### Little League Tryout Dates Set

The officers and managers of the Little League organization met last Thursday night and set the dates for the beginning of the Little League farm team season.

The first practice session for Little League draftable players was set

to begin on Monday, April 9. The draftable age boys (Little League age 10) will be drafted on Friday, April 13. The first Little League practice session will begin on Monday, April 16, for all newly drafted players and all returning players.

The first farm team

practice for boys Little League age 8 and over will be on April 16 at the Rotan Gin Company.

The first season game will begin on Monday night, April 30.

Donnie Gruben was named Vice President in charge of the Farm Team Operation and Hoss Carrillo was designated as head of field maintenance.

The organization plans to enter into an extensive field repair program this year in preparation for hosting the 1979 District Little League playoffs at the end of the season.

**ROTAN ALL DISTRICT GIRLS:** A total of six Rotan girls were named to either an all district team or were named honorable mention at last week's selection. Left to right, front row, Ginger Duke, named first team all district; Regina Pearson, honorable mention; and Kathy McCombs, honorable mention. Back row, left to right, Cheryl Jones, honorable mention, Charee Smith, honorable mention; and Ann Gentry, second team all district.

#### Dumb Gremlins

My friend Don Tabor, publisher of the Clyde Journal in Clyde, Texas is constantly blaming the gremlins for all foul-ups. He is a great believer in Murphy's Law—"If anything can go wrong it will", and blames the gremlins for everything.

Well, last week I think the gremlins were at work in our typesetting machine (more than they usually are) and now Tabor's got me believing in the dumb gremlins.

First inclination that something was wrong was last Thursday morning when we got a call from Rodney Denton. He advertised a house for rent on West Burnside and wanted to know if we made the mistake or if he did. The ad came out in the paper, House for Rent at 212 East Burnside. He said he thought he had the house rented so it really didn't matter—just wondered who goofed. We didn't look back, still haven't, we're just blaming the gremlins.

Second inkling that something was wrong came from LaVada Jones. She lives at 212 East Burnside. "Kim", she said, "we've been neighbors for 9 years, what have I done to you that would make you put my house up for rent?"

I didn't know what she was talking about at first—but then it all fell into place.

Some amusing stories came out of the incident. Rodney said he didn't have any idea that we had the wrong address in the paper until someone came to the Drug Store and asked that he show them the house. He said he would and asked the young couple to drive their car and he'd follow them to the house in his car, and open it up for their inspection. Rodney said everything was fine until they got to the intersection of Cleveland and Burnside—the young couple turned right on to East Burnside and he turned left onto West Burnside.

LaVada said that over the years her home has been confused with several others, not only in renting the property, but in attempting to deliver merchandise.

Several years ago a truck driver from a Sweetwater furniture store knocked on the door and informed her that he had been told to repossess her living room suite. Needless to say he had the wrong address.

On another occasion a Singer Sewing machine salesman left a note on the door saying that he tried to get in the front door to fix her sewing machine, but the door was locked.

On yet another occasion a man from an Abilene furniture company knocked on the door and when LaVada answered he informed her that "I have your desk that you ordered". He was directed to another address, for she didn't order a desk.

After hearing all of these stories, Lavada said that the funniest had to be last week when she told the young couple and several children that her house wasn't for rent or for sale.

### Teichelman Resigns Ag. Job At Rotan

Rotan Vocational Agriculture teacher, Ronnie Teichelman, submitted his resignation to Superintendent Tom Harkey last Tuesday. Teichelman plans to pursue employment with Bruce Cox as the person in charge of his swine farrowing operation.

He has been head of the ag teaching department at Rotan High School for the past nine years. Teichelman came to Rotan from Aspermont where he was the second ag teacher.

The resignation will become effective in late June.

According to Teichelman, "I have enjoyed my years at Rotan High School, but I am looking forward to the opportunity of going into private business."

### Lucille Biers Named Acting Head Nurse

Mrs. Lucille Biers has been appointed to serve as the acting Director of Nursing at the Fisher County Hospital, according to Administrator Perry Hunsaker. Hunsaker said in an interview last Monday that he intended to name a new permanent director of nursing in the next few weeks after reviewing applications.

Mrs. Alta B. Hinson, previous director of nursing, resigned effective last Sunday to accept a position with Leisure Lodge in a supervisory capacity.

### Sonny Barnes Steps Down At Rotan High

Head Rotan girls coach Sonny Barnes submitted his resignation to Superintendent Tom Harkey last Tuesday morning.

Barnes appeared before the board last Monday night and reviewed the girls sports program.

**RELAY COMPETITION:** Scott Thomson of Roby started from the blocks in the relay race at the Roby track meet last Saturday.

### Roby Board Hires All Teachers For 1979-80

The members of the Roby School Board rehired all teachers and coaches at their board meeting last Monday night and amended the Roby School Calendar for lost days due to bad weather.

The only remaining day that needs to be made up is the school day missed on January 4 due to ice, according to Superintendent Laurie. He indicated that the board approved Friday, May 25, a day originally set aside as a teacher work day, as a regular school day for all children. The teacher work day has been moved to Saturday, May 26.

In other action the board approved the appointment of Kyle Moore as a member of the board of equalization. He joins Gene Terry and Roy Noles who were previously elected to serve in that capacity.

### Four On Roby School Board April Ballot

Roby Independent School District voters will be naming three members to the Roby School Board from a slate of four candidates, according to Superintendent Jimmie Laurie.

Incumbents whose names will appear on the ballot include Roy Herron and Leonard Mitchell. Melvin Thomson and Scott Feagan are the newcomers filing for first terms on the board. Former board member Joe DeLos Santos elected not to re-file for another term.

## Plans And Specs Authorized Hospital Board Votes To Draw Plans For New Clinic

The Fisher County Hospital Board members after hearing a report from Jerry Anderson with the CPA firm of Conley & Co. of Abilene and talking with Lanny Wadleigh of Wadleigh Construction Company of Snyder, approved

by a split vote, a motion to authorize the drawing of plans and specifications for a new four doctor clinic at the Fisher County Hospital.

Jerry Anderson said that "We've (the board) opened an area that we haven't served before", in

talking of the financial impact that Dr. V. Carandang has had on the hospital district. Anderson pointed out to board members that the hospital district showed an approximate \$35,000 profit from patient services that could be attributed back to

Dr. Carandang for 1978. He noted an increase of more patient days and in closing said that the clinic would carry itself financially.

Anderson said that if Continued To Page 8

### Burglars Hit Summers...Again

For the third time in the last year someone has burglarized Summers Pharmacy in Rotan. The latest incident took place between 4:45 p.m., March 11 and 7:45 a.m. March 12, according to Rotan Police Chief Charles LaFe-

ver. The burglar gained access to the drug store through the drive-up window and exited through a large overhead door on the south side of the pharmacy.

There was an undeter-

mined amount of controlled drugs (class 1) containing codeine and other potentially dangerous drugs taken in the burglary.

Store owner Luther Summers indicated last Monday morning that "the person was not an amateur—he knew what he wanted and just went down the aisles shopping."

In addition to the drugs, the burglar took some other items from the shelves in the front part of the drug store. "We know he took at least one watch", said LaFever, "the total amount of lost items will not be known until an inventory can be taken."

### Rotan Police Arrest Woman After Shooting

Rotan Police investigated a shooting on March 11 at approximately 2:45 a.m. and as a result, charged a Rotan woman with "disorderly conduct", according to Chief LaFever.

ted to fire a gun in the direction of a car being operated by a male acquaintance. A relative of hers attempted to stop her from shooting at the car and the weapon discharged into the ground, according to LaFever.

She was taken before Justice of the Peace Ernest Roberts and was assessed a fine and released.

### Three Slots Up For Grabs At Rotan

Rotan City residents will be naming three councilmen and a mayor to serve two year terms when they go to the polls on April 7.

Two incumbents, Rodney Tankersley and Rodney Denton, have filed for re-election to the council. Additional filings include Clyde South and Mrs. Dorothy Lomax.

Mayor Lester Sescil is unopposed for re-election.

### One Quits Hospital Race

With the recent withdrawal of Dr. Maurice Callan as a candidate for

re-election to the Fisher County Hospital Board, residents of the Fisher County Hospital District will be voting for two of four persons for two year elected terms.

Incumbent Glenn Copeland is seeking re-election as are new comers Bonnie Duke, Marion Reed and Albert Maberry.

**A SPRING SUNSET:** After the rough winter experienced by Fisher County residents, Staff Photographer Jimmy Markham couldn't resist silhouetting the above area windmill against a vividly colored sunset early this week. Trees are budding, flowers blooming and farmers are having thoughts of a bumper cotton crop with a little help from Mother Nature.

**ALL DISTRICT BAKETBALL:** Greg Jennings, left, and Lois Ann Cauble, right, won All District in basketball recently.

## Film Honoring Corrie Boom To Be Shown

A new color motion picture honoring the life of Corrie Ten Boom will be presented at First Baptist Church, Rotan. Entitled *Corrie: The Lives She's Touched*, the film, produced by World Wide Pictures, will be shown on March 18, beginning at 7:00 p.m.

Filmed in Denver before a live audience of more than 2,000 persons gathered to pay tribute to Corrie's ministry of love and compassion, *Corrie: The Lives She's Touched* shares in greater detail the events that have taken place in her life.

During World War II, Corrie and her family, residents of Haarlem, Holland, became involved in the Dutch Underground following the invasion of their homeland by Hitler's Nazi forces. They are credited with saving the lives of scores of Jews, by hiding them in a secret room in their home, and by arranging safe passage out of the country. For their effort, they were arrested in a surprise raid, and sent to prison. Corrie was sent to Ravensbruck Concentration Camp, and is the lone survivor of the immediate family.

Corrie's story has been shared with millions around the world through the book and motion picture, *The Hiding Place*. A 1975 World Wide Pictures release, *The Hiding Place* has been dubbed into several foreign languages, and has been well received in England, Holland, and West Germany, as well as throughout the Far East.

*Corrie: The Lives She's Touched*, is hosted by Cliff Barrows of the Billy Graham Evangelistic Team, and features a number of surprise guests from Corrie's past, including her nephew, Peter van Woerden, who, as a youth, was also involved in the work of the Underground, and Diet Ehrlick, who was in the concentration camp with Corrie.

Other guests on the program included Jeanette Clift, the actress who portrayed Corrie in *The Hiding Place*, and Tom Claus, and American Indian Chief who inducted Corrie into his tribe as an honorary member.

Music is featured throughout the one-hour program by Evie Tournquist, George Beverly Shea, the Bill Gaither Trio, and by Tedd Smith, pianist and composer of the film score for *The Hiding*

Place. According to Rev. David Bugg, pastor, of First Baptist Church, the showing is free and open to the public.

## Mom's Morn Out To Begin March 15

Thursday, March 15, from 9:00 a.m. until 12 noon, will mark the beginning of a weekly Thursday morning event designed to let any interested mother have three hours of rest, shopping, or whatever, at a nominal cost.

First Baptist Church in Rotan is sponsoring a "Mom's Morning Out" with three age divisions of child care and guided play. All mothers with children under kindergarten age are invited to take advantage of this service.

## 4 H'ers Traveled To Abilene

The Honey Bee Clothing Project group of the Rotan Community 4-H Club attended the Fashion Extravaganza Saturday at the Abilene Women's Club. The show was sponsored by the Taylor County Extension Service.

The 4-H'ers saw the latest fashions from Aunt Betty's Rags, the newest fabrics from Daydreams By The Yard, the model's way of applying makeup by Christie Harris and new ways of wearing scarves. They also enjoyed a salad luncheon and learned how to make silk flowers by making one themselves.

4-H'ers attending were Jodie Lawlis, Joyce Harkey, Deanne Harbin, Jerilyn Marshall, Elisa Carrillo, Jill Posey, Julie Posey and Patricia Posey. Sponsors were Jo Hariman and Carol Posey.

## Mexican Dinner March 24

The ladies of the St. Joseph Catholic Church are sponsoring a Mexican Plate Dinner on March 24, from 4:00 p.m. until 7:00 p.m., at the Parish Hall, and the public is invited to attend.

The funds raised from the Mexican Plate Dinner will be used to furnish classrooms and the Parish Hall.

## Three Residents Report Vehicle Damage

### Rotan Jr. High Entered Track Meet

The Rotan 7th and 8th grade boys track team traveled to Anson Saturday to participate in a junior high meet composed of approximately 25 schools, with both grades competing together.

**Results**

Rotan had a total of 64 points at the meet.

## Community 4-H To Meet April 9

The Fisher County Community 4-H group met March 12 in the Rotan school cafeteria. Joyce Harkey and Jill Posey showed how to do demonstrations. The group talked about 4-H camp and the fashion show.

Refreshments were served and the meeting was adjourned. The Community 4-H will meet April 9 at the Rotan cafeteria.

## John Walker Resigns Position

Assistant Rotan Police Chief John Walker terminated his employment with the Rotan Police Department last week after having served on the local force for approximately 15 months.

Walker was unavailable for comment concerning the termination, but Rotan Police Chief Charles LeFever said that Walker came to the office 10 minutes before the start of his shift and announced that he was leaving.

With the termination of Walker, the Rotan Police Force is now staffed by Chief Charles LeFever, Patrolman Gene Pack and Patrolman John Moon.

by unknown persons, to Rotan Police last week, according to Chief Charles LaFever.

The first incident was reported to police on March 8 by Larry Robertson, 902 East 8th Street. Some unknown person used a sharp instrument to puncture a tire on his pickup truck that was parked in his driveway.

Damages were listed at \$58.00.

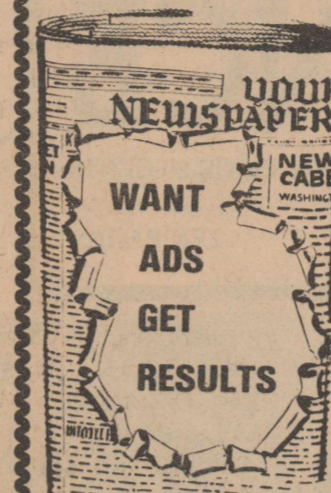

The second incident involved Billy Henderson of 1101 East McArthur. He reported that someone punctured a tire on his vehicle that was parked in front of his home. Damages were listed at \$70.00.

The final incident was reported by Rafer Hargrove of 802 East Johnston. He had two tires punctured on his vehicle with damages listed at

\$150.00.

Chief LaFever said that the department is still investigating the incident and asked anyone having

any knowledge of the incidents or observing vehicles in the area to contact law enforcement authorities.

A tree silhouetted against the sky... clouds drifting through the air — common sights. But this tree highlighted by these clouds is dramatic.

Often it's the combination, the merging of people or things that attracts our attention and excites our imagination.

In our community there are places of worship — churches. Viewed simply as empty buildings, they can seem ordinary. And people in a crowd can often lose their individuality.

But bring together scores of people, united in a common faith, to worship God, and suddenly there's a merging of the human and the Divine that rises above the commonplace.

God and man united in purpose — this is the world's best hope!

# Spring Revival To Be Held At Cross Roads

The Dietz Brothers music evangelists from Amarillo, will lead the members of the Cross Roads Baptist Church in their Spring Revival this Friday, Saturday and Sunday, March 16 through 18th. Phil and Andy Dietz, accompanied by Don Wallace, will lead the 7:00 p.m. services on Friday, Saturday and Sunday nights by presenting the Gosepl Message of Jesus Christ in Scripture and Music. The 11:00 a.m. Sunday morning service will include a mini-concert by the musical group complimenting a message by Bro. Mike Hicks, *The Church-His Church*. The Revival theme will be Give

It All To Jesus and each service will emphasize the ability of Jesus Christ, God's Son, to fully meet the needs of our lives. A youth emphasis will be included in the Friday evening activities with a combination fellowship/afterglow time for youths from seventh grade through college level following the service. Saturday's emphasis will be "Be A Good Neighbor Night" with each person being encouraged to bring a guest to hear about Jesus and thereby be a good neighbor. A fellowship meal, covered dish style, will follow the Sunday morning Worship Service and a brief Praise

Time will be the closing part of the Sunday evening service.

"We are grateful to our Lord", said pastor Mike Hicks, "for allowing us the privilege of having this fine musical team of evangelists who love the Lord and serve Him with their talents to come and share this time with us. We also want to thank our own evangelism committee for the preparatory work it has done. Our prayers are that God will touch and transform lives through His merciful grace during these days. We covet the prayerful support of other Christians for these days and invite every person of the surrounding area to come and Worship with us." Weekly Bible Study through the Sunday School will precede the Sunday Morning service by one hour, beginning at 10:00 a.m. and the Church Training Activities will be held at 6:00 p.m. prior to the 7 o'clock evening worship services.

TO LEAD REVIVAL: Left to right, Phil and Andy Dietz and Don Wallace will lead the Spring Revival at Cross Roads Baptist Church, Rotan.

HOUSTON WINNER: Mike Morrow of Rotan was winner of the Shorthorn Mediumweight Steer Class at the Houston Livestock Show. Mike is a Fisher County 4-H'er and attends Rotan High School.

# Track Boys To Travel To Aspermont

Rotan senior, David Posey, took the first place ribbon in the pole vault event last Saturday at the Anson Relays with a leap of 11 ft. 6 inches, but that was the only blue ribbon captured by the Yellowhammers for the day.

The sprint relay team, made up of Greg Hayes, Byron Weathersbee, David Thornton and Cecil Turner, took a 5th place with a time of 46.5.

The mile relay team had a time of 3:50.86, that team and the times for their quarters, Greg Hayes 56.78, David Thornton 57.60, David Posey 56.44 and Kip Pease 59.04.

Posey took a 6th place finish in the 120 high hurdles with a time of 17.14.

David Thornton took a 3rd place ribbon in the 220 yard dash with a time of 23.75.

Byron Weathersbee finished 6th in the pole vault with a jump of 10 ft. and had a time of 11.04 in the finals of the 100 yard dash. His time in the 220 was 24.73.

Others taking part in the

varsity division were Greg Hayes 11.40 in the 100 yard dash; Kip Pease 2:16.2 in the 880 run; Blake Hale 40 ft. 8 in. in the shot and 117 ft. 4 in. in the discus; Mark Henderson 38 ft. shot and 113 ft. discus; Bob Swafford 33 ft. in the shot and 85 ft. in the discus.

Sixteen teams entered the relays and Rotan took 23 points for the day.

In the Junior Varsity division, Keith Mullins took a 2nd in the 120 high hurdles, a 4th in the pole vault with a jump of 9 ft. 6 inches, and had a time of 50.2 in the 330 intermediate hurdles.

The junior varsity sprint relay team had a time of 51.45 but didn't place in the points. That team was made up of Keith Mullins, Jarrell Marks, Tommy Wright and Julio Carrillo.

The mile relay team, made up of Gary Don Harkey 59.0; Julio Carrillo 61.0; Jarrell Marks 68.0 and Tommy Wright 65.0 finished the event with a total time of 4:14.43.

Julio Carrillo was 6th in the 880 with a time of 2:19.6 and Johnny Turner had a time of 3:00.0 in the same event.

Henry Williams was 6th in the mile run with a time of 5:27.9 and had a time of

13.0 in the 100.

Tommy Wright had a leap of 15 ft. 8 inches in the long jump and a time of 27.1 in the 220.

Jarrell Marks had a time of 19.6 in the 120 high hurdles and a time of 56.6

in the 330 intermediate hurdles.

Alva West had a jump of 8 ft. 6 inches in the pole vault, threw the shot 35 ft. and tossed the discus 93 feet last Saturday.

Willie Hayes had a 33 ft.

shot put throw and a 95 ft. discus toss.

The Rotan varsity boys travel to Aspermont this Saturday and the high school and junior high girls go to Forsan for their first meet of the season.

**Fisher County  
AGENT  
NEWS**  
by Richard Spencer

Several Fisher County Stock Farmers have added sheep farm flocks to their operations during the past year. There are now over 1,000 herd of ewes in the county compared to 200 two years ago. The newest sheep producer is James Ratliff. Sheep producers are reporting very high lambing percentages with one flock as high as 160 percent while others report 140 percent. The average range lambing percentage is about 80.

A farm sheep flock can be described as one that primarily utilized feeds and forage produced on cultivated land. In most farm flock operations there is little or no native rangeland grazing available. Farm operators who have interest in diversifying their business activities should consider sheep as a supplemental enterprise that will return a profit with high-level management. Sheep can produce income from resources that otherwise would be wasted. Resources required: Sheep can graze on small grains, crop stubble, and weeds. They can be confined in dry lot and fed almost any kind of feed, including some that may be considered low-quality roughage.

Fencing can be existing fences, or electric fences can be erected at low cost. Sheep are relatively easy to restrain and fencing for sheep need not be a major investment.

Facilities such as barns, sheds, pens and feeding equipment are often available on many farmsteads. There is a minimal requirement for these types of assets for small sheep flocks.

Labor for a farm sheep flock should not be excessively competitive with the major crop enterprises. In most instances it is possible to arrange feeding programs and lambing seasons to take advantage of spare time from other business activities.

Capital required to establish or expand a farm

flock varies with the size of the sheep enterprise and the desires of the operator governing the quality and quantity of the facilities, equipment, and breeding animals.

**Price Outlook.** The short run price prospect for sheep and lambs appears especially good. The strength of consumer demand for lamb meat has been demonstrated vividly the past several years when lamb products were consumed at high prices during a period of relatively low beef cattle prices. The predicted higher prices for beef products should help stabilize lamb prices even more.

Wool incentive levels are designed to increase each year until 1981 to

compensate for the effect of inflation on production costs. The incentive program in effect puts a floor under wool prices and insures a moderately acceptable income from wool.

**Cost and Return.** It is necessary to call attention to the fact that the labor and investment required for the sheep enterprise often may be competitive with other enterprises. A comparison of net returns from all enterprises is required to select the activities that have the most favorable net income for the resources used.

Some form of record keeping should be established and maintained for the sheep enterprise. Economic and production data is vital for decision-

making. Each operator should keep and rely on his own records. Each situation is influenced by individual circumstances, thus relying on guesswork usually is not satisfactory.

**Management Opportunities.** Farm sheep flock operators have several alternative production systems for utilizing home-grown feeds and forage with sheep. In addition to the ewe-lamb system it may be possible to conduct a lamb feeding operation. A word of caution may be in order for operators who have no experience in buying feeder lambs, feeding drylot lambs, and selling slaughter lambs. There are seasons of the year when the potential for profit from a lamb feeding

venture are favorable; there are other months when the potential for net returns may be described as slim or none.

**Summary.** A farm sheep flock requires relatively few special resources. Sheep can harvest forages that may be wasted otherwise. Labor requirements are minimal and are not highly competitive with cash crop activities. The net return potential from lamb and wool production is excellent at today's prices. These prices are expected to remain stable for several years, possibly longer. The key to success with a farm sheep flock is management, both production management and business management.

**Dr. C.M. Callan Withdraws Name From Ballot**

Dr. C.M. Callan officially asked that his name be withdrawn from the ballot as a potential candidate for a second term as a member of the Fisher County Hospital Board of Directors. The move by Dr. Callan took place last Tuesday morning and his

statement concerning the action to the people of Fisher County follows:

"It has become quite evident that any efforts on my part to delay or stop the construction of a new clinic building near the

Fisher County Hospital, will only cause trouble and ill feelings and have no effect on the final outcome. It is my opinion that a new clinic is not needed now, but the other members of the board feel

differently. Therefore, I have withdrawn my name from the ballot. I wish to thank all those that have supported me in my term on the board, and wish the board much success in their future endeavors."

## Romona Skinner And Scot McKinney To Wed

A wedding on the evening of June 30 has been planned by Miss Romona Lee Skinner and her fiancé, Henry Scot

### Book Review Club To Meet March 20

The Rotan Book Review Club will have its March meeting on Tuesday, the 20th, at 3:00 p.m., at the coffee room of the Sweet-water Savings building.

The guest reviewer will be Kathrine Duff, noted columnist from Abilene. All members will want to be there.

McKinney of Rotan, as announced by her parents, Mr. and Mrs. Jack Skinner of Childress. Parents of the prospective bridegroom are Mr. and Mrs. Henry Murl McKinney of Rotan.

The ceremony will be at seven o'clock in First Baptist Church of Childress.

Miss Skinner is a senior student at Texas Tech University, where she is a double major in Clothing and Textiles and Home Economics. Her fiancé is a 1978 graduate of TTU and

is currently employed by Commercial Credit in Lubbock.

### Rotan Jr. High Names Honor Roll

The following Rotan Junior High students were named to the 4th six weeks honor roll, having an average of 90 or above in all subjects.

- 5th grade: Rocky Roberts, Joe Mike Sparks.
- 8th grade: John Underhill, Spencer Houston, Darren Leverton, Kellie Pease, Jana Smith.

This is the second in a series of articles on Family Health which was discussed in an earlier article. There are many aspects to Family Health and alcoholism is one of these. The following information gives an insight into the number of Americans who are alcoholics and some facts and fallacies regarding this illness.

Questions asked are:  
1. Most alcoholics are "skid row bums".

2. You have to drink more than a pint a day to be considered an alcoholic.

3. As long as you stick to beer, you won't become an alcoholic.

4. Alcohol is a depressant.

5. At least one-half of fatal highway accidents involve drinking.

6. Giving a person who is drunk some black coffee will sober him up.

Answers:  
1. False. Only about three to five percent of the more than 9,000,000 alcoholic Americans are "skid row bums". About 70 percent of the alcoholics are married, employed, "regular" people.

2. False. Evidence has shown that a specific amount of alcohol can't be set in determining if a

person is an alcoholic. Rather than how much a person drinks, what seems to be more important is when, how and why the person drinks.

3. False. On beer or one glass of wine is about equal to the average highball. Beer, just like hard liquor, contains the necessary ingredient of alcohol that is needed to become an alcoholic.

4. True. Although often considered a stimulant, it

### Roby Garden Club Met Thursday March 8

The Roby Garden Club met Thursday, March 8, at 9:30 a.m. at the Midwest Electric Coop. Hostesses were Mrs. Dwelyn Parker and Mrs. Forrest Felteller.

Mrs. L.L. Stuart, president, presided over the meeting. After several business items had been discussed, Mrs. Stuart showed slides of African violets. Narrator was Mrs. Edd Carter. Mrs. Stuart surprised the group with pictures that she had taken of the club members during the year at different Garden Club meetings. This gave much enjoyment to everyone.

actually works as a depressant on the central nervous system.

5. True.

6. False. To sober up simply takes time. To get alcohol out of the system, the liver needs time to metabolize the alcohol.

Everyone has his own "cure" for a hangover—actually the only one that works is preventive medicine. If you don't drink too much, you won't get a hangover.

Members present were Mmes. Harvey Hood, Roland Ray, Sr., Jess Goforth, Earnest Hammer, Edd Carter, L.L. Stuart, W.W. Morton, and the hostesses Mmes. Parker and Felteller.

Refreshments were served buffet style from an appointed table. They consisted of a homemade cheese roll, dip, saltines, several kinds of cookies, coffee and other party dainties.

For the April meeting a luncheon will be held, time and place will be designated later.

## 4-H Members Place High At San Angelo

In the 220 yd. dash Troy Daniel was first with a time of 26.8 and Endgate Adkins placed 3rd with a 28.4.

Greg Gruben was 2nd in the 80 yd. hurdles with a 15.3 and Rodney Pearson 7th with a 17.2.

Pearson was 6th in the 220 hurdles with a time of 36.7.

In the 100 yd. dash, Troy Daniel was 2nd with a time of 11.5, Randy Martinez 4th and Endgate Adkins was 5th.

Rodney Pearson won 1st in the 880 yd. dash with a time of 2.23.

The mile relay team of Adkins, R. Martinez, J. Hernandez and Julian Montez won first with a time of 4:28.5.

## Sunflowers Valuable Wildlife Food

'Aztec' Maximilian sunflower, a native forb relished by livestock and wildlife, has been released by the U.S. Soil Conservation Service. A forb is a herbaceous plant that is not a grass, sedge, or rush.

Charles K. Black, district conservationist for SCS at Rotan, said the new variety was selected for use in range seeding.

"A lot of livestock producers in Texas would like to include seed of a native plant used by livestock and wildlife—especially deer and game birds—in range seeding mixtures," Black said. "But seed for such plants simply are not available."

"But 'Aztec' Maximilian sunflower will change that," Black continued. "We anticipate a heavy demand for the seed as soon as it is available."

Black said that commercial seed growers will be planting 'Aztec' in 1979. A small amount of seed should be available for use in range seeding mixtures in 1979 and 1980.

Maximilian sunflower is native to most of the grassland of the Southwest but the plants is so relished by livestock and wildlife that it has been killed out on most rangeland. Seed for the plant has never been grown commercially.

'Aztec' has undergone extensive field testing since 1969; plantings have been made at 55 locations in Texas, 17 in Oklahoma, and at 11 locations in Kansas. The plant has proved to be adapted to most soil types for range

seeding mixtures where average annual rainfall is 18 inches or more. The plant, however, does not appear to be adapted to wet or saline soils.

The high protein content of Maximilian sunflower makes it especially attractive to deer, cattle, sheep, horses, and goats. The plant is so palatable that several test plantings have been killed by overgrazing from cattle and deer. Birds

eat the seeds readily and the tall, dense growth provides cover for several species of wildlife.

'Aztec' is being released by SCS in cooperation with the Texas Agriculture Experiment Station and the Texas Parks and Wildlife Department.

Foundation seed can be purchased by commercial seed growers from the Foundation Seed Service, Texas A&M University, College Station, Texas

### Hearing Test Set For Rotan

Free Electronic hearing tests will be given at the Rotana Inn, 311 N. Cleveland, Friday, Mar.16,9 a.m.-1 p.m.

Factory-trained hearing aid specialists will be at the office listed below to perform the tests. Anyone who has trouble hearing is welcome to have a test using the latest electronic equipment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained; and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better. The free hearing test will be given at The Rotana Inn, 311 N. Cleveland, Friday, Mar.16, 9 a.m. - 1 p.m., Rotan, Texas. If you can't get there on Friday, call 735-2214 and arrange for an appointment at another time. In home testing is also available. All former Scott Hearing Aid customers are welcome to our service.

# Board Approves The Purchase Of Lighting

The members of the Rotan School Board voted unanimously to approve the purchase of new lighting for the Rotan Football Field last Monday night at their monthly board meeting.

The low bidder was Southern Electric of Snyder. The bid calls for the installation of 6 poles with 1500 watt quartz lights to each pole at a total cost of \$9,535.00. The board elected to take a \$756.00 discount off the bid by allowing Southern Electric to re-use two of the existing poles.

The board tabled any action on lights at the tennis courts until a representative of the Rotan High School could meet with Rotan City Council members in an effort to share lighting costs with the city. The bid

received for tennis court lighting was \$3,660.00.

In other action the board approved a recommendation by Superintendent Tom Harkey asking that the tax roll be put on computer through the Region 14 Service Center. The anticipated cost is .30 cents per tax statement or an approximate additional cost to the district, over what is currently expended, of \$400.00.

The board approved the appointment of Dick Edwards, Wayne Harris and Mac Weathersbee to the board of equalization and set the date of July 18, at 2:00 p.m. for the meeting of the board of equalization for oil, mineral and utility property.

In final action the board accepted the resignation of Mrs. LaVern Kennedy and re-hired all teachers.

Cauble, senior, honorable mentions: Linda Hoodenpyle, junior, Jill Wright, sophomore, Darlene Heron, sophomore, Sylvia Gaona, senior and Mary Clatyon, freshman.

Making the all district team boys team from Roby, Greg Jennings, junior, honorable mentions were Mark Pope, sophomore, Brad Wilburn, senior, and Timmy Morton, senior.

Mr. Buddy White led the Sunday morning worship service for First Baptist Church. Bro. Hicks pastor of Cross Roads Baptist Church, brought our afternoon message. There were 24 in attendance.

The Gideons brought Bibles for each resident and the nurses. The residents are really enjoying the large print. They take the Bibles to Bible Study every Thursday.

The First Methodist Church gave the home some beautiful yellow spider mums. They were given in memory of J.R. Strayhorn by Bart Strayhorn. Mrs. Leona Strayhorn was a former resident.

I am happy to say that Lulline Blount is up and about after being confined to her bed for several days.

Due to the nice weather we have been having, Mrs. Moffett and Mrs. Eaton are able to get out of doors for their strolls visiting various neighbors.

Mr. and Mrs. Weldon Canfil of Hamlin visited with Mattie Key. Mattie is doing so much better. She enjoys coming down to the lobby and singing on Monday afternoons with

Mrs. Jones.

John Cox enjoyed the company of Mr. Bill Willis of Gail and Nona Worton and Robin Smith of Dallas.

Betty Sharp of Arlington and Lucille Biers of Sweetwater visited with Homer Lawlis.

Leona Levins of Abilene visited with Lulline Blount.

Essie Eaton had a nice visit with Nadine Jenkins of Aspermont. Mrs. Eaton went out yesterday to visit with her daughter Bessie Lou Noles.

Mrs. Floyd McCain and Mrs. Luther Maberry of McCauley visited with

Neda Kiser.

Nora Millwee had a surprise visit from Archie and Nell Millwee of Buchanan Dam.

Mrs. H.H. Gibson and Lillian Perkins of Roby visited with Beulah Moffett.

Monday during Mrs. Jones' piano we had a beautiful bass solo by Mr. R.D. Shows. It was so good we have asked for a return engagement. Mr. Shows is the brother-in-law of Alice Sutton.

there was anyway to get all four of the county medical doctors in one location, he's suggest that the board pursue work in that direction.

After the discussion with Anderson, Kirmet Terry made a motion to authorize Wadleigh Construction Company to begin drawing plans and specifications for the new four doctor clinic.

Before a second could be secured, Glenn Copeland told fellow board members that her personally wanted to wait until after the election to vote on any more major decisions. He explained that he was a member of the board through appointment and was not elected by the people. He stated that he could see a need for a clinic but before he voiced his opinion he wanted to be elected by the vote of the people.

After Copeland's observations were aired, Rudy Martinez seconded Terry's motion and Board president Ammons called for the vote. Glenn Copeland abstained, Dr. C.M. Callan voted no, and Terry and Martinez voted in favor of the motion. For

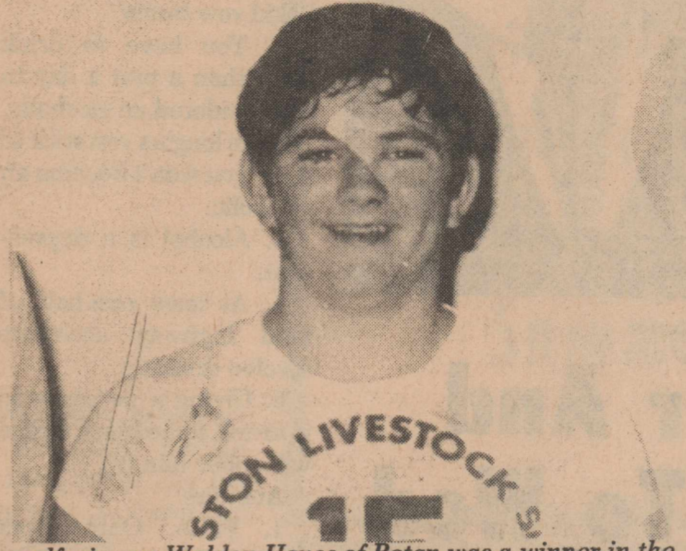

the record Ralph Ammons expressed his approval of the motion, making the final count 3 for, 1 against and 1 abstain.

The board added to the motion by agreeing to pay Wadleigh Construction Company a sum of \$3,750 for drawing the plans and designing the specifications if the clinic construction bid was not awarded to Wadleigh Construction Company.

### Fisher County Nursing Home

Delayed March 8, 1979

Our visitors this week included Clifton Lockhart of Abilene visiting Roberta Barnes.

Mr. and Mrs. Weldon Canfil of Clyde visited with Mattie Key.

John Cox was visited by Mrs. Jim Wharton of Dallas.

Mr. and Mrs. Bill Aaron of Snyder visited Addie Scott, also visiting was Linabell McIntosh of Hobbs community.

Mrs. Vera Cozart and Bessie Akins, both from Abilene visited with Essie Eaton.

Mrs. Jones entertained with some lovely selections on the piano. The residents enjoyed singing along.

Bible Study class met on Thursday. The Nazarene Church is so faithful to conduct the class every week.

Winning bingo this week were Sadie Cross, Rector Brown, Alice Sutton, Florence Hale and Essie Eaton.

Looking back over past articles I noticed I failed to thank the G.A.'s of First Baptist Church for the tray decorations for Valentine's Day. I am terribly sorry for the oversight on my part.

Sunday services were conducted by the First Baptist Church and the Church of the Nazarene last week. First Baptist and Calvary Baptist Churches held services this week.

The Joy Sunday School Class of First Baptist Church held a birthday party for the February birthdays. There were no residents with birthdays, but three of our staff members had birthdays, Brenda Whitley, Kathryn Alaniz and Willardene Parker. The residents got a big 'kick' out of singing happy birthday to them.

Joel Fink and Dottie Beeson came by and left each of the residents some goodies. Hilton and Sadie Cross enjoyed their visit.

We would like to have volunteers to play 42 and dominoes. Also, we are looking for some horse shoes. We plan to pitch a few horse shoes this summer. With the days starting to warm up we will be needing volunteers to help with our walk class. There are so many differ-

ent areas that a volunteer can be useful. The time spent is very rewarding. "A cat in gloves catches no mice". See you next week.
