## Funeral services conducted for Johnnie D. Brown

Services were held for Johnnie D. Brown on Tuesday, May 3, 1994, in the First Baptist Church of Plains. He was 65 years old. Rev. Bill Wright, pastor, officiated. Mr. Johnny P. Shelton, close friend of the family, presented the eulogy. Melba Crutcher and Patrick Hamilton offered tribute in song.

Burial was in Cedarlawn Cemetery in Sherman under direction of Roger Pool Funeral Home of Seminole.

Mr. Brown died in his home Monday morning, May 2, 1994, after a lengthy illness.

Born Feb. 2, 1929 in Orangeville, he was a U.S. Marine Corps veteran of the Korean Conflict and was bookkeeper at the Merchants and Planters Bank in Sherman. He was city secretary in Plains and served as senior officer of Plains State Bank. He was a past mayor for the city of Plains. He became Yoakum County's first chief appraiser in 1980 until retiring in Feb. 1994.

He married Barbara Ann Hash on May 16, 1953 in Sherman. He was a member of First Baptist Church of Plains. He was also a member of Plains Lions Club, Plains Cowboy Band Booster Club and was a former Yoakum County Hospital trustee.

Survivors include his wife; four daughters, Judy Kathryn Bryant of Dallas, Connie Rose Fletcher of Denver City, Carolyn Sue Baker of Pampa and Johnna Kay Summers of Allen; a brother, Paul Brown of Garland; a sister, Louise Burden of Colbert, Okla.; and nine grandchildren.

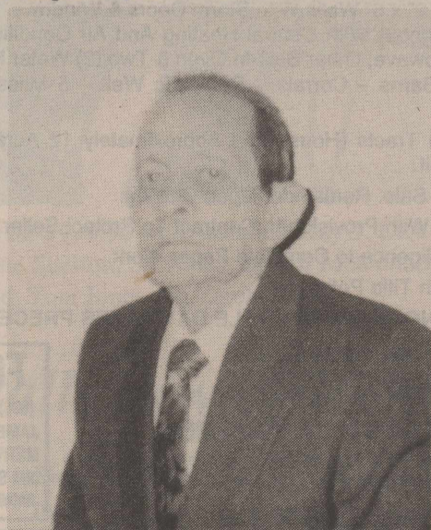

Pallbearers for Plains services were Claude Addison, Dennis Harrison, Billy

Ray Moore, Amos Shifflett, Rowe Stephens and Rhonal Teaff.

Pallbearers for Sherman services were James Byron Adams, Larry Joe Embry, Joe Steven Wetzel, Marc Wetzel, Donnie Shonk, Larry Wayne Burden, Mike Littrell and Steve Book.

Honorary pallbearers were Mr. Brown's grandsons.

The family suggests memorials to Hospice of Lea County.

A 1988 graduate of Plains High School, Flores is the son of Mr. and Mrs. Joe Flores. He will be employed with Methodist Hospital in Lubbock.

### ET Volunteers valuable to local conservation

Earth Team Volunteers are helping with local soil and water conservation efforts, says Mario Avila, Yoakum County District Conservationist.

Some of the priorities in our area are soil conservation, conservation compliance, and conservation education says Avila.

"We salute the following Earth Team members who are supporting these priorities," Avila said. "National Earth Team Volunteer Week, provides an opportunity for us to recognize these people: L.J. Sanders (retired engineer), Kathy Jones (administrative assistant) and Margarita Avila (school teacher).

"Earth Team members are supporting their community as they share their time and talents," Avila explains. "Being involved in the Earth Team helps broaden their understanding of local soil and water conservation issues.

"The Earth Team Program is open to everyone age 16 years and older and offers opportunities to gain work experience, personal satisfaction and academic credit. Interests and skills will be matched to local projects," concludes Avila.

The United States Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, and marital or familial status. (Not all prohibited bases apply to all programs.)

### Card of Thanks

Dear Friends,

Words can never express the gratitude we have for you, for all of the thoughtful deeds you've done since the loss of our dear daddy, Johnnie Brown. He loved this community and the many, many friends he made over the years. Thank you for the flowers, meals, your attendance at the services, and most of all, your prayers. We will continue to depend upon you to life up our mother through your prayers and deeds. May God bless each and every one of you.

Connie Fletcher, Judy Bryant, Sue Baker, & Johnna Summers

My Precious Christian Friends, "How Great Thou Art" ~ I am still in such a state of awe, as to the outpouring of love and sympathy and generosity, from the entire community of Plains, and also Denver City. I could never say "Thank You" enough. I am so grateful that we had the opportunity of making our home in Plains for over 30 years. We are truly blessed as a Christian community. Even in our sorrow, we lift our hearts to Jesus and say "Thank You".

My Love,  
Barbara Brown

**TO ALL INTERESTED PERSONS AND PARTIES:**

You are hereby notified that TOKIO COOP GIN has applied for Texas Natural Resource Conservation Commission (TNRCC) Air Quality Permit No. 24706. This permit if approved, will authorize the operation of an existing Cotton Gin in Plains, Yoakum County, Texas. The location of the existing facility is 12 miles east of Plains on State Highway 82. This facility will emit the following air contaminants: particulate matter and nitrogen oxides.

A copy of all materials in the public file is available for inspection and reproduction at the TNRCC Lubbock Regional Office, Air Program, at 4630 50th Street, Suite 600, Lubbock, Texas 79414-3509, telephone (806) 796-3494, and at the TNRCC Central Office, 12124 Park 35 Circle, Austin, Texas 78753, telephone (512) 239-1000. The facility's compliance file, if any exists, is available for public review in the regional office of the TNRCC. Inquiries about the permit application and any information concerning any technical aspect of this application can be obtained by writing Mr. Michael Wilson, TNRCC Office of Air Quality New Source Review Program, P.O. Box 13087, Austin, Texas 78711-3087 or the TNRCC Lubbock Regional Office.

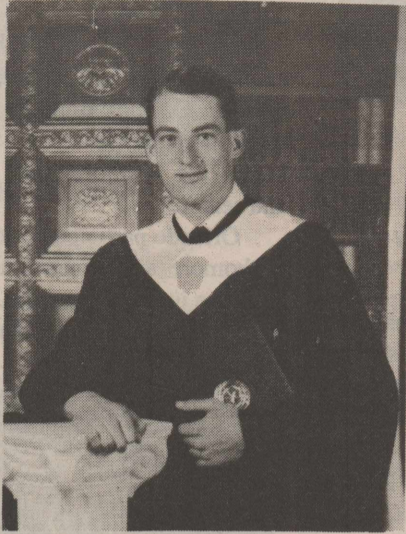

You may submit written comments concerning the permit application to the Office of Air Quality, New Source Review Program in Austin. All written comments received within 30 days after the second publication of this notice shall be considered by the Executive Director in determining whether to issue or not issue the permit. All written comments will be made available for public inspection at the TNRCC Central Office in Austin. This notice is to be published on May 11 and May 18.

Any person who may be affected by emissions of air contaminants from the proposed facility may request the Commission to hold an informal public meeting and/or contested case hearing on the permit application pursuant to Section 382.056(d) of the Texas Health and Safety Code. The Commission is not required to hold a contested case hearing if the basis of a request is determined to be unreasonable. All requests for a contested case hearing must be received in writing within the 30-day comment period regardless of whether an informal public meeting has been held or scheduled on this matter. If you wish to request a public hearing, you must submit your request in writing. You must state (1) your name, mailing address and daytime phone number; (2) the permit number or other recognizable reference to this application; (3) the statement "I/We request a public hearing"; (4) a brief description of how you, or the persons you represent, would be adversely affected by the granting of the application; (5) a description of the location of your property relative to the applicant's operations; and (6) your proposed adjustment to the application/permit which would satisfy your concerns and cause you to withdraw your request for hearing. Requests for a public hearing on this application should be submitted in writing to Bill Ehret, Assistant Chief Hearings Examiner, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087, Telephone (512) 305-9087.

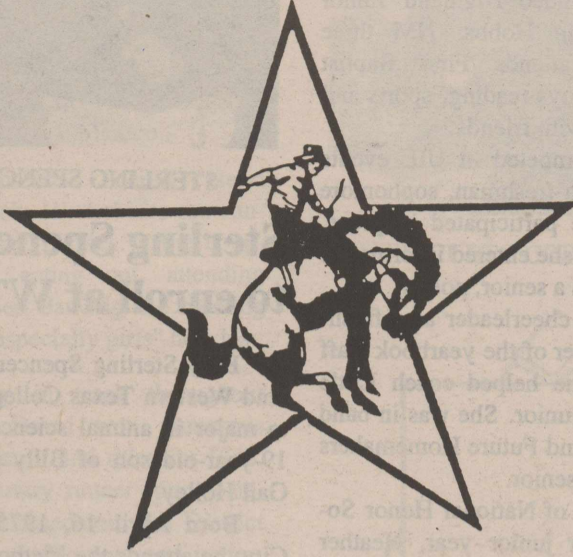

Before a permit can be issued for this facility, the applicant must demonstrate that all emission sources are in compliance with all TNRCC air quality Rules and Regulations and all applicable Federal Regulations. This includes the application of "best available control technology" to each new or modified emission source and compliance with all ambient air quality standards.
