

THE WEINERT METHODIST

"The Man Who Might Have Been," will be the subject next Sunday Evening at the "Sing Song and Sermon Hour." This is an Old Testament character of whom we have studied since childhood, and yet here are many things we have not learned about him.

There are several more character subjects to be brought during the spring months. Some of the titles we are working on are, "Daniel the Dauntless," "The Dutiful Daughter - Ruth," "The First Missionary - Jonah," and others.

Sunday School at 10:00 a. m. Morning Worship 11:00 a. m. Theme, "The Old Rugged Cross." In these days of changing thought and differing opinions, is there any thing in the "Old Rugged Cross" to cling to? Come Sunday morning and let's talk about it.

PRESEYTERIAN CHURCH M. L. Baker, Pastor

"The Grace of Our Lord Jesus Christ," will be the subject of the sermon Sunday morning by the Pastor. This is one of the best loved sayings of the New Testament. It ranks with John 3:16.

The Sunday School begins at 9:45 a. m. The Christian Endeavor meets at 6:45, and the evening church service will begin at 7:40. A cordial welcome is extended to all to attend these services.

\$15,000,000 FOR HIGHWAY SAFETY

Public benefit and sound economies are closely related. The automobile industry's Highway Safety Plan which will scrap 400,000 unfit cars in a year is an example of large-scale beneficence which is solidly grounded on business fundamentals.

Every one knows that the used car falls into two classifications. The first class comprises the serviceable automobiles which are saleable by the dealer and of value to the buyer. The second class are the rattle-trap used-up cars which are a menace to all users of the highway and are an economic nuisance.

The various companies participating in this program estimate that they will spend a total of \$15,000,000 for sending such cars to the scrap heap.

Those who are concerned with the national problem of accident prevention—and the motor executives are in the forefront of that movement—will greet enthusiastically this activity to clear the roads of unfit vehicles.

Alvin Macauley, president of the National Automobile Chamber of Commerce, which fosters the project characterizes the effort as "perhaps the greatest single safety move in industrial history."

The fact that the Highway Safety Plan is good business sense strengthens its humanitarian value. Economic soundness is usually essential if any move is to be continuous rather than sporadic.

The use of the automobile constitutes a vast democratic transportation system in which the maker, the dealer and the owner have a common interest. The removal of unfit cars will serve to clean up a situation prejudicial to the industry and the trade.

It will be a boon to the nation of car-owners by removing from the highways a huge amount of undesirable rolling stock.

American industry has again proved its ability to deal with major problems by methods which are comprehensive and far-seeing. Editorial from Automotive Daily News.

There was no doubt about the Scotchman being in a tight fix when held up in Chicago the other day.

Hints Regarding Time Saving In Meal Planning

A Home Maker must take short cuts to the necessary three meals a day, if she has time left to enjoy her family, her club and have an occasional pleasure trip.

To cut down the work and time of preparing meals:

1. Collect utensils and tools which will make kitchen work easier, such as fireless, waterless and pressure cookers, double boiler, dish drainer, food chopper, quick egg whip and light weight egg beater, measuring cups and spoons, casseroles, toasters and broilers. Keep tools and fixtures close together at the work table.

2. A kitchen cabinet keeps materials and supplies together at the work table. Where no cabinet is available shelves can be provided near the table. Arrange kitchen furnishings so as to save steps.

3. One-dish dinners are easy to prepare, simple to serve, and require little dish washing and cleaning away afterwards, such as casseroles of meat and spaghetti, beans, beef hash and tomato sauce, Irish stew, corn chowder, etc. One of these with a fresh salad, coffee, tea or milk and bread will make a complete meal.

4. Meats, vegetables and fruits canned in season can be made ready for the table in a few minutes. Every pantry should have, in addition to the usual supply:

1. An emergency shelf for meals when unexpected company arrives, when illness interrupts the routine, on wash days and club meeting days.

2. A gift shelf of delicate fruit tins, jams and jellies put in very small containers to be used for gifts to invalids and friends for the breakfast tray.

3. A shelf of supplies for picnic lunches and children's parties, such as fruit juices, sandwich material, etc.

4. Several easily and quickly prepared recipes, which may be prepared from the emergency shelf, written on a sheet and hung on a pantry wall for reference.

Other time and health savers:

1. A high stool to sit on will save tired feet and back.

2. Right height of working surfaces saves back ache and fatigue.

3. A small washable rug in front of sink is a help to the tired feet.

4. Keep knives sharp.

5. Throw away useless tools, an egg beater that won't beat, a sifter that slips, and sauce pans that leak or that have no handle.

6. To save dish washing, use 2 measuring cups when cooking, one for liquid and one for dry materials. Do the same for spoons, bowls and knives.

Eileen F. Partlow County H. D. Agent.

After the automobile salesman has told you all the things that's wrong with your old car in appraising it for a trade-in you really don't have the face to ask him to take it at all.

They called her Peaches because so many fellows canned her.

From the way Arizona bungled the first banking of a woman it looks like they ought to put in a new system before they try another execution.

EARLY HATCHED CHICKS WILL PAY THE FARMER

A hen in the laying house is worth a dozen in the barnyard in September and October, when egg prices start to soar. Farmers seeking to obtain the utmost profit from their poultry flocks should make an effort to have their pullets ready to lay by the middle of December, thereby getting the full advantage

of fall and winter egg prices, market experts point out.

Early-hatched chicks offer the simplest solution to the problem. Chicks hatched before May 1 should be ready to start laying during September, if the stock is good, and proper care is given the growing pullets.

Many farmers, seeking to effect economies in the first cost of chicks, often put off purchasing until late in the season. This is merely a case of false economy, since late-hatched chicks are late in coming into production, and are not laying the period when eggs are at their highest. The early hatched chick returns many times the net profit of the late-hatched chick, in the normal course of events.

In response to this tendency to obtain chicks early in the year, hatcheries usually are ready to deliver by March 1, and some even earlier. Chicks hatched at this period of the year are husky and strong, and capable of quick growth, provided proper treatment is given them. Leading hatcheries of the country, who operate under the slogan, "Hatchery Chicks For Greater Profits," to provide good quality chicks, are advising their customers to obtain early chicks in order to reap the advantage of the high egg market.

Pullets ready for the laying house in early September more than pay for the original cost in the first few weeks. Figures compiled by agricultural experimental stations indicate that the profits from early hatched chicks are from three to five times as great as from late-hatched chicks, under normal circumstances.

LOCAL NEWS FROM FOSTER COMMUNITY

This community was visited the last of the week with a big sand storm.

ELECTION NOTICE

Notice is hereby given that an election will be held at the City Hall in the city of Haskell, Haskell County, Texas on the first Tuesday in April, the same being the 1st day of said month, for the purpose of electing, a Mayor, City Marshal, City Secretary-Treasurer, and (3) Three aldermen to serve said city for the ensuing two years.

An ordinance will also be voted upon in this election to decide whether or not the keeping of hogs within the city limits will be allowed.

The polls of said election will open at eight (8) o'clock A. M. and will close at seven (7) o'clock P. M. Every person not disqualified by law who shall have attained the age of twenty one (21) years, and who shall have resided within the Corporate limits of said City for six (6) months next preceding said election, shall be entitled to vote.

S. A. Hughes is hereby named as presiding officer of said election. Passed and approved this 20th day of February A. D. 1930.

T. C. Cahill, Mayor.

D. H. Perrin, City Secretary.

### Recognition of Advertising

A notable event occurred recently at Harvard University when prizes totaling \$10,000 were given for excellence in the preparation of advertising. It was a revelation of the keen interest felt in advertising methods by business men and ambitious folks, when it appeared that 12,000 advertisements had been submitted in this competition, which was made possible by the great generosity of the late Edward W. Bok.

The above indicates a general realization that advertising will play a bigger part in the development of the nation during the next few years than ever before. Concerns that get into line and inform the public about their goods will prosper, while those who fail to do so face a doubtful future.

### Too Many Disputes

Ex-President Coolidge speaking at the dedication of the Coolidge dam on the Gila river in Arizona remarked that the various interests affected by that project had not been able to agree on its details. He advised them to take down their Bibles, and read the passage that says "Agree with thine adversary quickly."

Far too much time is wasted in disputes between states and sections and factions all over the country. If some of the energy spent in preventing some other state and section and element from getting what it claims, was devoted to actual work to build up the resources of one's own section or element the country would move its faster. While so many are arguing and disputing they are apt to let many opportunities for advancement slip by.

### The World's Demand

Senator Borah of Idaho told the senate a few days ago that the world demands a reduction of armament. He felt the various governments must take some risks in order to lift the weight of excessive armament from the backs of the people. He complained that the world is now paying out some \$5,000,000,000 annually to keep up its fighting forces. He condemned the nations for doing such a thing, after they have signed treaties which directly pledge them to renounce war as an instrument of national policy.

People do not always agree with Mr. Borah, but it is safe to say that these words of his will meet with very general approval in this country. It seems extremely absurd after the leading nations have agreed to give up wars, for these same countries to get together and proceed to enlarge their fighting forces, which is what they will have to do if they persist in their present attitude.

It is hard to see how the nations

## The First Indication of Spring

(Copyright, W. N. U.)

are taking any more risk of war by reducing their fighting forces provided they all reduce them in proportion. In fact they greatly lessen the chances of war. Great armaments create fear in other nations and lead all the countries to get together and proceed to enlarge their fighting forces, which is what they will have to do if they persist in their present attitude.

It is hard to see how the nations are taking any more risk of war by reducing their fighting forces, provided they all reduce them in proportion. In fact they greatly lessen the chances of war. Great armaments create fear in other nations, and lead all the countries to be more suspicious more ready to take offense. Hence they increase the peril of war, instead of creating a protection against it.

The main reason for the World War was that the nations were too heavily armed. They thought they were assuring safety for themselves by these mighty armies and navies, but actually they were creating the conditions out of which war grows. They should look out not to do the same thing again.

Nations do not protect themselves by increasing their armament. Such action leads other nations to do the same thing, so that the relative proportion between armament remains the same, while suspicion, hostility and hatred are increased.

not once and for all settle in clear and unmistakable language, the question whether the buyer is equally guilty with the seller. So important a point should not be left in doubt.

It will generally be admitted that buying and selling are a joint transaction, and if a seller has done wrong, a buyer has done so too. But it is not strange that many prohibitionists have drawn back from an interpretation of the law that will not make it any easier to enforce this statute.

The advance of prosperous cities is not due to any chance. It happened because people got out and pushed.

It is remarked that people are led to buy goods in other cities by the glamour of distance, but probably the clamour of advertising has more to do with it.

### Home Town Thoughts

We expect our home stores to provide large, handsome, and complete assortments, but the only way to enable them to fully realize that expectation is to give them our regular patronage.

### The Buyer of Liquor

The supreme court is to give a hearing April 14 on a case which will involve the question whether the purchaser of liquor can be prosecuted for conspiracy to violate the Volstead law. It seems singular that congress in passing this law did

Scientists say the next war will be with insects. And it will start just as soon as the potatoes and beans are up.

Not having anything else to do, Congress has tackled the prohibition question.

## Haskell Baptists

Sunday, 11:00 a. m. Preaching service, subject, "THE AND HISTORY OF THE BAPTIST CHURCH"

As Baptists, we firmly believe that there are saved people in all churches, Catholic and all. We certainly do believe that we have been born again. Heaven will one day be your home, and consistent in this statement, because we believe in the Preservation of the Saints, that is, regardless of a man's and mistakes after conversion he is cared for by the grace of God. If we believed in a salvation by works or that sin of any kind would cause the child to fall away, then we would be forced to believe that unless one is baptized according to the Bible and the right church and lives a perfect life he could not go to heaven. We also believe that the Baptist church is the one true church by our Savior while on earth. The church which is called the bride of Christ was organized out of the material prepared by John the Baptist (John 3:28, 29). The church speaks of Christ as "MY CHURCH" has not and never will be the church (Matt. 16:17-19). This same church is the one that the Reformers were persecuting during the dark ages. Sunday morning we hear scripture and the testimony of great historians of denominations. Following are some examples:

Cardinal Hosius (Catholic) president of the Council of Trent in 1576 said, "Werfe it not that the Baptists have been cruelly tormented and cut off with the knife during the twelve hundred years, they would swarm in greater numbers than all the Reformers." This great testimony carries the Baptists to 370 A. D.

Sir Isaac Newton, as quoted in Appleton's Encyclopedia said, "The Baptists are the only body of Christians that has remained pure since the church of Rome."

In 1819 the King of Holland had a history of the Dutch Reformed Church written in which you will find these words: "This account the Baptist may be considered as the only community which has stood since the apostles, and, as a society, has preserved pure the doctrine of the gospel through the ages."

THESE QUOTATIONS WILL BE MULTIPLIED FOLD SUNDAY MORNING. BAPTISTS HAVE A HISTORY THAT WILL OUTSHINE THE STARS AND ONE SHOULD MAKE EVERY BAPTIST SHOUT.

# SHERWIN-WILLIAMS PAINT HEADQUARTERS

## Washable Flat-Tone walls are what you want . . .

S-W Flat-Tone is the very last word in wall paints. This latest product of the world's largest paint makers has that rich velvet finish which is so much desired. Yet it is washable. Flat-Tone walls can be restored to their original fresh beauty by merely washing them with soap and water.

## FRIDAY AND SATURDAY SUGGESTIONS

**S-W Flat-Tone**  
A washable flat wall paint for interior decorations on smooth or sand finish plaster, wall-board or other interior wall surfaces. Spreads easily under brush. Dries without streaks or brushmarks. Produces beautiful velvet finish. Can be repeatedly washed.  
Per quart . . . . . \$1.00

**S-W Mar-Not**  
A water-resisting floor varnish made to withstand tramping heels. For oak, light maple, birch or linoleum. Per quart \$1.50

**Rogers Brushing Lacquer**  
The popular modern fast-drying home lacquer. Easily applied. Excellent colors. Dries while you wait.  
Per 1/2 pint . . . . . 60c

We are prepared to supply your building needs from our large and complete stock of lumber, paints, builders hardware, cement, lime—in fact everything to build anything.

Estimates Gladly Furnished on Any Building Problem

## Nurse Tells

How **CARDUI** Helped Her  
Mrs. W. A. Cox, a well-known professional nurse, of Burnside, Ky., writes: "I was in very bad health, and only weighed 110 pounds. I read in the papers about Cardui, and thought I would give it a try-out. After I had taken one bottle, I could see that I was improving. After I had taken it a month or two, I began to gain, and I weigh at present 168, and have weighed that for some time. I am now 55 years old, and can do as much work as the average middle-aged woman can. I would advise any woman, who is weakly and in a run-down condition, to try Cardui, but not to expect one bottle to make her well. I take two or three bottles a year, now, and I feel fine."

**An Ordinance Regulating the Construction, Alteration, Maintenance, Repair and Removal of Buildings Within the City of Haskell, Texas, and Prescribing a Penalty for Violations thereof and Declaring an Emergency.**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HASKELL, TEXAS:**

Section 1: Before the erection, construction, alteration, or repair of any building, structure, or wall of any part thereof or of any platform, staging or flooring to be used for standing or seating purposes is commenced, within the limits of the city of Haskell, Texas, the owner or lessee or agent or either or the architect or builder employed by such owner or lessee in connection with the proposed erection, alteration or repair, shall apply to the City Secretary of the City of Haskell, Texas, for a permit to do such work. The application for such permit shall be made on a blank form furnished by such City Secretary and

shall state the exact site to be occupied by the new building, or if an old building is to be repaired or altered, then the site occupied by such old building, the material to be used, the dimensions and estimated cost of such buildings, alterations or repairs or structure or work to be done and the probable time consumed in said work or erection of said building.

Section 2: Work must be commenced under any permit granted by the City Secretary within six months after the same is granted or all rights thereunder will be barred by limitation.

Section 3: Every person, firm or corporation violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction therefor shall be fined in any sum not exceeding One Hundred Dollars.

Section 4: The fact that there is now no sufficient building ordinance in the City of Haskell, Texas, and the further fact that there is now urgent demand for such ordinance for the protection of the inhabitants of said city, creates an emergency and an imperative public necessity that the rules requiring ordinances to be read at two stated meetings and not to become effective until ten days after publication, be sus-

pending, and such rules are hereby suspended, and this ordinance is passed on second reading and final passage, and shall take effect and be in force from and after final passage and publication, and it is so enacted and ordained.

Passed and approved, this 29th day of February, A. D. 1930.  
T. C. Cahill, Mayor.

Attest:  
D. H. Perrin, City Secretary.

**5 1/2 Per Cent Federal Land Bank Loans**

The Federal Land Bank of Houston has reduced its lending rate to 5 1/2% with 3 1/2 years time with liberal options for paying at any date. Other lending concerns have raised their rates. This 5 1/2% rate is now full 1% below any rate offered in this section. Why Pay More?

**Rule National Farm Loan Assn.**  
W. H. McCANDLESS, Secretary-Treasurer

**Money to Loan on Farms; Ranches**

I can get you a loan on your farm at a low rate of interest, payable annually; the loan to become due at the end of ten years, and give you the privilege of paying as much as one fifth of the principal each year if you desire to do so. The cost to you will be the abstract fees and recording fees. If you want a new loan or want to renew an old loan write me or come and see me and let me explain to you, and I will get you the best loan to be had, in a company that you will be pleased with and save you money, so you will be satisfied in the future. You get all the money you borrow.

**P. D. Sanders; Haskell, Texas**

# THINK OF YOUR AUTOMOBILE IN TERMS OF TOMORROW

*Ultimate cost is as important  
as first cost in the purchase  
of an automobile*

**WHEN** you purchase an automobile you are making an investment of a considerable amount of money. It is essential, therefore, that you give careful thought to the best selection and know what you are getting for your automobile dollars.

The first cost is important because it may mean an immediate, satisfactory saving. Of equal importance is the ultimate cost after thousands of miles of service. This ultimate cost is the true measure of automobile value.

**THE** first cost of the new Ford is unusually low not only because of economies in manufacturing, but because the same principles that inspire these savings are extended to every other step that means greater service to the public. It is easy to see that economies in production would be of little value if they were sacrificed later through high charges for distribution, selling, financing and accessories.

The Ford dealer, therefore, does business on the same low-profit margin as the Ford Motor Company. His discount or commission is twenty-five to fifty per cent lower than that of any other automobile dealer. You gain because he makes a small profit on many sales instead of a large profit on fewer sales.

The difference in selling cost, combined with the low charges for financing and accessories, amounts to at least \$50 to \$75 on each car. This is as important as economies in production in keeping down the price you pay for the new Ford.

**THE** low ultimate cost of the new Ford is the result of sound design, quality of material and unusual care in manufacturing. Friction and wear are reduced by the accuracy with which each part is made and assembled.

These factors combine to decrease the cost of operation and add months and years to the useful life of the car. The good performance and low yearly depreciation of the new Ford are indicative of the enduring quality built into it at the factory.

**SERVICE** charges are on the same fair, economical basis as the making and selling of the car and replacement parts are always available at low prices through all Ford dealers. In two, three or five years, depending on how much you drive, the saving in operating and maintaining a new Ford will amount to even more than the saving on the first cost.

Think in terms of tomorrow, therefore, when you purchase an automobile. For tomorrow will reveal its true worth.

Ladies to Direct Sunday School at Christian Church

The ladies of the First Christian Church will have charge of the Sunday School for next Sunday. The ladies are determined to best the men who had charge last Sunday morning, and several new features will be presented.

Snap Shots

After the automobile salesman has told you what all is the matter with the old car a person feels too sorry for the poor old wreck to let it pass into a stranger's hands.

A government report states there are five million automobiles on American farms. No wonder the farmers need relief.

The parrot fever has helped out the paragraphers, but nobody has written a song about it yet.

After the prospective buyer of a new automobile has listened to a half dozen auto salesmen tell him what's wrong with all the cars except the one he's selling he generally decides to play safe and stick to the old bus for another year.

Alimony was probably invented so that a woman would not have to take a man's name in vain.

Little Eas won't go to heaven anymore, according to a news dispatch because the show has gone to the dogs.

There was a time when the average youngster wished that his dad would buy a candy store, but now he wants him to put in a filling station.

Sometimes genius is merely the ability to make practical some other fellow's idea.

Some people are so pessimistic that they can't enjoy one of these nice warm days we've been having because of the thought that they'll have to shiver later.

A business seldom grows bigger than the vision of the boss.

Next to the weather, there's more said about taxes than anything else, and just as little done about it.

The commander of the American Legion wants capital conscripted in time of war the same as man power. His idea may be all right, but it won't work. Capital will go to that.

MAYTAG ANNOUNCES A NEW WASHER

Many Advanced Features Introduced

At Newton, Iowa, the washer center of the world, the great Maytag factory, which dominates the commercial activities of the lively Iowa city is teeming with action. It has started on the most ambitious program in Maytag history, and the reason is a New Maytag washer.

Having originated the outstanding washer developments of many years, the announcement of a new washer by Maytag commands the interest of the entire washing machine industry and millions of housewives everywhere. Before going into details which explain the many distinctive and novel features of this new washer, it is well to get a mind picture of the vast facilities called into action for its production.

This new washer comes at the peak of Maytag success which has been one of the outstanding achievements of the industrial world. With a record business in 1929, The Maytag Company completed its seventh successive year of world leadership. Public acceptance which made this tremendous business possible, required continuous increases in production facilities, improvement in methods and new special machinery.

The modern aluminum foundry and the immense gray iron foundry, owned and operated by Maytag, cost \$2,000,000 to build. The balance of the plant steps the investment in plant, equipment and development work up to more than \$4,000,000. An additional investment of half a million dollars in special machinery and equipment was necessary before the new Maytag could be produced.

The aluminum foundry, which is one of the world's finest, produces the new one-piece cast-aluminum tub. Additional tools, patterns and production machinery were necessary to manufacture the new Roller Water Remover. This special Maytag feature has a positive action, automatic drain, completely enclosed within the compact housing of the Roller Water Remover. This new type of drain shunts the water directly into the right tub without spilling or splashing, without attention from the operator. The only exposed parts of the new Roller Water Remover are the top roll and the safety feed. The index-lock which permits the water remover to swing and lock in seven different positions is protected by a dust proof cap.

The New Maytag has a quiet, enclosed lifetime, oil-packed drive. This exceedingly quiet and smooth-running, self-oiled drive operates in a sealed housing. The gear is always in mesh so that there is no clashing when the washer is started or stopped. A new, handy auto-type shift lever is easily operated from

any side of the washer. The New Maytag has a thumb-screw brake on the easter wheel, non-breakable electric attachment plug and other outstanding scientific development which add to its convenience and washing ability. The pride which The Maytag Company takes in its new product is fully justified.

The features of this new washer offer equally desirable advantages to city and farm homes. Homes without electricity may have the NEW Maytag equipped with an in-built gasoline Multi-Motor. This Maytag engine is now equipped with a new air cleaner.

Guess Mayor Thompson isn't the only Big Bill Chicago has.

What's become of the person who used to applaud at the movies.

The farmer who can't find a market for his cotton is beginning to wonder what has become of Hoover's farm relief.

The National Morticians, who adopted the slogan "Get Acquainted With Your Undertaker," weren't so dumb when they chose Chicago as their convention city.

J. Comer whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Haskell at the Court House thereof, in Haskell on the 21st day of April, A. D. 1930, then and there to answer a Petition filed in said Court, on the 10th day of March A. D. 1930, in a suit numbered on the docket of said Court No. 4064, wherein Statha Comer is the plaintiff and T. J. Comer is the defendant. The nature of the plaintiffs demand being as follows, to-wit: Suit for divorce on grounds of cruel treatment and custody of a minor child, Wilma Louise Comer, age seven. Plaintiff alleges that the defendant cursed and abused the plaintiff, struck her with his fist on numerous occasions, and threatened to take her life, and that he was guilty of immoral conduct in habitually associating with lewd women. Plaintiff says that the actions and conduct of the defendant generally towards her are of such a nature as to render their further living together as husband and wife insupportable. Plaintiff prays for a divorce, and for custody of the minor child.

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Haskell, this 10th day of March A. D. 1930. (Seal) Lois Earnest, Clerk District Court, Haskell County, Texas.

Haskell Maytag Store Maytag Aluminum Washer

WHEN WILL YOU BEGIN USING THIS NEW OIL?

CONOCO GERM PROCESSED PARAFFIN BASE MOTOR OIL Its name seems to intrigue motorists and much conversation has dwelt on the Germ Process, and the whys and wherefores... the story is this: Under exclusive Conoco-owned patent rights, a precious oily essence is added to a superbly fine paraffin base oil. This essence is lacking in all other oils, including the one you are now using. The Germ Process makes possible the metal-penetrating safety factor that we call "penetrative lubricity." And this oil, of all on the market, provides a safer, more positive motor protection from the time you start the motor until you turn off the ignition. So... when will you begin using this new oil?... at the sign of the Red Triangle.

### R. A.'s Have Interesting Meeting.

A re-organization and pep meeting of the R. A.'s Class of the Baptist Sunday School was held last Monday afternoon at the church, at which time the program was observed, several new officers for the class being elected. A program was given Friday afternoon before the Woman's Missionary Society, with the following members of the class taking part: Clovis Norton, Cecil and Bill Reeves, Robert Barnett, Harvey Simmons, Jimmie Crawford, Milam Jones, and Ronda Bailey.

The R. A.'s are expecting to do good work under their captain, Mrs. Theo. Jones, and every member should take an active part in the work of the class.

## W. T. U. EARNINGS ARE \$1,618,000 FOR LAST YEAR

Net earnings of the West Texas Utilities Company for 1929 totaled \$1,618,173.60, according to the annual utilities report filed with the Abilene City Commission last Friday. The statement was filed by R. M. Wolfe, auditor.

Gross earnings were listed at \$7,714,396.10, with the revenue divided as follows: Light, \$2,758,062.74; power, \$2,200,329.23; gas, \$159,456.63; ice, \$821,766.44; water, \$178,480.05; merchandise sales, \$1,195,652.54; others, \$90,647.87.

Total operating cost was given as \$6,096,222.50.

Gross earnings of the Abilene Traction company for the past year, derived from fares of 5, 8 1/2 and 10 cents, amounted to \$14,283.66. Operating costs of that concern totaled \$61,888.25.

Glue, it is claimed, can be made of garlic. The odor, at least, would probably stick indefinitely.

## Solution of the Farm Relief Problem Rests With Farmers

Solution of the farm relief problem will come from the farmers of the United States themselves, rather than from any governmental aid, according to William H. Danforth of St. Louis, founder of the Ralston Purina Company, who was one of the principal speakers during a record-breaking convention of Texas feed dealers sponsored by that organization February 20 and 21 at Fort Worth. Mr. Trice returned today from the convention, which he stated was the most enthusiastic ever held under the sponsorship of the Ralston Purina Company.

"Application of business methods to farming will bring the surest relief to those engaged in the agricultural industry," Mr. Danforth stated during his talk. "The use of accurate records on all livestock and poultry is absolutely essential for the farmer of today. In this way only can he detect the profit-makers or the profit-takers in his herds of cattle and hogs and his flocks of poultry. By careful checking on each animal and bird on his place he can cull out and use only the high producers and money makers."

"Carrying the business attitude of today further into farming," Mr. Danforth continued, "the farmer has learned that the steady cash income from diversified agriculture is one of his chief helps. This is especially true in the South, where it was formerly thought only cotton could be produced profitably. These men are now turning to dairying, poultry raising and hog raising to supplement their farm income. Within the past five years millions have been spent in the erection of milk condenseries, cheese factories, creameries, poultry fattening plants and in some cases packing houses, which provide markets for surplus products of the cow, pig and hen. "As there is a constant cash

market for the farmer for milk, cream, chickens, eggs, lamb, pork and by the sale of these he is able to pay cash for his feed, tools farm implements, seeds and other commodities, it is naturally the one crop farmer who is now suffering the most desperate financial condition. Naturally, the farmer who has this ready cash coming in regularly can pay cash for what he buys thereby get a lower price on his purchases."

During the convention, Mr. W. P. Trice of Porter, White & Trice said, emphasis was put on new merchandising ideas which will help Southern feed dealers render better service to the feeders of poultry and livestock in their communities. It was pointed out by the various speakers during the convention that only by receiving cash can the dealer help the feeder in getting the most from his money. A feed dealer, he said, cannot lend money as cheaply as a bank, and it stands to reason that credit purchases must cost the customer more than cash buying. "Merchants' said Mr. Trice are giving their customers who pay cash advantage of a lower price per ton for the prompt payment of bills."

The convention, attended by several hundred aggressive, Texas feed dealers, was one of a series promoted by the Ralston Purina Company for the purpose of assisting the dealers in taking a prominent part in relieving the farmer of financial distress. Besides the business sessions, entertainment was furnished Thursday night at a banquet for the dealers, during which a musical program was given.

## Students Assured Hospital Facilities For Nominal Cost

Students in Texas Technological College through the payment of a medical fee of \$1.50 each per quarter receive a physical examination and,

necessary, three weeks treatment in the hospital. In addition they receive liberal discounts on all major operations, and other considerations.

The contract for the present school year is with the Lubbock Sanitarium Clinic and Lubbock Sanitarium, a modern hospital of 100 rooms capacity. A report from that institution covering work done for Tech students during a three-month term shows that they received 4,796 office consultations, treatments, and minor surgical operations. There were 208 visits made by hospital doctors to the homes of students, 84 x-ray pictures and studies made, 85 laboratory and electro-therapy examinations and treatments, and 69 students in residence in the sanitarium.

According to figures given out by sanitarium officials in a report to school authorities usual charges for the matter would amount to approximately \$14,000. The cost to students, however, amounted to only about twenty-five percent of that amount.

Everybody seems to have a desire to learn something about business—the other fellows.

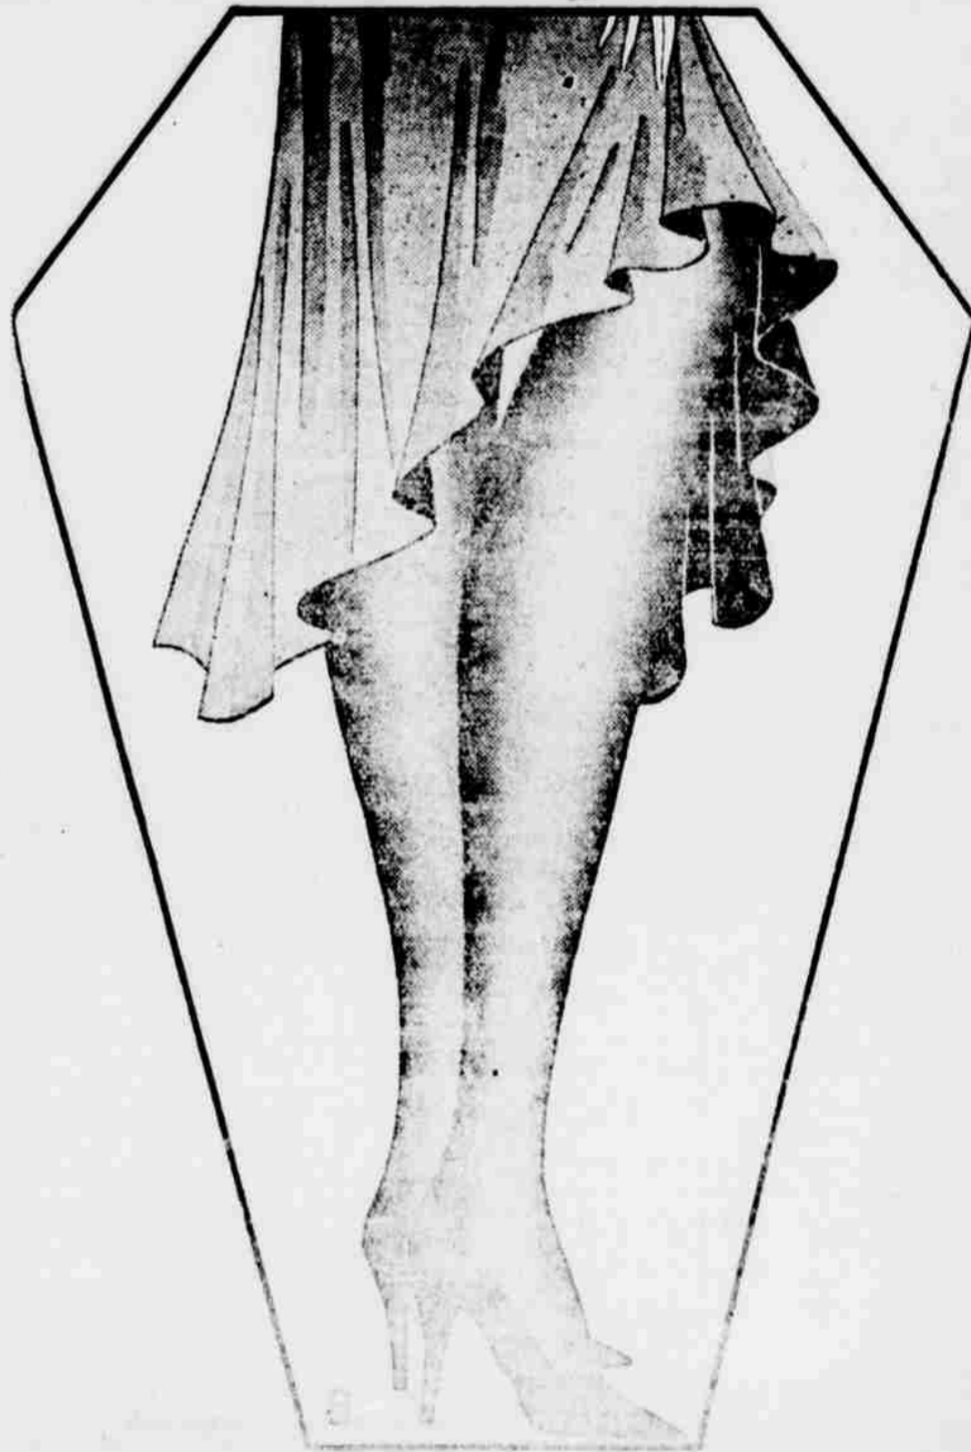

The airplane will not become a common carrier until they find some way so that the passenger can get out safely in case of a breakdown.

## INTERESTING NEWS FROM SAGERTON

Mrs. Bruce Gibson who has been ill with pneumonia is improving rapidly. We are glad that Mrs. Gibson is doing so nicely.

Mr. and Mrs. J. R. Laughlin and daughter, Ladaime, visited in Iowa Park, March 1.

Mrs. G. E. Russell, Jr. received word last week that her mother, Mrs. Walter Flowers of Post Arthur was very ill. Mrs. Russell left Friday afternoon for her mother's bedside.

Mr. and Mrs. Plev Smith and son Joe Walton, visited their parents, Mr. and Mrs. Joe Smith, the past weekend.

Miss Mattie Shannon, who has been ill for some time, is doing nicely now. Miss Shannon is a good church worker and we will be glad when she will be able to come back to church and Sunday school. The Sunshine Band Class of M. E. Church visited Miss Shannon and her mother last Monday evening in their home. Songs were sung and prayers given.

A good number from here attended the singing which was given at Old Glory the first Sunday in March. All reported a good time and a good singing.

The friends here of Mrs. Henry Flowers of Old Glory, are very sorry to hear of her illness. We hope she will recover quickly.

The daughter of Roy and Mrs. Kings reported have the scarlet fever last Saturday. They are now quarantined. The little girl was in school the previous day not feeling well. We hope that the fever is not serious and also that it will not spread to other children going to school.

The Young Peoples Class taught by Mr. McMillan is organized now and is working to get new members. We have a business meeting every month and all the young people in this community who are not going to any Sunday school are invited to come and join our class.

The ladies of the M. E. Church entertained in honor of their pastor, Rev. Walton and family of Stamford on Wednesday night. This was so near the time of St. Patrick's Day that the color scheme of green was used to decorate the room. A nice program was rendered by the ladies of the church and after this the pastor was given a long piece of twine ball which was unwound through the room. He was required to roll the twine up in his hand and to follow it. At the end of this, to his surprise, he found a large box containing home care given to him by the people in the community, who were present at the entertainment. Rev. and Mrs. Walton expressed their thanks joyfully.

The Methodist meeting will start next Sunday, March 16. The services will start next Sunday, March 16. The services will be conducted by Rev. Walton at the pastor here and Rev. Thompson, pastor at Hark. Every one is invited and urged to come and help in the service.

Members of the M. E. Church and Christian Endeavor visited Mrs. Shannon and her mother, Mrs. Shannon, on an afternoon.

John and Joe Hart of the three spent last week end with their grandparents, Mr. and Mrs. W. H. Hart.

A good sized group are going to the M. E. Church, Sunday afternoon. Several groups are going to the M. E. Church, Sunday afternoon. Several groups are going to the M. E. Church, Sunday afternoon.

## COULD NOT REST AT ALL AT NIGHT

"My Husband Feels Better Than He Has in a Long Time, Since Taking Orgatone," Says Groceryman's Wife.

"My daughter advised my husband to take Orgatone, and it has certainly helped him, and has proven a great benefit," said Mrs. S. D. Ford, of 1007 Ninth Street, Wichita Falls, Texas. Mrs. Ford's husband is the owner and manager of a grocery store.

"He suffered from stomach and gall bladder trouble," she continued and always complained that he had severe pains in his side. He had very bilious and dizzy spells and suffered something terrible. He has been ill, off and on, for 20 years, and has taken a lot of medicine, but never has gotten anything that would give him permanent relief. He never got any sleep at night, and had a very bad case of constipation.

"The doctors advised my husband had a rupture, but he isn't bothered any more. He is entirely relieved, and can rest well every night, and his appetite is increasing. All of the pains have left him, and he doesn't have those bilious, dizzy or nervous spells any more. His constipation has been relieved and in fact he is better in every way. I am glad to give this statement for my husband in regard to Orgatone."

**Excelsior "NON-SKID" ELASTIC TRUSS SPOT PAD**  
Holds securely and comfortably requiring only ONE-HALF the pressure of all other styles.

The Spot fits at internal angle, putting pressure where it is needed.

## NERVOUS LADY NEARLY DRIVES HUSBAND AWAY

"I was very nervous and so cross with my husband I nearly drove him away. Vinol has changed this and we are happy again"—Mrs. V. Duesa.

Doctors have long known the value of mineral elements—iron, calcium with cod liver peptone, as contained in Vinol. Nervous easily tired people are surprised how Vinol gives new strength, sound sleep and a BIG appetite. Gives you more PEP to enjoy life! Vinol tastes delicious. Martin's Drug Store.

## Notice of Sale of Real Estate Under Order of Sale

The State of Texas, County of Haskell.

By virtue of an order of sale issued out of the District Court of Haskell County, Texas, on a judgment rendered in said court on the 11th day of January, A. D. 1930, in favor of E. Cornelise and against N. E. Marr, Allen Marr, Chas. Barton and wife, Jessie Barton, in the case of E. Cornelise against the said N. E. Marr, Allen Marr, Chas. Barton and wife, Jessie Barton, No. 4045 in such court, I did on the 25th day of February, A. D. 1930, at 1:00 o'clock P. M. levy upon the following described tract of land situated in Haskell County, Texas, as the property of the said N. E. Marr, Allen Marr, Chas. Barton and wife, Jessie Barton.

to-wit: The North Half (N. 1/2) of Lots One (1) and Two (2) in Block Twenty Seven (27) of the original town of Weimert, in Haskell County, Texas.

D. 1930, being the First Tuesday of said month, between the hours of ten o'clock a. m. and four o'clock p. m. on said day, at the courthouse door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said N. E. Marr, Allen Marr, Chas. Barton and wife, Jessie Barton, in and to said property.

Dated at Haskell, Texas, 25th day of February, A. D. 1930. W. T. Sarris, Sheriff, Haskell County, Texas.

# Everything about it is STUNNING

--only the price is ordinary

### See the Stylish New Goodyear HEAVY DUTY Balloon before you buy your next tire

IT'S the most STUNNING-LOOKING tire you have ever seen on a car—this smartly styled new Goodyear Heavy Duty. A front view reveals its wider, handsomer All-Weather Tread in deep relief—due to extra-thick rubber—for extra miles of surefooted travel.

From the side, the outer row of All-Weather blocks prisms down into a sleek black sidewall striped with silver captures admiration. It's a stunning new style effect which also means more grip in ruts, more curb

protection. A shiek for looks—this tire—ONE TOUGH HOMBRE! Goodyear's latest scoop. Bigger, plumper, stouter in body—it's for slog through and battering over bad roads as well as dress parade.

And the best news is the price—low as that of an ordinary heavy duty! A value only the world's largest tire maker can offer. You miss something big if you don't try this stunning new Goodyear before you again buy tires.

If the purse be lean—here's a fat bargain—

**New Style Pathfinder**

Better-looking, better-wearing, better-gripping than many high-priced tires. Full Oversize tires—fresh stock. Carefully mounted—lifetime guaranteed—and backed by our year-round service.

# WOMEN'S CLUB

Lawson, beautiful daughter of Mr. and Mrs. J. W. Holloman, formerly of Haskell, was the bride of Mr. and Mrs. J. W. Holloman. The ceremony was held at the court house at Haskell, Texas, with the Rev. J. C. Parks officiating. The bride was most charmingly dressed in a gown of pink and white, with a crown of flowers. The groom was dressed in a dark suit. The wedding was a most charming affair. The bride and groom were accompanied by Miss Gladys Lawson, the bride's sister, and Mr. Weston Morton. The bride and groom will make their home at Haskell, Texas, where Mr. Holloman will continue his position with the Cochran Commission. A turkey dinner was served at the home of Mrs. Lawson on Sunday afternoon in honor of the couple. The time was also enjoyed by the guests. The wedding was held on February 22 at 2 o'clock in the afternoon by the bride's sister in honor of the couple. Friends and relatives were present, each contributing to the success of the occasion.

**Lou Rogers Over-Night Party of C. I. A.**  
A very enjoyable time was had on Tuesday, March 11th at the First Baptist Church when a luncheon was served to about sixty guests. The occasion was that of the birthday of Mrs. H. R. Whatley. Friends had pieced three friendship quilts and they were quilted at this time. The long table was beautifully laid with a large birthday cake as center piece with bowls of sweet peas at each end. Place cards were the Irish Shamrock, and bore the given name of the guests. This affair was sponsored by the T. E. L. Class of the teacher, Mrs. B. M. Whiteaker made a talk on friendship and presented the quilts to Mrs. Whatley.

**Home Demonstration**  
A regular session in the Home Demonstration was held on Wednesday, March 5, at the school house. The session was held in the afternoon. The following ladies were present: Mrs. W. H. Overton, Mrs. R. A. Overton, Mrs. R. R. Overton, Mrs. H. Ivey, E. C. Watson, Mrs. Griswell, V. G. Middleberry, H. C. Adams, Mrs. J. D. Anderson, Mrs. H. Darnell. The session was held in the afternoon. The following ladies were present: Mrs. W. H. Overton, Mrs. R. A. Overton, Mrs. R. R. Overton, Mrs. H. Ivey, E. C. Watson, Mrs. Griswell, V. G. Middleberry, H. C. Adams, Mrs. J. D. Anderson, Mrs. H. Darnell.

**W. M. S. met each week to observe the program for Home Missions.** The book, "Look Upon the Faithful," was read by the following: Mrs. I. N. Simmons, Mrs. J. W. Whatley, Mrs. J. W. Gilstrap. These were very spiritual and interesting. The program was held on Friday afternoon at the school house. The Sunbeams, R. A. S. each organization bringing to Home Missions.

**P. T. A.**  
Ward P. T. A. met in regular meeting Thursday, March 13, 1930. 30 members present. The program, one of the year, was directed by Mrs. J. W. Gilstrap. Subject, "Nation's Day: America." The program was held at the school house. The following ladies were present: Mrs. J. W. Gilstrap, Mrs. J. W. Whatley, Mrs. J. W. Gilstrap. These were very spiritual and interesting. The program was held on Friday afternoon at the school house. The Sunbeams, R. A. S. each organization bringing to Home Missions.

Elmer Smith and son William of San Angelo, Mrs. Hugh Cliff of McAuley and Miss Edna Hodge of Vernon.**

## Cecil Lancaster Circle.

The Cecil Lancaster Circle met Monday afternoon in the home of Mrs. Jim Fouts. The devotional was led by Mrs. Burton reading the 6th chapter of Ephesians. Rev. J. C. Parks then taught the 12th and 13th chapters of Revelations. The next circle meeting will be the first Monday in April in the home of Mrs.

**Osborn.** Members present Monday were: Mesdames, Jim Fouts, R. J. Paxton, Sam Roberts, H. A. Oliver, W. H. Crawford, Rebecca Osborne, M. McCarty, J. C. Parks, Frank Kennedy, W. D. Rogers, R. L. Burton, Leon Gilliam, Floyd Self, Mary Oates and the Rev. J. C. Parks.

## Midway Club Meets With Mrs. Date Anderson.

The Midway Home Demonstration Club met in the home of Mrs. Date Anderson on March 11th, with 12 members and 2 guests present. Roll call was a quotation about health. We had a very interesting lesson on health led by Mrs. Smith. Round table discussion was, whether we help the 4H Club and the Home Economics Class buy a pressure cooker or not, which motion carried. During the social hour Mrs. Anderson served hot chocolate and cookies. We meet with Mrs. Clyde Britte on March 18. All ladies of the community are requested to be present.

## Carried to the Sanitarium

Miss Juanita Howeth the only daughter of Mr. and Mrs. J. W. Howeth living southwest of Haskell was carried to the Stamford Sanitarium Monday where she will receive treatments. Her many friends wish her a speedy recovery.

## NOTICE TEACHERS

As the league rules require team composition on the basis of enrollment for 5th and 6th grades on Feb. 1, 1930 in "The Picture Memory Contest." I am asking all teachers who have teams in this event to furnish me with an enrollment list, otherwise contestants who do not have the required number of their team will not be counted in grading. Please do not over look this important item.

**Mrs. Iva Williamson Director Picture Memory.**

And another thing, you can't walk back from a joyride in an airplane.

## "THE VIRGINIAN" TO BE SHOWN AT THE TEXAS THEATRE, MARCH 17-18

The Story Gary Cooper, the Virginian, is foreman of the Box H ranch, near Medicine Bow, Wyoming, in 1880.

Gary meets Richard Arlen, an old buddy, and gives him a job. They both meet Mary Brian, new school teacher for the community, just arrived from Vermont.

In a saloon Gary meets Walter Huston. They quarrel over a dancing girl. Huston starts to hurl an epithet at Gary, but he is forced to back down when Gary says, "If you wanna call me that—SMILE."

Richard and Gary attend a christening party where they dance with Mary. They put the party in an uproar when they "swap" the clothes on the dozen sleeping babies, bringing down the wrath of the mothers by their prank. Richard is suspected as the guilty joker, and as a consequence Gary gets the "going home" date with Mary after the party.

The friendship of Gary and Mary grows and finally he tells her he loves her. She admits her love but says she is not ready to marry him. Later Gary finds Richard putting Huston's brand on a Box H calf. He warns his buddy that this alliance with Huston will mean trouble. Richard says that trouble doesn't bother him.

When the ranchers form a posse to capture the rustlers they seize Richard and two other henchmen of Huston, the leader, who escapes. Gary is forced to superintend the hanging of Richard and the two rustlers. He sees Huston as the cause of the trouble and swears to get him.

When Mary learns that Gary participated in a hanging ceremony, she spurns him. Later though, when he is seriously wounded by Huston from ambush, she nurses him back to health. They plan to marry. On the day of the wedding Huston comes to town and orders Gary to leave by sundown. Gary tells Mary that he will be obliged to shoot it out with Huston. She says that if he does so, their proposed wedding will be stopped. Nevertheless Gary pushes her aside, goes out, meets Huston and kills him in a duel. In her joy that her lover is the survivor of the duel, Mary rushes to Gary's arms and forgives him.

wedding will be stopped. Nevertheless Gary pushes her aside, goes out, meets Huston and kills him in a duel. In her joy that her lover is the survivor of the duel, Mary rushes to Gary's arms and forgives him.

# WHY Risk Loss By FIRE

It's so needless to take a chance when safety may be purchased at a few cents a day. Yearly, experience proves the value of Fire Insurance. The wails and moans of the uninsured contrast vividly with the satisfaction of those compensated for their losses.

# ONE THIMBLEFUL - A DAY'S FEED FOR ONE CHICK!

**THINK OF IT!** One tiny thimbleful... all the feed a chick can put in its little crop in one day. On this tiny bit it must live... grow... build bones... build muscles... start feathers. Think of the job feed has to do! They must depend on feed for so many things! They get them all in Purina Chick Startena (mash) or Purina All-Mash Startena Chow... 12 different ingredients in every thimbleful. Cod-liver oil... dried buttermilk... alfalfa flour... granulated meat... these and eight others are there! These 12 ingredients... think how carefully they must be mixed to make every thimbleful alike. Purina Startena and All-Mash Startena Chow are mixed over and over again... 960 times just to be thorough! You will find the same care taken with Baby Chick Chow (scratch)... to be fed with Startena until your chicks are six weeks old... and with Purina Growena (mash) and Purina Intermediate Hen Chow (scratch)... to be fed from then on until the pullets are laying at 16 weeks. How little feed a chick eats... just one thimbleful... yet how important it is... how much depends on the chick's very life... its growth... what it will do for you next fall and winter when eggs are to be worth good money. You can afford to feed only the best... Purina Poultry Chows.

## Clyde Grissom For Re-Election As District Attorney

We are authorized this week to place the name of Clyde Grissom in our announcement column as a candidate for re-election as District Attorney of the 39th Judicial District, subject to the action of the Democratic Primary in July.

Mr. Grissom needs no introduction to the voters of the District, as he is probably acquainted with a majority of them in person. His record as an able and fearless prosecutor is also well known, not only in his own district, but throughout this entire section, and his efficient and courageous work in conducting the duties of his office is a credit to the 39th District.

We take pleasure in presenting the following statement from Mr. Grissom in connection with his announcement:

"To the Citizens of Haskell, Stonehall, Kent and Throckmorton Counties: I hereby respectfully announce that I shall be a candidate for the position of District Attorney of the 39th Judicial District of Texas, composed of said four counties at the Democratic primary, July 26, 1936. In asking the people of the district to elect me to this office for the second time, I desire to refer to the court records of the district which can be seen by any person. The records show an unusually large number of cases successfully disposed of; they show that during the time I have served as your District Attorney that the jurors of the District have returned only 4 verdicts of 'not guilty.' (two of these in cases that were old and worn out when I became your District Attorney) the smallest number of acquittals in the same length of time that has occurred in the District within the last 20 years.

"I do not claim exclusive credit for this record, but I do say, that I have worked constantly to obtain the evidence and present the facts in all criminal cases to the jurors of the district and they have not hesitated to perform their sworn duty. In my humble judgment this action on the part of the citizens and jurors of this district is making it, surely perhaps, but surely a more desirable place in which to live, rear and educate your children. It is making life safer and property rights more secure.

"It is impossible for any person to properly attend to the duties of the District Attorney's office and spend much time electioneering. I shall first attend to the duties of the office and I shall appreciate your support whether I am able to see you and personally solicit it or not.

"I am truly grateful for the friendship and support that you have given me and I hope that I may deserve and obtain its continuance.

Sincerely,  
Clyde Grissom."

## BONEHEAD CLUB ORGANIZED HERE LAST TUESDAY

At an enthusiastic banquet held in the Elks Club Tuesday at noon, the organization of a young mens service club for Haskell was perfected, with twenty-three charter members representing as many business firms of the city.

Officers and a board of directors were elected, and a tentative constitution and by-laws for the new organization adopted. The entire month was spent in discussing the aims of the organization, and projects for the club's activities will be outlined at the next regular meeting to be held Tuesday of next week.

The slogan or motto of the club adopted is "Serving Together," and the organization is strictly local in nature, having for its purpose the fostering and development of projects for the betterment of our own city.

The temporary name adopted for the organization was "The Bonehead Club"—and from the auspicious start made Tuesday, charter members expect the club to become a real factor in the upbuilding of this city and section.

Officers elected Tuesday were: President—E. Gaston Foote.

Vice President—Harry Bettis. Secretary—John Rike.

Directors—Hill Oates, Sam A. Roberts, John Tubbs and Dennis Ratliff.

The name of Mike B. Watson will be found in our announcement column this week as a candidate for re-election as Tax Assessor of Haskell county, subject to the action of the Democratic Primary in July.

As is well known, Mr. Watson is our present Assessor, and a good one, too. He is well acquainted with the duties of the office, and in fact is probably the best posted man in the county on taxable values, and his experience in the office during the past few years qualifies him in every measure as a competent and efficient officer.

Should he be favored with re-election to this important office, Mr. Watson states that he will remain as active and diligent in discharging the duties of the office as he has in the past, endeavoring to give the same courteous and efficient service at all times. He submits his candidacy on his record in the past and will appreciate the support and influence of the voters on this basis.

In this connection Mr. Watson states that he will endeavor to see as many voters of the county as possible before the primary is held, and discuss his candidacy with them in person. In the meantime, we take pleasure in bespeaking for him the earnest consideration of every voter in the county for the important office to which he aspires.

At the last meeting of the Lions Club it was pointed out that a number of men and women in Haskell and Haskell County had had the misfortune never to have learned to read and write and the club appointed a committee to investigate and learn the names of such people, get an approved course that is obtainable where the course may be learned in a very short time and open a school, possibly at night and assist these people.

## Miss Minnie Ellis For Re-Election As Co. Superintendent

We are authorized this week to place the name of Miss Minnie Ellis in our announcement column as a candidate for re-election as County Superintendent of Public Instruction, subject to the action of the democratic primary in July.

The office of County Superintendent is one of the most important offices of the county—in fact, when the manifold duties of this position are considered, the office would probably rank as the most important of all. Considering the importance of the office, and the record of the present incumbent, citizens of Haskell county should take great pride in the achievement and advancement of our county schools during her administration. Through her ability as an educator, and her hearty co-operation she has maintained between her office and the trustees of the various schools, she has been able to place Haskell county's schools on a very high plane, one which we believe will compare favorably with any in the state. Her experience during the past has fully acquainted her with the problems of the various schools of the county, and in this manner adds to her qualifications for the future handling of the affairs of the County Superintendent's office.

In submitting her candidacy, Miss Ellis states that she wishes to thank the voters for the splendid support given her in the past and to assure them of her appreciation for any consideration given her candidacy during the coming campaign.

She will probably see as many of the voters of the county before the primary is held as the duties of her office will permit, and we bespeak for her the earnest consideration of every voter in the coming primary.

## Funeral Services of Mrs. Beckham Held Friday

The many friends of Mrs. Safronia Beckham, will be grieved to learn of her death on Thursday evening, at the home of her brother, J. P. Beckham of the Foster community. Funeral services were held Friday evening by Rev. C. Jones of this city and the body laid to rest in Willow Cemetery.

Aunt Safronia, as she was lovingly called by her friends, was born April 7, 1851. At an early age she gave her life to Christ and united with the Baptist Church. She was married to J. W. Beckham in the year of 1880. Since his death some thirty years ago, she has made her home with her brother, where she was at the time of her death. This Christian Woman is survived by one sister, Mrs. L. A. Bolles of this city and three brothers, J. P. Beckham of Rule; George Beckham of Waterloo, Alabama and Wil. Beckham of Muskogee, Oklahoma.

## LYNN PAGE CHOSEN MEMBER OF CITY SCHOOL BOARD

At the last meeting of the Board of trustees of the Haskell Independent School District, Lynn Pace was selected as a member of the Board to fill the unexpired term of W. E. Kirkpatrick, who recently moved from Haskell to Dimmitt, Texas.

The Board is composed of seven members, as follows: R. C. Couch, President; Courtney Hunt, T. J. Arbuckle, E. I. Christian, Chas. M. Conner, Lynn Pace, and T. C. Rogers, secretary.

## NORTH AND SOUTH WARD HAVE FIRE DRILL TUESDAY

Fire drills were observed at both the South Ward and North Ward schools Tuesday afternoon, and excellent time was reported in vacating the buildings by teachers and pupils. At the South Ward, all pupils and their teachers were out of the building within 30 seconds after the alarm on the large truck from the fire department was sounded at the North Ward the elapsed time was 40 seconds. These drills are practiced regularly by the schools in co-operation with the Fire Department. About ten men from the fire department took part in Tuesday's practice.

## INTERSCHOLASTIC LEAGUE MEET HERE MARCH 21 AND 22

Practically Every School in County to Be Represented in Various Events.

## Miss Jewel Paxton Makes Honor Roll at C. I. A. Denton

Miss Jewel Paxton, Haskell, is one of the 43 senior students of the Texas State College for Women (C. I. A.) to make the honor roll for the first semester. This group includes all students who made grades of A's or B's.

Dallas ranks first with ten students, Denton second with nine and Fort Worth third with five. The 101 receiving this ranking represent only 6 per cent of the student body. Forty-three seniors, 21 juniors, 26 sophomores, 6 freshmen and the remainder irregular students, make up the total. Personal letters of congratulation were sent each honor student by E. V. White, dean of the college.

Miss Paxton, daughter of Mr. and Mrs. R. J. Paxton, is a Latin and Spanish major. She is secretary-treasurer of the Spanish club and a member of Alpha, a social organization. She is student assistant in the Spanish department. Miss Paxton will receive her bachelor of arts degree from the college June 2.

## BAPTIST YOUNG PEOPLE TO MEET HERE SUNDAY

The young people of the Haskell Baptist Association will meet with the local Baptist Church Sunday at 1 p. m., with the program for the day in charge of the Haskell group. There will be large groups from Monday, Rule, Knox City, Rochester and many other churches in the association, and one of the most interesting meetings of the year is being planned.

## Dramatized Sermon at Christian Church Sunday Evening

Next Sunday evening at the First Christian Church, there will be presented a dramatized sermon, "For Thirty Pieces of Silver." The cast of the drama will be composed of the young people of the Church. The setting and costumes will be of the Biblical times. If you enjoy a good drama, and one that preaches a sermon within itself, you will miss something, if you do not attend this service. The public in general is cordially invited. So many favorable comments were heard of the recent presentation of "A Captain's Confession," the educational council of the Church takes pleasure in presenting this dramatization of the betrayal of the Savior.

## DAIRY AND POULTRY SCHOOL UNDER WAY AT POST SCHOOL

A growing attendance is reported at the dairy and poultry school being conducted by County Agent Williams and Principal Elmer Watson at the Post School Tuesday evening of each week. Sixty-five farmers were in attendance at this week's meeting, according to Mr. Watson, and much interest and enthusiasm is being manifested by farmers of that section.

The school is conducted each Tuesday night, and farmers who are interested are invited to attend. Next week we shall give a more detailed account of the school and its progress.

The County Meet and School Exhibit which will be held in Haskell March 21 and 22 promises to be a success in every way. Teachers are working faithfully training pupils for the different events, and the directors and committees are getting things in readiness to take care of all contests. It is encouraging to know that most of the schools in the county will be represented in some way, and a large majority of the pupils will be in attendance.

No. 22, Rule	367
Total	3676

## CLUB WOMEN HOLD POULTRY MEETING LAST SATURDAY

Following a regular meeting of the county council of women clubs held at the court house on March 1, fifteen women visited the flock of chickens owned by R. H. Davis of Haskell. Many interesting and helpful points were given to the women by Mr. Davis as to the reasons for the success of his poultry raising. This was the first Women's poultry house to be visited by many of the club women of the county. Mr. Davis has helped to show in Haskell county how poultry raising can be made profitable.

## Large Number of Farmers Attend Tractor School

A large number of farmers, together with the agricultural class of Haskell High School, attended the John Deere Tractor School held at the Texas Theatre last Friday afternoon. The school was sponsored by McNeill & Smith, local dealers for the John Deere tractors, and two representatives of the Company were present and explained the features of power farming in connection with several reels of motion picture films which were shown during the afternoon.

## CENSUS OF HASKELL BUSINESS HOUSES TO BE TAKEN SOON

A census of manufactures and distribution, taking in all retail and wholesale establishments, will be started next week by Mrs. J. L. Southern, enumerator for the east half of Haskell county.

Information required in the census will be strictly confidential, and will deal with the following facts:

Description of establishment; class of business, description of business; proprietors, firm members, and members of co-operative associations; number of paid employees; rent paid; stocks on hand for sale; sales of merchandise and receipts from operations; repair and service operations; farm products bought.

Blank forms for the census have been received by Mrs. Southern, and the work in her district will be completed as soon as possible.

## PETIT JURORS SUMMONED FOR COUNTY COURT

The following persons have been summoned as Petit Jurors to serve during the third week of the March term of County Court and are instructed to appear at the court on the 17th day of March at 10 o'clock a. m.

J. R. Edwards, Rule; W. E. Bunkley, Stamford; T. E. Davis, Rule; J. W. Massie, Haskell; J. O. Jackson, Rule; W. J. Kendrick, Haskell; J. W. Henshaw, Haskell; G. C. Hudson, Rochester; R. D. Lackey, Haskell; Ab Hutchens, Rochester; W. L. Arrington, Rule; M. L. Ivey, Rochester; J. H. Bland, Haskell; E. C. Laughlin, Sagerton; A. B. Arnett, Rule; J. V. Josselt, Weinert; J. T. Threrwanger, Weinert; J. A. Frazier, Haskell.

W. T. Morgan, Haskell; W. H. Doss, Rule; Jno. A. Couch, Haskell; Jno. A. Lee, Rule; J. T. Ellis, Haskell; R. L. Foote, Haskell; J. W. Howeth, Haskell; Paul Gibson, Rule; G. M. Sims, Sagerton; J. E. Cloud, Rule.

## HASKELL BANDS TO START SUMMER CONCERTS SOON

Band Master Meacham announces that there will be two bands serving Haskell this summer. The Haskell Municipal Band will play its regular weekly concert and the Haskell High School Band made up of 24 High School students will also furnish musical entertainment during the summer. The first concert of the season will be given by the High School Band on the lawn and hour of which will be announced in next week's issue of the Free Press.

## CAR STOLEN FROM RULE BANKER FOUND IN OKLAHOMA CITY

A 1928 Buick coupe which was stolen from A. A. Bradford, Rule banker, two weeks ago, was located at Oklahoma City Tuesday of this week, according to information received by the Sheriff's office here. A man giving his name as Van Callaway was arrested by Oklahoma City officers in connection with the recovery of the stolen car.

Sheriff Sarrels notified Sweetwater officers concerning the arrest of Callaway, and officers from that city together with Mr. Bradford, will probably go to Oklahoma City this week to return the car. Callaway will be returned to Sweetwater, as the car was stolen while Mr. Bradford was visiting in that city.

## WEST SIDE SINGERS WILL MEET SUNDAY AT SMITH'S CHAPEL

The West Side Singing Convention will meet at Smith's Chapel next Sunday March 16th. A good program has been arranged, and all singers and lovers of good singing are cordially invited to attend. Some of the best singers in this section will be present, and an excellent day is expected.

## LIONS CLUB TO DO EDUCATIONAL WORK FOR UNFORTUNATE

At the last meeting of the Lions Club it was pointed out that a number of men and women in Haskell and Haskell County had had the misfortune never to have learned to read and write and the club appointed a committee to investigate and learn the names of such people, get an approved course that is obtainable where the course may be learned in a very short time and open a school, possibly at night and assist these people.

At the Thursday luncheon three new members were added to the Haskell Lions Club. Mr. Robert J. Kennedy, who is assisting Rev. Foote in the meeting at the Methodist Church sang two numbers and Mr. Roland Leath, pianist, rendered two numbers. Both song and piano numbers were enthusiastically received.

Guests of the Club at luncheon were: Curran Hunt, Rochester; Henry Smith, Throckmorton; Mr. Raley, Haskell; Mr. Levy, Dallas.

Henry Smith of Throckmorton was a business visitor in Haskell Tuesday.

Curran Hunt of Rochester was a business visitor in Haskell Tuesday.
