St. Patrick

The annual observance of St. Patrick's day after enthusiasm in the hearts of millions of Americans...

This old world feast has been one of the most important figures of Irish life. One old saying was that he found no Americans in Ireland...

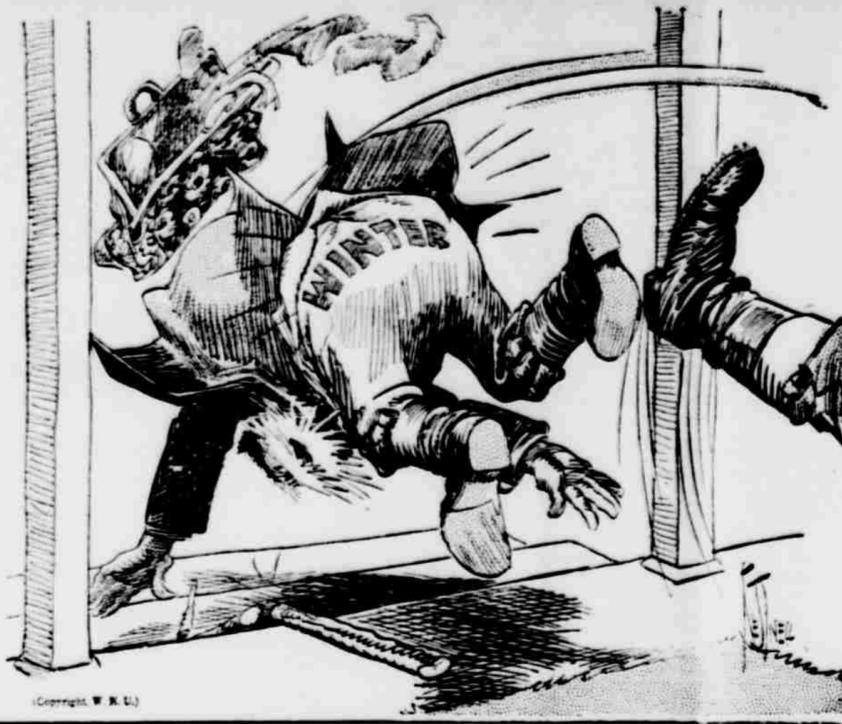

Billboard Advertising

The battle against billboard advertising along scenic highways and elsewhere is now taking concrete form. The indifference of most billboards and sign advertising has increased...

In order to abolish all such advertising the General Federation of Women's clubs seems to have struck upon the most effective plan. States have tried to regulate against billboards and it is difficult to enact laws with authority to deny owners of property the right to erect...

Nothing more effective could be devised, and state legislatures and individual clubs from Maine to California are already reporting action. As the women put it: "This is not a beverage. It is not taken in the spirit of boyhood. Rather it is the spirit of fair play. We have no antagonism to the firms whose names appear on the boards. We understand their different positions. But what is of the greater importance is giving up rural billboards to cooperate with our campaign." Have we no obligation to them? "If two products are offered of equally good use, one to a firm which upsets the landscape and the other by a firm whose help is to save the landscape, shall we not favor the firm which favors the scenery?" The advertiser must answer.

Good-by!

Unemployed Women

When a man with a family to support goes out to work and after diligent effort can't find anything to do something seems wrong. Everything possible should be done to find employment for all such.

Also the cases of unemployed women are often very pathetic. Many widows and deserted wives with one or more children to care for have a most difficult problem to solve. Still, the average woman without a job is not quite so badly off as the unemployed man, as she does not in the majority of cases have a family to support.

Many women who can't find work in factories and offices could support themselves by doing housework. Assuming that they were willing to take some pains to fit themselves for such tasks. They thus have a resource which the unemployed man lacks, although women and girls who have fitted themselves for office work, might feel it a great hardship and perhaps below their dignity to perform domestic tasks.

Domestic service is more or less unpopular because it is claimed that it does not have a good social standing. Yet it is precisely as honorable to cook and clean in a home, as it is to work in a factory or office. The average domestic servant probably earns higher pay today, the value of food and lodging being counted than the average woman worker in factories and offices. Domestic service has been unpopular in part because women required their helpers to work too long hours. If they wish to attract more intelligent workers, they should be more generous in this respect. But there are a great many families today where the women who are doing their own housework would hire helpers and give them comfortable homes, if they could find such workers at a price they can afford to pay.

Keeping Boys On The Farm

For years the government through its various agencies has been trying to encourage boys to stay on the farm. Much has been written on the subject, but nothing any better than the following furnished by Clyde Lunn, a farm boy of Lake City, Ark. who writes: "Parents should realize that their boy is something more than mere machinery; that he is one of the great factors necessary to make farm work both pleasant and profitable. A boy will take pride in growing plants and animals if he knows part of the proceeds from their sale will belong to him, but if he knows there is no money coming to him for his work he becomes dissatisfied and plans to go to town."

"All promises should be kept. If the father gives the boy a pig to raise, the money for which the hog is sold should belong to the boy. The father should play fair as well as expect the boy to be truthful. The father should encourage his son to attain higher things, should help him in every way possible. The son should obey his parents. The whole family should work together, for co-operation means success; through co-operation we lessen the burdens of each other, the family becomes stronger and the father soon realizes that his son is a man in thought and deed."

"I would suggest the following ways in which the father may encourage his boy to remain on the farm: 1. Let him raise some livestock or have an acre of corn or some other crop. 2. Give him some of the returns from his labor. 3. Encourage him to higher things, such as entering college. The money he derives from his livestock or crop may be used to help pay his way. 4. Co-operate with him; let him know you are interested in his welfare. 5. Discourage any idea he may have that he can do better in town. 6. Provide good books for him to read."

Safe Automobile Equipment

According to the National Safety Council, nine states during the past season passed laws or revised old ones, for testing of motor vehicle lights.

Four states passed laws testing lights. As some state legislatures are still in session, there may be still more such legislation. Three other states provided for inspection of all equipment.

Many thousands of motor vehicles are on the road with glaring and badly focused headlights and with loose and slippery brakes. Automobile brakes are much better than formerly, but cars are driven faster. A modern car with brakes out of repair and driven at a high rate of speed may be more of a menace than a car of former years with less effective brakes which was driven more slowly. Thousands of drivers persist in banging ahead into the dark, regardless of the fact that much of the time their eyes are completely dazzled by glaring lights.

Owners of cars are given a license to take into the street machines of very great power that are capable of doing infinite damage. There is an explicit or implied understanding that cars should not be operated on the roads unless their lights and brakes at least are in safe condition. It is not usually expensive to keep them so, and machines should either be withdrawn from the road, or made to conform to standard requirements in this respect.

Owners of cars should not be satisfied to comply with the minimum requirements of their state, but should keep constant watch of their brakes and lights, and have them frequently inspected, even when the laws do not require it. Those who do so stand a much better chance to avoid the accidents that make a great deal of trouble for others.

Haskell Baptists

THE TEACHINGS OF THE HOLY SCRIPTURES CONCERNING BAPTISM.

The above is to be the subject for the Sunday morning service. Paul was the greatest doctrinal preacher that ever lived. To Timothy, he said, "Preach the Word." This is the very thing we are trying to do at the Baptist church. Sometimes you will find a person that does not like the word "doctrine." The word doctrine means to teach. If our preaching is not doctrinal, it is not the kind of preaching that teaches. We forget that repentance, regeneration, etc. are great doctrines. Usually the ones who do not like the word doctrine are the ones who like some doctrines and are prejudiced against others. To say that we do not preach doctrine is a confession on our part that we do not preach the Bible. It is not a reflection, but an honor to be called a doctrinal preacher. With a heart filled with love for a lost world, we should preach the Bible from Gen. 1:1—Rev. 22:21. Yes, we should also tell the world exactly what God's Word says about Baptism.

BAPTISM TESTED BY THE SCRIPTURES

- 1. Bible baptism requires much water (John 3:23) Immersion requires much water.
2. Bible baptism requires going down into the water (Acts 8:39). Immersion requires going down into the water.
3. Bible baptism requires coming up out of the water (Mk 1:10; Matt 3:16) Immersion requires coming up out of the water.
4. Bible baptism requires a burial (Rom. 6:4; Col. 2:12) Immersion requires a burial. If anybody thinks this verse refers to the baptism of the Holy Spirit, please notice that, regardless of the kind of baptism referred to, it gives a definition of baptism. The verse says that we are buried by baptism, so baptism must be a burial regardless of the element referred to. It is not fair to say that this refers to the baptism of the Holy Spirit, then turn right around and say that baptism could not mean immersion, because the Bible speaks of the baptism of the Holy Spirit and it would be impossible for one to be immersed into the Holy Spirit. Certainly the Holy Spirit baptism is an immersion. For this reason we are told to walk IN the Spirit and we will not fulfill the lusts of the flesh. The believer is completely surrounded by the power and influence of the Holy Spirit.
5. Bible baptism requires a resurrection (Rom. 6:3; 1 Cor. 15:29) Immersion requires a resurrection.
6. Bible baptism requires a picture of a complete inward cleansing (1 Pet. 3:21) Immersion is a picture of a complete inward cleansing, the whole body being plunged into the cleansing water. The inward cleansing is wrought by the power of God before the act of baptism is performed (Acts 16:27; Heb. 9:14; Acts 8:37; 1 John 5:1).
7:20 p. m. Preaching service, subject: "THE BUSH THAT FIRE COULD NOT CONSUME."

ELECTION NOTICE

Notice is hereby given that an election will be held at the City Hall in the city of Haskell, Haskell County, Texas on the first Tuesday in April, the same being the 1st day of said month, for the purpose of electing a Mayor, City Marshal, City Secretary-Treasurer, and (3) Three aldermen to serve said city for the ensuing two years.

An ordinance will also be voted upon in this election to decide whether or not the keeping of dogs within the city limits will be allowed.

The polls of said election will open at eight (8) o'clock A. M. and will close at seven (7) o'clock P. M. Every person not disqualified by law who shall have attained the age of twenty one (21) years, and who shall have resided within the Corporate limits of said City for six (6) months next preceding said election, shall be entitled to vote.

S. A. Hughes is hereby named as reading officer of said election, passed and approved this 20th day of February A. D. 1930. At: T. C. Cahill, Mayor, D. H. Perrin, City Secretary.

Speaking of names, Fred Charters is publishing the Gazette at Lindsay, Calif.

Wonder if the wandy makers had anything to do with that fashion edit that women must become plump to be stylish?

Sheriff's Sale

The State of Texas, County of Haskell, F. G. Alexander vs. C. E. Goodman.

In the District Court, Haskell County, Texas.

Whereas by virtue of an Order of sale and execution issued out of the District Court of Haskell County, Texas on the 15th day of February 1930, on a judgment rendered in said court on the 7th day of January, A. D. 1930, on a judgment rendered in said court on the 7th day of January, A. D. 1930, in favor of the said F. G. Alexander and against the said C. E. Goodman, and numbered 4948 in the docket of said court, I did on the 25th day of February, 1930, at 3 o'clock p. m. levy upon the following described lots, tracts and parcels of land lying and being situated in Haskell County, Texas, to-wit:

Being all Block "A" and lots Nos. 1, 2, 3, 4, 5, 6 and 7 and 16, 17, 18, 19, 20, 21 and 22 of Block "B" of the S. H. Johnson Addition to the town of Haskell in Haskell County, Texas as shown by a map of said

address recorded in Vol. 276 of the Deed Records of Haskell County, Texas, reference hereby made to the Order of Sale, April, A. D. 1930, the First Tuesday of the month of April, between the hours of 10 a. m. and Four o'clock P. m. day at the courthouse in said county. I will offer for sale at public auction, for the right, title and interest of C. E. Goodman in and to said property.

Dated at Haskell, Texas, this 25th day of February, A. D. 1930. W. T. Sarrett, Sheriff, Haskell County, Texas.

W. H. McCANDLESS, Secretary-Treasurer

Money to Loan on Farms; Ranches

I can get you a loan on your farm at a low rate of interest, payable annually; the loan to become due at the end of ten years, and give you the privilege of paying as much as one fifth of the principal each year if you desire to do so. The cost to you will be the abstract fees and recording fees. If you want a new loan or want to renew an old loan write me or come and see me and let me explain to you, and I will get you the best loan to be had, in a company that you will be pleased with and save you money, so you will be satisfied in the future. You get all the money you borrow.

P. D. Sanders; Haskell, Texas

COMPARE VALUES BEFORE YOU BUY AN AUTOMOBILE

Low charges for distribution of the new Ford save you at least \$50 to \$75 in addition to the many savings in making the car

THESE are days when every dollar counts. The period of reckless spending is over. People are going back to the good old-fashioned principles of thrift and economy. Value is again being carefully considered.

Nowhere is this more important than in the selection of an automobile. For the purchase of a car represents a considerable investment. It should not be decided on hurriedly, but only after analyzing every important factor that concerns cost, value and performance. The time to do this is before buying—not afterward when it is too late.

ON THE basis of cost, performance and the actual comparative worth of every part, the new Ford is a value far above the price you pay. It is made of better materials and with greater care and accuracy because of the recognized efficiency and economy of Ford manufacturing methods.

The value of these methods is known and understood by millions of people. It is not generally realized, however, that these same principles of efficiency and economy are applied also to every step in the distribution of the Ford car. The low cost of selling, financing time payments, etc., means a direct saving to you of at least \$50 to \$75 in addition to the money saved by Ford economies in making the car. Here are three reasons why this is so.

(1) The Ford dealer does business on a smaller margin of profit because of the greater number of

cars he sells. His discount or commission is the lowest of any automobile dealer. The difference in your favor, ranging from 25% to nearly 50%, comes right off the price you pay for the car.

(2) The Ford charges for financing are low.

(3) No expensive extra equipment is needed when you buy a Ford. The car leaves the factory ready for use. The f.o.b. price includes a Triplex shatter-proof glass windshield and an extra steel-spoke wheel, in addition to four Houdaille double-acting shock absorbers and fully enclosed four-wheel brakes. Any accessories you may wish for your individual taste are sold considerably below the usual prices. None of these charges for selling, financing or accessories is marked up or increased to cover a high trade-in allowance on a used car.

Get all the facts, therefore, before you buy and figure out just what you are getting for your automobile dollars. Go beyond the f.o.b. price and find out how much more you pay the dealer than the dealer pays at the factory. Analyze the used-car allowance. Compare all charges—item for item—value for value.

WHEN you do this you will have a new appreciation of what the Ford Motor Company and Ford dealers are doing to keep down the cost of Ford cars. You will also know why it is possible to put so much real value into the new Ford and still retain the low price. The money you pay goes for value in the car. It is not wasted in excessive costs in manufacturing or selling.

WICHITA MACHINIST MAKES STATEMENT

"Orgatone Has Not Only Helped My Stomach But Relieved Me of My Troubles"—Derived Benefits.

"Since taking Orgatone I feel better than I have in a long time," said M. L. Langford, a locomotive Machinist, residing at 2116 Yale, Wichita Falls, Texas. "I would get up in the morning and go to work without eating any breakfast for the food I did eat did not agree with me. I had a very bad case of indigestion and gas would bloat me up and I was very uncomfortable at times. I never ate any meat of any kind and always followed a very light diet. I was not what you might call a sick man, that is down in bed, but there were many days that I felt like I had better be in bed. I was in a very run-down condition and never took anything that seemed to help me very much. "I heard so many people talking about the good they had received from Orgatone and at last decided to give it a trial. My appetite began to improve at once and I eat things now that I never could before, with no ill effects afterward. The gas does not form on my stomach and I'm not as nervous as I was. I feel better in every way and wake up in the morning ready for my day's work. I have also persuaded my wife to take it and she, too, is getting good results. I think Orgatone is just the right medicine for anyone suffering as I did. Genuine Orgatone may be obtained in Haskell at the Gates Drug Store.—Adv.

The president of a dental society predicts that in one thousand years the human race will be born toothless. And here we thought all the time that it always was born that way.

To the Sheriff or any Constable of Haskell County—Greeting.

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the County of Haskell,

State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Haskell County, for four consecutive weeks previous to the return day hereof, Harman Sparks, deceased, Harman Sparks, the unknown heirs of Harman Sparks, deceased, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Haskell at the Court House thereof, in Haskell on the 21st day of April, A. D. 1930, then and there to answer a petition filed in said Court, on the 10th day of March, A. D. 1930, in a suit numbered on the docket of said Court, wherein C. K. Jones is plaintiff, Harman Sparks, and the heirs of Harman Sparks, deceased, whose names and residence is unknown, Harman Sparks, and the unknown heirs of Harman Sparks, deceased, whose names and residence is unknown are defendants. The nature of the plaintiffs demand being as follows, to-wit: An action of trespass to try title to the north half of the one third league survey No. 33m, situated in Haskell County, Texas, patented by the State of Texas to Harman Sparks by patent No. 132, vol. 6, by virtue of Headright Certificate No. 149, and known as Abstract No. 373. Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand seal of said Court, at office in Haskell, this, the 10th day of March, A. D. 1930. (Seal) Lois Earnest, Clerk, District Court, Haskell County, Texas.

Citation By Publication
The State of Texas,
To the Sheriff or any Constable of Haskell County—Greeting.
You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the County of Haskell, State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Haskell County, for four consecutive weeks previous to the return day hereof, T. J. Comer whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Haskell at the Court House thereof, in Haskell, Texas on the 21st day of April, A. D. 1930, then and there to answer a Petition filed in said Court, on the 10th day of March, A. D. 1930, in a suit numbered on the docket of said Court No. 4064, wherein Statha Comer is the plaintiff and T. J. Comer is the defendant. The nature of the plaintiffs demand being as follows, to-wit: Suit for divorce on grounds of cruel treatment and custody of a minor child, Wilma Louise Comer, age seven. Plaintiff alleges that the defendant cursed and abused the plaintiff, struck her with his fist on numerous occasions, and threatened to take her life, and that he was guilty of immoral conduct in habitually associating with lewd women. Plaintiff says that the actions and conduct of the defendant generally towards her are of such a nature as to render their further living together as husband and wife insupportable. Plaintiff prays for a divorce, and for custody of the minor child. Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same. Given under my hand and seal of said Court, at office in Haskell, this the 10th day of March, A. D. 1930. (Seal) Lois Earnest, Clerk, District Court, Haskell County, Texas.

Chevrolet announces A NEW SERVICE POLICY

The Chevrolet Motor Company and its dealers are pleased to announce a new service policy—one of the most liberal ever offered on a low-priced automobile.

Put into force as a written agreement given to the purchaser by the Chevrolet dealer when the car is delivered—it offers the following provisions:

- 1 Every Chevrolet owner receives his car from the dealer in perfect condition—thoroughly lubricated, properly adjusted, and ready to operate efficiently from the first mile of ownership.
- 2 Every Chevrolet owner is entitled to free inspection and adjustment of his car at the end of the first 500 miles of usage.
- 3 Every Chevrolet owner is entitled to free inspection of his car every 1000 miles thereafter, so long as the car is in operation.
- 4 Every Chevrolet owner is entitled to free replacement of any part which may prove defective in workmanship or material, within the terms of Chevrolet's standard warranty. This includes both parts and labor.
- 5 Provision number 4 will be carried out by any Chevrolet dealer in the United States. As a result, the Chevrolet

owner may travel to any part of the country, with assurance that the guarantee on materials and workmanship will remain in force.

This new policy constitutes proof of Chevrolet's high quality—for such liberal provisions could only be made in connection with a car built of fine materials to exacting standards of workmanship.

Back of this policy, and assuring its successful operation, is one of the most complete and efficient service organizations in the world.

There are more than 10,000 Authorized Chevrolet Dealer Service Stations in the United States alone. Each employs skilled mechanics thoroughly trained at Chevrolet Service Schools. Each has specially designed tools and machinery developed exclusively for Chevrolet service work. And each has on hand, at all times, an adequate stock of genuine Chevrolet replacement parts.

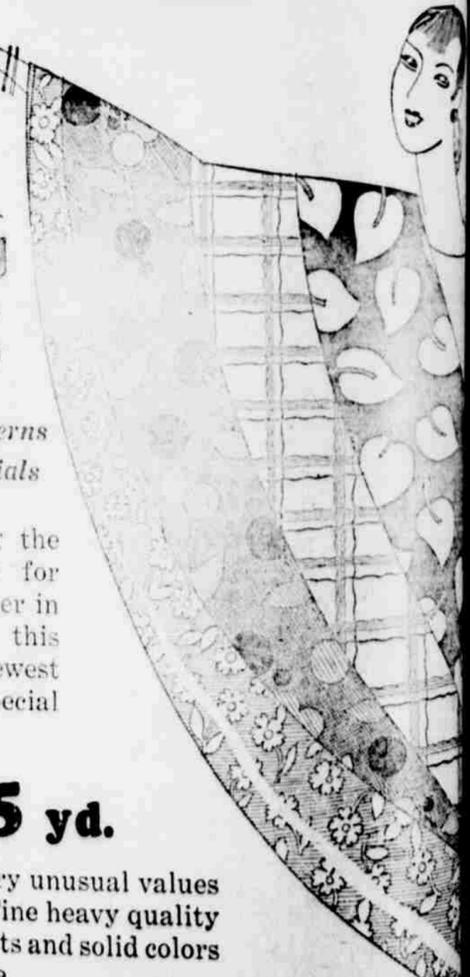

Chevrolet's flat-rate charges, including both parts and labor, are the lowest in the industry on many service operations!

In considering the purchase of a low-priced automobile, think what this service means—in terms of lasting satisfaction, as well as in increased economy.

Chevrolet cars range in price from \$495 up, f. o. b. factory, Flint, Michigan

The Story

Annie Brice, star entertainer at a nightclub, sees Jerry Armstrong, a luckless prizefighter whom she has been at a table. She joins him and they are discussing to break into the big time fights again when McCollins, the new heavyweight champion, comes and join him at his table. Jerry resents his action and the McCollins. After the entertainer has left to sing another number, the men fight and Jerry is carried unconscious to a dressing room.

AS THEATRE

MARCH 26-27

THE THRILLING STORY OF "THE MIGHTY"

Blake Greeson (George Bancroft), was a tough gunman. He didn't care if there was a war, he wasn't going even if he had been drafted three weeks previous.

Jerry Patterson (Morgan Farley), was afraid to fight, but he went as a matter of duty. Greeson lived to fight and gloried in his feats.

From private up through the ranks. When the war ended it was Major Greeson, one of the outstanding heroes, who feared neither man nor God.

A great ovation was given Greeson at the ball park for his cleaning up of the town. The gang grew tired of waiting and decided to pull their big job while all the police were at the celebration.

Greeson didn't break, but calling all his officers rushed with them to the scene of the robbery, 300 mounted officers racing to prevent a robbery!

Greeson came to in Louise's arms, who told him she knew if he had a good name he would live up to it.

"The Mighty" will be shown at the Texas Theatre, March 24-25.

INTERESTING NEWS FROM BRUSHEY

Most of the farmers of this community are up with their work, and are hoping it will come a good rain soon.

Rev. J. A. Kinser filled his regular appointment Saturday night and Sunday. There was a large atten-

dance at all three services.
Mrs. E. N. Miller has been very ill for the past week but is better at this writing.

Miss Pearl Priddy and Marie Conwell took dinner with Miss Ruby Suggs Sunday.

Miss Odell Ball spent the week end with a friend at Knox City.

MUSIC (By Joe Meacham)

What happens when the sounding of trumpets to the rhythm of the drum when the band comes down the street playing a lively march all the dogs, boys and tomboy girls in town come running from every direction.

There is no power like hand music for lifting people out of the doldrums and shaking them up and giving them a life happier and better because every normal person loves a band.

America has taken its place in the front rank as a musical center of the earth.

Right now we are able to point with pride to the advances that has been made in this art in America within the last half a century.

The day is very near when an American name will be an advantage instead of a handicap because other nations are becoming to know that we have the best bands and orchestras in the world and they also think well of our other musical prospects too.

Probably the girls who are walking back from automobile rides now will be taking parachute jumps a few years later.

Rural Community News Items

LOCAL NEWS FROM TANNER PAINT

The good shower of rain that fell here Friday afternoon was enjoyed by every one in the community.

Quite a number from here were in Haskell Saturday. Miss Lorene Hunt spent Sunday with Miss Jennie Tucker.

Erbert Kettley of Lubbock, was the guest of Gold Denson Saturday night.

The social given by the three teachers, Mr. and Mrs. R. E. Everett and Miss Lonell Denson, in honor of the basket ball girls was enjoyed by everyone of them.

Little Miss Faye Scott has been sick the past few days. Mrs. McMean spent Friday in the Sweet Home community.

INTERESTING NEWS FROM SAGERTON SECTION

Mr. and Mrs. J. P. Caudle, his mother, Mrs. W. P. Caudle and Mrs. Bennett Hess spent part of last week at the Fat Stock Show. They reported a very nice time.

Mrs. Henry Flowers who died at her home in Old Glory last Wednesday night was buried in Tanner Day Cemetery Thursday afternoon. A number from here attended the funeral.

Quite a number of the young people from the Baptist Church of Sagerton attended the B. Y. P. U. Associational meeting at Haskell Sunday afternoon.

Mrs. Bill Harris of San Angelo, arrived in Sagerton Sunday morning for a visit to her mother and other relatives. Her many friends were glad to see her.

Working men are making a new survey on State Highway No. 18 which is at present east of town. They probably will come through the town with the new road, as we hope they will.

The Sagerton valley ball girls played at Haskell last Saturday at the county meet. On Saturday morning they played Haskell, Sagerton winning two games out of three.

The first game they played in the afternoon was with Midway, Sagerton again won two games out of three. The final game was played with Center Point girls in the afternoon about 4:15. For the third time this team won two out of the three games played. Members of the team were: Alma Nierdeck, Mary Guinn, Opal Gibson, Joe Francis Heathington, Pearl Dedmon, and Lois Mae Lambert. Late Saturday afternoon a disagreement arose about juniors playing on the team and it has not been settled as to who shall keep the loving cup as Sagerton had two juniors on the team, but they did not enter any junior events. Other teams also had juniors. We hope this will soon be settled agreeable.

The Sagerton Junior Indoor Base ball Girls won second place in the county last Saturday.

LOCALS FROM THE ROSE COMMUNITY

Cottonwood H. D. Club.

The Cottonwood H. D. Club met last Thursday, March 13th with Mrs. J. L. Mayfield with 15 members present and one new member to join, Mrs. Tom Clark. After a short

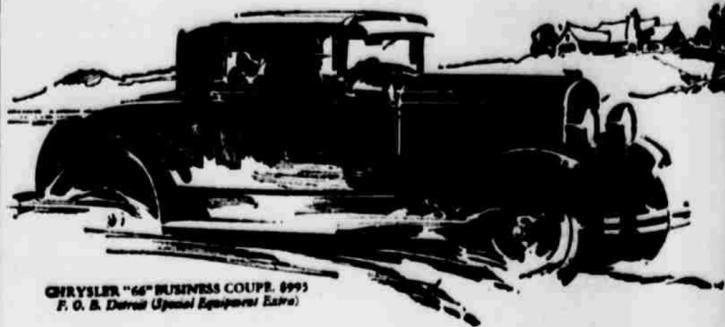

business meeting, Miss Partlow

gave an interesting talk on "Home Grown Products in My Pantry" and a demonstration on scolloped potato salad and a tomato soup. We invited the Roberts ladies over the next fourth Thursday

afternoon to enjoy the

The hostess served and cake to those present. Our next meeting will be C. B. Jones.

CHRYSLER "66"

CHRYSLER "66" BUSINESS COUPE, \$995 F. O. B. Detroit (Special Equipment Extra)

75-horsepower performance and look at the price!

The very fact that this stylish Chrysler "66" bears the name of Chrysler is of itself enough to certify its excellent quality and superior performance.

But nobody has to accept this car on faith in the name alone. The magnificent Chrysler "66" stands squarely before the public on its own inherent merits.

It has—for unending thrills of performance—a highly capable 75-horsepower engine with counter-weighted seven-bearing crankshaft; 160-therm pistons; impulse neutralizer; mechanical fuel pump instead of a vacuum tank; and rubber engine mountings.

It has—for utmost riding ease—patented rubber-core spring shackles, noiseless and free from all need of lubrication; hydraulic shock absorbers, and inherent balance that holds it unerringly to its course.

It has—for utmost safety—the famous Chrysler internal-expanding four-wheel hydraulic brakes, protected in all weather.

It has—in a word—everything that makes motoring thoroughly enjoyable—at a low price that delivers value far above all customary standards and expectations. A demonstration furnishes the proof.

\$995

AND UP, F. O. B. DETROIT CHRYSLER "66"—Six Body Styles priced from \$995 to \$1095. All prices f. o. b. Detroit. (Special Equipment Extra)

CHRYSLER INSPIRES A PRIDE ALL ITS OWN

Robert St. John Motor Company HASKELL, TEXAS

Electrical Servant for Your Home

"The application of Electricity to household appliances has done more to raise the standard of home-life than any other single factor," is the opinion of a well known home economics authority.

Just contrast the difference between the Modern, Electrically-equipped home of today, and homes of similar means a few years ago.

No longer does the housewife grow old before her time... no longer does she slave and toil about her kitchen and household tasks... no longer is she shut off from the rest of the world because of lack of time to enjoy and appreciate the better things of life.

Does your home reflect the spirit of this New Day? Are you receiving all the economical benefits possible through the intelligent application of electricity to your home?

One of our Household Engineers will be glad to show you how cheaply you can secure the enormous advantages of "Complete Electrical Service."

FORTY-FOURTH YEAR

BYTERIANS WILL BEGIN SERIES OF MEETINGS SUNDAY

H. Applewhite of Spur to Assist Local Pastor in Meeting.

Sunday morning at there will be a series of services that will be held at the Presbyterian Church in Haskell. The Rev. M. H. Applewhite of Spur will assist the pastor in the meeting each night at seven o'clock. H. Applewhite is a young man of zeal for the kingdom of God. He will bring a real message at each service. There will be good music and singing each night. One of the important features of the series is the Home Visitation by the Christian workers. Co-operation and help in the people of the other town will be greatly appreciated and a most cordial invitation is extended to every one to join in these efforts to bring the kingdom of Christ in.

MEETING ONEHEADS HELD TUESDAY

Meeting of the Bonehead organization, was held in the basement of the Hotel, with marked interest on the part of those regarding the future of the town.

Members were present: Gaston Foote being absent. Several who had joined since were also reported present.

As enjoyed, and then a session was gone over. The work of the Club for 1929 was mapped out. Committees were appointed for various activities to be held during the year, including Contest and Clean-up Campaign and Playade Extension Campaign. Active projects are already on these committees in co-operation with the details regarding the Contest and Clean-up Campaign will be held next week, according to the committee chairmen. It was also appointed necessary steps to be taken in bringing a bus station to another company of the possibility of a gymnasium for Haskell.

People to Charge of Christian S. S.

On Sundays, different from the Sunday Christian Church of the School, young people will be working in a program in shape of a program of the school. All young people who are not in the school are cordially invited to school at the First Presbyterian Church on Sunday, and work. Every one who is not in the school is also invited to make it a habit not to regret it.

Elgin Carothers Is Candidate For Tax Assessor

The name of Elgin Carothers will be found in our announcement column this week as a candidate for the office of Tax Assessor of Haskell county, subject to the action of the Democratic Primary in July.

As an introduction to this young man, it will suffice to say that he is a member of one of the pioneer families of this section, the son of Dick Carothers of Rule, a resident of the county for many years. As to his qualifications for the office, he has had eight years clerical experience, having been employed in the Bryant-Link Company store at Rule for the past few years and is an experienced bookkeeper, is well posted on the land and property values of this section, and competent in every way to assume the responsibilities and discharge the duties of the office to which he aspires in a satisfactory and creditable manner. He states that he has never been a candidate for public office before, and that he seeks the office believing that he can fill it with satisfaction to the citizens of the county, and that if the voters see fit to honor him with this responsible position that he shall endeavor at all times to be deserving of the confidence placed in him.

Mr. Carothers states that he will endeavor to see each voter of the county before the primary, and place his candidacy before them in person, and we take pleasure in speaking for him the fair and impartial consideration of the voters of Haskell county in casting their ballot for Tax Assessor.

14,544,584 BALES TOTAL GINNINGS U. S. CROP 1929

The final government report of cotton ginnings from the crops of 1929-30 was made public Thursday morning March 20th. Total ginnings were given as 14,544,584 bales, a decrease of about 400,000 bales from the Government's predicted yield. The market broke 25 points from opening quotations upon receipt of the report, despite the expectation of cotton brokers that the price would advance in view of the decrease from the predicted yield.

Former Resident Dies Suddenly in Mineral Wells

Mrs. Sarah York of Mineral Wells, a former resident of Haskell, died suddenly Tuesday morning March 18th, at Mineral Wells. The deceased was well known here, Mr. and Mrs. York having lived four miles east of town for the past two years, the family moving to Mineral Wells, their old home, about a month ago. A son, A. M. York of east of town, left Tuesday morning for Mineral Wells for his mother's funeral. The deceased is survived by her husband, James York, three sons and six daughters. They are: A. M. York, Haskell; J. W. York of Jud; J. A. York of Montague county; Mrs. Rufus Mitchell, Mrs. Winifred Seaman and Mrs. Luther Parsons, all of Mineral Wells; Mrs. Dela Ramsey of Memphis, Tenn.; Mrs. Wiley Shoemaker of New Mexico and Mrs. A. E. Russing of Rochester. The many friends of the bereaved family extend their heartfelt sympathy to the bereaved ones.

STATE RURAL SCHOOL INSPECTOR HERE THIS WEEK

S. E. Clark, State Rural school inspector, is spending this week in Haskell county, and together with Miss Minnie Ellis, County Superintendent, is inspecting the rural schools of the county. From the inspection made by Mr. Clark, allotment of State Aid will be made to the various rural schools, this work being necessary before aid can be granted the schools. Five schools daily are being inspected by Mr. Clark and Miss Ellis, and the work will probably require the remainder of this week and a part of next.

Elks Elect New Officers for the Ensuing Year

Officers for the ensuing year were elected by Haskell Lodge No. 1158 B. P. O. Elks, at their regular meeting Monday night. A good attendance of members were present, and a very optimistic outlook for the coming year was reported. Officers elected were as follows: Exalted Ruler—Guy Mays. Esteemed Leading Knight—Myrtle Crow. Esteemed Loyal Knight—Dr. O. M. Guest. Esteemed Lecturing Knight—Harry Lee. Secretary—C. E. Braye. Treasurer—T. C. Cahill. Tyler—W. A. Duncan. Inner Guard—W. E. Welsh. Trustee—Hollis Atkison.

DATES FOR SPRING CLEAN-UP CAMPAIGN TO BE SET SOON

Dates for the annual city-wide Spring Clean-Up Campaign will be announced within a few days, according to Mayor T. C. Cahill, who states that plans are being made by the City Council to make this year's campaign a real one which will take in every section of the city. Announcement of the active cooperation of every civic organization and club in Haskell, as well as the Haskell citizens, has been given the city officials.

One Firm Buys 1167 Dozen Eggs In Single Day

An indication of the importance of the poultry industry in Haskell county, is furnished by the statement of Hollis Atkison, proprietor of the "M" System Store, who states that on last Saturday over one thousand dozen eggs—1167 dozen to be exact—were purchased by his store. Mr. Atkison had advertised an increase of three cents per dozen in the price of eggs, and he states that the results obtained Saturday is a confirmation of the value of advertising. It is worth observing that with one store in Haskell receiving this quantity of eggs in one day, that the development of the poultry and egg industry in this section will mean a substantial increase in the income of the farmers and poultry raiser and produce a year-round revenue for those encouraging its development.

CONGRESSMAN WILL D. UPSHAW TO SPEAK HERE

WILL D. UPSHAW

Congressman Will D. Upshaw, frequently referred to as the "Georgia Cyclone" will speak in this city on the subject "America's Greatest Battle," at First Christian Church, at 7:30 p. m., Friday, March 28th.

Mr. Upshaw is vice president of the Southern Baptist Convention, but is brought to our city under the direction of the Anti Saloon League of Texas. His career has been a remarkable one. At that age when our youth generally are making their preparation for life's work, Mr. Upshaw was stricken down by an accident and lay for 8 years flat of his back in a plaster cast. When he had sufficiently recovered to leave his bed he entered earnestly upon his preparation for life. Though always a cripple, his accomplishments have been an inspiration to the youth of our land, for he arose from that bed of affliction and made his way to a place in the Congress of the United States, which position he held for 8 years.

As a prohibitionist, Mr. Upshaw, consecrating himself to the cause early in life, has never side-stepped the issue for political preferment. As an orator he is recognized as one of the most entertaining speakers on the platform. Some have accorded him a place along with William Jennings Bryan among the dry leaders of our nation. His command of the English language is wonderful and there is never a dull moment while he is on the platform. His message sparkles every minute. Though still required to use a crutch his vitality is wonderful.

The citizens of Haskell are invited to hear this speaker, who will bring great inspiration to every friend of Temperance. It is expected that an overflowing house will greet him.

Bill Whiteker, student in John Tarleton College, spent the week-end with home folks here.

Miss Hattie Lucile Paxton, a teacher in the Abilene High School, spent the week-end with her parents, Mr. and Mrs. R. J. Paxton.

Miss Lillian Paxton visited her sister, Miss Jewell Paxton at C. I. A. over the week-end.

Dr. Ben P. Ammons spent the week-end with the Rev. M. R. Forrester at Sagerton.

GAS WELL FIRE FRIDAY NIGHT DESTROYS RIG

Fire which started when a spark ignited the heavy flow of gas in the Brazos Gas Company's well in the southeast part of the county Friday night destroyed the entire rig at the well, and burned until Saturday before it could be extinguished. The well which had been estimated at making six and a half million feet of gas until Friday, when operations were resumed and tubing was being run inside the larger casing, when the fire occurred. Damage from the fire is estimated at several thousand dollars, as the rig was completely destroyed. After the flames were extinguished, the well "ran wild" for several days this week until another rig could be brought to the location and the flow of gas capped.

Mill & Elevator Company Opens New Store Uptown

Announcement is made this week of the opening of an up-town feed store by the Haskell Mill & Elevator Company, where a complete stock of the products manufactured by this concern will be handled, including flour, meal, and their extensive line of manufactured feeds. The store will be under the management of E. I. Christian, and is located in the building formerly occupied by the J. M. Diggs Grocery Store.

ANNUAL FATHER AND SON BANQUET TO BE GIVEN FRIDAY NIGHT

Sponsored by the Lions Club, the annual Father and Sons Banquet will be given at the Methodist Church in this city Friday night, March 21st.

Tickets for the banquet have been on sale for the past week, and sales indicate that the affair will have the largest attendance recorded since it was inaugurated two years ago by the Lions.

Farm Census Is Taken For Benefit of the Farmer

The farm census is taken primarily for the benefit of the farmer. While comparatively few of them make personal use of the farm statistics of the census, it should be borne in mind that the data provide the agricultural colleges and great body of writers for the agricultural press and for economic periodicals with the facts upon which their most valuable studies and analyses are based. Upon the accuracy of the information given by the farmer depends to a large extent the value of the statistical work to be carried on in the farmer's behalf, not only by the Federal and State Departments of Agriculture, but by students of agricultural conditions in all parts of the world. To what extent the very marked increase during recent years in the cost of living and especially in the cost of certain kinds of farm produce is due to shortage in production is a question of vital moment to a vast number of people. A complete and accurate census of farm areas and products will furnish data which, when studied in connection with the revised population figures, should throw light on the great question of our national food supply. Those who are operating farms should apply to their county agents for Sample Farm Schedules in order that they may be prepared to answer questions promptly when the enumerators call. No information of any nature concerning your report will be permitted to come into the hands of anyone else. All information is confidential. Sample copies should be given to the enumerator and not sent to Washington. Enumerators will start April 1, 1930. I. B. Barr, Supervisor.

INTERSCHOLASTIC LEAGUE EVENTS HERE THIS WEEK

Literary Events Scheduled Friday With Track and Field Contests Saturday.

Emory Menefee Is Announced Candidate for Mayor

We are authorized this week to place the name of Emory Menefee in our announcement column as a candidate for the office of Mayor, in the City Election to be held April 1st.

Mr. Menefee's announcement is made by a number of his friends, who believe that if the voters of Haskell see fit to elect him that he will devote the necessary time and his very best efforts in handling the affairs of the office in a satisfactory manner and the best interests of the city at all times. He has been a resident of Haskell for many years, and for a number of years served as County Clerk, and is qualified in every way to handle the affairs of the city that have to do with the office of Mayor. Mr. Menefee is a substantial business man, has many interests in Haskell, and is known and respected as a progressive citizen, aggressive in the promotion of every civic enterprise for the betterment of our town and its development.

Mr. Menefee will not make an active campaign for the office, as the election will be held within a short time, but his friends who are sponsoring his announcement believe that if the voters elect him to this responsible office that his administration will be one which will meet with the approval of our entire citizenship—and on this basis ask for the fair and impartial consideration of the voters of Haskell before casting their ballot for Mayor.

Odell Announces For Representative of 113th District

In our announcement column this week will be found the name of T. R. Odell of Throckmorton as a candidate for the office of Representative of the 113th District which is composed of Haskell, Throckmorton and Baylor Counties, subject to the action of the Democratic primaries. Mr. Odell has been a citizen of the District for 24 years, he formerly taught school in Haskell County and has been practicing law at Throckmorton for the past ten years. He is a life long Democrat and is a man who has always taken an active part in politics, church and community affairs. He is thoroughly familiar with the needs of West Texas and will make an able Representative if the people see fit to elect him. He will endeavor to see as many of the voters of the district as possible between now and election time.

We take pleasure in presenting Mr. Odell's candidacy before the people of Haskell County for their consideration, and assure each and everyone that he will appreciate your vote and influence.

3-DAY COOKING SCHOOL TO BE HELD NEXT WEEK

A three-days Cookin' School under the direction of Mrs. Stella Floyd, well-known home economist, will be conducted in Haskell by the local office of the West Texas Utilities Company on Tuesday, Wednesday and Thursday of next week.

According to the announcement of the school in this weeks issue, Mrs. Floyd will explain many delicious recipes, demonstrate new and attractive methods of food preparation, and show housewives many short cuts by which cooking tasks may be simplified, and at the same time provide better and more healthful cooking.

Mrs. Floyd uses the Hotpoint Electric Range exclusively, stating that through the use of controlled heat, she can always be sure that results will be consistently the same. Housewives of Haskell are cordially invited to attend the school on Friday, Saturday and Sunday of next week.

According to officials in charge of the track and literary events of the Interscholastic League, Friday and Saturday will mark the heaviest attendance of any meet yet held in Haskell, as practically every rural school in the county will be represented during these two days.

Literary events for all schools of the county are scheduled for Friday March 21st, beginning at nine-thirty o'clock. All literary contests will be held in the auditorium of the Haskell High School. Track and field events will occupy the entire day Saturday, with stiff competition assured from a number of schools whose entries have been under rigid training for weeks. Practically every rural school in the county will have representatives in some division of the contests.

In the track and field events for Class A schools of the county, which embraces only the Haskell and Rule schools, held here last Tuesday, Haskell was winner with a total of 96 points in all events, with Rule winning 51 points.

TWO MEN ESCAPE ASPERMONT JAIL SUNDAY MORNING

The sheriff's office here was notified Sunday by Sheriff Bailey Bingham of Stonewall county that two prisoners, Perch Stanton and Harvey Lindsey, had escaped from the county jail at Aspermont early Sunday morning. Both men had recently been convicted in Stonewall county courts of charges of burglary and cow-steal, and were under penitentiary sentence at the time of their escape. Officers were of the opinion that the men headed north along the Brazos River, and a close watch is being kept in that section for the fugitives.

It will be remembered that Stanton was arrested several weeks ago in connection with the burgharizing of safes at Old Glory and Sagerton. He was indicted and tried in District Court at Aspermont for the Old Glory offense, and was given a penitentiary sentence in this case.

HIGH SCHOOL BAND WILL GIVE CONCERT ON THURSDAY NIGHT

The first band concert for Haskell this season will be played by the High School Band on Thursday evening Mar. 27th on the South side of the square in front of the Martin Drug Store at 7:30 p. m. The High School Band has been organized since school began and has made rapid progress and will play a good concert. Director Meacham states that a splendid program has been arranged.

H. D. Women Attend Meeting at Breckenridge

Mrs. W. A. Montgomery, chairman of the county council of home demonstration clubs, Mrs. H. L. Bona, secretary-treasurer of the organization accompanied by H. D. Agent, Miss Partlow attended a very interesting and educational meeting of women from Baylor, Shackelford, Haskell and Stephens counties at Breckenridge recently. Mrs. Barris an authority on rural women clubs and who is prominent in federated club circles had charge of the meeting. Her ideas on business methods both for the individual and the group were points much needed by the average organization and all who attended voted to adapt more business like methods in managing her home and her club. Mrs. Barris especially stressed the fact that records of expenditures should be kept by everyone and "either more money must be made or money must be used in such a way that there will be none for the days when it is not made."
