## Sheriff invites citizens to join association

Responding to the increased number of citizens wanting to assist law enforcement officials and build a stronger partnership in the fight against crime, Sheriff Winston Stephens has announced that Haskell County citizens are being invited to become Associate Members of the Sheriffs' Association of Texas.

Membership invitations will go out in the mail over the next several weeks. Associate Member funding allows the Sheriffs' Association of Texas to provide critical training, technical resources, and legislative support on key criminal justice issues to law

enforcement officers across the state.

In addition, dues will be used to support crime prevention and awareness programs, promote public safety, fight drug abuse, provide additional training for sheriffs and their deputies and provide scholarships for children of law enforcement officers.

Contributions to the Sheriffs' Association of Texas are tax deductible.

"The Association Membership Drive helps provide the funding which is vital to our mission of making our communities safer places to live, work and play," said

Sheriff Stephens.

The Associate Membership Program was created to provide citizens with an opportunity to lend their support to move effective law enforcement and to better help local sheriffs protect the lives and property of citizens.

"During these economic times, the need for building stronger public-private law enforcement partnerships continues to escalate, and programs such as this continue to grow in importance," said Sheriff Stephens. "I encourage every citizen receiving a membership appeal to consider joining forces with us by becoming an Associate Member. It is a valuable investment in our future."

Citizens not receiving

a membership appeal or desiring more information can contact the Sheriffs' Association of Texas at 1601 S. IH-35, Austin, Texas 78741 or [www.tsxsheriffs.org](http://www.tsxsheriffs.org).

Founded in 1874, the Sheriffs' Association of Texas is a 501 (c)(3) non-profit professional and educational organization dedicated to the preservation of peace and the protection of the lives and property of the citizens of Texas. Steve M. Westbrook serves as the Executive Director, Headquarters are located in Austin. The Sheriffs' Association of Texas does not make solicitations by telephone. If you receive a phone call from someone who uses the Sheriffs' Association of Texas name, please report it to your local sheriff or county/district attorney.

## Haskell to register K

Haskell Elementary School will have registration and screening for Kindergarten for the 2015-2016 school year on Tues., May 5. New students not currently enrolled in Haskell Elementary School will be registered and screened from 9:00 to 10:00 a.m. or 1:00 to 2:00 p.m. in the elementary office.

To attend Kindergarten, a child must be 5 years old on Sept. 1, 2015. Only students registering for Kindergarten who are not currently enrolled in Haskell Elementary School need to attend registration with their parents. All students currently enrolled in Haskell Elementary School will be pulled from their class to be screened. Their parents do not need to attend registration.

P.P.C.D. (Preschool

Program for Children with Disabilities) is for children ages 3-5 that may be developmentally delayed in areas such as learning, speech and/or emotional skills. If your child turns 3 during the 2015-2016 school year, you can call the elementary office at 864-2654 at that time to schedule an appointment to have your child screened.

Parents should bring their driver license and their child's birth certificate, immunization record and social security card to registration. Your child will not be able to start school in the fall until we have all these items on file.

It is possible for some children to qualify for more than one of these programs. Call Peggy Adams at 864-2654 if you have any questions.

## Paint Creek to register Pre-K, K

Paint Creek School will hold registration for Pre-K and Kindergarten students for the 2015-2016 school year Wed., April 29.

Pre-K students currently enrolled at Paint Creek need not enroll until fall registration. Please come by the school office between 12:00 noon and 3:30 p.m. to complete needed paperwork.

To attend Kindergarten, a child must be 5 years old

on or before Sept. 1, 2015. To attend Pre-K, a child must be 4 on or before Sept. 1, 2015. Parents should bring their driver's license, and their child's immunization record, birth certificate, and social security card to registration.

If you cannot attend registration, but have a Pre-K or Kindergarten student, please call the school at 940-864-2868 and make arrangements to come at another time.

## Rule ISD sets Pre-K, K registration

On Thurs., April 30, registration for Rule ISD pre-k and kindergarten will be from 2 to 3 p.m. in front of the superintendent's office.

Children who will be 5 years old on or before Sept. 1 may attend kindergarten in the fall, while pre-k students must be four years old by that time. This registration is to complete paperwork, so it is not necessary that prospective students attend with their parents. Parents of students already enrolled in Rule ISD do not have to attend.

Each student needs:

1. An up-to-date immunization record,
2. Social security card,
3. Official birth certificate from the court house and
4. The parent's driver's license.

If you cannot bring these, please attend anyway, but all four things will be needed before the child starts to school in August.

If you cannot attend, and your child will be attending Rule ISD in the fall, please contact the school (997-2115, 997-2246, 997-2521) so arrangements can be made to meet with you another time. It is important that this is done before school dismisses in May, if possible.

## Football game to help raise funds for Seeliger family

West Texas Scorpions and the West Texas Drillers. The Scorpions, based in Abilene, and the Drillers, based in Midland, are part of the Minor Professional Football League. All proceeds from the game will go to help the family as they try to recover from this devastating loss.

## 150 attend Josselet reunion

150 descendants of Victor and Catherine Josselet attended the reunion April 4. As registration began relatives begin to gather and visit to talk about happenings since last reunion. A bouncy house provided entertainment for the children.

At 12:00 noon after a prayer by Steve McGuire, the family enjoyed a delicious meal consisting of steak, pinto beans and many other side dishes and desserts brought in by family

members.

After the meal the youngsters went out for an Easter egg hunt while president Cory Green called the business meeting to order. Robbie Drinnon read the minutes from the 2013 gathering.

Shannon Sanford Livingston delivered a memorial for those who are no longer with us. A representative of each family member lit a candle of remembrance. Livingston

then read a poem.

Monty Moeller gave a report about the families who have received the 100 year land heritage recognition. Five families have received the recognition and more are expected.

Lucille Toliver Pickering spoke about the house that Victor and Catherine had in Haskell for the family to live in while attending school and church. She asked that if others had stories, to tell them so they would be part of the heritage.

As part of the business Cory Green asked for the oldest man present. Floyd McGuire had the honor. The oldest female was Berta Mae Thomas Carroll. The youngest child was Tatum McGuire, daughter of Cliff McGuire. Brenda and Rick Ehlers, daughter of Buster Medford, travelled from Ohio to have come the farthest.

The family voted to have the next reunion, April 15, 2017 at the Civic Center in Haskell.

Newly elected officers include Monty Moeller, president; Shannon Sanford Livingston, vice president; Robbie Drinnon, secretary/treasurer; Julia Harrell, historian; and Cathy Bartley, reporter.

## Haskell's one act play wins at district contest

by Caron Yates

After many hours of memorizing lines, working on sets and dress rehearsals, the Haskell High School One Act Play was named a winner at the district contest.

At the district contest, held at Stamford High School, eight plays competed for a chance to advance to the next level. HHS teacher and play director Melissa Tatum, now in her eleventh year of directing, was very pleased with the students and their performance. Tatum said, "I am very proud of these students, they have put in an extreme amount of time on the play, after school and after all of their other activities." She has been assisted by Dorothy Hollingsworth for three years.

This year's play, "The Phony Physician," by Thomas Hischak, had a cast of eight characters. They include Ryan Pace as Skelly, Alye Stewart as Mavis, Garret Tatum as Stanton, Pryce Stewart as Hugo, Henry Smith as Mr. Garvey, Makenzie Gass as Judith, Hannah Foster as Lucy and Kadin Seeliger as Lewis.

The crew/alternates, who spend equally as many hours in preparation are Shady Dunlap, Alannah Luce, Sarah Fouts and Daphini Leonard. At the district performance, Ryan Pace, Henry Smith and Makenzie Gass were named to the All Star Cast, while Sarah Fouts received a Technical Award.

The University Interscholastic League changed the levels of advancement this year. Bi-district was added, making the rankings zone, district,

bi-district, area, regional and state. Also new this year, three schools advance to and out of the area competition.

The bi-district competition took place in Sundown on April 11. Six plays were performed, and Haskell's play was named

alternate to the area level of competition. Pace was named Best Actor, Alye Stewart was chosen for the All Star Cast and Gass received Honorable Mention recognition.

Congratulations to these actors, directors and crew on earning top honors this year.

## Herring receives award

For the second year in a row Carolyn Herring, representing the Haskell Sonic Drive-In, has received recognition from the Moore/McCans Sonic Organization by being awarded the Local Store Marketing Award.

Leon and Carolyn Herring recently returned from the annual Moore/McCans Sonic Convention held at Southlake. The Haskell Drive-In is part of a large Sonic group which stretches east into Louisiana. A friend, Brandon Sheffield from Longview, was also recognized with the Local Store Marketing Award.

The Haskell Sonic's approach to marketing has always included a personal touch, along with friendly service. It may be passing out coupons in businesses, supporting community activities or even taking a Sonic drink to someone not

expecting it, but Herring wants customers to know they are appreciated.

After almost twenty years, she still enjoys being part of the Sonic Drive-in team, working along side the crew and manager Randy Phelps. Phelps took over as manager in 2012, after Leon Herring retired.

## Foreign persons must report US agricultural land holdings

The Executive Director for the U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) in Haskell County, Shawn Ferguson, reminds foreign persons with an interest in agricultural lands in the United States that they are required to report their holdings and any transactions to the U.S. Secretary of Agriculture.

"Any foreign person who acquires, transfers or holds any interest, other than a security interest, including leaseholds of 10 years or more, in agricultural land in the United States is required by law to report the transaction no later than 90 days after the date of the transaction," said Ferguson.

Foreign investors must file

Agricultural Foreign Investment Disclosure Act (AFIDA) reports with the FSA county office that maintains reports for the county where the land is located.

"Failure to file a report, filing a late report or filing an inaccurate report can result in a penalty with fines up to 25 percent of the fair market value of the agricultural land," said Ferguson.

For AFIDA purposes, agricultural land is defined as any land used for farming, ranching or timber production, if the tracts total 10 acres or more.

Disclosure reports are also required when there are changes in land use. For example, reports are required when land use changes from nonagricultural to

agricultural or from agricultural to nonagricultural. Foreign investors must also file a report when there is a change in the status of ownership such as the owner changes from foreign to non-foreign, from non-foreign to foreign or from foreign to foreign.

Data gained from these disclosures is used to prepare an annual report to the President and Congress concerning the effect of such holdings upon family farms and rural communities in the United States.

For more information regarding AFIDA and FSA programs, contact the Haskell County FSA office at (940) 864-2617 opt. 2 or visit the USDA website at <http://www.usda.gov>.

## Indians baseball

### Indians collected six hits, but they fell 9-3 to Albany at Haskell April 6

Garret Tatum paced the Tribe at the plate. Tatum went 1-3, drove in one and scored one run. He singled in the second inning.

Albany's Faith, Coronado, Colter and Adam Faith combined for six hits and four RBIs.

It didn't take long for the Indians to respond as they scored one run of their own in the second, on a steal of home by G. Tatum.

The game's last lead went to Albany thanks to a third inning rally that saw two runs cross the plate on an RBI single by Fuentes.

Albany increased its lead

with two runs in the fourth. A clutch ground out scored Neece to open the scoring in the frame. That was followed up by Hamilton's single, scoring Faith.

Albany piled on three more runs in the top of the fifth. An error scored Colter to start the scoring in the inning. That was followed up by Faith's single, bringing home Brandon.

After pushing across two runs in the bottom of the fifth, the Tribe faced just an 8-3 deficit. A RBI single by Rocky Haggard and a sacrifice fly by G. Tatum gave the Indians some life. Albany stopped the rally after Colter got Alec Roewe to ground out.

Freshman Rocky Haggard was 2 for 3 with an RBI.

### Indians beat Eula 16-1

The Tribe jumped out to an early lead on Eula and captured a 16-1 victory on Fri., April 10 at Haskell.

Fourteen runs in the first three innings allowed the Indians to put the game away early.

A RBI single by Alec Roewe, a walk by Kade Colley, a RBI single by Kellen Parks, a RBI single by Henry Smith, a RBI single by Finn Goette, a two-run single by Ryan Pace, a groundout by Kadin Seeliger, and a RBI single by Garret Tatum in the first inning and a groundout by Pace and a two-run single by Tyler Hoover during the second inning, helped the Indians put some runs on the board early.

Pace racked up three RBIs on one hit for Haskell.

Roewe got the win for the Tribe thanks to eight strikeouts. Roewe allowed one earned run on three hits and three walks over five innings.

The Indians easily handled Eula pitching as six hitters combined for 10 hits, nine RBIs and 12 runs scored.

Cauthen took the loss for Eula. He allowed nine runs in two-thirds of an inning, walked four and struck out none.

After a quick strike from Eula, Haskell responded with two runs in the third. The Indians scored on a groundout by Caden Tatum and a passed ball.

## Maidens softball

### Maidens shut out Albany, 4-0, in second half of district

The Haskell Maidens defeated the Albany Lady Lions, Mon., April 6 at Haskell, 4-0. Haskell pitching held Albany scoreless with a combined 9 strikeouts and 2 hits. Leftfielder, Krysta Winegeart caught five flyballs, and infielders Jacey Klose, Kelsey Guzman and Laura Fuentes combined for a double play in the third.

Offensive highlights included Breezy Gibbs hitting 2 for 2, Ashlyn Bevel and Guzman hitting 2 for 3, and L. Fuentes getting a double and sacfly for a total of 3 RBIs.

### Maidens defeat Eula, 8-2, in 7 innings

The Eula Lady Pirates always give the Maidens a good game on their home diamond. This was no exception. Both opposing pitchers tossed over 100 pitches each in a battle to the end. The Maidens scored 1 run in the first, and the score remained 1-0 until the Maidens scored 3 runs in the fifth, and another in the

sixth. Eula hung in there, scoring their only 2 runs in the bottom of the sixth. The Maidens entered the seventh on top 5-2. Jacie Klose was the first batter in the top of the seventh. She fouled off a Maiden record of 15 foul balls in a single at bat and ended up hitting a double to leftfield with a full count. That is an amazing "quality at bat." Ashlyn Bevel reached base all 3 at bats with an error, a single and a double with 1 RBI. The Maidens collectively had 12 hits, 2 walks and 3 strikeouts.

Laura Fuentes was a workhorse on the rubber for the Maidens. Fuentes, celebrated her birthday allowing only 2 earned runs, 6 hits, 3 walks while striking out 5 over her 7 innings of pitching.

Haskell faces Hawley at home on Tuesday at 5 p.m. in a highly anticipated rematch which went to extra innings in the first round. The Maidens are 10-0 in district, and Hawley is 9-1, with their only loss this season thus far to Haskell.
