

WEINERT VISITS OLD HOME IN SEGUIN

The following article appeared in the Guadalupe Gazette-Bulletin published in Seguin, Texas in the issue of September 26th regarding H. Weinert, who always makes his annual trip back to his old home town.

"Herman Weinert, of Weinert, Texas, don't miss the Fair at Seguin. He was here again this year. He says it is worth more than the trip down here to meet at the fair old friends and cronies of the days gone by. He informed the writer that besides the oldtimers still hereabouts, he always meets at the fair people who have moved to other sections. Many of these he would not meet at all except for the opportunity the fair offers. In looking over the town Herman realized its steady growth, when he remembered that not so long ago he managed the Seguin water works, using a helper now and then, and comparing the works with the system necessary now. He and hearty, Mr. Weinert finds his greatest pleasure amongst old friends, bringing up happenings of the yesterdays, and especially those that now seem a little funny.

Mr. and Mrs. F. L. Daugherty and daughter Miss Ermine spent the week end in Graham visiting their daughter Mrs. Bolin. While away they saw the T. C. U.—Summons football game played at Breckenridge.

Mr. and Mrs. H. Weinert and daughter, Miss Beatrice, have returned from an extensive trip to South Texas, visiting Waco, Austin, and Seguin while away.

Bran Garner of Strawn was in Haskell Saturday on business, and was a pleasant caller at our office while in town.

Mr. and Mrs. Cash Lewis of Rule were in Haskell Monday of this week.

LOCAL NOTES

H. S. Leon of Rule was in Haskell on Business Thursday.

Miss Lois Mott of San Angelo is visiting her sister and family, Mr. and Mrs. Arthur Edwards.

Mrs. Houston Edwards and daughter Margaret of Seymour, spent Sunday in the J. F. Kennedy home here.

Mr. and Mrs. Albert Barnett and Mr. and Mrs. Emmet Crouch returned Sunday from Levelland and other points on the South Plains.

Jack Hudson and Claud Phippen were home from Randolph College, Cisco last week end and spent the time with their home folk.

Mr. Hyman Davis made it a point to have business in Stamford last Tuesday and took in the circus while he was there.

Sheriff J. N. Graves of San Saba was here this week, and returned L. C. Watts, a prisoner in the Haskell county jail, to San Saba.

Mr. and Mrs. R. A. Chunn left the first of the week for Hillsboro where Mr. Chunn has accepted a position with the Chevrolet dealers in that city.

Mr. and Mrs. J. F. Morrison and Mrs. J. G. Foster, and Mrs. D. L. Cummins went to Lorraine Monday and spent the night in Abilene with friends and relatives.

Houston Edwards and Mr. Rhodes of Seymour, station agent in that city for the Wichita Valley, passed through Haskell Sunday on their way to Stamford, where they attended the funeral of John Doran, Monday.

HASKELL COUNTY ALLOTTED 4,750 LICENSE PLATES

Haskell county's automobile license plates for 1930 will be shipped from the factory where they are being manufactured some time this month, according to word received by Tax Collector Ed Fouts from the State Highway Department. The new plates for Texas will be blue figures on a yellow background, with the following quantities and numbers allotted to Haskell county:

4300 passenger car plates Nos. 603351 to 607650

400 Commercial, Nos. 88351 to 88750

2 Motor Bus, Nos. 1039 and 1040

20 Truck and Trailers, Nos. 6941 to 6960

20 Dealers Plates, Nos. 5046 to 5065

12 Motorcycle, Nos. 2831 to 2843

4 Side Car Nos. 1021 to 1024

Included with the plates will also be 15 Chauffeurs Badges for operators of Motor Buses and service cars, numbered from 9462 to 9476

Although the new plates are expected to arrive this month, they cannot be used until Jan. 1, 1930, according to Mr. Fouts.

Former Haskell Man New Manager Stamford Auto Firm

Tom Davis, who was formerly connected with the Ford Agency in Haskell, moving to Stamford about two years ago, has purchased an interest in the Day Chevrolet Co.

of Stamford and assumed the management of the company. Mr. Davis has been connected with the company as sales manager, since leaving Haskell. The name of the firm will remain the same as here before and there will no other change in the personnel of the company.

Among the Haskellites who attended the circus at Stamford Tuesday afternoon were Misses Mary Kimbrough, Frankie Brooks, and O. D. Cook.

Mr. and Mrs. J. V. Lewis and daughter Florene, and son Roy, Mrs. Olie Taylor, Mrs. Gladys Kennedy, all of Weinert visited in Haskell a short while Tuesday.

Mrs. Bert Welsh and baby accompanied her parents, Mr. and Mrs. Chriaman of Lubbock to Gatesville last week to the bedside of her grandfather who is reported quite ill.

Mrs. J. W. Hill of Amarillo and Mrs. W. W. Koonce were dinner guests at the home of Mrs. Winifred Cole last Tuesday, given jointly by Mrs. Cole and Mrs. J. W. Hill of Rule.

Misses Dessie Kennedy and Mattie Letta Phippen, accompanied by Mrs. W. B. Reid, went to Mineral Wells Monday, and will return today with Mrs. J. F. Kennedy and Miss Ola Belle Kennedy, who have been under treatment in that city for several weeks. Mrs. Reid will remain in Mineral Wells for several days.

Mr. and Mrs. J. I. Davis and family of Joplin, Mo., spent several days this week with Mr. Davis' sister, Mrs. C. H. Spurin of near Rule. This visit was the first time that they had seen each other in twenty-five years, and a most pleasant visit was enjoyed. Mr. and Mrs. Davis left Wednesday morning for Roswell, N. M., for a visit and from there will go to Santa Paula, Calif., for a short visit before returning to their home in Joplin.

Southern, and the host and hostess Mr. and Mrs. John W. Pace.

South Ward School Plans to Fill Car with Old Papers and Magazines.

Some time ago the teachers of the South Ward School together with the members of the P. T. A. found that they could make more clear money by collecting old papers and magazines and selling them to a certain firm than most

any other way. So the children and patrons of the school have been untiring for the past week making this collection. Now this is a splendid way of getting rid of surplus papers and magazines of all kinds and helping the school too.

The South Ward school extends an invitation to every body, this means all school children in the north ward and high school and all patrons to help to fill this car. Later if some other school or room should under take to sponsor the project the South Ward school can be counted on to help. Especial attention is called to the rural boys and girls who attend school in Haskell to contribute all that you can to help this good cause.

## WEAK SPELLS

"I was so weak," says Mrs. Josephine Cockcroft, of Baldock, S. C., "that I was not able to do anything."

"At certain times, I suffered dreadfully with pains in my back and sides. My head would hurt—felt like it would split open. Spells of weakness would last for weeks."

"I read of Cardui. I sent for a bottle and began taking it. My case was stubborn, and at times I almost lost hope, but I could see a little improvement. At last I began to feel much better. Then I improved rapidly. For the last year I have been in better health than I ever have been before."

"I give the credit to Cardui, for after I had given up, I got well."

District," he said. "Not only do I answer every letter that comes to my desk, but during the past summer I have visited all of the 53 counties of this district. This I conceive to be a duty as the knowledge thus gained is of great value in a representative government."

**Is Powerful Empire**

"This Congressional District produces more than half the wheat grown in Texas. This year it produced more than 40,000,000 bushels. It produces more cotton than any other district in the South. Last year it produced nearly 700,000 bales. In 1928 it produced nearly 800,000 bales of cotton.

other district in our state. No doubt it produces more of what is known as row crops, but as to these statistics are not available.

"This section has the highest percentage of white American citizens of any section under the flag. This is not flattery—it is a simple statement of fact. The average intelligence is therefore naturally high, and there is practically no illiteracy.

"Another matter of great interest is that of freight rates. "When iron and steel products, automobiles, or even farm implements are shipped abroad by American manufacturers, the railway rates to the seaport are reduced on an average of about 40 per cent. This is to encourage the disposition of the surplus of those commodities. "For months I have been endeavoring to get the Interstate Commerce Commission to give the same export reduction in freight rates on cotton and wheat when shipped from production centers of those commodities as are now granted on manufactured articles.

that the whole-rate structure may be brought down. "I am also very much interested in the development of the South industrially. Rapid strides are now being made, especially along textile lines. Other mills of various kinds are also seeking new fields. "We have the climate. We have the soil. We have the raw material. We have the labor. We have the fuel. There is no reason why the article should not be finished here near the point of basic production, rather than shipped to distant factories.

**Mrs. J. S. Stanford Makes Nice Saving On Grocery Bill**

Mrs. J. S. Stanford of the Roberts Community, a member of the Roberts Home Demonstration Club, is an enthusiastic booster of the Home Demonstration work that is being done in Haskell county. Mrs. Stanford, heretofore has only put up fruit as a supply of canned goods. This year she has canned all kinds of fruits, vegetables and meats. A record was kept of the grocery bill last year from June the first to October 1st. This year a record was kept from January 1st, to October 1st. A saving was made on the grocery bill of more than \$75.00 over the longer period of months. Mrs. Stanford had never canned meat or vegetables before joining the club.

"I was fortunate enough to secure the passage of a measure providing for the search by the Department of Agriculture and Department of Commerce into new uses for cotton. Dr. Youngblood, who is at the head of this work in Washington, declared in an article in the September issue of the Country Gentleman, that new uses had been found for more than 1,000,000 bales of cotton.

**Freight Rates of Interest**

"In view of the new lands going into cotton in other parts of the world and the efforts of England and other nations to develop substitutes, this work becomes all the more important.

"After considerable agitation, a reduction from 32 1/2 to 29 1/2 cents per hundred pounds on wheat shipped from the Plains country to the gulf ports was granted. This was a very valuable reduction to the wheat growers, but it has only a temporary application, and only amounts to about 10 per cent.

We regret to learn of the death of Mrs. Claire Phillips Braswell, wife of Sam M. Braswell, Publisher of the Clarendon News at Clarendon Texas. **Moved Here From Ft. Worth**

Haskell welcomes among her newest residents, Mr. and Mrs. L. E. Henson and family, who moved to this city last week from Fort Worth. Mr. Henson several months ago completed a course in the T. A. T. school of flying in Fort Worth, and is the owner of a Travelair biplane, a commercially licensed ship. He has been granted a pilot's license, and has made a number of trips to various points in Texas recently.

With the location of a licensed pilot and plane owned in Haskell, the rapid growth of aviation is brought forcibly before us—which brings up the fact that Haskell should have a modern landing field, not necessarily a pretentious airport, but a serviceable, well-marked field which could be arranged at a small cost and would place our town in the ranks of other progressive and air-minded cities in this section.

The reason some men tell Satan to get behind them is they want to see a faster pace.

The best thing about fame is not that posterity will honor your name, but that the paying tailor will.

Exercising the eyes, says an oculist, will eliminate the need of glasses. And maybe land you in jail as a masher.

You've noticed that the driver always has some excuse when he has to drop back into second on a hill.

# APPRECIATION

We want to thank the many friends and customers who have visited our Sale and assisted us in making it successful. We strive to merit your confidence, and in our endeavor to do this, we are ever conscious of the ease with which it is, in our enthusiasm, to exaggerate.

So far, we have refrained from too much BLAH! BLAH! Now comes the time when we are striving harder than ever. If you have not been in to see us—it will pay you to do so.

## TEXAS registers 60 per cent increase in EIGHTS

As proof of the tremendous growth in public preference for eight-cylinder cars, registration figures in this state for the first seven months of 1929 tell their own story. Eights above \$1000 showed an increase of 60 per cent while fives in the same price field decreased 20 per cent.

The tendency is the same the nation over. In 43 states, 8 Eights above \$1000 increased 94 per cent. Sixes declined 18 per cent. Nobody can doubt the evidence. We are passing into an eight-cylinder era!

Studebaker today leads the world in the manufacture of Eights—Eights that are champions—holders of 11 world records for speed and endurance and more American stock car records than all other makes combined—Eights which are remarkably economical—smooth, flexible, brilliant.

Drive a smart new Studebaker Eight—President, Commander or Dictator—each backed by Studebaker's 77 years of manufacturing integrity. Your new car will be worth more a year from now—It's an Eight!

*5 states do not compile registrations by engine type.*

**Battle Creek Sanitarium Health Foods For Everybody**

When you were young, stout and spry.

You could eat all you wanted of cake or pie.

You could run, jump, wrestle, tired your legs.

You could eat six biscuits with ham and eggs.

In fact you ate what you pleased without any pains.

But you cannot do it now—your Health has changed.

If you may not eat much, you can't eat.

Eat Biscuits, Pastes, Soups, Wheat Flakes.

You need not go hungry on the farm.

We call the famous Battle Creek Health Food Plan.

It is especially prepared for who must diet.

Come, look over the plan then you will see.

# SOCIETY and Club

## The Baptist Women's Missionary Society

On each third Monday afternoon the members of the Baptist Women's Missionary Society, meet at the church in a business and Royal Service meeting. They met last Monday afternoon and voted to meet in the future at three o'clock. The president, Mrs. John Ellis was in the chair and splendid reports from all committees were given. The Royal Service Program followed. The subject was "Pioneer Women," and it was interestingly and comprehensively discussed by Mrs. R. C. Couch and Mrs. W. C. Williams. These meetings are always inspirational for the work in cordes that the women do two Mondays a month. There were twenty-seven present at Monday afternoon meeting.

## Orchestra at First Methodist Church

The newly organized orchestra of the First Methodist church was on duty at the Sunday evening service last Sunday and added much to the singing. After the organ prelude by Mrs. O. E. Patterson and a vocal solo by the choir director, Mr. R. D. Baughman, the orchestra director, Mr. Horace Ivy and other members, Misses Louise Kaigler, Velma Hambleton, Nettie Mullino, Raymond Lusk, James Mullino and O. D. Cook accompanied the men's chorus and the congregational singing for the remainder of the service. The auditorium was filled to its capacity.

## Choral Club Organized

The Seventh Grade met and organized a choral club, October 1, and decided on the name, "Dragnet Choral Club." Officers are: President, Maxine Simmons; Sec. & Treas. Ruth Morgan; Reporter, O. D. Cook. Members selected are as follows: Willie Mae Adams, Ralph Bernard, Jack Bradley, Louise Cannon, Sue Couch, Lela Mae Chapman, John Darnell, John Fouts, Ethel Irby, H. J. Hambleton, Theda Maples, Mary Louise Parks, Cecil Reeves, Emma Kate Richey, A. C. Roberts, Eva Dell Squyres, Hortense Walling, Ollie Hester.

## Tuesday's Bridge Club

The Tuesday's Bridge Club met last with Mrs. J. P. Payne. This was Tuesday afternoon October the 2nd. The hostess made the setting for the bridge tables attractive by the use of fall flowers and her re-

freshment plate carried tuna fish sandwiches, congealed fruit salad and iced tea. Club members present were: Mrs. Joe Hendricks, Mrs. Theron Cahill, Mrs. Wallace Cox, Mrs. W. W. Koonce, Mrs. R. E. Hall, Mrs. W. P. Trice, Mrs. Marlin Wilson of Rule and the hostess Mrs. J. P. Payne.

## Italian Missionary Speaks Here

Rev. Louis D'Asaro, Italian Missionary of the Church of Christ spoke at the morning and evening hours at the above named church last Sunday. The Rev. D'Asaro is a converted catholic and told in an unprejudiced, straightforward way the claims of the Pope of Rome and gave a comprehensive exposition of the fallacies of Roman Catholicism. Both the Rev. Mr. D'Asaro and his wife, who accompanied him to Haskell, were born in Italy. They were educated however in the United States and it is their intention to return to their native land and preach to their people the Christian religion.

## Mr. and Mrs. John Couch Take in The Circus at Stamford.

Mr. and Mrs. John A. Couch motored to Stamford Tuesday evening had dinner at the Stamford Inn as guests of Mr. and Mrs. Demmitt Hughes, visited their daughter Miss Maurine Couch, who is the Music

## Art teacher in the Stamford schools and enjoyed the evening performance of the circus.

## Viola Humphries Circle in South Haskell Keeps Busy.

On Tuesday afternoon the third meeting of the Viola Humphries Circle of the Baptist Women's Missionary Society met in the home of Mrs. John Fouts. From ten to fifteen members attend these meetings and Mrs. Ed Cass teaches the lesson in the mission study book, "Things We Should Know." During the business hour a more complete organization was perfected. Several ladies brought their quilt blocks that will later be made into a quilt for the orphan home. This circle will meet with Mrs. Joe Maples Monday afternoon October the 14th. On last Thursday afternoon The Viola Humphries Circle enjoyed a picnic at the West Texas Utilities Park. A splendid fellowship mingling with each other was enjoyed and just before the big picnic spread was partaken of the retiring president, Mrs. Jim Gilstrap and the incoming president, Mrs. John Ellis, honor guests made talks on the progress of the W. M. U. Guests and members were: Mesdames Jim Gilstrap, John Ellis, Frank Reynolds, Parks, Holt, Tom Holland and sister, Joe Maples, Ed Cass, Charlie Quattibaum, I. N. Alvis, Jimmie Crawford, John Stovall, Lavender, Earl Roberts and John Fouts and the children.

## MUSICAL TRAINING IN THE SCHOOL

Music in the public schools is slowly but surely coming into prominence. Higher educational authorities of today acknowledge that music is one of the finest mental trainers we have. John J. Tregret, U. S. Commissioner of Education agrees that in nearly all cases the students who have taken up the study of music in schools are at the head of their classes. There is a reason for this it is not because the child is any brighter naturally, but the study of music teaches the child to concentrate. It teaches accuracy and mental discipline. As for the moral influence music stands next to Theology in its benefits to the soul of man. Interest your boy or girl in music and very soon you will find them practicing at home when otherwise you might not know just where they were.

From out of our schools of today are coming our great artists of tomorrow. A genius of the coming age may be in school right here in Haskell or somewhere in Haskell county. It may be a great singer or a great player of some musical instrument.

Billy Tong, who is today First Trumpet Soloist with Sousa's great band went to school in a very small town in Canada and in that same town received most of his training in music. At the age of 22, he joined

Sousa's band and in a very short time was promoted to solo trumpet at a salary of \$2100 per week. This is only one of several that will be mentioned later who have leaped to fame from a small town school by taking advantage of their talents.

## JESSIE JAMES OUTLAW ENTERS T. C. U. FT. WORTH

"Just because my name is Jessie James Outlaw, don't get the idea that I'm dangerous, and don't think parents were trying to play a joke on me when I was christened. I was the first child, and as my father's name is Jessie, naturally I was named that. James is another family name. Say anything about me you care too, but don't write my name, "Jessie James, outlaw."

This is the story of her name, as given by Miss Jessie James Outlaw, Freshman student in Texas Christian University, Fort Worth. She is the daughter of Mr. and Mrs. J. H. Outlaw of Houston.

"Of course my unusual name attracts a lot of attention and comment," Miss Outlaw says. "But I get as much fun out of it as anyone. It certainly is a treat to hear a girl around Jarvis Hall, shouting 'Where's Jessie James?'"

Miss Outlaw was an honor student in high school and a leader in journalistic activities. She plans to major in journalism at T. C. U.

# Church of Christ

---Rom. 16:16

THE ONLY NEW TESTAMENT CHURCH (Eph. 1:22, 23; 4:4)

## FACTS ABOUT BAPTISM

1. Baptism is a command (Act. 10:48).
2. You MUST be baptized (Act. 3:3; 22:16).
3. Christ commanded it (Matt. 28:19).
4. FAITH is UNTO (toward) Salvation (never INTO) (Rom. 10:9-10) BAPTISM IS INTO CHRIST (Gal. 3:27; Rom. 6:3).
5. BAPTISM SAVES (1 Pet. 3:21)
6. When Baptism and Salvation are mentioned in the same passage, Salvation is always mentioned after Baptism (Baptism, Remission of sins; Luke 9:3) (Baptism, Mark 16:16) (Baptism, remission of sins; Acts 2:38) (Baptism, wash away sins; Acts 22:16).
7. Baptism is never said to be a work by even one single word in the entire Bible.
8. FAITH is a work (John 6:29). Then if we are not saved by works we are not saved by Faith.
9. We are saved by a Faith that works by love (Gal. 5:6; Rev. 20:13) That is, by both FAITH and WORKS.
10. ACTS 2:38—Repent and be baptized every one of you in the name of the Lord Jesus Christ, FOR the remission of sins. The word FOR that is used here (FOR in the Greek) is translated IN ORDER TO (not because of) by all of the greatest Greek scholars. The same expression FOR THE REMISSION OF SINS (which is the same in the original Greek) is also used in Matt. 28:19—This is my blood of the New Testament, which is shed for many, for the remission of sins. Therefore, if we were Baptized because our sins were already forgiven, then Christ shed his blood because our sins were already forgiven. If that were true, then Christ died in vain. And if Baptism is not essential to salvation, neither is the blood of Christ, because they are for exactly the same purpose.
11. From the time of the First Gospel Sermon, which was preached on the day of Pentecost, there has never been a single case of scriptural conversion, WITHOUT BAPTISM.

# Now - We Can Supply You with Purina Chows!

## The Profit Building Feeds in Checkerboard Bags

FEEDERS of poultry and live stock around Haskell will be glad to know that they can now find the complete line of the well-known Purina Chows in our store. For some time we have been investigating various lines of commercial feeds. We have become a local authorized Purina distributor because we are convinced that Purina Chows will make more money for you who feed farm animals.

For 35 years Purina Chows have been lowering feeding costs—increasing egg production—putting more milk into the pail—putting more weight on hogs and steers and sheep in quicker time—keeping horses and mules in finest condition for hard work. What Purina has done elsewhere it can do right around here.

### A COMPLETE Line--for All Feeding Needs

NO MATTER what you're feeding—or how—you'll find that Purina Chows will fit your needs. If you want a hog ration to make your corn worth more—there's a Pig Chow and Hog Chow. If you have no home grains and need a complete hog feed—there's Hog Fatena. So, too, dairymen can get just the right Purina mixture to go with alfalfa hay or mixed hay—or whatever they may have. And poultry raisers will find here the proper feed for chicks, for growing

pullets and laying hens. Steer feeders, sheep men, horse and mule owners—all can find extra profit in the Checkerboard Bag. The first carload of Purina has just arrived in Haskell. Stop in and examine the largest selling poultry and stock feeds in America—largest because they do make money for the feeders. Come in and let us explain the Purina plan of feeding and how it helps you make more money—or phone and we will be glad to come out to your place.

# Your Money's Worth

Many buyers seem to believe that the cost of an automobile is its delivery price—or perhaps the cash difference between the trade-in value of their old car and the price of a new car.

Actually the cost of any automobile is not the dollars and cents represented by its delivery price. Its real cost is what the buyer must pay to drive the car over any given mileage, which cost includes both.

## Upkeep and Depeciation

"The American Motorists Association" makes this comparison—figuring both cars as driving 8000 miles per year over a period of three years.

### CENTS PER MILE

	Ford	Light Six
Depreciation	01.25	01.74
Up Keep	3.8	4.4
	5.05	6.14

## Another Saving

At one time (speaking of the Model T) it was said that when all the extras necessary had been bought for a Ford, the price was as great as other light cars. Today the boot is on the other foot.

Houdaille Shock Absorbers	\$44.50
Shatterproof Glass	\$12.00
Three Free Inspections	\$15.00
Ford Additional Values	\$71.50

Add to these savings the joy of owning a new Ford and the comfort of riding in-one.

Let us demonstrate this wonder car. We can make prompt delivery.

**Gypsy Ramblers**

The Gypsy Ramblers took another ramble last Wednesday afternoon. They made a six mile hike and at the end of three miles a delicious supper was spread. The following members were present: Sponsor Mrs. Geo. V. Wimbish; Co-Sponsor, Vick; Red, Henry, Snort, Fats Jack, Little Sis, Tom, Bee, Bingo, Texas, Slim, Freckles, Vera, and Taga-Long.

**The Woman's Auxiliary of The Presbyterian Church.**

The Woman's Auxiliary of the Presbyterian church met in regular session last Monday afternoon in the home of Mrs. Isham. The president, Mrs. H. S. Wilson, presided during a short business meeting and then turned the meeting over to Mrs. R. E. Sherrill and she taught the bible lesson, the 7th and 8th chapters of Acts. Mrs. Isham served individual cherry pies and iced tea to Mesdames H. S. Wilson, R. E. Sherrill, R. C. Lowe, John W. Pace, J. L. Tubbs, and M. L. Baker.

**The First High School Chapel Program.**

The first Haskell High School Chapel program of the year was put on last Wednesday afternoon by the High School expression class as- sisted by pupils of the Morrison Studio. Mrs. C. M. Kaigler introduced the faculty, (character sketches by the pupils) to the student body. These were: Rogers Gilstrap, Super- intendent Breedlove; Principal and Mrs. Wimbish, Grace Mitchell and John Oates Jr.; Herman Henry, David Ratliff; William Richey, Her-

Piano numbers from the Morrison Studio: Concerti by J. O. Chitwood; Stacotta Etude, Anna- bel Burt; The Secret, Edith Foote. The accompaniments and piano- lones were played by Misses Louise Kaigler, Selda Maples and Virginia Sue Couch.

**South Ward P. T. A. In Program Meeting Last Thursday.**

The South Ward P. T. A. enjoyed a large attendance on the part of the membership last Thursday after- noon and had as special guests Superintendent C. B. Breedlove and Chairman of the School Board, Mr. R. C. Couch. Mr. Couch's address was the main feature of the after- noon. It was a well thought out exposition on the duty of the patron to the school and the mutual under- standing on the part of both the patron and the teacher. Mr. Couch called the attention of those present to the fact that a large number of

... C. M. Kaigler presented her South Ward expression pupils in a pro- gram. These were: Wanda Dulaney, Janice Rogers, Dorothy Josselet, Paul Crawford, Duffer Crawford, Clo Edwards, Beverly Gilbert, Nell Free, and George William Fouts. Mary Had a Little Lamb, in dialect, John Crandall, Janice Rogers, Zelden Thomason and Oran McClain. Four pupils from the north ward also ap- peared on the program. They were: Josephine Parish, Wallace Parish, Theda V. Maples and Aletha Fay Davis. The president, Mrs. T. C. Rogers, presided during a short busi- ness session.

**North Ward Pupils In Program.**

On last Monday afternoon the student body of the north ward school with the teachers marched to the auditorium of the high school and enjoyed a program by the ex- pression pupils of Mrs. C. M. Kaigler. The numbers arranged from popular to semi-classical and includ- ed lyrics and dialects. The follow- ing little tots gave a skit in dialect, Chinese, Jack Wallace Watson; Ger- man, Jack Simmons; French, Eva Joe Ratliff; and Irish, Paul Robert. The rooster parade, John Kim- brough, J. C. **To be Up-to-Date Means to be Up-to-Chrysler**

When anything new is produced, there are always those who create and those who follow.

In the change to balloon tires, some makers asserted the new type would never succeed. Four-wheel brakes found some who disastrously supported the two-wheel design. And today, there are engineers who decry the Multi-Range Gear Shift and the Down-Draft carburetor.

Chrysler has never been among those who shun new things—if the new be better than the old.

The public acclaim for Chrysler, instead, has been based on Chrysler's pioneering or ready acceptance of those new creations which have made motoring safer, more comfortable, surer and more economical.

To be always ahead of or abreast of the times, but never to experiment on the public is the real founda- tion of Chrysler success.

You who prefer the latest, the most advanced, the best, have made Chrysler the most copied car in the world. Because Chrysler has built the kind of cars you up-to-the-minute people want, you have given Chrysler the greatest success in the history of automobile building. We invite your most critical inspection.

**Haskell Baptists**  
**THE ONE BAPTISM**

Ephesians 4:5, declares that there is just one baptism, and yet we find other baptisms spoken of in the Bible. Heb. 6:2, speaks of the doctrine of baptisms. Acts 1:5, speaks of the baptism of the Holy Spirit. Matthew 3:11, speaks of the baptism of fire. And Luke 12:50, speaks of the baptism of suffering. Do these scriptures conflict? No. The expression "ONE BAPTISM" in Eph. 4:5, means there is just one literal, visible baptism. Of course that literal, visible baptism is water baptism. Water baptism is literal and visible, because there are three objects to be seen: The baptizer, the one being baptized and the water. The other three baptisms are used only in a figurative way. Christ was baptized or plunged headlong into suffering. The results were visible, but not the baptism itself. The endowment of the Spirit is spoken of as a baptism in contrast with John's baptism. The results of the experience are visible, but not the thing itself. The unseen power of the Holy Spirit fills us and surrounds us, so we are told to walk in the Spirit.

The Bible definition of baptism is found in Rom. 6:4, and Col. 2:12. In these scriptures we are told that Baptism is a burial. It is believed by some that these scriptures refer to Holy Spirit baptism. Let them refer to the Holy Spirit, suffering, fire or water, the definition for baptism remains the same. We are buried by the act of baptism.

**NEXT SUNDAY**

The orchestra at the Baptist church has gradually improved from week to week until it has become a band that any city church would be glad to own. Last Sunday there were eight mem- bers present for the morning service and nine for the evening ser- vice. These instruments are so well balanced and the performers are using such skill the music is gradually approaching perfection. We hope to make next Sunday one of our best days in music and song. You can expect some special numbers that will delight the congregation.

The Sunday school is growing in efficiency each week. It is being looked upon as a model Sunday school by a large section of the country. You can help us in this worthy work in a wonder- ful way by helping to increase our attendance to five hundred.

The preaching services for next Sunday will be along the lines of CONSECRATION and SOUL-WINNING.

### HASKELL AND ROBY PLAY SCORELESS TIE

EXECUTIVE COMMITTEE WILL LIKELY BE ASKED FOR RULING ON GAME

Haskell and Roby fought to a tie here last Friday afternoon in the game that had been expected to eventually determine the champion of the eastern section of the county.

The game will be played in the district executive committee which will probably rule on the game must be played over to decide the championship.

The scholastic league rule is that a tie team that has the greatest number of points declared the winner.

Had a good margin over the matter of first downs and Henshaw registering gains through the Lions.

### SMALL BLAZE AT MODEL TAILOR SHOP MONDAY MORNING

Quick action on the part of Bruce Wilson and Raymond Morgan, employees of the Model Tailor Shop, probably averted a fire of serious consequence in the cleaning room of the shop Monday morning about 7 o'clock.

Gasoline which had accumulated in a small trench in the concrete floor of the cleaning room was ignited when the boiler was fired up Monday morning and the fire spread into a gasoline receptacle in the cleaning room before it was discovered.

Fisher County approved a bond issue of \$1,400,000 at an election last Saturday for the purpose of financing two paved roads across the county.

The identical issue was voted on in Fisher County exactly a year ago with 659 favoring and 688 opposing the program.

\$965,000 of the amount voted will be used on the lateral roads of the county according to the information received here.

### PRISON MATES MURDER MAN CONVICTED HERE

CLARENCE HARWELL, CONVICTED ON CHARGE OF FORGERY, SLAIN BY TWO CONVICTS

Clarence Harwell, convicted in the District Court in Haskell County on April 24, 1928 and given a two year sentence in the State penitentiary, on a forgery charge was found murdered and his body buried in a shallow grave on the Ferguson state prison farm Saturday.

He had been missing since Sept. 29, and prison attendants had believed he had escaped prison. Charges of murder were filed in Madison county against A. F. Breeding serving two years for cattle theft from Wilbarger county, and J. D. Echols, sentenced to two years for burglary from Comanche county, in connection with Harwell's death. Both of the accused men are 19 years old.

Prison officials were led to the grave by Breeding and Echols who according to the officials, have signed statements. According to the officials, Harwell was slain while he slept on the night of Sept. 29 after he had had trouble with Breeding and Echols over the possession of some narcotics.

The officials said they had learned that the grave was first dug near the Cow barn on the farm, and later Harwell was struck over the head with an iron bar and his body dragged to the hole. Harwell's body was reburied in the prison cemetery. His home was said to be in Ennis.

All three of the prisoners were trustees. In the trial of the case here Harwell pleaded guilty to giving a worthless check to the firm of R. V. Robertson Company and asked for a suspended sentence.

Mann Shook of the Hardin Lumber Co. made a trip to Mineral Wells Tuesday, returned Wednesday with his parents, Mr. and Mrs. M. O. Shook, who have spent several weeks in that city for their health.
