Encampment At Lueders Appeals To Young People

The Lueders Baptist Encampment is making the greatest appeal ever for the attendance of the young people. A great B. Y. P. U. program has been planned, and will be led by Miss Grace Green of the State B. Y. P. U. Department of Dallas. Other parties on the program will be Rev. C. A. Radkin of Aspermont, M. B. Sasse of Sweetwater, Mrs. Jack Mosley of Electra, and Mrs. H. R. Whaley of Haskell.

Among the recreational features that will be especially appealing to young people will be the daily swimming program, basket ball, tennis, croquet, golf, picnics, hikes, and miscellaneous stunts.

Walter Jackson of Abilene is President; R. L. Penick of Stamford is Business Manager; C. M. Caldwell of Abilene, Assistant Business Mgr.; Rev. J. H. Littleton, chairman of Program and Finance Committees; Mrs. J. E. Burnam, Abilene, Secretary, and Joel V. Grimes of Avoca, Treasurer.

Y. P. Kuhn, Abilene; Taylor McCasland, Midland; and Mrs. Chas. T. Whaley of Sweetwater are the recreational leaders, and it will be hard to find a group more capable of putting over a program of this kind.

Claude W. Lawson of Breckenridge will lead the singing, accompanied by Mrs. L. B. Howard of Stamford and Mrs. Claude W. Law-

son at the pianos.

A special feature of the encampment is the West Texas Baptist Sanitarium booth at which one or more nurses will be stationed to take care of any emergencies that might arise.

Rev. W. E. B. Lockridge of Graham will be General Dean of Sandy Wack, J. Lee Tarpley of Abilene, Dean of Sunday School work, J. M. Martin of Stamford, Dean of B. Y. P. U. Work, and Miss Lillian Penick of Stamford is Dean of W. M. U. Work.

RULE UNDERTAKER HAS NEW AMBULANCE

Floyd E. Gauntt of Rule went to Dallas last Thursday and drove a new ambulance from Dallas to Rule reaching Rule after midnight Friday. On his way home he picked up two men who had an auto wreck near Weatherford and carried them into the city. This was his first call. He happened along a few moments after the car in which they were riding had over turned. This ambulance is a very beautiful machine and will serve Mr. Gauntt for a number of years.

Mr. and Mrs. Sam A. Roberts and children, Audra Gayle and Paul Wesley, left last Friday for Chillicothe and Hartley, Texas, where they will spend several days with relatives and friends and Mr. Roberts will look after his interests in that section.

J. C. Holt, Jr., of Weimert was in the city Wednesday on business.

Farmer Succeeds With Cows

H. Grady Hammer of the Howard community has been keeping books on the production of three cows since January the first and his record shows that he has sold \$173.05 worth of milk butter and cream from these three cows, besides the home supply for a family of four and all their company. These are graded Jersey cows, not registered, but they have had good attention and good judgment has been used in marketing. This is just a common occurrence with Mr. Hammer, he has made no special effort with these cows. There are many others in Haskell county who are getting good results from cows. Why not more of our farmers add a few cows to their itinerary on the farm and let the cow do her part in making the farmer successful.

Cream and Pie Supper At Bunkerhill

There will be a cream and pie supper at Bunkerhill Friday night June 28th. Everybody is invited to come and enjoy the occasion. The proceeds of the supper are to be used for the needs of the community.

THANKS!

We wish to thank the businessmen and citizens of Haskell for their generous contributions in helping us to raise our Convention fund recently—and we feel greatly indebted to Messrs. Spurlock and Isham for their interest and time given in helping us raise this fund. Command us at any time.

THINK IT OVER

When you are handed a sample copy of the Haskell Free Press you are requested to read it carefully and see for yourself the new paper we are putting out each week. If you are interested in the affairs of your county you should become a subscriber and you will receive in return for the little investment many times the cost of the subscription price. We publish every week the news you need to know, such as the financial statements of your banks, the new laws which go into effect from time to time, the marriages and deaths, the social gatherings, in fact everything which we believe will interest and help you. The advertisements in the paper every week, if you will buy your needs from them, will pay you back many times the subscription price to this paper. Don't wait, but enroll your name with us as a regular reader.

Family Reunion

At the home of Uncle Mike Perry of this city last Saturday his sister and brothers came and they held a family reunion and enjoyed the entire day together with a good lunch at noon. ANOTHER WICHITA MAN PRAISES IT

Allison Moore Says He Suffered With Stomach Trouble 3 Years Relieved By Orgatone

"I get up every morning now, feeling just fine and all during the day my work does not bother me like it used to," said Allison Moore, a well known contractor and builder residing on rural route 1, Wichita Falls, Texas, some few days ago.

"For about three years," he continued, "I suffered with stomach trouble and indigestion and gas bothered me a whole lot. I always have a stuffy, stock-up feeling from gas that would press up around my lungs and at times I could hardly breathe. I am sixty-seven years old and I was always energetic but I got so languid and run down that I never felt like working and I would get up in the morning all tired out and by night time I would feel years older."

"I didn't know what would have happened to me if I hadn't read in the papers about several cases where people who had trouble very much like mine had been greatly benefited by taking Orgatone, so I got a bottle and began using it."

"Although I have only been using this preparation a few weeks my stomach trouble is rapidly disappearing and I believe it will soon be entirely gone. That mothering sensation and that hard lump in my stomach doesn't bother me at all now. The best of it all is the way I feel. I wake up in the morning full of energy and I now can do as much work as anybody on the job. I am now feeling in splendid health and I am sure Orgatone is responsible for it."

Genuine Orgatone may be obtained in Haskell in the Oates Drug Store.

Worried Night after Night as health declined

"I suffered frequently from nervous headaches, and I could not sleep well," says Mrs. Cora Dever, R. F. D. 2, Hickory Grove, S. C. "I was thin and pale. I was so weak I could scarcely walk."

"I tried several remedies but nothing seemed to help me. Night after night I worried because I could see I was going down-hill. I had my children to look after, and I was afraid of what would become of them if anything happened to me."

"I began to take Cardui. It wasn't long until I was beginning to pick up. My strength gradually began to return. I rested better at night and was less nervous. I took several bottles of Cardui, and when I had finished taking it I was in fine health."

Citation on Application for Probate of Will THE STATE OF TEXAS
 To the Sheriff or any Constable of Haskell County, Greeting:
 You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Haskell County, a copy of the following notice:
 The State of Texas,
 To all persons interested in the Estate of Sarah A. Watson, Deceased, J. W. Watson has filed in the County Court of Haskell County, an application for the Probate of the last Will and Testament of said Sarah A. Watson, Deceased, filed with said application, and for Letters Testamentary, which will be heard at the next term of said Court, commencing on the First Monday in July, A. D. 1929, the same being the 1st day of July, A. D. 1929 at the Court House thereof, in Haskell, Texas, at which time all persons interested in said Estate may appear and contest said application, should they desire to do so.
 Herein Fail Not, but have you before said Court on the said first day of the next term thereof this Will, with your return thereon, showing how you have executed the same.
 Given under my hand and the seal of said Court, at office in Haskell, Texas, this 4th day of June, A. D. 1929. 2tc

NEVER SAW EQUAL OF SARGON, SAYS NEWBY
 "I believe I had about the worst case of stomach trouble in Texas, but after taking two bottles of Sargon and one bottle of Sargon Soft Mass Pills, I am in the very pink of condition."
 "Right after every meal I would have sour stomach. I suffered day and night. I was at dinner one day and a sharp pain hit me right under my liver and extended through to the pit of my stomach and almost 'knocked me out'. I was dizzy for hours afterwards and the pain just stayed in my side."
 "My kidneys were acting so freely I had to be up four or five times every night. Loss of sleep made me weak and nervous and my whole system was badly run-down. My liver was out of order. I was badly constipated, and was continually taking laxatives."
 "Since taking the wonderful Sargon my only trouble is to keep from eating too much, and I never have a sign of indigestion. All the pain is gone from my side, my nerves are in fine shape, and I sleep fine. I'm no longer constipated. Sargon Soft Mass Pills certainly are wonderful for they do their work thoroughly without griping like other laxatives."
 "I had read a lot about Sargon, but I never had the slightest idea I would get such remarkable results from it in so short a time."
 The above statement was made by W. H. Newby, well-known resident of Dallas. He owns the Live and Let Live Barber Shop at 3909-A Holmes St.
 Sargon may be obtained in Haskell from the Oates Drug Store Adv.

JULY 4 CELEBRATION AT LAKESIDE PARK

A huge two-day celebration will be staged at Lakeside Park, Wichita Falls, July 3 and 4, inaugurated by a spectacular specially constructed fireworks, "Battle of the Clouds" to be presented the night of July 3. This event is a forerunner of the July 4, program which will culminate in a similar illuminated spectacle, "The Eruption of Mount Etna."

The Fourth of July celebration will open with a sunrise dance at 5 o'clock at the Lakeside Park pavilion, with Charlie De Saultelle's Royal Terrace Orchestra of Indian songs playing. Dancing may be enjoyed throughout the day until midnight. Other Fourth of July features will be picnics, boating, swimming, fat man's races, greased pole climbing and band concert.

The night program will climax with the staging of the Pyrotechnic, "Eruption of Mount Etna," reproducing in illuminated detail the historic volcanic eruption. A rain of liquid fire which rises several hundred feet in the air and spreads like a blanket over the illuminated valley scene around the crater will be created in electrical flashes and chemical fires of every hue and color. This special shooting piece will be accompanied by several hundred bombshells of new effects.

RULE WOMAN DIES AFTER LONG ILLNESS

Mrs. Florence Carothers, wife of Olen Carothers, living near Rule, died at the Stamford Sanitarium Friday morning June 22 at 5 o'clock after an illness of many months. She is a daughter of Mr. and Mrs. R. H. Penick and was principally reared in Rule. She was 33 years of age when the evil came. She was a member of the Christian Church and a noble christian woman. Her's was a beautiful life, filled with many good deeds which won for her a great host of friends who loved her very dearly.

Funeral services were held at the First Baptist Church of Rule by Rev. G. Robert Postreiser, pastor of the First Christian Church of Haskell, at 3 p. m. Saturday, after which her remains were laid to rest in the Rule cemetery beneath a bank of beautiful flowers of richest hues and sweetest fragrance. She is survived by her husband and two boys, ages 4 and 7, and a father and mother, four brothers and one sister. May the blessings of God be on the bereaved ones and heal their sorrowing hearts. The funeral was in charge of Floyd E. Gauntt, undertaker.

Citation on Application for Probate of Will

THE STATE OF TEXAS To the Sheriff or any Constable of Haskell County, Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Haskell County, a copy of the following notice:

To all persons interested in the Estate of Sarah A. Watson, Deceased, J. W. Watson has filed in the County Court of Haskell County, an application for the Probate of the last Will and Testament of said Sarah A. Watson, Deceased, filed with said application, and for Letters Testamentary, which will be heard at the next term of said Court, commencing on the First Monday in July, A. D. 1929, the same being the 1st day of July, A. D. 1929 at the Court House thereof, in Haskell, Texas, at which time all persons interested in said Estate may appear and contest said application, should they desire to do so.

Herein Fail Not, but have you before said Court on the said first day of the next term thereof this Will with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Haskell, Texas, this 4th day of June, A. D. 1929. (Seal) Jason W. Smith, Clerk County Court, Haskell County, Tex.

House guests of Mr. and Mrs. W. M. Reid are the latter's sister, Mrs. W. H. Ellis and daughter Billy Fay Ellis and a niece of Mrs. Reid's, Mrs. Randolph Osborn of Sulphur Springs.

Notice of Sale of Real Estate Under Order of Sale

The State of Texas, County of Haskell.

By virtue of an order of sale issued out of the District Court of Haskell County, Texas, on a judgment rendered in said court on the 23rd day of April, A. D. 1929, in favor of Lee Pierson and against J. L. Linville, I. E. Alvis and Clyde F. Elkins, in the case of Lee Pierson against the said J. L. Linville, I. E. Alvis and Clyde F. Guaranteed USED CARS

OF MANY MAKES ARE TRADED IN FOR THE NEW FORD

Some people think we accept nothing but used Fords for trade-in when selling the Model A. That is a wrong impression. Cars of many makes are traded in for the new Ford—some low priced and some not so low—and many of them are unusual bargains in un-used transportation.

There is a definite reason why we can offer you extra value in these used cars. The value of the new Ford is so high, and the cost so low, that excessive trade-in concessions on buyers' used cars are possible. In other words we set the trade-in figure at just what the used car is worth.

This means that when we offer a used car for sale, there is no "padding" the price to take care of an unreasonable trade-in allowance. Our used-car department is based on a spirit of fair-dealing—fair-dealing with the first owner who makes the trade-in, and the second owner who buys the unused mileage.

Model T Fords are reconditioned, and carry a guarantee. Other makes are priced strictly according to the unused transportation value of them. Come in today and see some of the bargains we are in a position to offer.

The Gose Family Reunion

The annual reunion of the Gose family, was held on Thursday, May 30th, at Joe Wheeler Park, instead of the Old Home Farm, on account of the unusual rains and bad roads. Those in attendance including relatives and visitors, declared the occasion, the best ever, in spite of the inclement weather. There was a large attendance from near and far, and at noon-time they gathered around large tables loaded with choicest edibles.

After a short and touching prayer by Dr. J. Coy Gose of Krum, Texas, each guest enjoyed a splendid dinner.

After dinner, the older relatives and friends, spent the hours in social converse, relating incidents of Wise County history, the stirring days of the long ago, with many happy reminiscences of happy childhood, as well as of maturer years.

The younger people engaged in base ball and other games, and the general comment of all in attendance was, that a happy day was spent together, with universal hope for another like reunion in 1930.

More than 100 relatives and guests attended. Those present from Haskell County were: Dr. and Mrs. J. M. Gose, son Joseph M. Jr.; Mrs. Henrietta Perrin; Dr. A. Q. Gentry and wife; Mrs. Ollie Freeman; Mrs. Irene Ballard and children, Helen and Labry; Mr. and Mrs. Stephen G. Perrin and children, John Paul, Henrietta, Woodrow and Jim Perrin Jr.; James C. Perrin, Will Perrin and David Perrin and Miss Thelma Pearl Chitwood.

Announcing Prof. Meacham and His Orchestra

Harmony rhythm and pep, those three words are all that is necessary to describe those tepid stompers of Haskell's newest thing. It is an orchestra that is young but despite its youth it sounds like an "ole timer."

This orchestra for the past few weeks has been working on the latest dance hits and is now ready for patronage. Its members believe that it can produce the same quality music that other nearby orchestras have been producing. All they ask is a trial.

In order to introduce itself to the public this orchestra will in the near future, give a free program of dance music at some prominent dancing pavillion. Watch for dates.

The personnel of the orchestra is as follows:

Prof. Meacham—Piano
Therman Lusk, Bass
David Ratliff—Drums
Tarry Hill—Trombone
Theodore—Tenor Sax.
Manis Pogue—Alto Sax.
Shelby Johnson—Clarinet.
Horace Ivy—Trumpet.
Jack Bynum—Trumpet.

Marvin Gholson—Violin

According to County Agent Trice, Cow-Testing Association has been perfected in this district of the State, with headquarters at Lubbock. Arrangements have been made whereby the Technological College, Lubbock, actually makes the tests and supervises the keeping of the necessary data on the work. The charges for the work are nominal according to Trice, who states that a flat rate of \$2.75 is made against each herd being tested, in addition to \$1.00 for each cow being tested. A farmer having ten cows can secure a monthly test, monthly report and an annual report here, on his herd for a cost of only \$12.75. To become a member of the association one has to sign what is called the Testing Agreement and pay the necessary fee according to the number of cows he is to have tested. He is also to properly record the weight of one day's milk from each

of his cows each month and is to send a corresponding sample to the Tech College for testing. Containers and complete directions are to be furnished all members. According to County Agent Trice, this method of testing cows by mail originated in Wisconsin and has been carried on successfully several years in that State and others, but has been brought to Texas only during the past few months. The idea of the testing is to tell the good and poor cows in the herd and offers a cheap means of culling the boarder. Dairymen in this section is developing rapidly, so the testing will work in nicely at this time as those who own cows are anxious to know which ones pay and which ones do not. The testing association has been developed in this section by the county agents of the various counties in this district, so those who desire information can obtain same from the county agent, who also has blanks for those who desire to join.

AGED CITIZEN OF HASKELL DIES

Levi Coghurn, age 75, died at his home in this city Monday, June 17th at 12:30 p. m. after a brief illness. He has been a member of the Baptist Church for more than 35

years and was a consecrated Christian gentleman and was loved by many. He has lived in Haskell County since 1901 and made his home in the Jud Community until the last 5 years he has lived in Throckmorton and Haskell. He was born in Ala. June 4th, 1854 and

came to Texas many years ago where he spent most of his life. His remains were carried to Rochester and laid to rest Wednesday afternoon at 4 o'clock. Rev. J. H. Hubbard of Hamlin conducted the funeral services. He is survived by his faithful wife seven sons and one daughter. John D. of Midland, Earnest of Stormington, Colo., R. L. of Slidell, A. E. of Throckmorton, Tom and Travis of Old Glory, and J. S. of Rochester and Mrs. P. K. Napier of Anton. A beautiful floral offering was placed on the grave by loving friends.

CARD OF THANKS

We wish to thank the people of Haskell for the many words of sympathy and deeds of kindness during the illness and death of our husband and father. May Heaven's richest blessings rest on each of you is our prayer.

Mrs. Levi Coghurn, J. D. Coghurn, Earnest Coghurn, R. L. Coghurn, Mrs. P. K. Napier, A. E. Coghurn, J. S. Coghurn, Tom Coghurn, Travis Coghurn

RESCUE GETS SCOUT TROOP FOR RUNNELS COUNTY

Reynolds Hoelscher, 13-year-old Olen boy, saved Lee Jost another Olen boy, from drowning last Sunday, and now citizens of the Olen and Rowena Communities in Runnels County are organizing a boy Scout troop.

And therein lies a story. For more than a year, the Rev. A. A. Boeding, Priest of the Olen Catholic Church, had been boosting a scout troop for the boys of the communities. But the fathers were skeptical, dubious of the merits of Scouting, although Father Boeding had interested the boys and had given them scout swimming and life saving instruction.

Last Sunday, he sponsored a picnic for a group of boys and several members of the Rowena chapter of the Knights of Columbus on a river

near Olen. And it was then, when Lee Jost got beyond his depth in the water and Reynolds Hoelscher rescued him that Runnels County citizens realized the merits of Scout training. Father Boeding said. Rev. Boeding was in Abilene Thursday to obtain material and membership blanks from the office of Scout Executive Ed Shumway. The Rowena Knights of Columbus are sponsoring the movement, which was definitely under way before the picnic closed Sunday.

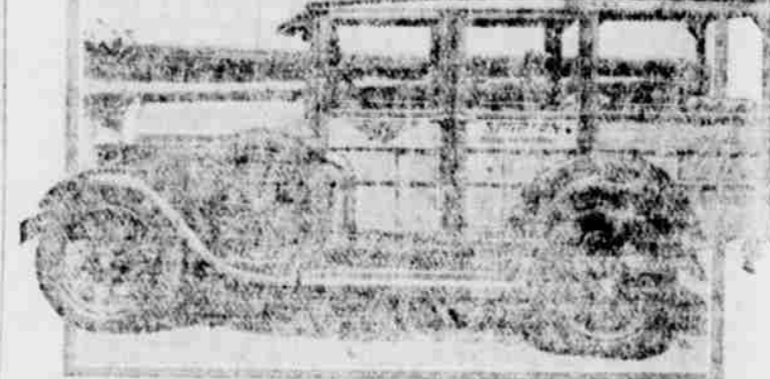

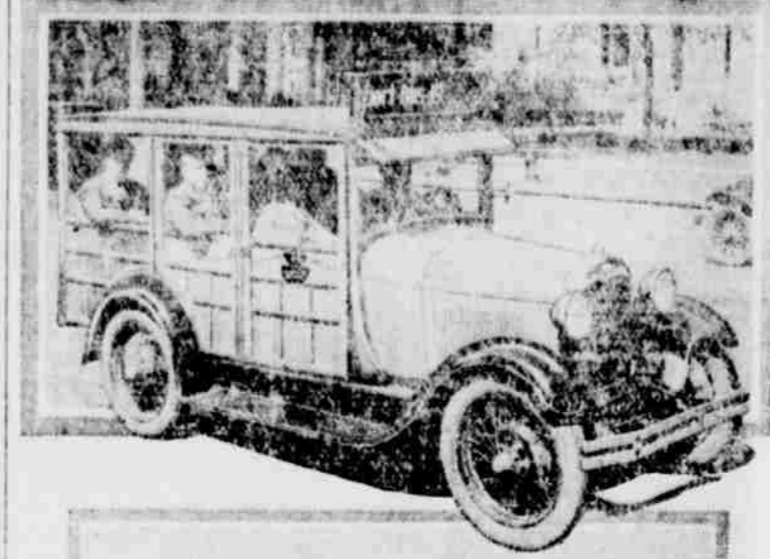

Herbert Biedermann of Rowena and Martin Mans of Olen are assisting Father Boeding in the Scout Troop organization. Other members of the committee are Ed Cervenk, Bill Weisner and Joe Dierschke, all of Rowena and Ed Hoelscher and Robert Lange of Olen.

HASKELL CITIZEN HAPPY AND CONTENTED

One of the men who helped to make Haskell county a better place to live is A. A. Frierson who lives a few miles west of town in the Midway Community. About 23 years ago Mr. Frierson came from Milam County, bought 196 acres of land where he now resides. He erected a home and broke out the land and has seen a wonderful change in this section since he came here. He only paid \$25.00 per acre for this land and has realized much advancement in price in all this farm land and has realized much advancement in price in all this farm land since he first bought his home.

Mr. Frierson did not have a grave to own any more land but he is content to own a farm from which he and his family can make a beautiful support and have every need supplied and he believes that he is living happier today on his well cultivated farm than he would if he had acquired thousands of acres of land and had the worry of looking after it. He says that he does not have to worry about anything and is just as happy as a man could be in this world. He is not worrying about the affairs of this world but has his hope set on things above

The Model A Ford Station Wagon Solves Problem of Reaching Airport

The Ford station wagon in front of the Michigan Union at Ann Arbor on one of the regular trips between the University and the airport. Below, the Model A station wagon used for transporting student files to the instruction field at Tulsa, Okla.

All aboard for the airport, is a cry now heard frequently on the campus of the University of Michigan, where one of the new Ford station wagons is used as a conveyance for students to and from the Flo School of Flying.

Due to the lag on automobiles at the University, students interested in aeronautics and the number is increasing rapidly—were unable to reach the flying field in private cars, and the demand for transportation became so keen that the station wagon was purchased by the flying school and placed on a regular schedule between the airport and the Michigan Union.

The example is serving to show other airports how the transportation problem to and from the city may be solved. The Spartan Aircraft Company of Tulsa, Okla., is using the Model A Ford to transport its students from the city to the auxiliary flying field located a few miles from the Tulsa Municipal Airport. The station wagon is the Model A Ford type that can be used either for passengers or hauling. It is being adopted by summer hotels, schools and seaside resorts, as well as by airports.

Officials of the Flo School of Flying report that aviation has taken a strong hold on the Michigan University students, many of whom come to the field at every opportunity for passenger rides. Others have enrolled as student fliers. The plan is to provide a means for students in the course of aeronautical engineering at the University to obtain also a practical experience in flying.

The station wagon accommodates seven persons and usually may be seen loaded with students.

SOCIETY and Club

Honors Mrs. J. and Mrs. M. E. Post.

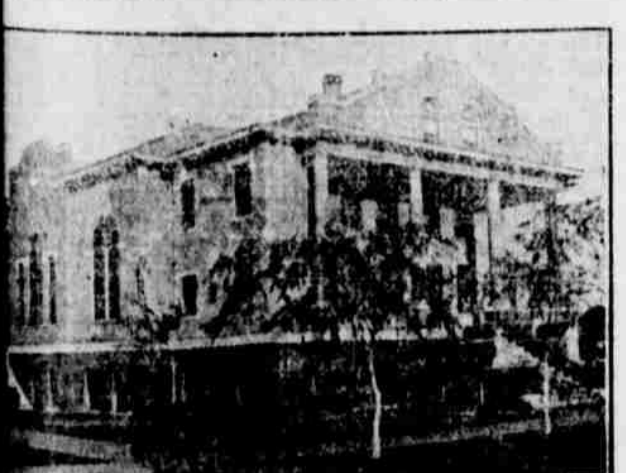

Club entertained at Club Library last Wednesday at four o'clock morning two of its members with their families are Mrs. J. Horace with her husband, Supt. State University for this fall. Mrs. Bass prominent in school, and club life of Haskell and is a sister of Mrs. Marvins. Mrs. Bass practically spent her Haskell will make her with her family in the two years of her and a sincere regret Mrs. Marvins. Mrs. Bass practically spent her Haskell will make her with her family in the two years of her and a sincere regret Mrs. Marvins.

Jim Isbell, assisted by Mrs. W. J. Sowell, pianist, Mrs. Bob Harrison; this division had twenty nine present on last Sunday evening; the intermediates are in charge of Mrs. Elizabeth Martin, assisted by Mrs. C. C. Grissom and their attendance last Sunday was 27; the senior sponsor is Mrs. E. Gaston Foote and the leaguers and guests of last Sunday evening numbered forty-six. The outstanding feature of the program was a debate by Misses Catherine Rike and Lucile Foote, affirmative with Lewis Smith and Julian Perrin, negative on the subject, Be It Resolved that, "Old Maids Are Worth More to a Community than Old Bachelors." Both sides made some fine scores but the affirmative narrowed their argument down to a fine and local point when they challenged their opponents to call the name of one bachelor in Haskell who could match in excellence a single bachelor maid. Whether it was a lack of knowledge or the temerity in voicing their sentiments on the part of the negative side, they failed to answer, and so the decision of the judges was for the affirmative.

Mrs. Elmo Edwards Honored With Miscellaneous Shower. The Josselit Home Demonstration Club entertained Wednesday afternoon at the home of Mrs. J. B. Edwards, honoring Mrs. Elmo Edwards, a recent bride, with a miscellaneous shower. Mrs. Gilbert Amos gave a toast to the bride. The prize for the contest went to Mrs. E. B. Galloway. Miss Lorene Edwards entertained with a number of acrobatic stunts, after which all took part in a flower contest. The Spanish edition of La Paloma was sung by Lorene Edwards accompanied at the piano by Mrs. Una Lee Bird. The bride was then blindfolded and taken to the dining room to be introduced to Mr. and Mrs. Lindburg, who were giving demonstrations in a new type of shower bath. There she found the gifts displayed on the table. Refreshments were served to Mesdames Otis Pierson, Jesse Josselit, C. L. Toller, Gilbert Amos, E. B. Galloway, Clay Kimbrough Jr, W. L. Fraley, Noble Henry, W. B. McMullan, Lige Wheeler, Jack Gifford, Alfred Turnbow, C. E. Harrell, Walter Wheeler, Jake Wheeler, P. J. Josselit, Clifford Thomas, J. L. Toller, W. P. Edwards, J. B. Members and guests who enjoyed playing forty-two during the hours of the party were: Mesdames J. U. Fields, O. E. Patterson, J. A. Couch, R. C. Couch, D. L. Cummings, Guy Mays, John W. Pace, A. C. Pierson, R. J. Reynolds, L. T. Cunningham, J. Horace Bass, H. M. Smith, J. L. Southern, Joe A. Jones, Mary E. Oates, W. H. Murchison, T. C. Rogers, F. T. Sanders, Clyde Grissom, Clayborn Payne, John P. Payne, C. L. Lewis and Mrs. W. H. Ellis and Mrs. Randolph Osborn of Sulphur Springs, house guests of Mrs. Wiley Reid.

Magazine Club In Call Meeting. The Magazine Club met in a call meeting last Friday afternoon with the new president Mrs. Clayborn Payne in the chair. Quite a number of important business items were disposed of and the year book committee reported the book finished for which thanks were given the committee. Also special note was made of the good condition that the library grounds are in and the civic chairman, Mrs. W. H. Murchison was given due credit for it.

Miss Christine Ballard Becomes Bride of Dr. E. Hugh Huebsch. In a recent wedding of much interest to the people of Haskell Miss Christine Ballard, daughter of Mr. and Mrs. T. E. Ballard, was married to Dr. E. Hugh Huebsch of Washington, D. C. The wedding took place at the home of the bride's parents at six o'clock Thursday evening with the Rev. E. Gaston Foote, pastor of the First Methodist Church officiating.

Relatives and a few intimate friends were assembled in the living room for the appointed hour. Preceding the ceremony Mrs. Wayne Koonce sang, "At Dawning." She was accompanied by Mrs. H. R. Jones, who also played the bridal march. Miss Mary Emma Whiteaker, bridesmaid, and Mr. Paul Ballard, brother of the bride and best man, led the march to the rose-entwined arch. Miss Whiteaker wore a frock of blue and pink taffeta in pastel shades and carried an arm bouquet of pink gladioli.

The bride entered on the arm of the groom. She wore a gown of white and flesh georgette and slippers of silver brocade. She carried a bouquet of pink rosebuds and lilies of the valley. Following the ceremony the guests were ushered into the dining room where Mrs. Huebsch cut the wed-

ding cake. Mrs. J. O. Galloway, sister of the bride, assisted by Miss Lucy Martin and Miss Eloise Roberts, served cake and punch. The bride changed to an ensemble in two tones of wood-brown with accessories in harmony. The couple left immediately for Washington, where they will make their home.

The bride is a member of one of the oldest families in Haskell and has spent most of her life here. She is a graduate of Haskell High School and a popular member of the younger set.

The groom is remembered by many friends here, having spent one summer in Haskell before resuming work in Georgetown University, Washington.

Out-of-town guests were Mrs. Galloway, whose home is in Kansas City, and Mrs. Clarence Pyatt, Plainview, also a sister of the bride.

Out of Town Guests Honored.

On last Tuesday afternoon, at the Magazine Club Building, Misses Lela Welsh and Lois Earnest, were hostesses to a large number of guests, in honor of Mesdames Frank Ragsdale of San Antonio, C. A. Murray of Canyon, Dave Hammond of Paris, and H. H. Hoster of Ft. Worth.

The beauty of the club rooms were enhanced by the use of chasta chais, zenas and pink rose buds as decorations. The guests were met at the door by Miss Earnest, and promptly given tally cards of parchment by Miss Welsh.

Four games of bridge were played, and upon totaling the scores, Mrs. D. B. Earnest was awarded an etched bridge set as the high score, and Mrs. R. E. Hall was awarded table numbers of gold and blue as the second high score. Handkerchiefs in pastel shades of chiffon were presented to the honorees.

Miniature flower pots containing chocolate ice cream with pink candy flowers in the center and olive and chicken sandwiches were served at each table which was laid with pink luncheon sets, with pink rosebuds and greenery in the center, further perfecting the color scheme of pink and green.

The guest list was as follows: Mesdames W. H. Murchison, J. E. Bernard, W. M. Reid, J. P. Payne, Hill Oates, J. P. Hendricks, Martin Wilson of Rule, D. B. Earnest of Stamford, M. H. Post, Jno. V. Methodist W. M. S. Meets In Home of Mrs. J. U. Fields.

The Women's Missionary Society of the Methodist Church met in the home of Mrs. J. U. Fields on Monday afternoon and the advertised surprise in store was that there would be no lesson but a short business session and program followed by a social hour. Mrs. C. L. Lewis presided and the meeting was opened with a song followed by the devotional by Mrs. F. T. Sanders. Miss Lucy Martin read, "The Christian Soldier." Then followed a bible contest in which Mrs. Bill McDonald proved her knowledge of the bible and was given a silver relish fork for winning in the contest. Mrs. Lee Glazner's circle served sherbet and cake to Mesdames C. L. Lewis, Bill McDonald, W. H. Murchison, B. Cox, F. T. Sanders, Bob Harrison, West, Bell, Mack Martin, Harris, Guy Mays, S. R. Among all the delightful performance characteristics of the Outstanding Chevrolet—none is creating more widespread enthusiasm than its thrilling speed and flashing acceleration!

The great new six-cylinder valve-in-head engine responds to the accelerator with an eagerness that is literally amazing. Touring speeds are negotiated with such smooth, silent, effortless ease that you almost forget there's a motor under the hood. And when the throttle is opened wide—the pace is faster than the most experienced driver would care to maintain!

Back of this exceptional performance is a brilliant array of engineering advancements—typified by a high-compression, non-detonating cylinder head... automatic acceleration pump... hot-spot manifold... semi-automatic spark control... and a heavier crankshaft, statically and dynamically balanced.

CROP CONDITIONS MUCH IMPROVED OVER LAST WEEK

According to our farm editor who made a trip through the north west part of the county last Tuesday, the conditions on the farm are much improved over last week. The hot sun and wind after continued rain had made the crops look very discouraging, but the cool nights and the shower last Friday night has worked a wonderful change in the crop conditions. O'Brien business men report that a good stand of cotton and feed have been realized by the farmers in that section and only in a few instances will there be any more planting to be done, unless another standstill or hail should strike that section. The early maize is not so good but the young feed is looking fine and both early and late cotton looks good at this time. Rochester trade territory has made wonderful improvements in the past week because of the rain which fell in that section Friday night. About three-fourths of an inch of rain is reported which was doubtless the heaviest rain fall in the county on this occasion. The crops in the Rochester territory are looking fine and with favorable weather a good yield is expected. Rule farmers are much encouraged over the improvement in the crop conditions the past week. A good stand of cotton and feed is reported by most of the farmers in that section. Some of the crops will be very late, but no one knows until the crop is gathered which will be blessed. Very few farmers are seen in any of the towns during these busy days. They are sticking close to business on the farm. The Sagerton section is needing rain, but the farmers have good stands and are putting their crops in fine shape with the plow and hoe. Quite a number of the farmers had their cotton chopped out and it looked very good. Crops are a little earlier in that section than in the northern part of the county, because of the fact that their first plantings were not destroyed.

Haskell Farmer Successful With Flock of Poultry

J. R. (Bob) Edwards one of best farmers living in the Pinkerton community has about 175 White Leghorns which he keeps books on and knows what they produce so he is not guessing. During the month of May Mr. Edwards sold \$76.00 worth of eggs from this flock and the cost of this flock is very light, because they are permitted to run around the barn and pick up the waste feed from his other stock. Mr. Edwards is also a close observer and keeps tab on all his farm affairs. He knows every year what it costs him to make his crop. Then he knows the value of his harvest in crop production which gives to him the knowledge of his success or failure. But with normal conditions it is always success with Bob.

FORMER RESIDENT BURIED TUESDAY

The funeral of John R. Owens of Ft. Worth was held at the Cemetery in Haskell, Tuesday morning at 10:30 o'clock by Rev. H. R. Whatley pastor of the First Baptist Church of this city. After which his body was laid to rest. Mr. Owens died at his home in Fort Worth after a lingering illness, June the 26, and his remains were shipped here for interment. The deceased was 29 years old at the time of his death and he was the son of the late T. W. Owens who resided in Haskell many years moving to Fort Worth a few years before he died.

WEINERT STATE BANK DESTROYED BY FIRE

Fire which was discovered about 12:20 Sunday afternoon completely destroyed the building and fixtures of the Weinert State Bank at Weisert, and for a while it was thought that the flames might spread to adjoining buildings. However, hard work on the part of the citizens of the town, the flames were confined to the building. Workers were greatly handicapped by lack of sufficient water, but most of the bookkeeping machines and a part of the fixtures were carried from the building and only slightly damaged. A call was sent to the Haskell fire department, and a truck was started to Weisert but failed to reach the fire because of motor trouble which developed after a few miles. The bank was located in a two-story brick building, which was built only a few years ago. The structure was practically destroyed by the fire, although it is thought that a part of the walls can be used if the building is rebuilt. The second floor of the building was occupied by the I. O. O. F. Lodge, who sustained a total loss on all fixtures, robes and other lodge property. Business of the bank was resumed Monday morning in a building across the street from the one destroyed by fire, and bank officials stated that work would be started in the near future on a new building. Practically all the valuable documents of the bank were in the vault at the time of the fire, and lost on them will be small, it was stated. The building and contents were partially covered by insurance.

CONCERT BY 100-PIECE BAND FEATURE NIGHT OF JULY 4TH

One of the most interesting features of the evening program at the Fair Grounds will be a concert by a 100 piece band, made up of the Haskell Municipal Band and the leading musicians of the neighboring towns, and will be conducted by Director Meacham of the Haskell Municipal Band. This, with many other events of equal importance will go to make the biggest and best entertainment ever presented in Haskell. The comedy drama "Rube and His Ma," or better known as "Too Tight for Britches," will be put on in front of the grandstand just after the fireworks. This is the play that has never failed to please and has been put on in several neighboring towns, this season with great success. Besides this good play and the big band concert there will be a battle royal and fireworks and the "Days of '49" Square Dance," all for one admission price.

SEVERAL HOUSES NOW COMPLETED IN ROCHESTER

The city of Rochester is experiencing a building boom in the residential section and quite a number of good homes have been erected and are under construction at this time. The residences of Hob Smith and Bob Speck have just been completed. Roy A. Baker and Albert Allen have homes under construction and there are other good homes planned and some have been completed a few months back. This building campaign is adding much to the appearance of this progressive city. Work was resumed on the building of the Rochester Motor Company this week and the frame work is going up. The foundation was poured some time ago. This will be a stucco finish and will be used as an auto sales room and warehouse for the company.

GRISSELL'S ADDS WELL-KNOWN BRAND CLOTHING

Griswell's Store, one of the largest dry goods establishments in the city who recently announced their merger with twenty other large stores in Texas and New Mexico, announce this week that they have added the line of Pool's work clothes to their line of merchandise, and in the future will carry a large stock of this nationally known brand of work clothing. Manager Eugene Hunter states that in taking over this brand of work clothing, that the store will be able to offer their customers one of the best lines of its kind sold anywhere, and at a price that compares most favorably with cheaper makes.

HASKELL DEFEATS ANSON IN DOUBLE HEADER TUESDAY

The Haskell team defeated Anson in a doubleheader played at Fair Park Tuesday afternoon in two of the best played games witnessed here this season. Score for the first game was 10, West on the mound for Haskell allowing the visitors only one hit during the nine innings. Batteries for Haskell for the first game were West and Cox.

In the second game the score was 4-2 in Haskell's favor. Batteries were Patterson and Cox. A fair crowd witnessed the games, but not the kind of a crowd that the games should have had. Our boys are playing good baseball, and deserve a better turnout at the games, this especially in view of the fact that they are giving an exhibition that is well worth the small admission charge made.

On last Sunday afternoon the locals defeated the Leuders team in a "loose" but hotly contested game on the local grounds. The score was 7-6—the visitors gathering all of their runs in the first inning. Errors and hits on both sides were numerous—but the game was interesting just the same.

On last Friday the locals split a double-header with Anson on the Anson grounds, with a score of 4-1 in Anson's favor for the first game and 8-1 in favor of Haskell for the second game. Batteries for Haskell were G. Kemp and Cox for the first game, and Clift and Cox for the second. In addition to doing mound duty, Kemp also pitched one in the first game—Clift doing likewise in the second game.

Box scores of all the games will be given in the future if possible, in order that local fans may follow the players more closely. For this week, a double-header is scheduled with the New Hope team on the local grounds today starting at 4 o'clock. Let's turn out and give the boys a good crowd for this occasion, and incidentally help them to win the games. Next Tuesday the locals are scheduled to play Anson again on the local grounds, and on the morning of July 4th will meet the Leuders team here.

Added Air Mail Service Announced Texas to Chicago

Additional Air Mail Service will be furnished by the National Air Transport, Inc., to the citizens of Texas and Oklahoma, effective, July 1st, according to an announcement received this week by Postmaster H. C. Foote. This service is made possible by the addition of a day-time schedule to and from the Southwest. Under the new schedule, mail planes will leave Dallas at 9:10 a. m., Fort Worth at 9:30, to Tulsa, Kansas City and Chicago, arriving in the latter city at 7:20 p. m., where the plane makes connections for New York, arriving in that city at 7:43 the following morning. The night schedule of N. A. T. remains the same, according to Mr. Foote, leaving Dallas at 7:30 p. m., Fort Worth 8:00 p. m., Oklahoma City 9:20, arriving in Kansas City at 1:10 a. m., where connections are made with mail planes to the North and East.

TWO RURAL SCHOOLS ARE CONSOLIDATED

Cook Springs school district has united with the Corinth district and expects to erect a new building in the center of the district and have a consolidated school with four teachers next school term. There was not a dissenting vote in the consolidation and this is doubtless one of the most harmonious consolidations ever staged in Haskell County. They will have a splendid school and this is a great step forward in the educational interest of this section.

BOOTH CASE TO BE TRIED AT THROCKMORTON MONDAY JULY FIRST

The case of the State of Texas vs. C. S. Booth, charged with murder, has been set for trial in District Court at Throckmorton on Monday July 1st, according to District Attorney Clyde Grissom, who further stated that all witnesses in this case are expected to be in attendance on the above date whether they are further notified or not. This case was transferred from Haskell county to Throckmorton some time ago, and practically all witnesses in the case are residents of Haskell and immediate vicinity.

WORKERS COUNCIL HOLDS INTERESTING SESSION AT MUNDAY

The Worker's Conference of the Haskell Baptist Association was held at the First Baptist Church in the city of Munday, on June the 24th. A large attendance was present and most of the speakers were on hand and took their places on the program. The song service was conducted by Rev. C. B. Stovall pastor of the Smith Chapel and Gillispie Churches of the association. Rev. J. E. Tucker of Rule conducted the devotional. After which Rev. A. L. Heath, pastor of the First Baptist Church of Rochester spoke on the "Goal For Texas Baptists." He made a wonderful talk which was appreciated by the large congregation. "Getting Ready for the Summer Campaign," was ably discussed by A. Starkey of Abilene who is a pastor in the Association. And the climax of the morning services was a sermon by Rev. C. E. Ball, pastor of the First Baptist Church at Rule on the subject of "The Bible and the Holy Spirit in an Evangelistic Campaign."

A bountiful lunch was served at the noon hour by the Munday ladies and all were made to partake of the many good things to eat which was spread on a long table outside the church. Plenty of ice tea and cold water was served. Many compliments were spoken by the congregation of the good service rendered by the ladies in serving the splendid feast.

The board members called a meeting just after the noon hour and the business of the association was looked after and at 1:45 the congregation was called together in a song service by Bro. Stovall after which a quartet was rendered by W. F. Henderson, W. M. Free, J. O. Bowden and S. N. Reid. After which A. B. Reece a layman of the Knox City Church made a splendid talk on "The Place of the Laymen in the Summer Evangelistic Campaign." Mrs. J. O. Bowden took charge of the association and a worthwhile program was rendered by a number of the ladies of the Association. Mrs. Gordon Sweat of Gillispie, Mrs. Mae Lowe of Brushey and Mrs. Williamson of Brushey all made good talks on how they enlisted the women in the W. M. U. Work. Mrs. R. T. Land of Gore sang a beautiful solo after which Mrs. George Hardberger of Knox City made a brief but excellent talk on the "Women's Place in the Summer Evangelistic Campaign." After this good talk Mrs. J. O. Bowden awarded the attendance banner to the Sweet Home Church.

There will be no more meetings of the Workers' Conference until after the Association which meets at Knox City. Mrs. W. A. Holt and little daughter of Weinert were in the city Wednesday and made this office a pleasant call. She had been to the Wichita Sanitarium for treatment for the past two weeks but is much improved in health. Walter Mummy of Post was in the city Wednesday on business.

PHYSICIAN OF RULE RACE FROM GALVESTON

Dr. J. C. Davis of Rule returned last week from a two week stay at Galveston where he attended lectures of the annual medical convention. Dr. Davis stated that he had a fine time and he further stated that the lectures were very helpful in his profession.

With the "Glorious Fourth" only a few days away, heads of all committees who have in charge the program for Haskell's celebration of the holiday have completed all arrangements and have in readiness plans for entertaining an estimated crowd of ten thousand people from all over this section. The main event for the day will be the free barbecue at noon, to be served in the Fair Grounds two blocks south of town. For the barbecue, twenty hives have already been purchased, and Messrs Edwards and Carmichael, who have charge of the barbecuing, have their pits ready, and will start the work of dressing the beefs Monday. Plans for serving the barbecue are in charge of Bill Collier, who states that his crew will be able to handle the huge crowds expected in short order. Tables and other outdoor fixtures will be built Monday and be in readiness in plenty of time before Thursday.

As has been the custom in the past, all business houses of Haskell will be closed for the day, with the drug stores, filling stations and cafes probably remaining open for a part of the day. This should be kept in mind by every one, in order that no inconvenience will result. Music throughout the day will be furnished by the Haskell Municipal Band, joined by bands from neighboring towns who have signified their intention of visiting Haskell on this day. Director Jos. Meacham also has secured a number of musicians from this section who will join with the Haskell band for the day, and assures us that he will have at least 100 instruments in his band for this occasion. As will be noted in the program in another column, the Band is taking an active part in the days entertainment, and plenty of music is assured throughout the day and nights programs.

The major entertainment feature for the afternoon will be the Motorcycle Races on the Haskell county Fair Track at 2:30. Eight events, including the time trials are arranged for the day, for purses totaling over eight hundred dollars. Henry Alexander, director of the races, has received a large number of entries already, and is expecting the list of riders this year to exceed that of any previous event. The five-mile race track, conceded to be one of the fastest dirt tracks in the State, is in ideal condition for the racing events—and it will be no surprise if existing track records are not considerably lowered this year. Russ Murray, recognized champion motorcycle racer of the world, will be entered again this year. Murray has expressed himself as confident that he can lower the track record which he set last year. Other noted riders as well, are bringing their machines here and stiff competition is assured in all events.

The races will start promptly at 2:30 Thursday afternoon, and tickets will be on sale at Martin's Drug Store beginning Friday of this week. The box seats have always sold out before the races start, and all who wish these tickets should secure them as early as possible. For the night program, which will be under the auspices of the Haskell Municipal Band, a number of entertaining features will be on the program. The main events will be a three-act comedy drama, massed band concert, a negro battle royal, fireworks display, and an old fashioned square dance, with music by the old fiddlers. Although the entire day's program of entertainment has not been summarized here, it is enough to say that there will be something doing every hour of the day.

And last—but most important—all—is the fact that the citizens of Haskell extend an invitation to everyone in this section to use and spend the day as their guests at the barbecue. Bring the ladies, your neighbors and friends, and enjoy an old-fashioned barbecue on the Fourth of July celebration.
