FORTY-FIFTH YEAR

BEAUTIFUL YARD CONTEST AWARDS ARE ANNOUNCED

Haskell's second annual Beautiful Yard Contest inaugurated this week, and entries are now being received by members of the committee appointed from the two local service clubs, the Lions and Boneheads. Plans under which the contest will be staged were worked out the first of the week, and already a number of entries have been received, and the number of entries is fair to exceed the large number entered last year. Rules governing the contest are similar to those prevailing last year, though not as many group classifications will be in effect for this year's contest. The list of awards also smaller than last year, but have been divided so as to allow fitting recognition for all improvement shown by entrants in the contest. Prizes to be awarded in this year's contest will be as follows: First Prize—\$12.50, and \$3.50 worth of nursery stock. Second Prize—\$7.50 and \$2.50 worth of nursery stock. Third Prize—\$5.00 and \$2.00 worth of nursery stock. The next best five entered will give prizes of \$3.00 each. Supplementing the above list, a prize of \$10.00 and \$2.00 worth of nursery stock will be given the contestant whose yard shows the greatest improvement during the contest. All entries must be made not later than Saturday May 6th. No charge is made for entering, the contest being open to every resident of Haskell, whether a property owner or not. Entries may be filed with any of the following committee members: F. L. Daugherty, J. L. Hobbs, J. U. Fields, E. C. Hunter, L. Burton, Jason W. Smith or Roy Menefee, who will also gladly furnish any additional information desired regarding the contest. A complete score card, showing all points on which prize-winners will be judged, will be printed next week.

EVANGELIST B. B. CRIMM TO CONDUCT REVIVAL MEETING IN HASKELL

Evangelist B. B. Crimm will begin a revival meeting in Haskell on Thursday night, May 7. This evangelist is well known throughout this section as he has conducted revivals in a number of surrounding towns. In fact Rev. Crimm is one of the best known evangelists in the South. For seventeen years he has given his time wholly to this work and is considered one of the most successful men of recent years. He is often spoken of as "God's greatest stick of dynamite" on earth today. Perhaps this expression comes as near describing the man as any other that could be used. Mr. Johnnie Cohen is Rev. Crimm's co-worker and singer. Evangelist Crimm believes in having the best and you will agree that he has secured one of the best singers that money can secure. Mr. Cohen is always given an important place on the programs of south-wide gatherings. His ability as a singer is recognized throughout the land. He is deeply consecrated and a splendid worker among the young people. He will bring blessings to the youth of our town that will follow them to their graves. The young people can come to the assistance of this man and there will never be a cause for any disappointment. This revival will not be a denominational meeting. The party is coming without an invitation from any church. It will be known as "The Crimm-Cohen County-Wide Revival." These men are coming with their faith in God and His people. They come seeking the co-

Colored Minister Writes About Conditions Here

On behalf of the colored people of Haskell, will say that we have been in Haskell about three years, and we must say that it is one of the best towns in west Texas. It has some of the best white people on earth and the best ministers of the gospel, in the persons of Rev. H. R. Whatley and Rev. E. Gaston Foote and others. It is our desire to see a better class of colored people come to Haskell—the class that will make our church and schools better. We only need one negro community in the town and at the present time the better class are being scattered in three different sections. If all the negroes were located together it would be better for us all—we could have one good church, one good school, located near each other. We believe that a change in our school would be beneficial along many lines. We ask that our white friends aid and assist us in every way possible to make the living conditions and our school and churches better for the colored people. This would assist in securing a better colored population and make Haskell a better place in which to live. Rev. G. D. Gee, (Colored) Haskell, Texas. Editor Sam A. Roberts and S. A. Hughes made a business trip to Amarillo and the North Plains this week. Miss Maxine Simmons of this city was a visitor in Stamford Sunday afternoon. Sheriff Joe Crawford and Deputy Mr. Booth and Ed Persons of Cleburne are attending court here this week. D. S. Shade, representative of the Graham-Brown Shoe Co., Dallas, is transacting business in our city this week. Hon. Raymond Odell of Throckmorton is attending court here this week. Sheriff Tom Hudson and Deputy Sheriff Sanders of Anson attended court in Haskell, Tuesday.

FUNERAL SERVICES MRS. J. K. QUINN HELD SATURDAY

Funeral services for Mrs. J. K. Quinn, 81 years of age, were held at the First Methodist Church in this city Saturday afternoon at 3 o'clock conducted by Rev. E. Gaston Foote, pastor. Interment was in Willow Cemetery beside the body of her husband, who died July 17, 1928. Mrs. Quinn passed away at the home of her son, A. G. Quinn of Long Beach, Calif., on Monday April 20th, following a brief illness. About two years ago deceased had suffered a stroke of paralysis, from which she had never fully recovered. Prior to the death of her husband, Mr. and Mrs. Quinn had resided in Haskell for several years, and were widely known here, and news of her death brought sorrow not only to loved ones but to a large circle of friends and acquaintances. Deceased is survived by five children: F. L. Daugherty of this city; A. G. Quinn, Long Beach, Calif.; Mrs. John Hicks, El Paso; Mrs. Minnie Bragg, Houston; and J. L. Quinn, Tuxline, Texas. Honorary pallbearers were: I. S. Grindstaff, R. J. Reynolds, B. Cox, R. C. Montgomery, T. J. Arbucl and Courtney Hunt. Active pallbearers: O. E. Oates, O. E. Patterson, R. C. Couch, John A. The civil docket will be taken up Monday, with all the Morton Estate cases set for trial on that date. Hon. W. R. Chapman of Abilene, judge of the 104th Judicial District, will preside during the week. Elated Over Reception Given The Manhattan. Carl Pearman, genial owner and manager of The Manhattan, successors to Davis Economy Store, is highly elated over the reception accorded the opening of the store under the new management last week. Mr. Pearman states that his store was crowded with customers on Friday and Saturday in response to the advertising last week by circulars and through the Free Press of the change in ownership of the store. In fact he states that on both days his store had the largest number of customers he has ever had in Haskell—and that's saying a lot, for that guy "knew his onions" when it comes to "getting people in his store and through into the market of buying. Ithell-Burton Motor Company, dealers in this section for the Dodge automobile, report the sale on last Saturday of a new Dodge six sedan to Mr. Dolly Meyers of Tarrant, Texas.

HALF INCH RAIN OVER THIS SECTION DURING THE WEEK

Rain which has been general over practically the entire state since the first of the week, has added materially to the prospects for bumper crops throughout West Texas, according to newspaper dispatches. This section received a good soaking by intermittent rains which began falling Tuesday night, continuing Wednesday and Wednesday night. A total precipitation of over one-half inch was received here, the official government gauge kept by Mrs. F. D. Sanders showing a fall of .55 inches up to Thursday noon. Other sections in this immediate territory received varying rainfall, the heaviest being to the east and northeast according to reports. The rainfall will be of great benefit to grain crops and ranges, and will likewise enable farmers to start their spring planting in dead earnest, with an abundance of moisture in the ground. Earl Kennedy who has been in Haskell for the past six weeks has returned to his home in Vernon. Mr. and Mrs. E. F. Brimmer and Mr. and Mrs. R. J. Patton spent the week-end in San Angelo.

Ford Factory Doctor Pays High Tribute To Sargon's Powers

"Sargon is one of the most powerful strengthening, reconstructive tonics and body builders I have known in the 30 years I have engaged in the practice of medicine," declared Dr. P. K. Drummond, for 12 years factory physician at the Ford Motor Co., Detroit, who was retained to examine the formula "At this season of the year, especially, people who are in a run-down condition, due to simple anemia, thin, watery blood, poor digestion or elimination, should benefit richly from the Sargon treatment." Dr. Drummond's straightforward endorsement of Sargon is typical of the unstinted praise it has received from scores of other outstanding physicians and explains why Sargon is having the largest sale of any tonic medicine of its kind in the world today.

SOCIETY and Club

The Helen Bagby Circle.
Mrs. R. J. Reynolds was hostess of the Helen Bagby Circle Monday afternoon. The meeting opened by singing a hymn with Mrs. Robert Taylor at the piano. Mrs. Taylor gave the devotional, Psalms 37th chapter. Also the opening prayer. Minutes were read by Mrs. Sadie Payne. Mrs. Cates was then selected as reader of our circle owing to the recent illness of Mrs. John Couch. She decided to honor our "Pala" the last of May with a picnic. We then took up the study of our new book, "The Larger Stewardship" and Mrs. Reynolds taught us the first two chapters, closing with prayer by Mrs. Reynolds. We will meet next Monday with Mrs. Sadie Payne. We urge every member to be present and study this great book with us. Study to work yourself approved unto God a workman that needeth not to be ashamed, rightly dividing the word of truth, II Tim. 2:15. We had one visitor, Mrs. Davis from the east. Those present were Mesdames C. Cates, J. H. Everett, J. E. Robertson, J. P. Payne, K. D. Simmons, L. P. Taylor, Mrs. Davis and the hostess, Mrs. R. J. Reynolds.

to be in the Methodist Sunday School from the beginner department up, to come next Sunday, May 3rd. But for the baby roll and the beginner's department we appeal to the parents to bring or at least send your children. In the beginners department they are carefully and painstakingly taught to give systematically, to be self-reliant, this by doing every thing for themselves and each other that they can. Low hat racks enable them to hang up their own hats. Toys and working material are in easy reach of little hands. The boys and girls pass out the papers, or anything to be used. Appropriate songs are sung each week. Aside from the general lesson, a theme is used regularly. Helping at home, being kind to playmates, and for the past three weeks, prayer in the home, we have insisted in getting reports on this. And last but not least during the 11 o'clock hour the children remaining for church are directed in play and worship alternately. Won't each of you see that your little boy and girl is in Sunday School next Sunday. This is a letter to each of our little folk—From: Mrs. Sowell, Mrs. Mulkey and Mrs. Kaigler.

Bridge Party.
Among the smartest social affairs of the spring season was the lovely bridge party given by Misses Madeline Hunt and Lewis Manly in the home of Mr. and Mrs. Courtney Hunt last Wednesday afternoon, April 22. After the report, the retiring president, Mrs. Murchison, gave her farewell address. Altogether the Magazine Club has had a successful year and have lived within their income. Mrs. R. C. South Ward P. T. A. Extends Thanks.

The Zander-Gump Wedding given at the high school last Friday night could not have been a success had it not been for the many business people who took part. We take this method of thanking all who in any way contributed to the success of it. Especially do we want to thank Mrs. Kaigler, the faithful and untiring director, Mrs. O. E. Patterson, the pianist, the Haskell High School Band, and each individual who had a part.

FIFTEEN YEARS

Fifteen years ago tomorrow we landed in Haskell as the new owner and publisher of the Haskell Free Press. The town did not look as good then as it does now, but we had faith in the town and community and believed that it had a future—this faith caused us to invest practically every dollar we could call our own—fifteen years spent in watching the growth and progress has not dimmed our enthusiasm, neither has it dwarfed our sense of appreciation for what Haskell has done for us. The old town has been good to us in more ways than one—we have made a decent living and have had lots of fun doing it—we have made many friends—and a few enemies. But, back to what we started to say in the first place. Some of us may not realize the progress Haskell has made during these fifteen years, we have been busy with our own affairs and have not taken time to look back—but Haskell has exactly doubled in number of substantial brick and rock business buildings during the past fifteen years—and this does not take into consideration the number that have been rebuilt or repaired—nor do you have to count the filling stations—which are too numerous to mention. The resident section has kept pace with the business section in new construction. Now we believe that these two items are good evidence that Haskell is growing, when we taken into consideration that we have not had a boom of any kind to cause construction of new buildings and the natural progress of this section alone has been the deciding factor in its development.

Instead of our faith in Haskell diminishing during our residence here—it has grown stronger with each succeeding year and our hope is that we will be privileged to publish the Free Press for many more fifteen year periods, and the experience will be just as sweet, and the days just as happy as they have been in the past fifteen years.

Place Your Meal in the Oven Then You're Free for the Day

Haven't you many times wished that you could leave your kitchen responsibilities and squander a happy afternoon doing just the things you really want to do? Surely you have, for in this progressive and enlightened day modern women have so many important demands upon their time.

Electric Cookery offers the perfect solution to this crying need for greater freedom, for with an electric range in your home you merely prepare your meal at any convenient time—place it in the oven—set the automatic time and temperature controls and forget the actual cooking. At just the proper moment the heat will be turned on—the regulator will maintain the correct temperature, and you'll return home to a perfectly cooked meal.

Electric Cookery is indispensable to the modern homemaker. Investigate its many advantages and superiorities today.

Program For Week of May 4-9

Celebrate Music Week by seeing NEW MOON, entire program for week exceptionally good. If you liked CIMARRON, you will more than like BILLY THE KID.

Monday and Tuesday

Lawrence Tibbett and Grace Moore in "NEW MOON"

Wednesday and Thursday
JOHN McCORMACK in "SONG O' MY HEART"

Friday and Saturday

John Mack Brown, Wallace Beery, Kay Johnson in "BILLY THE KID"

Harrison, premier reviewer, says: "NEW MOON" is an excellent picture for high class audiences, who appreciate good music. Lawrence Tibbett and Grace Moore, both of whom are artists connected with the Metropolitan Opera Co., sing wonderfully, one is held entranced by the beauty of their voices. "SONG O' MY HEART," a gripping picture from Old Ireland, great singing. "BILLY THE KID" is an entertaining western, thrilling and suspenseful. The scenes are very effective and beautiful, the story is more than interesting.

"BILLY THE KID" KING VIDOR'S EPIC TALKIE OF OLD WEST

King Vidor, famous for "The Big Parade," makes another excursion into historical romance with the talking picture of "Billy the Kid," which will be shown Friday and Saturday at the Texas Theatre.

An imposing cast personifies the various historical characters in the new Metro-Goldwyn Mayer production, including John Mack Brown, last seen in "Montana Moon," who has the title role; Wallace Beery, who scored in "The Big House" and "Way for a Sailor," as Sheriff Garrett; Kay Johnson, featured in "Dynamite" and "Madam Satan," in the feminine lead, and Karl Dane as a comic cowhand. Supporting roles are played by Wyndham Standing, Russell Simpson, Blanche Frederici, Roscoe Ates, Warner P. Richmond, James Marcus, Nelson McDowell, Jack Carlyle, John Beck, Marguerita Padula and Aggie Herring.

The picture was adapted by Wanda Tushock from the noted story by Walter Noble Burns, with dialogue by Laurence Stallings and Charles MacArthur.

In depicting the vivid career of Billy the Kid on the screen, it was Vidor's intention to recreate the "last stand of the wild west," namely, the famous Lincoln County cattlemen's war which centered in Lincoln, New Mexico. That truth is stranger than fiction was ably demonstrated in the exciting incidents which make up the historical narrative of the twenty-one-year-old outlaw who bore the reputation of being the most dangerous man in the west.

Among the adventurous occurrences which take place during the Donovan-McSwain feud are the cold-blooded murder of Tunston on his wedding day; the subsequent revenge upon the part of The Kid; the three-day siege in the McSwain home, which ends in the burning of the house; the pursuit of "The Kid" to his hiding place in a mountain cave and his capture; his subsequent escape; his meeting with General Lew Wallace and his final capture.

Picturesque scenes of the Grand Canyon, mountain peaks and wide prairies with their huge herds of cattle, form an inspiring background for the fast moving story, which takes its place with such unforgettable historical narratives as "The Birth of a Nation" and "The Covered Wagon."

Joan Irby visited relatives here the past week-end.

Cole Menefee and family from Wichita Falls spent a part of the past week with his mother, Mrs. Sloan and brother, Emory Menefee.

Plant Qualla COTTON SEED

Why?

FIRST—Because it has the Staple.

SECOND—Because it has the lint turn-out at the gin.

THIRD—Because it is adapted to this County, and this section of the territory.

FOURTH—Because you can pick 1200 to 1800 pounds of lint, and get a 500 pound to 525 pound bale at the gin.

FIFTH—Because staple cotton will find a ready market where short cotton will drag and be hard to sell.

We have several tons bought from men last fall who raised Qualla Cotton from pedigreed seed and is second year seed here.

Be convinced by asking the men who grew Qualla Cotton last season, and get their opinion, verify the above five points. Our price is \$1.00 per bushel at warehouse or \$1.10 per bu. for good note. See us before buying your needs. See—

Bilious, Dizziness, Drowsy, Febrile

When I was a child, if I did not feel well, or if I had a cold, my mother gave me Black-Draught. It was a very good medicine, and I have used it many times since. When I was married, it became a family medicine in my own home, as it was in my mother's.

If I take it for headache and especially for constipation. When I get indigestion, my skin gets dry, and I have a very bad taste in my mouth, and a drowsy feeling all during the day. My eyes are sore, and I get dizzy, as my head is swimming. When I take Black-Draught, it seems to drive the impurities out of my system, and I feel fine. I can seldom visit without this reliable remedy.
