

Advice Concerning Advertising Of Free Prizes, Etc.

A warning against the use by merchants of any scheme of chance, which free prizes of any kind is given away, in circulars or advertisements to be sent through the mails, is sounded by Postmaster Foote in the article below. Mr. Foote recently submitted several circulars and advertisements in which various plans were used and prizes given in connection with sales, and has received a ruling which prohibits the mailing of any advertisement of this nature.

Merchants should give this their proper attention, and prepare their advertising in accordance, in order to avoid any conflict with the Postoffice ruling.

A camera and not a high-powered big game rifle was used by Paul L. Hoelzer, American explorer who headed the Colorado-African expedition which has just accomplished the first crossing of equatorial Africa, when he "shot" a trio of African lions whom he discovered playing with one of the spare General Cord tires with which the two trucks on the expedition were equipped. In the lower pictures, the male lion is seen stalking and then playing with the tire, lying on the side of an ant-hill on the African veldt, and in the upper picture his two wives have joined him after he has taken possession of the spare General truck tire.

Postmaster Foote's statement in full is given here:

A Friendly Warning

"The local post office force, has been embarrassed on several occasions by the presentation, for mailing, of circulars containing matter that was unmailable under the postal lottery law.

"These circulars are usually prepared by sales promoters who go from place to place conducting sales for different merchants.

"The attempt to get their unmailable matter through the mails by telling us that other post masters accept them, which we admit is sometimes true, but the fact that others violate the law does not warrant our doing so, therefore we invite the attention of our local merchants to these regulations because we count every business man in the city among our friends, and would regret very much to deny admission to the mails, any matter that they had gone to the expense of having printed.

"Any advertisement referring to

any kind of drawing contest, guessing contest, giveaway scheme, prize winning contest, or the offering of merchants in any way wherein there is an element of luck or chance, is in conflict with section 473, Postal Laws & Regulations, and is therefore unmailable, and anyone knowingly violating this section of the law is punishable by fine or imprisonment or both.

"We have taken the trouble to obtain direct rulings on a number of samples of this class of advertising in order that we may make no mistake, and are giving the matter this publicity through the courtesy of the local papers trusting that we may have the cooperation of all business firms of the city, to the end that none of us shall be subjected to embarrassment in the future.

"Yours for faithful service.

Postmaster H. C. Foote and Force"

Christian Ladies Aid To Present The Radio Show

The "Radio Show" heralded as something entirely different from the usual run of home talent plays, will be presented at the Texas Theatre tonight under the auspices of the Christian Ladies Aid. A laugh a minute is assured all who attend, in fact, the sponsors of the show advise you to stay away if you don't enjoy a good hearty laugh. Remember the date—tonight at the Texas Theatre.

Bert Davis of Paso Robles California is visiting his parents, Mr. and Mrs. R. H. Davis of this city.

FOR SALE OR TRADE—Several good Used Battery Radios in good condition, these sets taken in on Majestic Electric sets, and are real bargains. C. P. Woodson, Phone 1 or 215. tlc

INDIANS IN RACE FOR DISTRICT HONORS

WIN FROM MERKEL LAST FRIDAY PLACES HASKELL AT HEAD OF CONTENDERS FOR DISTRICT CHAMPIONSHIP

The touted Haskell Indians started their offensive campaign for the District title at Merkel last Friday by a win from the leading team of this section.

By a series of fast plays composed of line bucks, end runs and criss-crosses, the Indians carried the ball for a 70-yard march to score. Captain Kimbrough of the Indians was the star of the game. He scored the winning touchdown and kicked five times for a total of 310 yards. Merkel centered their attack on Kimbrough, but could not stop the big Indian, who plowed through the Merkel line for as many as 15 yards several times.

When an individual is lauded for his fine playing it is understood that he had the necessary help and cooperation of the rest of the team and so it was with Captain Kimbrough, who with the aid of interference spread his linemen was helped to do his wonderful playing. Pittman, Leflar and Sherman also made good gains through the Merkel line. Friday's game found Haskell with a changed team from the one that played Roby three weeks ago. Gil-

strap, formerly right end, showed up good at right guard. Simmons at left end was a good player and Liles played right tackle to take the place of Mitchell, who was ruled ineligible.

The Indians clearly out-played the Merkel eleven as may be seen in the following comparisons:

Kimbrough of the Indians punted five times for a total of 310 yards. Boaz and Guitar of Merkel punted six times for a total of 180 yards. Haskell made 11 first downs and Merkel 7.

Haskell threatened the Merkel goal line 5 times while Merkel threatened Haskell's only once.

Merkel was penalized for a total of 20 yards; Haskell for 25.

Merkel passed 9 times for 50 yards; Haskell 6 times for 13 yards. Merkel made 4 substitutions and Haskell one. (Feltner for Kimbrough; and Kimbrough started and played all of the last half.)

The starting line-up: Haskell Position Merkel Darsey Quarter Boaz Half Petree Full Guitar

Model Zeppelin On Display Here

Isbell-Burton Co., local Goodyear tire dealers, last week received a model Zeppelin, their reward for the splendid showing their firm made in a national sales contest on Goodyear tires.

The Zeppelin model, measuring three feet in length and painted silver, is mounted on a mast nearly two feet high. The local dealers have placed the prize on display in their show-window on the east side of the square.

Thousands of Goodyear dealers took part in the Zeppelin Race contest. The dealers were grouped in four divisions.

"It was a real race," stated the local firm. "We are greatly pleased over the fine showing we were able to make. Our success was due to the hearty cooperation of everybody together with the fact that we handle a line of tires, tubes and accessories of the highest quality."

Mrs. Ed Sprowls attended a District Conference of Vocational Home Economics Teachers in Lubbock last Friday and Saturday and while there was the guest of Mrs. J. W. Gammill, a former resident of Has-

Rural Community News

Pinkerton

Bro. Kinser filled his regular appointment Sunday and Sunday night. The Sunday School has organized a daily Bible reading organization and each one has pledged to start at a beginning and read the Bible through and understand it as they go. We have Sunday School every Sunday and everyone is invited.

The farmers of this community are progressing very rapidly in gathering their cotton.

Mr. and Mrs. Homer Brown are the proud parents of a fine baby that arrived on October 13.

Mrs. C. W. McKelvin and family had for their guest for Sunday dinner: Bro. Ball of Rule, Bro. Kinser, the pastor, Mr. and Mrs. Bill Lees and Mr. A. C. Roberts and family of Haskell.

Mr. and Mrs. J. R. Edwards and children spent last week end with Mrs. Edwards, Mr. and Mrs. Homer Blackstone of Vernon.

Miss Fern Baird of Knox City is visiting her parents Mr. and Mrs. C. M. Baird.

Center Point

Terrill Jeter made a business trip to Ft. Worth last week.

Mr. Amos Patterson and daughters of Weimert spent the week with her father Will Jeter.

Mr. and Mrs. Roy Greenway and son spent the week-end with Mr. and Mrs. Joe Davis.

Terrill Jeter was operated on for appendicitis Sunday morning at the Starnsted Sanitarium and is improving at this time.

Miss Letha Brunsberg returned to their home in Oklahoma last Sunday after spending a week with John Bland.

The entire community extends sympathy to Mr. and Mrs. Shelby Iarvis in their hour of bereavement.

Mr. and Mrs. R. J. Paxton of Haskell visited Mr. and Mrs. W. E. Iarvis Sunday.

M. T. Mauldin and family of Rule visited Jim Mauldin Sunday.

Mrs. Miller has returned to the home of her daughter Mrs. W. E. Bland after visiting Mrs. L. E. Bland and daughter Joyce of Rule.

Miss Ruby Forquereau and Mrs. Lee Cornelius of Vernon visited the B. Y. P. U. Sunday night.

Miss Rachel Edmore of Haskell was here Sunday.

Sagerton

The Parent-Teachers Association has planned a good program for Friday afternoon, October 25. Every one is urged to come out and help the P. T. A.

Mrs. C. Clark visited in Van Zandt County the past week.

Mrs. Bill Harris of Missouri visited her mother and father, Mr. and Mrs. J. B. King, north of town, last week.

Mr. and Mrs. D. C. McMillian of Sagerton visited Mr. and Mrs. King Sunday and they also visited Mrs. Harris, Mrs. McMillian's sister.

The Baptist and Methodist churches united in presenting a carnival last Friday night in town. The money went for the benefit of the two churches.

Miss Phoebe Massa left Sunday for Post. Miss Massa is going to teach in Post and we wish her success in her work. She has many friends here who hate to see her leave.

Miss Lillie Stein from Rule visited home folks in Sagerton the past week end. Her many friends were glad to see her.

The work is going on rapidly with the new school building. Every one is hoping it will soon be completed.

Mr. and Mrs. D. W. Hale of Old City attended the carnival here Friday and also Mr. and Mrs. Quan of Haskell of Old Glory.

Mr. and Mrs. T. C. Stuart and a case of Midway attended the carnival Friday night. Mr. and Mrs. Stuart's friends were glad to see them.

Smith Chapel

Mrs. D. H. Craddock gave a surprise birthday dinner Sunday honoring Mr. Craddock's fifty-ninth birthday. Those enjoying the occa-

SMALL BILL

Hubby—What have you got to say for that canary bird?
Wife—Oh, the bill for that kind of bird is very small.

casions were: Mr. and Mrs. Lee Sims and son of Thalia, Mr. and Mrs. Tom Webb of Goree, Mr. and Mrs. Ford Waldrip, Mr. and Mrs. W. W. Waldrip and daughter, Dhine; Mr. and Mrs. Floyd Jordan and two children, all of Knox City. Mr. and Mrs. J. D. Rainey of Stamford, Mr. and Mrs. Homer Rainey of Hamlin and Mr. and Mrs. C. W. Stephens and daughter, Lucile; Mr. and Mrs. Edgar Stanfield and children and Mr. and Mrs. E. S. McGuire and family.

Mr. and Mrs. Eli Williamson visited in the home of Mr. and Mrs. J. B. Little Sunday.

Mr. and Mrs. Arthur Teaff of Gillespie visited in the home of Mr. and Mrs. H. B. Teaff Sunday afternoon.

Roxie Lane and Lattie Hand visited Bernal and Thelma Beason Sunday.

Veima Henry of Gillespie visited Eloise Angie Saturday night and Sunday.

Mr. and Mrs. J. J. Beason gave the young folks a party at their home Saturday night. There was a large crowd present, and all enjoyed the occasion very much.

Mr. and Mrs. D. H. Craddock made a business trip to Anson Wednesday last week.

Mr. and Mrs. Royce Stephens and Mrs. H. B. Teaff and son, Cernon Lloyd, visited relatives at Littlefield and Amherst last week.

Mr. and Mrs. E. S. McGuire and family visited in the home of Mr. and Mrs. D. H. Craddock Friday night.

Baptist W. M. S.
The Baptist W. M. S. met in regular business session at the church Monday afternoon at 3 o'clock with twenty-eight ladies present. Mrs. Gilstrap led the devotional.

Mrs. Whatley, the Missionary chairman conducted the Royal service program on "Money and Missions" or Tithing. Mrs. W. E. Kirkpatrick, Mrs. K. D. Simmons and Mrs. I. N. Simmons had parts on program, the program was closed by singing softly, with bowed heads.

"Have Thine Own Way" after which a short business meeting was held with Mrs. Ellis presiding.

Please note the change of our regular business meeting from the first Monday in each month to the third Monday. It is hoped that all the ladies will attend the Workers Council at Curry Chapel next Monday, Oct. 28th.

Walter Murchison Jr. and Raymond Morgan were in Dallas last week end and took in the football games between Texas and Oklahoma.

PILES

WILL BE IN HASKELL
at the
TONKAWA HOTEL
Wednesday, October 30th.
From 12 Until 5 P. M.

PAINS Went Away

"I was very much run-down in health. I had a dreadful ache across the middle of my back. I had a dull, tired feeling, and I dreaded the thought of having to do my household tasks. I was tired when I got up in the morning. I got no rest from my sleep, and I was sleepy all day long."

"My husband got a bottle of Cardui for me. It was not long before I began to show a decided improvement. My strength began to return and I felt much more like myself. The sleepy spells gradually quit and the pains in my back and sides disappeared."

"Cardui is a splendid tonic for women." Mrs. J. H. Stanley, Box 24, E. F. D. 1, Elmore, Texas.

CARDUI
The Doctor's Best Remedy for Rheumatism, Migraine, Headache

WEINFERT

Rev. Cecil Fox filled his regular appointment at the Methodist Church at Weinfert Sunday, Oct. 20, at the morning hour, and at 3 o'clock. Bro Hamblen, the Presiding Elder held the Fourth Quarterly Conference and preached a fine sermon in the evening to a full house. Mrs. Hamblen accompanied him from their home in Stamford.

Mrs. W. D. Simms and two small sons of Snyder are visiting Mrs. Simms parents, Mr. and Mrs. G. C. Newsom.

Mr. and Mrs. W. R. Weinert are rejoicing over the arrival of a little son, W. R. Jr., on the 18th of Oct.

Old System of Timing Still in Use in Egypt
Before the advent of the modern clock, many towns and cities told the time to their people by firing a gun at noon. Rome was such a place, and kept to the daily firing of her veteran noon-gun on the Janiculum hill, which had been done so far back as human memory could go until a year or so ago.

Then she decided to replace this ancient form of time signaling by the most ultramodern system available. A master electric clock was installed in the city observatory, which controlled 300 other electric clocks placed in different quarters of the Eternal city on the Tiber. The 538,000 Romans are therefore exceptionally well catered for as regards the time.

What an amazing contrast is such a method as this to the manner in which parts of Egypt to this very day tell the time. Some of the natives still employ ancient shadow clocks. These consist of wooden boards with little "goal posts" in the middle of them, which measure by the shadows they throw the length of jobs which have to be performed by oxen or laborers.

These "clocks" have been in use for telling time for 4,000 years.

HAD NEVER TOLD IT

"Don't think I've ever told you this funny story."
"Is it really humorous?"
"Yes."
"Then you have never told it."

Miss Marjorie Whitehead is a guest of friends of Dallas this week end and of course will visit the Dallas Fair.

Mrs. L. P. Taylor is the guest of her daughter and family, Mr. and Mrs. Tom French of Dallas and of the State Fair.

Mrs. D. L. Cummins returned from Belton last Saturday and was accompanied by her parents Mr. and Mrs. J. B. Davis who will spend the winter in Haskell.

Clyde Edwards, son of Mr. and Mrs. Jess Edwards, has been transferred from Grissom's Store at Munday to the local store, taking the place of Mr. Homer Ferguson, who has been transferred to the Colorado Store of this firm.

J. G. Mulkey of the L. & M. Store made a business trip to Dallas the first of the week.

HOW THE HIGH SCHOOL BAND HELPS

By Joe Meacham
About thirty years ago in a small mining town the community bought a set of band instruments and a high school band under the leadership of the high school principal was formed.

One boy who is today one of our big directors and composers, after carrying the front end of the bass drum for some time was promoted to that exalted position of 3rd Alto horn. He worked hard and soon became 1st solo cornetist.

It was right there in that school where he got his start. Later we find him a composer and director of one of Chicago's great bands.

This school band soon became the pride of the town and no celebration was complete without it.

The school band keeps the boys

of the streets and it advertises the town in neighboring towns and communities.

The school is the starting point for your boy or girl. When you send them to college it will cost at least \$150.00 a year or \$600.00 for the four years. With four years training in the high school band all of this money can be saved and in many cases they will make extra money in addition to help pay their way through school.

Encourage your boy or girl if they are musical give them the same chance you do the boy who learns law, medicine or business.

Shower For Mrs. Martin Robertson.
On last Saturday afternoon from 2:30 until 4:30, Miss Claudia M. Masie and aura Mae Wheatley entertained with a shower in the home of the former for Mrs. Martin Robertson, a recent bride.

Each guest registered in the bride book and gave her a bit of advice. After a session of merry making, the guests assembled and viewed the gifts. The bride went through them thanking each guest for her gift.

After Mabel Guess read over the advice given in the bride's book, Misses Masie and Wheatley served delicious cake and hot chocolate to the following guests: Addie Mae Whiteaker, Lorene Fields, Lorene Huff, Reta Mae, Otie Belle, Mabel Guess, Mrs. Mamie Wheatley, Mrs. J. C. Lewellen, Mrs. J. R. Dineen, Mrs. A. C. Robertson, Mrs. W. S. Weaver, Mrs. T. C. Cobb, Mrs. Lola Masie, Mrs. Marvin Wheatley, Irene Roberts, Nydia Roberts, Mrs. Myrtle Chapman, Mrs. J. D. Wheat-

ley, Edna Feroe, Edna Feroe, Mrs. A. F. Feroe and Tom Hallmark.

Weimert Entertains Dinner.
Mrs. W. D. Beason of Snyder.

Mrs. H. F. Monks was the charming hostess to a number of friends on Wednesday Oct. 16, for a seven o'clock dinner honoring Mrs. W. D. Simms of Snyder. A number of games of 42 were played after dinner. Another out of town guest was Mrs. Fred Monks of Myers community.

Mrs. Ed Sprowls attended a District Conference of Vocational Home Economics Teachers in Lubbock last Friday and Saturday and while there was the guest of Mrs. J. W. Gammill, a former resident of Has-

kill. Mrs. Gammill is to her many friends

Mr. and Mrs. B. M. in El Paso this week upon the W. T. C. convention in that city.

CHEVROLET

Millions of Miles of Constant Testin

to maintain the outstanding quality and dependability of The Chevrolet Six

In spite of the fact that a million Chevrolet Sixes have already been placed in the hands of owners, and have proved their performance and stamina by billions of miles of service over every type of highway the nation affords—

—the Chevrolet Motor Company continues to take new Chevrolet Sixes from the assembly line at the factory and subject them to pitiless testing on the roads of the General Motors Proving Ground!

This passion for proof—this consistent refusal to accept any tests as final—is one of the fundamental reasons for the overwhelming popularity of Chevrolet cars. For in no other way is it possible to make the Chevrolet Six so sound in design and materials—so dependable in performance—and so economical to operate!

If you are considering the purchase of an automobile, come in and see the new Chevrolet. You will find that it is more than a Six in the price range of the four. In every way it is a finer car than you ever thought possible in the low-price field!

A SIX IN THE PRICE RANGE OF THE

SAVING 8,400,000 REVOLUTIONS A YEAR

NEW MULTI-RANGE CHRYSLERS PROLONG ENGINE LIFE AND REDUCE GASOLINE CONSUMPTION WITH GREATLY INCREASED CAR SPEED

While other engines are straining to their utmost in turning up top speeds, the new Chrysler with Multi-Range Gear Shift and four-speed transmissions purr along nonchalantly registering some 840 fewer engine revolutions per mile of car travel than other cars. For one of the notable achievements of the Chrysler Multi-Range is its ability to develop highest speeds and greatest power with far less engine speed than was ever before possible.

Think what that means in an average year of driving—

ADDITIONAL FEATURES
DOWN-DRIFT CARBURETOR
SYNCHRONIZED POWER SYSTEM
ARCHITONIC BODIES
PARAFLEX SPRING SUSPENSION
METALWARE BY CAETIER
INTERNAL-EXPANDING HYDRAULIC BRAKES

8,400,000 fewer engine revolutions for every 10,000 miles covered; 8,400,000 fewer chances of imparting wear and tear to the moving parts mechanism; 8,400,000 fewer demands on the gasoline and oil supply systems.

And these brand-new cars give you the smoothest, liveliest, most enjoyable and economical performance in modern motoring. A demonstration proves it.

Chrysler Imperial, "77", "78", "66" offered in all popular body styles—Price range from \$985 to \$3475 (a.b. factory (Special equipment extra).

SHE'S ASTONISHED BY RESULTS OF SARGON

"I honestly didn't believe there was a medicine in the world that could help me like Sargon has."

MRS. J. E. GREEN

constant pain in my side. I had rheumatic pains in my limbs and it seemed like every joint in my body ached. It got so bad, I could hardly walk. My liver wasn't active and my whole system seemed full of poisons. My husband was taking Sargon and I saw it was doing him worlds of good so I decided to try it.

OATES DRUG STORE, Agents

Napoleon's "Pick-me-Up"

Napoleon, in addition to other trifling feats, was the inventor of the cocktail. Although the most frugal of eaters and drinkers, allowing only eight minutes to lunch and 12 to dinner, he was assisted, it seems, in his "miracles of endurance and activity," by "a mixture of different alcoholic spirits, of which he himself controlled the dosage."

Snake With Ears

Another story of a snake with ears comes from the Bushveld. Mr. S. Voges writes to say that he read the report in the Johannesburg Sunday Times of a "snake with ears" being seen in a vlei at Rouberg, and he adds that he believes this tale to be true.

Not "Among These Present"

In an effort to encourage the reading of good literature by young members of the Victorian police force, the chief commissioner, General Blamey, established a well-stocked library at their barracks.

Manitoba Boundary

The lower half of the boundary between Manitoba and Saskatchewan is stepped because, crossing a well-settled farming district, it follows the survey lines. Survey lines in northwestern Canada are, of course, always stepped, this being necessary in view of the fact that the meridians of longitude, which form the basis of the surveyors' calculations, converge as they go north, and the distance between them, instead of remaining uniform, is thus gradually narrowing, whereas survey lines have to be kept straight.

Leslie Was In Debate at Methodist Church

On Wednesday evening of last week Rev. Foote began the service for prayer meeting and gave the devotional as usual and then announced the debate for the evening "Be It Resolved That Women are More Religious Than Men."

Golf Widows Club In Beautiful Halloween Party

The Golf Widows Club with special guests enjoyed a very pleasant afternoon in the home of Mrs. A. C. Pierson, Tuesday of this week. On the outside the sun was hid behind lowering clouds, but the interior of this lovely home was a blaze with yellow rays of lights, shed from Jack-o-lanterns.

Bailey, J. M. Diggs, H. S. Post, J. G. Foster, D. C. Bradley, Joe A. Jones, Harry Bettis, C. M. Conner, C. L. Lewis, John Oates, W. M. Reid, C. W. Williams, John W. Pace, H. M. Smith, W. H. Murchison, Mary E. Trigg of Bastrop, house guest of Mrs. W. H. Murchison; R. C. Montgomery, Bruce W. Bryant, J. L. Southern, S. A. Roberts, John and R. C. Couch and Miss Ruby Fitzgerald.

Weinert Matron's Club

Mesdames Cadenhead, Jones, Griffith and Starling were joint hostesses to the Weinert Matron's Club Thursday, Oct. 17, in the home of Mrs. Cadenhead. The house was quite festive and very pretty with fall flowers and all kinds of black cats and witches, all carrying out the Halloween colors and motif.

Mrs. Courtney Hunt is in Dallas at present for special treatments by a physician in that city.

Mr. and Mrs. Owen Fouts, Mrs. W. D. Kemp and daughter, Miss Lena Bell motored to Cisco last Sunday.

You're out-of-date without an EIGHT!

On every hand you hear people talking Eights. And, what is more convincing, you see them buying Eights. In 43 states, for the first seven months of this year, new car registrations above \$1000 showed a 94 per cent increase in Eights—an 18 per cent decrease in Sixes. (Five states do not compile registrations by engine types.)

Money To Loan
 On Farms and Ranches by the JOHN HANCOCK LOAN COMPANY, the best Loan Company doing business in West Texas. We give you a low rate of interest, payable annually, any month you want to pay interest, no inspection or attorney fee, and no stock to take, with option to pay \$100.00 or any multiple of \$100 at end of any year, up to one fifth, without notice. You get all the money you borrow.
 We write only one deed of trust and one note, no commission notes that you have to pay in full for the entire life of the loan no matter how much you pay before maturity on the principal note. When you pay \$100 or more on our loan it stops ALL INTEREST on the amount paid.
 Come in and see us and let us explain the John Hancock Loan to you, and the loan where they write two deeds of trust and two sets of notes. Few farmers understand the difference between these loans. I have been in the loan business for 44 years. If you are considering making a loan I would advise you to get it before the end of the year. Conditions are not good, and interest may get higher.

West Texas Utilities Co.
 . . . our Faith in You!
 THE electric light and power system in many towns is the heaviest industrial investment in the town.
 Present-day utilization of electricity in domestic and commercial life calls for great power generating stations and costly distribution systems. When selecting factory locations, big industries first ascertain if uninterrupted electric service is available.
 When a company invests millions in generating stations to serve a group of cities and towns it is certainly a concrete indication of the company's confidence and faith in the towns.
 The West Texas Utilities Company has built three major generating stations, and maintains 15 auxiliary power plants, to give unfailing service to the 110 prosperous cities, towns and communities on its properties.
 This company is vitally interested in the progress and development of every community it serves. Your success is its success therefore it is one of your most active civic boosters and one of your most substantial citizens.

LOST TREASURE STIRS ALL PERU

Maps Show Location of Gold, but They Can't Find It.

Lima, Peru.—The lure of buried treasure is once more holding the attention of the Peruvian public.

During the reconstruction of the city hall of Arequipa a laborer, Andres Rodriguez, discovered beneath a partially demolished wall a bottle containing maps and sketches showing the location of treasure.

Makes Formal Claims. Having examined the maps and sketches, Andres Manrique sent his son, Jose to Lima to make a formal legal claim for the treasure before the federal government.

Andres Rodriguez, the laborer, has also entered a denunciation, while members of the Arequipa club, owners of the land, are contemplating taking action if the situation justifies it.

Jose Ugarte, seventy-seven-year-old employee of the municipality of Arequipa, declares that 40 years ago Dr. Moscoso Melgar, then mayor of Arequipa, was in possession of the maps and made a thorough search without locating any treasure.

Another former employee of the city government, Manuel Nunez, who alleges that he was a close friend of Mayor Melgar, declares that he has no knowledge of such a search having been made, but adds that it is entirely possible that the information was not communicated to him.

As a result of the various claims made in the municipal court in Arequipa, the mayor and the councilmen have had the passages reopened and a search made, without any treasure having been discovered.

Largest Perfect Jade Selected for China's Seal

Shanghai.—The largest piece of perfect "fish-colored" jade known to be in existence is to be carved into the new seal of the republic of China.

This piece of jade, five inches thick, seven inches long and a little more than five inches wide, has just been found in far-off Sinkiang province.

Eat Horse Meat

Budapest.—Horse meat has become a staple among the poor of Hungary since the war, although before that there was not one butcher shop in the country where one could obtain it.

Girl Chases Bear Believing It a Dog

Ashland, Wis.—Mothers caught up their children and fled in terror from a large decidedly wild black bear which cavorted about Ashland, Wis., for half an hour.

Antiquated

It is claimed now that a surgical operation can make a good boy out of a bad one.

Fruit can be preserved, we are told, by varnishing it.

Life's Happiness Found in "Doing Unto Others"

An old man who had met life serenely and tranquilly for more than eighty years was asked the secret of his cheerfulness.

"But there's more to it than that. When you've learned to dodge a collision, not because you're afraid of getting hurt yourself, but because you're afraid of hurting the other fellow, you're getting near to happiness.

World's Great Debt to Peruvian Guano Bird

One of the most valuable birds in the world is probably the Peruvian guano bird.

Why the birds should be more numerous there than in other parts of the world is not easy to say.

Humor Ancient and Modern

Many of the glib expressions of the most demure modern women would have caused the Mrs. Grundys of an earlier day to gasp in horror.

Dry humor becomes an impossible expression when it is considered that the original meaning of humor was to designate a moisture that in old times was believed to be one of the four elements of the human constitution.

Daily Thought

Join the great company of those who make the barren places of life fruitful with kindness.

HALLOWEEN CARNIVAL THURSDAY EVENING

The Halloween Carnival of the P. T. A. has gotten to be a big annual affair. It is in high favor not only with the school children and parsons but practically every body in the vicinity looks forward to this big event as the main Halloween attraction.

How He Found the Right Girl
 By I. WRIGHT

THE classified advertising offices were agog with excitement and buzzing. Dust cloths unused for weeks were being flicked across the highly polished desks, well-sharpened pencils were being passed along the counters where the ad takers stood all day checking up the number of spaces, the number of words and costs of insertions in the classified advertising pages of the Daily Mirror.

Mary Connolly alone was unimpressed by the news of the efficiency expert who, from the astounding rumors floating about, was evidently to come into the classified advertising offices, look about with sharp eye, suggest very radical changes here and there as to lighting, position of desks and the cashier's cage and—worst of all—fire instantly those clerks who were in any way inefficient.

"The top of the mornin' to you, Susie McGinnis," she said gayly, taking out her fountain pen. "And why all of this merry cleaning and rushing about? The efficiency man—if he's any efficiency man at all—will see through your little follies."

"I wish you'd call me Susanne," pettishly exclaimed Susie McGinnis. "And I think you don't realize the importance of this man. The boss upstairs has seen him work before and he's told him that he can have anyone in the whole place he wants to assist him. Wouldn't that be the cat's pajamas? The efficiency girl!"

A shabbily gowned old lady had come up to the desk and was waiting in front of Mary Connolly. "Did you have an advertisement to place?" asked Mary pleasantly.

"Yes, I did," answered the old lady tartly. "You didn't think I was standing here merely to hear that hubbub-headed young miss there use new slang, did you?" Her black eyes snapped angrily.

"I beg your pardon," murmured Mary. "Perhaps I can write your advertisement for you?"

"It's not much to write. Just say: 'Wanted: A room.'"

Mary stared at her. Odd were many of the advertisements placed with her each day. Brief were some of them. But this one! No one would know from the advertisement in what part of the city it was desired, what type of room—good accommodations with their commensurate cost or less convenient ones that would be reasonable—a hundred ideas flashed through Mary Connolly's mind.

"Suppose we put in just a little more," she said gently. "You see it doesn't tell much."

"Doesn't tell much! Doesn't tell much," snapped the old lady. "Tell me right to my face I'm an idiot, will you? I'll have my son come down here at once—I'll tell him the whole thing, that I will!—an idiot, indeed!" Angrily she shook her head at the bewildered Mary.

"But I—" gasped Mary.

A man standing near came forward, and Mary was not surprised at all, so excited was she, to hear the old lady call him John and tell him that the young lady had called her a fool.

"—" again gasped Mary. "We have orders to assist in the advertisements whenever it is possible. You see," she explained earnestly, "we don't accept less than two lines, and so I wasn't trying to get her to pay any more money out. It was just that if she said where she wanted the room and what price she wanted to pay or what kind of room she wanted, whether for rooming, boarding or light house-keeping, why, you see, she would have more replies. I was thinking of the answers she would have!"

Mary Connolly's blue eyes filled.

She heard across the indicated counter the tall man called John complaining the whole thing in low tones. In a few minutes the little black bonnet of the old lady began to nod.

"I had a bad night in that hotel—didn't sleep a wink," the old lady told her. "You write it up. Make it as long as you want, and make it right, I guess," the old eyes twinkled, "we'll let John pay for it, anyhow." She was smiling at Mary now, happy as a child, the recent wound forgotten.

"Very good," said the man, changing his manner. "I'm the boss upstairs told me I could have anyone I wanted to help me. I think I'll have to take you for my efficiency girl."

The surprised ad-takers saw their Mary Connolly, now the efficiency girl, pass out the little swing-ante and go for her coat and hat. Barton, the boss, was surprised, too, when he passed along that way to be buttonholed by the new efficiency man, who said seriously: "Say, Barton, old man, I want to tell you that you'd better look about for a new ad-taker. I've always said I'd never care for a girl mother didn't like and so on—the way she took to the little Mary Connolly—well, it took my breath. I didn't know what she thought of me, but what's the use of being an efficiency man if I can't have the girl I choose?"

MANY ISOLATED SPOTS IN U. S.

Uninhabited Areas of Country About Which Little is Known.

Washington.—The disappearance of an airplane in New Mexico, and the four-day search before its wrecked remains were found, emphasize the fact that in the heart of the United States are uninhabited areas, some even unseen for long periods by the eye of man. A bulletin from the Washington (D. C.) headquarters of the National Geographic society deals with some of these blank spots on the map of the United States.

"Uncle Sam and his states have taken fairly complete stock in the East," says the bulletin. "Surveying instruments come over with the early colonists and were put to immediate use. Since those early days lines of some sort have been run over almost every square mile of territory east of the Mississippi river.

"But although the eastern states have been rather thoroughly surveyed and are on the whole heavily populated, they are not free from isolated areas. In the forests of north central Maine extensive regions, for many months of the year, still know only the hunter and the trapper. In certain sections of the high Appalachians live families of isolated mountaineers whose domains are seldom visited by outsiders.

"The only actual blank spots in the eastern United States, however, are in the swamp regions of southern Florida. There are relatively large tracts that have not been surveyed or mapped.

Large Blank Spots.

"It is only after the Mississippi river has been crossed, going westward, that the extensive blank spots appear. Portions of north-eastern Minnesota are virtual wildernesses; but the areas are not great; and, as in the remote sections of Maine, hunters and trappers traverse the country. The bad lands of southwestern South Dakota form a sizable area, largely barren, in which only a handful of people live; and similar areas are found in northern Nebraska, eastern Wyoming and Montana.

"All along the Rocky mountains from Canada into New Mexico are uninhabited and practically inaccessible mountain fastnesses. In Texas there are still unfamiliar areas in the 'Big Bend' region, close to the Mexican border, where the Rio Grande river makes a loop far to the south.

"In all this country, however, as is noticeable by reference to a large scale map, no very large areas are free from what the map-maker calls 'culture marks'; trails, roads, highways, railways, power lines, dams, canals, fumes, factories, villages, towns, and cities—the evidence that man has invaded and taken for his own much of the territory.

"The really remote regions, untouched by man, can be tested by this matter of map making. In the eastern states maps show railways

attention

is of prime importance if you wish to get your printed message read. That is why we so carefully in the selection of type, paper and ink when we do printing.

A well printed piece will get results because it gets attention. Let us show you how we can increase the attention value of your printed matter.

choir sang special numbers during the play with one quartette by Misses Mammie Jones, Miss Cearley, Mattie Letha Pippin and Ora Bell Kennedy.

Little Miss Bona Fay Reynolds Honored in Birthday Party.

Last Saturday, October the 19th was the birthday of little Miss Bona Fay Reynolds and her mother Mrs. Frank Reynolds entertained with a lovely birthday party honoring her little daughter. Miss Bona Fay was six years old and the party was from three until six o'clock. Pink and white were the colors used in the refreshments but before these were served the little hostess and her guests enjoyed many games inside of the house and over the lawn. Then Mrs. Reynolds brought out the big birthday cake which was white and on it were six pink candles. The favors were all day suckers, but you wouldn't have known them they were so dressed up. Their heads were painted doll's heads and they wore afternoon frocks, so that the little folks called them Flapper Dolls. There was also an abundance of soda pop. The little friends who left toys and ornaments for the honoree were: Jean Conner, Mary Jane Kirkpatrick, Ruth Gilstrap, Dorris Hamner, Billie Ruth Borland, Virginia Loe, Mary Joe Loe, Mary Beth Menefee, Jean Menefee, Patsy Ruth Pate, Virginia Sue Pate, Bettie Jane Stanton, Dorris Parks, Winona Carter, Eloise Koonce, Barbara Lee Jordan, Claude Menefee Jr., James Reynolds and the honoree, Bona Fay Reynolds.

Gypsy Ramblers in All Day Affair With Their Sponsor.

On last Saturday, the sponsor for the Gypsy Ramblers, Haskell High School organization, Mrs. George Wimbish entertained in her suite of rooms at the McNeill Apartments in a lovely all day affair, naming Bessie Bee Kaigler as the honoree and the Ramblers presented her with a pair of satin mules and the senior class gave her fingers. Most of the Ramblers are seniors so the day was spent in pleasant reminiscence of the past and games of their own choosing. At the noon hour a delicious luncheon of practically every thing that the market affords was served cafeteria style. Members present were: Mary Willis, Vivian Bernard, Bessie Bee Kaigler, Sekda Maples, Nova Griffin, Irene New- some, Henrietta Isabel, Catherine Wingo, Frances Ratliff, James Lyle Martin, and sponsor, Mrs. George Wimbish.

The Magazine Club in Weekly Meeting.

The Magazine Club has had a number of fall preliminary meetings, such as president's day, luncheons and acted business meetings but on last Friday afternoon the club began the year's work with its first program. The president Mrs. Claiborn Payne called the meeting to order and during the business session it was decided to sponsor a program on in the Home for the P. T. A. Mrs. J. U. Fields, the parliamentarian, read the constitution Mrs. Joe

Hendricks and Miss May Fields were selected to membership.

Mrs. John Couch was hostess last Friday afternoon and she used baskets of fall roses in enhancing the interior of the club room. Mrs. Harry Bettis directed an interesting program on "Historical Development of Short Stories." Arabian Nights (987) Mrs. Lee Glezener. Mrs. M. L. Baker gave an exposition on the book of Ruth in demonstration of Hebrew Literature, the rendition of which was a classic, very beautiful was the Italian Love Story, "Patient Griselda," by Mrs.

Clay Smith, Mrs. Bert Welsh concluded the program by rendering a vocal solo, "Pagan Love Song."

The Harmony Club begins practice on Christmas Cantata. It has become an established custom of the Harmony Club to present to the public a beautiful Christmas Cantata each Yule Tide. This is given at the various churches in Haskell in rotation. This year it will be presented in The First Methodist Church. After a short business session presided over by the president, Mrs. C. L. Lewis, the choral director, Mrs. W. W. Koonce directed the first practice of the Cantata, by Paul Bliss. This is reported to be one of the most sacred and beautiful cantatas that the Harmony Club has given.

Clay Smith, Mrs. Bert Welsh concluded the program by rendering a vocal solo, "Pagan Love Song."

The P. T. A.'s wish to thank one and all who contributed in any way to make of the evening's program the success that it was. And especially do they feel indebted to Professor Meacham and his faithful band boys, for the band music was no small part of the program. The plays were directed by Mrs. Kaigler.

Mrs. O. E. Patterson is in San Antonio the guest of her parents, Mr. and Mrs. Metcalf and the delegate to the Grand Chapter of the Order of The Eastern Star which convenes in the Alamo City from the 21st to the 24th of this month. Master David Patterson accompanied his mother.

The Verdict of 276,003 Cows

"AMAZING," say feeders when shown the results of the eight months' dairy profits survey conducted by the Purina Mills. Figures were obtained on 2,76,003 cows fed hand mixtures, Purina, and 55 other commercial rations. Here's what they showed: Yearly Profit per Cow: Average on hand mixed rations.....\$124.10 Average on 55 commercial rations..... 138.70 Average on Purina Cow Chow..... 164.25 The average Purina profit was \$19.80 per ton of feed more than on other commercial rations and \$27.04 more than on hand mixed rations. Frankly, Purina results are the one big reason why we decided to handle Purina Chows—because we know they'll make you more money. Come in and let us help you with your feeding problems—or phone us.

SHERWIN-WILLIAMS PAINT HEADQUARTERS

Here is the world's finest rapid-drying decorative enamel

SWP The world's standard of house paint quality. SWP is made in one quality and that the very best. Famous for long life and permanency of its many beautiful colors. Covers more square feet of surface per gallon. Costs less on the house than cheaper paints at a lower price per gallon.

FRIDAY & SATURDAY SUGGESTIONS

Builder's Hardware Quality Lumber

SPECIAL We have a limited quantity of 14-inch heavy stock Floor Brushes, good quality, specially priced at .95c New designs of Wallpaper in our large stock offers you a selection that will please. Prices very reasonable.

R. B. Spencer & Co. Jno. A. Couch, Mgr. Haskell

Haskell Baptists

EPHESIANS 2:8-9 "For by grace are ye saved through faith; and that not of yourselves; it is the gift of God; not of works, lest any man should boast." In these short verses we are told how to be saved and how not to be saved by works. Grace is something that we do not deserve and cannot do for ourselves. In our helpless, sinful condition, God prepared eternal salvation for us, salvation is wholly of grace. The sinner has to have divine help to repent and believe. Repentance and faith are God given graces (Acts 5:32). Works are things a man can do for himself or others can help him do in order to earn a reward. For this cause Paul said, "But to him that worketh not, but believeth on Him that justifieth the ungodly, his faith is counted for righteousness" (Rom. 4:5). Eph. 2:10, gives us the relation of us to salvation. "For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them." The creation takes place first. The sinner becomes a new creature in Christ Jesus, then good works follow. If good works do not follow a profession of faith in Christ, it shows that the faith is just a dead faith and is not the kind that saves the soul. From Abraham was justified by faith when he first believed in God and his saving faith was proved to the world many years later when he offered his son Isaac upon the altar (Rom. 4:14; Jas. 2:21). Abraham was a child of God many years before Isaac was born.

NEXT SUNDAY 9:45 a. m.—Sunday School. Last Sunday was a glorious day in Sunday school attendance. We are arranging for more class room, so every one can be comfortably situated. 11:00 a. m.—Preaching Service, subject: "REJECTING JESUS." The penalty of rejecting Jesus will be determined by the light in which it is done. What will be the difference in the heathen and Haskell sinners in the day of Judgment. Will there be degrees in hell? These questions will be discussed. 6:30 p. m.—Good Programs rendered by all B. T. P. U.'s. All the unions are growing. Visit us Sunday evening and see for yourself. 7:30 p. m.—Preaching service, subject: "HOW CHRIST PROVED HIS LOVE FOR MEN." YOU WILL WANT TO HEAR THE INSTRUMENTAL QUARTET AND OTHER SPECIAL NUMBERS SUNDAY NIGHT.

QUALITY FOODS AT THE LOWEST POSSIBLE PRICE

Institute Preparations Complete

STATUTORY CHARGE FILED AGAINST MAN HELD HERE

John Mix, a man about 31 years of age who gives his residence as California, is in the county jail awaiting the action of the Grand Jury in default of bond in the sum of \$2,500. Mix is being held by the authorities on three counts, one of which is a statutory offense, which was filed against him by a Rochester father in connection with the alleged abduction and kidnaping of his 14-year-old daughter.

The affair was reported to the sheriff's office last week, and Mix and the young girl were located at Midland by Sheriff W. T. Sarrels. They were returned to Haskell Monday and the examining trial of Mix was held Tuesday morning before Justice of the Peace Dotson, which resulted in Mix being held on complaints of kidnaping and abduction, and a third complaint charging a statutory offense. Bond in the latter case was set at \$1,000, and in the abduction and kidnaping cases at \$750.00 on each complaint. The young girl returned with her parents to their home near Rochester.

Teachers of Three Counties to Assemble Here Next Week

The final arrangements are being made to take care of the 350 teachers of Haskell, Stonewall and Knox Counties who will be in attendance on the tri-county institute which will be held here Thursday and Friday of next week.

Some of the outstanding instructors of the State have been secured for the meeting, including President H. W. Morelock, of Sul Ross State Teachers College at Alpine, who will have charge of the High School department. President J. A. Hill of the West Texas State Teachers College at Canyon, will be the instructor in the Intermediate department; Miss Marie Riddle, Primary supervisor of the Waco Public Schools, Waco, will be primary instructor.

ROOMS NEEDED

The Hotels cannot accommodate all of the teachers who will be present at the institute. If you can entertain one or more of these visitors in your home at a reasonable price, please Miss Minnie Ellis, County Superintendent at once, the number you are able to accommodate and it will be greatly appreciated by the committee.

General meetings will be held in the auditorium of the Methodist Church.
High School—Auditorium of the Baptist Church.
Primary—Auditorium Christian Church.

INDIANS PLAY ANSON TIGERS HERE FRIDAY

GAME TO BE PLAYED AT FAIR PARK STARTING AT 3 O'CLOCK; HEAVY ATTENDANCE EXPECTED

Official of Grand Lodge Inspects Commandery Here

Hon. Tell V. McCoy of Beaumont, Sword Bearer of the Grand Commandery of Texas, Knight Templar, was a visitor in Haskell Thursday of last week, and inspected Haskell Commandery No. 49 Thursday night. Mr. McCoy gave the local Commandery a very good report, it is stated, and complimented the officers very highly on their work.

2-YEAR SENTENCE GIVEN FORMER ROCHESTER MAN

A sentence of two years in the penitentiary was assessed in United States District Court at Abilene Monday against J. J. Tucker, former Rochester business man, after the defendant had entered a plea of guilty to a charge of concealing assets in bankruptcy.

An instructed verdict of not guilty was returned in the case of his brother, M. E. Tucker, who was charged with conspiracy in violating the national bankruptcy act.

J. J. Tucker operated a mercantile business at Rochester for several years, and was adjudged bankrupt on a voluntary petition filed at Abilene, on February 11, 1929. M. E. Tucker was not financially connected with the store.

On the stand Monday morning, the trustee, Mr. Porter, testified that when he took over the estate in March, 1929, claims totaled \$12,764.45 and available assets amounted to \$9,470.76. He testified further that an agent for a credit company discovered additional assets in the form of deposits in a number of banks over West Texas and that under two injunctions issued in August \$6,265.27 was impounded as assets to the state. All debts have not been paid, he said. Several West Texas bankers, summoned as witnesses for the government, testified during the trial Monday afternoon.

FIRST FREEZING WEATHER OF SEASON THURSDAY NIGHT

Haskell, along with other West Texas Counties experienced the coldest spell of the season this morning when the mercury dropped to the freezing point in this section. There was plenty of ice in evidence and vegetation in low places are probably killed. If last night's freeze should prove to be sufficient to kill vegetation it will be the earliest this section has experienced in several years as the average killing frost for this section is November 10th, according to records that have been kept for several years.

A. L. Cox of the Howard community was a business visitor here Monday.

Excellent attendance was reported at the meeting, and the few being absent missed one of the best and most enthusiastic meetings of the year. Lion H. Davis officiated as Tally Teller, and enriched the coffers of the Club somewhat with his advice against several members for infractions of Lions rules. The meeting was closed with the entire gathering joining in singing the "Star Spangled Banner."

Tomorrow at the Fair Park the Haskell High Indians will meet old rivals on the gridiron when they face the Anson squad, with whom each year's game has become somewhat of a feud. Last year the Anson team won the district championship, and can be counted on each year to present a fighting team which admits no defeat until the final whistle. Anson this year has a very formidable team, and Friday's game will most assuredly be a hard-fought one from start to finish.

The Haskell team has been through several changes during the last few days, several of the first string men having been ruled out on account of failing in certain grades. Of course these men will be missed, but Coaches Henry and Richey are going to make the most of it and have these vacancies filled with adequate and capable men in tomorrow's fray. Anson has always had a strong team, and has one this year—but if the old adage of "turn about is fair play"—Haskell is due to win tomorrow because in 1927 Haskell defeated Anson 18 to 0; in 1928 Anson beat Haskell 16 to 6—and if it works this year we should have tomorrow's game.

If we do win, it won't be because it was given up—but because we have a good team, a good pep squad, a good school faculty and a pair of good coaches—and yes, a GOOD SUPPORTING TOWN.

The game will start promptly at 3 o'clock at the Fair Park, and the team needs the support of every football fan in Haskell. Make it a point to see the game, and don't hesitate to encourage the Indians—they'll appreciate it and will turn in a better account of themselves because of it.

Haskell B Team Wins Over Sagerton

Captain "Elker of the Indians" B" team piloted his men through the Sagerton line last Monday in "Comin' Through the Rye," and scored once in every division to defeat the Sagerton Eagles to the tune of 20 to 6. The only time the Eagles got tickled at something on the sidelines and let an Eagle fly 3 yards for a touchdown. Evidently neither team had improved since last week because the score was the same as in last week's game played at Sagerton. Coach Henry gave every man a chance in that game—everybody played but himself and he had a sore heel and couldn't.—Contributed.

Baptist Workers To Meet Monday At Curry Chapel

The Haskell Baptist Association will hold their Workers' Conference at the Curry Chapel Church next Monday, October 29th. In connection with the above meeting the Executive Board of the Association will hold a meeting at one o'clock Monday afternoon and the members of the Board are requested to be present at the meeting.

The program that will be given is as follows:
10:00 a. m. Song Service—Walter Henderson.
10:15 a. m. Devotional—Joe Smith.
10:30 a. m. Failures in the Christian Life—J. E. Tucker.
10:30 a. m. Conquering Faith—C. E. Ball.
11:20 a. m. The Final Preservation of the Saints—L. B. Smith.
1:00 p. m. Executive Board Meeting.
1:30 p. m. W. M. U. Business Meeting.
2:00 p. m. Song Service—John Coates.
2:15 p. m. Our Prayer Life—L. O. Jenkins.
2:45 p. m. A great W. M. U. Program arranged by Mrs. Kay W. U. President.

One Application For License to Film During

Only one application for a license to film during the week was filed during the week in the County Clerk's office. Alvin Whiting of Haskell, Okla., filed an application on Friday.

Negro Suffers Slight Cut On Shoulder in Fight

Two negro youths face complaints of fighting and assault, as the result of an affray following an argument over the price of a pair of shoes, which occurred in the rear of the Tonilawa Coffee Shop Wednesday evening. One of the participants is alleged to have wielded a butcher knife with some effect, wounding his larger opponent in the shoulder with the weapon. The wound was not serious, and both combatants were arraigned Thursday morning and fines assessed against them.

WAREHOUSE OF PIERCE PETROLEUM COMPANY BURNS

The wholesale warehouse of the Pierce Petroleum Company in the southeast part of town was destroyed by fire last Friday evening. The fire started when a gasoline engine used in operating the oil pumps "back-fired" and ignited the wooden floor of the building. A brother of Paul Keunstler, Haskell agent for the company, was in the warehouse at the time, and was slightly burned when his clothing caught from the flames while attempting to extinguish them with a fire extinguisher.

Mr. Keunstler immediately turned in an alarm, but the flames had spread to all parts of the building before the fire apparatus arrived, and within a few minutes the fire spread to the large gasoline and kerosene storage tanks and to a railroad tank car which was being unloaded when the fire started. Firemen did good work in saving the adjoining warehouse of the Cities Service Company, which sustained some damage to the exterior of their building and to the underpinning of their loading platform.

The fire in the storage tanks and the railroad tank car was finally extinguished by the firemen, but considerable damage was sustained in the kerosene storage tank and the tank car, while the gasoline storage tank was only slightly damaged.

Mr. Keunstler estimates the loss will probably be between five and six thousand dollars, although no estimate had been made Wednesday by the Company officials. The warehouse and contents which included over thirty barrels of lubricating oil, grease, etc., was a total loss, including the pumping equipment and several pumps. Between eight and nine thousand gallons of gasoline and several hundred gallons of kerosene were burned.

A new and modern warehouse will be erected immediately on the site of the one burned Friday, according to Mr. Wilson, construction foreman for the Company who was here Tuesday with plans for the new building. Work will be started within a few days, and the building will be rushed to completion. In the meantime, Mr. Keunstler is servicing his customers through the Rule branch of Pierce Petroleum Company.

SEVERAL CARS CATTLE SHIPPED FROM HASKELL

Several cars of cows and calves were shipped from Haskell to the Fort Worth markets this week. On Monday T. E. Ballard shipped six cars of calves and one car of cattle to Fort Worth. N. T. Smith also shipped a car of cattle on Monday. On Tuesday Cal Wilfong shipped a mixed car of cows and calves, all of the stock going to the Fort Worth market.

M. B. Parks who lives north of town was transacting business in the city Monday.

Rebekah Degree Team of Stamford Visits Local Lodge

The Stamford Degree team of the Rebekah Lodge No. 11 visited the Local Lodge Monday night and assisted the Haskell Degree staff in conferring the work on a candidate. A good attendance of the members was reported and a jolly time was had by all present. Refreshments were served to the local members and the following visitors from Stamford.

H. P. Jackson, Mae Belle Buffington, Stella McCleskey, Mrs. R. P. Small, Mrs. H. P. Austin, Connie Thomas, Harvey L. Park, W. W. Bennett, R. P. Small, Mrs. Cora Park, Mrs. O. H. Coats, Mrs. W. W. Bennett, Lyndler Holly, Herbert Day, Eula Davis, Salome Keen, Lucretia Dickerson, Mrs. Herbert Day, Nell B. Malone, Mrs. H. P. Jackson, Mrs. Ray Rector, Mrs. A. S. Hamilton and Ray Rector.

Concert Given By High School Band Was Well Attended

A good program of music which drew a large crowd despite the chilly weather, featured the first public concert of the recently organized High School Band Tuesday evening on the north side of the square. The band was directed by Joe Meacham, and the several selections given were well received by the large crowd, all of whom are looking forward with pleasure to the next concert by the junior organization.

Capital Stock of Grissom-Robertson Stores Increased

An application to increase the capital stock of Grissom-Robertson Stores, Inc., of Abilene from \$35,000 to \$600,000 has been granted by the secretary of state, according to a news dispatch from Austin. The large amount, held previously as surplus, is being converted into capital stock to finance seventeen of the department stores controlled by the corporation in Texas, according to J. E. Grissom of Abilene. The larger group of stores, including more than a score in Texas and adjoining states, is financed through Sunset Stores, Inc., a holding company organized some time ago.

Illuminated Cross Service at M. E. Church Sunday

There will be a beautiful illuminated cross service at the Methodist Church next Sunday evening at the 7:17 hour. Aside from the above beauty of the illuminated Cross service there will be special solo and quartette arrangements. The subject of the sermon to be delivered by Rev. Fooks, the pastor, will be "Deserting the Army."

YOUTH FOUND UNCONSCIOUS ON STAMFORD-HASKELL HIGHWAY MONDAY

HIGH-JACKING SUSPECTED BY OFFICERS, WHO ARE MAKING FULL INVESTIGATION OF THE ACCIDENT

The condition of J. C. Morrow, 20-year-old Fort Hill youth who was found unconscious Monday morning according to the sheriff's office, where it was stated that reports from the Stamford Sanitarium indicated that the young man's condition was considered very serious by physicians.

Morrow was picked up by passing motorists Monday morning about 10 o'clock and taken to the sanitarium for examination and treatment. Bruises over the right eye and on the back of his head indicated to officers that he had possibly met with foul play, and Sheriff W. T. Sarrels assisted by Chief of Police Flourney of Stamford started an investigation of the circumstances surrounding the accident. The seriousness of the youth's condition has prevented officers from questioning him in regard to the near tragedy, but several angles of the case are being worked out by the officers in the meantime, with the supposition that the young man was possibly slugged by hi-jackers and his body left on the highway where it was found.

FORMER RULE MAN INSTANTLY KILLED IN AUTO WRECK

Marvin Lott, 29 years of age, a workman employed by the State Highway Department in Throckmorton county, was instantly killed when the Dodge roadster he was driving swerved into a ditch and overturned last Friday night on the Woodson and Breckenridge highway just outside the city limits of Woodson.

A companion who was with Lott at the time of the accident, and who suffered minor bruises when the car overturned, stated that Lott had pulled the car to the side of the road to avoid striking a cow, and that the car swung to the side and overturned as it went into the ditch. Lott was pinned between the wreck and was dead when his companion reached him.

The victim was a former resident of Rule, the son of Mr. and Mrs. Jim Lott of that city, but had recently moved to Woodson. The body was returned to Rule, and funeral services were held in that city Saturday afternoon at 3 o'clock, with interment in the Rule cemetery.

The deceased is survived by a wife and two small children, his parents, and other near relatives, all of whom have the sincere sympathy of a host of friends in the bereavement occasioned by this deplorable tragedy.

District Attorney Clyde Grissom made a business trip to Ft. Worth and Dallas the first of the week.

F. G. Alexander spent the week end in Abilene where Mrs. Alexander has been with their daughter Mrs. Wilkley who has been again "Deserting the Army."

HIGHWAY GARAGE AT WEINERT BURNS THURSDAY MORNING

Fire which started from the explosion of a gasoline stove, completely destroyed the Highway Garage at Weinert Thursday morning, together with all contents of the building, including an automobile and truck, and a large stock of tires and accessories. S. C. Hawes, proprietor of the garage and owner of the building, suffered painful burns about the hands and face when the stove exploded.

The flames spread rapidly throughout the entire building, a frame structure, and for a while it was thought the fire would spread to adjoining buildings. However good work on the part of volunteer fire-fighters prevented the spread of the flames, and the damage was confined to the garage.

Mr. Hawes estimates his loss at \$15,000.00. It was not learned whether his loss was covered by insurance.

Methodist S. S. To Close Contest With Stamford

A Sunday School contest which has been attracting great interest between the Haskell and Stamford Methodist Sunday Schools will be drawn to a close next Sunday. The Sunday School at Stamford is some larger than the Haskell Sunday School, at present the two schools are tied. Next Sunday will determine the winner and Haskell is hopeful of taking away the honors. Officials of the Methodist Sunday School here are planning to have 500 present next Sunday.

FOOTBALL SQUAD FETED BY LIONS AT LAST MEETING

The Lions Club had as their guests at the regular meeting last Thursday, Coaches Henry and Richey and the entire High School football squad of 29 Indians. The meeting was marked by an atmosphere of football enthusiasm comparable to a college campus—and if there has ever been any doubt as to whether Haskell business men are back of their football team, that doubt has been dispelled by the Lions.

Promptly at twelve, Lion Tamer Gaston Foote led the gathering in singing a typical Lions ditty, in which everyone joined with enthusiasm. During the luncheon one of the best entertainment programs of the year was given, featured by the appearance of Miss Alene Mitchell's seventh grade Choral Club in a varied program of pleasing selections, and two excellent readings by little Miss Beverly Gilbert. "Cowboy" Stewart Hamblen of Stamford was also on the program with his songs and guitar accompaniment, and gave several old-time cowboy melodies which were heartily enjoyed.

The main topic of the meeting Thursday was football and kindred high school athletics—and football naturally, became the honor guests of Thursday's meeting are in the midst of the football season. The importance of a well-rounded program of clean athletics and its value to the school when proper scholastic requirements are maintained in connection with the personal of the teams, was discussed by Supt. Breedlove. Coaches Henry and Richey also made short talks along the same lines, and urged the whole-hearted support of our High School athletics.

Winding up the talks in a way that is typically his own, Lion Gaston Foote in a rousing speech urged the Lions to support the Indians—Our Team—both financially and with their presence at the games, and before he concluded had instituted with his eloquence enough "pop" into the bunch of Lions that we venture the prediction that at Friday's game on the best grounds the Lions Club will be represented about one hundred per cent.

Excellent attendance was reported at the meeting, and the few being absent missed one of the best and most enthusiastic meetings of the year. Lion H. Davis officiated as Tally Teller, and enriched the coffers of the Club somewhat with his advice against several members for infractions of Lions rules. The meeting was closed with the entire gathering joining in singing the "Star Spangled Banner."

T. C. Cahill returned Tuesday from Dallas where he had been on business and attending the Fair.

Mr. and Mrs. W. M. Williams of this city were in town Wednesday.
