The Berean Sunday School Class Has Lively Party.

Mr. C. M. Conner, the teacher of the Berean Sunday School Class of the Baptist Church, entertained his class with a lovely party last Monday evening. Magnificent flowers from the hot house added beauty and charm to every room and attested to the fact that the host was assisted in preparing for this courtesy to his class by Mrs. Conner. Both the host and hostess did every thing possible to make the evening the success that it was. For the class and special guests declared it to be a most enjoyable affair. A salad course carrying as plate favors scabias was served to Misses May Willis of McKinney; Agnes Grissom, Beatrice Hillman of Wichita Falls; Vivian Bernard, Vera Adkins, Alice Hunt, Vannie Lee Marrs, Lillian Kaigler, Madge Hambleton, Selda Maples, Lucile Gilstrap, Kate Oarnell, and J. Hi League Preludes Evening Services With Drama.

Mrs. E. Gaston Foote, assisted by Mrs. Elizabeth Martin directed a very charming and impressive play by the Hi-Leaguers at the Methodist Church last Sunday evening as a prelude to the regular service. The plot depicted the council of the league in session and they were discussing ways and means of carrying on their work. To make it very dramatic and of course impressive, foreign characters where the league money goes to help promote the work, were introduced and told of their work and needs. Young people taking part in this little play were: Eva Dell Squires, Beulah Cass, Jearene Kennison, Ruth Morgan, Juanita Stone, Nina Lou Gay, Dorothy Foote, Clara Wilfong,

Sleighs and Snowshoes

Sleighs and snowshoes were the sole means of transportation for the Emil Jannings unit from the Paramount studios in Hollywood during the filming of "Betrayal" which will show at the Texas Theatre Saturday. The outdoor scenes were taken at Lake Tahoe, in the high California Sierras, where snow and ice encourage winter sports for many months of the year.

Epworth League

Last Sunday night we had about 50 present and a very fine hour of worship and study. Much interest is being taken in the Transcontinental automobile race. The Ford is ahead now with the Studebaker second.

Fish Pond For The South Ward School.

A fish pond has been completed on the South Ward school grounds this week. Mrs. O. W. Maloy defrayed the expenses and the boys of the sixth grade did the work. Mr. Mart Clifton went over and mixed the cement for the side and bottom of the pond and the science class taught by Miss Nettie Mullino observed how the cement was mixed. The pond is now completed and fish are being collected.

FRIDAY & SATURDAY SUGGESTIONS

SHERWIN-WILLIAMS PAINT HEADQUARTERS

THERE'S NO PAINT BARGAIN LIKE GOOD QUALITY!

You need fewer gallons of SWP

to paint your house

Fine old SWP House Paint has such wonderful "body" that each gallon thoroughly covers more square feet of wall.

That is one reason why SWP House Paint costs no more than cheaper paint on your house. The saving on gallonage does it—regardless of the price per gallon.

In addition you get the superior quality of SWP—the more beautiful, weatherproof colors—the long service that saves 50% to 60% in repainting cost. All because fine old SWP is made of the finest materials, by the largest paint and varnish makers in the world.

Come in and let's do a little simple arithmetic before you squander money on cheaper paint.

Fall painting is the most important of the year. Don't neglect to paint weather-beaten houses, garages, shutters, trellises, fences, screens, flower boxes, etc., NOW. You will save money. And, remember, cheaper paint can not equal the economy of fine old SWP for your house. We are at your service at all times. Call for suggestions.

SWP
The world's standard of house paint quality. SWP is made in one quality and that the very best. Famous for long life and permanency of its many beautiful colors. Covers more square feet of surface per gallon. Costs less on the house than cheaper paints at a lower price per gallon.

Mrs. Elsie Malone McCollum Now Quite a Noted Texas Writer.
Mrs. Elsie Malone McCollum of McCaulley, Texas, has become quite a noted Texas writer within the past decade. Some twenty-five years ago Mrs. McCollum with her husband and family lived in Haskell over a long period of years and during her residence here she was an expression teacher. Only in that day the art was called elocution. As a teacher Mrs. McCollum ranked with the best and from time to time she contributed in both prose, and poetry articles to press of Texas. But today she has to her credit not only a large collection of miscellaneous articles but valued books in the field of dramatic art. One of her latest contributions and one that comes very highly recommended by the publishing house is a nicely bound volume of poems pieces for children and adults, pantomimes and pageants for all ages. Mrs. McCollum is a member of the "Texas Poets Society," with headquarters at Dallas, Texas. Mrs. Ethel Irby at one time a pupil of Mrs. McCollum has recently received complimentary, a copy of "Elsie Malone McCollum's Pieces and Plays For All Ages."

ACTS 2:38 EXPLAINED

"Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."
These words were spoken by Peter in answer to the question asked by a convicted people in verse 35, "Men and brethren, what shall we do?" Notice that the question included their first duties toward God. When Paul and Silas were asked the pointed question by an unshaven man, "What must I do to be saved?" They answered, "Believe on the Lord Jesus Christ and thou shalt be saved." (Acts 16:30, 31). If a sinner should ask us how to be saved, we should tell him to believe on Christ for Salvation. If a sinner should ask us what his first duties were toward God, we should tell him first to repent, then be baptized for the remission of sins.

The text contains two commands. The first command is repent and is in the plural. The second command is be baptized and is in the singular. The first command, REPENT, brings Salvation. John spoke of the fruits of repentance (Matt 3:8). What are the fruits of repentance? Peter, the author of our text, in Acts 3:19, gives some of the fruits of repentance, "Repent ye therefore, and be converted, that your sins may be blotted out, when the time of refreshing shall come from the presence of the Lord." This verse tells us that the first results of repentance are conversion or a changed life and the blotting out of our sins. We are told except we repent we shall perish (Luke 13:3), and he that believeth not shall be damned (Mark 16:16); but there is no such language concerning baptism to be found in the Bible.

The second command tells us to be baptized FOR the remission of sins. The word FOR tells us why we should be baptized: Because our sins have been remitted. After a leper had been cleansed Jesus told him to offer FOR his cleansing a gift according to the law of Moses (Mark 1:40-44). We bury people not in order to kill them, but because they are dead. We baptize a man, not because he is dead in trespasses and sins (Eph. 2:1), but because he is dead to sin and has become a new creature in Christ Jesus (Rom. 6:11; Eph. 2:5).

The word FOR in our text is translated from the Greek word 'eis'. This little word is found about 1700 times in the N. T. and is translated 43 different ways. To be sure of what it means in our text, compare it with the way it is used in other places in connection with baptism. For example:
"Be baptized for (eis) the remission of sins" (Acts 2:38).
"I indeed baptize you with water UNTO (eis) repentance" (Matt. 3:11).
"Notice John baptized UNTO (eis) or FOR (eis) repentance. Did he baptize in order that the people might repent or because they had repented? Matt. 3:7, 8 tell us that John refused to baptize some because they had not first repented. The sinners on the day of Pentecost were saved when they repented and were baptized because they were saved."

MAN CONVICTED HERE ESCAPES PEN FOR SEVENTH TIME

Marvin Azbell, convicted in District Court here last year on a charge of bigamy and sentenced to a term in the penitentiary was among the eighteen convicts who escaped from the penitentiary at Huntsville last Friday night, according to press dispatches.

Azbell has escaped from the penitentiary seven times, it is stated, his previous attempts to gain liberty failing however, as he has always been recaptured within a few days. Previous to Friday night's escape, his last effort was with Bob Silver and two other convicts in April, when they held up a young Huntsville couple and forced them to drive the party to Houston, where they were subsequently recaptured. Silver was convicted for robbery with firearms in connection with the escape, and Azbell faces a similar indictment.

Among the other prisoners who made the break were Robert Hill, one of the alleged Cisco Santa Claus bank bandits, and Joan Reed, both of whom escaped with Silver a few months ago.

Crew to Begin Work of Surveying Route Thru County Soon

The first actual step toward Haskell county's long-looked for road improvement program was inaugurated this week with the arrival of a large crew of engineers from the State Highway Department, who have opened offices in the Sherrill building in this city.

Chief Engineer Van London was in the city Wednesday, and it is understood that work will be started within the very near future on surveying and laying out the right-of-way for State Highway No. 30 through Haskell county. Grade and drainage structures will be surveyed, and as soon as the work of surveying and locating the road is completed and the right-of-way secured by the county, work will be started on grading a permanent road-bed for the Highway, and building of bridges and culverts.

This does not mean that a hard-surfaced road will be built, which cannot be done until bonds are voted by the county, but the State Highway Department will locate and survey the most favorable route for Highway 30 through the county and maintain it until some action is taken by the county toward hard-surfacing the road.

Every county traversed by this highway has already made provision for hard-surfacing Highway No. 30 with the exception of Haskell, and it should be but a matter of a short time until Haskell county can do likewise.

HASKELL INDIANS WILL PLAY ROBY HERE FRIDAY

Local Gridders to Face Tough Adversary In Second Conference Game.

The Roby Lions come to Haskell Friday to play the second conference football game of the season. Roby has 14 letter men in the squad and are expected to be tough customers, although the Indians are feeling pretty good over their last two games and expect an easy win.

Coaches Henry and Richey are still putting iron into their men and are also instilling a little lightning into their legs. We are not overconfident but we have strong faith in our team, and faith has won lots of times.

Don't forget tomorrow at 4 p. m. Fair Park.

Indians Rout Sylvester

In the opening conference game for both teams the Haskell Indians romped over the Sylvester high school team here last Friday, winning 41 to 0.

Captain Kimbrough of the Indians was the stellar player, making three touchdowns, one after a 40 yard run and another after a 52 yard run. His six punts of the game averaged 43 1/2 yards. Pittman, Sherman and Leflar also played excellent football.

Sylvester had a fighting team but was handicapped by a shortage of relief men. They held the Indians to 12 points to the end of the first half.

FUNERAL SERVICES FOR C.W. McCOWN HELD HERE SUNDAY

Funeral services for C. W. McCown, age 73, a pioneer resident of this section, were held at Willow Cemetery Sunday afternoon at 3 o'clock, conducted by Rev. I. N. Alvis of this city.

Mr. McCown died Saturday morning about ten o'clock, after an illness of only a few hours, and his death came as a distinct shock to his family and many friends. The deceased had been a resident of the Howard community for many years, and was well known throughout this section, his amiable disposition and kindly character gaining the friendship of all who knew him. The large concourse of sorrowing friends and loved ones at the funeral services, and the beautiful floral offerings attested to the high esteem in which the deceased was held. His death marks the passing of a kind and loving husband and father, a good neighbor, and a friend of all with whom he came in contact, and his going brings sadness not only to his loved ones, but to our entire citizenship.

The deceased is survived by his wife, two sons, L. L. McCown of Wichita Falls, and L. McCown of this city, one daughter, Mrs. J. E. Harwell, and a step-daughter, Mrs. Alice Leatherwood, and two brothers and one sister who were unable to be here for the funeral.

The bereaved family have the heartfelt sympathy of a host of friends in their hour of sorrow.

1905 BALES OF COTTON GINNED HERE TO DATE

Cotton ginnings for the season reached the two thousand mark here Wednesday evening, the ideal weather conditions permitting the gathering of the staple to get under full sway, and for the past week about 125 bales per day have been coming in to the eight local gins.

A total of 1905 bales from the 1929 crop had been ginned here up to Wednesday evening, compared with 1162 bales for the same time last week.

Cotton was bringing from 16 1/2 to 17 1/4 cents per pound, a middling basis, Wednesday, with the price of seed remaining at \$32 per ton.

Officers Drive 2864 Miles In Less Than Six Days to Return Prisoner Here to Face Trial on Burglary Charge

Sheriff W. T. Sarrella, accompanied by City Marshal Henry Townsend of Rule, returned Wednesday morning from Billings, Mont., where they had gone last week to return Ray Carter, wanted here on a burglary complaint, who had been located and arrested in that city.

The trip to the Montana city was made in record time, the two officers leaving here Thursday evening at 1:30, and arriving home with their prisoner on Wednesday morning of this week at 8 o'clock, covering a distance of 2864 miles for the round trip in less than six days.

The officers arrived in Billings at 2:30 Sunday afternoon, and remained there only an hour and a half, starting the return trip with their prisoner at 4 p. m.

The arrest of Carter brought to an end a search which had been made by Sheriff Sarrella and his officers, who had traced the fugitive through New Mexico, Colorado, Washington, Idaho, Wyoming, Oklahoma and Montana, and marks the apprehension of the party of three men who burglarized the J. L. Jones Store at Rule early this year. Two other principals in the case, Darrell Woods and Marvin Hines, have been arrested and are awaiting trial in the case here. Woods was arrested at Fairfield, Texas, and Hines at Altus, Okla. All of the merchandise taken from the store, which consisted of a large quantity of clothing, has been recovered with the exception of one hand bag, and Sheriff Sarrella states that he is reasonably sure of eventually recovering it.

Carter, who is about 24 years of age, was arrested by Billings officers on Wednesday of last week, after he had spent the night in the city of Billings, where he was held in custody until he was taken to the penitentiary at Huntsville.

W. H. Cunningham, a progressive farmer of the Rochester section, was in Haskell Monday on business.

AN ERROR

Errors are always bobbing up, especially around a printing office, which accounts for the hard-learned lesson you'll see on the faces of the force at times shortly after the "boss" has read the riot act to the crew. Which all leads up to the fact that an error appears in the advertisement of one of our good customers, A. J. Josselet, in this week's issue. The signature on the advertisement should read "City Meat Market & Grocery" instead of the Cash Meat Market and Grocery. Read the ad, and bear in mind that this progressive store has moved to the east side of the square, where they're ready to serve you.

City Meat Market and Grocery Now In New Location

The City Meat Market and Grocery, A. J. Josselet, prop., which has been located in the Hudson building for the past year, announce their removal this week to the Jones building on the east side of the square formerly occupied by the Tucker Cafe.

Mr. Josselet states that the new location provides them more room for their large stock of groceries, and will enable them to better accommodate their large number of patrons. They carry a complete stock of staple and fancy groceries, and also operate a meat market in connection with their store, with Hubert Bledsoe in charge of this department.

BURKBURNETT MAN NEW MANAGER OF MANHATTAN STORE

Mr. and Mrs. A. B. Sandler of Burkburnett arrived in Haskell last week and Mr. Sandler has assumed his duties as manager of the Manhattan Store in this city. He is also manager of the Manhattan Store at Burkburnett, and he will divide his time between the two stores, but will probably spend the major part of his time here.

He states that he is well pleased with the patronage that has been accorded the store under the new management since its opening here, and that he is very favorably impressed with our town.

Father of Haskell Man Dies at Home in East Texas

Rev. S. H. Brooks, age 87, father of T. P. Brooks of this city, died at his home in Winnsboro last week, after a lingering illness brought on by advanced age. The deceased was one of the best known ministers of East Texas, having been ordained a Baptist minister in Panola county in 1867. He was a regular attendant at the Baptist Rehearsal Association for sixty-two consecutive years. He served with the Confederate Army for four years.

The deceased was born in Whitefield, Ga., in 1842, and was married to Miss Louise Bennett at Sallis, Sept. 28, 1867. He had a number of friends in this city, having visited his son and family here on several occasions.

Funeral services were held at the Winnsboro Baptist Church, conducted by the Rev. O. J. Robinson, assisted by the Rev. G. W. Langston and Rev. K. R. Isbell. Burial was made in the City Cemetery.

The deceased is survived by the following relatives: His wife, Mrs. H. Brooks, one son, T. P. Brooks of this city, and two daughters, Mrs. H. L. Lourence of Dallas, and Mrs. H. Blumberg of Dallas, and many grand-children and great-grand-children.

T. P. Brooks attended the funeral services, and accompanied his father to Dallas this week, where he will spend some time with his children in that city. He returned to Haskell Monday.

R. L. Lott of this city was a business visitor here Tuesday.

Teacher Training Class Is Being Well Attended

The teacher training class at the Presbyterian Church is in progress this week with a large attendance. Several from Rule are coming to the class and much interest is being shown in the local church.

Miss Hovey of Ft. Worth who is teaching the class on "The Art of Story Telling" is a master in the art, and is a splendid teacher. Few people realize the value of stories in the life of childhood, and the importance of selecting the right kind of stories for use with children of different age groups. This course is one of vital interest to every one dealing with children and young people. It is one of the general units in the Standard Teacher's Training Course as adopted by the Presbyterian church.

Mr. and Mrs. Marvin H. Post and family of Lubbock spent Saturday and Sunday with relatives and friends here.

H. Wehner of Weinert was a business visitor here Tuesday.
