

Missionary To Speak At Nazarene Church

MISS GERALDINE CHAPPELL

The Church of the Nazarene at McKinley & Lee extends to the public and friends an invitation to come and hear Miss Chappell Sunday, March 5th. Rev. A. G. McClung is pastor of the Church.

Miss Geraldine Chappell, returned Nazarene nurse and missionary to India, is on furlough in the United States, doing deputation work among churches of the denomination.

She has been stationed at Pusad, Bombay State, assisting doctors in clinics and supervising a dispensary.

In her missionary messages, she will tell about the country and its people, and describe the missionary program of the church in India.

Miss Chappell was born in Decatur, Ill., and attended the Illinois State Normal College, at Normal, Ill. She secured a bachelor's degree from Olivet Nazarene College, Kansas, Mo., and then earned a degree in nursing at the Samaritan Hospital in Nampa, Idaho.

She also holds a bachelor of science degree from Northwest Nazarene College, Nampa.

Miss Chappell started first for the mission field in November 1941, but was captured by the Japanese and held at the Santa Thomas prison until May 1945. She went to India in 1946, and was on a furlough in the states from 1952 to 1954.

VFW Post Holds Regular Meeting

Regular meeting of Fisher County Post No. 5072 Veterans of Foreign Wars was held in the Post Home Thursday night, February 23.

Routine business was handled. Visitors from Sweetwater Post No. 2479 were present on regular visitation night. They included Juno Brooks, present District Commander. Plans were discussed for the regular visit by Post 5072 members and the Auxiliary to Veterans Hospital at Big Spring on March 28. One needy family had been helped and this was brought out in the Post meeting.

Next regular meeting will be nominating time for the upcoming year's slate of officers.

Proclamation—

Greetings: For each of the past 11 years, Public Schools Week in Texas has been set aside as a special time to place increased emphasis on our educational system.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

Therefore, I, as Governor of Texas, do hereby designate the period March 6-March 10, 1961, as PUBLIC SCHOOLS WEEK IN TEXAS

In official recognition whereof, I hereby affix my signature this 6th day of January, 1961.

Price Daniel, Governor of Texas

Missionary To Speak On Hawaii at Hillcrest

The women of Hillcrest WMS invites the public to hear Brother Mervin Leech speak Wednesday March 8 at 7:30 p. m. Bro. Leech is a former pastor of North Roby Baptist Church. After leaving that post he went to Hawaii as a summer missionary. He will speak on Hawaii and also show interesting pictures of the country.

Mr. and Mrs. Fikes and children of Snyder visited Mr. and Mrs. Edwin McCombs and children Sunday.

Six Directors For C of C To Be Elected

Directors of the Chamber of Commerce met Tuesday morning at Gann's Cafe in business session. This was the first meeting in several months.

The group voted to defray expenses for the banquet of regional PTA meeting here in March. A large number of delegates are expected to attend this affair, and this is the first time for Rotan to host such an occasion.

The Chamber also decided to do considerable work at the labor camp to put it in good condition for transient labor during the fall months. They have handled this project for several years.

Six directors are to be elected this month, and the group present nominated 12 names to be submitted for election. Ballot cards will be in the mail the last of the week.

An active year's work is expected to develop after directors are named.

Visit Your School During March 6-10

Citizens are urged to visit Rotan Schools next week, March 6-11, during Texas Public School Week.

The need for the public school never changes, but time and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth in the result of change.

Our Texas public schools were created 107 years ago. In 1854 the first law was passed establishing the public school.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match my mountains". That is the need of our times and must come from the public schools—schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public School Week, March 6 thru 10. Schools will hold open houses; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day.

Brucellosis Tests Being Made For County

Testing of cattle in Fisher county for brucellosis is in progress. This program was accompanied by county line road blocks set up to prevent illegal entry of livestock, according to officials.

A brucellosis laboratory was set up in Roby at the fairground with Dr. W. L. Terver and Dr. S. M. Halley coordinating testing. The county was divided in eight areas.

Officials advise that the testing had gone smooth with splendid cooperation from cattlemen and line-up workers.

Savings Bond Sales Open 1061 Nicely

At close of business January 31, 15.9 percent of the total 1961 sales goal for Fisher County was achieved according to announcement made by Lance Davis Chairman of the Fisher County Savings Bonds Committee.

"Statewide, the percentage of goal achieved is 9.5, which is normal for the month of January," said Mr. Pearl Godfrey area Chairman.

Area Mgr. Mr. H. A. Ziegler further stated, "Response both in attendance and in enthusiasm at state organizational promotion meetings is such that we confidently expect to exceed our State goal by the end of 1961."

Mrs. George Holley of Minneapolis, Minn., recently visited her daughter, Mrs. Ernest Wayne Taggart and Mr. Taggart and assisted them for their new baby son, Kevin.

No Names Filed For Council-2 For Mayor

With deadline of filing for place on the ballot nearing, no names had been filed for City Councilman late Wednesday.

Juston Morrow, incumbent Mayor has filed for re-election. Lon Adams had previously filed, also. He resigned his Councilman post making the race for Mayor. This leaves four Councilman places to be filled. Saturday is deadline for filing.

Service Held For Miss Mason Sunday

Funeral for Miss Gertrude Mason, 76, who died at her home last Friday at 2 p. m., following an extended illness was held at 2:30 p. m. Sunday in Weathersbee Chapel.

She was born December 27, 1884 in Mills County, the daughter of the late Mr. and Mrs. W. J. Mason. The family moved from Irion county to McCaulley.

Rev. L. R. Stuckey, Hermleigh Baptist pastor officiated for the service with burial in McCaulley cemetery under direction of Weathersbee Funeral Home.

Miss Mason a member of McCaulley Chapter 362 of the Order of the Eastern Star moved to Rotan in 1954 from McCaulley.

Pallbearers were Frank Kemp, Fred Kemp, Charlie Bennett, Ernest Roberts, R. L. Miers, Ted Abbott, Ross Gruben, Vernon Harris, Pate May and Levi McCollum.

Survivors include two brothers, B. M. Mason of Houston and K. E. Mason of Dallas and one sister Miss Mildred Mason of Chicago.

Lions Club Expresses Their Appreciation

The Rotan Lions Club expressed their appreciation to the more than 300 persons who attended their Pancake Supper Friday evening. Those who purchased tickets but were unable to attend, also helped in a financial way.

They especially expressed appreciation to D. J. Smith & Co., Price Grocery, Foremost Dairies, Armour & Co., Pace Packing Co., Wright Packing Co., Morton & Co., Quaker Oats Co., and businessmen who purchased block tickets in support of the affair, Mrs. Murphree and the group for the wonderful music during the supper and Supt. McCasland for use of the cafeteria.

The Lions heard many expressions on the nice affair which will probably induce the Lions to continue the annual occasion.

Bill Simmons Back At Texaco Station

Bill Simmons is back at his former location at the Texaco Station. He assumed management Tuesday, after being out of the business for about 4 months.

See his announcement ad in this issue. He will be glad to serve you at his station.

Proclamation—

As Mayor of the City of Rotan, I join the Governor, State Board of Education and Rotan School Board and Faculty in proclaiming March 6-10 as Public School week in Rotan.

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in our nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers.

Therefore, I, as Mayor of the City of Rotan, Texas, do hereby designate March 6-10, 1961 as Public School in Rotan.

Given under my hand and seal this 23rd day of February, 1961.

Juston M. Morrow, Mayor, City of Rotan.

The twin sister of Mrs. Perry Eaton and her daughter and grandson visited in the Eaton home Sunday. They are Mrs. F. E. Aiken, Mrs. Laverne Alderman and son David of Abilene.

Houghton of El Paso; Mrs. G. D. Welch, Rotan; Mrs. W. A. Taylor of El Paso; Mrs. R. C. Alsobrook of Lorraine; 31 grandchildren over 50 great grandchildren and 20 great-great grandchildren.

Gladiola Contest Prize Is Dream Kitchen

A fully equipped all-electric dream kitchen, including the latest model Westinghouse range, freezer, washer-dryer, dishwasher and disposer, installed free and serviced for one year, is the grand prize in a recently announced Gladiola contest.

To enter, it is necessary only to choose a name for the 'Mystery Recipe' that can be found in any five-pound or larger package of Gladiola Flour.

In addition to the grand prize, 120 twenty-piece copertone aluminum cooking sets will be awarded as prizes in the contest.

There is no limit to the number of times contestants may enter the contest, but all entries must be post-marked before March 31, 1961.

Mrs. Ross Bures and John, Mrs. Bud Hughes and Randy and Clyde McKinney attended the boxing tournament in Snyder Monday night.

More Farm Housing Funds Made Available

An additional \$50 million has been made available to the Farmers Home Administration for farm housing loans, Mr. R. C. Land, the agency's county supervisor announced today.

He said that the new loan funds assure an adequate supply of this type of credit for eligible farm families during the balance of the fiscal year. Loans made so far this year plus those being processed had practically exhausted the funds previously available.

Farm housing loans are made throughout the rural areas of the United States. The loans provide farm families with an opportunity to acquire an adequate house and efficient service buildings.

Applications for farm housing loans may be made at the local office of the Farmers Home Administration, Mr. Land said. The loans bear 4 percent interest and are repayable over periods up to 33 years.

Hammit Makes Catch Houston Calf Scramble

Earl Dean Hammit, 15-year old son of Mr. and Mrs. L. L. Hammit caught his calf in the Calf Scramble at the Houston Livestock Show Saturday night.

He was awarded \$150 to purchase his registered calf, which is to be shown at next year's Houston Show. Hammit entered the Scramble last year, but failed to catch. He was accompanied by Ray Womack Ag instructor of Rotan High School.

**Yarborough Urges
Federal Aid For
Colleges - Universities**

A total of \$75,758,000 has been advanced in 75 federal loans to Texas colleges and universities over the past ten years to build college housing for many thousand more students. In addition, eleven more of the low interest rate college housing loans totaling \$12,973,000 have been approved.

This program has been vitally important in our effort to see that every capable Texan has an opportunity for higher education. But the program will have to be expanded if we are to have room in our colleges and universities for the flood of additional students over the next ten years.

Total college enrollment in Texas now exceeds 165,000 students and is predicted to climb beyond 280,000 by 1970. National college enrollment of 3.4-million students today is expected to climb to 6-million students by 1970.

Not only must our colleges greatly increase housing facilities, they will have to build many more classrooms, laboratories, libraries and otherwise enlarge all their facilities. In many cases, it is indicated that physical plants will be needed in Texas almost twice the size of our current college plants.

With this tremendous need for college facilities for young Texans facing us today, I'm strongly convinced that we must have governmental action at both the state and national levels to meet the need. It is my hope that the Governor and the State Legislature will move immediately to meet this need. I will cooperate with them for action at the national level.

As a member of the United States Senate Education Subcommittee, I am author of a bill providing for loans and grants to colleges and universities to build academic facilities, that is, class rooms, laboratories and other academic facilities as distinguished from dormitories for the students to live in. This bill I am sponsoring is in harmony with the recommendations made by President Kennedy's task force just a few weeks ago. Many educators believe it is a vital step toward fulfilling our American goal of higher education for every youth who benefit from higher education.

Two years ago, a survey of leading Texas business men and industrial firms showed that 65 per cent of their top management and research personnel were educated in out-of-state schools. I believe that most Texans will agree that there is no excuse for training our young people in Texas to be the hired hands while other states are training the bosses.

We must move this year to improve our higher educational facilities so that young Texans will have a major role, not the hired-hand assignment, in the building of a better Texas.

Ralph Yarborough,
U. S. Senator

**Rotan Girls Enjoy
HS-U Hous Party**

Girls from Rotan attending Hardin-Simmons University's Young Women's Auxiliary House Party in Abilene last weekend were Gayleta Little, Ruby Hammond, Judy Edwards, Sue Curry, Retta Head, Brenda Tennyson, Janey Henderson, Lu Dena Rains, Carolyn Shepherd, Eller Hariman, Janice Thompson, Peggy Barnes, Marie Denniston and their sponsors, Mrs. Frankie So Zelle and Mrs. Huron Polnac. They were joined there by approximately 1500 girls representing about 200 state Baptist Churches in Texas, for the event. Theme of this year's House Party which is engaged to acquaint Baptist girls with Mission work supported by their churches was "To Tell The World."

The meeting opened Friday evening when they met in the University Baptist Church for the first of the inspirational service that kept them occupied every minute through Sunday morning.

The girls attending from Rotan were honored in being recognized as one of the top YWA groups. Gayleta Little, president, appeared on a panel with three other girls and discussed "The Achievements of the Past Four Years." These four girls represented the four top Auxiliaries in the state.

Other members of the Rotan group presented two skits.

The girls and their sponsors were housed in Hardin-Simmons dormitories. Co-sponsors of the event were the Womans Missionary Union of the Baptist General Convention of Texas.

Mrs. Phil J. Malouf went to Dallas Friday to visit this week.

Report Given On Inauguration Trip

The Fisher County Sheriff Posse was honored by a special invitation from the Inaugural Parade Committee of Washington. The group was invited to ride in the parade and was the only riding group taking part from Texas.

O. R. Clark, president of the Posse, worked day and night making plans, final arrangements and details for the group to travel to Washington. He worked so hard he had to enter the hospital just a few days before departure of the group, making it impossible for Clark and his wife to make the trip.

Glenn Webb was appointed to serve as president for the group making the trip and Webb served in a great way and the group admired him very much.

A special charter TMN & O bus arrived from Lubbock, driven by a company bus driver, Bill Powers, also of Lubbock, Sunday morning, January 15, 1961. There were 38 Posse members and wives boarding the bus from Clark's Implement Co., in Rotan. The group was on the bus and ready to leave at 8:00 a. m. Bernice Hargrove, Posse Chaplain, led the group in prayer before departure.

A host of friends and relatives were on hand to see the group off. Mrs. O. R. Clark was present wishing everyone a good trip and saying good-bye to all.

The Posse horses were loaded onto two trucks. The trucks carried 23 horses and enough feed for the horses to last ten days. O. R. Clark's truck and Mark Tuberville's truck of Spur carried horse flesh. Three Posse men and Tuberville made the truck trip. Men on the trucks in addition to Tuberville were Finley Eaton, Elvis Elrod and Anson Martin. The horses found good stable accommodations during the entire trip.

The group had church services on the bus driving down the highway Sunday morning at 10:00 o'clock. J. A. Compton led the group in several songs and Ed Perkins taught the Sunday School lesson. J. P. Davis closed the service with a prayer.

Sack lunches had been packed by the ladies and at noon everyone spread lunch together and had an enjoyable time at Nacona, Texas. Traveling on to DeQueen, Ark, Hot Springs, Memphis and Nashville, Tenn. Part of the group made a tour of the Tennessee State Capitol in Nashville.

Traveling to Natural Bridge, Virginia, the group viewed the Natural Bridge and made lots of pictures and also saw some ice skaters. Group arrived in Quantico, Virginia at 6:00 p. m. January 18. Taking our quarters at the BOQ (Bachelor Officers Quarters) at the Quantico Marine Base. Ladies of the Posse group were the first civilian women ever to stray in the BOQ, there, everyone in Washington rolled out the red carpet for this Texas group, everywhere we travelled we received a royal welcome and were treated with friendship and kindness from everyone. The Officers gave the group a welcome party the first night, in the lounge. Hugh Huckaby joined the band with his French Harp and everyone enjoyed singing Texas songs.

Thursday morning, January 19, after having breakfast in the mess hall, the men and women boarded the bus for a sight seeing tour of Washington, D. C. Mrs. Chas. Alred (former June Keener of Rotan) and a friend of June's, Mrs. Thelma Nelson met the bus at the Marine Base and went with the group on a tour, guided by June and Thelma. The group had an invitation to a coffee given by Senator and Mrs. Ralph Yarborough in the old State building. The coffee was enjoyable and we met Kathryn Duff of the Abilene Reporter-News and Congressman Jim Wright of Ft. Worth, and of course many others.

The ladies had lunch in the Tea Room of Julius Garfinckel Department Store, the largest department store in Washington. While eating lunch the ladies saw a style show of formal evening gowns worn by high fashion models.

January 20, Friday, Parade Day, the group traveled by bus to Washington with a police escort. The Posse riders got their horses ready for parade and into parade position. The ladies went to the office of Congressman Omar Burleson for the tickets for Inauguration grounds and viewing section. Great effort and work on Mr. Burleson's personal time made the Inauguration tickets at all possible for the Texas group. The Posse appreciated this sacrifice and work very much. June Alred's personal touch with Mr. Burleson's office was very help-

Calvary Church Holding Youth Week Program

Calvary Baptist Church is holding Youth Week February 26 through March 5. The Fisher Association Youth Rally will be held there Sunday afternoon at 3 o'clock. Buddy Sipe of Hardin Simmons University will speak at the rally and also will speak in the Sunday morning service. Adger Smith of Calvary Baptist Church will officiate as Sunday School Superintendent and other youths of Calvary will participate in leadership of Wednesday night and Sunday services. All youth of the area are invited to attend.

Birthday dinner honoring Frank Aaron's 74th birthday was enjoyed at the Aaron home. Sunday Guests were Mr. and Mrs. Harold Parker and family of Andrews, Mr. and Mrs. Ted Asron and family of Abilene, Mr. and Mrs. Jesse Paulk and family of Buffalo Gap, Mr. and Mrs. Bill Aaron and family of Snyder, and Mr. and Mrs. Walter Hartsfield, Mr. and Mrs. Dean Jones and family. Mr. and Mrs. Chester Hartsfield and family, and Mrs. Mrs. Wayne Poer and family, all of Rotan.

Gerald Murff of Abilene and his cousin, Cecille Roach of Amarillo, both students at Texas Tech visited their grandparents, Mr. and Mrs. C. J. Roach Saturday and Sunday, and Gerald's parents and brother Mr. and Mrs. Roger Murff and Stanley of Abilene joined them here Sunday for a visit.

Mr. and Mrs. Pete Deel of Roby visited his sister, Mrs. Flora Blount Sunday afternoon.

Mrs. Fay Gooch and daughter Jan and Lu Anne spent Saturday and Sunday in the home of Mrs. Gooch's parents, Mr. and Mrs. Roy Lemon of Vernon.

The Marine Base mess hall had prepared sack lunches and after the Inauguration Ceremony the group ate lunch at the bus. The ladies made many, many pictures of the parade and felt especially proud of Texas and all its parade group. After the parade, the ladies were invited to Omar Burleson's office for coffee, Cokes and cookies, and a warm fire and a place to sit down. The group appreciated Mr. Enos Phillips, Burleson's secretary. Phillips was most gracious and very helpful to the group, the entire day. Mr. Burleson was a perfect host and made us all feel at home.

The weary group arrived at the Base Friday night after the Parade and was invited to a steak supper and party at the NCO Club on the Marine Base. The Texas group being honored guests at the supper and was most enjoyable to one and all. Each member of the Posse group felt so proud of Texas and proud to be from such a great state.

January 21, Saturday morning, the bus was loaded and drove to the stables to load the horses for the trip back to Fisher County and Texas. Bob Nash, native of Rotan, came to the stables to visit with the group. Everyone enjoyed his visit.

Traveling the same route home as was made going, the bus stopped at Nashville, Tenn., and visited "The Hermitage", Andrew Jackson's home.

January 23, Sunday--Church services were held on the bus at 10:00 p. m. Hugh Huckaby and J. A. Compton led the group in singing. H. L. Davis led in prayer. Ed Perkins taught the Sunday School lesson and Bernice Hargrove closed the service with a prayer.

The group felt fortunate to have Bill Powers for our bus driver. He is such a fine gentleman, good sport and very capable driver. In appreciation of him, the group presented a small gift of friendship and love. Arriving home on January 24, with everyone well and safe, although a little weary, the group ended a good trip in a good way, with a prayer of thanks.

Such a good time, such an experience, such a trip happens only once in a life-time. Many cold feet, many rolls of film exposed, many weary horses, but it was all fun and the group as a whole shall never forget the good trip. For such an honor to fall upon the state of Texas, even so, on Fisher County—it was something!

Mrs. Bettie Hargrove, reporting.

State Health Department officials say conditions are now right the usual spring upsurge in animal rabies.

Since January 1, 56 animals have been diagnosed by laboratory methods as being rabid. Included in that number were 28 skunks, 18 dogs, three cows, three foxes, three cats, and one horse. And that's just an unknown fraction of the actual problem.

The number of confirmed cases is considerable under the number reported at this time last year when 66 cases were diagnosed in January alone, but it is still high enough to post a serious threat to affected areas, Dr. H. E. Smith said.

Smith, head of the department's preventive medical service section said pockets of infection exist in Central Texas counties along the Brazos River, but no area of the state can consider itself immune. He blamed abundant susceptible wild life for Texas perennial rabies woes.

Health authorities have no way of knowing the actual extent of the disease among foxes and skunks because only those come into contact with humans come to their attention.

"For every rabid fox or skunk we hear about, there might be 50 or 75 or more we don't hear about because they die in their burrows or dens," Dr. Smith said.

The obvious danger of wildlife rabies, aside from the possibility of direct exposure to hunters, and campers and other sportsmen, is that wildlife might easily infect dogs. Dogs thus could become sources of human contact with the disease.

"Large increases in rabid wildlife will inevitably spill over into domestic animals—livestock and pets," Smith affirmed.

Although humans are more often exposed to rabies by dog bites than any other way, the disease in dogs seems generally to be on the decline. But Smith said this condition could easily change if ever the public lets up on vaccination of family pets.

Texas hasn't experienced a human death from rabies since 1957. However, the State Health Department last year distributed 1,723 fourteen-day courses of anti-rabies vaccine for human use, an indication of the extent of human involvement.

Two human deaths have been reported for the nation as a whole so far this year—one in Kentucky and one in California.

Smith said the three most important steps in community rabies control are pet vaccination, stray dog pick-up, and thinning of wildlife—in that order.

Bilbo On Anniversary Ceremony in Pacific

Western Pacific (FHTNC)— Jimmie E. Bilbo, fireman, USN, son of Mr. and Mrs. T. W. Bilbo of Rt. 2, Rotan, Texas, serving aboard the tank landing ship USS Washtenaw County operating in the Western Pacific, is taking part in ceremonies, Feb. 20, marking the 19th Anniversary of the Pacific Fleet Amphibious Force.

Established by the late Fleet Admiral Ernest J. King, the force is comprised of ships, landing craft and specialized units with the mission of landing troops in assaults on hostile shores.

Under command of Vice Admiral Howard A. Yeager, ships and units of the amphibious force throughout the Pacific observed the anniversary in their operating area with formal military ceremonies and open house programs in honor of force personnel and the contributions they have made to national defense.

DKG Met Sunday At REA Bldg., Roby

Gamma Tau Chapter of Delta Kappa Gamma, an international honor society for women educators, met Sunday afternoon, February 12 at 2:00 p. m. in the REA Building in Roby.

Miss Faye Rhae and Miss Jeanetta Marbut greeted members and presented them with Valentine doll carriages as they registered centering the beautifully decorated registration table was a triangular arrangement of large red hearts interlaced with Cupid's bows.

The St. Valentine's Day theme was repeated at the tea table which was laid with lace over red and centered with a beautiful arrangement of red roses, the society's chosen flower. Table appointments were of silver and crystal. Serving were Mrs. James Day and Mrs. Herman Phillips.

During the business session which followed, the group voted to send its president, Mrs. Day to the state convention in Houston on April 28 and 29. The scholarship committee reported there were several scholarships available and that application must be made promptly should a member desire one for this year.

Miss Josie Baird, chairman of the program "Information, Please" then introduced the members of the panel and their topics: Miss Jeanette Wade, moderator; Miss Delila Baird, India, Mrs. H. D. Melton, China; Mrs. Charles McCall, Japan; Mrs. Bruce McCain, Malay States. Each panelist gave a most interesting and informative report concerning her particular Country regarding the cultural, political, educational, and religious backgrounds of its people. While there are differences in these areas, strong similarities were observed—particularly in their economy and their struggles to establish and maintain a democratic form of government. All of these countries are over populated and many of their people inadequately fed and housed, yet some of them seem to have done a remarkable job of educating their people from the big literacy rates.

Books and magazines concerning these countries were displayed and

members were urged to read them to better inform themselves. Other attractive displays include clothing, linens, silks, wood and ivory carvings, and various articles from the Orient and Phillipine Islands belonging to Mrs. J. R. Strayhorn and Mrs. Day, a pink and black Phillipine dinner gown.

Members from Rotan who attended the meeting were Mrs. Charles McCall, Marshall Hill, C. G. Campbell, Robert Witherspoon, Bartlett Strayhorn, James B. Day and Misses; Delila and Josie Baird.

Hostess for the meeting were Mrs. Robert Higgins, C. L. Monk, Leon Kidd, Lorelle McKelvey, Inez Lawrence, J. D. McKeown and Misses; Faye Rhae and Jeanette Marbut.

Mr. and Mrs. Ivan Deel visited the family of their daughter, Mr. and Mrs. Woodie Crawford and children and Mr. Deel's brother, Jim Deel in Big Spring last weekend. Mrs. Crawford and Mrs. Jim Deel are both in the hospital for treatment.

Mrs. Ira Morow arrived home Saturday from Bisbee, Ariz., where she had visited her daughter and husband, Mr. and Mrs. Sam Moore. Mr. Moore will enter the Service soon and they will be stationed at Amarillo Air Force Base for awhile. Mrs. Moore is the former Sue Morow.

Mr. and Mrs. Joe Don Lawrence and son Jimmy Don, Mr. and Mrs. Richard Blount, all of Odessa visited their mother Mrs. Flora Blount last weekend.

Mr. and Mrs. R. R. Terry visited with their daughters and families, the C. E. Martins, and the J. B. Coxes in Sweetwater Sunday.

Bride-Elect Feted With Gift Affair

A gift tea in the home of Mrs. Eddie Aldridge Thursday afternoon honored Joyce Shipp, bride-elect of Don Park.

The couple will be married March 4 in Rotan Church of Christ.

Mrs. Aldridge greeted guests. Receiving with the honoree was her mother, Mrs. Ollie Shipp and sister, Lois Shipp of Abilene.

The bride-elects chosen colors of pink and white were used in house decorations with tea table covered with a white linen cutwork cloth, featuring pink and white centerpiece with pink candles in crystal holders.

Hostesses for the affair were, Mmes. Aldridge, Dee Reese, M. F. Garland, Oral Sparks, Curtis Acker, L. B. Berry, A. C. Snapp, Walter Hartsfield, Clifton Thomas, Roger Wortham, Willie D. Hariman and Lester Minton.

Curry-Goolsby Wedding At Roby Feb. 22

In double ring ceremony read by Rev. E. L. Redding in the Redden home in Roby Feb. 22, Mrs. Mae Curry of Rotan and Hub Goolsby of Roby were married. Attending the couple were Mr. and Mrs. Hal Burrow of Rotan.

Following the wedding an informal reception was held in the Redden home.

Pre-nuptial events honoring the bride at Rotan included a gift party hosted by members of the Merribee Club, one by the Rotan Rebekah Lodge and one held in the H. L. Dycus' home.

Mrs. J. H. Thompson and sons, Judson and H. attended the funeral of her sister, Mrs. Julia Hughes Friday afternoon in Dublin. Mrs. Hughes died at her home in Dallas Wednesday morning. Funeral services were held in Dallas and graveside rites were at Dublin. She spent 2 weeks here during Christmas and has visited here several times and will be remembered by many friends in Rotan.

Hugh Swann entered Veterans Hospital at Big Springs Wednesday for treatment and possibly surgery.

MARCH 4-11-4-H WEEK IN TEXAS AND NATION

March 4-11 has been designated as 4-H Club Week in Texas. The same week will also be observed across the nation as National 4-H Club Week.

In his proclamation Governor Price Daniel said, "Building tomorrow's leaders today is a high purpose in 4-H Club work. The expanding role of 4-H emphasizes character development and good citizenship as 4-H members learn the latest practices in agriculture and home economics.

"Since the 4-H program was inaugurated by the United States government in 1914, the 4-H movement has spread across our nation and to 52 foreign countries. 4-H Club members learn by conducting result demonstrations and participating in 4-H activities. By putting into action what they learn, club members improve their homes and communities.

"Voluntary adult leaders working with club members provide a key to the success of 4-H. Parents and friends of 4-H give support and encouragement to club members. The Agricultural Extension Service of the A&M College of Texas, through county extension agents, direct the 4-H Club program.

"Any boy or girl from ages 9 to 21 can take part in 4-H Club work. The opportunities offered to 4-H Club members to grow in citizenship leadership and practical skills are especially valuable to them, the State of Texas and the Nation. 4-H Clubs are a proving ground for the training of future leaders."

In his message to the approximately 100,000 4-H members in Texas, Governor Daniel said, "Please accept my best wishes for 1961 and the years ahead. May you continue to work to improve yourselves, your homes and communities and thus help to build our State and Nation. The future holds bright promise for our land, and as 4-H members, you

have an important role in it."

Produce counters show little change from last week. . . grapefruit are still a featured item—with the supply large, eating quality especially good and prices low. You'll find good supplies of oranges and bananas with more limited offerings of pears and grapes.

A wide selection of fresh vegetables includes good supplies of cabbage, celery, dry onions, red potatoes and most salad greens—including endive, head lettuce and greenhouse Bib and leaf lettuce. Other economical vegetable choices include cauliflower, carrots, collards, mustard, turnip and greens.

The Lenten season focuses special attention on eggs, fish and dairy products. It is well to remember that two large size eggs are the protein equivalent of a three ounce serving of lean meat . . . on a cost per serving basis, eggs are still a low-priced main dish choice.

The supply of natural and processed cheeses is large and cottage cheese is another versatile choice for Lenten meals. In the frozen fish line, you should find adequate supplies of fish sticks, cod fillets, halibut, ocean perch, haddock, and most shellfish. Supplies of canned tuna, red salmon and shrimp are fairly large, but supplies of pink salmon and sardines are light. Beef continues in good supply and pork cuts are being featured in some markets.

The Spanish Club of Rotan High School met last week in the School Auditorium to elect new officers for the coming semester.

Officers elected were: President, Judy Edwards; Vice-President, Tommy Hargrove; Secretary-Treasurer, Brenda Tennyson and Reporter, Norma Sparks. The group also planned a picnic as a future activity.

O. R. Clark met his sister, Mrs. J. O. Hankins in Abilene Thursday who drove him to Fort Worth to visit with another sister, Mrs. Cleo Todd. They returned to Abilene Friday where Mr. Clark was overnight guest of another sister, Mrs. Mildred Pierce. Mr. Clark returned to Rotan Saturday.

Out-of-town relatives and friends attending the funeral of W. L. Terrell Thursday afternoon were, Mr. and Mrs. Sam Terrell, Hamlin; Mrs. Troy Rossum, Midland; Mr. and Mrs. Bill Sandusky, Merkel; Jerry and Linda Doan, Merkel; Elmer Patterson, Merkel; Dewey Sandusky, Merkel; Mrs. Thresa Dulin, Abilene; Mrs. Julie Lawson, Abilene; Mr. and Mrs. Glyn Cavitt, Big Spring; Allen Cavitt, Littlefield; Mr. and Mrs. Clifford McDonald, Cleburne; Mr. and Mrs. Port Williams, Hamlin; Fred Hunter, Lubbock; Mr. and Mrs. Henry Jones, Lubbock; Mrs. Jimmy Huckaby, Sweetwater; Mrs. Effie Dulin, Merkel; Mr. and Mrs. Lester C. Some VA Checks Will Be Missed This Month

Several thousand disabled veterans and their widows and dependent parents of some deceased veterans will not receive their monthly checks from the Veterans Administration at the end of this month. The announcement was made today by Steve Kelley, Veterans County Service Officer.

Kelley explained that checks will not be delivered to veterans and widows who have been receiving non-service connected pension if they failed to return to the Veterans Administration the annual income questionnaire which was forwarded to them with their checks at the end of December. In order for payments to be continued in these cases, the Veterans Administration must have current information relative to the income received by the veteran (or widow) during 1960, and the expected income of the claimant for the calendar year 1961. Where this information is not furnished the Veterans Administration by January 31, the VA has no choice but to discontinue payment until the information is received.

Dependent parents who are receiving Dependency and Indemnity Compensation as the result of the death of their veteran son (or daughter) from causes related to service in the Armed Forces also received these income questionnaire cards. As in the case of the veteran and widow, these parents are required to furnish the requested information if payments are to be continued.

Kelley said that approximately 10 percent of the income questionnaire cards sent out by the Veterans Administration have not been returned. All affected persons who have not furnished this income information to the VA are urged to contact Mr. Kelley at his office at Court House in Roby, so that the required information can be furnished without delay.

Mrs. Poteet Honored On 80th Birthday

Mrs. L. C. Poteet of the County Line community celebrated her 80th birthday last week. She was happily surprised Friday evening when Mrs. J. R. Helms came for her and took her to Mrs. Helms home where members of the Good Neighbor Club were waiting and surprised her with a cake and gifts. Then Saturday morning she went with her son, John and daughter, Mrs. J. F. Clegg to the home of another son, Jim Poteet and his wife in Midland, where she was honored by all her children who had sent in gifts in the form of George Washington's pictures, (one dollar bills), to be placed and presented on a Money Tree. One bill for each year of her life. The next day, Sunday, Mrs. Poteet, John and Mrs. Clegg accompanied the Jim Poteets to their church, where they helped welcome a new pastor, Rev. Charles Oliver to the First Church of the Nazarene in Midland. Lunch was served at the noon hour in Fellowship Hall. They returned home Sunday night.

Mr. and Mrs. D. J. Smith visited relatives in Olney Sunday.

'As It Looks From Here'

Omar Burleson, M. C. 17th Dist.

Washington, D. C. -- The Congress makes Appropriation in a lump sum for basic research. The Executive Department of Government selects and determines the projects and the foundation or university to carry out the experiments to develop the scientific facts sought.

Not long ago a report revealed that the National Science Foundation had granted \$50,000 to Cornell University to study that language of birds.

First reaction to such an expenditure suggested that here was really "something for the birds." However, investigation revealed a surprising bit of information.

The United States developed underwater listening devices during the war to track and destroy enemy submarines. Those of us who served in the Navy will remember the terms "up-doppler" and "down-doppler." These terms simply mean the tone or frequency of sound. We were often puzzled by sounds that seemed to be a submarine but nothing happened when depths charges were dropped. Many times our Navy was depth charging a whale or some other large fish.

These mistakes are still made. Even recently there was a submarine reported at a certain place off our East Coast, but it turned out to be something else. However, research and experimental tests have greatly improved our knowledge of the operation and, although certain types of large fish and sea animals give off sounds very similar to a submarine, identifying the difference is now fairly certain. We now know better than to continue an expensive operation in tracking and bombing the mammals of the sea.

Scientific investigations also prove that bats are equipped with a built-in system which enables them to detect and elude objects in the air and in dark places. From this study comes much information which has been applied in the development of radar.

A certain type of Vulture called the condor, was found to be equipped with his own oxygen mask. He flies high over the Andes Mountains. As he reaches great heights his mask carried folded on his head at lower altitudes, unfolds to provide a function for his safety.

Our Scientist has gotten some helpful information from him, beneficial to our jet age flying.

Further studies of this kind of nature have given scientists, doctors and technical people an understanding of many things helpful to the human race.

Animal and bird sounds have been put to use in teaching children born without normal power of speech to communicate with other people.

Our Creator, in his omnipotence, endowed the creatures of the air, earth and sea with senses of communication and with instincts for self-preservation. He gave man intellect and made him a rational being. By his reasoning, man has copied many things from nature and put them to his own use.

So ----- \$50,000 for the study of bird sounds is probably all right. Things are not just always as they first appear.

Just a Thought: As far as human beings are concerned, nothing just happens -- somebody must make it happen.

Abilene Reporter Features 4 Officeholders

Four Fisher County officeholders appeared in a picture and story in Sunday's Abilene Reporter-News. Age of the four totalled 307 years.

District Clerk Nealy A. Morton, 77, is District Clerk. C. J. Dalton, 77, School Superintendent; County Attorney H. F. Grindstaff is also 77 and Charlie A. Branson, Justice of Peace is youngest, 76 years old.

The group are all active and serving well in their offices.

Visiting with the E. W. Clevelands over the weekend were Mr. and Mrs. Alvis L. Cleveland, Gary and Larry of Dallas. Other guests in the Cleveland home Saturday were Mr. and Mrs. Elvis Elrod and Mr. and Mrs. Lafoy Patteson of Hamlin.

Mr. and Mrs. C. B. Barth visited the Jerry Briscoes in Odessa Saturday.

Mr. and Mrs. Ray Perry, Grant and Susan of Richardson, visited his parents, Mr. and Mrs. J. W. Perry Saturday night.

Now is the time to check fields and decide if wheat needs spraying to control taney mustard of pepperweed. A few weeds now will look like a lot in April or May.

Studies in 1958 for the control of these weeds at the Southwestern Great Plains Field Station showed 2, 4-D to be most effective when the weeds are sprayer around March 1 to March 15. By April 15, the 1958 studies showed, the weeds had used over 2.5 inches of water from the soil. This will reduce wheat yields if soil moisture becomes a limiting factor.

A 1-2 pound application of 2,4-D per acre will give good weed control. The ester or acid formulations of 2, 4-D are usually more effective for controlling these weeds than the amine formulation.

For ground sprayers, nozzles producing coarse particles are most desirable; use pressures below 40 pounds per square inch; do not apply in wind velocity greater than 5 miles per hour when susceptible crops are within 2 miles downwind or 1-8 mile upwind to susceptible crops.

Some of the most susceptible plants to 2,4-D are cotton, tomatoes, okra, vine crops, legumes such as peas, peanuts and beans, fruit trees, grapes, pecan trees and many ornamentals.

Use separate equipment for 2,4-D. It is extremely difficult to clean 2,4-D from a sprayer used for applying fungicides or insecticides. A mere trace of 2,4-D in an insecticide or fungicide may damage seriously a susceptible field, garden crop or ornamental.

Precaution: WHEN YOU USE AGRICULTURAL CHEMICALS FOLLOW LABEL DIRECTIONS!

The annual Texas 4-H Club Roundup will be held at Texas A&M College on June 6 and 7. The big day will be the 7th when hundreds of young Texans will vie for honors in the 25 judging and demonstration contests.

The two high ranking teams or

individuals from each Extension District are eligible to participate in the statewide contests scheduled for Roundup. The district winners will be selected in district elimination contests held prior to the state meeting.

Last year a 4-H Dairy Judging Team for Fisher County represented District 3 at the state Roundup. Those boys on the team were Palmer Baugh, Weldon Van Liew, Gary Floyd and Lonnie Henington.

The boys and girls who attend Roundup will be accompanied by either their county extension agent or agents or by adult leaders.

Many of the state winning teams and individuals later in the year will represent their state in national contests and will, therefore, have an opportunity to add further to their training and 4-H experiences.

Program details are not yet available but will be announced well in advance of the June meeting, according to the Extension Service officials.

The best way to grow large fish in the shortest length of time is to stock the pond properly with fish and fertilize it. Fertilizing time in our area is from March 1 to June 1.

Remember that proper fertilization (small amounts at intervals during late winter and spring, generally based on soil tests of the pond watershed) will usually shade-out troublesome underwater plant growth.

Fishing will be good in the weeks prior to spawning time. When the cold weather begins to slacken, be ready.

Wilene Fleming, Denna McDonald, Tommy Hargrove and Kenny McCasland attended a sub-district meeting of MYF in Stamford Saturday and Sunday.

Christian Science Service Sunday

A hopeful message of universal freedom will be delivered in Christian Science churches Sunday in the Lesson-Sermon entitled "Man."
 Man's rightful heritage of freedom will be brought out in the Scriptural selections which include Paul's advice to the Colossians (3:9-11): "Lie not one to another, seeing that ye have put off the old man with his deeds; and have put on the new man, which is renewed in knowledge after the image of him that created him: where there is neither Greek nor Jew, circumcision not uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all."
 From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read (227:24-26): "Citizens of the world, accept the glorious liberty of the children of God, and be free! This is your divine right."

Mrs. Mary Robinson who has been nursing Mrs. George Young went to Breckenridge Saturday to visit relatives while Mrs. Young is visiting her daughter in Abilene.

Charlotte Callan, who is attending ACC in Abilene was a model in the Abilene Woman's Club 13th annual style show, Friday. Charlotte with two other girls represented the "twens and teens."

Former Resident Now Alpine School Supt.

Jack Frost, principal and curriculum director of Falfurrias High School, has accepted the position of superintendent of Alpine Public Schools, Alpine Texas. Frost is the son of Mr. and Mrs. E. W. Frost, rt. 2, Hamlin, formerly of Rotan.

Frost graduated from Rotan High School in 1944, served two years in the U. S. Navy, then entered Weatherford Junior College, Weatherford, Texas where he lettered in football and was active in many student activities. He received his Bachelor's degree from TWC, Fort Worth and his Master's from TCU, Fort Worth. He had served as coach, elementary principal, junior high principal and high school principal in Weatherford before coming to Falfurrias High School where he has been principal for the past seven years, serving in the dual capacity of principal and curriculum director the past two years.

Frost is married to the former Maurine Fowler of Weatherford and they have five children: Jack Jr., Joye, Christopher, Gay Lynn and Merrie.

Guests in the home of Mr. and Mrs. H. T. Fillingim last weekend were Dr. and Mrs. Stanley Gilbert and children Lisa, Jan, Stan and Susan of Dallas and Mr. and Mrs. Doyle McSpadden, Tina and Chip of Floydada.

Letter To The Editor—

Here we go again with another election. Mr. Wilson must have sure rushed his job of getting that unfinished business done that he was so sure no one else except him could do.

Mr. Maverick lets us know what kind of a Democrat he is. I would think that his great grandfather; with his pal, Sam Houston, same as all our forefathers, would turn a complete somersault in their grave could they see what these modern democrats, if you care to pronounce this socialistic communistic way of life, has done to this country.

We have new frontiers in the Congo. Programs to get this country moving again. To those parts of the country where they will pay twice as much to be unemployed. Payments for people not to plant feed. Give the old people medicine and hospitalization services. I dont know of anyone falling up to now to get that service. If you have a pension check going through a bank each month you can borrow money. But how long will it be before they kill the goose that laid the golden egg? Or should we call it what is is—taxation straight into bankruptcy.

Now our governor, fine little man he is, has given up on his tax scheme to place the burden on us that are left between 45 and 65 years old. He is now running around in circles trying to figure some other way to fix us small business men that fall in that category. Now if we had a straight retail sales tax, say about 5 percent, no one exempt, not even farmers or politicians, then that would be fair to everyone alike. You better vote for Mr. Tower. He could cost one vote up there every time these radicals came up with their things that is ruining this U. S. A. of ours.

I am still eating beans. I don't know if I can get along without them.

Hub Cole, box 351, Rotan, Texas

Mrs. Mark Phillips and Miss Mabel Phillips of Abilene came Saturday for Mrs. George Young, who plans to spend several weeks with them.

Mrs. Fern Benson and Mrs. Alvin Clark left Sunday, Feb. 19 for a visit with Mr. and Mrs. W. B. James and children at Baytown. From there they went to visit a sister, Mrs. W. R. Sanders and their brother, M. N. Shelton in Robstown. They returned home Sunday.

I should say not!

My home is cool in the summer and warm in the winter with electricity from the electric cooperative my master and mistress helped to organize. They borrowed money at interest and they built their own electric system. Now my blanket is washed in an electric washer, my bath water is heated electrically and even my bones taste better when the roast is cooked on an electric range. We still romp in the fields occasionally, but we do most of that romping now by the TV set.

Me Chase Rabbits? I'd as soon bay at the moon. Either way, I'd have to go outside and that kind of life is for the birds. Give me an all electric home everytime. It's a doggone good way to live.
