NEWS OF THE WEEK.

NEW ORLEANS, July 12.—Last night at Hogan Avenue, when Mr. George Reddinger attempted to jump from one of the cars of the Lake train, he fell between the wheels and was horribly crushed. The train was stopped and the unfortunate man taken on board and sent to the Charity Hospital, where he died at an early hour this morning. The deceased was about 45 years old.

Last night Mr. Milo Frevert, on one of these trains, was precipitated from the platform and falling between two cars, suffered severe injuries. There was an immense crowd at the West End yesterday and thought trains ran every 10 minutes till midnight they with difficulty brought the multitude of persons home. Sunday morning about 100,000 people were gathered on main and ferry. Thirty trains were run yesterday.

Last night the soap factory of Louis Heesberg, corner of 3d and Howard streets, was totally consumed. Owing to incessant rains, the neighborhood was in an impassable condition, and the factory was burned before the engines could reach it.

NEW YORK, July 10.—Judge Feedman has rendered a decision in the police board middle vacating the injunction of Judge Van Hoesen so as stay of proceedings in connection with the suits filed by the board on acting as judge. The decision is in favor of the police board.

NEW YORK, July 11.—A sub-committee of the grand jury for investigating the seizure of the streets of New York by the mob in 1864. First name, Rae, Engineer Weeks, Bremen Abel, and Superintendent Kirt, were present as witnesses. The session is held with closed doors.

NEW YORK, July 12.—At midnight Dr. Tanner had completed 131 days of his voluntary fast. He was then quietly sleeping. A few hours before his pulse was 36. In the afternoon he had a lecture talk and in the afternoon he took a stroll of thirty-five minutes in Union Square without assistance, and seemed quite strong.

NEW YORK, July 14.—At midnight Dr. Tanner had fasted fifteen and a-half days. In the afternoon he was driven to Central Park. During the drive he drank six ounces of water. Before retiring, he had six drachms of water, and during the day he frequently munched broken ice. He appears weaker and is evidently failing. When he retired at 9:30 p. m., his pulse and temperature were at 78 and his respiration eighteen.

A special to the Tribune from Pueblo, dated Monday, says: There is the worst flood in Pueblo history today that has occurred since 1853. A torrent of water came down with a rush, carrying everything before it. Thirty persons were camping in the river bottom; all escaped but one. The railroad twenty miles from this place is washed out. The river rose eight feet in less than an hour, and emigrants camped along its flood lost nearly everything. The bottom was caused by a cloud bursting.

FOREIGN.
LONDON, July 10.—Lord Roseberry, (liberal) is mentioned as the Marquis of Lansdowne's successor.

LONDON, July 12.—A Paris dispatch says that the idea of immediate peace has been abandoned, and therefore everybody, except the Jesuits, may share in the fête July 14. The Senate has voted a grant of one-half million francs for the fête of July 14 by a vote of 168 to 34.

A Paris dispatch says that Jules Valles has arrived, Henry Rochefort is expected today.

LONDON, July 12.—Scott, Farrow, Rockwell, Brown, Fisher and Clarke, American Rifleman, are now in camp at Wimbledon. The whole team will probably participate in competition for small bore.

LONDON, July 13.—A Constantinople dispatch says: It is understood that Count Hatzfeldt, German Ambassador, will communicate a decision of the Berlin conference to the Porte on Tuesday.

LONDON, July 13.—Gladstone's motion to expedite business in the House of Commons was agreed to. The Standard says Bradlaugh has taken just objection that Mr. Wilmot's parliamentary disqualification bill against atheists has been irregularly introduced in the House.

LONDON, July 14.—At a meeting of the Irish party last night, it was unanimously resolved that Gladstone's amendment limiting the operations of the compensation bill to tenants paying thirty pounds and under, destroys nearly all the usefulness of the measure, and renders it dangerous to the existence of small tenants, by affording funds for the redemption of land.

default, and of those not sentenced to death or hard labor, and of those who have had their sentences commuted. The French government evinces a disposition to suspend the execution of the anti-Jesuit decrees against the other religious orders, until legal tribunals have decided on the case of the Jesuits.

THE attitude of the Porte is warlike. An order has been received at the Imperial gun factory to supply, immediately, fifteen thousand shot and shell for field guns.
