**LOCAL NEWS ITEMS FROM TANNER PAIN**

The B. Y. P. U. of this place went to Pinkerton Sunday evening and rendered a Thanksgiving program. A nice crowd attended and seemed to enjoy our program. Mrs. Alton Wright of Pampa, Texas, is visiting her parents, Mr. and Mrs. Mowell. Miss Lorene Hunt spent Saturday night with Misses Velma and Thelma Yarbrough. The party in the home of Mr. and Mrs. Joe Kelley was enjoyed by a large crowd.

**The Borean Class, "The Class of Southern Hospitality."**

We didn't have such a good crowd at Sunday school last Sunday boys. The girls had as many there as we had. We don't want that to happen any more. Every one be there next Sunday and bring some one with you. You group captains write and phone the members of your group and tell them to be there next Sunday. We had a good program last Sunday given at the opening exercise. Rex Felker gave a reading. He accepted to give it the last minute in absence of the one who was supposed to give it. Elzie Whatley, Jack Bynum, May Free and Dr. Ammons gave a quartet. It sure was good. If you would come to Sunday school you would hear these good programs. It don't cost nothing, you will get lots of pleasure out of it, besides the lesson Mr. Harcrow gives to us. Everyone must be on time to hear the programs and not have to cut it short. The one who gets up the programs don't like to get them up and not give them. The ones who practice their parts don't like to practice for nothing. They come to put it on for you and expect you to be there. The opening exercise starts at 9:30. Be on time.

## Haskell Baptists

9:45 a. m. Sunday School. The average attendance for the past four Sundays is 337. This is good and at the same time we all know that it is too small. It seems that every member of the Baptist church should be in Sunday School. This is our goal, and what a happy day it will be when that goal is reached. We believe that all Baptists really want to attend, but for some reason they cannot get started. Baptists, let's pray for a will power that will be strong enough to make us get up and be in our places at the Baptist Church next Sunday morning at 9:45 o'clock.

11:00 a. m. Preaching service, subject: "BAPTISTS AND WORLDWIDE MISSIONS."

A scriptural sermon on missions will always stir your heart and make you more unselfish. It will give you a higher vision and a stronger love for God. If you have forgotten the importance of this subject, give your mind an opportunity to be renewed. It is the one subject that runs from the third chapter of Genesis to the closing chapter of Revelation. If we lose the missionary spirit, it means that our hearts become cold and we lose our usefulness so far as soul-winning is concerned.

6:15 p. m. THE CHURCH IN ITS TRAINING SERVICE.

We cannot say too much for our B. Y. P. U. work. Dr. Ammons is leading us in a great way. Each Sunday evening at 7:00 o'clock a program is put on by the young people in the main auditorium that no one can afford to miss. Often times it is equal to any preaching service. If you would like to get the full value of the evening service, be in the main auditorium at seven o'clock.

7:15 p. m. Preaching service, subject: "A LIFE AND DEATH MATTER."

We are doing our best not to waste a single service. The evening services are evangelistic. It is a time for deep seriousness as well as entertainment.

THE CHURCH WHERE EVERYBODY IS SOMEBODY

### PRESBYTERIAN CHURCH Nov. 30th, 1930.

All the usual services will be held here next Sunday. The Sunday School beginning at 9:45 a. m. and the Church service at eleven. The evening services will be changed as to time. The Christian Endeavor will meet at 8:15, and the church service will begin at 7:15.

At a meeting of the Session last Sunday a congregational meeting was called for next Sunday morning at the close of the morning service, for the purpose of receiving and passing on the resignation of the pastor, and any other matters that may come up in that connection.

## THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of comfort

and luxury: greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 50-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

Now is the time to change to Germ-Processed oil . . . It's DE-WAXED. That means easy starting . . . and its Penetrative Lubricity means safer Lubrication during the trying months ahead

Is your car hard to start these cold mornings? Let that be a reminder that these are danger months for your motor!

It takes more turning-over to start, and more running to warm-up your motor during the cold months. So now, more than ever, you need the extra protection of this oil with two big cold-weather advantages!

Conoco Germ-Processed Motor Oil is de-waxed to prevent congealing at low temperatures. That's the first reason. Second, its penetrative lubricity insures instant lubrication at the first touch of the starter. By decreasing friction, Germ-Processed oil adds to the ease of starting.

You may be able to buy some other oils

which are de-waxed, but there is only one oil with penetrative lubricity, only one that penetrates metal-surfaces and never drains away from working parts.

It's Conoco Germ-Processed Motor Oil. Ask for it whenever you see the Conoco Red Triangle.

**STAR CAST APPEARS WITH LILLIAN GISH IN "ONE ROMANTIC NIGHT"**

Not since the memorable days of ten years or more ago, when an all-star cast was that and nothing less, has a more distinguished group of players appeared with a star than the one which now supports Lillian Gish in United Artists' all-dialogue picture, "One Romantic Night," showing at the Texas theatre, Dec. 1st and 2nd.

Rod La Rocque, Conrad Nagel, Marie Dressler and O. P. Heggie are some of the noted players assisting Miss Gish in bringing to the dialogue screen the romantic flavor, the sophisticated comedy and the tense moments of drama which characterized the original play by Ferenc Molnar.

Each member of this brilliant supporting cast is a star by virtue of experience and accomplishment and each one has had his or her name emblazoned in electric lights throughout the world.

No other player in the history of the screen has been associated with more great pictures than Lillian Gish, the famous star whose voice is heard for the first time at the Texas theatre in United Artists' "One Romantic Night."

Wherever unprejudiced commentators gather to discuss the worth of films, past and present, the artistic and commercial merit of "The Birth of a Nation," "Intolerance," "Hearts of the World," "Orphans of the Storm," "Broken Blossoms" and "Way Down East" invariably top the list.

In all of these Miss Gish was the central, dominating figure, D. W. Griffith's symbolic figure of innocence persecuted by insurmountable odds.

**THE SKY HAWK**

Adventure on the wing!  
Romance riding high;  
Thrills the gods fling  
Madly across a flaming sky.  
Two hearts soaring heaven's blue,  
Climbing to the seventh celestial ring  
Where demi-gods are circling, too—  
The Sky Hawk is bound to capture you,  
This Movietone will enrapture you;  
'Twill stir up more and more of you,  
Surely pierce the core of you;  
Every throbbing, thrill-blazed fibre will be tingling through and through.  
—Texas Theatre, Dec. 3 and 4.

**PROGRAM ANNOUNCEMENT**  
A son of a great British peer, a fed courage and character, yet the world believed he was a coward,

because of a rash deed. Now, overtaken by a disaster, believed to be permanently disabled, how could he prove he was other than what they believed him to be? But it was a day when red blooded men were willing to gamble with fate! It was John Bardell's day! A day of daring deeds for men inspired!

Two billion people in this world, and only one believed in him—a young girl—inspiration enough for youth!

Just one of the countless breath taking thrills in the First All Talking picture, "The Sky Hawk," a Fox Movietone epic, to be filmed in the air. The talkies' great find, John Garrick is featured, with lovely Helen Chandler and gifted Gilbert Emery under John G. Blystone's direction.

Remember this date, Dec. 3rd and 4th, at the Texas Theatre.

**Midway H. D. Club.**

**LITTLE GIRL, 10, EATS SO MUCH MOTHER AMAZED**

"My 10-year-old daughter had no appetite. Then we gave her Vinol, and now she eats so much we are amazed."—Mrs. W. Joosten.  
Vinol supplies the body important mineral elements of iron, calcium with cod liver peptone. This is just what thin, nervous children or adults need, and the QUICK results are surprising. The very FIRST bottle brings sound sleep and a BIG appetite. Vinol tastes delicious! Martin's Drug Store.

**Painful Condition**

"When I was just a girl at home," writes Mrs. B. F. Riggan, of Baird, Texas, "I took Cardui for cramping and pains in my side and back, and it helped me at that time. After I was married, I found myself in a weak, run-down condition. I suffered a great deal with my back, which was so weak it hurt me to get up or when I would stand on my feet. I fell off in weight. A friend of mine, seeing how bad I felt, advised me to take Cardui, which I did. By the time I had taken two bottles, I felt stronger and better than I had in a long time."
