parents' support and involvement. 4-H leaders usually are parents who want to be further involved in providing positive experiences for youth.

Adults who have talents and skills to share with boys and girls in any learning area are asked to volunteer to work with a project group. Photography, entomology (insects), and shooting sports (rifle or trap) are three project areas that leaders would like to provide to their club members. Written

guides are available in each of these areas to help leaders conduct a six-meeting project. Any adult who would work with these projects is asked to contact the County Extension Office. The only pay for 4-H volunteers is the satisfaction of making a positive

contribution to the lives of young people.

4-H is open to boys and girls in the third grade to 19 years of age regardless of socioeconomic level, race, color, religion, handicap or national origin.

## Net Margins of \$15.2 Million Highlight PCCA Annual Meeting

Total net margins of \$15.2 million for fiscal-year-end June 30, 1990 were reported at the 37th Annual Stockholders Meeting of Plains Cotton Cooperative Association (PCCA) headquartered in Lubbock.

PCCA's board of directors approved cash distribution of net margins and stock retirements totaling \$9.3 million. Book credits comprise the remaining portion of the net margin distribution. Participants in PCCA's denim mill option will receive \$4 per bale in cash and \$8.71 per bale in book credits on the 1989 crop.

Projects designed to enable PCCA to effectively serve its members, the cooperative gins and cotton buyers also were reviewed during the annual meeting. A major project is the "Electronic Title System" (ETS) to replace paper warehouse receipts.

"A lot of people were skeptical about ETS," said PCCA President C. L. Boggs, "but thanks to a lot of hours of hard work by staff and gin personnel, the pilot project at Sweetwater for the 1989 crop was successful and gained a lot of attention throughout the industry." Boggs noted the project has been expanded to include Farmers Cooperative Compress in Lubbock, Plainview Cooperative Compress in Plainview and Oklahoma Cotton Cooperative Association in Altus for the 1990 crop.

## DPS to License a Million Commerical Drivers in Texas

The Department of Public Safety is making preparations to license approximately one million commercial drivers in Texas. On September 17, 1990, DPS began uniform testing for all currently licensed commercial and bus drivers.

All commercial motorists who drive vehicles in excess of 26,000 pounds or transport hazardous materials that require the vehicle to be placarded are required to have a commercial drivers license (CDL) by April 1, 1992. Bus drivers, including school bus and church bus drivers, who drive buses designed to carry 16 or more passengers, including the driver, also will be required to obtain a CDL by the same date.

Exempt from the CDL requirements are farmers, when they are driving within 150 miles of their farm, military personnel, recreational vehicle operators, and fire fighters when operating fire fighting vehicles or equipment.

Commercial drivers who must carry the new CDL's cannot renew their current licenses due to expire between September 17, 1990 and April 1, 1992. They should plan to visit the DPS Driver License offices for CDL testing at least one month BEFORE the expiration date.

Mr. and Mrs. Bob Olive of Petersburg visited Betty Olive Saturday afternoon.

### Children See Educational Puppet Show at School

Children in Silverton ISD classes K-6 saw a puppet show Thursday of last week presented by the High Plains Epilepsy Association.

Called "Our Friends," the show featured a child with epilepsy explaining to her friend what having epilepsy is about and that children with epilepsy are not different.

The boys and girls were told that seizures can be caused by epilepsy, which can be controlled with medication, high fever or serious head injury.

The puppets explained about the kinds of seizures, where the person appears to be (1) daydreaming, (2) sleepwalking and (3) the grand mal type where the person falls down and shakes.

To help a person having a grand mal seizure, you can (1) protect them from injury by moving furniture away from them? (2) loosening their clothing from around the neck; (3) putting a pillow under their head. Children were reminded never to make fun of someone having a seizure, not to place anything in their mouths and to call an adult.

Questions were asked following the puppet presentation, and the students demonstrated their awareness by answering with the correct responses.

### Highway Department Says No to Political Signs on Right-of-Way

Political campaign signs may be beautiful to candidates and their supporters, but they're litter to the highway department. The highway beautification act prohibits most campaign signs within sight of the main lanes of any federally funded highway in Texas. Safety rules ban the signs from all highway rights-of-way in the state.

Campaign signs, like any advertisement, can be posted on private property if they are licensed and permitted under current billboard guidelines. However, most campaign signs don't qualify.

Signs are allowed on private property along farm-to-market roads and other state-funded roadways as long as they can't be seen from federally funded roads and don't violate local laws against such signs.

"We have two very legitimate concerns regarding these campaign signs," said highway department engineer-director Arnold Oliver. "Safety concerns and litter control laws dictate that we keep the rights-of-way

free of clutter, whether it's for political candidates, real estate companies or anyone displaying advertising on the highways."

State highway maintenance forces are busy notifying political organizations to remove unauthorized signs. If candidates don't remove the signs, maintenance workers will, leaving the candidate subject to a fine under the litter abatement act.

"This can be an expensive activity for us and the candidates. We're asking their help to save both of us time and money," said Oliver.

He said if the state does not attempt to comply with federal beautification regulations, the Federal Highway Administration can extract a 10 percent penalty from the state's federal highway funds.

Questions regarding the placement of campaign signs can be answered by local highway district or maintenance offices.

## A Voice From the Country

Earl Cantwell  
Gems & Allegorys

We are not put on this earth to see through one another, but to see one another through.

The art of eloquence is to know when to keep still and often one minute of keeping your mouth shut is worth one hour of explanation.

The narrow road is not a conveyor belt. We must do our own walking. And the one thing that is worse than a quitter is the man who is afraid to start.

Some people are making such a thorough preparation for a rainy day that they are not enjoying today's sunshine.

Few people ever carve their way to success with cutting remarks. People all over the world smile in the same language. We need to bear in mind that children of all ages have one thing in common—they close their ears to advice, and open their eyes to example.

School is a building—with tomorrow inside. Life makes some people better and others bitter, but the difficulties of it are intended to make better not bitter.

Fathers who put Christ in their lives give their children a model worth following. And happy indeed is the

person who walks so close to God that there is no room for the Devil. The ornaments of a house are the friends who visit it.

The destination we seek has a lot to do with our direction and zeal. Let's remember that the roughest road oftentimes leads straight to the top of the hill.

A young news reporter once visited an elderly man on his 99th birthday to interview him as to his longevity. The interview over, the young man said to the elderly man, "I hope to see you again, Sir, on your 100th birthday." The old gentleman carefully looked the young reporter over and then said to him, "I see no reason why you shouldn't, young man; you look healthy enough to me."

A sign in an antique shop: "Enter and redeem what your mothers threw away."

Each tomorrow has two handles—we can catch hold of it by the handle of worry or take hold with the handle of faith.

If we love our children we won't spoil them. If we do, then our children may have the right to resent that we allowed them to grow up to be "a spoiled brat". If we love our children we want others to do the same. This, people will not do if we allow them to become selfish and spoiled.

The time to begin loving our children is when we first learn that they are coming our way. The time to begin their training is from the moment they arrive. The time to be concerned about them is every moment of our life.

Continued from Page Four

the McLean 35. Francis and Bomar stopped the Tiger ballcarrier at the Silverton 39 as the first half ended.

The Owls were unable to make a first down on their first offensive series following halftime, but the Tigers came back and made a first down on the Silverton 18, in spite of good defense by Patino, Holt, Bomar and Towe. They scored with 3:31 remaining in the third period, the Owls blocked the PAT kick, and the Tigers led 24-6.

The Owls made a first down on the McLean 26 on a run by Francis, after which Holt and Bomar made another on the McLean 11 with 1:09 remaining in the quarter. Runs by Holt and Bradford failed to gain enough for another first down, and with 7:51 remaining in the game, the ball went over to McLean on the Tiger five.

This time the Owl defense was playing very tough, with defense by Holt, Bomar, Towe, Patino and others. The Tigers made a first down on the Silverton 15, but eventually went over on downs on the Silverton three. The Owls fumbled and the Tigers recovered at that spot on the next play, and McLean lost no time scoring again. There was no PAT, and with 4:26 remaining to be played, the Tigers led 30-6.

Silverton opened the next offensive series with a run by Holt to the Silverton 36, and picked up a first down on the McLean 37. Holt moved to the

Owl 22. McLean scored with several of the first-string Owls watching from the sideline, with 1:59 remaining to be played in the game. There was no PAT, and the Cubs were on the board on the short end of the 26-6 score.

Brooks carried the kickoff out to the Silverton 34, and later in the series of offensive plays ran for a first down on the McLean 20 with 16 seconds remaining to be played. The Owls were threatening when the game ended.

The Junior High will be traveling to Groom this afternoon (Thursday) for kickoff at 5:30 p.m. They will appreciate your being at the game to cheer for them.

Silverton's high school football players have nominated their candidates for Football Queen, and they will be presented Friday night in pre-game ceremonies which are scheduled to begin about 7:00 p.m. at Payne Field.

Candidates are Julie Graham, senior; Amy Ramsey, junior; Christy Nease, sophomore, and Kami Martin, freshman.

**PEP SQUAD BEAU**

Members of the Booster Bunch will present their candidates for Pep Squad Beau and crown one during the Pep Rally which begins at 3:00 p.m. Friday in the school gym.

Candidates are Bradley Brunson, senior; Brian West, junior; Casey Frizzell, sophomore, and Lance Holt, freshman.

You are invited to be present for all of these activities. The cheerleaders appreciate your attendance and support at all the Pep Rallies.

**JUNIOR HIGH PEP RALLIES**

Junior High Pep Rallies begin at 12:20 p.m. on the Thursdays when the Junior High Owls have games.

These cheerleaders and players also will appreciate your support and attendance.

25, after which Bradford picked up a first down on the 20. A personal foul penalty against the Tigers for hitting out of bounds moved the ball to the McLean ten, and from there Holt moved the ball to the five. Holt scored with 48 seconds remaining in the game and also ran for the PAT, to make the score 30-13 in favor of the Tigers.

The Junior Varsity team doesn't have a game this week, and all will suit up for the Homecoming festivities Friday night when the Owls host Guthrie with kickoff at 7:30 p.m. Don't miss it!

## Junior High Owls Open Season With Big Victory

Silverton's Junior High Owls opened their season with a big 26-6 victory over the McLean Tiger Cubs here last Thursday afternoon.

Playing for the Junior High team are Brandon Nease, Cy Comer, DeWayne Juarez, who was out of action last week with a shoulder injury, Phil Patino, Jess Brannon, Jeremiah Brooks, Zeb Holt, Michael Hill, Oscar Vargas and Patrick O'Neal.

Jess Brannon took the kickoff that opened the game and returned it all the way to the Tiger Cub five-yard line, and on the first play of the game Michael Hill carried the ball into the endzone to give the Owls a quick lead. Jeremiah Brooks ran the PAT in, making the score 7-0 with 5:41 still remaining in the first six-minute period.

The Owls kicked off to McLean and held the Cubs on their own 15. McLean was unable to gain any yardage except five penalty yards against the Owls and the ball went over to the Owls on fourth down on the McLean 25 after good defense by Zeb Holt.

Brannon passed complete to Hill for a short gain, after which Brooks picked up four yards. Brannon passed to Phil Patino for the score with a minute remaining in the first quarter. Hill carried the PAT, and the Owls had extended their lead to 14-0.

Hill kicked into the endzone for a touchback and the Cubs started on their own 20. Patino got a quarterback sack and set them back four yards on first down, and defense by Hill on third down caused a McLean fumble which the Cubs recovered. On fourth down, Hill and others pushed the Cubs back to the McLean 13, where the Owls went back on offense.

Brooks carried for about five yards, and Hill scored with 3:41 remaining in the first half. The pass for PAT was incomplete, and the Owls held a 20-0 lead.

The Owls kicked off to McLean and the ball was carried out to the McLean 10. On first down, Brannon intercepted a Tiger Cub pass and carried it to the McLean seven. The Owls fumbled and recovered three plays in a row, and saw their pass fall incomplete on fourth down, giving the ball back to McLean on their eight.

The Tiger Cubs made their first first down of the game at their own 25 on the next-to-last play of the first half.

The Owls kicked off to open the second half, and the ball was brought out of the endzone on a touchback. Patino and Brannon held the Cubs to minus yardage on this series, and the Cubs punted out to their own 34. From there, Brooks carried to the 15, this being called back due to an offside penalty. Hill carried to the McLean 23, and Patino went into the endzone for another score with 59 seconds remaining in the third quarter. The PAT pass was incomplete, and the Owls held a 26-0 lead.

When the Owls kicked off, one of the Cubs brought it out to the McLean 15, where he fumbled, Silverton recovered, and the Owls were back on offense again. Brooks carried to the 20, after which the Owls lost back to the 25. Brannon completed a pass to Cy Comer on fourth down, but the ball went back over to McLean on the 18.

The Tiger Cubs made a first down on their own 47, then picked up another on

**CARDS OF THANKS**

**A NOTE OF THANKS**

Dear friends, neighbors and family,  
We are deeply grateful and thankful for the love and concern you showed us while we weren't feeling well. We hope we can do something to show how much we appreciate it. Thanks for the food, the homemade cakes, bread, pies while we were in the hospital and after we came home. Also the phone calls, visits, and cards. Thanks to Lynn Welch for the peaches, Tommy Hunt for the okra, Earl Cantwell for the tomatoes. All have been so good to us.  
God bless each of you. We love every one of you.  
Frank and Nora Yeary
