# THE ROTAN ADVANCE

Volume 60

Rotan, Fisher County, Texas -- 79546 Thurs. July 21, 1967

No. 24

## Hobbs School Cuts Tax Rate

In a recent meeting, the Board of Trustees of Hobbs Independent School agreed to lower the tax rate from \$1.50 to \$1.35. This decrease in tax rate was due to the increase in assessed values on industrial property by 3 1/2 million dollars. In other action for the meeting, the Board set the budget date for August 8 at 8:30 p.m., purchase football bleachers, award the contract to Hale and Teague for remodeling the shop, and have specifications written and take bids for a concession building.

The Board agreed to reemploy the janitor, lunchroom workers, and bus drivers. Floyd Hale of Colorado City was employed as bus mechanic and driver. James Solbery was also employed as a bus driver. After opening bids for the Capitola School Grounds, the Board agreed to table these until next meeting. The 1961 36 passenger Chevrolet school bus was sold to the Clyde Baptist Church for \$896.25. Mr. J. P. Phillips and Mr. Nash Miers were present to encourage the Board to make a deposit for a water meter with the Sweetwater Water District. The Board agreed to make a study of this and postponed action until a later date.

Mr. and Mrs. Carl Cooper and baby of Stamford visited his parents, Mr. and Mrs. J. O. Cooper Sunday.

## Dr. Callan To Show Trip Films

Dr. C. U. Callan will show pictures of the trip he and Mrs. Callan recently made to Expo '67 and the many interesting places they visited on the 6 week trip. The public is invited to see these, which Dr. Callan agreed to show after many requests from local people.

These will be shown at 7:30 Sunday evening following regular services at the Church of Christ.

## Hospital News

Following are local patients admitted to Callan Hospital from July 12 through 18.

C. J. Markham, Sam Hamm, Mrs. John Almanza, Charles Irvin, Neal Martin, Sam Wiley, H. V. Vittitow, Mrs. Jesse Montez, Johnny Molina, Mrs. Emma Howard, Mrs. Salvador Sanchez, Mrs. J. O. Roberts, Mrs. Robert Harrison, Mrs. Perry Eaton, Mrs. L. T. McArthur, Mrs. L. D. McGrew, Mrs. R. B. Woods, Raymond Dennis.

Out of Town patients: Eli Coker, Roby; J. A. Compton, Roby; Mrs. E. B. Nichols, Aspermont; Ricky Reeves, Big Spring; Elmer Cooper, Hamlin; Mrs. O. T. Stephenson, Fort Worth; Mrs. Craig Lynn, Girard; Robert Hamson, (Roby); and J. Lynn, Girard; Freddie Wilpatton, Aspermont.

Births: An 8 lb. boy, Lasaro Rodriguez, was born to Mr. and Mrs. Lasaro Chavez on July 16 at 3:56 p.m.

An 8 lb. 2 oz. boy, Cecil Leon, was born to Mr. and Mrs. C. L. Walker on July 18 at 1:38 a.m.

## Saturday Super Bargain Day

Saturday is Super Bargain Day in Rotan. Participating merchants have arranged many specials for the event and it is well worth your time to look these over.

These merchants appreciate your patronage and are striving to make the Super Bargain Day event attractive to citizens over the entire area. Other features occur during the afternoon.

If you should fail to receive a copy of their circular, ask at any of the participating merchants or call at Advance for your copy.

Several summer sales events are also in the circular.

## H-H Revival Opens July 30

Highland Home Baptist church is announcing Revival at their church from July 30 thru Aug. 6. Services will be held at 10 a.m. and 8 p.m. daily.

Thurman Upshaw is evangelist, Eugene Baker and Alton Smith, pianist. The public is invited to attend all services.

## Service Held For A. M. Dry

Arthur M. Dry, 77, longtime Fisher County resident, died at 8 a.m. Saturday in Hamlin Memorial Hospital. He had been ill five days.

Funeral service was held from Weathersbee Chapel Tuesday at 3 p. m. by Rev. Marshall Stewart of Hamlin; Rev. R. H. Meixner of Roby and Rev. Billy Hudnall of Rotan. Pallbearers were, John Palmer, Aubrey Chandler, H. A. Kiker, Max Carriker, Ode Levens and Bob Werneburg.

Born June 2, 1890, in Erath County, son of the late Mr. and Mrs. J. A. Dry, he married Myrtle Ashley in Rotan September 22, 1909. They farmed near Rotan until buying a farm near Roby a few years ago.

He was a member of the Methodist Church.

Survivors include his wife; one son, Maurice of Los Angeles, Calif.; one brother, Dewey of Rotan; three sisters, Mrs. Ola Kelley of Newcastle, Calif., Mrs. Opal Werneburg, of Austin and Mrs. Etta Werby of Waco; one granddaughter, Donna Lisa Dry of Los Angeles, Calif.; five nephews and 10 nieces.

## WEDDING PLANS ANNOUNCED

Mr. and Mrs. Charles Maynard Sheldon of San Francisco announce the approaching marriage of their daughter, Marjorie Susan to Thomas Rex Hargrove, son of Mr. and Mrs. Thomas Hargrove of Rotan.

The wedding will be in First Methodist Church, Rotan, Friday, July 28 at 7 o'clock.

Mrs. W. B. Tillotson and daughter, Ann and Mrs. Kenneth Leach of Fort Worth left Friday afternoon for Houston where they visited. Ann was an attendant in the wedding of a friend in Shreveport, Texas. Saturday night and then the group visited interesting points in South Texas and will spend several days in Old Mexico.

## Prison Rodeo During October

Huntsville — Some of the nation's topflight entertainment personalities have been booked for personal appearances at the 36th Annual Texas Prison Rodeo each Sunday in October at Huntsville.

H. H. Coffield of Rockdale, prison board chairman and Larry Hooper on October 8. Both Miss Castle and Miss Zimmer were favorites during the 1966 rodeo series. Miss Zimmer's singing has brought her many honors. Hooper doubles as a genial pianist and deep-voiced singer. His rendition of "Oh Happy Day" piled up an impressive sales record of one million discs.

For the October 15 show, the featured attraction will be Judy Lynn and the Judy Lynn Show, said to be the most colorful figures in the country-western stable of music.

Sharing the October 22 limelight will be two well-known country music stars, Buck Owens and Floyd Tillman. Both have reputations as real crowd pleasers. Owens will be supported by his own musical group, The Buckaroos.

Closing the 1967 rodeo series on October 29 will be Roy Acuff, no stranger to prison rodeo fans. He will again bring his own brand of country music — the kind that spelled fame and fortune for this native son of Tennessee.

Also on the bill of fare all five Sundays will be former inmate Candy Barr, who proved to be a popular attraction last year. The famous Zoppe Family will be presented during each performance in the prison stadium beginning at 2 p.m.

## Rosa Salzar Enrolls LCC

Rosa Salzar, daughter of Mr. and Mrs. Jesse Salzar of Rotan, has enrolled for the second session at Lubbock Christian College.

Miss Salzar is a 1966 graduate of Flower Grove High School where she was active on the pep squad. She is a sophomore elementary education major.

She is part of the 131 students this term. Final Exams are slated for August 16. This term the classes will be held for the first time in the new fully carpeted and air-conditioned Mabee American Heritage Building.

LCC is a private liberal arts junior college founded in 1957. It offers associate degrees in 12 fields besides special terminal courses.

Mr. and Mrs. Garvis Hinson, Brenda, Linda and Paul have returned from a vacation in Tennessee where they visited his parents. While there they visited many interesting and historical places and especially enjoyed a trip through the Smoky Mountains.

## School's New Conditioning System Success

Current issue of "Electric Times," West Texas Utilities Co. official magazine carries a nice article and number of pictures of the new Electric Zonal Space conditioning system recently installed at Rotan Schools. Local Manager George Field, Supt. McCasland and Principal Marshall are shown in various pictures. The article is reprinted for full information on the installation:

"School officials in Rotan had a problem . . . and they solved it economically and efficiently with individual electric space conditioning units.

Rotan school patrons had authorized the construction of a new air-conditioned high school building. The problem was how to modernize the older buildings which were structurally good and basically sound. No provision for space-conditioning had been provided for in the older buildings when they were built in 1949. These buildings were heated with manually operated gas-fired space heaters. Space was not available in the buildings for a central heating and cooling system, and the roofs were not designed for the added weight of a roof-type installation.

WTU space conditioning engineers were consulted and they recommended the installation of a Zonal, all-electric incremental system.

The Rotan school board adopted the recommendation and modernized the older buildings. Now, with the new electric air-conditioned high school under construction, Rotan students will have the environmental and learning benefits of modern electric space conditioned classrooms.

## WHAT IS INCREMENTAL SPACE CONDITIONING?

Zonal, or incremental electric space conditioning units, can be installed through-the-window or through-the-wall, the number of units depending on the size of the area to be heated or cooled. Areas not in use require only one unit for precooling until that classroom is needed. The units are quiet in operation and can be shutdown at night or on weekends.

There are a number of reasons why this system is called "incremental." Compared with the "regimented comfort" so common with central systems, it serves people in increments of one or a few, as individuals, as well as groups. Unlike gas-actuated systems, the incremental system may be installed in existing buildings over a period of years in one small area at a time, at virtually no cost penalty, a saving in first costs. It may initially be installed for heating, air circulation and filtering only. Later, when wanted, the cooling equipment may be added in a few minutes by a regular building employee, at no greater cost than if installed initially.

The incremental system may be completely operatorless. If a person works beyond normal hours, he may restart his portion of the system by the push of a switch. When installed in schools, those classrooms in use can be heated or cooled. Those not in

(Continued on page 4)

## Good Rains Fall Wednesday

A wonderful 'cotton rain' covered most of the immediate area around noon Wednesday, varying from half to 3 1-2 inches. Heaviest reported was in the Hobbs community where 3 1-2 inches was gauged. Readings in Rotan varied from .70 to an inch. The fall was slow and just right for growing crops. Most crops are growing nicely and this will give them just the boost they need, making prospects excellent at this time.

Little tank water was caught in Wednesday rain, but rangeland will be aided. At press time Wednesday afternoon, a rain cloud was moving in from the south with showers falling.

## Two Former Residents In Fatal Accident

Mr. and Mrs. R. K. (Bob) Williams, former resident of this area were killed in a 2-car traffic accident near Roswell, N. M. last Thursday. Funeral and burial was at Mission, Kansas, Saturday. Mrs. W. B. Willingham of Hermleigh and Mrs. Charles Scott of Sylvester, both sisters of Mrs. Williams attended the service.

Mr. and Mrs. Williams lived the early part of their lives in and near Rotan. He was Superintendent of Hobbs School for a number of years, and Mrs. Williams was reared near Rotan. They had just moved to Lone Star, Texas.

## Calendar Club To Meet

The Calendar Club will meet Tuesday at 3:30 p.m. in the community room of the First National Bank.

The program will be a demonstration on flower arranging given by Mrs. R. S. Ragsdale.

Hostesses are Mrs. Wayne Harris and Mrs. Billy Henderson.

## WALLACES VISIT NINE STATES

Mr. and Mrs. Herman Wallace and Louise and Robert Fisher returned Saturday eve. from a trip including 9 states, New Mexico, Colorado, Wyoming, Utah, South Dakota, Nebraska, Kansas and Oklahoma.

The most interesting places visited were U.S. Air Force Base and Chapel in Colorado Springs; Temple Square in Utah, Yellowstone Park in Wyoming, Mt. Rushmore in South Dakota, Crazy Horse Mr. South Dakota and Boot Hill, Dodge City, Kansas.

It was a very interesting and educational trip. The trip was an anniversary gift from their daughter and her husband, Louise and Robert Fisher and Letha Hancock.

Mr. and Mrs. Duaine Coan, Teresa, Mrs. Grier Coan, Mrs. O D Stricklin, Cragelen and Bruce Randolph attended the wedding of Curtis Ashton and Jody Huddleston Saturday night in Sweetwater. Curtis is grandson of Mrs. Grier Coan. Mr. and Mrs. Ozias Ashton also attended the wedding.

## Co. Fair - Rodeo Aug. 24-26

A general meeting of directors of Fisher County Fair & Rodeo is called for Friday night, 8:30 in Pink Building on Fair Grounds in Roby. Everyone interested in any phase of the event is urged to attend as final plans will be made for the 1967 production which is the 22nd such event. Committees are working and all indications at this time point to another successful event, on August 24, 25 and 26th.

Donald Coker is president; Leland Hicks, vice-president; James S. Norman, Secretary and H. T. Neves treasurer. Other directors are, Bernice Hargrove, Kermit Terry, Carl Murff, Tom Parker, Truman Upshaw, Terry Mauldin, Derwayne Rasco, Mrs. Alice Balenger, Jimmy Laurie, Jim Dixon and Ray Womack.

Garland Moore heads the Rodeo committee with Derwayne Rasco, Gene Terry, Truman Upshaw, Kyle Moore, Jimmy Murff and Bernice Hargrove.

Parade Committee chairman, T. A. Park with Mrs. J. T. Feagan, Foy Mitchell, Jimmy Waddell, O. R. Clark, Tom Parker, H. L. Davis, Mrs. Fred Waddell, E. G. Perkins, J. P. Davis, Max Stuart, Bus Rollans and Mrs. Hooper Shelton.

Women's division superintendent is Mrs. Bill Lee, assisted by Mrs. O. O. Hollabaugh and Mrs. Joe Miers. Mrs. Howard Whitworth is general superintendent of Youth division.

Livestock group has F. L. Mitchell as superintendent assisted by Jim Dixon, Ray Womack, Jimmy Laurie, James Norman and Janet Guelker.

Swine division superintendent is Glenn Upshaw, assisted by Bobby Smith, Ronnie Kincaid and Brent Palmer. Dairy superintendent, J. C. Sheffield, David Hammit and Donnie Sheffield.

Sheep will be handled by Jerry Hoodenpyle, Barron Wetsel and Terry Floyd.

Beef Cattle, James Cave, Kenneth Gruben, Jerry Mash and Karla Kreidel.

Horse division, L. H. Hicks, superintendent assisted by Truman Upshaw, Jack Smith, Roy Jennings, Derwayne Rascoe, Donald Coker and Kathleen Hicks.

Crops, Alva Kolb, Jackie Know and Mike Herron. Grounds and Building committee is J. B. Hughey, John Kiker, Ed Perkins and Wayne Pursley.

Advertising is in charge of Gene Terry, chairman; Bus Pollans, Bunny Terry, Oleta Parker, Hooper Shelton, Jerry Hoodenpyle, Jimmy Waddell, J. N. McGinnis and Mrs. Hooper Shelton.

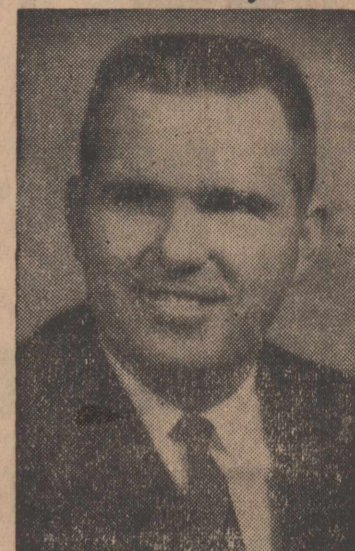

The catalogue was again handled by Roby Lions Club, and they will have night concessions with Home Demonstration Clubs in charge of concessions during the day.

Considerable interest is growing in the Fair & Rodeo Queen contest and a number of entries are expected. The Queen will be announced and crowned opening night.

Residents of Fisher, Jones, Nolan, Kent, Stonewall and Scurry counties will be eligible to enter the various divisions.

Mrs. Heath Robinson of Dallas visited in the J. R. Strayhorn home Monday.

## Cross Roads Revival July 23

CARROL R. GREEN

BOBBY GABRIEL

The youth of the Cross Roads Baptist Church are working hard and are enthusiastic about the youth revival which will start this Sunday, July 23rd and run through the next Sunday, July 30th. Much planning and work has been done for a great revival and much more will be done in the way of camp fire prayer meeting and visitation. The youth of the church thinks that this will be the greatest revival that Fisher county has ever experienced, and they ask your prayers and support.

The Sunday services will be at the regular time 10:00 a.m. for Sunday School, 11:00 a.m. for preaching, 6:00 p.m. for Training Union and 7:00 p.m. for preaching.

Week day services will be at 11:00 a.m. for morning services, 7:30 p.m. for prayer and Booster Band, 8:00 p.m. for preaching.

The Evangelist will be Carrol R. Green from First Baptist Church, Baird. The song leader will be Bobby Gabriel of Tyler, Texas and the Pianist will be Mrs. Glenn Copeland of Cross Roads.

The youth will be in charge of the Evening service of July 23rd. Each and every one are cordially invited to attend.

## W. B. Vancil Dies At Fort Worth

W. B. Vancil died at his home in Fort Worth Wednesday night, July 12 and service was there Friday. His wife is the former Laverne Roach, daughter of Mrs. C. C. Roach and the late Mr. Roach.

Relatives from Rotan attending funeral services were Mrs. Roach, Mr. and Mrs. R. D. Shows and their sister, Mrs. C. L. Sutton and Doc Sutton of Lubbock. Mrs. Roach remained with her daughter and Mrs. Sutton remained to visit other relatives.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pictures are made by fools like me. But it took an architect-friend to help me appreciate this one.

"I'm always impressed," he said, "when someone puts beauty and meaning where otherwise there would have been nothing. That's what God did when he made this tree!"

Photographers like to pretend they're philosophers. So I titled my picture *Where There Was Nothing . . .*

Next Sunday my architect-friend invited me to church. A bit overwhelmed by this sudden solicitude for my long-neglected spiritual welfare, I went. And there a remarkable discovery awaited me!

It is a drab expanse of broad, flat years which I call my life. And only God seems able to put beauty and meaning where otherwise there was nothing. Every Sunday a new truth grips me. Every Sunday I discover a new tree!

Advertisement for Bids: For A New High School Building Owner: Rotan Independent School District, Rotan, Texas

Sealed proposals for the construction of a new High School Building, Rotan, Texas, will be received by the Board of Trustees of the Rotan Independent School District, opened and read publicly at 4:00 P.M., July 27, 1967, in the Cafeteria Building of the Rotan High School.

A deposit of \$50.00 is required for each set of plans and specifications. Proposals, plans and specifications may be obtained from the Architects, Tittle, Luther Loving & Lee, 542 Butternut, Abilene, Texas.

The Owner reserves the right to accept or reject and/or all bids submitted.

Attention to bidders is particularly called to the requirements of the laws of the State of Texas regarding the conditions of employment and the minimum wage rate to be paid.

Each proposal shall be accompanied by a Bid Bond or Cashier's Check in the amount of not less than 5% of the proposal. The Contractors shall be required to provide a Performance and a Labor Material Payment Bond in the amount equal to 100% of the contract price.

July, 1967  
Clay Fowler, President  
Rotan Independent School District  
Board of Trustees

### CHRISTIAN SCIENCE SUNDAY SERVICE:

"Thou art the God of my strength: . . . O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill, and to thy tabernacles."

These verses from Psalms are the Golden Text of the Bible lesson on "Truth" to be read in all Christian Science churches this Sunday.

## As It Looks From Here

Washington, DC. — We are still trying to buy friends and influence people with the taxpayers' hard-earned money. The Foreign Aid Bill is soon to come before the Congress, and it is pretty much the same old story of the past 15 years — keep the hand-outs going and everybody around the world will love us.

The fact is, some of those we have helped most kick Uncle in the seat of his pants the hardest.

We continue to dip our oar into everyone's business — Rhodesia, the Congo, Greece — to play Santa Claus and the policeman at the same time.

Now, it is proposed that, for all intents and purposes, we give away the Panama Canal, which has cost the American people more than \$5 billion since our Treaty with Panama in 1903. This magnanimity on the part of the United States is supposed to placate Panama's demands and to show all Latin America that we no longer claim sovereignty over that which we have bought and paid for in perpetuity.

Since the Bolshevik Revolution of 1917, the Russians have demanded and announced their intention to overthrow U.S. control of the Canal. They have never lost sight of that goal. After last month's Mid-East crises, the Soviets repeated their demand that all strategic waterways be put under "international" control. Yet, that same crises and the shut-down of the Suez Canal by Egypt, demonstrate how important it is to freedom that the Panama Canal remain in strong and responsible U.S. hands.

To "internationalize" the canal or to surrender our sovereignty over it, can have the effect of augmenting Soviet power in the Western world and to weaken our own capability to resist aggression everywhere.

Theodore Roosevelt, quoted in the Kansas City Star on December 2, 1918, following the 1917 Bolshevik Revolution, had this to say:

"The Panama Canal must not be internationalized. It is our canal; we built it; we fortified it; and we will protect it and we will not permit our enemies to use it in war. In time of peace all nations shall use it alike, but in time of war our interest at once becomes dominant."

The details of proposals to adrogate existing Treaties over the Panama Canal and to change its status of sovereignty are not yet known in detail. Both Houses of Congress, however, have repeatedly reiterated their approval of the fundamental provisions of the Treaty of 1903. Should the Senate approve, a profound change will come over the operation of the Canal. The question to be seriously con-

sidered is the soundness and workability of any new and untested concept — the concept of whether the Canal can still serve U.S. interests if it is no longer operated under the direct control and sovereignty of our Nation.

The American people have the right to clear answers to many questions involved in this proposed transaction. Paramount are these:

Would a new treaty protect the American soil of the Canal Zone, obtained by both Treaty with Panama and purchase of property from individual owners?

Will any new treaty abrogate the body of law in the Panama Canal Zone Code and the administration of justice based upon it?

Will any new treaty protect the investment of approximately \$5 billion made by U.S. taxpayers since the building of the Canal?

Will any new treaty protect U. S. interests in the Canal in the event that a sea level design or nuclear excavation prove impractical?

(It is pretty well understood that we may propose the building of another canal, but probably without sovereignty over it for the protection of our tremendous investment.)

Our sovereignty in the Canal Zone has been used for the good of all and honorably exercised for civilization. The demands of Panamanian politics and to show our generosity to the world are hardly enough to justify giving it away.

## THE SAFETY SENTRY

**BACKYARD SAFETY**

These Summer days, we do as much outdoor living as weather permits. When not mowing or watering our lawns we're sunning, playing or eating outside. Sentry Insurance offers these timely safety precautions:

- Lawn tools should always be stored when not in use. A power mower is especially inviting for children, also especially dangerous.
- Pesticides should only be used when really needed and then sprayed away from food items.
- Make your little nibblers aware of the lethal poison in the tulip bulb, foxglove leaf, potato sprout and the rhododendron. Even the lovely lily-of-the-valley is poisonous when eaten.
- Stings from bees, wasps, hornets and mosquitos can be serious. More people die from insect stings than from snake bites. If the bitten area swells rapidly, call your doctor immediately.
- In using barbecue grills:
  - Cook in a well ventilated area. Grills should never be used inside unless there's a flue. Never bring a lit grill into closed quarters.
  - Avoid kerosene, gasoline or lighter fluid.
  - Try electrical fire starters which carry the UL safety label.
  - If you prefer the liquid fire starters, add the liquid before — never after — igniting.

## Tax Man Sam sez

If you have a Federal estate tax problem you may want to give part of your estate to your heirs. If the estate is a community estate you do not have to file a Federal estate tax return unless the estate has a fair market value of \$120,000 or more on the date of death of either spouse. The Federal gift tax rules allow you to give anyone — including an heir — \$3000 tax free each year. A husband and wife can give \$6000 to each heir tax free. You also have a separate \$30,000 lifetime exemption for each spouse. You

can give this amount to one person or many persons. There are many ways that you can give your estate away, but you must do it three years before the date of your death to avoid IRS questioning the gifts.

<b>YOUNG'S MARKET</b>	

**What Youth Wants... 4-H HAS!**

WHY is 4-H unique? Because Mary and Sue, Bill and Jim and all the other 2½ million 4-H'ers do things. In fact, the 4-H way is "learn-by-doing."

And what do they do? They work on projects. They have well over 50 projects and activities to choose from. Among them are garden, electric, horse, live-stock, crops, dog, poultry, photography, entomology, automotive and home economics.

With few exceptions, boys and girls participate in all projects with equal skill and success.

For more than a half century, publicly supported 4-H has served the needs of youth through programs set up by the Cooperative Extension Service of the state land-grant universities.

Since the first 4-H Clubs were organized to teach boys how to farm better and girls how to preserve foods better, private industry and community-minded citizens have backed 4-H. Industry provides incentive awards, recognition, educational aids and technical assistance.

Collaboration between private interests in support of this youth program open to all is probably without parallel. Success of the "partnership" is evident in the long tenure of business donors.

Today nearly 400,000 men and women serve as volunteer leaders, using their special skills to

guide the youngsters. Many of them are parents of 4-H'ers.

Through the National 4-H Service Committee of Chicago, nearly 60 business firms and foundations annually contribute large sums as sponsors of national and regional 4-H award programs approved by the Extension Service. In addition they host some 1,600 of the nation's finest teenagers at the National 4-H Club Congress. The 1967 congress, tabbed "the showcase of 4-H," will mark its 46th straight year.

Among the 4-H sponsors are: Eli Lilly and Company; General Motors; General Foods Corporation; Kerr Glass Manufacturing Corporation; Coats & Clark Inc.; Chicago Board of Trade; Allis-Chalmers; Westinghouse Electric Corporation; Merck & Co., Inc.; Wilson & Co., Inc.; Moorman Mfg. Co.; Oliver Corporation; E. I. du Pont de Nemours & Company; Amchem Products, Inc.; Ralston Purina Company; Heisdorf & Nelson Farms, Inc. and Eastman Kodak Company.

Others include: Hercules Incorporated; The Firestone Tire & Rubber Company; Montgomery Ward; Armour and Company; Carnation Company; American Oil Foundation; Humble Oil & Refining Company; Standard Oil Company (Kentucky) and The Standard Oil Company (Ohio).

## Teachers Must Have TB Tests

Austin — Dr. John H. Selby, president of the Texas Tuberculosis Association, today reminded public school personnel that time is running short for obtaining their medical clearance for tuberculosis. Deadline is September 1.

Proof that all teachers and others employed by the elementary and secondary public school systems of Texas are free of tuberculosis is required annually.

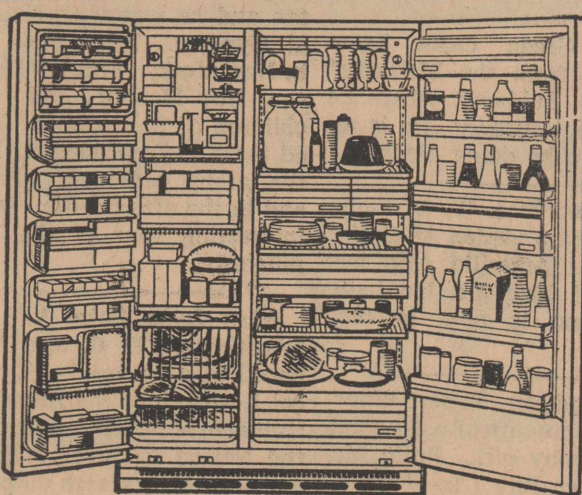

Schools are allowed to employ only persons who have been proven free of tuberculosis within 120 days of Sept.

1. State law requires either a tuberculin skin test of chest x-ray. If the skin test is positive or the chest x-ray questionable, further examinations must be made before the clearance can be given.

"More than 3,000 Texans were discovered to have active tuberculosis last year," Dr. Selby said. "Because it is an infectious disease, it is important that everyone have an annual checkup."

"It is not only the law, but also common sense that adults who are daily in close contact with school children should protect themselves as well as the children against this tragic disease."

## Early-Rector Wedding July 15

Barbara Ann Early, daughter of Mr. and Mrs. W. D. Early, became the bride of John Arthur Rector Jr., son of Mr. and Mrs. John Arthur Rector, Saturday in First Baptist Church.

The Rev. Billy Hudnall, church pastor, officiated.

Music was by Mrs. Mac Weathersbee. Mrs. Stanley Nowlin was soloist.

Candles were lighted by Mickey Early, brother of the bride, and Mike Hicks.

Mike Rushing and Terry Floyd were ushers.

The bride, given in marriage by her father, wore a lace gown over satin. Her veil was held by a crown of pearls. She carried orchids and carnations on a white Bible.

She was attended by Margaret Hicks. She wore an empire gown of blue crepe. Her dress was a satin crown.

Gary Floyd from Alpine was best man.

The couple will live in Rotan. The bridegroom is employed this summer in the Rotan Veterinary Hospital.

The Earlys are graduates of Rotan schools. The bridegroom is a junior in San Angelo State College.

Rehearsal dinner was in the home of Mr. and Mrs. J. A. Rector

## SS Benefits For Disabled

Thousands of working Americans suffer serious illness of injury each year. Many of these workers recover within a short time and return to their jobs. Others cannot return to work for as long as a year and some are never able to work again. What happens to the families of workers whose earnings stop, Wayne Baker, Social Security Field Representative for Fisher county has these answers:

Social security disability insurance is the answer for employees and self-employed people who have paid social security for at least 5 years out of the 10 years before disability began. Individuals who become blind before age 31 may be insured with less than 5 years of work.

In addition, benefits are payable only if a worker has a disability that prevents him from doing any substantial gainful work. This disability must have lasted or is expected to last for at least 12 months.

The amount of your monthly benefit depends on your average yearly earnings. For example, if your average earnings under social security are \$4200 a year, your disability benefit will amount to \$124.20 each month. Monthly benefits also go to dependents. A wage earner, his wife and two children, with the above average earnings would be entitled to a total of \$280.80 each month. It is important to remember that social security benefits are not paid automatically. Application should be made as soon as it seems likely the disability will prevent work for a year or longer. A representative of the Abilene so-

## Don't Be Next

By C. H. DeVaney  
Texas Farm Bureau President

You say that your tractor is a necessity to the operation of your farm or ranch? I readily agree, and add that it is one of the most dangerous necessities to any agricultural operation.

The average tractor operator refuses to become alarmed when told that 1,000 persons dies annually as the result of tractor accidents, especially when he finds that this is only 2.2 deaths per 10,000 tractors.

But before you close your mind to safety reminders, consider that YOU could very well be Texas' next tractor fatality.

What causes most tractor accidents? No, it isn't mechanical failure; neither do most accidents just happen. A careless operator is the number one cause — of both injury to himself and others. Going up too steep a grade, working too close to embankments and moving along the highway with improper safety equipment are perfect examples of this carelessness.

A cautious, careful operator has all lights, reflectors and the like required by law; but he can do more to prevent accidents. Such items as the SMV (slow moving vehicle) emblem, roll over crash bars and crush proof cabs add to the operator's safety.

Don't become injured, disabled or even killed due to carelessness. Not only are you needed by your family and friends, but by agriculture in general. Our state is hurt each time it loses an agricultural worker.

Continue to operate and proudly in one of the world's oldest and most respected professions — that of producing our food and fiber.

SCHOOL IMPROVEMENT  
from page 1

use can be shut off, which assures full time comfort without wasteful operation of unnecessary capacity, and without the added expense of an operating building engineer.

INSTALLATION SIMPLE—  
MAINTENANCE EASY

The units can be installed either through-the-window or through-the-wall, and since the cabinets are thin in design, they are almost flush with both the inside and outside walls and blend with the decor of the building. Controls are mounted on top of the cabinets out of reach of the children in the classrooms.

Each cabinet contains a slide-in resistance heater with two motor-driven centrifugal blowers and local controls. The cabinet assembly also houses a quickly removable air-cooled hermetically sealed electric refrigeration system or "chassis." Another centrifugal blower, incorporated in this cooling chassis, supplies pre-conditioned ventilating air under pressure directly to the room blowers, whenever the manual or an automatic motorized damper is open. This blower also supplies air for the condenser of the cooling system, thus eliminating the need of an unsightly cooling tower. INCREMENTAL UNITS PROVIDE ECONOMICAL MEANS OF MODERNIZATION

The installation of the Zonal space conditioning system in the Rotan Public Schools has again shown that older school buildings can be modernized economically without any costly building additions for equipment, no unsightly duct work, and are efficient and economical in operation.

In the Space Age of the 20th century many Americans enjoy the benefits of year-round space conditioning in their home and at their places of employment.

Their hours spent at home are made ideal with all-electric heating in winter and air conditioning in the summer. They ride to work in air-conditioned cars, work in air-conditioned offices, dine in air conditioned restaurants, worship in air-conditioned churches, attend movies in air conditioned theatres, and travel in airconditioned planes and on air-conditioned buses and trains.

Our children spend nine months out of every year attending school five days each week. Why is not this comfort provided for them at their schools?

In many areas year-round space conditioning in schools is being provided. When plans are drawn for new school plants, architects are asked to include modern heating facilities and central air conditioning.

Other schools, like those in Rotan, are turning to the conversion method by adding new systems. For older buildings space conditioning engineers can design the new all-electric incremental system of space conditioning that will be efficient, reasonable in cost, and economical in operation.

When this is done, the students will study, work, and play in the same environment that they have become accustomed to at home."

Mr. and Mrs. Joe Little attended funeral services in Abilene Monday for Mrs. G. W. Whitaker. Burial was in Slater cemetery in Nolen.

Mr. and Mrs. Doyle Erinegar and three daughters of Midland visited her parents, Mr. and Mrs. Ray Ashton. They also visited Rev. and Mrs. Jim Weathers in Fort Worth and went to Six Flags.

Lisa Waddell of Lubbock spent last week here with her grandparents, Mr. and Mrs. A. D. Turner and her parents came for her and visited during the weekend.

Mr. and Mrs. B. B. Crawford are in Midland this week visiting their children. Mr. and Mrs. Johnny Floyd and Mr. and Mrs. Leonard Ratliff. Mr. and Mrs. Joyce Boen and family accompanied them

Mr. and Mrs. Truman Vit-titow and Janice left Thurs-day for their home in El Ca-jon, Calif. after spending two weeks here with her mother, Mrs. Bruce Campbell and his sister and family. Mr. and Mrs. Melvin Clements.

Mr. and Mrs. E. A. Ben-nett, Mr. and Mrs. Ray Riv-ers, Mrs. Rob Hargrove, Mr. and Mrs. Bernice Hargrove and family, Lavern Hargrove of Farwell attended the Cop-pedge reunion in Snyder Sun-day

Mr. and Mrs. J. V. Hellums, John, Sara and Dale of Hous-ton visited his mother, Mrs. J. V. Hellums several days this week. Also visiting here to be with her brother was Mrs. Margaret Cooper and David of Big Spring.

Mr. and Mrs. Miller Cop-pedge attended the Coppedge reunion in Snyder Sunday

Mr. and Mrs. C. E. Haller of Hobbs, N. M. spent Sunday here with her sister, Mrs. Roy Kingsfield and Mr. Kingsfield.

## There've been some changes made

There was a time when our telephone operators wore "floor duster" dresses and sat on high wooden stools. Not so today.

New equipment and new work techniques have revolutionized the familiar world of "Number, please." And the operating room of the future incorporates the most dramatic and far-reaching changes ever. In these new rooms, there are no plugs, cords or jacks. Instead of being lined up along a multi-position switchboard, operators sit at desk-like consoles widely spaced through the room. Everything is bright and modern. Already operational in a few Southwestern Bell

cities, these newest operating rooms represent more than a change in looks. The new consoles make many new services possible. Customers can dial person-to-person, credit card and collect Long Distance calls. Service is faster and more efficient.

More and more of these new consoles will be installed as time goes by. But despite the changes in equipment and techniques, one thing will remain the same. Our operators will still be dedicated to giving the best possible service to our customers. The "voice with a smile" is as important and meaningful as ever.

Some things just don't need changing.

Southwestern Bell

# Here's why MALATHION LV CONCENTRATE is the No. 1 ultra low volume boll weevil insecticide!

- **PROVEN EFFECTIVENESS.** Used on millions of treatment acres of cotton over the last 3 years, Malathion has given better than 95% weevil control at the U.S.D.A. registered rates of 8 to 16 ounces per acre.
- **LOW HAZARD.** Malathion has the lowest oral and dermal toxicity of any cot-ton insecticide. (Clinical Handbook of Economic Poisons U.S. Public Health Service).
- **BROAD REGISTRATION.** In addition to the U.S.D.A. registration for control of thrips and boll weevil on cotton, Malathion is the only ultra low volume insecticide registered for use on 20 food and forage crops and beef cattle at 2 to 16 ounces per acre. (U.S.D.A. registered number 241-110)
- **FREEDOM FROM DRIFT RESIDUE WORRY.** Drift residues to adjacent food or forage crops or cattle present no problem at recommended rates.
- **ALL-SEASON USAGE.** Malathion has given outstanding control of boll weevil on cotton when used early for over-wintering weevil, later in the season for subsequent broods and up until killing frost in diapause control.
- **ECONOMICAL.** Cost of material alone does not establish true economy. To the cost of material per acre must be added... proven effectiveness in 3 years of commercial use... low hazard to the applicator and all target areas... broad registration, permitting application even on beef cattle... freedom from drift residue worry... and all-season usage on cotton from emergence to frost. These advantages PLUS low per acre cost makes Malathion LV Concentrate the No. 1, economical, ultra low volume insecticide for boll weevil control. \*Trademark

## Showtime--

by Oscar Dietz

Hooper always has several items about who visited who so I guess I can do the same. Mr. and Mrs. Edwin S. Martindale were guests of Mr. and Mrs. Virgil Tankersley this past Sunday. Mrs. Tankersley is Mrs. Martindale's grandmother. Mrs. Martindale is the former Brenda McKennon. Mr. Martindale is the former woory wart who used to run me ragged, in other words he is my nephew and how he latched on to such a good looking girl like Brenda I will never know Anyway, Mrs. Tankersley, I hope he will remember his vows and be a loving and provident husband. If he isn't, well I don't know what I could do, he's getting so cotton pickin big that I'd have quite a time trying to make him do anything. You know, all three of my nephews got good looking wives. And everyone of them is going to be bigger than me. (my nephews, not their wives). Now where did I go wrong?

You know what I said last week about giving away FREE popcorn, well I didn't have but nine (9) people to take me up on my offer. I guess people around here don't like FREE popcorn. However my offer stands for another week.

Well lets see, this week we have a Buster Keaton kooky komedy, a Robert Stack (chaseing Elke Sommer) adventure. Dana Andrews mixing it up with some teenage hot-rodgers, and Jeffery Hunter parading around in a mini-skirt. It's truth, two thousand years ago men wore mini-skirts. There is nothing new in what teens are doing, just a lapse of time.

THURSDAY - FRIDAY, JULY 20-21, — "WAR ITALIAN STYLE" Buster Keaton, plus "THE CORRUPT ONES" Robert Stack.

SATURDAY, JULY 22, "HOT RODS TO HELL" Dana Andrews plus "WAR ITALIAN STYLE" Buster Keaton.

SATURDAY LATE SHOW, "THE CORRUPT ONES" Elke Sommer.

SUNDAY - TUESDAY, JULY 23 - 24, "HOT RODS TO HELL" Dana Andrews plus "GOLD FOR THE CEASAPS" Jeff Hunter. And starting Wednesday, July 26, John Wayne in "HATARI" plus Paul Newman in "HUD".

See you all now—  
Oscar

Mrs. Sam Cleveland and Miss Bessie Cleveland had as guests Sunday, Mr. and Mrs. Norman Cleveland and children, Corpus Christi; Mrs. Ruth Riddles and children of Dallas; Mr. and Mrs. J. L. Mash and children, Roby; Mr. and Mrs. Charles Doty and sons, Roby; Mr. and Mrs. G. W. Joplin, Mr. and Mrs. Dalton Cleveland and children, Royston; Mr. and Mrs. William Cleveland and family; Mr. and Mrs. Eugene Cleveland and Roxie and Walter and Miss Maudie Moize of Lubbock. Mr. and Mrs. Norman Cleveland remainder for a longer visit.

W. B. Tillotson was joined here by his brother-in-law, Kenneth Leach and two son-in laws of Mr. Leach, Kay Williams and Bill Pauling of Fort Worth for a fishing trip to mountain streams in Colorado. They left July 8 and arrived home Friday with plenty of evidence to back up their report of good fishing.

Mr. and Mrs. Wayne Justiss of Lubbock came for their children, Vickie and Penny who had spent the week with their grandmother, Mrs. Will Hargrove.

Mrs. David Strayhorn and Thomas, who is a freshman at Texas Tech, visited her sister, Mrs. A. D. Turner and Mr. Turner Sunday.

Visiting Mrs. Bruce Campbell recently were her sister, Mrs. Oattie Jones of McClellan, Alvin Morton of Sweetwater and his daughter, Mrs. Maedell Lynch of Clovis N. M.

Mr. and Mrs. C. A. Stewart, Chuck Culp of Whitney visited Mr. and Mrs. J. P. Phillips recently.

## Cotton Insect Report No. 4

Situation At A Glance—

Overwintered boll weevil and fleahopper populations were observed in many more fields in the area this past week than in previous weeks.

Most of the cotton in the area is fruiting. There are a few counties where the cotton is still in the four to six leaf stage.

Fleahoppers—

Light to medium fleahopper infestations have been observed in many fields in the area. Heaviest populations were observed in Collingsworth and Wilbarger Counties. Populations of 20 to 30 fleahoppers per 100 terminals were found in several fields in these two counties. Populations ranging from 9 to 12 fleahoppers per 100 terminals were observed in Wichita and Hardeman Counties.

Boll Weevils—

During the past week increased boll weevil activity was observed in many Rolling Plains counties. Infestations ranged from 65 to 392 boll weevils per acre. Heaviest populations were reported from Wilbarger, Collingsworth, Wichita and Mitchell counties.

Most of these boll weevils are still overwintered boll weevils, although first generation boll weevils are being found in some of the older cotton in the area.

Bollworms—

Light to medium bollworm infestations were reported in Wilbarger, Mitchell and Foard Counties. Populations of 1 to 8 bollworms per 100 plants were observed in several fields in these counties.

Other Insects—

Light infestations of thrips were found in several fields of younger cotton in Stone-wall County.

Light infestations of aphids have been reported in many fields in this area.

Grass hoppers continue to do heavy damage in some sections of Hardeman County.

For control recommendations, please refer to L-508, "Texas Guide for Controlling Cotton Insects in the High Plains, Rolling Plains and Trans-Pecos Areas of Texas." Copies of this guide may be picked up at the office of your County Agricultural Agent.

The information used in this Cotton Insect Report was compiled from reports received from County Agricultural Agents, Rolling Plains Survey Teams and others. We hope that everyone who does any field checking will send us a report of the situation as he finds it.

Jesse Green came home Sunday, from the Methodist Hospital, Lubbock, where he underwent surgery. He is reported to be doing nicely.

Mr. and Mrs. W. D. Eades and Barbara visited A3-C Mac Eades at Amarillo AFB last weekend. Mac did his basic there and is now in tech school.

Mr. and Mrs. Robert Woodruff are parents of a 6 pound, 15 oz. baby girl, Rolin Melissa, born July 1 in Simmons Memorial Hospital. Sweetwater. Mr. and Mrs. David Klepper Jr. are maternal grandparents and Mr. and Mrs. R. L. Woodruff of Hamlin are paternal grandparents.

Mr. and Mrs. Clem Huckaby and sons of Bowie spent the weekend here with his parents, Mr. and Mrs. C. D. Huckaby and other relatives.

Mr. and Mrs. John Anderson of Aspermont, Mr. and Mrs. Les McCombs and Linda Kingsfield visited Mr. and Mrs. Grady Williams in Hermleigh Sunday.

Mrs. Nash Miers carried her aunts, Misses Annie and Alice Yates to their home in Dallas over the weekend and remained for several days visit.

Mrs. Wayne Holcomb and children returned to Austin Thursday after several days visit here with her parents, Mr. and Mrs. Joe Little and Loren.

## HD Council Plans For Fair

The Fisher County Home Demonstration Council met July 12 in the meeting room of Mid-West Electric Cooperative in Roby.

Mrs. Fred Waddell chairman presided. Nine members and one visitor were present. Plans were made for concessions and exhibits for the Fisher County Fair August 24-26 in Roby.

Mrs. Waddell appointed a committee to plan the tea for Rodeo Queen Contestants. The tea will be Thursday, August 24 in the meeting room of Mid-West Electric Cooperative in Roby. Those on this committee were Mrs. Bill Hardy, Mrs. Homer Aaron, Mrs. W. J. Landers and Mrs. James Cave.

Mrs. Waddell made suggestions to each H. D. club as to their duties for the tea the H. D. club women sponsor for 4-H girls following the county 4-H Dress Revue July 28 in the community Building in Rotan.

In a THDA Meeting following the regular council meeting, Mrs. Rex Kemp of Center Club was elected County THDA Chairman to serve another year.

Delegates elected to attend the state meeting of the Texas Home Demonstration Association in Fort Worth, September 19-21 were Mrs. Kemp, Mrs. Vern Cardwell of Longworth, Mrs. Walter Byrd of Hobbs.

Alternate delegates were Mrs. Lowell Thornburg, Mrs. Bill Lee and Mrs. J. P. Phillips.

## HEFFERMANS RETURN FROM VACATION

The Jesse Hefferman's returned home Saturday night after a 5-day vacation in northeast Texas and Arkansas.

Vicki Stovall had been visiting here 2 weeks with the Hefferman's and Roy Adams family, and returned to her home in Mesquite with them.

Places visited by the Hefferman's were the T. J. Stovall family in Mesquite, Harvey Hefferman Jr., and his new bride (the former Elsie Helms) in Commerce, Tex. Harvey Hefferman, Sr., in Detroit, Tex., The Cleo Noles family, Dardenville, Ark.; and the Finley Eaton family in Magazine, Ark. They had a very enjoyable trip.

Mrs. Mattie Key and Mrs. Moffett went to Fredricksburg Sunday to visit Mrs. Walter Humes who is seriously ill. Mrs. Hume's daughter and husband, Mr. and Mrs. Eysnogle formerly lived in Rotan and he was with National Gypsum. They now live in New York. Mrs. Moffett's son, Hoy Moffett and two children of San Antonio joined them in Fredricksburg and the group attended church and in the afternoon made an interesting tour of the LBJ ranch.

Miss Josie Baird left for Washington, D. C. July 7 to enroll in a course in Historical Research at the American University. Classes meet in the Nation Archives building and they do research on problems. Miss Baird will also visit many points of interest in that area.

Mrs. R. D. Sartor joined her sister and husband, Mr. and Mrs. C. F. Addington of Lubbock and they spent two weeks vacationing in California. Mrs. Sartor returned home Saturday afternoon.

Miss Mabel Donnell returned home Wednesday of last week from a two weeks visit in Dublin with her sister, Mrs. J. B. Ogle and Mr. Ogle, who brought her home.

Mr. and Mrs. Joe Little and Loren were in Fort Worth over the weekend to visit the mother and brother of Mr. Little who were in a hospital. They are both improving.

Mr. and Mrs. Eddie Mack Allen of Weatherford, Okla., spent the weekend here with their parents, Mr. and Mrs. Earl Holcomb and Mr. and Mrs. J. O. Hudnall and Jesse.
