Wade Burroughs Called As Music and Youth Dir.

WADE BURROUGHS

Mr. Wade Burroughs has been called as music and youth director of First Baptist Church. He is a teacher and basketball coach in Rotan High School.

Ag. Census Quires Are Being Mailed

sent to Farmers of Fisher County - Questionnaires for the 1964 Census of Agriculture are now being mailed out to farmers and ranchers of Fisher county, according to W. F. Edwards, Jr., crew leader in charge of the census in the county.

The questionnaires are expected to reach the farmers within a few days. This will allow the farmers a period of time in which to consult their 1964 farm business records in order to answer questions on the form accurately before enumerators begin calling on individual farmers to collect the questionnaires.

An enumerator will call on every farmer in the district under his supervision, the crew leader said. At the time of the call, the enumerator will help the farmer complete answers to any questions that prove difficult to understand and check the form to accuracy.

The do-it-yourself aspect of the farm census is aimed at saving time and effort.

The Census of Agriculture is taken five years in the years ending in "4" and "9" to gather needed, up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

Homer Fillingim Jr., and a friend from Crosbyton visited his parents, Mr. and Mrs. H. T. Fillingim Sunday afternoon. They went to Abilene where they were joined by other friends and went to the Uvalde country to deer hunt.

Local patients admitted to Callan Hospital November 18 to 25 were: Mrs. Wendell Kincaid, Bill Hardy, Mrs. Joe Little, Mrs. A. D. Dodson, Dwayne Watkins, Mrs. R. D. Sartor, Anthony Molina, Martin Moreno, Mary Frances Rivers.

Out of town patients were Mrs. Jack Terry, Roby; Mrs. A. M. Dry, Roby; Foy Mitchell, McCaulley; Mrs. Clay Coggins, Roby; Andrea Brock, Jayton; Hector Martinez, Abilene; Mrs. W. L. Massey, Abilene; Mrs. Roy McCarter, Snyder; Sharon Larkin, Hamlin; Mrs. Jackie Nichols, Sweetwater.

Births: An 8 lb. boy was born to Mr. and Mrs. Jack Terry, 12:15 a. m., November 20. He was named Brian Jack.

An 8 lb. girl was born to Mr. and Mrs. W. L. Massey, 2:40 a. m., November 24.

Mail To Arrive One Hour Earlier

According to Postmaster Robert Phillips some changes in postal service have already been brought about, and some additional changes are to be made in the near future. The sectional center concept of mail handling which includes the 5 digit ZIP Code in both return and address on all mail and provides more direct and faster methods of mail delivery was effective on November 14.

Within the next few days the arrival time of our morning mail will change from 8:30 a. m. to 7:30 a. m. This will be the only change in our mail schedules.

A motorist mail box is now provided for your convenience. The mail is taken from this box at 8:30 a. m. and 3:30 p. m. daily Monday thru Friday in order to meet our mail dispatch times and is taken at 8:30 a. m. and 4:30 p. m., on Saturdays, and Holidays, and at 4:30 p. m. on Sundays. On Saturdays, Sundays and Holidays no mail addressed for delivery in Rotan should be mailed in the outside box, but should be mailed in the local or Rotan drop in the post office lobby.

Effective December 7, service lobby hours will change to 8 a. m. to 4:30 p. m. Monday thru Friday and 8 a. m. to 12 noon on Saturdays. As post offices are allowed 8 1/2 hours window service daily this will offer patron's a better opportunity to get mail in earlier in time for our morning dispatch by opening 30 minutes earlier.

Thanksgiving--

As Americans -- one should be specific and say as North Americans -- we have much to be grateful for this Thanksgiving Season. Perhaps we are a little bit blasé about the matter. And perhaps some of us consider Thanksgiving just another one of the many holidays we celebrate in an offhand, casual fashion. To some of us it is the football day of the year. To others, it is "a day off," a welcome interlude to enjoy a lavish turkey dinner and then laze around the house in slippers and robe.

It might be wise to think for a moment and realize that this Thanksgiving Day will simply be another twenty-four hours of gnawing hunger for peoples of many climes. Experts say that by 1970 hundreds of millions of children and adults in Asia, Africa and Latin America will face slow death by starvation.

Our three great faiths, the Catholics, Protestants, and the Jews jointly help feed many millions of undernourished men, women and children in scores of countries overseas. Every Thanksgiving Season, the three faiths unite in a public appeal and urge Catholics, Protestants and Jews to contribute to this vital humanitarian endeavor through their places of worship.

Once again this newspaper adds its voice to the Religious Overseas Aid appeal and asks everyone to mark their thanksgiving for the abundance of America by helping those across the seas who are not as fortunate. These worthwhile appeals are: Catholic -- The Bishops' Thanksgiving Clothing Collection; Protestant -- the Share Our Substance program; and the United Jewish Appeal. Funds raised through these religious endeavors help feed and clothe the naked and hungry, regardless of race, creed or color.

High School PTA Bake Sale Saturday

High School PTA will hold Bake Sale, Saturday, December 5 at the former bakery building on south side. All PTA High School is asked to help by baking, cakes, pie, cookies, candy and have at the bakery building in the morning of sale day.

Anyone wishing special orders may call Mrs. Horace Carter. Buy now and place in freezer for Christmas.

Mr. and Mrs. E. W. Permenter of Starksville, Miss., and her mother Mrs. Willie McWhirter visited Mr. and Mrs. H. C. Shelton Monday afternoon.

Organization of Fisher County TB Assn.--1949

The above picture of Charter members of Fisher County T. B. Association, organized at Rotan in 1949: left to right: Johnnie Ammons Wesley Nail, Weldon Underwood, Clifton Thomas, Dr. C. U. Callan, S. Lee Hall, Herbert Love, W. D. Neves, Ollie T. Brown, Robert Taylor, Dr. Ewell Jenkins, Mrs. Jewell Tillotson, Lance Davis, Mrs. Mamie Lois Johnson, H. L. Davis. Right side, left to right: Mrs. Herbert Love, Mrs. Juston Morrow, Mrs. S. T. Martin, Mrs. Alva Palmer, Mrs. W. A. Hancock, Mrs. Clay Bunn, Evelyn Bunn, Mrs. Mattie Key, Mrs. Young, Mrs. Lillian Terry, Mrs. Roland Ray, Mrs. Dave Posey, Mrs. Oleta Parker and Mrs. Jim O'Briant.

Oral Polio Booster To Be Given Sunday

Don't forget the Oral Polio Booster program sponsored by the Rotan Jaycees at the High School Gym on Sunday the 6th of December from 2 to 5 P. M.

As Americans we can be proud of our record of voluntarily wiping out this crippling illness. Lets not let our guard down after such a magnificent start.

If you are over 8 months of age you should take this simple "3-types-in-1" vaccine as either a booster for a previous series or as the first of an immunizing 2 doses. Since this is a one time, one day program a second dose if needs should be obtained from your family doctor in 8 weeks or longer.

A donation of at least 50c per dose will help pay for the cost of the vaccine, but no one will be turned away.

Services Held Tuesday For Luther D. Miller

Luther C. Miller, 76, resident of Rotan for many years, died from illness Sunday at 11:30 p. m. at Callan Hospital.

Funeral services were held at 3 p. m. Tuesday at First Baptist Church. Rev. E. L. Redden of Rotan and pastor, Rev. Billy Hudnall, officiated. Burial was in Belview Cemetery under direction of Weathersbee Funeral Home.

Surviving him are his wife; a daughter, Mrs. Clarence Shook of Sweetwater; two sisters, Mrs. T. C. Campbell of Rotan and Mrs. Ira Morrow of Abilene; four brothers, John Miller of Odessa, Ed Miller of Rotan, Tom Miller of Sweetwater and David Miller of Desmona; five grandchildren; nine great-grandchildren. A daughter, Alma, predeceased him in death.

Mr. Miller was born Sept. 22, 1888 in Hiwassee, Ga., the son of Mr. and Mrs. T. J. Miller who came to Erath County, Tex., in 1890 and to Fisher county in 1915. He was married in Erath County to Allie Cooper, Nov. 5, 1915.

Rotan Closed For Thanksgiving

Practically all of Rotan is closed today for Thanksgiving. Only cafes and service stations are open for business.

This has been the custom thru the years.

Mr. and Mrs. Ernest Smith and Bobby went to Crosbyton, Thursday Nov. 19, and attended the funeral for Mrs. Price Smith. Mrs. Smith is an aunt of Ernest. The Price Smith's were early day settlers of Rotan.

Classroom Teachers To Hear Guest Speaker

MRS. NETTIE SHAW

Mrs. Nettie Shaw of Carthage, President of The Texas Classroom Teachers Association, will be the guest speaker for the annual Rotan Classroom Teachers Association, Monday, Nov. 30.

Mrs. Shaw, President of the Texas Classroom Teachers Association for the year 1964-1965, has served as Vice-President and State Membership Chairman also. She has been TCTA's Program and Projects Chairman and has served as State Legislative Chairman as well as a member of the TCTA Advisory Board.

Nettie served three years as a member of TSTA's Legislative Committee and is currently serving as a member of Legislative Committee for the Texas Audio-Visual Education Association. She is immediate past president of District XII Texas Congress of Parents and Teachers, at which time she served a complete three year term on the State Board of that organization.

Hobbs-McCaulley Game Played Here

Hobbs Panthers defeated the McCaulley Eagles, 57-24, here Friday night to close out their District 4-B six-man play with a 3-2 conference tally. Both teams played at Rotan by mutual agreement, with Hobbs as home team.

Scoring for the Eagles were Ronnie Jeffery, 18 points and Richard Alfred, six points.

Tommy Lay paced the Panthers with 22 points, followed by Kenny Martinez with 12. Other scores were by Paddy Martinez, 7; Perry Hodges and George Martinez, six each, and Donald Hull and Maurice Martinez, two each.

A good crowd of fans enjoyed the game, even after the "norther" struck during the game.

Christmas Seals In Mail Over County

The annual Christmas Seal Campaign letters were mailed Monday, November 16. These Seals will reach all the families of Fisher County of whom many have been aided directly and indirectly by the Christmas Seals Campaign each year.

When you contribute to Christmas Seals you will be helping the various efforts to control T. B. by:

- 1. Promoting medical research in TB and other respiratory diseases.
2. Skin testing program and X-rays
3. Health education to those who need it.

Out of every \$1.00 given to Fisher County TB association, 81c will be used in Fisher County. The 19c will come back thru state and nationwide TB Control and Medical research.

Many people feel TB is a disease of the past. That the danger, dread, secrecy and deaths from it went out with the horse and buggy days. But that is a mistake, for in Texas in 1963, there were nearly 3,000 cases reported. Many were not reached, some because of failure to take advantage of what their own counties TB association has to offer.

There are 160 children under 12 years in the State TB hospital in Texas. There are more than 2,000 TB patients in the 4 state hospitals in Texas, besides other victims in private, city and church supported hospitals in Texas. Others who do not know they are sick are among the carriers who spread the diseases.

Thru the continued work and effort of the Fisher County TB Association. Since its organizing in 1949 it has come a long way in helping fight the disease and enlighten others of its danger.

In all of Fisher County there are volunteer workers assuming leadership, and giving of their time and energies to help conquer TB. It is thru these volunteer hours donated and thru the public's acceptance of Christmas Seals that the health of our citizens can be improved.

PTA To Have 'New Math' Program

High School PTA will have program in the auditorium at 7:30 Dec. 10th, on New Math.

Roy Carter of Snyder, Public School will present program using slides and other visual aids.

Everyone interested is invited.

Mrs. Sam Moore of Warren, Ariz., and her mother Mrs. Thoma Morrow of Abilene visited friends and relatives in Rotan Wednesday.

Killing Frost Late This Year Nov. 19th

Rotan's gins had a total of 5,969 bales ginned Wednesday noon. Cotton gathering is beginning to pick up since the frost and freezes and gins should be running full blast by the end of the week.

First frost of the year came about 9 o'clock Thursday night when Fred Byerly reported a low later in the night of 31 degrees. Another freeze Friday night with 31 reading killed much foliage, but Saturday night's low of 24 degrees was just what most farmers wanted. All cotton was killed and most are getting ready to complete gathering.

Estimates for the season, now vary from 12 to 15 thousand bales.

Pecan Bowl Tickets On Sale With Joe Burk

Abilene - Reserved tickets for the Pecan Bowl -- NCAA Midwest College football championship -- are on sale Monday in Rotan at the Rotan Insurance Agency, according to Joe Burk.

The Pecan Bowl will bring a top-notch post season football attraction to the West Texas area for the first time. Two outstanding teams from a 14-state Midwest area will be selected for the bowl game. Opponents for the game will be named this week.

Reserved tickets for \$2.50 may be purchased at the Rotan Insurance Agency. The reserved sections will be sold on a first-come-first-served basis for the game which will be played in the Abilene Public Schools Stadium at 2 p. m.

In addition to the \$2.50 reserved tickets, a limited number of general admission tickets will be sold for \$1.25 each and all public school and college students will be admitted to the contest for 75 cents.

The Pecan Bowl is the first annual NCAA Midwest College Championship. Abilene is hosting one of four regional title bowl games across the nation this year, which the NCAA hopes will become permanent affairs in their respective communities.

Other NCAA regional bowls are the Tangerine Bowl in Florida, the Grantland Rice Bowl in Tennessee and the Camellia Bowl in California. The two Pecan Bowl opponents will arrive in Abilene four days before the championship contest.

Local Students With Southwestern U. Band

Georgetown, Nov. 23--The Southwestern University Band gave a concert Nov. 12 in the Alma Thomas Theatre on the university campus.

The program for the concert included works of George Frederick Handel, Jaromir Weinberger, George Frederick McKay, John J. Morrissey and Leroy Anderson.

Among members of the band are Carol Ann Tillotson, sophomore, majoring in elementary education for B. S. degree; daughter of Mr. and Mrs. Willard B. Tillotson of Rotan, and Patricia Ann Riley, freshman, majoring in English for B. A. degree; member of Delta Delta Delta sorority; daughter of Mrs. LaVera Riley of Rotan.

Denny Malouf Stars With Highland Park

The following is part of story recently appearing in Dallas Times-Herald in regard to Denny Malouf, son of Mr. and Mrs. Eblen Malouf, former Rotan residents.

Little Denny Malouf, picked just the right time to have his greatest night ever in a Highland Park, Dallas football uniform. And it's a good thing he did. The Scots needed every force they could muster Friday night to beat Paris by a 34-20 count in a District 7-AAAA game.

And Malouf, a 167 pound senior halfback, was quite a force. He carried the ball 25 times for an amazing 298 yards. But best of all, he scored. Four times he scored to lead the Scots to a come-from-behind victory . . . . .

## Cotton Burs Proving Very Beneficial

Supervisors of the Upper Clear Fork Soil Conservation District wish to again emphasize the benefits of the use of cotton burs for soil improvement.

The burning of burs has been greatly curtailed in this area the last few years. It has been estimated that 10,000 tons of burs are being returned to the land each year. Each ton of burs contains nitrogen, phosphorus and potassium in amounts worth about \$7.50. This represents a return of approximately \$75,000 worth of fertilizer to the soil each year. The average cost of getting the burs put on the land is approximately \$2.50 per ton.

The greatest benefit from applying cotton burs to the land seems to be the improvement of the soil-water relationship. Plants are then able to use the available moisture more effectively. Soils to which cotton burs are added also are more resistant to wind and water erosion and have a better water intake rate.

Research has shown that approximately 3 tons of burs per acre should be applied to be effectively for wind erosion control. When the supply of burs is limited, a 2 ton rate per acre gave the greatest profit per ton of burs applied. Approximately 10 pounds of nitrogen per ton of burs should be applied to the land to offset the nitrogen, tie up of the decomposition.

Cost-share is available through the ACP program for application of burs for wind erosion control. They should be applied at the rate of 3 tons per acre.

Some of the local Soil Conservation District cooperators who are using cotton burs are Horace Carter, Glen Gruben, Bobby Gruben, Reverend Yates, Kaufman Florida, Jerry Hoodenpyle and Charles McCall.

Mr. and Mrs. Alvin Nitch Kate and Robert of Brownfield visited over the week end with Mr. and Mrs. O. R. Clark. Mr. and Mrs. Bob Clark, Vickie, June, and J. R. of Anson spent Sunday with Mr. and Mrs. O. R. Clark.

Mrs. Joyce Shirley and boys of Electra recently visited with her sister and family Mrs. A. W. Thomas and Mr. Thomas.

**Eighth Grade Girls Start Basketball**

The eighth grade girls P. E. program this year is similar to that of a year ago. In an attempt to stimulate great interest in girls' basketball and to give all girls experience in competition, the girls have been divided into five teams, which will play each other. Coaches Graham and Tonn have planned a double round robin schedule, which will require 20 games to complete. The teams will play each other twice. Some of the games are planned for night games.

Coach Tonn is teaching the girls some of the basic fundamentals of basketball and some simple offensive and defensive plays to make the best basketball possible. The type basketball played this year will be similar to that played by the high school girls. Coach feels it is important that they learn a similar type game.

The teams each have a captain (c) and co-captains (CC). Each team picks its own name and colors.  
--Eddie Mac Lang.

**Freshmen Students Take SRA Tests**

The Freshmen students took a SRA test on November the sixteenth and the seventeenth. The SRA test is a Science Research Associates test. It was given to the freshmen to see how much they have achieved in their past school years. The students are graded on a percentile basis. This means that each student will have a grade according to the percent, with which he rates with the other students in the nation. The class as a whole is graded in this way, too. The results of these tests will be put on file for future reference.  
--Bobbie Kerns.

**RHS Band Increases By Seven Members**

At the end of football season, the band increased by seven members. They are Toni Lusk, David Hammit, Cheryl Hammit, Lana Cave, Zana Thompson, Mike Thornton and Billy Dycus. These members added three cornets, and one of each to the clarinet, saxophone, bass, and flute sections. All seven of these band students are returning to band for the concert season.  
--Diane Phillips.

**Teachers Activities During Holidays**

The Thanksgiving Holidays for the teachers of our school system are going to be spent in several different ways. 13 of the teachers plan to travel at home and catch up on over-due work. Another 13 plan to travel. Mrs. Redd, Mrs. Tillotson, and Mrs. Morrow are going to Fort Worth; Mr. Shoemate is going to Graham; Mrs. Kelley to Carlsbad; Miss McNally to Iraan; Miss Gilbert to Gorman; Mrs. Phillips to Denver City; Mr. Tonn to Big Spring and Moran; Mr. Armstrong to Stamford; Mrs. Clark to DeLeon; Mrs. Yantis, fishing; and Mr. Schkade to Albany.

Two of the male members of the faculty are as yet undecided as to where and how they will spend their holidays. Another member, Mr. Burroughs, plans to go deer hunting.  
--Zanna Thompson.

**Third Grade Perfect Attendance Announced**

These third grade students have had a perfect attendance for the first six weeks. Elura Rodriguez, Darrell Neeley, Steven Webb, Susan Romero, Linda Carr, Susie Garcia Elaine Ramirez, Junior Artiz, Lawson Young, Willie Daniel, Sandra Jefferson, Dianna Acker, Kenneth Acorn, Mike Cade, Robert Callan, Raymond Carrillo, Connie Jo Conner, Linda Dickson, Lucy Gonzales, Jaye Neice Hendon, Bruce Jones, Betty Landes, Cyd McClure, Terry McCombs, Scotty McKinney, Joe Murphree, Jimmy Sparks, Kelley Sue Tidwell, Joe Roy Vann, Brenda Wallace, Renee Berry, Johnny Hardin, Clay Helms, Carl Jones, Robert Kerns, Earl Leach, Connie Mahaffy, Keon Dee McKimney, Gayle Posey, Bobby Rodgers, Clark Shamblen, Larry Tollison, Katherine Weems, Santana Yanez.  
--Bob Burnes

**Welcome Letters Sent To Visiting School**

This year, the Student Council and cheerleaders sent letters to the visiting schools before home games. The letters were sent offering assistance and welcome. The student council letter was directed to the student body and faculty as a whole. The cheerleaders' letter was directed to the cheering section. The letters received by Roscoe and Coahoma were published in their school papers. Baird used the letters in a pep rally.  
--Sunny Partin.

**Debate Subject Nuclear Disarmament And Weapon Control**

The Interscholastic League Debate subject this year is resolved that the U. S. should promote international control over nuclear, conventional, and (or) space system weapons. This subject includes disarmament, weapons control, and the powers of the United Nations. Anyone having any material or sound opinions about the subjects could contribute to the assortment of material the debate team will need.

Miss Josie Baird is the debate coach this year, and she attended a practice meet at Texas Tech on November 7.

Rotan has won District in debate for the past three years at contest. Debate is important in a literary meet because it gets twenty points just like the one act play. These points help compile enough points for a school to win the meet, providing the school does well in other events.  
--David Canfil.

**Know Your Senior--**

Birthdate: March 30, 1946  
Birthplace: Spur, Texas  
Present age: 18  
Color of hair: Brown  
Color of eyes: Green  
Favorites: colors, blue; foods, chicken; sports, tennis; subject, journalism; make of car, Chevy; pastime, reading; song, "Little Ole' Lady from Pasadena"; artists, Brenda Lee and Andy Williams  
Pet peeves: People who think they know more than anyone else  
Political preference: Demo  
Number of years in Rotan schools: 12  
Choice of professions: Undecided  
Name: Jeanne Ferris.  
--Sunny Partin.

**Cheerleaders Elected For The '65-'66 Year**

The cheerleaders had their try-outs Wednesday, November 18. The 3 groups each did two yells and then the whole group did one yell together. After the tryouts, the girls were introduced. Then the classes went to third period class to vote for five girls for cheerleaders. The classes voted by secret ballot for the five girls. The candidates drew for their places on the ballot. The '65-'66 cheer leaders are: Lana Cave, Jodie Thompson, Debbie Day, Toni Lusk, Mary Lou Neeley.  
--Lupe Montez.

**1964 Yellowhammer Football Lettermen**

Twenty boys who lettered for the 1964 season are, Pete Garcia, senior; Stephen Baugh, soph.; James Tompkins, junior; Archie Overby, sophomore; Bruce Baugh, senior; Steve Edwards, senior; Eddie Mac Lang, senior; Eddie Edwards, junior; Charles McCall, sophomore; Tony DeLeon, senior; Jimmy Heathington, senior; Bob Burnes, senior; Buddy Day, senior; Curtis McQueen, junior; Jerry Dycus, junior; Don Sexton, junior; Billy Dycus, senior; Joe Carrillo, junior; Larry Van Loon, freshman; Ralph McArthur, senior.

Three players unable to finish out the season due to injuries were, Raford Hargrove, Curtis McQueen, and Buddy Day.  
--Diantha Tankersley.

**Stage Band Activities And Rehearsals**

The stageband has already presented its first two programs. The first was a Fellowship for all students after the Rotan-Jim Ned game. Also, they played for the PTA meeting, November 19.

The band rehearses during the afternoons and sometimes at night. A schedule has been worked out between Mrs. Strayhorn and Mr. Burroughs in order that students might play in the band and also participate in basketball. The past week the band practiced during activity periods.  
--Sunny Partin.

**Girls' Basketball Season Opens Nov. 24**

The first scrimmage of the girls' basketball team was Thursday evening with Hobbs. The first game of the season will be November 24, at 7:00 with Jayton and it will be there. The next game will be December 1, at 7:00 with Hermleigh. There will be twelve girls on the "A" team and twelve girls on the "B" team. These will be chosen from those who have gone out for basketball. During their practices, they have drills of passing, dribbling, running, shooting, and guarding. Coach Burrows has also taught the girls some new plays.  
--Cheryle Elliott.

**FFA Places Fourth In Radio Program**

The Rotan Chapter of the Future Farmers of America was represented recently at the annual district Radio Program at Hamlin. Eddi Mac Lang, Ruben Rodriguez, and Ralph McArthur presented the program. Mr. M. R. Womack was their sponsor.

The boys received fourth place out of nine entries with Leuders taking home top honors. The radio program was held in the Hamlin High School Auditorium with the contestants reading over a microphone behind a closed curtain.  
--Ralph McArthur.

**Yellowhammer Field Used For 6-Man Game**

The Rotan Yellowhammer Field was the site for a six-man football game recently. The Hobbs Panthers and the McCaulley Eagles played their final game of the season here Friday, November 20. Hobbs players filled the home team bench with blue and white with McCaulley just across the field. They used the home team's locker room while McCaulley acted as visitor for the night.  
--Bob Burnes.

**Students Congratulate Coahoma Bulldogs**

The Student Council sponsored a letter to the Coahoma Bulldogs. The congratulatory letter was signed by most of the students.

The letter was written to congratulate them on winning the district championship in football, and play-off games.  
--Diane Phillips.

**Boys Basketball Workouts Start**

Boys' basketball workouts started Monday, November 16. There are 35 out for the sport. There will be 12 taken on the first team, and the rest will be on the "B" team. The first scrimmage game was with Jayton on Tuesday, and the first scheduled game will be with Hermleigh on December 1, there.  
--Buddy Day.

**Birthday Greetings**

Birthday greetings are extended to Cindy Berry, Barbara Eades, Stormie Partin, and Gloria Snapp.  
--Buddy Day.

**Season Standing For District 6-A**

The 1964 season standing for district 6-A ended with Coahoma in first place with 10 wins and no losses; Rotan-third with six wins and four losses; Merkel-fourth with five wins and five losses; Roby-fifth with four wins and six losses; Roscoe-sixth with four wins and six losses; Wylie-seventh with one win and nine losses; and Jim Ned - eighth with no wins and ten losses.  
--Diantha Tankersley.

**Hunters Asked To Donate Hides**

Abilene, November 17 - "If you bag one - bag it!" deer hunters are reminded by Mrs. T. C. Campbell, Abilene. "At least bag the hide," she pleads, "as we're begging every scrap of buckskin for patients in our state hospitals and special schools."

The Volunteer Services Council, headed by Mrs. Campbell, once again will have donated hides tanned and distribute the leather among the 28,000 patients in Texas mental hospitals, tuberculosis hospitals, and schools for the mentally retarded. It is used in rehabilitation projects.

"Throw a handful of table salt on the hide, let it drain, 'bag it' in heavy paper and send it to Austin Taxidermist Studio, 2708 South Lamar, Austin, and we'll do the rest," explains Mrs. Campbell.

"Mark the shipping tag 'charity,' and most motor freight lines will haul hides without charge. If hunters request, locker plant operators will send in hides," adds the Council leader.

"The 28,000 Texans in the hospitals and schools join me in saying, 'we hope it's in the bag' for every sportsman," said Mrs. Campbell.

**Little Cotton Ginned During Last Week**

Cotton harvesting was at a standstill last week. A few gins operated on Monday to clear gin yards of cotton harvested during the weekend. Sample receipts at the USDA, Cotton Classing Office in Abilene were down about 7,400 from the previous week. Receipts for the week ending November 20, 1964, totaled 11,150 which brought the season total to 109,500.

Grades of cotton from District 2 - Coleman, Runnels, Taylor, Nolan, Mitchell, Scurry, Fisher, Jones, wall, Kent, and Dickens Counties - were about the same as they were the two previous weeks. Eighteen percent of the samples were white, 72 percent was light spotted and 10 percent was spotted. About 2 percent of the samples were reduced in grade due to bark and grass. Staple lengths showed a slight improvement and were: 4 percent 7-8; 43 percent 29-32; 56 percent 15-16; 5 percent 31-32; and 1 percent 1-inch and longer.

Eighty-two percent of the mike readings were in the 3.5 - 4.9 range and 17 percent miked 5.0 and above. Less than one percent of the samples miked below 3.5.

Cotton market activity was steady last week. Gross price received by producers for Middling Light Spotted Cotton ranged from 40 to 75 points above loan value while Strict Low Middling Light Spotted and lower grades of cotton brought 80 to 135 points premium. The demand for Middling Cotton was not good.

**Bond-Carter Wedding To Be December 18**

Mr. and Mrs. Alvis Bond, 602 Northwest Avenue G, Hamlin, are announcing the engagement of their daughter, Rose Diane Bond, to Mr. Terry Lynn Carter, son of Mr. and Mrs. A. L. Carter, 251 West Lake Drive, Hamlin.

The wedding will be held December 18, 7:00 p. m. in the First Baptist Church, Hamlin, with Rev. Byron Bryant, pastor officiating.

The bride-elect and prospective bridegroom are both graduates of Hamlin High School. Mr. Carter is attending the Stenograph Institute of Texas where he is studying to be a court reporter.

The couple will make their home in Abilene. Friends are cordially invited to attend the wedding.

**Yanez Serving Aboard Anti-Sub. Carrier**

USS Randolph (FHTNC) -- Manuel C. Yanez, seaman, USN, son of Mr. and Mrs. Luther Yanez of Rotan, is serving aboard the anti-submarine carrier USS Randolph operating out of Norfolk, Va. Randolph operates with anti-submarine warfare "Hunter-Killer" groups, composed of surface, subsurface and air units designed to seek out and destroy enemy submarines.

### Rolling Plains Cotton Growers Organization Holds Meeting

The steering committee of the Rolling Plains Cotton Growers, Inc. held an organizational meeting in Stamford recently, at which members were named to county committees in most of the 28 counties in Texas and Oklahoma which are covered by the association.

The group also adopted an outline of objectives and purposes for the newly organized association, which primarily grew out of a desire on the part of producers in the Rolling Plains area to control the boll weevil and other harmful cotton insects.

According to the steering committee's president, Sam Reed, Northern Star Seed Farm, O'Brien, the following are the objectives and purposes adopted by the committee:

"To promote and protect the interests of Rolling Plains cotton producers; to foster improvement of the conditions under which cotton is produced and sold with special emphasis to control of the boll weevil and other pests; to promote a coordinated program of sound information which will include management practices by the growers that will assist in a better insect control program at a reasonable cost; to cooperate with and support established organizations in the cotton industry and general agricultural organizations in finding and pur-

### The Rotan Advance Thursday, Nov. 26, 1964 No. 43

suings reasonable and appropriate approaches to problems of mutual interest; to do all things else that may seem reasonable and appropriate for improving the conditions under which Rolling Plains cotton and cottonseed are produced and sold, and for promoting the welfare and protecting the interests of cotton producers provided, however, that this Corporation will not engage in the business of buying or selling of cotton or cottonseed or their products."

Named to the county committee for Fisher county at the Friday meeting were: Foy Mitchell, L. E. Newton and one other to be selected.

Counties included in the Rolling Plains Cotton Growers area are: Baylor, Childress, Cottle, Fisher, Foard, Hardeman, Haskell, Howard, Jones, King, Knox, Mitchell, Nolan, Runnels, Scurry, Stonewall, Taylor, Throckmorton, Willbarger, Concho, Coke and Tom Green Counties in Texas, and Harmon, Jackson and Tillman Counties in Oklahoma.

Guests in the home of Mrs. C. C. Roach last weekend were her daughter and husband, Mr. and Mrs. Vancil of Fort Worth and her sister, Mrs. C. C. Bruce. Mrs. Roach and Mrs. Bruce went home with them and will visit in Dallas and Irving.

### Rotan Ladies Attend Art Display in Snyder

Some 150 guests attended special showing, Saturday, of the works of George Phippen at the Diamond M Foundation Art Gallery in Snyder. Guests attended from Abilene, Dallas, Fort Worth and Midland.

Those from Rotan attending the show were Mmes. J. R. Strayhorn, Roger Smith, Mark Strickland and Lena Patterson.

### Calendar Club Meets With Mrs. LeBleu

In the home of Fran LeBleu, Tuesday, Nov. 24, the Calendar Club had its monthly meeting, with co-hostess Nona Williams. Delicious pumpkin pie and coffee were served to 19 club members and one guest, Mrs. Lloyd Cross.

Teresa's Beauty Shop brought an enjoyable program in hair styles, perms, and hair coloring. Ellen Gruben replaced Becky Stoneham as reporter-historian. It was voted that membership be 33 instead of 30.

Dudley Wagstaff recently visited his cousin, Mrs. Mark Strickland and Mr. Strickland as he was returning to his home in California, after visiting his sister Mrs. Jack Wilhite and Mrs. Wilhite in Clarksville. He reports the Wilhites are doing fine in Clarksville. They are former long-time residents of Rotan.

### THANK YOU

We wish to thank our many friends and neighbors who remembered us in any way during my illness and stay in the hospital.

The many cards and letters, visits and every act of kindness that was shown is so very much appreciated. All these make the time pass more quickly and pleasant.

May God bless each and everyone is our prayer for the best people on earth.

Shela and Esther Taggart.

### CARD OF THANKS

I want to thank the ones that had my home warm and ready for us when we arrived in Rotan Tuesday. And I thank you all for the nice food that was brought in, for the beautiful flowers and the kind words of sympathy in the loss of my dear sister. May God bless each one of you.

Mrs. J. N. Clark and children.

 Sunny Partin.

## Modern Culture Music For PTA

The joint session of the PTA was held Thursday night at 7:30 in the high school auditorium. Mrs. Bill Hayes presided and turned the program over to Mrs. Tillotson. The program was on Culture in Music.

Mrs. Tillotson explained the work being done in Primary. Then Mrs. Edwards led the first grade in a choral recitation of nursery rhymes and Mrs. Callan conducted a third grade rhythm band. Mr. Hill, principal of junior high, explained the work being done there. Mrs. McCasland then had a group of seventh graders enact parts of books they were reading, such as Little Women and Tom Sawyer. Mr. Neil Wright, principal of high school, explained our music program. Mrs. Bartlett Strayhorn then directed the Stage Band in several numbers and the "Blue Notes" joined in on Mood Indigo.

--Zana Thompson.

Good news for patient people.

## The Rotan Advance Thursday, Nov. 26, 1964 No. 43

### Heroes, Sweethearts, And Award Winners

When the Seniors of '65 started to school eleven years ago, there were sweethearts, heroes, and award winners as there are now.

In 1954, Harold Hamlin was Football Hero; Shirley Bridges, Sweetheart, and Jimidine Kingsfield received the Most Valuable Band Member award. 1955 found Edward Hammond as Hero; Jan Carriker, Sweetheart, and Freddy Smith, Band award winner. Jimmy Waddell was Hero; Sarah Cardwell, Sweetheart, and Jerry Tempier, Band winner in '56. Hero, Sweetheart and winner of the Band award in 1957 were George Bridges, Lois Shipp, and Linda Smith, respectively. The Hero of 1958 was Winfred Shipp; Sweetheart, Lynn Byrley, Band award winner, Mary Lou Ashton. Mary Lou was also Band Sweetheart in '59 with Jim Blount as Hero and Joyce Shipp, Sweetheart. Bradley Brittain, Jan David, and Glenda Burrow were Hero, Sweetheart, and Band Sweetheart, respectively, in 1960. In the year of '61, Linda Singley was Band Sweetheart, Karen Clements, runnerup; Judy Edwards, Football Sweetheart, and Erbie Rodgers, Hero. Runner up to the Band Sweetheart in 1962, Carolyn McDaniel, was Celia Reese, with David Baugh, Hero; and Sue Curry, Sweetheart. '63, the year of the State Championship, Steve Herron was chosen as Hero; Janice Thompson, Sweetheart, and Ann Tillotson, Sweetheart of the Band. Bill Burnes, Hero; Norma Sparks, Sweetheart, and Judy Whitefield, and Sweetheart were last year's selections.

--Cheryl Hammit.

### Activities During Second Six Weeks

We have finished our second six weeks. We are now two-thirds into our first semester, with one six weeks remaining. Due to the Thanksgiving holidays, our report cards will be ready for us on Monday, November 30th.

Some of the events during the second six weeks were these: there has been a turkey shoot, ending of ribbon sales, space program from NASA, try-outs for cheerleaders, FHA received jewelry and went to style show, banquet for the football boys and the band, choosing of FFA Sweetheart, an assembly program honoring the senior football boys. The band and twirler went to San Angelo for a marching and twirling contest, and the senior class completed plans for a play entitled "I Am a Family Crisis. The cast has been chosen and rehearsals are now in progress.

--Jeanne Ferris.

## 4-H Club Banquet Held Monday Night

Thirty-five of Fisher County's leading 4-H club boys and girls and 14 of their most active 4-H adult leaders received awards at Roby Monday at the ninth annual achievement banquet.

The event, sponsored by Midwest Electric and Citizens State Bank of Roby, was held in the school cafeteria with 4-H members presenting most of the program.

Miss Alice Kemp, home demonstration agent, and James Norman, agriculture agent, were assisted by adult leaders in presenting the awards to 4-H'ers.

Sandra Herron of Rotan, co-vice chairman of the county 4-H council, presided. Terry Floyd, chairman of the council, gave the invocation.

Kenneth Green introduced guests and Susie Cave presented the 4-H members, who were in charge of the entertainment. They were Kay Schubert and Ann Kemp, vocalists, accompanied by Brenda Morton, and Nancy Ashley and Donnie Sheffield, who presented the piano solo.

The Gold Star awards to the county's outstanding 4-H club boy and girl went to Sandra Herron and Donnie Sheffield.

Sandra, 16, is the daughter of Mr. and Mrs. C. D. Herron of Rotan. In seven years of club work, she has been outstanding in leadership, clothing projects and beef cattle. She is a junior in Rotan High.

Donnie, 14, is the son of Mr. and Mrs. J. C. Sheffield of the Busby community. His top projects in his six years of club work have been in dairy and poultry. He is a student in Reagan Junior High at Sweetwater.

Top adult awards went to Mrs. W. P. Schubert and Morris Guelker, both of Longworth, and to Jerry Robertson of Midwest Electric. The latter received special recognition for his work in assisting the 4-H program.

Other awards presented include the following:

Achievement, Sharon Mitchell; clothing, Brenda Morton; dress review, Kay Schubert and Ann Kemp; beef cattle, Susie Cave and Sandra Herron; field crops, Terry Floyd; public speaking, Michael Schubert; bread demonstration, Shelia Justiss, Luanne Womack, Leniada Coffman, and Vickie Parker; clothing, Aletha Morgan and Sue Brumfield; dairy foods, Judy Carlton; dress review, Judy Scherwitz; electric, Barbara Mitchell; foods-nutrition, Peggy Coffman, Marsha Armstrong, and Karla Kreidel; food preservation, Becky Sheffield, Sharon Justiss, and Annette Cleveland; home economics, Linda Morgan; poultry, Nancy Whitworth; records, Janice Hardy, Kathy Maberry, and Prescilla Reed; beef cattle, Bobby Smith, Phillip Maberry, and Mike Herron; poultry, Donnie Sheffield and David Hill; and wildlife conservation, Kenneth Green.

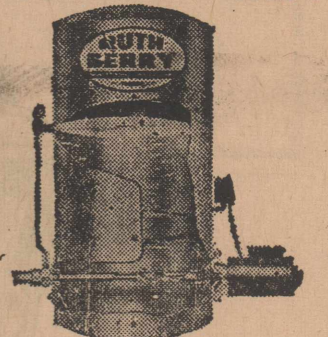

Adult awards went to the following:

Mrs. Carl Kreidel, Mrs. Howard Whitworth, Mrs. Frank Mitchell, Mrs. A. A. Smith, Mrs. W. J. Coffman, Mrs. W. D. Cleveland, Mrs. Thurman Terry, and Mrs. W. P. Schubert, and Jerry Robertson, W. P. Schubert, Thurman Terry, W. D. Cleveland, and Morris Guelker.

### SCS Office Urges 'Shinnery' Improvement

Recent surveys show there are approximately 16,000 acres of Fisher County which are heavily infested with shin oak or what is commonly called shinnery. These deep sands, which are supporting this shinnery, have the potential of being one of our most productive types of rangeland. High grass production can be effectively restored to these areas by applying proper methods of shin oak control and in many cases, reseeding these areas with the proper grasses.

There are three methods of mechanical control which are commonly used on shinnery, and are effective of properly applied. They are mowing, chopping, and shredding. These methods produce annual benefits and should be repeated yearly as needed to keep the shinnery under control.

If reseeding is necessary, to have the desired grasses, the use of the rolling chopper is an excellent method of mechanical control and the same time gives enough ground disturbance for a good seedbed in which to seed the desired grasses. If this method is used, a follow up in the two successive years with aerial spray is effective in controlling the regrowth, which results from the chopping.

If sufficient amounts of the better grasses are present and reseeding is not necessary, the chemical methods of control can be effectively used alone.

When chemicals are applied either by aerial spray or other methods, there are certain principles that should be followed to obtain the best results. Applications should be made in the spring when all the plants are in full foliage. There should be sufficient moisture in the soil to insure at least thirty days of vigorous growth immediately prior to spraying, so the plants can absorb and circulate the poison through the plant effectively. A second application should be made the following year after the first application, provided new leaf development is sufficient to insure effective results.

Pastures should be deferred from grazing or rested for the entire growing season following brush control and seeding, or if seeding is not done, the pasture should rest at least three months following control, and if possible, the entire growing season. This deferment will assist grasses from seedlings to become established and old grasses to gain in vigor, and overcome the suppressed effects which the brush had on them.

Federal cost-share is available for shin oak control through the Great Plains Conservation Program, which is administered by the SCS office in Rotan. This cost share program is

## when Rural Electric give life to democracy

Democracy, like people, gains strength from exercise.

When Americans engage in political debate and vote in free elections, they breathe new life and vitality into the democratic process.

America's rural electric systems provide a continuing example of how democracy flourishes in one sector of the electric power industry. Each year in hundreds of meetings all over the country the members of these cooperatives and other consumer-owned systems meet to review... to discuss... to debate and to cast their votes.

Each member has one vote, in accordance with cooperative tradition and democratic principles. These member-consumers have the final say in the policies and direction of these business enterprises.

Rural electric were created in the democratic tradition by the people they serve to bring light and power to rural America. And they are keeping pace with continually growing power requirements with the help of Rural Electrification Administration loans which are repaid with interest.

Working with their government to meet the nation's needs, rural electric also give life to democracy... and everybody benefits.

### Accident:

insurance for yourself. Complete protection against personal injury family, and hired hands, caused by mischance.

### DKG Members Attend Regional Meeting

Area chapters of Delta Kappa Gamma met recently in Abilene for the annual fall state Regional. The meeting was held in the Woman's Club Building. Registration and coffee began in the foyer with an Initiation Ceremonial following. Miss Mima Williams of Abilene was director of the Initiation which was conducted by Dr. Lola Beth Green, Regional Director, and Chairman of the State Committee on Scholarships. Gamma Tau Chapter had one initiate, Mrs. J. Frank Davis of Sweetwater. Mrs. Davis was escorted by Mrs. Herman Phillips of Gamma Tau.

The program theme, "How We Succeeded in Delta Kappa Gamma Without Half Trying" was developed in five phases. Mrs. Lean Scott, president of Delta Alpha Chapter of Coleman, and other members of her chapter presented a skit on "How We Succeeded in Stimulating Committee Work." Mrs. Roy Carter, president of Zeta Lambda Chapter of Snyder, and other members from her chapter, presented the topic "How We Succeeded in Improving Attendance."

Following these skits Mrs. Ruth Parsons, supervisor of music in Abilene Schools, directed a sing-song.

Following the sing-song, Mrs. Donna Reed, president of eta Epsilon Chapter of Colorado City, used dialogue and pantomime to develop the topic "How We Succeeded in Keeping Our Members Active." Members of Gamma Tau and Zeta Lambda, "off-spring" of Colorado City Chapter, were used in the pantomime. Mrs. Joe Benson, president of the local chapter, and other members of Gamma Tau presented the topic "How We Succeeded in Expanding Our Chapter." Mrs. Benson led in reminiscence about the early struggles of the chapter and its accomplishments.

Following the skits Dr. Green presented chapters who were listed on the state roll of Honor Chapters for scholarships. Gamma Tau was a member of the honor group. She then directed a question and answer session in which members were asked to share experiences in how to succeed in our scholarship program. Toastmistress for the Luncheon was Mrs. Jewel Harris of Abilene. Miss Lois Rogge, Elementary Supervisor of the Midland Schools, was speaker at the luncheon. Her subject was "Constancy in Purpose." She challenged Delta Kappa Gamma members to a constancy of purpose in personal growth, spiritual fellowship, and professional advancement.

Members of the local chapter attending the Regional were Mmes. Benson, Ruth Knapp, Phillips, Virgil Wolfe, Robert Higgins, James B. Day, Whit Clark, Wilma Robertson, and Misses Louise Bollinger, Vera Ely, Delila Baird, and Helen Etheridge.

### HD Club Has Thanksgiving Dinner

The Home Demonstration Club held their annual Thanksgiving dinner Friday, Nov. 20, at the home of Mrs. W. L. Terrell.

Following the dinner a business session was conducted with Mrs. Barney Bigham president.

To conclude the program, an auction sale of handmade gifts held with Mrs. Dono Darden as auctioneer. The auction sale was thoroughly enjoyed by all.

Two visitors present were Mrs. Lelia Busier and Mrs. W. L. Whited of Carlsbad, N. M.

Members present were Mmes. W. J. Koffman, Dick Edwards, Pearl Cooper, J. D. Burk, Dono Darden, Barney Bigham, G. C. Shell, Joe Henry, Homer Aaron, C. C. Roach, and W. L. Terrell.

Mrs. Leonard Davis of Sweetwater spent Sunday here with her parents Mr. and Mrs. D. A. Williamson.

Sorry to disturb you but some folks across the field asked for electric service. Midwest Electric Cooperative, Inc. has a covenant to offer area coverage and when they asked for service we took the most direct route to their home. While we realize we have disturbed you, just think what electricity will mean to these people. It has brought a new way of life to thousands of rural people. Uses for electricity are multiplying like . . . if you'll excuse the expression . . . like rabbits. And Midwest Cooperative, Inc. must stay ahead of demand, so dig another burrow close by. You'll be safe there . . . until the next rural family calls for service.

## MIDWEST ELECTRIC COOPERATIVE

### Christian Science Service Sunday

The power of Truth over illusion will be a central theme at Christian Science churches this Sunday. The hypnotic nature of evil will also be described in a Bible Lesson on the subject: "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

Featured will be this vivid passage from Revelation 12: "And the great dragon was cast out, that old serpent, called the Devil, and Satan which deceiveth the whole world."

Related readings from the Christian Science textbook will include these lines: "Mortal mind is constantly producing on mortal body the results of false opinions; and it will continue to do so, until mortal error is deprived of its imaginary powers by truth, which sweeps away the gossamer web of mortal illusion . . . Truth casts out error now as surely as it did nineteen centuries ago" (Science and Health with Key to the Scriptures by Mary Baker Eddy, pp. 403, 495).

Mr. and Mrs. Donald C. Fritz and two daughters, Christine Marie and Catherine Ellen of Arlington came Wednesday to spend Thanksgiving with her parents, Mr. and Mrs. Alvin Clark and her aunt, Mrs. Fern Benson.

## Accent on Health

J.E. PEAVY, M.D.  
Commissioner of Health

Have you ever heard of "buck fever"?

Chances are you have, if you've ever hunted - or listened to hunting tales, as most Texans have.

Few hunters - or deer, for that matter - ever die as a result of buck fever. This so-called fever or disease usually occurs when a hunter spots a deer and loses his head instead of being calm.

But over a hundred died last year and will this year from a symptom of this disease - lightheadedness - although it is labeled "hunting accidents" in the books.

For example, who would ever climb up an unfamiliar tree in the dark, carrying a loaded gun - except on the first morning of deer season?

Who would ever put a loaded gun in the hands of an untrained teenager and turn him loose in the woods - except during deer season?

Or who would ever snake his way through a barbed wire fence, wagging a loaded rifle behind him - except during deer season?

And when would you ever choose a loaded rifle for a companion around the campfire or over a hot cup of coffee - except during a hunting excursion?

Planning, preparedness and thoughtfulness would eliminate many unnecessary hunting fatalities. Unloading your rifle before you climb a tree or go through a fence takes a few seconds - maybe even a minute - but why gamble a minute against your life?

If your youngster wants to hunt, prepare him before you take him out. Teach him gun-handling techniques and safety, or check in your community for gun-handling courses.

When you take time out from your hunting for coffee, a nap or supper, unload your gun. A loaded gun is a dangerous companion.

A cardinal rule for hunters of any kind and at any time is, to make sure you know what you are shooting. Almost every year the headlines tell about someone who was mistaken and shot for a turkey, deer or game of some sort.

Buck fever is nothing to be ashamed of, but carelessness is. When you load your rifle this season - or any time, for that matter - leave your light headedness behind.

### A Letter To Make One Think-

Dear World:

My son starts to school today. It's all going to be strange and new to him for awhile, and I wish you would sort of treat him gently.

You see, up to now, he's been king of the roost... He's been boss of the back yard. His mother has always been around to repair his wounds, and I've always been handy to soothe his feelings... But now things are going to be different.

This morning he's going to walk down the front steps, wave his hand, and start out on a great adventure. It's an adventure that might take him across continents. It's an adventure that will probably include wars and tragedy and sorrow.

To live his life in the world he has to live in, will require faith and love and courage. So world, I wish you would sort of take by his young hand and teach him the things he will have to know. Teach him - but gently, if you can.

He will have to learn, I know, that all men are not just, that all men are not true. But teach him also that for every scoundrel there is a here - that for every enemy, there is a friend.

It will take time I know, but teach him, if you can, that a nickle earned is far more value than a dollar found. Teach him to learn to lose - and enjoy winning. Steer him away from envy, if you can, and teach him the secret of quite laughter.

Let him learn early that the bullies are the assist popl to lick. Teach him if you can, the wonder of books. But also give quite time to ponder the eternal mystery of birds in the sky ( boss in the sun, and flowers on a green hill.

In school, World, teach him it is far more honorable to fail than to cheat. Teach him to have faith in his own ideas, even if everyone

tells him they are wrong. Teach him to be gentle with gentle people and tough with tough people.

Try to give my son the strength not to follow the crowd when every one else is getting on the band wagon. Teach him to listen to all men - but teach him also to filter all he hears on a screen of truth and take only the good that comes through.

Teach him, if you can, how to laugh when he is sad. Teach him there is no shame in tears. Teach him there can be glory in failure and despair in success.

Teach him to scoff at cynics and to beware of too much sweetness. Teach him to sell his own brawn and brains to the highest bidder but nev-

er to put a price tag on his heart and soul- Teach him to close his ears to a howling mob - and to stand and fight if he thinks he is right.

Teach him gently, World, but don't coddle him, because only the test of fire makes steel. Let him have the courage to be impatient. Let him have the patience to be brave. Teach him always to have sublime faith in himself. Because then he will always have a sublime faith in mankind.

This is a big order, World, but see what you can do... He is such a nice little fellow... My Son.

Midweek Prayer Service  
Wednesday --- 7:30 p. m.

**"Let This Cup Pass"**

*—Nevertheless, not my will but Thine be done.*

Have you prayed such a prayer? Have you ever asked God to remove the heavy cross, the rough way, the bitter cup? The Master had but one aim: *to do the will of His Father in Heaven.* Jesus said, "not my will but Thine be done." Is that your attitude? Do you ask to know His will with you? Do you bother to go to church and take your family? Have you realized that all you have come directly from God? Do you count it a privilege to support His Kingdom's work? *Have you made the doing of His will the primary motive in living?* Brother, nothing else really matters. Your church and your pastor can help you in this vital matter.
