The New Frigidaire
an Aid to Entertaining

Popular hostesses find
their entertaining made
in a most simple manner.

In their Frigidaire, they
find a tray of delectable
and desserts. Refreshing
on every occasion, they are
prepared with a tasty and
refreshing relish.

You will find
it alone worth
the cost of the N.

The new Frigidaire
... a simple way
to entertain.

Company

WHY
Risk Loss
By
FIRE

It's so needless to take a chance
when safety may be purchased at a
few cents a day. Yearly experience
proves the value of Fire Insurance.
The walls and means of the uninsured
contrast vividly with the satisfac-
tion of those compensated for
their losses.

SUNDAY SCHOOL

CUTTING DOWN THE CORRUPT TREE is the subject
to be studied at the Sunday School hour. Many times the Bible
has a parable with a tree. This is a splendid comparison. No
wonder the parable was chosen for this lesson by their fruit. Any
one who has enough intelligence to distinguish a good fruit tree
from a bad one will be able to distinguish a child of God from
one who is not. The fruit of the heart is what we want. We do not want a tree that
we would have to be the fruit on with a strong, but we want a
tree that will bear fruit before us in the very nature. Neither does
the church want members with a mere outward profession, but
members who will bear the fruit of a heart made new by the
power of God. The parable is found in Matthew 23:27-31 and
is a very good one to study.

WORD BATTLE BETWEEN CHINESE AND THE PHARISEES OVER THE
TRUTHS OF GOD VERSUS THE COMMANDMENTS OF
GOD

By this subject we mean the two truths of the Word for
Abraham to offer a sacrifice instead of Isaac was the subject.
That Joseph was sold into Egypt according to the plan of God.
Every step was a link in the chain and God ordered every
link made. By providence we mean that the very hairs on your
head are numbered. Do you believe in a God like this? If not,
you do not believe in the God of the Bible. The difference be-
tween fate and providence is, fate is blind and providence has
eyes.

Laura LaPlante, Noted Film Star, Reveals Secrets of "Silhouette Diet"

Stays Resisting Normal Fatigue Curves For 1930

IT HAS been rumored for some time past but with the advent of the much-discussed new method, generally described as the "silhouette diet," it is finally and definitely an accomplished fact.

The time has come to write it down in the history books for it would be long before the children will wear expressions of incredulity when you tell them about it.

The great feminine scramble to be skinnier is over! The grand passion to look like adolescent members of the other sex has burnt itself out!

And now it can be told, says Laura LaPlante, the vivacious Universal star. Believe it or not, the heartless and widely envied residents of Hollywood have not been living all this time on lemons and tea. They've learned how to keep those highly profitable and softly rounded figures without worshipping at the shrine of the self-torturing, starvation diet fakir.

As unknown to Hollywoodians as chop suey to the Chinese is the so-called "Hollywood diet."

"The flapper hasn't perished," says Miss LaPlante. "Don't make that mistake. An amusing novelty in the beginning and as diverting as a young monkey or a precocious child, she has merely grown up."

And now that she has become a woman, and an unbelievably active woman at that, who goes in for all the sports from diving to golf, she just can't help having those attractive curves that all the dreamy-eyed fellows have romanticized with those amazingly graceful new games.

"Maintaining a healthy and normally slender figure is always a

Laura LaPlante, wearing her usual white chiffon, teamed with her rhinestones.

problem as we shall see. "The matter of diet, which is the key to the whole thing, is the real secret of Hollywood."

problem as we shall see. "The matter of diet, which is the key to the whole thing, is the real secret of Hollywood."

"The first rule of the silhouette diet is that it can be applied to attain the ideal figure, regardless of whether one is too heavy or too thin. The amount of food one takes should be regulated to the requirements of the individual. But whether curves are to be reduced or acquired, the diet must include three definite types of food—heat, energy and regulation. This may be insured by making certain that some of the following are eaten every day:

Simple Rules

"The reasonable thing about a balanced diet is that it can be applied to attain the ideal figure, regardless of whether one is too heavy or too thin. The amount of food one takes should be regulated to the requirements of the individual. But whether curves are to be reduced or acquired, the diet must include three definite types of food—heat, energy and regulation. This may be insured by making certain that some of the following are eaten every day:

"Sugar and starches, among the least fattening of which are fruit sugars and crisp cereals, and bran.

"Proteins, such as fish, lean meat, white meat of chicken, eggs and milk—avoid all fat meats.

"Regulating foods, including celery, spinach, wheat, radishes, cabbage, tomatoes.

"Vitamins, in the form of apples, raw cabbage, lemon, limes, liver, milk, oranges, grapefruit, lemons, pineapples.

"Raisins, of the best quality, being eaten, such as raisins, figs, prunes, dates, apricots, peaches, lemons, grapefruit.

"These three plenty at evening and about an hour or so before going to bed will insure all the real secrets of Hollywood."

MY HUSBAND HAD TO QUIT WORK DAYS AT A TIME SAYS WIFE

"He Suffered For Eight Years But Since Taking Orgatone Hasn't Lost a Day's Work and Feels Fine"

"My husband's condition was getting serious and he just had to quit his work for a day or two at a time, he felt so bad," said Mrs. J. E. Strain, of 2312 Austin Street, Wichita Falls, Texas.

"But since he began taking Orgatone, he hasn't lost a day's work and feels fine and gets up in the morning ready for his day's work," continued Mrs. Strain.

"He had indigestion so bad every time he ate anything he would suffer afterwards. Everything he ate caused an upset stomach and caused

gas to form, which caused his heart and he would have palpitation of the heart and fainting spells. He was very bilious and dizzy at times, would have to hold up from falling. His kidneys bothered him and he would have severe intense pains in his back and sides. Had frequent headaches, and had a bad case of constipation. He tried a lot of medicine but never seemed to get the right one for his case.

THIS WEEK'S NEWS IN CENTER POINT SECTION

Mr. Wilton Kennedy was a visitor here Sunday.

John Bland was carried to Wichita Falls for treatment Friday. We are glad to report that he is improving.

The ball games at school Friday were enjoyed by a host of patrons and pupils. The Post boys won over Center Point in the indoor baseball but Post girls lost to Center Point after a hard game. The score was 28 and 29 in favor of Center Point. The girls were evenly matched and showed lots of training. The Center Point team won over both Styleys teams in basket ball.

Rev. J. C. Parks will preach here next Sunday night.

The H. D. Club will meet with Mrs. W. E. Bland Feb. 14th at two o'clock. Miss Partlow will be there. Everyone is invited who is interested.

Mrs. Joe Davis has been visiting her daughter, Mrs. Lucile Greenway, who is ill with appendicitis.

Mr. and Mrs. Roy Griswold of Post were visiting here Sunday.

Mr. and Mrs. H. B. Bland of Haskell visited Mrs. W. E. Bland Sunday.

CHEVROLET

Greater Beauty - Finer Performance

Never has a Chevrolet car won greater praise for its appearance than the new Chevrolet Six. Its new Fisher bodies reveal in every detail the artistry that has made the Fisher name famous throughout the motor car world. In beauty of line and color, in balance and harmony of design, they represent one of the greatest style triumphs in Fisher history. Upholsteries are richer and more durable. The instrument panel carries a new and more attractive grouping of the control instruments. Seats are wider and deeper. In fact, not a single feature has been overlooked that would add to the comfort and convenience of both driver and passengers.

In addition to its new beauty, the new Chevrolet Six represents a remarkable advance in every phase of performance. Its improved six-cylinder valve-in-head engine has been increased to 50 horsepower—giving faster acceleration, and greater reserve power. Steering has been made safer and easier. Four Lovejoy hydraulic shock absorbers provide exceptional riding comfort. Fully enclosed, internal-expanding, weather-proof brakes give positive braking control. And numerous structural improvements add to the car's dependability, endurance and long life. Come in today and see this car. And remember, it is now available—

The above described flock of 128 White Leghorns, the property of R. H. Davis of Haskell, produced 2389 eggs during the month of Jan. On January 28th they layed 96 eggs. These birds were fed on—

HASCO LAYING MASH AND HASCO HEN SCRATCH

At a Cost of Less than One Cent Per Egg.

These birds layed an average of 77 eggs per day during the month of January when the average temperature was below freezing for the entire month.

Manufactured by home people from Haskell County Products.

Haskell Mill & Grain Co.

"SAVE THE DIFFERENCE"

Poultry Producers Of West Texas

We maintain in this and many other places, a Poultry Buying Station; a place to which you can bring your Chickens, Hens and Turkeys and exchange for Cash. Every business day finds this establishment open and ready to serve you.

In order to be able to buy your Poultry day in and day out, week in and week out, whenever you choose to sell, we are obliged to slaughter and market it as dressed poultry. If we were to ship it all to the consuming centers alive, as some of our competitors do, we would be in-and-out buyers just as they are.

If you feel that it is to your advantage to have available to you at all times a dependable fair-price-paying buyer, patronize us whenever you have Poultry to sell. If, upon the other hand, you prefer to market your Poultry when you can, rather than when you choose, patronize the live buyer, today, tomorrow and the few days of each year that he is here.

We also buy Eggs, Cream and Hides.

WESTERN PRODUCE CO.

Rural Community News Items

LOCAL NEWS FROM CURRY CHAPEL SECTION

Everybody is enjoying a few days of warm weather after a long spell.

Singing here Saturday night. Sunday School Sunday morning and B. U. Sunday night was well attended.

Next Sunday is our regular preaching day. There will be preaching Friday night Sunday and Sunday school. Everybody is invited to come out and attend these services. A few around are having bad colds and some flu.

Mrs. V. Phemister are the parents of a baby girl who was born Monday morning.

Mrs. Frank Spencer and her son visited in Abilene last week.

Mr. Terrel was called to Stamford Saturday to be with a sick child. Mr. Harper is working among the farmers in order of the day.

LOCAL NEWS ITEMS FROM NEW COOK COMMUNITY

Mrs. Ama Taylor entertained the young people of the community at a singing Sunday evening.

Mrs. Kipling of Rule Sunday in the W. A. Taylor school.

Mrs. M. M. Zingery, Mrs. H. L. Bosse, Mrs. G. W. Stanford and Mrs. E. G. Bosse attended a Home Demonstration Council meeting in Haskell Saturday afternoon.

The men of this community have resumed their field work since the weather has moderated.

Hot Bed Construction

Pit—The pit should be dug 18 inches deep, the width depending on the size of the frame. Assuming that we are going to have a two sash 6x3 ft. each frame pit should be 8 feet long, 7 to 8 feet wide and 18 inches deep. When the frame is placed on the manure, the manure will extend beyond the boundaries of the frame. By banking manure around the outer edges of the frame the temperature will be practically the same in all parts of the frame.

Manure—Use fresh horse manure which contains one-fourth part straw or other litter. Fresh horse manure gives off an even temperature. The straw is near the pit. In case the manure is dry moisten it, preferably with warm water. In case of a small hotbed, use a one sash frame, when only a small amount of manure is necessary for the pit. It is necessary to use more manure to heat the bed. Pile the manure in firm beds, otherwise it may not heat, usually two or three days are required. Refill the manure when heated, placing the inside of the pile on the outside and a dry moisture again. In two or three days the manure should be ready for the pit. When putting in the bed pack in layers and firm the corners and edges well. Fill pit level with soil. Sometimes the pit is only filled with manure to within five inches of the surface and then soil.

Hon. Crate Dalton of Breckenridge was in the city this week on business.

Jas. E. Lindsey of Rule was a business visitor in Haskell Wednesday.

Virgil A. Brown, local real estate dealer, handed us his renewal to the Free Press on the street the other day with instructions to keep coming. Virgil knows a good thing when he sees it, and for that reason has been a subscriber for many years.

Herman Bettis, who helps keep up the sales of bicyclets for the Bettis Chevrolet Company, was a new addition to our large family of readers. Herman is a newcomer to Haskell, and is taking the night step in becoming a full-fledged citizen.

J. W. Tidwell, one of the country's most successful farmers, called at our office Friday and gave us his forecast for the year. He Tidwell states that although we do not have the season we should, that land is growing fine, and with seasonal rains he believes we will have a good crop year.

Mr. and Mrs. J. L. Brown of Reno visited in the home of the latter's sister, Mrs. A. J. Wier, last week end.

BESTING NEWS FROM WARD COMMUNITY

Ward Home Demonstration met Feb. 5 in the home of I. L. Bosse. Mrs. Parlow was in charge and gave a demonstration of "Besting of Beds." Only a few beds will be in use in the community this spring, but several more are planning on having one for early use in 1931.

Finance and program committees are enthusiastic over their plans for the pie supper which is given February 11 at 8:30 in the ward school building. The building is located 3 1/2 miles east of Stamford. One of the

J. W. L. Davis, one of our energetic farmers living on Route 1 out of Stamford, is a new subscriber to the Free Press, having placed his name on our growing list of readers last Friday while he was in town.

O. L. Darden of Sagerton was a visitor in our office Wednesday and instructed that the Free Press be sent to him for a year, leaving the correct amount for this purpose, for which he has our thanks.

Mrs. M. C. Schwartz of Sagerton Route 1, one of our good friends and a subscriber for a number of years, called and gave us her renewal Saturday while in the city, for which she has our thanks.

Mrs. J. W. Hawkins of San Angelo is visiting her mother, Mrs. J. S. Boone for a fortnight.

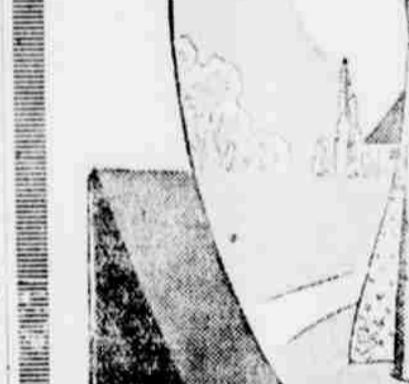

Mrs. Mack Martin and little daughter Grace Ann Martin spent last week end in Anson with relatives and were accompanied home by Mr. Martin's mother, Mrs. Geo. H. Baker, for a short visit.

Mrs. Sallie Davenport of Weinert was a business visitor in Haskell Monday.

Former Citizen of Rochester Buried Tuesday Morning

Funeral services for J. W. Watkins, former citizen of Haskell, died in Rochester, N. Y., were held at the residence of the deceased at 11 o'clock Tuesday morning at 11 o'clock, after which interment was made in the cemetery of Rochester, N. Y. Mr. Watkins was a member of the Methodist church, was a native of Ohio and was a well-known citizen and a willing worker in the Master's cause.

Mr. Watkins died in an Abilene sanitarium early Monday morning from a heart complaint. He had been recovering from amputation of the right hand following an infection in that member.

Majestic ELECTRIC RADIOS AND PHILCO BATTERIES. C. P. WOODSON BATTERY & RADIO SHOP. Phone 1. Batts Gray Bldg.

P. D. SANDERS LAND LAWYER. Perfects land titles. Loans money on farms and ranches and handles Real Estate.

NOTICE

Premature seed of drouthy crop production offers poor germination for planting, poor stands, poor cotton, much time and labor lost and wasted in replanting...

Bring your drouthy seed in now, while we remain open. We are offering \$35.00 per ton in order to assist our growers to plant better cotton another year.

Hurry in your seed, sell while you can get this price, and plant better seed of staple quality. Sorry planting seed of any sort is bad investment for any grower, cotton, corn or wheat.

Magazine Club In National Government Program

The listed program for the Magazine Club of January the 31st in the year book is on National Government and precluded with the quotation, "Everything learned should be lavored with genuine love of country." This program carried the usual interest and instruction plus very unusual enthusiasm engendered into the hearts and minds of those present by the splendid addresses and papers on various phases of the subject. The hostess was Mrs. J. L. Southern who made the room attractive with potted plants and cut flowers; and director, Mrs. U. Fields who spared no effort in taking the program educational. The responses to the roll call on the National Capitol were unanimous on both of the membership and toward that intelligent thought and study had been given the subject. Mrs. Fields then introduced Hon. Bruce W. Bryant who addressed the members on the "Declaration of Independence and The Constitution." Judge Bryant knows government on local to international and possesses an adequate vocabulary conveying his thoughts which made his address pleasing as well as instructive. Mrs. D. C. Bradley followed with a broad and comprehensive talk on "The Treasury Department," that was very fine. Mrs. Bradley knew her subject perfectly as she did not refer to notes. Mr. C. Couch was to have read paper, "The President and His Cabinet," but as she was in Abilene sent in her well prepared paper that showed much thought in preparation and it was read by the director, Mrs. J. U. Fields. The National Government program will continue this week on Friday forenoon at the regular weekly meeting of the club.

Master David Patterson Entertains Half a Hundred of His Little Friends

Quite the social affair of the week is the birthday party given by Master David Patterson. The party was held at the home of Mrs. J. U. Fields. The party was very enjoyable and the children were very happy. The party was held on Friday forenoon at the regular weekly meeting of the club.

Harmony Club Two Meetings

For good reasons the report of the Harmony Club was not given week before last and we take pleasure in announcing both meetings at this time. At the meeting of January 5th, the club met in regular business session with the president, C. L. Lewis in the chair. At the meeting the election of officers for next year was held with the following result: President, Mrs. D. C. Bradley; First Vice President, Mrs. R. Reynolds; Second Vice President, Mrs. A. J. Shriver; Corresponding Secretary, Mrs. D. L. Cummings; Recording Secretary, Mrs. John S. Treasurer, Miss Eunice Huck. The next meeting will be held on January the 22nd. The best program of the year was given by Mrs. J. U. Fields on "National Genius of The American People." A paper on "The World of Music" was read by Jim Bailey. Other papers included "The Negro" by E. H. Eger, Mrs. M. L. Baker on "The New World Symphony" by Frank, Mrs. G. H. Morrison on "De Hoot Oe" by Shirley Dean and Mrs. E. Gaston Foote, pianist, Mrs. O. E. Patterson. The special feature of this interesting meeting was a quartette from the school, that sang several songs, the girls had good voices and this number was certainly enjoyed by all. Members present were: Madames C. L. Lewis, Mrs. E. Morrison, O. E. Patterson, E. Baker, John W. Pao, D.

Scott, J. A. Bailey, E. Gaston Foote, W. C. Williams, R. J. Reynolds, Bert Welsh, John Ellis, H. R. Whitley, Misses Bertha Carmine, Alene Mitchell, Annabel Burt, Edith Foote and Eunice Huckabee.

Sophomores Sponsor Chapel Program Wednesday Jan. the 29th.

The opening of the Sophomore program on last Wednesday week was a fine act play, reported to have been written by one of the members of the class, "Lonan Swallowed The Whale." This was a comedy and was played by Carl Arhucle, Debrail Frazier and Clinton Herrin. This was followed by two songs and dance skits, "I Get The Blues When It Rains" and "Close" by Anita Collier, Wilda Pippin, Lucille Gilstrap and Frances Walling. H. R. Moser of the Morrison Studio then played a piano solo and encore. Kate Darrell then read "I'll Die In Her Front Yard" Elizabeth Gilbert and Annie Maud Taylor then did two clever song and dance skits, "Painting The Clouds With The Sunshine" and "Tiptoe Through the Tulips." These girls also gave readings, "Woman Always An Angel" by Elizabeth Gilbert and "The Dance" by Annie Maud Taylor. The concluding number was a talk on "Scare Crows and Bogger Bears That Do Not Exist" by Rev. M. L. Baker pastor of the First Presbyterian church.

Misses Bess Terry and Mary Sherrill Entertain With Bridge

The reception suite of the Sherrill home was really decorated in pink and white on Tuesday evening of this week when Miss Bess Terry and Miss Mary Sherrill entertained with bridge to the three G. Club. The color scheme was carried out in the refreshments that the hostesses served members of the club who were present. The catered refreshments were very delicious and well prepared. The members of the club who were present were: Mrs. J. U. Fields, Mrs. J. L. Southern, Mrs. D. C. Bradley, Mrs. R. Reynolds, Mrs. A. J. Shriver, Mrs. D. L. Cummings, Mrs. John S. Treasurer, Miss Eunice Huck.

Methodist Missionary Society Hostess To Number of Special Guests.

There were twenty-eight ladies present at the Women's Missionary Society of the Methodist church last Monday afternoon and among them several guests. These were: Mrs. S. W. Scott of San Antonio, past president of the organization and pioneer resident of Haskell; she made a splendid talk on various lines of the work of the society and told of the work in the Republic.

Harper of Knox City. They took a short honeymoon trip and were back in Haskell last Saturday.

Miss Whiteaker has been teaching expression in the Rochester schools and will continue her class there, Mr. and Mrs. Harper will reside in Knox City where the groom is in business. The Sunday School class of the Presbyterian church, of which the bride has always been a member, the W. W. W. Class, mobilized at the Presbyterian Manse last Saturday night and filled a wash tub with beautiful and valuable linens and other articles and then went to the home of the bride's parents, Mr. and Mrs. Whiteaker and the "Gold Dust Twins" Misses Ola and Olive Frazier, presented the laundry to the bride and groom. This occasioned much merriment and after unwrapping and admiring the gifts brought by the class there were games and contests until Mrs. Whiteaker called them to the dining room where sandwiches, cakes and hot chocolate was served. A spirited game in conclusion was telegrams to the bride using letters from the words, "Wedding Bells." Guests present were the honorees, Mr. and Mrs. Jack Harper, Misses Ola and Olive Frazier, Edna and Rachel Solomon, Mary Sherrill, Beatrice Thomason, Lucille Roberts, Dixie and Myrtle Orr, Claude Masey, Mrs. Florence Roberts, Mrs. M. L. Baker and the house hostess, Mrs. J. B. Whitaker.

Presbyterian Auxiliary Meets At The Manse.

For special reasons the all day meeting of the Presbyterian Auxiliary that was to have been at the Manse on last Monday was postponed until next Monday February the 10th. There was the regular three o'clock weekly meeting however and in the absence of the president, Mrs. D. S. Wilson, Mrs. Baker presided and taught the Bible lesson, "Parables in Acts."

Home in San Antonio. Mrs. Morris of Spur, also a one time resident of Haskell and member of the local society, made a pleasing address.

Mrs. Morris is past eighty-one years old but in spirit and knowledge of the times is as young as the youngest. Other guests were Mrs. Geo. H. Baker of Anson, mother of Mrs. Mack Martin and Mrs. H. S. Wilson of the local Presbyterian church. At the appointed hour Mrs. O. E. Patterson played on the organ "Take Thou My Heart" and followed with the year song "Take Time To Be Holy" sung by the society. Prayer by Mrs. P. G. Alexander, Mrs. Fields then presided during the regular business session at which time reports from all officers were made. At this time a communication from Mrs. Morris, Randall of Spur was read in which she urged the ladies to be instant in prayer and meditation on the all important question of the hour, "What Can Be Done For Peace?" The meeting was then turned over to the Superintendent of The Junior League, Madames R. Gaston Foote, C. B. Breedlove, Jim Isbell and W. J. Sowell and their leaguer rendered a good program. The meeting was closed by a prayer by Mrs. F. T. Sanders.

Monday and he present. These present last Monday afternoon were: Madames J. P. Kinnard, E. C. Lowe, L. J. Isham, Albert Graham, Florence Roberts, June Smith, Kate A. Orr, Agnes Ammons and Mrs. M. L. Baker.

Cecil Lancaster Circle of Baptist Church in Bible Study.

The Cecil Lancaster Circle of the Baptist Women's Missionary Society met in the home of Mrs. I. N. Simmons last Monday afternoon in the continuation of their Bible study taught by Rev. J. C. Parks. Prior to the lesson there was a short business period when Mrs. Jim Parks was elected secretary to fill the vacancy vacated by the resignation of the former incumbent. Rev. Parks taught the 8th and 9th chapters of Revelations. Next Monday's lesson will be the two following chapters, 10th and 11th and the meeting will be in the home of Mrs. R. J. Peyton. There were fifteen members Monday afternoon including Rev. Parks. Members present were: Madames Jim Fouts, R. L. Burton, L. C. Parks, Mathis McQuarty, R. J. Paxton, H. M. Whiteaker, Horace Oliver, O. J. Crawford, Ed Fouts, S. A. Roberts, Miss Ida Crawford and hostess, Mrs. I. N. Simmons.

Circles of Christian Aid Society Meet Together Monday.

Both of the circles, numbers 1 and 2 of the aid society of the First Christian Church met jointly in the home of Mrs. Emma Randall last Monday afternoon and held the regular weekly meeting.

Handbags Have Been Made on Next Monday

Handbags have been made on next Monday evening will be brought to the meeting and a new model will be shown. The Handbag Club, Haskell will meet on Monday evening.
