NEWS OF INTEREST FROM HASKELL

Employment of Glaze for Ornamentation Old
 A new method of ornamentation for pottery is being developed by the Haskell Pottery Co. The process involves the use of a special glaze which is applied to the surface of the pottery before it is fired. This glaze is made from a mixture of various minerals and is applied in a variety of colors. The result is a pottery which is both beautiful and durable. The Haskell Pottery Co. is one of the largest pottery manufacturers in the United States and is known for its high quality products.

Industry Stimulator

Lord Church's visit to West Texas said:

"There's no chance of comparing America and England. You have the cheapest power possible. Everybody can use it, whereas in England it can't be done. I pay 25 cents a kilowatt hour for electric service. It is impossible for all classes to have this convenience. For instance in the agricultural areas, where laborers are paid 31 shillings a week, they could not afford to buy electric service.

"West Texas should be very thankful for cheap power and for its availability to all. Big power companies certainly are of great stimulation to Texas Industry."

WHY Risk Loss By FIRE

It's so needless to take a chance when safety may be purchased at a few cents a day. Yearly, experience proves the value of Fire Insurance. The wails and moans of the uninsured contrast vividly with the satisfaction of those compensated for their losses.

WHEN CHILDREN Need a Laxative. We have used Theford's Black-Draught in our family for nineteen years. I have found it of great help in raising my family. I have given it to all six of my children. Whenever they complain of upset stomach, or begin to look pale and sick, I make a tea of Black-Draught and begin giving it to them. In a day or two they are all right. I give it to them for constipation, and my husband and I both take it. I always give it for colds in winter, for I believe a way to prevent them is to keep the system clean.—Mrs. Doshie Terry, 1205 4th Ave., Decatur, Ala.

FATHER DIES IN SON'S ARMS AFTER BOY RUNS HIM DOWN

Youth Giving Aid After Collision Finds Parent Dying "Good-by to Mother."

Hagerstown, Md.—Mortimer R. fourteen, was riding his bicycle home through the mud to hurry to a home full dinner with his mother had prepared. With a warning, an oncoming figure of a person arose before the dim light of his wheel. Thrown into a ditch, he heard a man moaning loudly. He hurried to give help, and he man in his arms, and by the flickering rays of his overhead bicycle lamp recognized his father. The boy breathed loudly a "good-by to mother," and then died from a broken neck while the convulsive leap of his sobbing son.

A Fair Cop

For years and years and years—no, let us say months? For weary hours the mother sat watching his bed. It never occurred to her that a child of the river might be trouble and worry for her in the night.

"This, with the sweet of an eye, he'll fall with the feet of a bull in the village cemetery, even to him."

"The boy isn't allowed in this pond," he snarled. "If it is." The fishermen turned toward him to the and jerked the boat out of the water.

"It's not fishing," he roared, with words between in his voice. "The fountain has been to ruin."

Wisdom of Antoninus

For a man can lose neither the past nor the future; for how can one take from him that which is not his? So remember these two points: First, that each thing is of like form from everlasting and comes around again in its cycle and that it signifies not whether a man shall look upon the same things for a hundred years or two hundred, or for an infinity of time; second, that the longest lived and the shortest lived men, when they come to die, lose one and the same thing—Marcus Aurelius Antoninus (121-180 A. D.). "Meditations"

Causes For Hatedressing

In the early thirteenth century hatredressing in France was and the people of Italy. Much more hated were their hair piled so high that they could not see to save their hair. It was called a "hat" because it was like a hat. It was called a "hat" because it was like a hat.

Realism

The author says that the man who is a realist is a man who is a realist. The man who is a realist is a man who is a realist. The man who is a realist is a man who is a realist.

Note From Coolidge

Nine Years on Way

New Bedford, Mass.—A letter written nine years ago by Calvin Coolidge, then governor of Massachusetts, was received by Joseph Booker, this city, a few days ago. With the letter Mr. Coolidge enclosed the quilt which he used in giving an act and a certificate and was to appropriate money for emeralds to soldiers, sailors and airmen, April 11, 1917.

Mr. Booker, post commander at Charles V. Granger Camp, No. 81, Spanish War Veterans, was advised it to receive the quilt as a memento because it was given to him and had been used in the measure. The letter was signed by the Massachusetts Department of the Spanish War Veterans and was delivered to Mr. Booker. He gave his address and the quilt. The letter was not sent. It remained unopened and forgotten until a few weeks ago. The man who ran the post office Mr. Booker's address and sent a message to call for the document and the quilt. He gave a note to his son, who works in Boston and comes home every week, authorizing him to receive the memento of the son brought it home. The letter reads: "It gives me great pleasure to find you have with a note which I have today signed authorizing you to have appropriate money for emeralds, soldiers, sailors and airmen, my truly yours, Calvin Coolidge."

New Beauty for the New Ford

THE NEW FORD... ANOTHER STEP FORWARD

THE introduction of the new Ford bodies has set a high standard of motor car value. From the new deep radiator to the tip of the curving rear fender, there is an unbroken sweep of line—a flowing grace of contour gaining added charm from the rich and attractive colors. You will take a real pride in the smart style and fresh new beauty of the Ford just as you will find an ever-growing satisfaction in its safety, comfort, speed, acceleration, ease of control, reliability and economy. In appearance, as in mechanical construction, craftsmanship has been put into mass production. New beauty has been added to outstanding performance. A feature of unusual interest is the use of Rustless Steel for the radiator shell, head lamps, cowl finish strip, hub caps, tail lamp and other exposed metal parts. This steel will not rust, corrode or tarnish and will retain its bright brilliance for the life of the car. Here, as in so many other important details, you see evidence of the enduring quality that has been built into the new Ford. Roadster, \$435. Phaeton, \$440. Coupe, \$500. Tudor Sedan, \$500. A HELPFUL PRAYER MEETING FOR EVERY ONE

For the next three months we are to study the book of Hebrews at the prayer meeting service. This is one of the great books of the Bible. It throws more light on the relationship of the New Testament to the Old Testament than any other book. There will be a different teacher for each chapter. The teacher's name will be made public until the prayer meeting service begins. Each one is urged to read and study each chapter, so you can take part in the service if the teacher wishes to use you. Every service will be a spiritual feast. You cannot afford to miss. Do not forget your Bible.

11:00 a. m. Subject, "OUR HELPLESSNESS WITHOUT JESUS"

This subject will be illustrated by the failure of the disciples in the midst of a terrific storm. Without Christ we will fail. The life that leaves Christ out is a failure and will not be a blessing to the world in the highest sense. And the worst of all, that life faces eternity without hope. Many times the storm clouds gather about our homes and we prove to be failures, because Christ is not there. If you will come to this service seeking help for the hour of trial, we do not believe you will be disappointed.

7:15 p. m. Subject, "THE GREATEST TRIAL THAT EVER CAME TO A FATHER"

The scriptural lesson for this service will be the twenty-second chapter of Genesis. In this chapter God commanded Abraham to offer his own son as a sacrifice upon an altar. Why did God ask Abraham to do such a rash thing? If Abraham had slain Isaac, would he have been guilty of murder? These and other questions will be answered. The New Testament significance of the trial will be dwelt upon at length.

"Don't get up.."

I'll get breakfast downtown"

Here was puzzled. Lately, she seemed actually anxious to get down town, and at first, after they were married, he enjoyed so much their happy half hours in their sunny breakfast nook.

He suddenly began telling her she looked tired in the morning and he insisted she stay in bed and sleep when she didn't want to.

Why? Why? Her breakfasts were as good as gold as far as ever. She took pride in them. She took pains with the coffee...

Come to think of it, the coffee was peculiar and never the same. Helen went to the telephone and told her troubles to Janet Thatcher.

"Why, of course, it's the coffee, Silly," Janet laughed. "Listen; you try White Swan Coffee on Bob this evening at dinner and I'll wager he'll be eating breakfast at home from now on."

Janet was right. Of course, you would rather breakfast together at home. Everyone would when White Swan Coffee is served. Its tempting aroma and satisfying flavor lend a zestful spirit to the start of every day.

Dames Entertained In Home of Mrs. T. C. Rogers.

Last Tuesday afternoon Mrs. T. Rogers entertained club members of the Merrie Dames Club and spectators in her home. There was a marked contrast between the cheerfulness and cheeriness of the interest and the keen cold of the out of doors. Several hours were whittled around the "42" tables and Mrs. Rogers served her guests a delicious course. They were: Mesdames W. H. Murchison, O. E. Pat, W. A. Duncan, S. A. Roberts, W. Bryant, W. M. Reid, John Peyette, J. A. Jones, H. S. and H. S. Wilson.

Church Open At All Hours For Various Activities.

The coming of the new year has brought the First Methodist church, Haskell, Tex., to the Rev. E. H. H. who has repeatedly expressed that the local

church would serve a larger circle and that the doors of the church would always be open to those who wished to come in. Soon after the completion of the annex, this dream was realized for group meetings are held almost nightly and it is more frequent than otherwise that more than two or three meetings are in progress at one time. On last Wednesday night, the church night service was in progress in the basement of the Annex, the church choir was rehearsing in one quarter, a group was practicing for the play put on by The Glad Hand Sunday School Class and over in the church building proper, the boy scouts were having a meeting. Practically every afternoon the basket ball boys practice there also. This is as it should be.

The North Ward P. T. A.

The North Ward P. T. A. met in regular session Thursday afternoon with the president, Mrs. P. T. Sanders in the chair. It was decided to change the date of meeting from the 1st and 3rd Thursday to the 2nd and 4th Thursdays of each month so as not to conflict with the meeting dates of the South Ward P. T. A. Mrs. R. E. Sherrill directed the program on "Child Welfare" and Mrs. Sanders gave the devotional. Mrs. D. H. Persons discussed "Moral Character Building". Mrs. Sherrill asked all present to take part in a round table discussion of "When To Begin Training The Children". Each did so and Mr. Breedlove made a deep and comprehensive talk on this vital subject. The next program will be given by the Haskell Boy Scouts under the direction of Mr. Menefer and every patron of the Haskell schools with their friends are cordially invited to be present. February is National Boy Scout Month and every one should rally to the support of this splendid organization.

Methodist Women's Missionary Society.

Twenty-eight women were present at the Methodist church last Monday afternoon in the weekly program of the Woman's Missionary Society. The adopted theme song of the year, "Take Time To Be Holy" was the opening number. After prayer by Mrs. E. Gaston Foote, the president Mrs. J. U. Fields conducted a short business session, at this period Mrs. Jim Isbel resigned as Superintendent of Children's work and Mrs. C. B. Breedlove was elected to fill the vacancy. This was a Missionary Voice Program directed by the

voice agent, Mrs. Mack Martin. Mrs. S. R. Rike gave the devotional and Mrs. R. C. Montgomery a tribute to the memory of Miss Leola Rankin, who passed to her reward last September after serving as a missionary to China for forty-two years. Miss Rankin was the first missionary sent by the Women's Board. This is the day of dramatization and also of the next play, the old type of three and four acts to convey to the audience one or two high points in a theme is slowly but surely being supplanted and an impressionable one act Missionary Voice play, "How Much Do You Know" was given by the following cast: Mrs. P. A. Womble, Mrs. Hill Oates and Rev. E. Gaston Foote.

The North Ward P. T. A.

PERFORMANCE that belongs to Chrysler ALONE!

AFTER all is said and done, performance is the true index of a motor car—a car's one way of proving how good it is in basic engineering. And today, by all tests, all standards and all comparisons, the new Multi-Range Chryslers, with four-speed transmission and gear shift, are first among all motor cars in performance ability under all conditions.

This is not a mere claim, but a fact; not something you have to take on anybody's say-so, but something you can easily verify. Demonstration and comparison furnish the proof. One ride in a new Multi-Range Chrysler will prove why ownership of a Chrysler inspires a pride all its own.

FORTY-FOURTH YEAR

DISTRICT EPWORTH LEAGUES MEETING HELD AT RULE

Excellent Attendance Reported During Two Days Meeting Saturday and Sunday.

Splendid Epworth League district meeting was convened in Rule Saturday and Sunday at the first Methodist Church. Mrs. E. Gaston Foote, Superintendent of the leagues of the Methodist Church in Haskell, presided in the absence of the district president. This is the Stamford district and there were representatives from every town in the district. A picture was presented to the district delegates for having the highest percent of their membership present. The afternoon of the first day, Saturday was devoted to singing, recreation and a devotional period. In the evening the Haskell league presented the program "The Challenge of the Cross." This was followed by special talks and prayers by the leagues. Sunday morning the secretary's book was examined, Sunday school and the 11 o'clock service attended. The theme for the afternoon was "Know Yourself as an Epworth Leaguer." One of the presidents was presented to the assembly. The district Epworth Era Agents, Charles Rice and Knox City made a fine appeal to the leagues to take the challenge. Charles Rice, president of the Haskell League made a talk specializing on the "Task Given to Us." A spirited contest was quite the work of the Epworth Leagues. Rogers Gilstrap, Epworth Era agent, presented the Epworth Era magazine. As is always the case, as a league day, Rule second to none and on the above occasion they displayed hospitality right royally, for which the visiting leagues are indeed grateful.

LOCAL BOY MADE HEAD OF ATHLETICS AT BAYLOR UNIVERSITY

Everybody in Haskell knows Mr. Reynolds and his special in the Haskell High School, especially as a ball star and will not be in the least surprised to learn that he has been elected a high honor at Baylor University, Waco, a school second none in the south. And he proves that honors come to those who are prepared and to whom honors are due. The following article appeared in the "Daily Herald," Baylor University News, carrying the date Jan. 25, 1930.

Reynolds To Be 'Cub' Manager Year.

Reginald Reynolds, wide football player, was appointed as freshman manager of athletics for the year '31. Reynolds, succeeds Joe Winters, Texas, in that city. Reynolds will be promoted to varsity staff. Reynolds was the letter man on the Haskell football team, and was captain last year. His team did not let honors his senior year. The reason he was captain on the team. In speaking of Reynolds' work as manager of the 'Cub' means that he eventually will be manager of varsity in his senior year in or. All he could say when asked about his appointment was "How did that get out?"

(Jim) Fouts, one of the gentlemen of the Haskell team, in fact the boy who keeps that team going—dropped in Saturday with his batch of laundry bills and he picked him for a renewal of the Free Press and Wichita Times before he could get Jim also renewed for the Free Press which is being sent to Malone at Brownwood, in that Mr. Malone may keep his touch with the happenings in this section.

Humphries of Munday led in his renewal to the Free Press this week, as he intends to attend on the happenings and we have an intention to keep a close watch on the candidates for office as week to week

J. H. Ivey Announces As Candidate For Constable Prec. 1

The name of J. H. Ivey will be on the ballot for the office of constable in Precinct No. 1 about an hour in the Democratic Primary in July.

Mr. Ivey states that he is making a run upon the 30th constituency, a large number of friends and is taking his campaign on the ground of his home town, the office of J. H. Ivey, a constable, for that length of time during which he has established a record of law enforcement that speaks for itself. He is well known as a man of law, having served in that capacity for a number of years and he expects a lot of the past while he has the support of considerable number in every precinct. He promises to elect, to discharge the duties of the office in an efficient and impartial manner to the very best of his ability, and on that basis respectfully asks the consideration of every voter of the constituency. He will try to see each voter in person before the election is held and we bespeak to him your consideration before casting your ballot.

Farm House Near Rochester Burned Saturday Evening

The farm home of A. J. Smith, about three miles west of Rochester was destroyed by fire last Saturday afternoon. The family was at home at the time but were unable to save anything from the flames, as the fire started from a blazing can of oil, and spread quickly through the structure.

The loss is a serious one for Mr. Smith and his family, and they have the sympathy of the entire community.

J. C. Montgomery, one of our substantial citizens, stopped on the other day and gave us his renewal for the Free Press for the ensuing year. This is a yearly habit with Mr. Montgomery and a very pleasant one for us, too. Mr. Montgomery is a retired farmer, and one of the best posted men on farm conditions in the county.

W. M. Cass, who is listed as one of our old-time subscribers, gave us his renewal this week which insures a weekly visit of the Free Press to this home for the ensuing year.
