

## Cardinal Driver Is Indicted By Jury

A three-count indictment of involuntary manslaughter was returned by a Fisher County Grand Jury against William Clarence Dixon, Jr., last week.

Dixon, 21, was the driver of the truck which collided with a McCaulley school bus Dec. 8, killing five high school students and injuring 20 other persons.

According to District Attorney Frank Ginzel's Sweetwater office, Dixon was not taken into custody, but posted bond immediately. Dixon is reported to be recovering at a private residence in Odessa and was served notice of the indictment by Officer Jerry Davis of Odessa. A \$7,500 bond was posted for Dixon by Malcolm Schulz, an Abilene attorney.

The indictment is the only criminal action pending as a result of the bus-truck collision, but six civil suits have been filed as a result of the deaths and injuries.

The truck involved in the collision was owned by the Odessa-based Cardinal Surveys Co. Dixon was critically injured in the wreck but recently was released from Hendrick Memorial Center in Abilene.

The collision between the school bus, which carried McCaulley girls and boys basketball players, and the 10-wheel truck occurred at the intersection of U.S. 180 and FM 611, midway between Roby and Snyder in west Texas.

The force of the impact tore the school bus in half, killing four students and injuring 21 others. A fifth student, Katherine Louise Wilkerson, 16, never regained consciousness and died later in Abilene.

Department of Public Safety officers said the

truck apparently went through a flashing red light before the crash occurred.

The Texas penal code classifies involuntary manslaughter as a third-degree felony punishable by a two to 10-year prison sentence and a fine up to \$5,000.

A total of \$3.6 million in damage suits has been filed against Dixon and the firm as a result of the accident.

## Two Named To Western Tex. Honor Lists

Larry Callan and Larry Dane Parks of Rotan have been named to the President's List for the 1978 fall semester at Western Texas College.

Pete Garcia of Rotan was among those named to the Dean's List.

## St. Joseph's Plan Mexican Food Dinner

St. Joseph's Altar Society is offering a Mexican plate dinner in the parish hall, corner of Lee and Tyler Streets, on Saturday, January 27, from 4:00 to 7:00 p.m.

Tickets may be purchased at the door or from Francine McKinney at the First National Bank of Rotan. Prices are \$2.50 for adults and \$1.25 for children under twelve. The proceeds will help to pay for the new Bible classrooms at the parish.

### Deadline Nears

*This is one of those weeks... and I knew it would come sooner or later. We're near the press deadline and I haven't the foggiest idea what will go in this week's column.*

*I could write something about the Dallas Cowboys... but that would only be putting salt in an open wound. Besides, the Cowboys need and deserve a rest... it's only about 24 weeks until spring training at Thousand Oaks, Calif.*

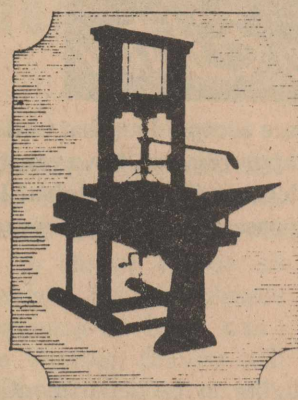

*Speaking of football reminds of what "Old Grouch" up the street said last weekend after winning \$250.00 in a football pool. "What's the first thing you're going to do with the money?" asked one of his buddies at the coffee shop. "Count it", answered Old Grouch.*

*It's now well past the deadline but I can't quit here. The girls are standing over my shoulder, there are ads to be checked, phone calls to be returned and here I sit laboring over this column.*

*At times I feel like a man with 6 wives. Evonne Teague sets all the stories that you read each week. She's tapping her foot impatiently for this masterpiece [won't she be surprised]. Cindy Robertson builds ads and works in the darkroom—I can see her out of the corner of my eye and her look would melt the abominable snowman. She's waiting to finish building the last page of the paper. Rosemary Donham, she normally sells ads, but helps out in the office on Tuesday night, just finished asking me if I'm finished yet [for the third time].*

*Delphine King works closely gathering news from the schools in Fisher County. She's normally very patient—right now she's standing over my shoulder wanting this week's column. Lynda Henderson works in photography as does Jimmy Markham, fortunately both are busy and not a bit interested in my finishing this column.*

*Last but not least, my wife, she doesn't think much of this column. I think its the scars from being attacked so many times. It's plain to see how a man could become "hen pecked" working around to many "she-males", but that's just one of the sacrifices we make trying to get you a paper each week.*

## Rotan Council Holds Special Meet Friday

The members of the Rotan City Council met in a special session last Friday night and discussed two items in a meeting that lasted approximately an hour and a half, according to Mayor Les Sescil.

## McCaulley Funds Jumps To \$51,256

The McCaulley Community Fund has reached a total of \$51,256.00, it was announced last week.

The fund was established to provide assistance to families who suffered losses in the tragic school bus-truck collision Dec. 8 west of Roby. Four were killed in the truck-bus mishap and 21 were injured. One of the injured died later.

The money is being disbursed to the families by a committee made up of Marion Reed, Mrs. Fred Kemp, both of McCaulley, and Mrs. Bob Craig of the Hamlin Herald.

The meeting was called primarily to give the members of the Rotan City Council the opportunity to discuss with City Judge Dwayne Underhill some of the duties of his office, as well as give both the Judge and City Council the opportunity to discuss some future plans for the efficient operation of that office, according to Sescil. No action was taken by the City Council members on

## Rotan Streets Suffer Due To Ice And Snow

The City of Rotan will be purchasing approximately 20 tons of street patching material within the next few weeks to make needed repairs to city streets damaged by the recent 15-day ice spell, according to City Secretary Kenneth Vann.

Vann indicated that he made a trip to the White Mine Material Plant at Lawn, Texas this week to pick up 7 tons of patching

material for immediate use on city streets. "We're probably going to have to have an additional 13 tons of material to fix all the city streets, but this initial 7 tons will allow us to give immediate attention to some of the real problem areas," said Vann. The material sells for \$11.00 a ton, so the anticipated 20 tons will cost approximately \$220 according to Vann.

## Immigration Status Of Roby Doctor Questionable

The legal immigration status of Dr. Virgilio Carandang, Roby doctor, native of the Philippines expires on March 1, 1979 and unless an appropriate bill is introduced and passed in the U.S. Senate or House of Representatives he could be living within the bounds of Fisher County illegally after that date.

Fisher County Hospital Administrator Perry Hunsaker has been in contact with Washington officials in an attempt to get a special bill introduced that would help eliminate the immigration problems and red tape concerning Dr. Carandang. According to Hunsaker, "We knew before he came to Fisher County that there were problems surrounding Dr. Caran-

dang's immigration status". He added that his first concern and the board's concern was "looking first at the need for a medical doctor in Roby".

Hunsaker is working with representatives in the office of Senator John Tower and Congressman Charles Stenholm's in an effort to get a bill introduced that would "override the red tape and extend the limits on the time he can legally stay in the United States".

As it stands now, the House of Representatives won't even review private relief bills, said Hunsaker. However, he added, "Congressman Stenholm is looking into the possibility of introducing the bill", but a decision by Stenholm has not been reached.

## Commissioners Approve Elderly Meal Program

The members of the Fisher County Commissioners Court met last Friday afternoon in special session and voted to begin the necessary paperwork to become eligible to participate in a West Central Texas Council of Government "meals for the elderly" program,

according to Fisher County Judge Marshal Bennett. Bennett indicated that the county will fine an "intent to participate" in the program in order to qualify for 23 meals a day for elderly Fisher County residents. The program will entitle Fisher County elderly persons, qualifying

for the program, a total of 115 meals a month. The anticipated yearly cost of the program is \$12,691.00 of which Fisher County will pay 10 percent or \$1,269.00. Bennett said that participating elderly contributions to the meal program Continued on Page 2

## DeLeon Will Be Named Catholic Bishop Here

On Sunday, January 28, Saragoza DeLeon, long time resident of Fisher County, will receive the sacrament of Holy Orders from Most Rev. Raymond Pena, Auxiliary Bishop of San Antonio, making him a deacon of the Catholic Church. Bishop Stephen Leven of San Angelo is too ill to be able to confer this order. The ceremony of ordination, that will place Mr. De Leon and his 32 classmates among the Catholic Clergy, will take place in Sacred Heart Cathedral, San Angelo, beginning at 3:00 p.m. These men and their wives have been gathering in San Angelo one week-end a month for two years to prepare them for their new work.

The order of deacon has been exercised in the Catholic Church since the time of the Apostles, but for many years it was restricted to only those who intended to take the higher order of priest. However, at the close of the Second Vatican Council in 1965, the bishops of the Council requested that the ancient practice of conferring the order of deacon on men who did not wish to become priests be reinstated. The class that will be ordained next Sunday is the second class to be ordained in San Angelo, bringing the number of deacons working in

this diocese to 65.

The word "deacon" comes from the Greek word meaning "one who serves". The work of the new deacons will vary widely according to the abilities of each one. They are authorized to preach, to baptize solemnly, to witness marriages and to conduct funeral services especially in the absence of the priest or when the priest does not speak the language of the people. Besides conducting these liturgical services the deacons will visit the sick and the imprisoned and those who need counseling, carrying on many different works of charity in the name of the church. Though the deacon is a member of the Catholic clergy he generally works under the direction of and in cooperation with the priests of the diocese. If the deacon is married at the time of his ordination he continues to live with his wife and family the same as any married man. None of his services is to interfere with his family obligations or hinder his secular employment. He will dedicate only as much time to church work as the conditions of his life permit. The deacon's wife, though not participating in the office of deacon, will nevertheless assist him as she is able and as far as

she is inclined. Saragoza DeLeon, who has been working as a painter for the past 20 years, he was born in San Antonio, May 4, 1911, and came to Fisher County with his parents Antonio and Dionisia (Maldonado) De Leon in 1915. He married Rosa Soliz on February 4, 1940. They have three sons and a daughter, Henry of Fort Worth, Emilion of Rotan, Tony of Sweetwater, and Carolyn of Rotan. There will be a parish reception for Rev. Mr. De Leon some evening following his ordination, but the details are not yet certain.

## Words of Life

Johnny T. Robertson, Pastor  
First United Methodist Church  
Rotan, Texas

A tired and weary salesman stood before the water fountain in the lobby of a fashionable hotel. The sign over the water fountain said, "Stoop and Drink". But he could find no place to turn on the water. There was no button to push, no handle, and nothing to step on. But finally looking around to make certain no one was watching, he dared to do just what the sign said to do. As he stooped to drink, a photoelectric cell caused the cold, refreshing water to flow across his lips; and his thirst was quenched.

This story illustrates the struggle we have in receiving God's promises. As we read the Bible in order to find "Words of Life" we discover the blessed promises of God to those who believe in God's Son. But we do not understand how anything will ever happen according to the Bible. We want to understand first and then believe, and then act. But God calls us to first act on faith, then understanding will follow if God so desires. When we follow the guidance of our Lord we receive waters of blessings flowing into our lives. And our thirst is quenched.

Before we can receive God's promises we must learn to "stoop". God will not pour out His blessings upon those who are not faithful to do His will in their lives. We must stoop by allowing Christ to remove our pride which keeps us from serving Him. The waters will not flow into lives too proud to stoop, or too busy to worship, or too greedy to share. We must stoop to drink.

This is the last time I will request your response to *Words of Life*. Please help me find God's will for the future of the ministry of *Words of Life*. If you enjoy reading *Words of Life*, please write me a postcard simply saying, "I enjoy reading *Words of Life* each week". Your letter is important! Let me hear from you soon! May the Lord pour out His richest blessing on you and your loved ones.

very kind to you and your fellow employees in recent weeks.

The ice, sleet and snow storms made travel almost impossible and very dangerous to say the least. The members of the Roby Lions Club would like for you and your people to know how much we appreciate the fine work by your department to keep our highways open within the limits of Fisher County, which is your prime responsibility.

The many long hours of extra work under very trying weather conditions to keep our highways safe and the welcome sight of your flashing caution

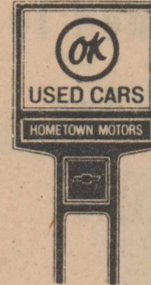

lights on the department's vehicles is most re-assuring to the motoring public. After traveling the highways in many other counties in our part of the State and seeing the conditions that existed so many days after the storms, we are even more grateful for the Fisher County Unit of the Department of Public Highways

and Transportation Systems.

On behalf of the Roby Lions and our fellow citizens, we take this means to recognize a job well done.

# Caring For One Another

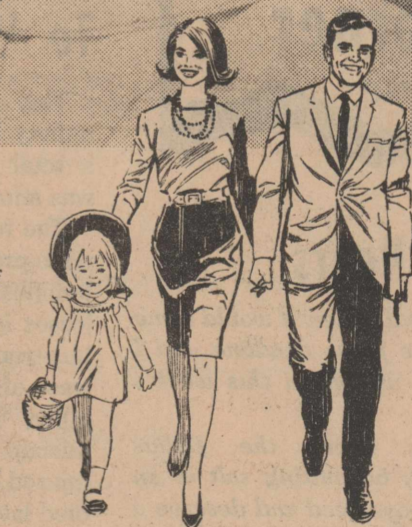

The Christian religion and the English language have one great thing in common. They let us grow at our own pace.

Take the word CARE in our language. If you want, it simply means being aware of another person's problems. Or it can mean devoting one's skill and concern to the well-being of another. Or it can mean feeling and understanding for another with whom we share life's opportunities and frustrations.

Our religion, like our language, allows time for us all to grow. It recognizes that caring for one another is just one of the areas in which it takes folks a while to appreciate our dependence on each other—and on God.

One thing is sure. At every level of human experience we learn to care for one another because God cares for us.

This Church page is published in hope that more people will attend church. It is paid for by firms and individuals 100% interested in this county. Let them know that you appreciate them supporting this page. Each week we feature one supporter in hope that you will make a special effort to let your appreciation be known to this Church page supporter.

## You can save money on electricity costs...if your home has an Energy Efficiency Award from WTU

Before you buy or build that all-electric dream house you've been planning all these years, make sure it incorporates energy-saving ideas to help you keep your electricity bills in line. In these days of rising power costs, whether or not a house will help you use energy wisely is a factor you should consider just as carefully as you do size, location and architectural style.

That's why you need to know about the Energy Efficiency Award program sponsored by West Texas Utilities Company. An all-electric home that merits this award has been designed and built to help you make the most of every dollar you spend for electricity: it is well insulated, weather-stripped and equipped with efficient electric heating and cooling systems. A qualified technician from WTU checks the house for these and other important features that boost its energy efficiency.

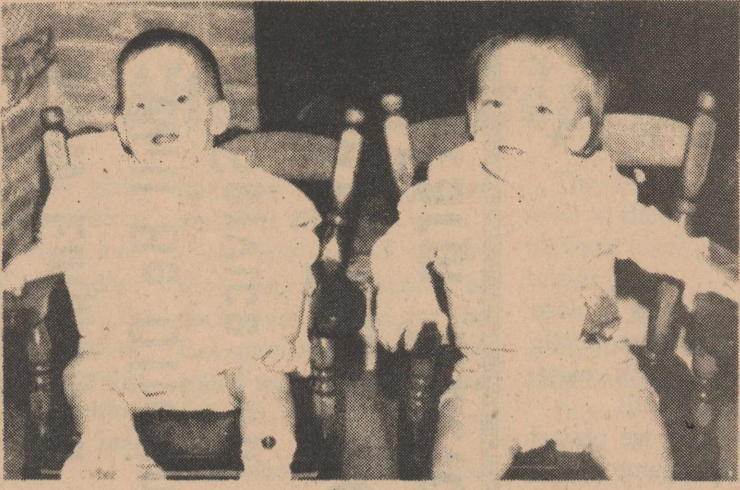

When you live in a home that has earned the Energy Efficiency Award — and follow WTU's suggestions for using energy wisely — you can be sure that you're getting the full value for every kilowatt-hour you buy.

Pick up your **FREE** booklet at any WTU local office. Trained WTU representatives are available to advise you on proper energy management. Call WTU and arrangements will be made for a representative to assist you, **free of charge**.

### FOREVER HAS NO END

One afternoon in Heaven in December of seventy-eight, Four angels stood knocking on St. Peter's Pearly Gates, "Well, Hello, come on in, you don't have to wait", said St. Peter with a smile, "Did you think that you were late".

"Oh, no", they said in chorus, standing proud and tall,

"We were going to a tournament to play basketball, But halfway there we had a wreck and we heard Heaven's Call,

So here we are St. Peter, ready to give our all".

"That's wonderful", Said St. Peter, extending out his hand,

"Come with me, I'll introduce each of you to the Man, Tell me your names and where you're from, That is if you can,"

We're from McCaulley, Texas in the heart of Eagle land.

First was Lolita, dark eyes and hair so long,

"Glad to meet you Lord Jesus, May I praise you in a song?"

But I need to ask you, I hope it isn't wrong,

Please ease the grief my parents felt when they heard I was gone."

"Next came Britt, only son of the family he left behind,

"I had good-parents and sisters, proud to claim them mine,

We liked our school and community, really had good times,

We'd Be there yet, except the truck ran thru a stop sign."

A smiling girl walked right up, "Rita is my name,

We were riding on a school bus, looking forward to the game,

Each of us were young in years, walking down life's lane,

Tho our time on Earth was short, none of us hold blame."

Then came a little redhead with a twinkle in her eye,

Such a pretty angel and she seems a little shy,

"Hi, my name is Bonnie, I'll be living here on high,

There wasn't any warning, no time to say good-bye".

We don't mean to be ungrateful Lord, none of us are mad,

We only know our leaving made our families awful sad,

Just re-assure and comfort them, tell them we were glad,

To have been theirs this little while, send our love to Mom and Dad.

Don't you worry little stars, put on your brightest light,

So your friends and loved ones can see you shine tonight,

And they began to twinkle and blink with all their might,

Knowing they would reign forever, never out of sight.

Another angel came to Heaven to join up with her friends,

They gave Kathy the Grand Tour, showed here everything and then,

Told how God had loved them so and wanted them with Him,

How this happiness would last forever--forever has no end.

## S.C.S. Office Planting Tips

Now is the time... Yes! Now is the time to begin construction and vegetation of grassed waterways. Winter is usually the best time to construct waterways since it has the least rainfall. New waterways should not be exposed to long periods of damaging rain.

Planting should follow construction as soon as possible. The most desirable time to establish vegetation is the first part of the growing season, immediately following the winter or dormant months. If the waterway is constructed during the winter, it will be ready for planting at the beginning of the growing season. This would reduce the time that the newly constructed or unprotected waterway is exposed to damaging rain, and allow the vegetation to make minimum use of the growing season for establishment of cover.

Waterways are natural or man-made water courses protected against erosion by a grass cover. They serve as safe outlets for terraces, diversions and countour rows. They may also conduct outside water onto or across the farm. The best location for waterways is in a depression or draw that is part of the natural drainage pattern. However, it may be desirable to construct the waterway along the edge of a field to aid in farming practices. The outlet should empty into a stable, vegetated area.

The waterway should be shaped to prevent concentrations of flow. Trees and brush should be removed, gullies and washes should be filled, and the sides should be gently sloped to aid crossing, mowing, seeding and harvesting with normal farm equipment.

A protective cover should be established as soon as possible after shaping. Unprotected waterways are subject to

severe erosion due to concentrations of flow and are difficult to repair. Perennial grasses with deep, dense, sod-forming root systems offer the best protection against erosion. Bermuda grass is one of the best examples of waterway protection, but many other grasses will also adequately protect the waterway. Outside water should be excluded during the establishment period if at all possible.

Waterways, like any other conservation practice, farm equipment or automobile, must be maintained. They can be the

most productive acres on the farm is properly maintained. Ground cover-the key-is reduced by mowing, grazing and vehicle traffic. Prevent fires and livestock trailing, repair washes and fertilize regularly to maintain cover and increase production.

Soil Conservation Service personnel, assisting your local Soil and Water Conservation District in Rotan can help with the design, location, construction and vegetation of waterways. So, get off to a good start now. Now is the time.

## Stenholm Named To Ag. Committee

Congressman Charles W. Stenholm announces that one of his first actions in the 96th Congress will be to introduce legislation to extend the so-called "Burleson Amendment" to the Social Security Act, which expired December 31, 1978. The current law expired when the 95th Congress, in its final days, failed to conclude action on the Medicare Amendment legislation which contained a provision to make permanent the Burleson Amendment, originally designed to aid rural hospitals in meeting Medicare requirements for nursing staff.

Congressman Stenholm will push for early passage of this legislation which he feels is vital to rural area

hospitals. The newly elected Congressman hopes to continue the leadership of his predecessor in the area of rural health care.

## Roby Cubs Won The Blackwell Tournament

Roby Cubs won their first tournament last Saturday by beating Blackwell in the championship game 39-37. Joe Carreon led the scoring with 12 points, Robby King 9, Kirk Williamson 9, Lyndell Martin 6 points.

Roby played Highland on Saturday morning. Highland is the only team to beat the Cubs this year. The Cubs got happy revenge by beating Highland 48-25. The first time we played them in district we made 10-52 shots, 0-3 from the free throw line. Joe again led the scoring with 20 points, as he made

10-11 shots; Terry Coker 10 points and Robby King 8 points.

We opened the tournament by beating McCaulley in a hard fought game 37-35. McCaulley had a good team. Joe was high point with 14, Kirk 8, Lyndell 5, Robby 4, and Terry 4 points.

Congratulations to Joe Carreon and Robby King for being named to the All Tournament team. They were very deserving. Also, thank you to Coach Bagwell for coaching the team in the championship game as I went with the high school for a makeup game with Westbrook.

First, I want to say that anyone in the county is welcome to any educational meetings we have. Don't feel that you weren't invited because you didn't receive a letter from this office. The only reason you didn't receive a letter is because I don't have your name on my mailing list. You are always invited no matter how you learn of the meeting, whether through a friend or from having read the announcement in the paper.

However, if you'd like to be sure your name and correct mailing address are on my mailing list, all you have to do is to call my office 776-2171 and give us your name and address or you can write me at Box 187, Roby.

er said today. This prediction was made by Ed Aiken, Jr., President of Sweetwater Savings and Loan, who was named today to the U.S. League of Savings Associations' Legislative Committee. The League's 4,400 members provide the bulk of home mortgages in the U.S.

Aiken said the Legislative Committee will meet in Washington in February to decide which home finance issues should be made "priority matters" and receive S&L support in 1979. Aiken's list included:

--A possible tax incentive for savings to aid young persons save funds to buy a home.

--New ways to cut down federal paperwork.

--A possible law to increase the federal deposit insurance limits on savings accounts (The ceiling is now \$40,000 per account).

--Statutory changes to facilitate use of new types of mortgage options for homebuyers. This might be done through changes in the Internal Revenue Code.

Aiken plans to talk over these and other home financing issues with the state's Congressional delegation while in Washington for the League's Legislative Committee meeting in February.

and Loan League and former City Councilman and Mayor of Sweetwater, is active in many business and civic groups. He is a graduate of Texas Tech University and before joining Sweetwater Savings Association was employed with T.J. Bettes Company as Vice President.

## Stenholm Announces First Action

Congressman Charles W. Stenholm was today assigned to the House Agriculture Committee, his first choice for Committee assignment. While campaigning for Congress, Mr. Stenholm frequently mentioned his background in agriculture and the importance such an assignment would have for the 17th District of Texas. The Congressman intends to be active in the legislative process and will use his new post to work toward meaningful legislation to insure a good return on investment for the agricultural producers and an adequate supply for consumers.

Congressman Stenholm would like to express his appreciation to the people of the 17th District who helped make this possible and would be pleased to hear their views on matters that concern them. The newly elected Congressman expressed gratitude that his request to the Leadership in the House was received so favorably.

The Roby Lionesses came out victorious against Hobbs 35-33. Darlene Herron and Linda Hoodenpyle had 9 points each, Lois Ann Cauble 8, Sylvia Gaona 6, Mary Nell

Clayton 3. It was a close ball game but the hustle and determination came through in the end.

On Saturday we played a makeup game with Westbrook. We came out on the bottom end 45-57. We didn't get warmed up until the second half and out scored Westbrook. Hoodenpyle had 12 points, Jill Wright 11, Jan Wright 9, Clayton 6, Mauldin 3, Cauble 3.

The Lionesses are 4-2 in district games.

Johnnie and Mickey Ferris of Snyder are parents of a daughter, Hollye Shea Ferris, born Jan. 13, at 11:44 a.m. He weighed 9 lbs. 4 1/2 ozs. Maternal grandparents Mr. and Mrs. Bill Starnes. Paternal grandparents are Stella Ferris and the late Mr. C.D. Ferris. Great-grandmother is Dona Whitley.

## Rotan Varsity Girls Make Rebound After Heartbreaking Loss To Hawley

The Rotan varsity girls suffered a heart-breaking sixth overtime 44-42 loss to Hawley on Tuesday. The loss their first in district and only second of the season, that places the Hammers second behind Hawley as the first half nears an end.

The poise and character of the team will be placed to the test, but the Hammers can come back to take the second half and force a playoff for the championship.

The game was nip and tuck all the way with Rotan trailing at the end of the first quarter 7-11. The Hammers caught up and led at halftime 20-18. The third quarter was close with the score tied at 30-30

and the fourth quarter ended at 38-38.

No one scored in the first four overtimes as each team played for the last shot which for Rotan rolled around the rim and fell off.

In the fifth overtime, Rotan jumped out to a 4 point lead but Hawley evened the score and forced the sixth overtime which saw Hawley score the deciding 2 points. Rotan played extremely well defensively as they shut the high scoring offense down. It was an extremely tough loss but they will be back and with a tough mental attitude, will take the second half and the district crown.

The coach and players wish to thank the fans for all their loyal support and backing.

**Statistics**  
Ann, 10 points, 2 steals, 4 held balls, 10 rebounds.

Blanche, 7 points, 4 steals, 1 held ball, 2 assists, 3 forced turnovers, 5 rebounds.

Charee, 2 points, 2 held balls, 1 rebound.

Cheryl 2 steals, 1 assist, 1 rebound.

Ginger, 9 points, 6 held balls, 2 forced turnovers, 7 rebounds.

Ramona, 2 rebounds.

Regina, 10 points, 2 steals, 2 held balls, 2 rebounds.

Tina, 4 points, 2 held balls, 1 forced turnover, 5 rebounds.

Hawley doesn't have the first half of district won out-right. They will play Albany in a make-up game Saturday night at Albany. If Hawley should lose they would be tied with Rotan for first place. Rotan still has a very good chance to win district. The girls' record is 19-2.

The Rotan varsity girls bounced back from the overtime loss to rap Albany 65-45 and kick off the second half with a positive note, Friday, Jan. 19.

Rotan fell behind early but came back quickly to take a 15-10 first quarter and 25-20 halftime lead.

The second half saw Rotan speeding up the tempo of the game which resulted in a 45-35 3rd quarter lead and then outscored Albany 20-10 in the 4th quarter, that led to the 65-46 victory.

All players saw action with the defense playing well, forcing Albany into numerous turnovers. Regina Pearson hit on 12 of 15 shots from outside to finish with 24 points, a season high for her.

Blanche Gentry had 7 points, 6 rebounds, 9 steals and 2 assists; Ginger, 5 points, 3 rebounds, 3 steals and 2 assists; Charee, 9 points, 2 rebounds; Tina, 3 points, 8 rebounds, 5 steals; Cheryl had 2 points, 2 steals and 1 assist; Ramona, 3 points, 6 rebounds, 2 steals, 1 assist; Regina, 24 points and 4 steals; Cindy, 2 points, 2 steals; Ann, 8 points, 7 rebounds, 4 steals, 1 assist; Kathy, 2 points.

The JV girls were defeated by Albany 31 to 25. Scoring for Rotan were Angie Sepeda with 8, Martha Hargrove 7, Naomi Counts 4, Beverly McKinney, Jeanie Swaf-

ford and Debbie Mann with 2 each.

The Rotan girls played Jim Ned in a make-up game Saturday, Jan. 20, and came away with a convincing 63-35 win. It took a half to get started as Rotan only led 24-23 at halftime, but put their running game in gear and moved out quickly in the second half.

A strong defensive game was evident as Rotan picked up 39 steals and 44 rebounds. Rotan girls shot the ball 95 times in the game with 60 shots put up in the 2nd half, shooting only 29 percent for the game. The game was a physical one with lots of player contact which caused poor shooting.

Blanche led the scoring with 16 points. She had 3 rebounds, 8 steals and 4 assists; Ginger, 10 points, 8 rebounds, 6 steals and 5 assists; Charee, 2 points, 4 rebounds, 2 steals; Tina, 2 points, 7 rebounds, 8 steals and 1 assist; Cheryl, 5 points, 3 rebounds, 6 steals, 3 assists; Ramona, 9 points, 6 rebounds, 1 steal; Regina, 8 points, 4 rebounds, 2 steals, 2 assists; Ann, 9 points, 8 rebounds; Cindy, 2 points and 1 steal; Laura had 1 rebound.

## ORANGE STREAKS

Coach Coates

The Yellowhammers played Roscoe on January 9 in Roscoe. The Hammers have been playing inspired basketball and to that point had won three of their last four outings. The Hammers defeated the Plowboys by a score of 48-46. It was a game when the people coming off the bench played a big role in the win. Scoring for the Hammers were F. Acron 14, B. Weathersbee 13, G. Hayes 9, D. Posey, D. Thornton, and M. Morrow each had 4, and A. Houston had 1.

The following Friday, January 12, the Hammers played host to a fierce Hamlin team. Rotan jumped to an early lead of 21-12 surprising Hamlin. The score at the half was 34-31

in favor of Hamlin. The Pipers proceeded to win the game by 13 at 69-56.

The Hammers shot a season best on percentages as they were 49 percent from the field. Scoring for the Hammers were D. Thornton 18, F. Acron 17, M. Morrow 10, B. Weathersbee 6, D. Posey 3, and A. Houston

On January 16 the Hammers traveled to Hawley and lost a 51-39 decision. Contrary to our outing against Hamlin, our shooting percentage dropped to 32 percent. However, our free throw percentage was 78, a season best. Scoring for the Hammers were D. Posey 9, F. Acron, B. Weathersbee and G. Hayes with 8, D. Thornton 4, and A. Houston 2.

The Hammers traveled to Albany on January 19 and defeated the Lions 51-48. The win gives Rotan a 1-0 mark in the second half of the district race. The next district game of the second half comes

against Baird and will be played in Rotan. Baird was defeated by Jim Ned 84-79 and has a record of 0-1 in the second half. Baird defeated Rotan 72-55 in the first half. The games will start at 4:00 with two JV games and two varsity games will follow.

The Albany win again was a ten man effort with good support coming from the bench. Scoring for the Hammers were F. Acron 16, A. Houston 13, D. Posey 9, D. Thornton 6, Medrano 4, B. Hale and M. Morrow 2, and G. Hayes 1.

The Hammers played a make-up district game against the Jim Ned Indians on January 20 in Rotan. The Hammers played support basketball but suffered a 60-50 defeat. Rotan had a bad night on field goal percentage at 32. Scoring for the Hammers were D. Posey 21, F. Acron 12, D. Thornton 5, B. Weathersbee and G. Hayes 4, and M. Morrow and J. Medrano 2.

## Roby Cubs Hold 2-2 District Record

Monday we traveled to Hermleigh for a district game. We lost with the score 18-9. Gonzalez had 7 points, and Lovett 2. The Cubs had too many turnovers and missed some layups.

The girls' district record is 2-2. Please attend and support the Cubs.

## Rotan Jr. High Second In Anson Tourney

The Rotan Junior High girls won second place in the Anson Junior High tournament Jan. 18, 19 and 20. Rotan won the first game with Haskell 22-13. Scoring for Rotan were: Donna Martinez 8, Kellie Pease and Jana Smith with 4 each, Elisa Carrillo and Annette Martinez with 2 points.

Rotan won over Baird in the second game for a place in the finals. Elisa

Carrillo was high point with 10, followed by Pat Martinez with 9, Donna Martinez 7, Jana Smith 6, Kellie Pease 3, and Annette Martinez and Joyce Harkey scored 2 each. Rotan was defeated by Wylie in the championship game 34-12. Pat Martinez and Kellie Pease scored 4 points each, Elisa Carrillo and Jana Smith netted 2.

## Fisher Ladies Welcome To Join Auxillary

The Fisher County Hospital Ladies Auxillary would like to remind all of the women of the county they are invited to become members of the auxillary. There are active members who give a few hours a

week working at the hospital doing things for the patients such as passing out mail, flowers, juice, and newspapers. Also, there are inactive members who cannot work at the hospital, but sew,

crochet, knit or other things for the Auxillary to sell on the cart at the hospital. The Auxillary uses proceeds from the cart, donations, or memorials given in someone's honor to buy special equipment for the hospital.

If the ladies in Fisher County would like to know just how rewarding this work is, ask one of the "Pink Ladies". This has been a most exciting and fulfilling first year.

## Rotan To Continue As ACT Testing Center

The Rotan school district has been requested by the American College Testing officials to continue as an ACT Testing Center for the 1979-80 test year, according to information received by Supt. Tom Harkey. Rotan has been a center since 1967.

The ACT is given five times a year, in October, December, February, April and June, at test centers on Saturday mornings designated.

The ACT Test Battery is comprised of four tests, English, mathematics, social studies reading, and natural sciences reading.

The tests are administered by Mrs. Rudy V. Hamric, school counselor for Hobbs, Roby, and Rotan. Mrs. Hamric said students from Rotan, Roby, Hobbs, McCaulley, Jayton, Hamlin, Aspermont and Sweetwater have taken the tests this year. Any student who registers for the ACT may take it at the Rotan test center if they request it. Any one wishing additional information is encouraged to contact Mrs. Hamric at

one of the three schools in which she works.

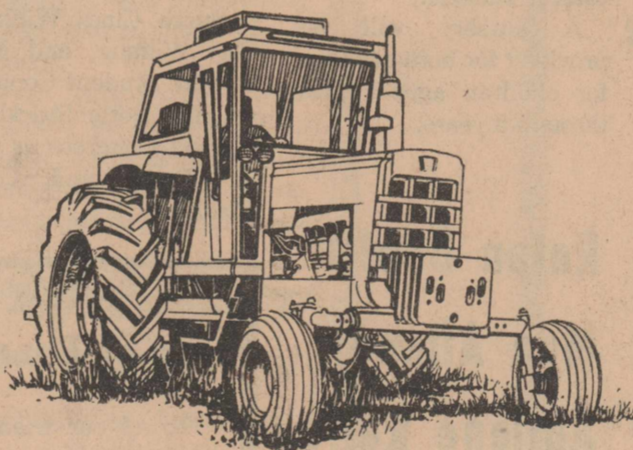

## Book Fair At Hobbs

The Hobbs School will sponsor a student book fair from Tuesday, Jan. 23, to Friday, Jan. 26. Students will be able to browse and purchase books. The book fair will be open during the hours of 8:30 to 12:30 and from 2:30 until 3:30 in the afternoons and books will be on display in the Hobbs School Library.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for the Library Club.

The Library Club is sponsoring this event with Mrs. Jimmy D. Hale serving as book fair chairman. The committee includes Mrs. George Price, Julie Martin, club president, and Anitra Hyer, treasurer.

# Judy Kafer And Paul Hurst Exchange Vows

Mr. and Mrs. Paul Hurst are making their home in Waco following their recent marriage at the Live Oak Baptist Church in Gatesville. The bride is the former Judy Knox Kafer, daughter of Mr. and Mrs. Edward Kafer of Roby. She is the granddaughter of Mr. and Mrs. O.D. Knox of Roby and Mrs. Karl Kafer of Abilene. The bridegroom is the son of Mr. and Mrs. John Hurst of Mexia.

Rev. Mike Massar officiated at the formal candlelight ceremony. Music was presented by Mrs. Terry Julian of Roscoe, organist, and Chris Wommack Waco, pianist and soloist. Mr. Wommack accompanied himself on the piano as he sang a medley of songs

composed of "Devoted To You", "If", "Twelfth of Never", "Just The Way You Are", "also "The Lord's Prayer".

Given in marriage by her father, the bride wore a formal gown of white organdy featuring a Queen Anne neckline, long tapered sleeves, and bodice of Chantilly lace and seed pearls. The full skirt was fashioned with three tiers of matching lace that swept into an attached Cathedral train. Her finger tip veil of illusion, edged with Chantilly lace, fell from a headpiece of Chantilly lace and seed pearls. She carried a cascade bouquet of white roses with white button pom-poms and greenery.

Miss Gwen Miller of Waco was maid of honor.

Bridesmaids were Miss Barbara Lee of Gatesville, Mrs. Andy Deas of Houston, and Mrs. Kevin Stagner of Beaumont, all former roommates of the bride. They wore floor length A-line burgandy jersey sundresses fashioned with shirred bodices and chiffon capes edged in satin ribbon. They wore burgandy chiffon flowers in their hair and carried colonial bouquets of pink and burgandy pixie carnations and greenery. Gold cross necklaces completed their attire.

The flower girl, Melissa Moore of Huntsville, cousin of the bride, wore a burgandy floor length dress with matching cape and a gold cross necklace. The flowers in her hair were identical to those of the bridesmaids.

John Hurst of Mexia served his son as best man. Groomsmen were Steve Smith, Ray Smith and Russell Slicker, all of Waco. Ushers were Gary Kafer of Gatesville, brother of the bride, Jim Bob Kafer of San Angelo, brother of the bride, Max McGary of Waco, Tim Carrio of Dallas and Kenny Jones of Mexia. candle lighters were Max McGary and Tim Carrio. Jason Moore of Huntsville, cousin of the bride, was ring bearer.

The bride's mother wore a floor length pink quiana dress with matching sleeveless jacket and a corsage of burgandy roses and greenery. The bride-

groom's mother chose a floor length burgandy knit dress with long full sleeves and wore a corsage of pink roses and greenery.

Following the ceremony the bride's parents hosted the reception in the Fellowship Hall of the church. Serving at the bride's table were Miss Leah Box and Mrs. Roy Hudman. Mrs. Gary Long an dMiss Karen Hurst served the bridegroom's cake. Miss Becky Gutierrez, Mrs. Nikki Hudspeth, Miss Karen Moon and Mrs. Art Henson presided at the punch bowl and coffee service. All were friends of the bride at Baylor University.

Mrs. Hurst is a 1974 graduate of Gatesville High School and a 1978 graduate of Baylor University. She is a teacher-coach at West Independent School District. The bridegroom is a 1975 graduate of Mexia High School and is a linebacker for the Baylor Bears football team.

Mr. and Mrs. John Hurst, parents of the bridegroom, hosted the rehearsal dinner at the Chateau Ville in Gatesville.

For their wedding trip the couple went to Colorado.

Relatives attending the wedding from Roby were Mrs. O.D. Knox and Mr. and Mrs. Garland Moore. Mrs. J.R. McAnally of Kermit accompanied them.

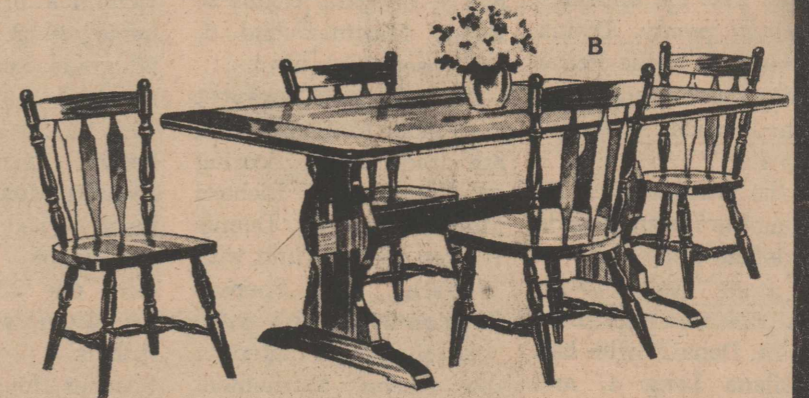

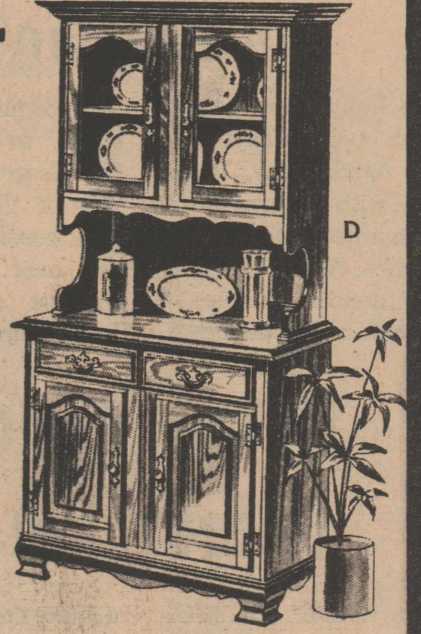

Mrs. Paul Hurst

## Hobbs Talk

By Mickey Early

Tuesday night will begin the 2nd half of district play as we open at highland. Last week we were edged out one point by Roby and 3 points by Ira, both good basketball teams. We led Roby by 18 points at halftime but had 5 starters foul in the 3rd and 4th quarters, allowing Roby to come back.

Roby led by 5 points and I was extremely proud of my freshmen who brought the game back to 1 point.

Ira, however, led us by 20 points at halftime and we came back within 3 points, only to get charged with walking 3 times in a row and allowing the clock

to run out. That's the way it goes.

Now we start all over and plan on winning a lot of games.

## Longworth H.D.C. To Meet Feb. 21

Earl Williams is a McCaulley High School senior, he is 5'9" inches tall with black hair and brown eyes and is 18 years old. Earl was born in Hamlin on June 24, 1960. The color blue is his favorite, also Soul Music and the group K.C. and the Sunshine Band, meeting pretty girls, football and basketball are at the top of the list. After graduation Earl plans to attend a Junior College.

## Fisher County Entomologist Column

DAVID FINLEY

The third in our series of newsletters concerning cockroaches is the oriental cockroach.

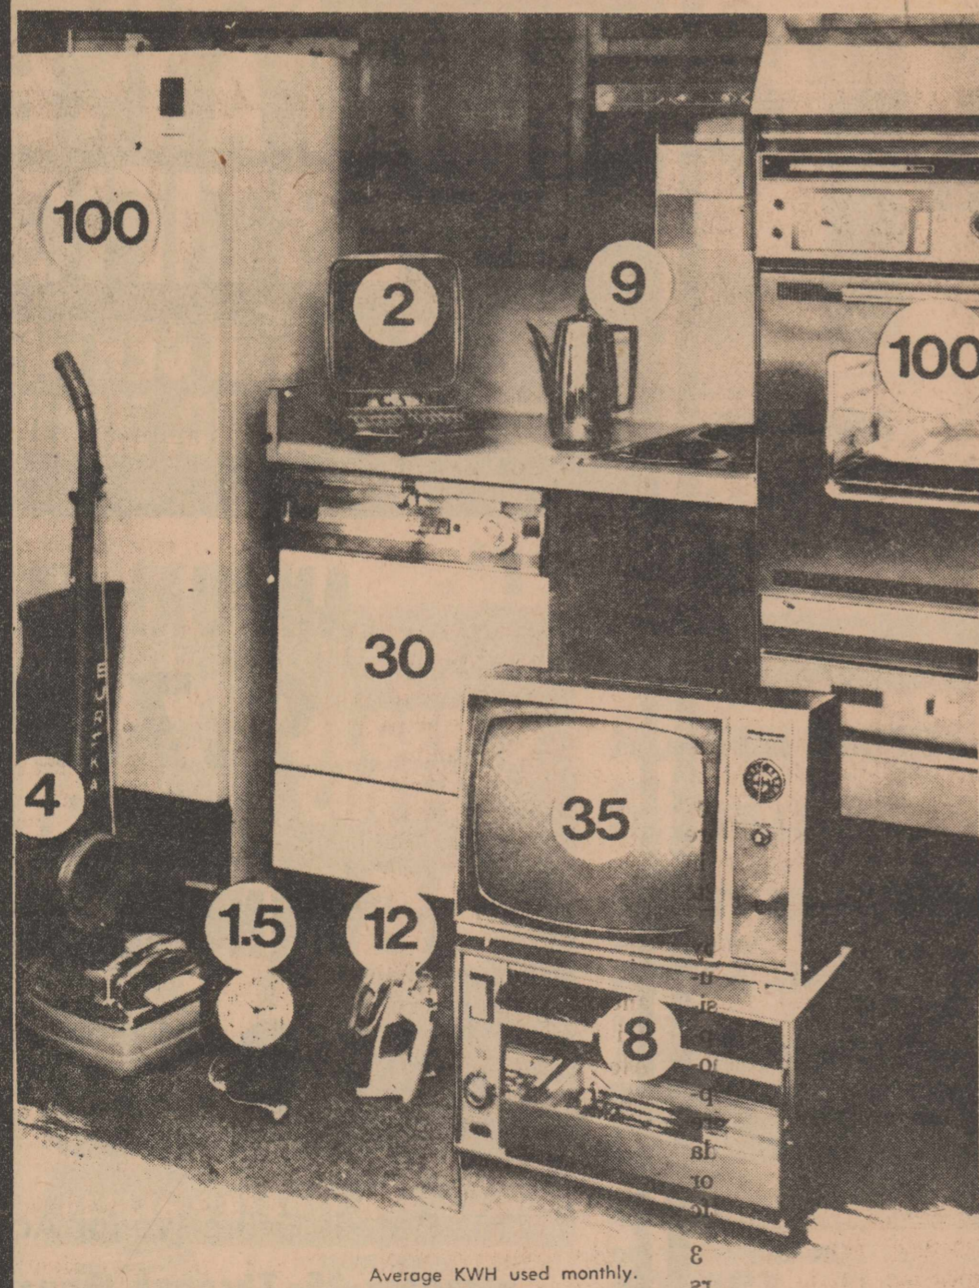

The oriental cockroach is a glossy black, occasionally dark reddish brown and about 1-1/4 inches long. The male has fully developed wings and is capable of flight, while the wings of the female are greatly reduced in size and nonfunctional. This species has about the same life cycle as the American

cockroach in that the life cycle from egg to adult requires from a year to 1 1/2 years. The adults of the Oriental cockroach may live for longer than a year.

This roach feeds on a wide range of decaying organic matter and is considered the filthiest of the domestic roaches. Near the home, this insect lives in cool, moist areas such as beneath leaves and yard debris, in plant

composting materials, or beneath porches without foundations. This roach readily invades households through sewer and drain pipes, cracked foundations, ventilators and under doors. Once inside, oriental roaches are found most often under refrigerators, washing machines and sinks. The female usually deposits the egg capsule in debris or food in a sheltered place.

## HOW TO COUNT KILOWATTS AND CONSERVE POWER

Average KWH used monthly.

Energy conservation is difficult without some idea of how much electricity is required for each appliance. While there are ways to save money on almost any appliance by judicious use, heating and cooling offer the greatest potential for saving. Setting your thermostat at 78 degrees in summer and 68 degrees in winter can mean a very substantial saving on your power bill.

Your member-owned Electric Cooperative offers this reminder. If we each use electricity carefully, there will be enough for us all.

## Hustlin' Round Hobbs

By Mrs. Jimmy Walker

We have really been having some changeable weather, sandstorms, thunderstorms and a little rain, and now its blowing straight from the North and is so cold again.

We were very sorry to learn of the death of Ben Williams who passed away Saturday at the Fisher County Hospital. Our sincere sympathy goes out to Mrs. Lucy Kincaid, Mrs. Minerva McCombs and to his wife, Lena, and to all the remainder of the family. Uncle Ben would have been 100 years old his next birthday so he had really enjoyed a long life.

Mr. and Mrs. Neal Hyer from Andrews visited with Mrs. Lucy Kincaid on Monday, also Mr. and Mrs. Letz from Old Glory. A host of Lucy's family and friends were by to see her that day, as Ben Williams, her brother, was buried Monday at Hobbs. Lucy seems to be doing a little better but still remains in the Fisher County Hospital. We hope that she will soon be well enough to return home.

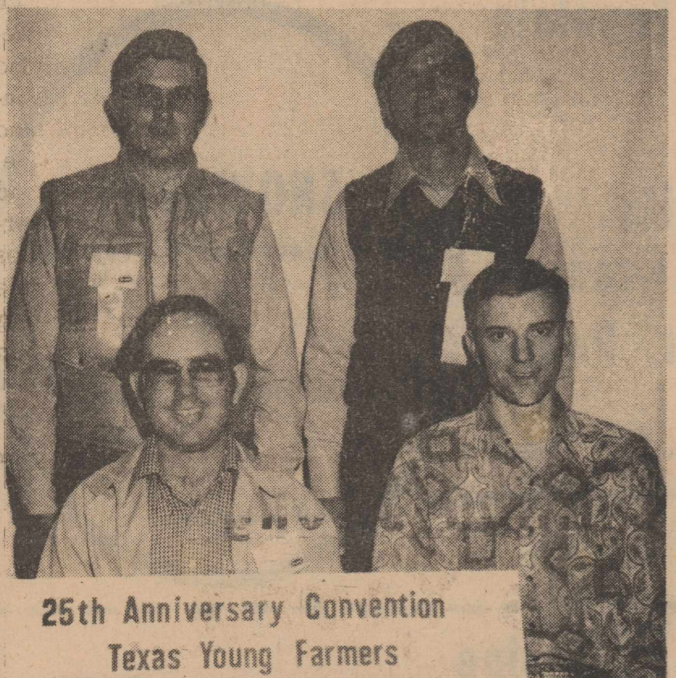

Mrs. Jimmy Walker and Mrs. Wilber Gruben went to Lubbock on Wednesday and met Melody for lunch. It was such a lovely day that day, for a change. Mr. and Mrs. Jimmy Walker went to Hawley both Monday and Tuesday nights to watch Rotan play basketball.

We were glad to hear that Dale Cave is now home from the hospital and seems to be feeling real good. We hope that he will continue to feel O.K.

The Phillis, Hyers and Porters celebrated birthdays on Sunday at the home of Mr. and Mrs. Mike Porter. Those celebrating birthdays were Marie Phillips, Gary Hyer, Tonya Porter and baby Patricia Porter. Happy birthday to all of these.

Joe Hardin and Marge Peters from Abilene visited all day Sunday with Bea Hardin. Jane Dever from Snyder also visited Bea Sunday evening. Damon and Derric, grandsons of Mr. and Mrs. W.B. Hardin of Rotan, spent Saturday visiting with Bea.

Well, its short again this week, but the weather has been keeping lots of folks from visiting. See you next Thursday.

## The Roby Cubs Place Third In Tourney

The Roby Cubs traveled to Blackwell Thursday for their first game with McCaulley. They won their first game 32-12. Mary Johnson lead the scoring with 10 points. Lucy Gonzalez had 8, Twyla McCright 6, Sharon Stuart 4, Valarie Goodrum 2, Kelley West 2.

In the second game Roby played Wingate. Wingate won 19-9. They held the Roby girls down to two points each, Johnson, McCright, Stu-

art, Goodrum, and Gonzalez with 1 point.

The third game we played Blackwell and won 21-14. West had 8 points, Gonzalez 6, Johnson 5, and Stuart 2. The Cubs played better ball than they did the first two games. They received a third place trophy and Lucy Gonzalez made the All Tournament team.

## 4-H Plans McCaulley Benefit Program

Fisher County 4-H'ers will have a benefit program Saturday, February 17, at 7:30 p.m. at the Roby High School Auditorium. All proceeds will go to the McCaulley Fund to help fellow 4-H Club members.

Anyone who would like to present their talent can call the County Extension Office 776-2171 days, or

776-2127 nights. Deadline will be Monday February 12.

There will be no entry fee for participants. Admission for everyone, including participants will be \$1.50 for adults and \$1.00 for students. There will be a cake auction and all other donations will be appreciated.

## Western Artist Paintings To Be Featured

Paintings by Western artist Robert Garland of Lawton, Okla., will be featured in the Scurry County Museum at Western Texas College from Jan. 28-Feb. 25.

A reception honoring the artist is scheduled from 1-5 p.m. on Jan. 28, and the public is invited to attend. The Snyder Palette Club will host the reception in the museum lobby.

Garland will be exhibiting about 35 paintings, mostly watercolors and some oil.

The Diamond M Museum at 911 25th Street in Snyder will be open from 2-5 p.m. on Jan. 28 and visitors may also see the art collection there without admission charge.

Garland has been a professional in the arts since 1952 and his paintings are in approximately

300 private collections as a result of one-man shows in such diverse areas as Spain, Mexico, New York, Texas and Oklahoma. He was won about 75 first place and best of show awards since coming to the Oklahoma-Texas-New Mexico area. He is an active member of the American Watercolor Society and the Lawton-Fort Still Art Guild, and of the Rodeo Historical Society.

The Scurry County Museum, located on the campus of Western Texas College, is open each weekday and from 1-5 p.m. on Sundays without admission charge. Visitors to the permanent exhibit gallery see the history of the Scurry County area traced from the days of pre-historic Indians to present-day oil production.

# We're Still The Way We Were.

An elegant revival of times past, the Celebrity always adds a touch of warmth to its surroundings. Available in ivory with gold-colored trim or powder blue with silver-colored trim, it's small enough for a bedside table.

And, of course, it's genuine Bell. Which means you're getting top quality and you never have to worry about repairs. Since the working components are owned by the Bell System, we'll fix them anytime there's a problem. Without additional charge.

The Celebrity is now appearing at your nearest PhoneCenter Store, where you can also choose from a variety of other colorful and attractive styles. Or call your local Southwestern Bell business office. Choose a phone that's genuinely you and genuine Bell.

The Celebrity. \$16 a month for five months or a one-time charge of \$80. Prices do not include taxes or, if applicable, installation and recurring charges. If necessary hearing aid adapters are available from your telephone company.

## Roby Lions Make Run For Second Half District Title

The Lions are now 0-3 in district play. We lost last Tuesday to Highland by the score of 44-37. Greg Jennings had 16 points. We lost to Hermleigh last Friday by the score of 44-36. Mark Pope had 13 points and Jennings 11 points. Both of these were away games. We shot 25 percent against Highland and 20 percent against Hermleigh. You just don't win too many games shooting that percent. I was very pleased with our defense. Anytime you hold the opponent to 44 points you should win.

Hermleigh had us 21-0 before we scored with three minutes left in the half. Some of the shots finally started falling and with our good hustle and defense we got back within 6 points and had a chance on free throws to cut it to 4 points. But we missed the free throws and then fouled and they beat us 8 points. Hermleigh has nearly the full team back that beat us twice last year and they are tough at their place. With the exception of our poor shooting, I thought we had a good game.

We lost our first district game to Loraine in overtime 54-50. Jennings had 26 points and Pope 12. Again, poor shooting probably cost us the game. This game we only made 8 of 23 free throws and most of those were one on one. So probably our poor shooting has cost us our first three district games. Hopefully, we will start improving on this. We do, I think we will be very competitive with anyone in our district.

We are glad to have Brad Wilburn back though he is not nearly full speed. We have really missed him, he is a big asset to our team.

The Lions won their first district game by beating Ira 52-51. Ira only had one district loss and that was to first half champion Westbrook. Mark Pope led the scoring with 16 points, Greg Jennings had 15, and Timmy Morton 8 points. In the next game we beat Hobbs 38-37. That's

## Roby Jr. High Boys Are 3-1 In District

The Cubs upped their record to 3-1 in district with a victory over Hermleigh Monday night. Our season record with 7th and 8th grade is 15-1. We beat Hermleigh by the score of 41-28. We didn't look very sharp in this game. Robby led the scoring with 12 points, Joe 8, Lyndell 8, Kirk 6, Terry 5, and Jerry Wallace 2 points. I really am proud of our balance scoring. It makes us a much better team. Our boys are very unselfish and that's what it takes to be a good team. I am very proud of them and Robby should be. Thank you for your support.

The Cubs play Hawley Thursday, the 25th. There will be four games, 7th and 8th boys and girls. The two girls games will be first starting at 4:00. Hawley will probably be the best team we will face all year. Their 8th grade is undefeated and the closest game has been about 10-15 points. They have won the Anson and Merkel tournaments. This should be real good for our boys. We hope to give them their first loss of the year at their home. We will have to play better defense. Our next district game is against Ira at

about our 4th one point game. Jennings had 14 points, Pope 10 and Britt Stuart 6 points. We played the worst ball we have ever played in the first half as we were down 21-9. Our boys did play hard to come back and win by 38-37. We did show some poise by coming back and not

Roby Monday at 6:30. We are also in the Wingate tournament next week. We would appreciate your support as we try to win our second tournament.

## Leisure Lodge Report

By Ima Berry

It is with a very sad note that we bring the Leisure Lodge news this week.

We have lost two of our residents the past week. Last Tuesday, Jan. 16, Miller Coppedge passed away. We extend our sympathy to Miller's family and friends. Last Saturday, Jan. 20, Ben Williams passed away. We also wish to extend our sympathy to Lena and all of Ben's family.

We will certainly miss these two fine men.

Out of town relatives who were visiting Lena and here for the Williams services were Mr. and Mrs. Len Ainsworth of Lubbock, Willard Ainsworth of Oklahoma, Mr. and Mrs. Bud Morton of San Angelo, Pauline Casey, Alene Morgan and son of Austin, Ellis and Ann Neves of Snyder and Mr. and Mrs. Neil Hyer of Andrews.

Here for the Coppedge services were: son, Mr. and Mrs. William Coppedge of Clyde, daughter, Mr. and Mrs. Carl Holaway of Bloomfield, N.M., and several grandchildren and great-grandchildren.

Mrs. Lois Deel is in Fisher County Hospital suffering from a broken wrist. She fell last Sat. morning. Hope she will soon be home.

Visiting Maud Gruben was Mrs. Landy Jamison and Mrs. Louise Killingsworth of Hamlin.

giving up.

We lost our last game of the 1st half to Westbrook by the score of 57-33. That was the closest game they had at their gym in district. We made 4-17 free throws. Jennings had 8 points, Timmy Morton 7, Pope 6, and Mike McGinnis 4 points.

All but the Westbrook game was close in the district race. We hope to make a run at the second half title. I believe we can do it. Thank you for your support and we hope to have the same support in the second half.

Junior varsity is in a tournament at Jayton Feb. 1, 2, and 3. We play Motely Co. the first game Thursday with the girls playing at 2:30 and the boys playing afterwards.

John White visited Nancy White and Mary Barker, also Mr. and Mrs. Jack Barker of Roby visited Mary Lee Barker.

Visiting Katie Aaron from out of town was Mr. and Mrs. Joe Morrow and Blake of Colorado City and Mr. and Mrs. Abner Aaron of Dallas.

Visiting Jimmie Brewer was Mrs. Bess Palmer of Roby and Elsie Rinker of of Lubbock. Jimmie came home from Fisher County Hospital last Wednesday and seems to be doing fine.

Mrs. Sally Etheredge, and John of Roby visited the Tom Simmonses.

Guess this is all of our news for this week.

See you next week.

## Roby Cubs Suffer Their First Defeat

The Cubs suffered their first defeat of the year at the hands of Highland by the score of 24-20. The bad thing is that it was a district game. We suffered our worse shooting of the season as we made 10 of 52 shots and 0-3 from the free throw line. I believe some of this is due to the fact that we have not played in about three weeks. Highland has a good ball team and they out played us this night. The game was won at the free throw line as we were 0-3 and they were 6-18. We made more field goals.

Now the Cubs will have to win the district tourna-

ment and then beat Highland in the play off to win district. I don't feel like anyone else can beat Highland. I hope I'm wrong. We put ourselves against the wall and now we will see what we are made of. We will have to play much better than we did last night.

Kirk Williamson led the scoring with 12 points.

### Fisher County AGENT NEWS by Richard Spencer

Drouth conditions and a lack of green forage in Fisher County often lead to a vitamin A deficiency in cattle. Thus producers may want to supply a supplemental source of vitamin A for cows grazing dry, bleached pasture with little or no green hay or silage this winter.

Vitamin A promotes growth, stimulates appetite, aids in reproduction and lactation, keeps the mucous membranes, respiratory and other tracts in healthy condition and makes for normal vision.

Deficiencies of Vitamin A during pregnancy may cause cows to abort or give birth to dead or weak calves. Extreme deficiencies may also impair the ability of cows to conceive. Bulls receiving insufficient vitamin A show a decline in sexual activity and semen quality.

Carotene, which supplies vitamin A, is contained in all green parts of growing plants. Good pastures always provide liberal and rich supplies of carotene and thus have high vitamin A value. However, vitamin value decreases after the plant's bloom stage and much of the carotene is destroyed in hay by oxidation during the field curing. The degree of greenness in roughage is usually a good index of its carotene content, but hay over one year old (regardless of color) is usually not an adequate source of carotene or vitamin A.

The vitamin A requirement of breeding, growing and finishing beef cattle can be met by carotene in feedstuffs such as green pastures, grass or legume silage, hay not over a year old, or by supplemental vitamin A either by intramuscular injection or orally.

Growing and finishing steers and heifers require 1000 International Units of

vitamin A per pound of dry diet; pregnant heifers and cows, 1270; and lactating cows and breeding, bulls 1770.

The intramuscular injection of emulsified vitamin

A at the rate of one million units apparently provides sufficient vitamin A to prevent deficiency signs for two to four months in growing or breeding beef cattle.

## 1978-79 Cotton Harvest Delayed

The 1978-79 cotton harvest in the Abilene area was further delayed by scattered, light rain showers received on Thursday and Friday. The harvest was just being resumed following about two weeks of cold, icy weather. Mr. B.B. Manly reported that about 22,000 cotton samples were classed at the U.S.D.A. Cotton Market-

ing Services Office in Abilene during the week ending on Friday, January 19. This brought the seasonal total to 311,000 samples classed in Abilene. An additional 54,000 samples have been classed at Munday.

Local cotton prices declined on Monday, Tuesday and Wednesday of the past week, then recovered

by about 100 points on Thursday and Friday. Prices were about three cents per pound lower than during the previous week. Bid prices ranged from 750 to 1025 points over loan values on Friday, with most cotton selling at 800 to 850 points over the loan. The supply was heavy but offerings were light. Demand was light to

moderate. Trading was slow to moderate. Mixed quality lots of cotton sold at mostly 51 to 53 cents per pound.

The quality of late season cotton classed in Abilene has declined only slightly. Grade 42 comprised 38 percent of the total classings. Grade 41 comprised 17 percent, grade 52 comprised 16

percent, and grade 51 followed at 14 percent.

Fiber length was 56 percent staple 32, 26 percent staple 33, and 16 percent staple 31. Microaire readings were 77 percent within the 35 to 49 range. About 19 percent of the samples were reduced in grade because of bark content, and 1 percent was reduced for grass.
