## KTAB on the Road visits Haskell

**MAKES DONATION**-Haskell FFA members held a cow patty bingo contest during the KTAB on the Road event Tues., July 19. The contest winner received \$250. The other half of the earnings \$250 was donated to Keep Haskell Beautiful Scholarship fund. FFA member Kenna Ferguson made the presentation to Keep Haskell Beautiful representatives, Christina Isbell, center, and Nicole Buchanan, right.

**CORNHOLE WINNERS**-Winners of the Cornhole tournament, sponsored by Keep Haskell Beautiful, during the KTAB on the Road event Tues., July 19 were, second from left to right, Riley Meinzer and Tyke Meinzer, who tied for first place with Mark Thane and Heath Pinkerton. Twelve teams played in a double elimination game. Prizes were presented by Tammy Cunningham, left, and Christina Isbell, far right, both representing Keep Haskell Beautiful.

**CORNHOLE CONTEST**-Keep Haskell Beautiful sponsored a Cornhole Tournament during the KTAB on the Road event Tues., July 19.

**KTAB ON THE ROAD**-Folks enjoyed the festivities held under the pecan trees during the KTAB on the Road event held Tues., July 19 on the courthouse grounds.

## Rising Stars basketball camp set

The 2016 Rising Stars-Maiden Basketball Camp will be held Tues., Aug. 2 through Thurs., Aug. 4.

Incoming third-sixth grade will be from 9:00 a.m. to 12:00 noon. Incoming seventh-ninth graders will be from 1:30 to 4:30 p.m. at the Haskell High School

gym. Incoming first-second grade will be from 5:30 to 6:30 p.m. at the Haskell Elementary gym. Cost is \$25.00.

Whitney Swinford will be hosting a camp on the same dates for Incoming ninth-twelfth grade from 6:30 to 9:00 p.m. at the

Haskell High School gym. Cost is \$40.00.

For more information, call Blake Eddleman at 940-249-3111 or check the Haskell Athletic Website or the Haskell Athletic Boosters Facebook page. In addition, camp forms may be picked up at Sport-About.

Food, Fun and Folks could be found on the Haskell County courthouse lawn Tuesday, July 19, as KTAB on the Road broadcast their news from Haskell.

Haskell was the second stop for the KTAB on the Road during the week of July 18-22. The week also included newscasts from Albany, Eastland, Sweetwater and Abilene. KTAB news has for several years, highlighted towns in their viewing area. In fact, Haskell was one of the chosen towns four years ago.

News personalities Bob Bartlett, Brittney Pelletz, Sam Nichols and David Robinett interviewed several Haskell citizens and business owners, who did a wonderful job promoting our town. They also conducted a variety of games with winners receiving prizes.

Around the courthouse local businesses and organizations set up games and attractions for the large crowd to enjoy. Among them, Keep Haskell Beautiful held a cornhole tournament, NOAH Project did face painting, Haskell County 4-H led pony rides, Haskell FFA played cow patty bingo and Haskell Heroes and Haskell Athletics manned a dunking booth and giant Jenga. The Haskell Chamber of Commerce and the Development Corporation of Haskell led the sponsorship, as well as served root beer coke floats.

An event such as this, as the KTAB personalities repeatedly pointed out, would not be possible without the sponsors. Modern Way furnished all the food and drinks, while Haskell Feeds,

First Bank Texas, and Haskell County Realty also helped sponsor the function. Our local and area businesses have a long-standing history of generously supporting the many fund-raisers, functions and events that take place throughout the year.

Speaking on behalf of the sponsor businesses were Sammy Bitner, Terry Weise, Jamie Ferguson, Scott Bearden, Bridget Guess and Rhonda Lisle. In addition, several citizens and other business owners were interviewed on air, including Michele Fellenbaum, Glenda Gayle Rutkowski, Bill Steele, Tim Judd and Sam Toliver, all with very enthusiastic things to say.

John Rike gave a brief history of Haskell, Christina Isbell spoke about the Keep Haskell Beautiful project, Jill Druesedow represented the city, and Chase Gibson and Lane Burson were featured on the sports news.

Throughout the 4, 5 and 6 p.m. newscasts, Haskell was very positively depicted as a thriving, energetic and loving place to live, raise your children and operate a business. Although not always in the exact same words, when asked "Why do you live and work in Haskell," the overwhelming answer was, "it's home." Even those who were not raised here, but make Haskell their home, can relate to that sentiment.

The evening concluded with entertainment from the Kirk House Band.

KTAB chose to put Haskell in the spotlight, and the town and its people certainly let their light shine through.

## Haskell Elementary new student registration and Back to School night set

Haskell Elementary School will hold registration for new students to our district Mon., Aug. 8, Tues., Aug. 9 and Wed., Aug. 10 from 9:00 a.m. to 12:00 p.m. and from 1:00 to 3:00 p.m. in the elementary office. This registration is also for any students that did not pre-register in the spring for Prekindergarten or Kindergarten and for students that have attended Haskell Elementary in the past, but did not finish the 2015-2016 school year at Haskell Elementary.

Parents should bring their driver's license and their child's birth certificate, immunization record, social security card and last report card.

Registration and Back to School Night for all Haskell Elementary students will be held on the following days and times.

Tues., Aug. 16: Kindergarten and first grade at 5:30 p.m.; second and third grades at 6:30 p.m.; fourth

and fifth grades at 7:30 p.m. Thurs., Aug. 18:

Head Start, PPCD, Prekindergarten 3 year olds and Prekindergarten 4 year olds at 5:30 p.m.

It is important for parents/guardians to attend registration with their child/children so they can meet the teachers and fill out necessary paperwork. Homeroom lists will be posted at the time of registration.

School begins Mon., Aug. 22. Classes will begin at 8:00 a.m. Kindergarten through fifth grade will dismiss at 3:25 p.m.

## Obituaries

### James 'Jimmy' Leonard Reid

JIMMY REID

Funeral services for James 'Jimmy' Leonard Reid, 78, longtime resident of Rochester were held Sat., July 23 at First Baptist Church in Rochester with Rev. Matt Dossey officiating. Burial was in Rochester Cemetery under the direction of Smith Family Funeral Homes.

Mr. Reid passed away Thurs., July 21 at Hillside Nursing Center in Gatesville.

Born May 16, 1938, he was the son of Manford and Claudia (Hewitt) Reid. He grew up on their farm and followed in his dad's footsteps as a farmer. Jimmy graduated from Rochester High School in 1956. There has always been a strong loyalty to his class in Rochester. He loved and played all the sports. He met the love of his life, Marsha Watson when she came home with his sister from college. They married in 1961 in Jonesboro and farmed together at Rochester.

Jimmy never met a stranger at stock shows, baseball games, football games and his gun shows. He was always part of people's lives. He loved the Rochester Steers and the team, his son coached.

He and Marsha spent six summers on staff at the beautiful Fun Valley, Colorado. They retired to Jonesboro in 2007. Jimmy is a

member of Jonesboro Baptist Church of Jonesboro.

"What a man, living out, boys are loyal, girls are true and with the spirit, he loved you."

He was preceded in death by his parents, Manford Reid and Claudia (Hewitt) Reid; and one infant, James Aubrey in 1962.

Survivors include his wife, Marsha Reid of Gatesville; two sons, Larry Reid and wife Karen of Rotan, and Matt Reid of Waco; two grandsons, James Edward of Denton and Ryan Daniel of San Angelo; one brother, Nicky Reid of Arma, Kansas; three sisters, Sharon Mullino of Rochester, Diane and Andy Wall of Tyler, and Kay and Glen Weekly of Waco.

Memorials may be given to your favorite charity.

Online condolences may be shared with the family at [www.smithfamilyfh.com](http://www.smithfamilyfh.com).

### June Esquivel

A rosary for June Esquivel, 65, of Munday, was held Wed., July 20 at McCauley-Smith Funeral Home in Munday. Funeral services were held Thurs., July 21 at St. Joseph's Catholic Church in Rhineland. Interment was at Johnson Memorial Cemetery under the direction of McCauley-Smith Funeral Home.

Mrs. Esquivel passed away Fri., July 15. Born June 4, 1951 in Santa Rita, Guam, she was the daughter of Gonzalo and Beatris Fernandez.

She and Robert Esquivel, Sr. were married May 13, 1978 in Knox City.

June was a LVN for 33 years and worked at various places in this area. She worked at the Knox County Hospital, Munday Nursing

Center and Haskell Memorial Hospital. She was known for her famous eggrolls and her crocheting. June loved spending time with her family, especially her grandchildren and great-grandchildren.

She was preceded in death by her parents; sister, Verna; and brother, Richard.

Survivors include her husband of 38 years, Robert of Munday; two sons, Frank Skidmore of College Station and Robert Esquivel, Jr. of Munday; two daughters; Marguerite Poston of Cisco and Jaclyn Esquivel of Wichita Falls; five sisters, Helen, Vickie, Martha, Geraldine and Madeline; two brothers, George and Victor; nine grandchildren; and four great-grandchildren.

## This Week's Devotional Message:

### Your house of worship is cool inside

Has the midsummer heat been getting you down? Not to mention the humidity factor, which can only add to the oppressiveness of the soaring temperatures. Of course, being a sensible person, you dress right, live right and do what you can to offset the discomforts of the season. You spend as much time as your lifestyle will allow in air conditioned places, and maybe at the ol' swimmin' hole.

However, there is one more place you might add to your itinerary in search of a pleasant environment—your house of worship. More than just a haven of refuge from the heat, it's a place for all seasons. However, in summer the only warmth you will feel there is the comforting assurance that God's love is with you all the year 'round, no matter what it says on the thermometer.

Paint Creek ISD today announced its policy for providing free and reduced-price meals for students served under the National School Lunch program and School Breakfast Program.

The Secretary's Office has a copy of the policy, which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free and reduced-price benefits. Students from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of the state agency or court are eligible for free meal benefits regardless of the income of the household with whom they reside.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children. Applications also are available at the Secretary's office. To apply for free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by the school officials at anytime during the school year.

For school officials to determine eligibility for free and reduced-price benefits, households receiving Supplement Nutrition Assistance Program (SNAP) benefits (formerly Food Stamps)/ Temporary Assistance for Needy Families (TANF) only have to list their child's name and SNAP or TANF case number. An adult household member must sign the application.

Households that do not list a SNAP/TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the last four digits of the Social Security number of the adult household member who signs the application. If the adult who signs the application does not have a Social Security number, the household member must indicate that a Social Security number is not available by writing the word "None," "No Number," or some indication that the person does not have a social security number. The application must be signed by an adult household member.

Under the provisions of the free and reduced-price meal policy, a School Official will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Theresa Keel, Superintendent.

If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the students of the household eligible for benefits if the household's income falls at or below the levels shown below.

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442, or email at [program.intake@usda.gov](mailto:program.intake@usda.gov).

Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339; or (800) 845-6136 (Spanish).

USDA is an equal opportunity provider and employer.

TERESA KEEL

## Keel is lone finalist for Paint Creek superintendent

The Paint Creek Independent School District Board of Trustees named Theresa Keel, former superintendent from Pettus ISD in Pettus and Cordova City School District in Cordova, Alaska as the finalist for the superintendent position during a special meeting of the Paint Creek board Wed., July 13.

"I am honored by the opportunity to serve Paint Creek," Keel said in a press release. "I look forward to working in this great district that has such a long history of excellence."

Keel is married to George Wintle. They have two daughters and three grandchildren. Keel has been in her current position for two years. She has experience as a classroom math teacher, cheerleader coach, principal and director of curriculum before becoming superintendent of schools.

The Texas Women's University and Eastern New Mexico University graduate has a degree in Math and has her master's degree in education.

By state law, the district must wait 21 days before offering her a contract.

"I would like to commend the Paint Creek ISD Board of Trustees for their hard work and dedication to this process, and the time away from their families that was required to successfully complete this superintendent search," Paint Creek board president Kendall Medford said.

She will begin after the board meets Aug. 4 to officially hire her.

**GOLD LEVEL CHAPTER**—The Haskell FFA Chapter was recognized as a gold-level chapter for the esteemed Golden Horizon award in the multi-teacher division at the 88th annual Texas FFA State Convention held July 11-15 in Dallas. Haskell members attending the convention include, l-r, Katie Newberry, Kameryn Mathis, Taylor Manske, Kaelyn Bevel, Kenna Ferguson, C'era Taylor, Jami Leonard, Sarah Fouts, Jaycee Ferguson and Hannah Stout.

## Haskell FFA receives top honors at Texas FFA Convention

Sarah Fouts and Kameryn Mathis, of the Haskell FFA chapter, placed third and fifth respectively in the Texas FFA Prepared Public Speaking Contest at the 88th annual Texas FFA State Convention held July 11-15 in Dallas.

To qualify for the state competition, Fouts and Mathis advanced through one of 57 district competitions in the state and finished as an area winner or runner-up.

Participants prepare and present a six-to-eight minute speech about a current agricultural topic. Speakers present before a panel of judges and participate in a five-minute question-answer series designed to test the student's knowledge of the

chosen subject matter.

In addition, the Haskell FFA Chapter was recognized as a gold-level chapter for the esteemed Golden Horizon award in the multi-teacher division at the annual convention.

The gold-level Golden Horizon award is the highest state rating to be bestowed upon a Texas FFA chapter. Golden Horizon award selection is based on exceptional chapter involvement and activities within the school and community.

The 88th annual Texas FFA Convention recorded approximately 12,000 members and guests. Members of the state's largest

agricultural youth leadership organization spent the week attending leadership workshops, participating in events and activities, being recognized for their achievements, and serving as the legislative body for the Texas FFA Association.

The Texas FFA is the nation's largest state FFA association with a membership of more than 115,000. FFA gives students the opportunity to apply practical classroom knowledge to real world experiences through local, state and national competitions. For more information about the Texas FFA, visit [www.mytexasffa.org](http://www.mytexasffa.org).

# Producers reminded of Aug. 1 deadline to enroll in risk coverage programs

U.S. Department of Agriculture (USDA) Texas Farm Service Agency (FSA) Executive Director, Judith A. Canales, reminds farmers and ranchers that they have until Aug. 1 to enroll in Agriculture Risk Coverage (ARC) and/or Price Loss Coverage (PLC) programs for the 2016 crop year.

"Producers have already elected ARC or PLC, but they must enroll for the 2016 crop year by signing a contract before the Aug. 1 deadline to receive program benefits," said Canales. "Producers are encouraged to contact their local FSA office to schedule an appointment to enroll."

The programs trigger financial protections for participating agricultural producers when market forces cause substantial drops in crop prices or revenues. Nationwide, more than 1.76 million farmers and ranchers are expected to sign contracts to enroll in ARC or PLC. Covered commodities under the programs include barley, canola, large and small chickpeas, corn, crambe, flaxseed, grain sorghum, lentils, mustard seed, oats, peanuts, dry peas, rapeseed, long grain rice, medium grain rice (which includes short grain and sweet rice), safflower seed, sesame, soybeans, sunflower seed and wheat.

For more program information, contact your local FSA office or visit [www.fsa.usda.gov/arc-plc](http://www.fsa.usda.gov/arc-plc). To find your local FSA office, visit

<http://offices.usda.gov>. Since 2009, USDA has worked to strengthen and support American agriculture, an industry that supports one in 11 American jobs, provides American consumers with more than 80 percent of the food we consume, ensures that Americans spend less of their paychecks at the grocery store than most people in other countries, and supports markets for homegrown renewable energy and materials. USDA has also provided \$5.6 billion in disaster relief to farmers and ranchers; expanded risk management tools with products like Whole Farm Revenue Protection; and

helped farm businesses grow with \$36 billion in farm credit. The Department has engaged its resources to support a strong next generation of farmers and ranchers by improving access to land and capital; building new markets and market opportunities; and extending new conservation opportunities. USDA has developed new markets for rural-made products, including more than 2,500 biobased products through USDA's BioPreferred program; and invested \$64 billion in infrastructure and community facilities to help improve the quality of life in rural America. For more information, visit [www.usda.gov/results](http://www.usda.gov/results).

### Haskell County Forage Trial results Summary

A 31 variety forage trial was demonstrated and a forage field day was held April 4 in Haskell County. Plots of each forage variety were replicated and 12" strips were clipped from each plot with green and dry weights measured. The objective was met to determine lbs. per acre of each variety in relation to cattle grazing. Plots were planted Oct. 2, 2015. Heavy rains washed the original plots out and plots were replanted Nov. 12, 2015. Three clippings had originally been planned to report weights but due to late plantings only two were taken.

#### Objective

Haskell County continues to be one of the largest producers in the state for forage acreage designed for winter grazing. According to the 2015 Texas

AgriLife Extension Ag Increment Report revenue from cattle in Haskell County is estimated at \$18,000,000. The objective of this demonstration is to determine forage varieties and yields per acre of each. Producers from Haskell and Knox Counties came together for a brief meeting to discuss various varieties of forage and what could be done to determine the yields. 31 varieties of forage were picked. The forage trial was made up of various varieties of wheat, rye, triticale, oats and barley.

#### Materials and Methods

Soil samples taken from acreage on Kenneth Baker Farms located right off of Hwy. 222 in Haskell County indicated 3 gallons of 10-34-0 and 40 lbs. of nitrogen were needed to meet proper fertility needs. A seven row planter was used with a seeding rate of 55 lbs. to the acre for planting two separate plots of each

variety. Plots were planted Oct. 2, 2015. Heavy rains forced a replant because seed had washed out. Plots were replanted Nov. 12, 2015.

The first clipping was taken after 112 days of growth on March 4, 2016. Each plot had one 12" strip removed from the ground up to include all growth. Forage was collected and placed in a bag to be weighed and green weight was recorded. The forage was then placed in ovens to dry and remove moisture content which gave us the final dry weight of forage. The same day the first clipping was taken the plots were mowed at 4" uniformly to simulate grazing. The second clipping was taken 30 days later on April 5. The clippings from each plot were taken at 4" from the base of the plant to account for the previous mowing of plots. Again 12" strip samples were taken and green and dry weights were recorded.

#### Results and Discussion

Triticale, rye, oats, barley and wheat are represented in the forage trials. A field day was held April 4, with Clark Neely as guest speaker. Many of the wheat varieties had some degree of rust damage. Clark discussed striped rust and control methods for each wheat variety. Plots were marked with signs for visual representation. The results of the forage trial are listed below.

Each forage variety list

the total weight of forage that was produced from each clipping and ranked by the total weights per acre from both clippings. Rust rankings for each wheat variety are also listed below as to the severity they were infected. Maton Rye produced the most forage of all the forages with TAM 606 Oats taking second. The wheat variety of Gallagher produced the most forage compared to other wheat varieties. Triticale 348 was the top triticale and Tambar 501 was out produced by Maton Rye by 900 lbs.

The varieties of forage and the monthly weight averages include:

Maton Rye: March average 1395 + April average 998 equals 2393 total weight;  
TAM 606 Oats: March average 1009 + April average 941 equals 1950 total weight;  
Gallagher: March average 1116 + April average 761 equals 1877 total weight;  
Elbon Rye: March average 783 + April average 1066 equals 1849 total weight;  
Greer: March average 989 + April average 858 equals 1847 total weight;  
Westbred 4721: March average 893 + April average 951 equals 1844 total weight;  
Doans: March average 1128 + April average 684 equals 1811 total weight;  
Triticale 348: March average 865 + April average 889 equals 1754 total weight;  
Triticale 813: March average 814 + April average 925 equals 1739 total weight;  
Jackpot: March average 796 + April average 891

equals 1687 total weight;

Sy Razor: March average 1114 + April average 567 equals 1681 total weight;

Westbred 4303: March average 745 + April average 798 equals 1543 total weight;

TAM 112: March average 1171 + April average 366 equals 1537 total weight;

Westbred Winter Hawk: March average 696 + April average 814 equals 1510 total weight;

WB grainfield: March average 676 + April average 829 equals 1506 total weight;

TamCale 5019: March average 721 + April average 782 equals 1503 total weight;

Weathermaster 135: March average 814 + April average 617 equals 1431 total weight;

Tambar 501 barley: March average 687 + April average 726 equals 1413 total weight;

Duster: March average 824 + April average 564 equals 1388 total weight;

Fannin: March average 779 + April average 595 equals 1374 total weight;

TAM 401: March average 568 + April average 786 equals 1354 total weight;

TAM 114: March average 714 + April average 633 equals 1347 total weight;

TAM 204: March average 732 + April average 607 equals 1338 total weight;

Heavy Grazer Oats: March average 616 + April average 720 equals 1336

total weight;

TAM 113 untreated: March average 765 + April average 490 equals 1255 total weight;

Longhorn: March average 767 + April average 464 equals 1232 total weight.

Wheat varieties resistance to striped rust were ranked as follows with a ranking of 1 with no rust to 5 as heavy with striped rust:

Ranked 1: SY Razor, TAM 401 Beardless, Doans, Greer, Westbred 4515 and Westbred 4721.

Ranked 2: TAM 201 Beardless, Fannin, TAM 113 Untreated, TAM 114, WB Grainfield, WB 4458, Jackpot, Gallagher, Dyna Gro Underwood, Westbred 403 and Border Doans.

Ranked 3: Deliver, Weathermaster 135, Westbred Winterhawk and Duster.

Ranked 4: none

Ranked 5: Longhorn and Tam 112.

The objectives of the project were met to determine lbs. per acre of each forage variety. The weights of forage produced met the project outcome. The results will all be mailed to local Haskell County producers for options on forage selection next year. We will continue the forage plots next year with new varieties as well as look at dual purpose varieties for forage and seed.

#### Acknowledgements

Westbrook would like to thank Kenneth Baker and Mike Urbanczyk for the use of the land, signage and plot labels; Dr. Emi Kimura for data analyses and Jonathon Ramirez for dry weights and measures. A thank you also goes to Dr. Clark Neely for taking the time to contribute to the forage field day as well as local producers and seed companies within the area that donated seed.

# Relay for Life 'Carnival for a Cure' set Sat., Sept. 17

Living in an area where the word "cancer" is heard much too often, it is good to know there are people doing something about it—namely participating in the American Cancer Society's Relay for Life.

The Knox/Haskell Counties Relay for Life is scheduled for Saturday, September 17th at the Munday Track Field. The "Carnival for a Cure" event will begin at 4 p.m. and conclude at 10 p.m. Relay for Life is designed to promote cancer awareness, while raising funds to fight the disease.

Leann Harlan is the event chairman, but has a committee of volunteers behind her, that are dedicated to fighting cancer through the American Cancer Society's mission of life-saving research. They are asking others to join them by volunteering, donating, joining or forming a team, holding and supporting upcoming fund-raisers and then taking part on Sept. 17th.

A very important part of Relay for Life is the Survivor's

Meal, which will be held earlier in the day on Sept. 17th. All cancer survivors in Knox and Haskell Counties are encouraged to come be a part of the dinner. Invitations will be mailed shortly to known survivors, however if you are a cancer survivor or know someone who is, and don't receive an invitation, please contact Becky Offutt at (940)864-3050.

The American Cancer Society's Relay for Life represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day cancer will be eliminated. Each person who shares the Relay experience can take pride in knowing that they are working to create a world where this disease no longer threatens the lives of our loved ones or claims another year of anyone's life.

For more information contact Leann Harlan at (940)203-0142 or visit [www.relayforlife.org/knoxhaskelltx](http://www.relayforlife.org/knoxhaskelltx) to connect with other relayers in this area and find ways you can get involved.

## Sales tax holiday is Aug. 5-7

Texas Comptroller Glenn Hegar reminds shoppers they can save money on certain items priced for less than \$100 during the state's annual sales tax holiday. This year, the sales tax holiday is scheduled for Friday, Saturday and Sunday, Aug. 5-7.

The law exempts most clothing, footwear, school supplies and backpacks priced below \$100 from sales tax, saving shoppers about \$8 on every \$100 they spend during the weekend.

This event provides Texas families with some relief from state and local sales taxes,"

said Hegar. Lists of apparel and school supplies that may be purchased tax-free can be found on the Comptroller's website at [TexasTaxHoliday.org](http://TexasTaxHoliday.org).

This year, shoppers will save an estimated \$92 million in state and local sales taxes during the sales tax holiday.

The tax holiday weekend has been an annual event since 1999.
